## County Administrative Office

May 23, 2017

I am pleased to hereby submit the 2017-18 Recommended Budget. The preparation of the budget is guided by the Countywide Vision adopted by the Board of Supervisors. The Countywide Vision calls for the creation of a “complete county” that capitalizes on its many assets to collaboratively establish a sustainable system of economic opportunity, education, well-being and amenities. The Countywide Vision and the Board’s County Goals and Objectives provide County government with clear direction as it makes budget decisions. County departments, Board Governed Special Districts and Other Agencies built their 2017-18 Recommended Budgets to achieve the Board’s policy direction.

The 2017-18 Recommended Budget is built within a framework that maintains service levels for county operations while providing flexibility to respond to fiscal uncertainty. While the United States enters its 8<sup>th</sup> consecutive year of economic expansion, key economic indicators within the County have shown signs of strain with assessed valuation, median home prices, and sales tax showing slower growth than in previous years. In addition to a changing economic environment, the county is also directly and indirectly exposed to fiscal impacts resulting from actions at the State level. This includes the passage of SB 1 to enhance funding for road projects and the transfer of additional financial responsibility to the County as a result of the discontinuance of the In-Home Supportive Services (IHSS) Maintenance of Effort (MOE) program. The Governor’s January Budget included a cost shift of \$34.8 million from the State to the County in 2017-18, and the County estimated the potential of an additional \$83.3 million over the subsequent four years, related to the IHSS MOE Discontinuance. The May Revision includes a change to the State’s short term approach to this shift, however the exact impact of the change is unknown at this time. Working with County staff and State partners we will continue to evaluate the exact impact of the IHSS MOE Discontinuation.

In light of this economic environment, I have directed that the 2017-18 Recommended Budget be built to maintain existing levels of service, fund contractual/mandated obligations, and allocate available ongoing funding on a one-time basis to maintain flexibility to face uncertain fiscal impacts. Once the impact of the IHSS MOE Discontinuance is known, I will direct that a budget update be prepared in the First Quarter of 2017-18 that includes known fiscal impacts, funding options and a strategy to meet future financial impacts.

The 2017-18 Recommended Budget of \$5.8 billion is balanced and consistent with policy direction received from the Board of Supervisors. The 2017-18 Recommended Budget addresses the following key issues:

- Funds increased costs to maintain current service levels.
- Sets aside funds to mitigate potential impacts from the State.
- Continues investment in facilities, infrastructure and operating systems.
- Maintains fiscal responsibility through contributions to reserves of \$68.3 million, including the reserving of \$34.8 million of ongoing revenue to address the previously mentioned IHSS budget impact.

This budget book presents the County General Fund and County restricted general funds. It also presents capital project funds, special revenue funds, enterprise funds, internal service funds and permanent funds for all entities in the 2017-18 Recommended Budget book including the County, Board Governed County Service Areas, San Bernardino County Fire Protection District, San Bernardino County Flood Control District, Big Bear Valley Recreation and Park District, and Bloomington Recreation and Park District. Other agencies presented in this budget book include the County Industrial Development Authority, Economic and Community Development Corporation, In-Home Supportive Services Public Authority, Inland Counties Emergency Medical Agency, and the recently added Housing Authority of the County of San Bernardino. The total requirements for these funds in 2017-18 are \$5.8 billion, which includes amounts budgeted as contingencies or contributions to reserves/net position. Excluding these amounts, total projected expenditures for 2017-18 are \$5.7 billion.

General Fund Requirements total \$3.0 billion and are funded by Countywide discretionary revenues (primarily property taxes), departmental revenues, and other funding sources of the General Fund. Of this \$3.0 billion, only \$585.8 million is truly discretionary.

	<b>Requirements (In Millions)</b>		
	<b>2016-17 Modified</b>	<b>2017-18 Recommended</b>	<b>Change</b>
General Fund	\$ 3,114.4	\$ 3,038.8	(75.6)
Restricted General Funds	49.9	38.2	(11.7)
Capital Project Funds	334.1	378.5	44.4
Special Revenue Funds	1,016.2	1,020.9	4.7
Enterprise Funds	1,028.1	1,071.5	43.4
Internal Service Funds	267.8	275.5	7.7
	<u>\$ 5,810.5</u>	<u>\$ 5,823.4</u>	<u>12.9</u>

The 2017-18 Recommended Budget includes a \$75.6 million net decrease in General Fund requirements due to a reduction in both contributions to General Fund reserves (\$37.0 million), and the Countywide Discretionary General Fund budget unit (\$62.3 million). These decreases reflect Board of Supervisors approval of one-time increases to multiple County General Fund reserves and allocations to the Capital Improvement Program in the 2016-17 First and Second Quarter Budget Reports. However, aside from this reduction, County General Fund operational groups' requirements are increasing by \$23.7 million. The two largest County operational groups with increases are Human Services (\$19.7 million) and Law and Justice (\$12.8 million). The Human Services Operational Group is anticipating increases in the Subsistence budget units which fund either direct payments to welfare recipients or payments to organizations that provide services. Increases within this group include anticipated caseload growth in the Adoptions, Foster Care and Kinship Assistance programs. Increases in the Law and Justice Group reflect the allocation of additional resources to meet the growing need for augmented health and mental health correctional services associated with Public Safety Realignment and also funds increases in staffing expenses related to negotiated salary increases.

The \$44.4 million increase in Capital Project Funds is primarily due to an increase in the fund balance available for multi-year projects and additional funding for existing projects. The additional funding includes \$40.2 million for the County Buildings Acquisition and Retrofit Project, \$2.2 million for the Valley Dispatch Center and \$17.9 million for the 800 MHz Upgrade Project.

The net increase of \$43.4 million in Enterprise Funds is primarily due to increases in the Arrowhead Regional Medical Center and Public Works – Solid Waste Management budget units. Increases in the Arrowhead Regional Medical Center (including the Medical Center CIP fund) total \$15.5 million which includes increased requirements of \$28.3 million offset by a decrease in budgeted Contributions to Net Position of \$12.8 million. This includes an increase in staffing expenses related to the net addition of 66 positions which will allow the department to reduce reliance on registry and overtime usage within the Behavioral Health unit and increased volume in the Obstetrics and Labor and Delivery units. Increases in the Public Works – Solid Waste budget units include \$11.7 million in Requirements primarily to fund costs for expansion and improvement projects across the department's waste infrastructure assets.

	<b>Budgeted Staffing</b>		
	<b>2016-17 Modified</b>	<b>2017-18 Recommended</b>	<b>Change</b>
County General Fund	14,527	14,352	(175)
County - Other Funds	6,620	6,875	255
Special Districts and Other Agencies	1,572	1,601	29
	<u>22,719</u>	<u>22,828</u>	<u>109</u>

Budgeted staffing for 2017-18 is 22,828, an increase of 109 positions from the 2016-17 Modified Budget. General Fund staffing is decreasing by 175 positions primarily due to a net decrease of 204 budgeted positions in the Human Services Administrative Claim. This change in staffing reflects a significant decrease in CalWORKs administrative funding which requires a reduction of eligibility staff. This decrease is offset by an increase of 25 positions within the Probation – Administration, Corrections and Detention unit primarily to establish a Transportation Program for safe and effective transportation of juvenile and adult offenders.

Staffing in Other County Funds is increasing by 255 positions associated with increases at Arrowhead Regional Medical Center (66) which will allow the department to reduce reliance on registry and overtime usage within the Behavioral Health unit and address increased volume in the Obstetrics and Labor and Delivery units. Another notable change includes the addition of 134 positions in the Preschool Services Department to support the implementation of Head Start Extended Duration services at various locations throughout the County.

Special Districts and Other Agencies are increasing by 29 positions. This increase reflects a net increase of 18 positions within the Fire Protection District including the addition of 40 positions associated with the annexation of fire protection services from the City of Upland and the deletion of nine positions due to the elimination of the Inmate Hand Crew Program. Also included is a net increase of 13 positions within HACSB as a result of the Authority's transition to the Rental Assistance Demonstration program and the addition of the Upland Housing Authority's Public Housing and Housing Choice Voucher programs.

## HIGHLIGHTS OF 2017-18 RECOMMENDED BUDGET

Following are highlights of programmatic and budgetary proposals included in the Recommended Budget as they relate to the County Goals.

### **Implement the Countywide Vision**

- With support from the County, the Countywide Vision Education Element Group is continuing to facilitate the award-winning Vision2Read initiative, which seeks to raise the bar for literacy in our community by connecting the public – whether they need help or can offer their help – to existing literacy programs provided by the County, cities, towns, school districts and community organizations. Launched in 2015-16, Vision2Read is an opportunity for all sectors and members of the San Bernardino County community to engage and take action to support the success of every child from cradle to career, which is one of the first regional implementation goals of the Countywide Vision Project.
- In support of Vision2Read, Preschool Services Department (PSD) partnered with County Superintendent of Schools (SBCSS), First Five San Bernardino, and Children's Fund to launch Footsteps2Brilliance, an early learning mobile technology platform that helps children become proficient readers by 3rd grade. Launched in 2016-17, this program was designed to accelerate student achievement and empower parents by giving them computer and mobile device access to easy to use web-based tools to augment their children's learning. The literacy growth of about 1,500 children in PSD and SBCSS programs using Footsteps2Brilliance will continue to be measured in 2017-18. The online tools are available to all children ages 0 – 5 living in the county.
- The Community Vital Signs initiative (CVS), a community-driven effort to establish a countywide health improvement framework, continues to work on the implementation and evaluation of the four priority areas of the Community Transformation Plan (CTP): Education, Economy, Access to Health, and Safety. In 2017-18, CVS will also evaluate the progress of community partner activities through its Implementation Action Plan, launch the CVS Open Performance Site to highlight performance metrics and strategies of the four priority areas, and begin development of a new or updated Community Health Assessment.
- With support from Public Health, CVS is facilitating the Vision2BActive initiative, which aims to improve health and wellness in San Bernardino County by encouraging residents to increase their physical activity, and connecting them to existing recreational programs, amenities and activities in their communities. Regular physical activity can produce a variety of long-term health benefits for people of all ages, backgrounds and abilities. Launched in January 2017, Vision2BActive seeks to inspire people, in part, by bringing together family, friends and neighbors on social media to share their favorite ways of being physically active and to challenge each other to do more.

### **Create, Maintain, and Grow Jobs and Economic Value in the County**

- The Real Estate Services Department – Project Management Division capital budget includes 473 active projects with total requirements of \$396.4 million (excluding Operating Transfers Out and the effect of Reimbursements), including \$99.7 million in new projects funded with \$69.8 million of Discretionary General Funding (Net County Cost). The \$69.8 million of Discretionary General Funding includes an ongoing base budget of \$12.0 million for maintenance and non-

major Capital Improvement Program (CIP) projects, and \$57.8 million for construction and major CIP projects. These major projects include \$17.9 million for the 800 Megahertz Upgrade Project, \$37.7 million for the County Buildings Acquisition and Retrofit Project including the upgrade of the County Government Center parking lots and grounds, and \$2.2 million for the Valley Dispatch Center design.

- The Workforce Development Department budget includes \$15.9 million for training and employment services programs projected to serve 70,000 customers. Services offered include career counseling, job placement, and youth and adult employment training. The Workforce Development Department also expects to offer resources to over 200 businesses to help them grow and avert potential layoffs.
- The Department of Economic Development's budget focuses on economic development, job creation and tourism activities with total requirements of \$3.5 million serving 4,800 businesses and individuals in the San Bernardino County area. Services include business retention and expansion, developing strong local, regional, and national business relationships, thereby supporting the local economy through maximizing job creation and tourism opportunities.
- Assessor/Recorder/County Clerk – Valuations and Information Technology divisions will continue to collaborate with local colleges to expand the successful intern program, giving students interested in a public service career an opportunity to gain valuable work experience.

### **Improve County Government Operations**

- The Human Resources Department is partnering with departments and utilizing innovation and technology to implement a comprehensive strategy designed to realize the full potential of our diverse community by attracting, developing, and retaining high-quality employees to better serve the residents of San Bernardino County.
- Building on the successful expansion of Recorder and County Clerk services to the Morongo Basin, the Assessor/Recorder/County Clerk will replicate this model to expand services to additional locations, starting with Rancho Cucamonga. These expansions are accomplished with the use of existing technology, County infrastructure and staff, and result in local community members driving fewer miles to record documents, schedule marriage ceremonies, and request copies of birth, death, and marriage certificates.
- The Department of Airports will implement a new lease management and billing software solution to streamline payment processes and improve lease management procedures.
- The Department of Agriculture/Weights & Measures continues to enhance services by replacing outdated equipment in the Weed Spray Program. Funding for one fully furnished spray rig with computerized spray equipment has been included in the budget.
- Risk Management has allocated additional staff to assist injured workers and ensure that they receive all benefits available to them under State Workers' Compensation Programs.
- The County Library continues its plans to enhance service by replacing outdated computer hardware and software. Funding has been included in the Library's material's budget, which adds high demand items to the collection, including an expanded digital book collection. In

addition, programs continue to be enhanced at 32 locations through engaging events such as large book festivals, summer reading programs, and countywide book reading initiatives.

- The Labor Relations unit in the County Administrative Office will continue to negotiate labor contracts with competitive total compensation packages that reflect the needs of County employees, foster growth and development, and promote positive relations between the County and employees.
- Public Health will release its updated strategic plan in the summer of 2017. The plan will focus on implementing evidence-based process improvement objectives that are specific, measureable, achievable, relevant, and time-bound (SMART).
- Public Health will initiate new staff development initiatives in 2017-18 as part of its efforts to strengthen and develop its workforce. A Mentoring and Cross Training Program along with Individual Professional Development Plans will be launched as part of the ongoing work surrounding development priorities for its workforce.
- Public Health continues its efforts to achieve and maintain National Accreditation, through the Public Health Accreditation Board (PHAB). Accreditation ensures the department's continued focus on quality and performance improvement; transparency and accountability to all stakeholders; and the capacity to deliver core Public Health functions. The department achieved a major milestone in January 2017: meeting the required prerequisites for, and submitting the Application for National Accreditation. During 2017-18, the department will continue to review and improve documentation efforts, with the goal of submitting all final documentation to PHAB no later than Spring of 2018.
- Implementation of the County's upgraded enterprise permitting system, EZ-Online Permitting System (Accela), will occur in 2017-18. The system will include a shared database, precise digital maps, and satellite images of land data that are linked to the County's GIS database. It will also provide field staff with remote real-time access to the database, streamline permitting processes across various departments in the County and offer customers and the public access to a web portal to manage and monitor applications, permits, and development-related information online.
- In support of the EZ-Online Permitting System (Accela) upgrade, the Strategic Initiatives Group in the County Administrative Office will facilitate enterprise wide continuous process improvements relating to land development activities to improve efficiency and customer service in all departments using the EZ-Online Permitting System (Accela). This includes the centralized management of trust accounts and electronic payments for permits and development services, and improved customer experience and access to information.

#### **Operate in a Fiscally-Responsible and Business-like Manner**

- Funding the phase out of the CalFresh waiver with both one time and ongoing sources will allow the Transitional Assistance Department to provide services to recipients in an efficient and effective manner, and maintain the CalFresh error rate below the federal tolerance level.
- The County Museum's budget of \$3.5 million demonstrates the County's commitment to support the Museum's operations and activities related to re-accreditation. The County Museum

continues to implement improvements in programming, operations, and facilities with one-time Discretionary General Funding while also working in partnership with the San Bernardino County Museum Association to steadily increase grant funding and individual donations.

