DISCUSSION

ITEM 4- Local Plan Report by MaryAnn Pranke
MaryAnn was hired as a consultant to write our Local and Regional Plan. She is conducting various workshops with community partners, providers, board members and customers. She was at this meeting to get feedback and input from the board members about strengths, weaknesses, analysis and threats on their thoughts about how they can ensure the board will continue to function as a high performing board. Once MaryAnn is done gathering information from all sources, she will write up the plan and get it ready for public viewing by the end of December.

ITEM 5- Discuss Business Surveys
Miguel McQueen discussed the business survey handout and what the purpose of the form is. The Business Services Representatives go out and survey businesses on a monthly and annual basis. Once the information is gathered, the Business Services team will perform a follow up evaluation. There was a question of how often does the Board would like to see the data from these surveys and it was decided on a quarterly basis.

ITEM 6- Discuss Next Steps on Economic Development and Business Committee Strategic Action Items
Mariann Ruffolo discussed the handout on goals and activities for Economic Development and Business Resources Committee 2016-17. Mariann Ruffolo updated the committee on the Regional and Local planning meetings. The last meeting had good feedback with about 150 attendees which were from business and chamber members. The MOU Phase II is moving forward. There was a kickoff training and the partners seemed to understand their roles and made good suggestions.

ITEM 7- Chamber Engagement
Jon Novack and Peggy Hazlett have been working on a project with businesses through the Ontario Chamber of Commerce trying to spread the word of all the services EDA and WDD can provide.
