

Construction Debris Bins Available

Monday-Saturday, 8 a.m. to 4:30 p.m.

Trona Transfer Station, 13177 Trona Dump Road

DEBRIS REMOVAL BIN GUIDELINES

Acceptable waste

The County will allow customers to bring clean loads of brick, block, wood/lumber, and inert materials. Please note we have limited capacity at the transfer station and will only be able to accept pick-up truck type loads.

Please call San Bernardino County Solid Waste Management at (909) 386-8701 if you have any questions.

Generally Prohibited Material

Asbestos

Waste Containing Asbestos is prohibited. Construction and Demolition type waste from Pre-1985 structures, or structures with an unknown construction date without an Asbestos clearance by a State Certified Asbestos Consultant, or equivalent, is prohibited.

Please call San Bernardino County Department of Building and Safety for information at 909-387-4111 prior to doing any building demolition.

Household Hazardous Waste (HHW) – Call (800) 645-9228 for information

The Environmental Protection Agency considers some leftover household products that can catch fire, react, or explode under certain circumstances, or that are corrosive or toxic as household hazardous waste. These are products, such as:

- Paint
- Batteries
- Solvents
- Pesticides can contain hazardous ingredients and require special care
- Cleaners
- Poisons
- Petroleum
- Oils
- Fuel
- Electronic Waste

Please call San Bernardino County Department of Building and Safety for information at 909-387-4111 prior to doing any building demolition.