- The Information Services Department Computer Operations division budget includes an increase of \$1.4 million to replace the Enterprise server as the current equipment is nearing the end of its maintenance and support by the manufacturer. Additionally, the new Enterprise server will provide increased processing and memory capacity, which will run applications and process data more efficiently. The cost of the project is funded via Board of Supervisors approved rates.

### **Ensure Development of a Well-Planned, Balanced, and Sustainable County**

- A team of County departments will continue to monitor and develop ways to reduce water usage at County facilities to show good stewardship of this valuable resource. For example, Real Estate Services Department – Facilities Management Division has added automated irrigation controls to remotely turn off water during rain storms saving hundreds of gallons of water, man hours and fuel by not having to physically visit each site. The Special Districts Department will continue to implement water conservation programs/strategies at various County Service Areas and Districts throughout the County.
- After some delays related to design, permitting and property acquisition, Regional Parks will begin construction of the Santa Ana River Trail Phase III. This project, slated to begin in early 2018, is funded by a grant of \$3.4 million from the California State Coastal Conservancy. Phase III construction will extend the trail from Waterman Avenue in San Bernardino to California Street in Redlands, adding to the existing seven miles of open trail.
- The Registrar of Voters' budget fluctuates based on a four year election cycle. In May of 2017, the Board of Supervisors approved requests from 24 jurisdictions to move their elections from the odd-year election cycle to the even-year election cycle. The budget includes provisions for the November 2017 Consolidated Election (minor), the December 2017 San Bernardino County Employees' Retirement Association Election (minor), the June 2018 Statewide Primary Election (major), and two anticipated, but unscheduled special elections (minor).
- The Public Works - Transportation budget includes over \$24.5 million in major infrastructure projects, funded in part with Discretionary General Funding. Budgeted activities include design, right of way and/or construction for major projects, including:
  - Bridge replacements on: Glen Helen Parkway, Baker Boulevard, Rock Springs Road, National Trails Highway at Dola Ditch, National Trails Highway at Lanzit Ditch, National Trails Highway at Adena Ditch, Yermo Road, Arrowbear Drive.
  - New grade separation and bridge on Shadow Mountain Road.
  - Drainage improvements to Lone Pine Canyon Road.
  - Improvements to the Alabama Street at Interstate 10 Interchange.
  - Road reconstructions on Cherry Avenue, Crafton Avenue, Division Drive, Institution Road, Park Boulevard, and Yard 10 roads in the community of Joshua Tree.
  - National Trails Highway Bridges: Bridge management plan for the repair, rehabilitation or replacement of 127 bridges on National Trails Highway and starting the design phase for replacement of 10 bridges.

- Rehabilitation and re-profiling at various locations on Needles Highway in the Needles area.
  - Improvements to curb ramps in the North Bloomington Area to bring them up to American Disabilities Act compliance.
  - Reconstruction of the Interstate 10 at Cedar Avenue Interchange to alleviate congestion and improve circulation.
  - Various traffic signal improvements throughout San Bernardino Valley.
- The Public Works - Transportation budget includes \$32.1 million worth of pavement improvement projects, funded in part with ongoing Discretionary General Funding, to preserve the County's roadways by investing enough to keep the system from deteriorating further.
- The Public Works - Solid Waste Management Division plans to complete \$28.4 million of capital improvement projects, which includes the following: entrance road and scale house construction at Heaps Peak Transfer Station; scale house construction and perimeter fencing at the Barstow Landfill, transfer station floor replacement at Big Bear Transfer Station, full RFID lane automation at Mid Valley and Victorville Landfills, and liner expansions at the Landers, Mid Valley, and San Timoteo Sanitary Landfills.
- The Public Works – Flood Control District (District) budget includes \$52.0 million in capital improvement projects. The District anticipates completion of the following projects: Levee Certification Restoration for Patton Basin, San Sevaine Channel Flood Wall Extension, and the waterline relocation for Amethyst Basin. The District also plans to start construction on the following projects: Amethyst Basin, Mojave River Levee, Sand Creek/Warm Creek Confluence, Cactus Basin #4, Santa Ana River Flood Wall Repair, West State Street Storm Drain, and the waterline relocation for Bandicoot Basin.
- The Special Districts Department budget includes \$42.3 million of capital improvement projects including the construction of the Big Bear Alpine Zoo relocation, continued rehabilitation of the Lake Gregory Dam, and design and construction of Snowdrop Road. Water and sanitation infrastructure projects of \$16.4 million include design and construction of a 3.5-mile water pipeline, a pump station, and a 75,000-gallon reservoir in County Service Area 70 Zone W-4 (Pioneertown); water system improvements including installation of a pneumatic water tank in County Service Area 70 Zone CG (Cedar Glen); and the design for the Tamarisk Reservoir in County Service Area 64 (Spring Valley Lake).
- Land Use Services continues to lead the work on an update of the County's General Plan, referred to as the Countywide Plan. This Countywide Plan will be a comprehensive web-based system to document land use planning and organizational governance policies. It will be comprised of three basic components: The Policy Plan (a comprehensive general plan); the County Business Plan (a system that will define and guide how the County government operates and manages itself); and the Regional Issues Forum (a web-based resource center containing information regarding shared Countywide issues). Additionally, the County is updating and expanding the community plans from 14 to 27. When completed, there will be 27 web-based community plans involving 51 communities.
- The Land Use Services Planning division will continue the development of the Morongo Basin Strategic Plan for Culture and the Arts. The goal of this Strategic Plan is to provide a means to identify and align the region's community needs, interests, and values in the arena of culture, arts, and commerce. This will be accomplished through a community-based, action oriented

plan, with a focus on guiding local organizations and residents on local means to achieve identified strategies and actions.

**Provide for the Safety, Health and Social Service Needs of County Residents**

- Community Development & Housing will continue development of the Yucaipa Horizons and Veterans Village in Loma Linda with completion anticipated in Summer 2017 and early 2018, respectively. These projects include a total of 138 affordable housing units and reflect a County investment of \$9.2 million in Home Investment Partnership Act and Mental Health Services Act (MHSA) funds which leveraged \$43.9 million of private investment for a total of \$53.1 million. These new housing units are targeted for seniors, families, veterans, homeless and constituents with mental health disabilities while undertaking neighborhood and community revitalization.
- The Public Defender's dedicated team of attorneys and clerical staff continues its efforts to fully implement Proposition 47 throughout the County. Prop. 47 provides for the reduction of some felony convictions to misdemeanors thereby removing barriers to full involvement in the community and increasing employment and economic opportunities.
- County Fire is assuming fire, rescue, Emergency Medical Services (EMS), and prevention responsibilities within the City of Upland (\$11.7 million) as a result of pending annexation. This continued expansion of a regional approach will provide a more effective and efficient delivery of fire services for County residents.
- Preschool Services Department received a supplemental award from the Federal Government's Administration for Children and Families – Office of Head Start (ACF-OHS) to offer Extended Duration (full day) Head Start services to 822 children 3 to 5 years old currently enrolled in half-day programs, which is expected to result in enhanced school readiness and success.
- Veterans Affairs will continue to collaborate with the Loma Linda VA Medical Center, other County departments, and nonprofit organizations to end veteran homelessness and reduce veteran suicide.
- Public Health will be working diligently to impact the increasing rates of infectious disease, including STDs, and improve the health of our community. The budget includes additional ongoing funding to increase its disease surveillance and investigation efforts, train providers on up-to-date screening and treatment, and rally the support of community partners to address infectious disease in the community.
- The Inland County Emergency Medical Agency (ICEMA) continues to expand its efforts in EMS systems data collection and sharing. Specifically, ICEMA's budget includes approximately \$650,000 to enhance EMS technology and data gathering through the use of the Electronic Patient Report (ePCR) system, with the purpose of improving the delivery of real time patient care data.
- For 2017-18, the Probation Department intends to increase access for adult offenders to transitional housing by expanding services into the Morongo Valley and west-end portion of San Bernardino County. The expanded services will be funded through the Department's existing budget allocation of \$3.2 million for transitional housing. This housing assists the offenders with reintegrating into the community and reducing the prospects of recidivism.

- At ARMC, the acquisition of new Medical Imaging equipment will allow the delivery of additional procedures, improve image quality, and aid physicians' and surgeons' ability to diagnose and treat patients.
- A net increase of 66 positions at ARMC will address increased service demands in the Dialysis Center, Family Health Clinics, and the Obstetrics and Labor & Delivery units, as well as reduce reliance on the nurse registry and overtime within the Behavioral Health unit.
- The Information Services Department Telecommunication Services division is in the process of upgrading the County's Regional Public Safety Radio System (800 MHz Upgrade Project). The project is currently on schedule, with an estimated completion date of 2020-21. The estimated cost of the project is \$158.2 million primarily funded with Discretionary General Funding.
- The Public Defender is utilizing existing departmental resources to dedicate two Social Service Practitioner positions to work closely with local school districts, students and their families to help identify barriers to school attendance, reduce truancy and provide referrals to appropriate support services. These partnerships align with the Countywide Vision, support the Cradle to Career Roadmap and help develop an educated and skilled workforce.
- The Sheriff/Coroner/Public Administrator Operations budget includes \$1.1 million of existing departmental resources for a program authorized by the Board as a pilot on December 15, 2015 (Item No. 72) related to the delivery of law enforcement services to unincorporated areas of the West End including the North Rancho/Etiwanda Preserve and the Mission Corridor, respectively. The program was successful and is now incorporated as an ongoing service.
- The Sheriff/Coroner/Public Administrator Operations budget includes \$6.0 million of one-time Proposition 172 contingency reserve funding to replace one aging and obsolete patrol helicopter: including equipment, travel and training for pilots and mechanics, installation of equipment, and delivery charges. The helicopter replacement will provide a newer more reliable aircraft.
- The Sheriff/Coroner/Public Administrator Detentions budget includes \$3.8 million of Discretionary General Funding (Net County Cost) to fund a Crisis Stabilization unit and a correctional Lanterman-Petris-Short Act unit to adequately address the growing population of sub-acute and acute seriously mentally ill inmates that are actively symptomatic and unstable. These units will provide inmates with daily assessment, treatment, therapy and medication management until the inmate is stabilized, and will also provide acute inmates with court-ordered involuntary medications.
- The Department of Aging and Adult Services (DAAS) budget of \$9.7 million will continue to provide programs such as Elderly Nutrition, Supportive Services, Health Insurance Counseling and Advocacy Program, and Family Caregiver Support Services.
- The Land Use Services Code Enforcement division is continuing with efforts to address issues with short-term rentals, particularly in the mountain areas. For 2017-18, a short-term rental hotline will be established where the public can report illegal or disruptive activities at short-term rental properties. The Code Enforcement division will contract for services to monitor short-term

rental trends, identify addresses, conduct mass mailings, and provide a call center hotline to review and document complaints from community members.

- The Department of Behavioral Health is expanding Mental Health Services Act programs, notably in the following areas:
  - \$3.5 million for expanded adult residential treatment services to support the transition of clients from hospitalization to less costly and less restrictive residential placement facilitating reintegration into the community.
  - \$7.0 million for contracted children services programs to support expanded early intervention and mental health services for children.
  - \$19.5 million for contracted services to support the operations of crisis stabilization and crisis residential facilities constructed with SB82 grant funds through the California Health Facility Finance Agency (CHFFA).

### **Pursue County Goals and Objectives by Working with Other Agencies**

- ARMC's continued partnership in California's 1115 Waiver Renewal (Medi-Cal 2020), will allow the department to work alongside the California Association of Public Hospitals, the State of California, the Centers for Medicare & Medicaid Services, and multiple County departments to focus on improved patient outcomes, efficiencies and access in patient care, integrated care models and procuring maximum reimbursement for performance of prescriptive clinical measures. The budget includes \$58.7 million in revenues related to the Medicaid Waiver programs.
- Regional Parks continues to renew and strengthen its partnerships with both federal and state agencies whose lands are encompassed within several County Regional Parks. The partnerships are expected to assist parks with the evaluation of aged contracts, maximize park land for revenue opportunities and identify alternative management and operations models that advance the Department's goals.
- The Department of Child Support Services (DCSS) was awarded a Social Security Action demonstration grant by the Federal Office of Child Support Enforcement. In collaboration with Riverside County, DCSS will develop and implement a Procedural Justice Informed Alternatives to Contempt (PJAC) Demonstration program to increase reliable payments to custodial parents, reduce arrears, minimize the need for continued enforcement actions and sanctions, and reduce the routine use of contempt against non-custodial parents by incorporating procedural justice principles into child support business practices. The grant, totaling \$1.3 million for the period of September 30, 2016 through September 29, 2021, will allow DCSS to partner with Workforce Development, Transitional Assistance, the Family Law Facilitator, and other County and community based organizations in providing PJAC participants with resources and assistance to address unemployment, food and housing needs, custody and visitation, domestic violence issues, substance abuse, etc. The focus will be on removing these barriers so the participant can move towards self-sufficiency, resulting in their ability to provide continued reliable and sustainable support for their children.

**Focus on Recovery and Resiliency Following the December 2, 2015 Terrorist Attack (SB Strong)**

- The County has allocated funds towards improving security at County Facilities. This includes immediate improvements to facilities, such as expanded security guard services, upgraded security cameras and key card access installations undertaken by departments. \$2.7 million has been allocated in the capital program to conduct security assessments of County facilities, develop security policies and procedures and provide training, and develop design standards for security equipment. An additional \$1.1 million in security-related projects will also be implemented in 2017-18.
- The County Administrative Office is coordinating a countywide effort to document the impact and ongoing organization response to the December 2, 2015 terrorist attack to create a historic resource document that can be shared with other jurisdictions around the world that experience similar tragedies. It is expected that the first version of the document will be completed in 2017-18.

## **CHALLENGES IN FISCAL YEAR 2017-18 AND BEYOND**

The following fiscal challenges currently impact the 5-year fiscal strategy for the County.

### **Economic Challenges**

The County's 5-Year Financial Forecast covers July 2017 through June 2022 and includes moderate growth of major revenue streams throughout the period. In addition to the State IHSS issues discussed below, the County Administrative Office continues to monitor other outstanding issues including the potential unwind of the Affordable Care Act and ongoing jail related litigation resulting from 2011 Realignment.

Not included in the forecast are the unknown economic impacts of the increase in minimum wage to \$15 per hour and the potential of a recession sometime during the 5-year forecast period. By the end of the second year of the County's forecast the current economic expansion would match the longest expansion in history. Although the weakness of the current recovery and quantitative easing may have pushed off the next recession temporarily, it would be without precedent for the economy to expand throughout the County's entire 5-year forecast.

### **State Budget**

On May 11, 2017, Governor Jerry Brown released the May Revision to the January budget proposal for the 2017-18 fiscal year. Total budget spending amounts to \$183.4 billion, about 2.2 percent higher than the budget proposed in January. The May Revision also increased the State's General Fund to \$124 billion, about 1.2 percent higher than what was in the proposed budget in January. The May Revision includes funding for the rising state minimum wage, which is scheduled to increase to \$11 per hour in 2018; the first cost of living adjustment for Supplemental Security Income/State Supplementary Payment (SSI/SSP) recipients since 2005; and California's first ever Earned Income Tax Credit. Furthermore, by the end of 2017-18, the state's Rainy Day Fund will have a total balance of \$8.5 billion. Notable County impacts from the Governor's proposed May Revision are as follows:

- For Human Services, the May Revision includes \$1.1 billion in state general fund contributions over the next four years to mitigate the \$592.2 million cost shift to counties in year one and future years due to the discontinuance of the five-year county maintenance of effort (MOE) for the In-Home Supportive Services (IHSS) program. The breakdown is as follows: \$400 million General Fund in 2017-18; \$330 million in 2018-19; \$200 million in 2019-20 and \$150 million in 2020-21 and ongoing. At this time, the County will continue to monitor legislative changes and work with State partners to understand the exact impact of the IHSS MOE Discontinuance.

