Who are TAY?

Transitional Age Youth (TAY) are individuals between the ages of 16 & 25. The **TAY** One Stop Center has been especially designed **for youth... by youth.**

Our target population are youth with mental and/or emotional problems who may be emancipating from:

- foster care
- group homes
- juvenile justice system

and/or youth from the community

The **TAY** center is a drop in center. We provide a safe environment for youth to set goals and succeed in life.

The **TAY** One-Stop Center welcomes youth needing assistance in becoming independent. Our staff is dedicated to helping improve the quality of life for TAY in San Bernardino County.
