# Countywide Resources

## 2-1-1

2-1-1 is a free and confidential service, available 24 hours a day, providing information and resources for health and social services in San Bernardino County. Call 2-1-1 for additional service providers in your area or the website at [www.211sb.com](http://www.211sb.com)

## Community Action Partnership of San Bernardino County (CAPSBC) - (909) 723-1500

CAPSBC administers various programs to assist the low income population throughout San Bernardino County. More information available at [www.capsbc.org](http://www.capsbc.org)

## Department of Child Support Services (DCSS) - 1 (866) 901-3212

DCSS assists with establishing, modifying and enforcing court orders for Child Support, locating parents, establishing paternity, and collecting and distributing child support and spousal support payments. More information available at [www.sbcounty.gov/dcsc](http://www.sbcounty.gov/dcsc)

## Department of Behavioral Health (DBH) Access Unit - 1 (888) 743-1478 or (909) 381-2420

A 24/7 call center comprised of professional staff that provide widespread linkages to behavioral health services

## Public Health Information - 1 (800) 782-4264

Public Health provides community and preventive health services that promote and improve the health, safety, well being and quality of life of county residents and visitors.

## San Bernardino County Superintendent of Schools (SBCSS) - (909) 386-2634

SBCSS Provides information about services and countywide programs and activities for students. [www.sbcss.k12.ca.us](http://www.sbcss.k12.ca.us)

## Social Security Administration (SSA) - 1 (800)-772-1213 - TTY - 1 (800) 325-0778

Social Security Administration provides information on applying for Retirement, Medicare, Disability Benefits and a Social Security card. Other services available through SSA can be found at [www.ssa.gov](http://www.ssa.gov)

## Transitional Assistance Department (TAD) - (909) 388-0245

TAD administers financial support programs to persons in need of financial, nutritional and/or medical assistance.

**Note:** The city a provider is listed under may be a business location only and not be the area serviced by that provider. There also may be additional areas served other than the city listed. Call the provider to determine what areas are serviced and details about services offered.

## Legend

**\*** = County wide service provider

**ES** = Emergency Shelter

Any facility the primary purpose of which is to provide temporary or transitional shelter for the homeless in general or for specific populations of the homeless. (HUD definition)

**DV** = Domestic Violence Shelter

Place of temporary refuge and support for women escaping violent situations. Shelter agencies may offer supportive and/or counseling services. Services may vary among agencies.

**T** = Transitional Housing

A project that has its purpose facilitating the movement of homelessness individuals and families to permanent housing within a reasonable amount of time (usually 24 months). (HUD definition)

**P** = Permanent Housing

Long-term, community-based housing that has supportive services for homeless individuals with disabilities. This type of supportive housing enables special needs populations to live as independently as possible in a permanent setting. (HUD definition)

**C** = Case Management

A course of action for a situation and/or program involving an individual and the implementation of such a program.

**R** = Rental Assistance

Short term assistance paying rent for a dwelling. Assistance will vary among agencies.

**U** = Utility Assistance

Short term assistance paying utilities such as gas, electric, water, trash. Assistance will vary among agencies.

**F** = Food Bank

A place where food is contributed and made available to those in need.

**SS** = Supportive Services

Services that assist homeless participants in the transition from the streets or shelters into permanent or permanent supportive housing, and that assist persons living successfully in housing. (HUD definition)

Services provided to an individual or household to promote well-being and enable them to live as independently as possible.

Supportive Services may vary among agencies and serve specific populations. Some examples of supportive services would be job readiness training, legal services, medical services, education classes (GED), life skills classes, substance abuse treatment, referral services, clothing and/or transportation services.