### **Sales Tax Volatility**

Historically, counties have been funded by relatively stable property taxes. The realignment of many state services has made counties increasingly dependent on sales tax revenue. As a result, the portion of requirements funded primarily with sales tax now represents 14.7% of the County budget and includes 1991 and 2011 Realignment revenues (\$720.1 million), County sales tax (\$23.5 million) and Proposition 172 Half Cent Sales taxes (\$173.4 million). While sales taxes are projected to experience a modest increase in 2017-18, they tend to be much more volatile and quicker to react to changes in the economy, resulting in a higher risk of funding losses in future years.

## **Retirement Costs**

Retirement costs in 2017-18 are down slightly, but will increase again in 2018-19 as a result of the Retirement Board's actuarial changes that reduce the assumed rate of return from 7.5% to 7.25% and increases life expectancy assumptions. The pension system's investment returns are on track to exceed the assumed rate of return in 2016-17, which will partially offset the cost increases in 2018-19 resulting from the assumption changes.

Included in the 5-year forecast is a pension cost smoothing plan that will require approximately \$19.8 million of one-time funds to generate approximately \$9.6 million of available discretionary ongoing revenue. The County Administrative Office anticipates reaching the peak in retirement cost rates during the 5-year forecast period and this smoothing plan allocates one-time funds to address the peak in costs rather than allocating ongoing funds. Although forecasting a peak in costs during the 5-year period, the County can expect to see increasing retirement cost volatility due to the increasing size of the pension fund and the continuing demographic shift toward a higher retiree to active member ratio as the system matures. The County Administrative Office and the Retirement Association have an active dialog about monitoring, measuring, and mitigating the growing volatility risk.

## **CONCLUSION**

The County fiscal plan as developed by the County Administrative Office is conservative in projecting anticipated costs and revenues while focusing on ensuring that the County is positioned to respond to an uncertain fiscal future. As a result of the need to maintain flexibility, the 2017-18 Recommended Budget utilizes existing departmental resources or one-time funds for key projects and programs rather than ongoing Discretionary General Funding. The County is committed to making the most of its funding to provide necessary public services in an effective and efficient manner and fulfilling its role in the achievement of the Countywide Vision.

## CONTENTS OF 2017-18 RECOMMENDED BUDGET

There are two workbooks for the 2017-18 Recommended Budget, both are user friendly for the public, Board of Supervisors, and departments. The first workbook is the 2017-18 Executive Summary and the second workbook is the 2017-18 Recommended Budget. Both workbooks have tabbed sections that are described below:

**The first workbook, 2017-18 Executive Summary**, is a summary of the 2017-18 Recommended Budget, which begins with a memo from the Chief Executive Officer (CEO), and includes the following sections:

- **County Fiscal Plan**, which summarizes the CEO's plan to address the five-year forecast and includes changes in ongoing County discretionary revenue and the ongoing cost to maintain services.
- **Identified Needs**, which summarizes the ongoing and one-time needs recommended to be funded in 2017-18 and identifies future needs that are recommended for funding by setting aside monies in reserves.
- **County Budget Summary**, which shows total requirements and total sources included in the 2017-18 Recommended Budget with comparative numbers from the 2016-17 modified budget. Also included is total budgeted staffing recommended for 2017-18 with comparative numbers from the 2016-17 modified budget.
- **Discretionary General Funding and Restricted Funds**, which summarizes how the general fund is funded in 2017-18 as well as the balances of unallocated discretionary sources (contingencies) and reserves. Also included is information related to Prop 172 sales tax revenue and Realignment revenue.

**The second workbook, 2017-18 Recommended Budget**, begins with the **Table of Contents** and a **County Budget Overview**, which provides information about the County and the budget process and explains to the reader how the workbook functions.

After the County Budget Overview, there is a tab for each budget group and behind each tab are all the budget unit details within that budget group.

For each department the following is included:

- **Department's Mission Statement.**
- **Department's Organizational Chart**, which includes the names of key personnel of the department, what functions the department performs and budgeted staffing counts by function included in their 2017-18 Recommended Budget.
- **Summary of Budget Units**, which summarizes the 2017-18 Recommended Budget by requirements, sources, net county cost, fund balance, unrestricted net position and staffing for all budget units under the direction of a specific department and/or group.
- **Department's 2016-17 Major Accomplishments.**
- **Department's Performance Measures to meet the County Goals and Objectives.**

For each departmental budget unit the following details are included:

- **Description of Major Services**, provides information regarding the main functions of each budget unit.
- **Budget at a Glance**, lists the budget unit's 2017-18 requirements (excluding reimbursements), sources (including reimbursements), net county cost, use of/(contribution to) fund balance/net position, budgeted staffing, and percentage of net county cost, if applicable.
- **Total Requirements (Excluding Reimbursements) and Total Sources (Including Reimbursements) pie charts**, illustrate what percentage of 2017-18 budgeted expenditure authority is spent on staffing expenses, operating expenses, etc., as well as, the percentage of the 2017-18 budgeted sources that come from net county cost, reimbursements, taxes, fee/rate supported revenues, etc.
- **Analysis of 2017-18 Recommended Budget**, includes line item budget amounts for requirements such as staffing expenses, operating expenses, etc., line items for revenue sources, and budgeted staffing for the most recent and upcoming fiscal year, as well as actual results for the past three fiscal years, and current year estimates.
- **Major Requirements and Sources in 2017-18 Recommended Budget**, provides explanations of major departmental requirements and sources included in the 2017-18 Recommended Budget.

The section named **Detail of 2017-18 Recommended Budget** is for funds that have been consolidated for presentation purposes (i.e. Assessor/Recorder/County Clerk Recorder Special Revenue Funds, Human Services Subsistence Funds, etc.) This section depicts the budget detail of each individual budget unit for 2017-18, including staffing, requirements, sources, net county cost, fund balance, and net position, where applicable; and also includes a description of major programmatic changes in requirements and sources.

- **Budget Changes and Operational Impact**, briefly describes any major budget unit program impacts, and highlights the 2017-18 Recommended Budget including significant changes in requirements and sources from the prior year modified budget.
- **Analysis of Fund Balance/Net Position**, where applicable, describes the budgeted use of or (contribution to) fund balance/net position, provides detail on one-time and ongoing uses, and if it is being used for ongoing purposes, explains what the plan is to reduce reliance on fund balance/net position.
- **2017-18 Position Summary** identifies, by departmental function, the 2016-17 modified budgeted staffing, recommended additions, deletions, and re-orgs in order to develop the 2017-18 Recommended Budgeted Staffing. In addition, the chart separates positions by type (regular and limited term).
- **Staffing Changes and Operational Impact**, briefly highlights budgeted staffing changes and operational impacts for 2017-18, including significant changes from prior year modified budgeted staffing.

Long-term financial planning is an effective tool for creating sustainable budgets and providing fiscal stability beyond the annual budget horizon. Long-term financial planning is a strategic process that provides governments with the information and insight needed to establish multi-year budget solutions and financial policies and actions that maintain good fiscal health. The County creates a five-year financial forecast for the purpose of providing the Board of Supervisors with a framework for use in decision-making to maintain continuity of the fiscal health of the County, and plan for the provision of services, capital assets, and infrastructure. It also helps the County understand the fiscal challenges ahead and the need to establish priorities.

The forecast is updated annually and is not a budget. It does not establish policy or priorities; it simply summarizes fiscal capacity. The forecast identifies key factors that affect the County's fiscal outlook and assesses how difficult balancing the budget may be in the future.

The forecast is developed using a baseline environment, in which revenues and expenditures are projected based primarily on trend analysis, specific circumstances and present level of services provided by the County. The forecast is not a prediction of what is certain to happen but rather a projection of what will occur in the absence of mitigating actions or changing circumstances. As such, this forecast highlights significant issues or problems that must be addressed in order to maintain a structurally balanced budget.

### **Significant Issues Impacting the General Fund**

The Governor's proposed State budget issued in January 2017 includes the discontinuance of the Coordinated Care Initiative (CCI) and the In-Home Supportive Services (IHSS) Maintenance of Effort (MOE). Discontinuance of the MOE would reinstate a 35% County share of all non-federal IHSS program costs. The County projected the cost of the MOE discontinuance at \$118.6 million over the five-year forecast period. Subsequently, the Governor released a revised budget in May 2017 that reduces the initial amount required by the County, however the exact impact of the change, especially in future years, remains unknown at this time.

An additional impact to the County is a projected \$15.3 million in additional retirement costs over the five-year forecast period due to a reduction in the Retirement Board market earnings assumptions from 7.5% to 7.25%.

Current legislative activities related to the repeal and/or replacement of the Affordable Care Act will impact Human Services departments and the Arrowhead Regional Medical Center as they are primary providers of Medi-Cal services. There is no estimated impact in the five-year forecast at this time.

Note: The Five-Year Financial Forecast represents future incremental costs and changes in revenues for the referenced fiscal year.

Table 1 displays the County's 2017-18 financial forecast and summarizes the County's five-year financial forecast. The forecast reflects ongoing expenditures funded with ongoing discretionary revenue in the County's General Fund. The forecast shows that ongoing revenues are increasing due to projected increases in property tax, Proposition 172 sales tax, and other revenue. Ongoing Cost Changes reflect the increased costs to maintain current service levels. After accounting for these changes, the Yearly Operating Available is positive, representing a \$108.1 million surplus over the next five fiscal years.

This forecast illustrates the need to exercise fiscal caution over the upcoming period due to several significant projected costs not currently funded in the ongoing budget plan. This includes deferred staffing of the expanded High Desert Detention Center, projected increases in Memoranda of Understanding (MOU) and Retirement costs, as well as substantial projected costs, including the discontinuance of the In-Home Supportive Services (IHSS)

Maintenance of Effort (MOE). Also projected are costs related to post-implementation support for the Enterprise Financial System.

## **2017-18 Recommended Budget**

The 2017-18 Recommended Budget is structurally balanced, with \$39.8 million of ongoing funding unallocated.

### **2017-18 Ongoing Revenue Changes**

As reflected in the Five Year Financial forecast, the County anticipates increased revenues of \$32.1 million in 2017-18.

**Property Tax Revenue**, including pass-through and residual revenue related to dissolved redevelopment agencies, is projected to increase due to a 4% growth in assessed valuation (AV) in 2017-18.

**Proposition 172 Sales Tax** revenue is projected to increase 2.5% over the 2016-17 budgeted amount based on projections from a local economist and current year trends. This revenue is derived from a half-cent sales tax that provides funding for public safety services.

**Other Revenue** includes an anticipated increase in discretionary sales tax revenue of \$0.8 million based on data provided by a local economist and the County's sales tax consultant, \$6.7 million in COWCAP revenue based on information received from the Auditor-Controller/Treasurer/Tax Collector, and \$0.4 million in Property Tax Administration fees.

### **2017-18 Ongoing Cost Changes**

As reflected in the Five-Year Financial Forecast, the County anticipates an increase in Ongoing Costs of \$28.4 million in 2017-18. Ongoing Cost Changes reflect the cost to maintain current service levels.

**MOU Costs** increases reflect the 2017-18 cost of approved compensation changes pursuant to negotiated MOUs with employee groups.

**County Fire Subsidy Projections** costs are increasing primarily due to the additional costs associated with recently approved MOUs.

**HS Caseload, Insurance, Utilities, Internal Svcs, Other** cost increases include \$3.3 million in funding to Human Services primarily for increased Foster Care caseload, \$0.8 million in funding allocations to departments for Worker's Compensation insurance increases, and a net increase of \$0.3 million that reflects a decrease in other insurance premiums offset by increases in internal services and other costs.

**Jail Mental Health** increases include a Crisis Stabilization Unit and Lanterman Petris Short Act Unit to provide services to seriously mentally ill inmates.

**Cal Fresh Waiver Discontinuance** represents the increase in the County's maintenance of effort (MOE) for administration of the CalFresh program, due to the discontinuance of the CalFresh Waiver. Beginning in 2010-11, the CalFresh Match Waiver allowed the County to draw additional federal funding and half of the additional state funding to administer the CalFresh program without increasing the County MOE. This waiver is being phased out and additional Discretionary General Funding is required to maintain the program at the current level.

### **2017-18 Ongoing Costs Not Funded in the Ongoing Budget Plan**

As reflected in the Five-Year Financial Forecast, the County is projecting \$41.5 million in Ongoing Costs not funded in the ongoing Budget Plan in 2017-18.

**Projected County MOU Costs** include minor ongoing cost increases for units currently in the process of negotiations.

**Projected Enterprise Financial System (SAP)** costs of post-implementation support for the new Enterprise Financial System. This includes staff, system hosting by the Information Services Department, and annual licensing fees.

**Projected IHSS MOE Discontinuance** reflects the Governor's proposed State Budget issued in January 2017, which discontinues the County MOE for In-Home Supportive Services and reinstates a 35% County share for all non-federal program costs. This budget included a cost shift for 2017-18 of \$34.8 million to the County from the State. Subsequently, the Governor released a revised budget in May 2017 that changes the amount required from the County, however the exact impact of the change is unknown at this time.

**Projected Indigent Defense** cost increases as a result of a proposed revised court fee schedule for Court Appointed Conservator Probate Attorneys. The fee schedule has not been updated since 1993.

The County Fiscal Plan (five-year financial forecast) primarily focuses on increases in costs to maintain current services and the amount of discretionary revenue available to fund these costs and/or what mitigations are needed. Under the direction of the Chief Executive Officer, Finance and Administration also identifies needs within the County that are not currently funded and require funding with ongoing or one-time sources.

### **ONGOING NEEDS**

The 2017-18 Recommended Budget funds \$28.4 million in Ongoing Cost changes identified in the five year financial forecast. No other additional ongoing costs are funded with Discretionary General Funding. This leaves approximately \$39.8 million of ongoing resources available to address projected ongoing needs identified in the Fiscal Plan. This includes costs related to the Discontinuance of the IHSS MOE, costs related to the new Enterprise Financial System, increased costs for Indigent Defense, and projected increases in negotiated salary costs to position the County to attract and retain a competitive workforce.

### **ONE-TIME NEEDS**

The 2017-18 Recommended Budget funds \$77.5 million in one-time costs using estimated fund balance in the General Fund, projected 2017-18 one-time sources, and the use of existing General Fund reserves. One-time costs include \$12.8 million per Board policy or direction and \$64.7 million in other needs. The \$12.8 million in one-time costs per Board policy or direction includes funding the Economic Development Agency with one-time Discretionary General Funding derived from revenue earned by the Department, funding the Registrar of Voters 2017-18 Election Cycle, funding for the Earned Leave reserve, and funding the required increase in the County's Mandatory Contingencies. Further detail of the \$64.7 million in one-time needs included in the 2017-18 Recommended Budget is provided on the following pages.

**One-Time Costs Identified to be Funded in 2017-18**  
(in millions)

	<b>One-Time</b>
County Museum - Operations	\$0.6
Facilities Management - Funding for Vacant Space	0.3
Regional Parks - Prado Park Master Plan	0.3
2017-18 Forecasted Operating Deficit	1.7
Cal Fresh Waiver Discontinuance	1.5
Rim Forest Drainage	1.2
EMACS Upgrade	3.7
New Financial Accounting System	5.5
Land Use Services - Accela Permit System Upgrade	0.8
GIS Enterprise License Agreement	0.8
Give BIG San Bernardino County	0.1
Land Use Services General Plan	0.4
Strategic Initiatives Unit	0.3
Transportation - Road Projects	7.6
Capital Improvement Projects	
County Buildings Acquisition and Retrofit Project	37.7
Valley Dispatch Center	2.2
<b>One-time Costs in 2017-18 Recommended Budget</b>	<b>\$64.7</b>

**\$0.6 million for the County Museum – Operations**

Bridge funding to maintain County Museum base operations for programs, exhibits and operational expenses.

