RE: MEDI-CAL EXPANSION – BENEFITS CHANGES

Dear Department of Behavioral Health (DBH) Medi-Cal Contract Fee-For-Service Providers,

As you know, on January 1, 2014 Medi-Cal Expansion became effective, generating major changes to Behavioral Health and Substance Use benefits for clients with Medi-Cal and their insurance. Medi-Cal Expansion beneficiaries will be assigned to one of four plans: Inland Empire Health Plan (IEHP), Molina Healthcare, IEHP Kaiser or Health Net Managed Health Network (MHN).

Please read the attached Information Notice 14-03 and if you have any questions or require additional information, please do not hesitate to call me at (909) 873-4455.

We look forward to continuing to work together in sustaining the County of San Bernardino Department of Behavioral Health's high quality of care.

Sincerely,

Al Evans
