

BNSF & DEPARTMENT OF PUBLIC WORKS RAILROAD CROSSING IMPROVEMENT PROJECT

BNSF Railway and the San Bernardino County Public Works Department are jointly participating in a project to upgrade the railroad crossing along High Road. This project includes placing concrete panels across the railroad tracks in High Road that will provide a smoother surface for vehicles resulting in decreased wear and tear on your vehicles. The project is being scheduled for December 2nd 2013. High Road must be closed up to 8 hours for the work. A detour is not available.