**\$0.3 million for Facilities Management – Funding for Vacant Space**

Funding for operating costs associated with newly acquired space that must be maintained but has not yet been remodeled for occupancy.

**\$0.3 million for Regional Parks – Prado Park Master Plan**

Funding for costs related to the preparation of a Master Plan for Prado Park that was not completed in 2016-17.

**\$1.7 million for the 2017-18 Forecasted Operating Deficit**

This item is addressed in the Future Needs section found on page 5.

**\$1.5 million for Human Services – CalFresh Waiver Discontinuance**

Use of the CalFresh Waiver Discontinuance reserve to fund the phase out of the CalFresh waiver, which, beginning in 2010-11, allowed counties to draw down additional federal and half of the State funding for CalFresh without increasing the County's MOE. The 2017-18 Governor's budget includes a 75% reduction to the CalFresh Waiver which reflects the third year of the four-year phase-out agreement. This allocation is in addition to \$3.4 million of ongoing Sources allocated for this purpose.

**\$1.2 million for Flood Control – Rimforest Drainage**

Use of the Rimforest Drainage reserve to fund costs associated with Flood Control's Rimforest Drainage project. This project involves construction of storm drain systems along Highway 18 and inside the village of Rimforest to mitigate the impact of drainage on the stability of the slope. Activities for 2017-18 include continuation of the design phase.

**\$3.7 million for the EMACS Upgrade**

Use of the EMACS Upgrade reserve to continue to upgrade the County payroll and benefits system (EMACS) to version 9.2.

**\$5.5 million for the New Financial Accounting System**

Use of the New Financial Accounting System reserve to continue with the development and implementation of the County's Enterprise Financial System.

**\$0.8 million Land Use Services – Accela Permit System Upgrade**

Use of the Permit Systems Upgrade reserve to fund 2017-18 costs related to the upgrade of the outdated permitting system to Accela, a new enterprise land management system that facilitates interdepartmental communication and cooperative processing in a shared data environment.

**\$0.8 million for GIS Enterprise License Agreement**

Use of the GIS Enterprise License Agreement reserve to fund 2017-18 costs related to the Enterprise License Agreement (ELA). This project will consolidate duplicate GIS hardware and software silos into one GIS infrastructure, assist departments in inventorying and cataloging GIS data layers, and develop and manage a central master database of authoritative data layers supporting future efforts such as: Next Generation dispatching systems for the Fire and Sheriff's departments, Countywide Plan support, Accela support, Public Outreach, Job Growth and Investment, Asset Monitoring, and Fleet Routing.

**\$0.1 million for CAO - Give BIG San Bernardino County**

Use of the Give BIG San Bernardino County Reserve for the 2017-18 Give Big Event. Give BIG San Bernardino County is a 24-hour online giving day. It is a web based "web-a-thon" that provides an opportunity for non-profits to raise funds to address needs in the local community.

**\$0.4 million for the Land Use Services General Plan**

Use of the Land Use Services General Plan/Development Code Amendments reserve to fund County staff to work on the Countywide Plan.

**\$0.3 million for the Strategic Initiatives Unit**

Use of the Strategic Initiatives reserve (\$0.2 million) and the Permit Systems Upgrade reserve (\$0.1 million) for the Strategic Initiatives unit which supports the Accela Automation Land Management system upgrade, manages and oversees centralized fiscal functions for the departments involved in land development services, and coordinates administrative, operational, and technological process improvement.

**\$7.6 million for Transportation – Road Projects**

Use of individual General Fund reserves set-aside for these Transportation Projects fund the following:

- \$1.4 million for the Interstate 10/Cedar Avenue Interchange project. Activities scheduled for 2017-18 include land acquisition, utility/railroad coordination, permitting and design/engineering.
- \$0.4 million for the Glen Helen Parkway Bridge Replacement for continuation of the design phase and coordination with Caltrans to secure funding.
- \$5.8 million for National Trails Highway projects. Activities scheduled for 2017-18 include environmental studies, surveying, permitting and design/engineering for 10 bridges as well as continuing engineering studies for the remaining 117 bridges.

**\$39.9 million for Capital Improvement Projects**

One-time funding is recommended for two Capital Improvement Projects.

- \$37.7 million for the County Buildings Acquisition and Retrofit Project funded by the County Buildings Acquisition and Retrofit Project reserve (\$31.0 million) and the Capital Improvement reserve (\$6.7 million) to provide funding for the remodel of the 222 Hospitality Lane building for the Assessor-Recorder-County Clerk consolidation, and relocation and remodel for Special Districts and Veteran's Affairs, improvements to the Government Center Campus, and the design and remodel of the 323 Court Street building for the relocation and consolidation of the Public Defender.

- \$2.2 million for the Valley Dispatch Center funded by the Valley Dispatch reserve to fund master planning and campus design for the three buildings at the southeast corner of Rialto Avenue and Lena Road in San Bernardino. The buildings consist of the Valley Dispatch Center that will replace facilities currently located on Miro Way in Rialto, an Administration Building to consolidate County Fire operations, and a warehouse building to relocate the County Fire Hazardous Materials division from leased space at San Bernardino International Airport.

## FUTURE ONE-TIME NEEDS

In addition to one-time needs allocated for use in 2017-18, there are future one-time needs for which funding is recommended. This funding is recommended to be set aside in County General Fund Reserves. The detail of these needs is described below.

### One-time Needs Set-Aside in General Fund Reserves (in millions)

	<u>One-Time</u>
General Purpose	10.7
MOU with California University of Science and Medicine	5.0
Contribution to Retirement Reserve	3.1
Labor Reserve	0.3
New Financial Accounting System	6.0
IHSS MOE Discontinuance	34.8
Indigent Defense	0.5
<b>One-time Reserve Contributions in 2017-18 Recommended Budget</b>	<b>\$60.4</b>

#### **\$10.7 million for the General Purpose Reserve**

The County's Fund Balance and Reserve Policy provides for a General Purpose Reserve targeted at 20% of locally funded appropriation. This policy states that this reserve shall be built up with one-time sources until the established target is achieved. The recommended one-time contribution of \$10.7 million for 2017-18 brings the General Purpose Reserve to 15.1% of locally funded appropriation.

#### **\$5.0 million to establish a Reserve for the MOU with California University of Science and Medicine**

Funding to California University of Science and Medicine is contingent upon continued accreditation of a proposed new medical school located near ARMC on or before July 1, 2018 as well as initial enrollment of students. The MOU calls for collaboration in clinical research studies, education, and in the delivery and improvement of healthcare services at ARMC.

#### **\$3.1 million for the Retirement Reserve**

A pension cost smoothing plan, that will require approximately \$19.8 million of one-time funds, will generate approximately \$9.6 million of available ongoing discretionary revenue that is included in the five-year forecast. Retirement cost rates are expected to peak in the five-year forecast period, and the smoothing plan allocates one-time funds to address the peak in costs rather than allocating ongoing funds.

#### **\$0.1 million for Labor Reserve**

A portion of the Fire Subsidy included in the five-year forecast has not yet been included in the 2017-18 budget, pending the result of employee MOU negotiations. It is recommended that this amount be added to the Labor Reserve.

#### **\$41.5 million for Five-Year Forecast Projected Costs**

The Five-Year forecast (Fiscal Plan) includes \$39.8 million of ongoing funding for projected costs not funded in the ongoing budget plan. Since these projected costs total \$41.5 million, an allocation of one-time sources of \$1.7 million is also recommended (see page 2) to ensure adequate funding is available in the event all these costs materialize in 2017-18. The detail of these allocations is as follows:

#### **\$0.2 million increase in Labor Reserve**

Projected County MOU Costs include minor ongoing cost increases for units currently in the process of negotiations.

**\$6.0 million to establish a Reserve for the Enterprise Financial System (SAP)**

Funding for the post-implementation support for the new Enterprise Financial System. This includes staff, system hosting by the Information Services Department, and annual licensing fees.

**\$34.8 million to establish a Reserve for the IHSS MOE Discontinuance**

Projected IHSS MOE Discontinuance reflects the Governor's proposed State Budget issued in January 2017, which discontinues the County MOE for In-Home Supportive Services and reinstates a 35% County share for all non-federal program costs. The Governor's January Budget included a cost shift for 2017-18 related to the IHSS MOE of \$34.8 million to the County from the State. Subsequently, the Governor released a revision in May 2017 that changes the amount required by the County, however the exact impact of the change is unknown at this time.

**\$0.5 million to establish a Reserve for Indigent Defense**

Projected Indigent Defense cost increases as a result of the proposed revised fee schedule for Court Appointed Conservator Probate Attorneys. The fee schedule has not been updated since 1993.

**Overview of 2017-18 Requirements and Sources**

As the largest political subdivision of the State, counties are vested by the California State legislature with the powers necessary to provide for the health and welfare of the people within its borders. The \$5.8 billion 2017-18 Recommended Budget reflects the planned allocation of resources necessary to carry out this mission for the citizens of San Bernardino County. This budget has been developed in accordance with the Countywide Vision which promotes a sustainable system of high-quality education, community health, public safety, housing, retail, recreation, arts and culture, and infrastructure. The County's 22,828 budgeted positions are responsible for a wide variety of services to residents, from responding to calls for emergency services (Sheriff's Department and Fire District) to giving businesses the tools they need to succeed (Economic Development Agency) to providing a home for children in need (Human Services – Subsistence). The budget is recommended in order to continue to provide the County's many important services in a fiscally responsible and sustainable manner.

Total Requirements of \$5.8 billion, an increase of 0.22%, consist primarily of Staffing and Operating Expenses, which represent 80.3% (\$5.0 billion) of Total Requirements (excluding Reimbursements as a Requirement). Staffing Expenses of \$2.1 billion consist of salaries of \$1.3 billion and benefit costs of \$763.3 million. Departments with significant budgeted staffing expenses include the Sheriff/Coroner/Public Administrator (all budget units - \$478.3 million, 3,777 positions), Human Services Administrative Claim (\$352.6 million, 4,655 positions), and Arrowhead Regional Medical Center (\$283.3 million, 3,906 positions). The largest benefit related cost for the County is employee pensions (retirement), which makes up 58.5% (\$446.2 million) of all costs associated with employee benefits. The increase in staffing costs of \$76.2 million is largely due to increased costs of \$10.9 million in the Fire Protection District due to the annexation of the City of Upland's fire services,

\$13.4 million in ARMC due to negotiated salary increases, increased staffing levels to reduce reliance on nurse registry and overtime, and service expansions, and \$12.1 million in the Sheriff/Coroner/Public Administrator (all budget units) primarily due to negotiated MOU increases. Other increases include the addition of 134 positions within the Preschool Services Department (increase of \$4.4 million), an increase of 30 positions within the Mental Health Services Act Special Revenue fund (increase of \$3.6 million) and an increase of 28 positions within the Probation Department (all units, increase of \$4.7 million).

Operating Expenses in the County include costs for services and supplies, internal service fund charges, travel, transfers to the other County departments, subsistence payments, and other charges. These expenses represent the largest share of costs within the County at \$2.9 billion. These costs include subsistence payments to help residents in need throughout the County and as a result, the Human Services operational group makes up almost half (45.2%) of the County's operating expenses. In 2017-18 Operating Expenses are increasing by \$82.0 million which is primarily associated with increases in Human Services (\$38.3 million), Fire Protection District (\$27.1 million), Other Agencies (\$6.7 million), and the Community Development and Housing Agency (\$6.3 million).

The largest offset to the increases in Staffing and Operating expenses previously discussed is within Operating Transfers Out (\$125.5 million) that is primarily the result of a reduction in the use of one-time funds for various projects including a decrease of \$62.3 million in the Countywide Discretionary Budget Unit and a decrease of \$11.3 million in the Department of Public Works Transportation Special Revenue Funds. Operating Transfers Out are often used to transfer one-time funds to finance projects that are administered by another agency or department.

Total Requirements include Contingencies and Contributions to Reserves (General Fund and Non-General Fund). Like Contingencies, Contributions to Reserves represent Sources that are not planned to be spent in the coming fiscal year. Beginning in 2015-16, governmental funds other than the general fund eliminated the use of Contingencies, which represented Sources in excess of Requirements. Instead amounts that are available but not budgeted to be spent, are contributed to reserves. Excluding Contingencies and Contributions to Reserves, the total budget available for expenditure in 2017-18 is \$5.7 billion (including Operating Transfers Out and Reimbursements as Requirements). Further detail on General Fund Contingencies and Reserves can be found in the Discretionary General Funding and Restricted Funds section of the Executive Summary.

New in the 2017-18 Recommended Budget is the establishment of the Community Development and Housing Agency. This agency includes Community Development and Housing and the Office of Homeless Services, which were formerly included in the Economic Development Agency. As a result, prior year actuals and modified budgets have been restated for comparative purposes.

Also new for 2017-18, the Public Works Transportation Division includes a proposed project list for compliance with Senate Bill 1 (SB 1), which was passed in April 2017. SB 1 will provide the County with Road Maintenance and Rehabilitation Account (RMRA) funds, which will be continuously appropriated and is expected to begin flowing to counties in monthly apportionments from the State by February 2018. In order to receive an apportionment of RMRA funding, counties must submit to the California Transportation Commission (CTC) an annual list of projects proposed to be constructed with RMRA funding. This initial list shall be included as part of the county's budget and use of the funds shall remain flexible as long as the funds are only used on eligible projects. It should be noted that Requirements and Sources associated with these funds are not included in the 2017-18 Recommended Budget. Once actual funding amounts are known, the department will return to the Board in a subsequent Quarter Report to request expenditure authority for RMRA funded projects.

The three major funding sources of the County include revenue from other governmental entities (State, Federal or Other Government), funding for direct services provided (Fee/Rate), and Taxes. At \$1.9 billion, State, Federal or Other Government Revenue represents 29.9% of the County budget (including Reimbursements as a Source). The Human Services operational group receives the largest amount of funds from other governments, with \$418.4 million received from the State and \$654.8 million received from the federal government. Fee/Rate revenue of \$1.0 billion represents 16.3% of the County budget (including Reimbursements as a Source) and includes funding from licenses, permits, fines, fees, rates, and other charges for direct services provided by the County. Much of this funding (\$211.7 million) is received by departments, such as the Fleet Management, Information Services and

Risk Management Departments, that provide direct services to other County Departments. Other notable departments that receive funding to provide specific services include the Sheriff's Department (\$149.1 million), which provides law enforcement services for 14 incorporated county cities, and the Public Work's Solid Waste Division (\$74.9 million) that is responsible for the operation and management of the County solid waste disposal system.

