Also circulated was the program support summary, which showed expenditures of $87,500 during the 2018/2019 fiscal year. A discussion ensued regarding the return on investment and the need to evaluate each of these expenditures on a regular basis. Also discussed was requiring Board approval on any program support requests of $5,000 or more. An updated policy item will be brought before the Exec and WDB members at their next respective meetings.
7) By-Laws Ad-Hoc
Will Sterling led the discussion. We are currently in the process of reviewing the existing by-laws and making updates and changes as appropriate. ITEM: (5)

SUBJECT: RELOCATION OF THE EAST VALLEY AMERICA'S JOB CENTER OF CALIFORNIA

PRESENTED BY: Molly Wiltshire, Assistant Director
Workforce Development Department (WDD)

CONSENT ___ DISCUSSION ___ INFORMATION ___

RECOMMENDATION: Authorize staff to work with the County's Real Estate Services Department to finalize a lease with WM Inland County to relocate the East Valley America's Job Center of California from its current location, to 500 Inland Center Drive, Space #508, located at the Inland Center Mall.

BACKGROUND: The East Valley America's Job Center of California (AJCC) is currently located at 658 East Brier Street in San Bernardino and the Workforce Development Department (WDD) is co-located with the Employment Development Department (EDD), the Transitional Assistance Department (TAD), and the Department of Rehabilitation (DOR), occupying approximately 16,642 square feet (sf). The lease on this facility expired on June 30, 2019, and the parties continue to occupy the space under a permitted holdover clause.

On November 6, 2018, the County's Real Estate Services Department (RESD) released a Request for Proposal (RFP) on WDD's behalf for the lease of approximately 20,812 sf of office space in the San Bernardino area. Twelve proposals were received and after an initial evaluation of a team of staff from WDD, EDD, and the County's Human Services Department, the site proposed by WM Inland County was selected to be moved forward for initial lease negotiations. In November 2019, the WDB's Chair, 1st Vice Chair and 2nd Vice Chair met with WM Inland County's representative and took tours of the proposed facility.

Currently, WDD is leasing approximately 16,642 sf at the rate of $2.23/sf, $37,112/month, $445,344/year. WM Inland County initially proposed to lease to WDD approximately 24,000 square feet of office space at the rate of $2.15/sf for a term of seven years, with two, five-year options to extend. Staff has negotiated with WM Inland County to lower the initial proposed rate down to $2.08/sf and included a system's furniture allowance for $225,000 to be amortized over the initial term of the lease, resulting in a new lease rate of $2.19/sf, $52,560/month, $630,720/year (total increase of $15,488/month, $185,376/year, and an increase of 7,358 sf). WDD proposes to occupy no more than 50% of the new facility and sub-leasing out the existing space to our AJCC MOU System Partners.

Benefits of relocating to the new facility at the mall include, but are not limited to the following:

- WM Inland County is offering a $30,000 bonus “moving allowance”
- Ideal location, freeway access and accessible to businesses and the public
- Freeway Pylon Signage at 215 Inland Center Drive and Mall Entrances signage
- A thorough parking lot sealing, landscaping, restriping in front of the proposed facility and “secure” parking area up to 10 vehicles
- A secondary Omni Trans Bus Stop in front of the proposed facility for those who use public transportation
- Security bollards on the sidewalk directly in front of the proposed facility
- Two Mall Job Fairs
- Presence on the mall’s website www.inlandcenter.com with a link to WDD’s website

Approval of this recommendation will allow staff to finalize the lease negotiations, present this item for ratification by the WDB at the December 11, 2019 meeting, and present to the Board of Supervisors on January 28, 2020.
RECOMMENDATION: Approve the new Workforce Development Board (WDB) Policy on providing financial program support.

BACKGROUND: Under the Workforce Innovation and Opportunity Act (WIOA), the WDB has general program oversight of local employment and training activities and the one-stop delivery system and ensures the appropriate use and management of WIOA funds in San Bernardino County.

On October 16, 2019, the WDB approved the Policy Manual and six policies were posted on the WDB website and implemented department wide. With the approval, the WDB set forth that substantial changes to the policies or new policies developed would be presented to the WDB.

Partner agencies and organizations, including school districts, training organizations, community based organizations, industry associations, and San Bernardino County departments often seek support from the Workforce Development Department and the WDB for events like conferences, business functions, and program activities. The support provided becomes a business relationship between the two organizations, creating community relations opportunities and recognition of WDB’s involvement and programs, in exchange for financial (indirect, in-kind, or monetary) support.

WDB Policy 7 has been created to provide structure for approving requests for Workforce Innovation & Opportunity Act financial program support from partners. The policy states that support requests will be approved by Workforce Development Department staff up to an annual amount per entity of $4,999 and will be presented to the WDB for an amount of $5,000 or above per year, per entity.

With approval, the policy will be published to the WDB website and this item will be presented to the WDB for ratification at the next meeting.
