Approved Date

Policy
It is the policy of the Department of Behavioral Health (DBH) to comply with the County Auditor/Controller-Recorder (ACR) Internal Controls and Cash Manual procedures and guidelines to purchase and issue Prepaid Cards, as defined, for DBH programs and functions.

Definitions
Prepaid Cards are a cash equivalent requiring Cash Control procedures. They provide public assistance to clients meeting program or function requirements. Prepaid Cards include the following:
- Prepaid Debit Cards
- Gift Cards
- Gift Certificates
- Vouchers
- Coupons
- Bus Passes

ACR Internal Controls and Cash Manual is a document that provides instruction to safeguard county assets and for reliable financial record keeping. Chapter Twenty (20) provides complete information regarding Prepaid Cards. Chapter Three (3), Cash Controls, describes appropriate procedures to Safeguard Cash (3-3).

Annual Inventory Report is a count of Prepaid Cards on hand completed on June 30 of each fiscal year or on the last business day prior to June 30 if that date falls on a weekend or holiday. An inventory reporting form will be provided to each Fund Custodian for completion for those cost center(s)/location(s) for which the Fund Custodian is responsible. The Fund Custodian may not conduct the Monthly Inventory, per Segregation of Duties as defined. The inventory is to be completed by "employees other than the card custodian" and an "employee of a higher-ranking job code reviews and signs off on it."

Annual Reconciliation is conducted on June 30 of each fiscal year or the last business day prior to June 30 if that date falls on a weekend or holiday. It is conduct in the same manner as a Monthly Reconciliation.

Definitions (continued)

**Chain of Custody** describes maintaining a continuous written log documenting the following:
- Card receipts
- Distributions and handling Prepaid Cards
- Intradepartmental movement of Prepaid Cards

**Fund Custodian** is a staff member designated by the Program Manager for the Cost Centers/Locations using prepaid cards. In some cases, a Fund Custodian may be the custodian of Prepaid Cards for more than one Cost Center. Each Fund Custodian has a Signature/Fund Custodian Authorization form on file with DBH and ACR.

**Intradepartmental Movement** is a term to describe Prepaid Cards for a single program which are distributed to multiple locations.

**Monthly Inventory** is a count made on the last day of each month (or the last business day of the month if the last day of the month falls on a weekend or holiday) of Prepaid Cards on hand at those Cost Center(s)/Location(s) for which the Fund Custodian is responsible. The Fund Custodian may not conduct the Monthly Inventory, per Segregation of Duties. The inventory is to be completed by “employees other than the card custodian” and an “employee of a higher-ranking job code reviews and signs off on it.”

**Planning Activities** include:
- Facilitating or co-facilitating focus groups
- Attending trainings
- Recruiting clients/family members and other stakeholder participants
- Implementing outreach activities which will facilitate stakeholder input
- Assisting with coordination

**Prepaid Cards Inventory Sheet** ([BOP025](#)) is a document used to record a Monthly Inventory and lists:
- The Merchant
- Card account number or ID
- Card denomination
- Quantity
- Total per merchant and card denomination
- Grand total of number of cards and cash value on hand

*Continued on next page*
Prepaid Cards Reconciliation Sheet (BOP027) is a one-month, two-page continuous written log documenting all Prepaid Card transactions, such as:
- Card receipts
- Card distributions
- Intradepartmental card movement

Monthly Reconciliation is conducted to ensure the amount of cards on hand, per inventory records, is the proper amount based on purchases and distributions, and that no cards are missing. It reconciles the Prepaid Cards on hand as of the last day each month, or the last business day prior to the end of the month if that day falls on a weekend or holiday. It is completed on a Prepaid Cards Reconciliation Sheet. A separate reconciliation is completed for each Cost Center/Location for which the Fund Custodian is responsible. A staff member other than the Fund Custodian and of a higher-ranking job code completes the fund reconciliation. The Fund Custodian may conduct the reconciliation if it is reviewed and signed by a staff member of a higher-ranking job code.

Request to Distribute Prepaid Cards (BOP026) is the document a staff member completes to request all forms of Prepaid Cards for a client or other authorized recipient. See the Bus Pass Policy for a list of authorized recipients for Bus Passes.

Segregation of Duties is to ensure all Prepaid Card duties are not assigned to one individual who has access/responsibility to the entire Prepaid Card process. Each of the following functions must be segregated:
- Purchasing
- Receipting
- Distributing
- Inventorying
- Reconciling
- Reporting

Standard Procedure Manual BOP3030-1: Prepaid Cards Procedure provides instructions for purchasing and issuing Prepaid Cards. They may differ or be more stringent than those contained in the Internal Controls and Cash Manual. In those instances, DBH procedures must be followed.