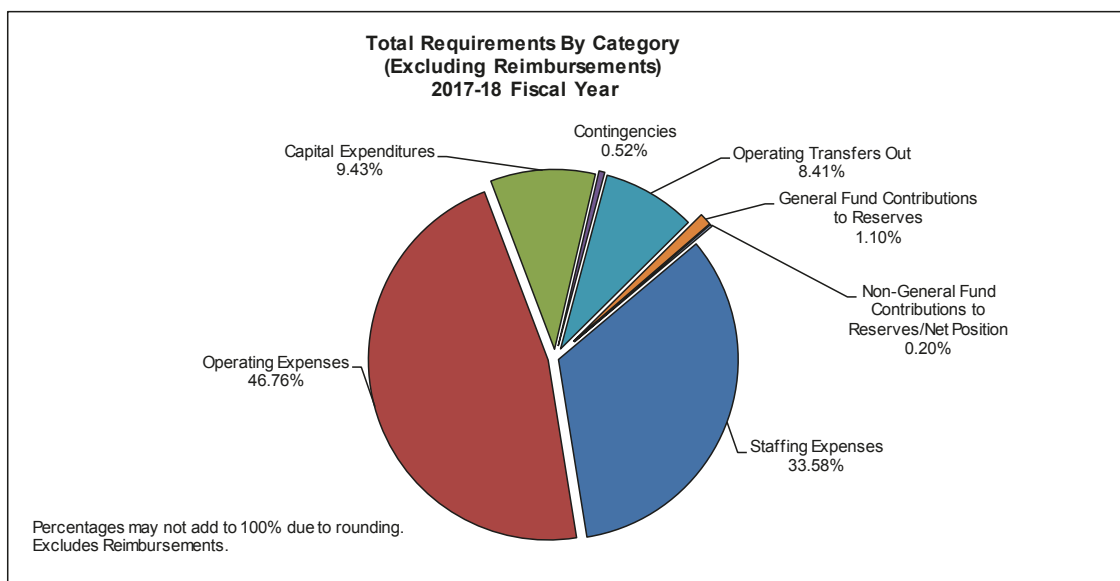

While historically it has been assumed that counties are reliant on relatively stable property taxes for the provision of services, with the realignment of many state services, counties have become increasingly dependent on sales tax revenue. When combining 1991 and 2011 Realignment revenues, which are primarily funded with sales tax (\$720.1 million), with County sales tax (\$23.5 million) and Proposition 172 Half Cent Sales taxes (\$173.4 million), the portion of requirements funded primarily with sales tax represents 14.7% of the County budget (including Reimbursements as a Source). While sales taxes are projected to experience a modest increase in 2017-18, they tend to be much more volatile and quicker to react to changes in the economy, resulting in a higher risk of funding losses in future years.

The County recognizes that a recession is likely to commence in the very near future, as the current economic expansion will reach 8 years if it continues through the end of June 2017 when it would become the 3<sup>rd</sup> longest in the history of the United States. In a stable conservative fashion, rather than attempting to time the economic cycles, the County has taken the approach of budgeting revenue growth conservatively.

The County's approach to increasing County reserves reflects a fiscally conservative recognition of the resource shift from historically stable to risky tax sources. In 2016-17, the County has contributed a total of \$142.4 million between General Fund (\$105.3 million) and Non-General Fund (\$37.1 million) reserves and is budgeted to contribute \$68.3 and \$12.7 million in 2017-18, respectively. Further detail on County General Fund Reserves can be found in the Discretionary General Funding and Restricted Funds section of this budget book. Information regarding Non-General Fund Reserves can be found on Budget Unit Specific pages within the budget book.

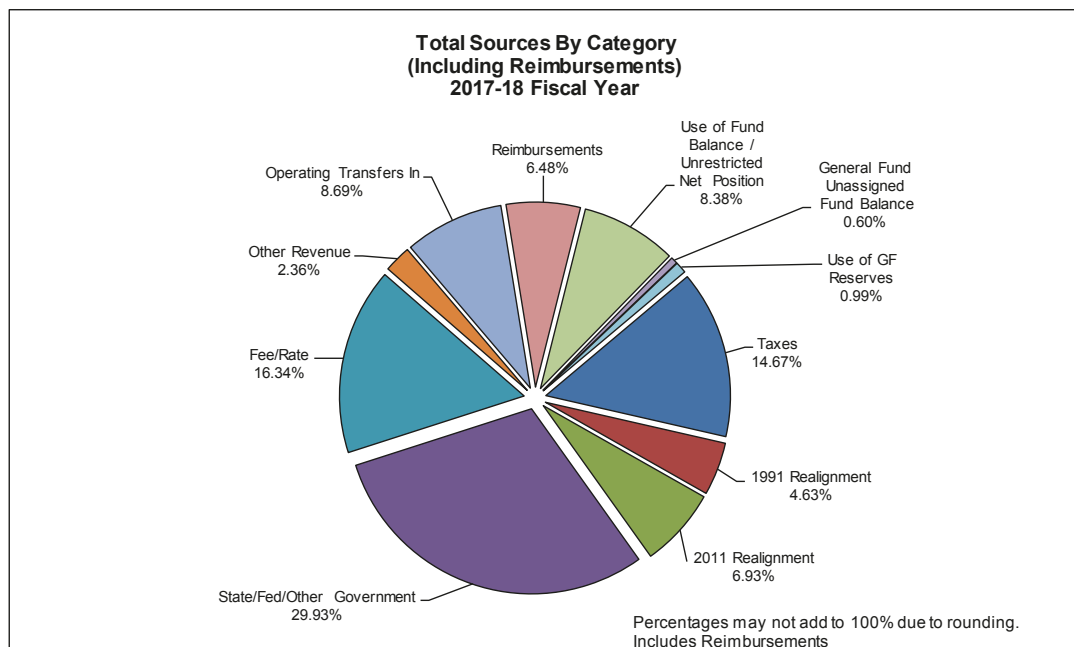

## REQUIREMENTS AND SOURCES BY CATEGORY

Total Requirements shown below (which exclude Reimbursements as a Requirement) include recommended expenditure authority (appropriation) for adoption by the Board of Supervisors, Operating Transfers Out, and Contributions to Reserves/Net Position for the County General Fund and for non-general fund departments. Operating Transfers Out provide a mechanism to transfer funding between budget units and are not appropriated to spend.

Total Sources shown in the following pie chart (which include Reimbursements as a Source) include projected revenue and Operating Transfers In. Operating Transfers In provide a mechanism to transfer funding from one budget unit to another within the County. Additionally, Sources include the use of fund balance/unrestricted net position for all non-general funds, the general fund available unassigned fund balance, and the use of General Fund reserves.

## REQUIREMENTS SUMMARY

The 2017-18 Recommended Budget includes Requirements of \$5.8 billion, which is a net increase of \$12.9 million or 0.22% compared to the 2016-17 Modified Budget.

Requirements include contributions to Available Reserves and Net Position.

Below are explanations of the major expenditures that are included in the \$5.8 billion 2017-18 Recommended Budget and changes from the 2016-17 Modified Budget. It should be noted that Requirements discussed in this section include Contributions to Reserves/Net Position. As a result, the Total Requirements included in this section may not align with the Total Requirements discussed on Budget Unit Specific pages.

### **County Operations**

**Administration** has Requirements of \$331.4 million and contains County departments and functions that provide leadership and support to departments that provide direct public services to County residents. The leadership section of this operational group includes the Board of Supervisors (\$7.8 million), which is the governing body of County government, and the County Administrative Office (\$5.8 million), which directs and coordinates departmental activities according to the law and strategic goals set by the Board of Supervisors. Various support functions include civil legal services provided by County Counsel (\$10.7 million), employment and employee related services provided by Human Resources (\$21.4 million), and information technology support provided by the Information Services Department (\$98.8 million – including contributions to Net Position). The largest department in the Administration operational group is the Department of Risk Management, which has Requirements of \$127.9 million and administers the County workers' compensation, public liability, property conservation, safety and risk reduction programs.

Requirements for this operational group are increasing by \$5.8 million from the 2016-17 Modified Budget. Notably, Requirements are increasing in Risk Management Insurance Programs by \$13.4 million due to an increase in settlements, liability claims experience, and increased medical claims costs in workers' compensation. This increase is offset by a \$4.8 million decrease in Fleet Management primarily due to the separation of Fleet Management and the Fire Protection District joint operations program, and a reduction in capital expenditures as a result of a decrease in planned vehicle replacements. Also included is a \$1.4 million decrease in the Board Discretionary Fund which sunset on December 29, 2016 (per County Policy 05-10).

**Capital Facilities Leases** has Requirements of \$7.3 million which reflects a slight increase over the prior year. This budget unit funds the cost of long-term capital lease payments for the major County facilities financed by the General Fund. Requirements are increasing as the result of an increase in County overhead costs (COWCAP).

**Community Development and Housing Agency** has Requirements of \$56.8 million and provides services that better people's lives and the communities they live in by strategically investing and leveraging limited federal, state and local resources to achieve community and neighborhood revitalization. Notable departmental Requirements include \$55.8 million for Community Development and Housing (CDH) services which includes \$18.3 million for infrastructure improvements in the areas surrounding the former San Sevine and Cedar Glen redevelopment project areas and \$23.1 million for low-moderate income housing assistance. In addition, the Office of Homeless Services (\$0.9 million) includes Operating Expenses of \$0.5 million to support Continuum of Care grant administration and planning functions.

The net increase in Requirements of \$3.7 million is primarily due to an anticipated increase in federal and state funded projects.

**Economic Development Agency** has Requirements of \$33.0 million and provides services that seek to create, maintain, and grow the economic value of the County. Such services include small business assistance and technical support, permitting assistance, and business site selection assistance. Notable departmental Requirements include \$29.5 million (including Contributions to Reserves) for the Department of Workforce Development, which is funded by federal Workforce Innovation and Opportunity Act (WIOA) revenue, and includes \$15.9 million in direct services to job seekers and business customers, including vocational training, On-the-Job training, supportive services, business consulting, and workshops. Also included is \$3.5 million in Requirements for the Department of Economic Development which funds various economic development programs including trade shows, advertising and public relations.

The net increase in Requirements of \$1.3 million is primarily due to an increase in budgeted contributions to reserves within the Department of Workforce Development budget unit.

**Fiscal** has Requirements of \$69.6 million and includes the Auditor-Controller/Treasurer/Tax Collector (\$40.8 million – including Contributions to Reserves) and the Assessor/Recorder/County Clerk (\$28.9 million). These departments provide services to the public and other County departments related to the establishment and collection of County property taxes along with other fiscal services that ensure the proper reporting and usage of taxpayer funds. Notable Requirements in the Auditor-Controller/Treasurer/Tax Collector include \$25.9 million for staffing expenses to provide accounting, auditing, collections, and investment services to County departments and constituents. The Assessor/Recorder/County Clerk includes a total of \$19.7 million in staffing expenses (\$18.7 million in the general fund budget unit and \$1.0 million in special revenue fund budget units) to perform mandated assessment of properties, recording of real estate and other documents, and County clerk functions.

Total Requirements in this group are increasing \$2.0 million (2.9%) and are primarily associated with increased cost to maintain current services (including general office expense, data processing and negotiated MOU increases) and the addition of 2 new positions in the Auditor-Controller/Treasurer/Tax Collector to expand and separate the Property Tax Division.

**Arrowhead Regional Medical Center (ARMC)** has Requirements of \$606.6 million (including Contributions to Net Position) and provides medical services to County residents. ARMC is an acute care facility that provides a full range of inpatient and outpatient services, has three off campus family health centers, and provides Department of Behavioral Health's inpatient activities and numerous specialty activities. For 2017-18, ARMC will focus on managing the continued impact of the Affordable Care Act as the number of uninsured patients declines, and members of this group migrate to expanded coverage under Medi-Cal Managed Care.

ARMC is increasing Requirements by \$15.5 million, which represents a 2.6% increase over the prior year. Increased requirements in this group include increases within the ARMC enterprise fund (\$4.9 million) and increases in the Medical Center CIP fund (\$10.6 million). Increases in the operating fund primarily include changes in staffing expenses related to the net addition of 66 positions, negotiated salary increases, and the establishment of the Specialty Care Nurse classification (\$13.4 million) and are primarily offset by a reduction in Contributions to Net Position (\$12.8 million) which is the result of the receipt of one-time funding in 2016-17 that was set aside in a specific purpose reserve. Increases in the ARMC CIP fund primarily include \$11.0 million in new projects and a large number of carryover projects, including the purchase of equipment previously budgeted in the ARMC enterprise fund.

**Human Services** is the largest operational group within the County with Requirements totaling \$2.0 billion. This group provides health and social service programs to County residents through a number of County departments. Health services are provided primarily through the Department of Behavioral Health (\$489.5 million) and Public Health (\$112.1 million, including Contribution to Reserves). Social services are provided primarily through Human Services (\$1.1 billion) including the Human Services Administrative Claim budget unit (\$559.4 million), the Human Service Subsistence Payments budget units (\$563.2 million) and the Wraparound Reinvestment Fund budget unit (\$10.4 million). Additional social services are provided by the Preschool Services Department (\$58.0 million – including Contributions to Reserves), Child Support Services Department (\$40.2 million), and the Aging and Adult Services Department (\$9.7 million). Notable Requirements in the Human Services group include \$1.3 billion in Operating Expenses of which \$564.1 million are in the Human Services Subsistence funds and represent either direct payments to welfare recipients or payments to organizations that provide services to welfare recipients.

Human Services is increasing Requirements by a net \$47.2 million which includes significant changes in numerous departments within the group. Significant increases in the 2017-18 Recommended Budget include:

- An increase of \$43.1 million in the Department of Behavioral Health (all units) that reflects increased costs to provide therapeutic services in various programs including narcotic treatment programs, Regional Full Services Partnership, Comprehensive Child and Family Support Services and crisis services at the ARMC Behavioral Health Center.
- An increase of \$14.9 million in the Human Services Subsistence funds that reflects an increase in direct payments of benefits to clients and contracted payments to service providers that provide vital, necessary services to children.

These increases are offset by the following significant reductions:

- A decrease of \$7.6 million in the Human Services Administrative Claim reflects reductions in available federal and state revenue sources which has required a reduction in budgeted operating expenses.
- A decrease of \$1.9 million in the Preschool Services Department primarily due to a reduction in the number of one-time projects funded in 2017-18 compared to the prior year.
- A decrease of \$1.2 million in the Wraparound Reinvestment Fund reflects a reduction in Operating Transfers Out that support Child Welfare Services programs due to an anticipated reduction in the availability of reinvestment funds to supplement these services.

**Law and Justice** has Requirements of \$983.6 million and provides public safety services to County residents. The Sheriff/Coroner/Public Administrator (all units - \$634.3 million) provides law enforcement services for the unincorporated areas of the County and certain services on a countywide basis through its Operations budget unit (\$243.4 million). Another primary function of the Sheriff's Department is to provide Detention facilities (\$219.1 million) for all of the County pre-sentenced inmates as well as sentenced inmates no longer required to go to State prison, as a result of the realignment of services by the State for adult offenders (2011 Realignment). The Sheriff's Department also provides law enforcement services to 14 county cities through contractual agreements (\$149.1 million). The Probation Department (\$182.5 million – including Contributions to Reserves) provides supervision of adult and juvenile probationers throughout the County as well as for recently realigned State parolees (2011 Realignment). The District Attorney's Office (\$85.8 million) is responsible for prosecuting crimes committed within the County, and the Public Defender (\$39.2 million) provides mandated representation to indigent adult clients in felony, misdemeanor, and mental health civil commitment cases, as well as to clients facing probation, parole, or post-community supervision release violations. Also included are the County Trial Court budget units (\$40.4 million, including Contributions to Reserves) which represent both ongoing County-Court related financial obligations and functions related to the transfer of the Courts to the State.

Requirements are relatively unchanged from the prior year, decreasing overall by \$0.2 million. Notable increases in Requirements include:

- An increase of \$1.8 million in the District Attorney (all units) which primarily reflects an increase in staffing expenses related to negotiated salary increases and an increase of four positions.
- An increase of \$0.8 million in the County Trial Courts (all units) that includes a \$0.3 million increase in the Courthouse Seismic Surcharge fund to reflect higher anticipated collections and an increase of \$0.6 million in the Indigent Defense Program to reflect proposed increases to the Superior Court's Appointed Services Fee Schedule.

