Consumer Focus Groups Policy

Policy
It is the policy of the Department of Behavioral Health to provide consumers with information about the Medi-Cal Mental Health Plan (managed care) and to obtain feedback on accessibility to specialty mental health services from consumers, their families or potential consumers attending Focus Groups.

Effective Date: 6/1/00  
Revision Date: 4/17/07  
Allan Rawland, Director

Purpose
To improve accessibility to specialty mental health services by identifying and removing barriers to treatment.

Meetings
Focus Group meetings will be scheduled twice/year with consumers in each region of the department by the Program Manager.

Process
The following table describes the process for identifying and contacting Consumer Focus Groups:

| 1     | Identify target population based on any one of the following:  
   • ethnic groups  
   • language groups  
   • age  
   • other groups |
| 2     | Develop Informational flyers which will include the following:  
   • date of the focus group meeting  
   • time of the focus group meeting  
   • location of the focus group meeting  
   Note: The flyers must be available in the threshold language except in the case when a specific language group is the target population of the focus group. |
| 3     | Contact consumers or their families or potential consumers to invite them to the focus group meeting |
