

**COUNTY OF SAN BERNARDINO
DEPARTMENT OF BEHAVIORAL HEALTH
Current Active Fee-For-Service Providers**

Behavioral Health

County of San Bernardino Department of Behavioral Health has many Fee-For-Service providers, though not all are listed on our current active provider lists. If a provider is not found on this list, it could be due to the fact that the provider was on inactive status at the time this list was posted, or they may have requested to be removed from the referral list. **It is extremely important that you keep only the most current list**, as clients who are referred to providers who are not on this list have been referred back to Access, or a clinic, for another referral. This not only aggravates clients, but creates more work for those who gave the client the initial referral.

Fee-For-Service network provider lists contain the names of all Fee-For-Service mental health providers who are (1) credentialed with the County of San Bernardino Mental Health Plan, (2) in good standing (i.e., license is current, malpractice insurance is in effect, etc.), and (3) have indicated that they are accepting Medi-Cal consumers, both new and continuing.

When considering this list for potential referral options, be sure to review the provider's entire profile, in particular, the "Population Served" section. Attention to this area will not only ensure an appropriate referral is made, but will also save both clients' and providers' time on inappropriate referrals.

For further assistance or questions regarding Fee-For-Service Providers, please contact the Access Unit at 1(888)743-1478.