These increases are offset by a \$3.4 million decrease in Requirements within Probation (all units) that is primarily due to a reduction in the number of one-time projects funded with Operating Transfers Out in 2017-18.

**Operations and Community Services** has Requirements of \$365.2 million and provides both internal support of County operations as well as external services to the public that promote the quality of life and well-being of County residents. Services that support the general operation of County government include custodial, grounds, and maintenance by Real Estate Services - Facilities Management Division (\$18.6 million), the payment of County utilities (\$19.1 million), Real Estate Services (\$1.6 million) and the Chino Agricultural Preserve (\$5.3 million). Departments that provide direct services to the community include Agriculture/Weights and Measures (\$7.8 million), the County Library (\$19.0 million), Land Use Services (\$22.6 million), Registrar of Voters (\$9.7 million), Regional Parks (\$15.0 million), and the County Museum (\$3.6 million). Notably, this group also includes the Department of Public Works – Transportation (\$128.3 million) and Public Works – Solid Waste Management (\$95.3 million). The Transportation Division is responsible for the operation, maintenance, and improvement of the County's road system that currently includes approximately 2,550 miles of roadway. Solid Waste Management is responsible for the operation and management of the County solid waste disposal system, which consists of five regional landfills, nine transfer stations, and 34 closed landfills or disposal sites.

The net increase in Requirements is \$1.6 million, which represents a 0.4% increase from the 2016-17 Modified Budget. Notable increases in requirements include:

- A net increase of \$5.3 million in the Department of Public Work's Solid Waste Enterprise Funds which reflects an increase of \$11.7 million to fund increases in costs for expansion and improvement projects across the department's waste infrastructure assets. These increases are offset by a decrease of \$6.4 million in budgeted Contributions to Net Position.
- An increase of \$3.3 million within Real Estate Services (all units) primarily due to a \$2.7 million increase in the Chino Agricultural Preserve fund that reflects an increase in anticipated capital expenditures to acquire property adjacent to Prado Regional Park in Chino to comply with the Prop 70 Land Plan that requires acreage to be maintained for specific purposes.
- An increase of \$2.4 million in Airports (all units, excluding CSA 60) primarily due to an increase in expenditures for Phase II of the Chino northwest apron rehabilitation project and the construction of wells, testing and monitoring services connected to the Chino Plume.

Notable decreases in Requirements offsetting the previously mentioned increases include:

- The department of Public Works, Transportation Division is decreasing Requirements by \$5.3 million primarily due to a decrease in Operating Transfers Out reflecting a transfer for a new office building in 2016-17.
- A decrease of \$1.9 million in Land Use Services (all units) primarily due to a decrease in one-time funding for projects such as Blue Cut Fire Demolition, Morongo Basin Cultural Plan, and a decrease in outside legal services.
- A decrease of \$1.3 million in the Registrar of Voters primarily due to the passage of Senate Bill 415 which requires political subdivisions to hold elections on statewide election dates if voter turnout falls below a pre-determined minimum level. This bill has impacted 24 jurisdictions within the County and has resulted in fewer elections scheduled for the 2017-18 fiscal year.

**Capital Improvement Program** has Requirements of \$324.1 million and is used to account for funding resources designated for the acquisition or construction of major capital facilities. The increase in Requirements of \$35.5 million is due to carryover projects and funding for new projects in 2017-18. Notably, this includes additional funding for the County Buildings Acquisition and Retrofit Project (\$40.2 million), the Valley Dispatch Center (\$2.2 million) and the 800 MHz Upgrade Project (\$17.9 million). Further detail on major capital projects for 2017-18 is shown in the Capital Improvement Program section of this budget summary and in the CIP section of this budget book.

**Other Funding** of \$250.5 million primarily represents the Countywide Discretionary Fund (\$132.3 million), General Fund Contingencies (\$10.9 million), and various restricted funds within the General Fund including contingencies within the Proposition 172 Half-Cent Sales Tax budget unit (\$21.4 million), 1991 Realignment expenditures (\$10.5 million), and expenditures in the Automated Systems Development Fund (\$6.0 million). Other Funding also includes Contributions to General Fund Reserves of \$68.3 million. Requirements within the Countywide Discretionary Fund are used primarily to transfer Discretionary General Funding to various budget units outside the General Fund to fund various programs and projects, such as a multi-year 800 MHz upgrade project (\$17.9 million), and numerous non-major capital improvement projects for County facilities (\$12.0 million).

Restricted Funds (General Fund) consist of four limited use budgets – Proposition 172 Half-Cent Sales Tax, 1991 Realignment, 2011 Realignment, and Automated Systems Development. Proposition 172 revenue assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. Realignment assists in funding realigned law and justice, mental health, social services and health programs within the County. Automated Systems Development is funding that is set aside for the purpose of developing, upgrading, and/or replacing the County Financial Accounting System. Further detail on all Restricted Funds can be found in the Discretionary General Funding and Restricted Funds section of this budget document.

The net decrease in Other Funding of \$116.2 million primarily represents decreases in the Countywide Discretionary Fund (\$62.3 million), General Fund Contributions to Reserves (\$37.0 million), and General Fund Contingencies (\$4.9 million). Contingencies represent funding available from 2017-18 Sources that have not been allocated for expenditure. Further detail on County Contingencies and Reserves can be found in the Discretionary General Funding and Restricted Funds section of this budget document.

### **Special Districts/Other Agencies Operations**

**Special Districts Department/Airports Special District** has Requirements of \$93.0 million (including Contributions to Net Position/Reserves) and is managed primarily by the Special Districts Department (\$86.4 million) with \$6.6 million in Requirements managed by County Airports. Airports manages County Service Area 60, which funds the operation, capital projects and maintenance of the Apple Valley Airport that was built in 1970 and is a public use airport providing general aviation services to the High Desert region.

The Special Districts Department provides for the management, and maintenance of general, parks and recreation, road, sanitation, streetlighting, and water districts for 99 Districts, County Services Areas (CSA) and Improvement Zones within the County. On December 29, 1969 the Board of Supervisors established CSA 70 Countywide to provide a centralized mechanism for administration of personnel and operations which serve all of the Board Governed CSAs. Staff within CSA 70 Countywide provide centralized and regional management services, administration, engineering, fiscal, human resources, lien administration, park maintenance, payroll, information services, road maintenance and inspection services.

Overall Requirements across Special Districts are decreasing by \$3.3 million. Requirements are decreasing from the prior year due to a reduction in the number of one-time projects funded with Operating Transfers Out in 2017-18 within the department's General Districts budget unit (\$3.3 million) and a decrease in the funding of construction projects through the department's Capital Improvement Program (\$3.5 million). These decreases are offset by an increase in budgetary contributions to Reserves/Net Position (\$1.5 million) and an increase of \$3.0 million in the Special Districts Airports funds in order to acquire land for the drainage basin project at the southwest quadrant of the Apple Valley Airport (CSA 60).

**Fire Protection District** has Requirements of \$248.4 million (including Contributions to Reserves) and provides fire protection and emergency services throughout the County. The District covers 19,278 square miles and serves more than 60 communities/cities, including the City of Upland following its annexation, City of Needles, City of San Bernardino, City of Grand Terrace and the Town of Yucca Valley, within four Regional Service Zones (Mountain, North Desert, South Desert and Valley). Additionally, County Fire provides contractual fire protection services to four cities: Adelanto, Victorville, Hesperia, and Fontana's independent fire protection district.

Requirements are increasing by \$3.8 million which is primarily due to an increase of \$11.4 million in costs resulting from the annexation of the City of Upland's fire services and is partially offset by a decrease in budgeted Contributions to Reserves (\$8.3 million).

**Flood Control District** was created in 1939 under special State legislation and has Requirements of \$112.2 million. The District has developed an extensive system of flood control and water conservation facilities, including dams, conservation basins, debris basins, channels and storm drains. The purpose of these facilities is to intercept and convey flood flows through and away from developed areas of the County, as well as to promote water conservation and improved water quality.

Requirements are slightly less than the prior year, decreasing by a net of \$0.1 million. Changes within this group include an increase of \$8.4 million for planned construction projects and are offset by a decrease in capital expenditures for right of way purchases (\$3.0 million) and decreases in Operating Transfers Out due a reduction in the number of one-time projects in 2017-18.

**Other Agencies** has total Requirements of \$338.2 million and contains five Other Agency budget reporting entities in the County, including the Housing Authority of the County of San Bernardino (\$326.1 million - including Contributions to Net Position), In-Home Supportive Services Public Authority (\$7.9 million), Inland Counties Emergency Medical Agency (\$4.1 million), County Industrial Development Authority (\$57,368), and Economic and Community Development Corporation (\$43 dollars). The Housing Authority of the County of San Bernardino (HACSB) is a critical economic resource providing vital housing programs to low income families. The In-Home Supportive Services (IHSS) program was created in 1973 to serve elderly, blind, and/or disabled individuals who are not able to remain safely in their home without assistance. The Inland Counties Emergency Medical Agency (ICEMA) was developed under a Joint Powers Agreement with San Bernardino, Inyo and Mono Counties and is charged with the coordination, evaluation, and monitoring of emergency medical services within public and private

pre-hospital providers, specialty hospitals, paramedic base hospitals, and the effectiveness of Emergency Medical Services (EMS) educational programs and medical disaster preparedness. The County Industrial Development Authority and Economic and Community Development Corporation are agencies created to provide various methods of financing on behalf of private enterprise in order to promote and enhance economic development and increase opportunities for useful employment.

Requirements are increasing by \$16.3 million and are associated with an increase in HACSB (\$16.0 million) associated with various housing assistance programs funded through the authority.

### MAJOR COUNTY FUNDS

### Governmental Fund Types

**General Fund:** The General Fund is used to account for resources traditionally associated with government, which are not required legally or by sound financial management to be accounted for in another fund. The General Fund is the County's primary operating fund and Requirements are separated into General Fund and General Fund – Restricted. Funds included in the General Fund category are those that the Board of Supervisors predominately have oversight on the Sources and Requirements, including units that are typically mandated, such as human services programs. General Fund – Restricted Funds consist of Prop 172, 1991 and 2011 Realignment, and Automated Systems Development.

**Special Revenue Funds:** Special Revenue Funds account for the proceeds of specific revenue sources that are legally restricted to expenditures for specified purposes (other than for major capital projects).

**Capital Project Funds:** Capital Project Funds account for financial resources designated for the acquisition or construction of major capital facilities other than those funded by Enterprise and Internal Service Funds.

**Permanent Funds:** Permanent Funds account for legally restricted resources provided in trust. The earnings but not the principal may be used for purposes that support the primary government's programs.

**Proprietary Fund Types**

**Enterprise Funds:** Enterprise Funds account for operations that are funded and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be funded or recovered primarily through user charges.

**Internal Service Funds:** Internal Service Funds account for the funding of goods or services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis.

The matrix below lists the group/agency as depicted in the County organizational chart. For each group/agency listed, the various fund types are shown with their Total Requirements (including Operating Transfers Out).

Additionally, this summary schedule provides the use of fund balance/unrestricted net position for all non-general funds, the general fund unassigned fund balance, as well as the use of general fund and non-general fund reserves. Descriptions of major sources of funding in the 2017-18 Recommended Budget and changes from the 2016-17 Modified Budget are included below.

**Revenue**

**Taxes** of \$913.7 million consist of approximately \$581.6 million of Property Tax (\$555.0 million) and Sales, Occupancy, and Other Taxes (\$26.6 million) that are deposited directly into the Countywide Discretionary General Fund budget unit for allocation by the Board of Supervisors. Additionally, \$149.9 million in Property Tax is reported for the County Library (\$15.3 million), Fire Protection District (\$79.0 million), Flood Control District (\$47.5 million), and Board Governed Districts managed by the Special Districts Department and Airports (\$8.1 million). Finally, Taxes also consist of Proposition 172 Half-Cent Sales Tax (\$173.4 million) and Sales Tax – Measure I Road Operations funds (\$8.4 million).

The net increase of \$41.8 million is primarily related to an increase of \$20.7 million in taxes that are deposited into the Countywide Discretionary General Fund budget unit. This is the result of a projected 4% increase in the assessed valuation of properties within the County. For more detail on Discretionary General Fund related taxes, refer to the Discretionary General Funding and Restricted Funds section of the 2017-18 Recommended Budget. Also included in this category is an increase of \$12.6 million in taxes for the Fire Protection District as the result of annexation of fire services from the City of Upland and an increase of \$4.3 million in the Sheriff's, District Attorney and Probation Department's budget units due to a projected increase in Proposition 172 half-cent sales tax revenue. The County share of Prop 172 sales tax revenue has been positively affected by the efforts of the Economic Development Agency that works with companies doing large construction projects in the unincorporated areas of the County resulting in 100% of the local share of sales tax revenue generated by large construction projects being allocated to the County instead of being allocated between the County and cities within the County.

**1991 Realignment** revenues of \$288.6 million are decreasing by \$5.1 million over the prior year while **2011 Realignment** revenues of \$431.5 million are increasing over the prior year modified budget by \$23.7 million. Although technically not categorized as the receipt of taxes, this funding is received from the State and is primarily derived from sales taxes to pay for realigned law and justice, mental health, social services and health programs

within the County. Because sales tax tends to be much more volatile and quicker to react to changes in the economy, its usage results in a higher risk of funding decreases in future years. These decreases will likely coincide with an economic downturn when there is an increased need for programs funded with this revenue. For more detail on Realignment funding, refer to the Discretionary General Funding and Restricted Funds section of the 2017-18 Recommended Budget.

**State, Federal, and Other Government** represent the largest revenue source within the County totaling \$1.9 billion. The Human Services operational group receives the largest amount of funds from other governments, with \$1.1 billion received from State, Federal and other governments. Countywide, there is an overall increase of \$31.1 million from the 2016-17 Modified Budget in this revenue category, which represents an increase of 1.7%.

Notable changes within this revenue source include:

- **Human Services** is decreasing \$2.7 million which reflects a decrease in the Human Services Administrative Claim (\$14.9 million) due to decreases in CalWORKs funding, and the Preschool Services Department (\$2.7 million) due to a reduction in one-time federal carryover funds. These decreases are offset by increases in the Human Services Subsistence Budget units (\$4.6 million) due to changes in caseload for federally and state funded programs, the Department of Behavioral Health (all units, \$7.7 million) due to increases in revenue related to program expansion (including Medi-Cal), and the Department of Public Health (all units, \$2.8 million) due to increased revenue for various programs including the Reentry Program.
- **Operations and Community Services** is decreasing \$5.0 million primarily due to changes within Public Works Transportation Funds due to decreased availability of funding for road projects (\$5.4 million).
- **ARMC** is increasing by \$28.6 million due to the migration of patients from Medi-Cal Fee-For-Service to Medi-Cal Managed Care which pays at a higher rate.
- **Other Agencies** are increasing State, Federal and Other Government revenue by \$12.1 million due to increases within HACSB that reflect increases in Moving to Work, Housing Choice Voucher, and Rental Assistance Demonstration program revenues.

**Fee/Rate** includes the following types of revenues: licenses, permits, fines, fees, rates, and other service revenue. Total revenue of \$1.0 billion is anticipated to decrease from the 2016-17 Modified Budget by \$4.1 million. Much of this funding (\$211.8 million) is received by departments, such as the Information Services Department and Risk Management Department that provide direct services to other County Departments. Other notable departments that receive funding to provide specific services include the Sheriff's Department (\$149.1 million), which provides law enforcement services for 14 incorporated county cities, and Public Works Solid Waste Division (\$74.9 million) that is responsible for the operation and management of the County solid waste disposal system.

Significant changes in this category include:

- An increase of \$7.4 million in the Fire Protection District due to increased special assessments from the city of Upland annexation and increased contract fire protection services revenue.
- A decrease of \$12.3 million in ARMC primarily due to a reduction in commercial insurance revenues.
- A decrease of \$7.6 million in the Administrative Group which includes a decrease in Risk Management (\$19.3 million) due to lower premiums charged to departments for certain insurance programs which is offset by an increase in Information Services (\$11.6 million) for increased service rates (including Computer Operations and Telecommunications services) to fund costs for expanded services.
- An increase in the County Discretionary budget unit of \$6.7 million due to an increase in County overhead (COWCAP) revenue.

**Other Revenue** of \$147.1 million primarily includes interest earnings, rents and concessions, and tobacco settlement funds. This revenue source is anticipated to decrease by a net \$16.0 million from the 2016-17 Modified Budget. Notably, ARMC is decreasing Other Revenue by \$11.4 million due to the receipt of a one-time refund for excess insurance premiums that was received in 2016-17.

### **Other Funding Sources**

**Operating Transfers In** of \$540.8 million is a funding source that provides a mechanism to transfer funding from one budget unit to another within the County or other entity. Two of the most notable groups with large Operating Transfers In include the Capital Improvement Program (\$155.5 million) and Other Agencies (\$190.4 million). Operating Transfers In are the main funding source for the Capital Improvement Program as the program is funded primarily through monies received from other County Departments and the County General Fund for specific projects. The Operating Transfers In for Other Agencies are primarily budgeted within HACSB (\$189.2 million) and reflects the movement of funds within the agency related to the Moving to Work Program.

The net decrease in this funding source of \$24.4 million is primarily the result of the one-time nature of the majority of Operating Transfers In and varies from year to year based on the availability of one-time sources.

**Use of Fund Balance/Unrestricted Net Position** of \$521.9 million represents unspent funds carried over from prior years that are budgeted in the Restricted General Funds, Special Revenue Funds, and Capital Project funds in the County and the use of unrestricted net position in Internal Service and Enterprise funds. The use of fund balance/net position is increasing from the prior year by \$98.0 million primarily due to the one-time use of fund balance for carryover projects within the Capital Improvement Program.

**General Fund Unassigned Fund Balance** of \$37.2 million represents unspent general fund balance carried over from 2016-17. This amount, in conjunction with other one-time money, funds one-time costs for department programs, capital improvement projects, transportation projects, contributions to General Fund Reserves, and also funds the County's mandatory 1.5% contingency, which per Board Policy 05-01 is in the general fund to accommodate unanticipated operational changes, legislative impacts, or other economic events affecting County operations that could not have been reasonably anticipated. General Fund Unassigned Fund Balance is decreasing by \$82.2 million from the prior year, and reflects the estimate of the General Fund results of operations for 2016-17.

**Use of General Fund Reserves** of \$61.7 million represents the use of the following General Fund Reserves: the Cal Fresh Waiver Discontinuance (\$1.5 million), the County Buildings Acquisition and Retrofit Project (\$31.0 million), the Rim Forest Drainage Project (\$1.2 million), the Valley Dispatch Reserve (\$2.2 million), the Capital Projects reserve (\$6.7 million), the EMACS Upgrade (\$3.7 million), the New Financial Accounting System Project (\$5.5 million), the Permit Systems Upgrade Project (\$0.9 million), the GIS Enterprise License Agreement Project (\$0.8 million), Give Big San Bernardino County (\$0.1 million), Land Use Services General Plan/Development Code Amendment Project (\$0.4 million), the Strategic Initiatives Project (\$0.2 million), the Cedar Avenue Interchange Project (\$1.4 million), the Glen Helen Parkway Bridge Replacement/Widening Construction Project (\$0.4 million), and the National Trails Highway Project (\$5.8 million). This represents a \$50.0 million decrease from the 2016-17 Modified Budget and is detailed in the Discretionary General Funding and Restricted Funds section of this budget document.

The bar graph below includes total budgeted revenue and other funding sources from the two prior Budgets and the 2017-18 Recommended Budget. 2015-16 amounts will not match previous information on prior pages because the bar graph reports on budgeted revenue and the previous tables reflect actual revenue received.

**BUDGETED STAFFING SUMMARY**

Budgeted staffing is accounted for using headcount. Each position, whether full time or part time, is counted as one. The pie chart below depicts the budgeted staffing by group/agency for 2017-18.

The following bar graph illustrates the budgeted staffing for 2017-18 as well as the prior two fiscal years.

**Budgeted Staffing By Group / Agency  
2015-16 Through 2017-18 Fiscal Years**

	2016-17 Modified Budget Staffing	Change from Modified Budget			2017-18 Recommended Budget Staffing	Percentage Change
		Caseload Driven/ Grant or Special Funded Programs	All Other Programs	Total Change		
County - General Fund	14,527	(171)	(4)	(175)	14,352	(1.2%)
County - Other Funds	6,620	255	-	255	6,875	3.9%
Special Districts and Other Agencies	1,572	29	-	29	1,601	1.8%
<b>Total</b>	<b>22,719</b>	<b>113</b>	<b>(4)</b>	<b>109</b>	<b>22,828</b>	<b>0.5%</b>

Budgeted Staffing for caseload driven/grant, or special funded programs, increased overall by a net 113 positions. Significant changes from the previous year's modified budgeted staffing in caseload driven, grant or special fund programs include the following:

#### **County - General Fund**

- **The Human Services Administrative Claim** is decreasing by a net of 204 budgeted positions. This includes the addition of 29 positions across its various departments but is offset by the deletion of 233 positions, the majority of which are from the Transitional Assistance Department (230). This change in staffing reflects a significant decrease in TAD CalWORKs administrative funding which requires a reduction of eligibility staff.

- **Probation** is increasing budgeted staffing by a net of 25 positions in the Administrative, Corrections and Detentions budget unit. This includes the deletion of 12 positions across its various programs to fund staffing expansion in other divisions of the department, and is offset by the addition of 37 positions, primarily to establish a Transportation Program for safe and effective transportation of juveniles and adult offenders (28).
- The **Department of Child Support Services** is decreasing by a net of 10 positions in order to offset increased staffing costs and operational cost increases.
- The **Sheriff's Department** is increasing budgeted staffing by eight positions in its Detentions unit to support the Comprehensive Mental Health Service Program.
- The remainder of caseload driven/grant, or special funded staffing changes within the General Fund reflect a net increase of 10 positions including the addition of six positions within the **Public Defender**, an increase of four positions in the **District Attorney**, an increase of three in both the **Public Guardian - Conservator** and the **Probation Juvenile Justice Program**, and are offset by minor decreases in **Health Administration** (1), **Behavioral Health** (2), **Veterans Affairs** (2) and **Sheriff's Department Law Enforcement Contracts** (1).

#### County - Other Funds

- **Arrowhead Regional Medical Center** is increasing budgeted staffing by a net of 66 positions to reduce reliance on registry and overtime within the behavioral health unit and address increased volume in the Obstetrics and Labor & Delivery units.
- **Preschool Services** is increasing budgeted staffing by 134 positions primarily to support increased classroom staff for Head Start Extended Duration services at various locations throughout the County.
- The **Behavioral Health Mental Health Services Act** budget unit is increasing budgeted staffing by 30 positions. The increase in budgeted staffing will allow the department to better service County residents through the expansion of children's services to meet the requirements of the Continuum of Care Reform and other administrative support services.
- Internal Service Funds include departments that provide direct services to other county departments and are increasing by a net 17 positions. This includes an increase of 10 positions within the **Information Services Divisions (all units)**, an increase of two positions in **Fleet Management**, and an increase of five positions in **Risk Management**.
- The **County Library** is increasing budgeted staffing by a net of 18 positions including the addition of 20 limited term positions offset by two deletions. The increase in budgeted staffing will provide the department flexibility in meeting service delivery requirements while recruitment to fill vacancies occurs.
- The remainder of caseload driven/grant, or special funded staffing changes within Other County Funds reflects a net decrease of 10 positions including minor reductions in the **Department of Public Works Transportation** (4), **Regional Park Enterprise Funds** (4), the **Department of Community Development and Housing** (2), and **Workforce Development** (1). These increases are offset by the addition of one position within the **County Museum Store**.

#### Special Districts and Other Agencies

- Special Districts and Other Agencies are increasing budgeted staffing by a net 29 positions. This includes an increase of 18 positions within the Fire Protection District which primarily reflects the addition of 40 positions associated with the annexation of fire protection services from the City of Upland which

are partially offset by a decrease of nine positions due to the elimination of the Inmate Hand Crew Program. Other Agencies are increasing staffing by 15 positions due to changes within the Housing Authority of The County of San Bernardino (13) which is adding positions needed as a result of the Authority's transition to the Rental Assistance Demonstration program and the addition of the Upland Housing Authority's Public Housing and Housing Choice Voucher programs. The remainder of the changes within Other Agencies reflects a net decrease of 2 positions including increases within the In-Home Supportive Services Public Authority (2) offset by a decrease of four positions within Special Districts.

Budgeted staffing for all other programs in both the general fund and other funds is decreasing by a net 4 budgeted positions. Significant changes from the previous year's final budgeted staffing in all other programs include the following:

- **Administration** – Excluding the previously mentioned increases in the Internal Service Funds, budgeted staffing within the Administration Group is decreasing by a total of eight positions. Significant changes within the group include an increase of two positions within the Purchasing department that are offset by deletions in the Board of Supervisors (4), County Counsel (5), and Human Resources (1). The Purchasing department is increasing positions to provide dedicated procurement services to the Department of Public Works and to assist with office support. The Board of Supervisors is decreasing positions to recognize the elimination of limited term contract positions which have been vacated since the 2016-17 First Quarter Budget Report. County Counsel is deleting five positions to match staffing levels to the workload needs of the department. Human Resources is requesting a net reduction of one position which reflects a department reorganization which included the addition of five positions offset by the deletion of six positions. These changes will optimize operational effectiveness and ensure the best possible support and service for stakeholders.
- **Economic Development Agency** – The Agency is adding four positions including a Staff Analyst II to manage department contracts, leverage funding resources, and provide program administration. Also included is the addition of three Public Service Employees.
- **Fiscal** – The Fiscal Group is increasing budgeted staffing by a total of five positions due to additions within the Auditor-Controller/Treasurer/Tax Collector (4) and the Assessor/Recorder/County Clerk (1). The Auditor-Controller/Treasurer/Tax Collector is requesting to increase staffing to improve overall operations throughout the department including the establishment of the new Property Tax Division. The Assessor/Recorder/County Clerk is requesting to add one position to reflect the mid-year add of a limited term contract position.
- **Law and Justice** – Excluding the previously mentioned increases in the Sheriff's Detentions, District Attorney, and Probation budget units, the Law and Justice Group is adding three positions. This includes two positions within the Sheriff's Operations budget unit to assist with workload issues in the Internal Affairs and Civil Liabilities Divisions. Also reflected is the addition of one position in Law and Justice Administration to assist with the evaluation of County public safety services.
- **Operations and Community Services** – The Operations and Community Services Group is decreasing staffing by a net of eight positions. Departments requesting an increase to budgeted staffing include the Community Services Group (2), Real Estate Services (10, all units), and Land Use Services (1, all units). These increases are offset by minor decreases in the County Museum (1), Public Works Surveyor (2) and Regional Parks (1). Overall the largest change within this group is within the Registrar of Voters which is requesting to decrease staffing by a net of 17 positions. The elimination of 42 limited term positions is offset by the addition of 25 higher level recurrent positions in order to allow the department to better recruit and retain employees with defined skillsets and compensate them properly for the level of work being performed.

Countywide staffing changes are outlined by County department in the following chart:

Note: The above appropriation excludes operating transfers out and reimbursements.

In August 2016, County departments were requested to provide a five-year projection of their capital requirements. The 2017-2022 5-Year Capital Improvement Program Plan was completed in March 2017. That document included information on Major Capital Improvements that are currently in progress, and projects proposed by County departments and Special Districts to commence within the next five years. It is intended to be a tool for management and the Board to prioritize capital needs, develop funding plans, and stay informed about the progress of multi-year projects. Departments request funding for these capital improvement projects as part of the budget process, when they submit a request for funding consideration. Requests can also be submitted mid-year, if necessary, with any required budget adjustments made on quarterly budget reports.

The Real Estate Services Department – Project Management Division (RES-PMD) manages major county projects which include construction and rehabilitation of facilities, and repair projects. The 2017-18 budgets for these projects are summarized in the schedule above. The schedule above does not include Operating Transfers Out or Reimbursements as part of total Requirements. Instead, the schedule represents total budgeted project costs.

RES-PMD projects include \$368.5 million in projects managed through Capital Funds and \$27.9 million in projects managed through Arrowhead Regional Medical Center Enterprise Funds, for a total project budget of \$396.4 million.

The 2017-18 budget includes \$99.7 million in new project funding. This includes \$69.8 million in projects funded with Discretionary General Funding. Discretionary General Funding allocations include the 800MHz Upgrade Project (\$17.9 million), the County Buildings Acquisition and Retrofit Project (\$37.7 million) and the Valley Dispatch Center (\$2.2 million). Additionally \$12.0 million in new project funding is allocated to non-major CIP and maintenance projects. \$2.5 million of this \$12.0 million is allocated to the County Buildings Acquisition and Retrofit Project in 2017-18.

Projects approved in prior years, but not yet completed have carryover balances of \$296.7 million. The major multi-year projects with carryover balances are the 800 MHz Upgrade Project, the County Buildings Acquisition and Retrofit Project, Crisis Residential Treatment Facilities and Crisis Stabilization Units, and the County Fire Relocation/Consolidation (Administration Building).

For a complete listing of capital improvement program highlights for projects administered by the Real Estate Services Department – Project Management Division see the Capital Improvement Program Section of this budget book.

#### Projects Administered by Other County Departments

Transportation and Solid Waste projects are administered by the Department of Public Works. Requirements for these projects are accounted for in special revenue and enterprise funds and budgeted in the respective department(s) budgets. Budgets for both the Transportation and Solid Waste departments are found in the Operations and Community Services section of this budget book. Total projects budgeted in 2017-18 (both new and carryover) for Transportation is \$56.2 million, and for Solid Waste is \$28.4 million. Transportation project types include major rehabilitation and overlay, surface chip and seal, and major infrastructure improvements. Solid Waste Management project types include landfill expansion, liner construction, and entrance road and scale house construction at Heaps Peak.

Also reflected in the Capital Improvement Program are \$1.7 million in Requirements for minor projects which are administered by County Fire with oversight and inspection provided by RES-PMD.

For a complete listing of capital improvement program highlights for projects administered by other county departments see the Capital Improvement Program Section of this budget book, specifically Exhibits B, C, and D.

#### Projects Administered by Flood Control and Special Districts Department

The Flood Control District and the Special Districts Department have independent multi-year capital improvement project plans that are budgeted in special revenue funds, capital projects funds, and enterprise funds and are included in the respective department's budget pages.

Flood Control, found in the Operations and Community Services section of this budget book, has twenty-seven major improvement projects budgeted in 2017-18. Requirements for these projects (both new and carryover) total \$52.0 million and include right-of-way acquisition expenses, consultants for design or geotechnical services, labor, and construction costs.

Special Districts Department capital projects are found in the Special Districts Department section of this budget book, in the Capital Improvement Program pages. In 2017-18, Requirements for these projects (both new and carryover) total \$42.3 million. Requirements include \$9.8 million for the Lake Gregory Dam Rehabilitation project, \$7.7 million for Big Bear Alpine Zoo Relocation Project, \$5.4 million for the Snowdrop Road Project, \$2.0 million for the CSA 70 Cedar Glen Water System Improvement project, and \$5.3 million for water projects for CSA 70 W-4 Pioneertown.

## **DISCRETIONARY GENERAL FUNDING AND RESTRICTED FUNDS**

County General Fund operations of \$3.0 billion are funded with four major types of sources: countywide discretionary revenue, reserve uses, and fund balance (\$814.3 million), Proposition 172 revenue (\$173.4 million) and a use of Proposition 172 fund balance (\$7.0 million), 1991 and 2011 Realignment revenues (\$718.3 million), and departmental revenue (\$1.3 billion).

- Countywide discretionary revenue includes a variety of revenue sources that are not legally designated for a specific purpose or program. The majority of discretionary revenue is property related revenue, primarily property tax. Other revenue sources in this category include: sales and other taxes, net interest earnings, Countywide Cost Allocation Plan (COWCAP) revenue (which is a reimbursement for overhead/indirect costs incurred by the General Fund), property tax administration revenues, other State and federal aid, and other revenue. Additionally, the General Fund's available fund balance, use of reserves and operating transfers in, are other funding sources that may be allocated to General Fund departments in the same manner as countywide discretionary revenue.
- Proposition 172 revenue is a permanent extension of a half-cent Local Public Safety Sales Tax approved by California voters on November 2, 1993. Proceeds of this sales tax must be dedicated to public safety. Proposition 172 revenue is restricted and is used solely for funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments.
- 1991 Realignment revenue provides health and welfare funding. In 1991-92, the State approved the Health and Welfare Realignment Program that involved a shift of program responsibilities from the State to the County. This shift is funded through a corresponding shift of dedicated sales tax and vehicle license fee revenue. Realignment revenue is also restricted and used in funding mental health, social services and health programs within the County.
- 2011 Realignment revenue provides public safety, health, and welfare funding. In 2011-12, the State approved what has become known as AB 109 Public Safety Realignment. As part of this realignment, the State addressed prison over-crowding by shifting custodial responsibility of non-violent, non-sex, and non-sex-against-children ('Triple-Nons') offenders to local jails. In addition, the parole function of the State was delegated to county Probation departments. In conjunction with Public Safety Realignment, the State also shifted full financial burden of many social service and mental health programs. The County was responsible for delivery of these programs before realignment, but with the shift the State would no longer contribute a share of cost. While the State no longer shares in the cost, it has dedicated a portion of the State sales tax (1.0625%) revenue along with a portion of vehicle license fees for these realigned programs.
- Departmental revenue includes fees, service charges, and State and federal support for programs such as welfare, health care, and mental health.

County General Fund operations not funded by departmental revenue, Proposition 172 revenue, and/or Realignment revenue are funded by Net County Cost (or Discretionary General Funding). Net County Cost is funded by countywide discretionary revenue, which is primarily property tax revenue.

Any countywide discretionary revenue not distributed to departments through their Net County Cost allocation, if not transferred to other funds for specific projects/programs, is contributed to contingencies or reserves. Every year the County of San Bernardino has set aside a prudent dollar amount in contingencies and/or reserves for two purposes: 1) to ensure that the County can accommodate unforeseen increases in expenditures or reductions in revenues, or other extraordinary events, which would harm the fiscal health of the County; and 2) to be proactive and set aside funds to meet future known obligations or to build a reserve for large capital projects.

The following sections provide details of:

- The economic indicators that are factored into the County's fiscal plan.
- How economic indicators and other factors affect countywide discretionary revenue.
- How Discretionary General Funding (Net County Cost) has been allocated for the fiscal year.

After a dramatic decline in the median home price due to the mortgage and financial crisis, the median home price was stable at approximately \$150,000 for the 34 month period between September 2009 and June 2012. Since that time, the County's median home price has risen to \$305,000. This compares to a high of \$380,000 in November 2006, during the housing bubble. Although prices are rising, sales are subdued due to a lack of inventory.

Unemployment continues to decline, returning to pre-recession levels at 5.2% as of March 2017, which compares to unemployment rates for the State and the United States of America, which were 5.1% and 4.5%, respectively. During the recession, the loss of jobs in the County led to high levels of unemployment, as shown in the chart below. County unemployment has declined from its peak of 14.8% in July 2010. In 2016, 47,500 jobs were added, and total job gains since 2011 are 249,725, which is 175.64% of the 142,993 jobs lost during the recession. Job growth for 2017 is forecasted at 46,600, which, if achieved, will be consistent with median job growth experienced prior to the recession.

## COUNTYWIDE DISCRETIONARY REVENUE

The entire General Fund budget including operating transfers in is \$3.04 billion, however, only \$0.59 billion (or 19.3%) is truly discretionary as seen in this pie chart.

### 2017-18 Recommended Budget General Fund Spending

#### SPENDING WHERE THERE IS NO DISCRETION. INCLUDES:

2,224,470,588

Welfare costs reimbursed by state and federal monies (\$1,080.2 million)

Other program costs funded by program revenues such as user fees (\$1,144.3 million)

#### REQUIRED HEALTH AND WELFARE MATCHES AND OTHER FIXED OBLIGATIONS:

228,560,426

#### SPENDING WHERE THERE IS DISCRETION. INCLUDES:

585,782,978

Law and justice program costs funded by local revenues (\$364.1 million)

All other program costs funded by local revenues (\$163.8 million)

Reserve Contributions (\$57.6 million)

Contingencies Contributions (\$0.2 million)

**TOTAL: \$3,038,813,992**

Countywide discretionary revenue and other funding sources total \$814,343,404 and is first obligated to pay for required health and welfare matches and other fixed obligations, which total \$228,560,426. The remaining amount of \$585,782,978 is available to fund departmental budgets' Net County Cost or other expenditures.

Shown below are the sources of countywide discretionary revenue and other funding sources of \$814,343,404 for the 2017-18 Recommended Budget:

### Discretionary Revenue by Category 2017-18 Recommended Budget

Other Revenue Includes: Property Tax Admin Revenue, Other State and Federal Aid, and Other Revenue.

Other Funding Includes: Fund Balance, Use of Reserves and Operating Transfers In.

**COUNTYWIDE DISCRETIONARY REVENUE WHICH PAYS FOR NET COUNTY COST**

2017-18 Discretionary General Funding of \$814,343,404 includes Countywide Discretionary Revenue of \$695.0 million and Other Funding Sources of \$119.4 million. In accordance with the County Fund Balance and Reserve Policy, the General Purpose Reserve will be built up with one-time sources until the target of 20% of locally funded appropriation is reached. The 2017-18 Recommended Budget includes a contribution of \$10,679,889 to the General Purpose Reserve (1.5% of locally funded appropriation) and brings the funding level to \$107,804,054, or 15.1% of locally funded appropriation. County policy also requires a minimum of 1.5% of locally funded appropriation be placed in General Fund Mandatory Contingencies, which is \$10,679,889 for 2017-18.

### Countywide Discretionary Revenue

Property Related Revenue accounts for 68.1% of countywide discretionary revenue and other funding sources. These revenues were severely impacted as a result of the mortgage and financial crisis which resulted in substantial decreases in assessed valuation from 2009-10 through 2011-12. However, the median price of a home in the County has risen and the volume of home sales remains relatively stable. Rising home prices are also leading to value being added back to the assessment roll for valuations that had been reduced through Proposition 8 reassessments. Although assessed valuation now exceeds 2008-09 amounts, costs continued to increase over this period.

The 2017-18 Recommended Budget anticipates a 4% increase in the assessed valuation of properties within the County.

#### Elimination of Redevelopment Agencies

A portion of the General Fund's property tax revenue is pass-through of property tax increment belonging to Redevelopment Agencies. Redevelopment Agencies were dissolved as of February 1, 2012, pursuant to ABx1 26. Pursuant to ABx1 26, revenues that would have been directed to the dissolved Redevelopment Agencies will continue to be used to make pass-through payments to other public agencies (i.e., payments that such entities would have received under prior law). In addition, the State projects that the elimination of Redevelopment Agencies will provide additional property tax revenue (residual) for local public agencies, including the County.

#### The Teeter Plan

The Teeter Plan is an alternate property tax distribution procedure authorized by the California Legislature in 1949, and implemented by the County in 1993-94. Generally, the Teeter Plan provides for a property tax distribution procedure by which secured roll taxes are distributed based on the tax levy, rather than on the basis of actual tax collections, for agencies that elect to participate in the Teeter Plan (including the County General Fund). Under the Teeter Plan, the County advances each participant an amount equal to the participant's Teeter Secured Levy (adjusted at year end for corrections to the assessment roll) that remains unpaid at the end of the fiscal year. In return, the County General Fund receives all future delinquent tax payments, penalties and interest. The County bears the risk of loss on the delinquent property taxes but benefits from the penalties and interest associated with these delinquent taxes when they are paid. Under the Teeter Plan, the County is also required to establish a tax loss reserve fund to cover losses that may occur as a result of sales of tax-defaulted properties.

The Teeter Secured Levy includes each participating agency's share of the 1% ad valorem secured levy, plus any ad valorem levy for the debt service of voter-approved general obligation bonds. Not included in the Teeter Secured Levy are supplemental roll revenues, special assessments, utility roll revenues, or property tax pass-through amounts from Redevelopment Agencies within the County (see 'Elimination of Redevelopment Agencies' above).

As a participant in the Teeter Plan, the County General Fund receives its entire share of its Teeter Secured Levy, regardless of delinquencies. The County General Fund also receives all participating agencies share of the penalties and interest associated with the delinquent taxes advanced under the Teeter Plan once they are paid. These interest and penalties, accounted for as interest earnings in Countywide discretionary revenue, are projected to remain consistent with prior year earnings.

The following paragraphs describe the components of property related revenue in detail:

#### **Current Secured, Unsecured, Unitary (includes Property Taxes received as a result of Redevelopment Agency dissolution)**

Secured Property Tax Revenue makes up approximately \$255.5 million of the \$286.1 million in the 2017-18 "Current Secured, Unsecured, Unitary" budgeted revenue number, up from \$245.5 million in the 2016-17 Modified Budget. This reflects a projected increase in assessed valuation of 4%.

#### **VLF/Property Tax Swap**

Historically, approximately three-fourths of Vehicle License Fee (VLF) revenue was allocated to cities and counties as general purpose funding. Beginning in 1998-99, the State reduced the VLF payment required from vehicle owners. However, the State made up the revenue impact of the VLF rate reductions with State general fund revenue (the 'VLF Backfill').

The VLF Backfill was eliminated in the 2004-05 State Budget. In that year, the VLF Backfill to cities and counties was permanently replaced with an equivalent increase in property tax revenues (VLF/Property Tax Swap revenues). This increase was funded by decreases in property tax revenues allocated to schools and community colleges.

For 2004-05, the State established the base amount of the VLF/Property Tax Swap. The base is equal to the amount of VLF backfill that the counties and cities would have received in 2004-05, calculated using actual VLF receipt amounts for 2004-05. For years beginning in 2005-06, the VLF/Property Tax Swap amount is calculated using the prior year VLF/Property Tax Swap amount adjusted by the percent change in assessed valuation. This percent change includes both secured and unsecured assessed valuation, but excludes the change in unitary valuations. The 2017-18 budgeted amount reflects the projected increase in assessed valuation of 4% as compared to the 2016-17 Modified Budget.

**Supplemental Property Tax**

Supplemental Property Tax payments are required from property owners when there is a change in the assessed valuation of their property after the property tax bill for that year has been issued. Generally, there are two types of events that will require a supplemental property tax payment: a change in ownership or the completion of new construction. As a result, when property values have been increasing and sales activity is high, there will be an increase in the number and dollar amount of supplemental property tax bills, which will result in increased supplemental property tax revenue to the County. Conversely, when home values are decreasing, refunds may be due to homeowners, and supplemental property tax revenues will decrease. Because the collection of these revenues may not occur for one to two years after the sale of the property, supplemental property tax revenue will generally lag the reality in the housing market by at least a year.

As shown in the chart above, supplemental property tax revenues were extremely high from 2004-05 through 2008-09, at the peak of the housing boom, but have returned to normal levels. The County projects the ongoing portion of these revenues to be \$5.0 million in 2017-18.

### Property Transfer Tax

The Property Transfer Tax is collected when any lands, tenements, or other realty sold within the County is granted, assigned, transferred, or otherwise conveyed to or vested in the purchaser. The tax is imposed when the value of the property exceeds \$100. The tax rate is \$0.55 for each \$500 of property value. For sales in the unincorporated areas of the County, the County receives 100% of the tax. For sales in cities, the County receives 50% of the tax. The County anticipates that property transfer tax will total \$8.0 million in 2017-18, consistent compared to 2016-17 Modified Budget revenue. The following chart presents the most recent fifteen year trend of property transfer tax revenue.

### Sales and Use Tax

Countywide discretionary revenue includes 1.0% of taxable sales charged on purchases made in the unincorporated areas of the County. When preparing the annual budget, the County projects future sales tax revenue based on data provided by a local economist and the County's sales tax consultant. For 2017-18, Sales and Use Tax revenue is anticipated to increase by 3.5% over the prior year budgeted amount.

2017-18 ongoing sales tax revenue in the unincorporated area is projected to total \$25.6 million. However, the County has budgeted only \$23.5 million for 2017-18. The sales tax revenue projection of \$23.5 million excludes the portion of the County ongoing sales tax revenue remitted to the City of Redlands under the sales tax sharing agreement explained below:

**Sales Tax Sharing Agreement with the City of Redlands:** In August of 2003, the County entered into a sales tax sharing agreement with the City of Redlands. Under the terms of this agreement, the City of Redlands provides certain government services to an unincorporated area of the County, and in return the County pays the City a percentage of the sales tax revenue generated in that geographical area. This geographical area has numerous retail establishments and generates a considerable amount of sales tax revenue. Under the terms of

the sales tax sharing agreement, the County currently pays the City of Redlands 90% of the County discretionary sales tax revenue generated in this area.

**Sales Tax Risk – Potential Annexations and Incorporations:** A portion of the County's discretionary sales tax revenue is generated in the unincorporated portion of the spheres of influence of the 24 cities that are within the County's boundaries. A sphere of influence is a 'planning boundary' within which a city or district is expected to grow over time. Therefore, the areas within these spheres are likely to be annexed, and once annexed, the discretionary sales tax revenue generated in that area will go to the city instead of the County. The County would also lose sales tax revenue if a community in the unincorporated area of the County decided to create a new city (incorporate).

Not included in budgeted sales and use tax revenue is \$3.5 million of one-time use tax revenue estimated to be generated from major construction projects in the unincorporated areas of the County. This revenue would normally be distributed to the County, and cities within the County, based on their percent share of countywide sales tax revenue. However, due to the efforts of the Economic Development Department working with companies doing this construction, 100% of this revenue will be allocated to the County. Because this revenue is one-time in nature, it is budgeted as Operating Transfers In (one-time) instead of sales and use tax revenue.

### **Net Interest Earnings**

Net interest earnings for 2017-18 are projected at \$24.1 million and anticipated to remain flat when compared to the 2016-17 Modified Budget amount as there are no material changes projected to penalties and interest earned from the Teeter program. For more information see the section titled 'The Teeter Plan' found earlier in this section.

### **COWCAP (Countywide Cost Allocation Plan) Revenue**

The budgeted COWCAP Revenue reflects the recovered allowable costs included in the 2017-18 Countywide Cost Allocation Plan (COWCAP) published by the Auditor-Controller/Treasurer/Tax Collector. COWCAP revenue is reimbursement for overhead/indirect costs incurred by the General Fund. Reimbursements are received from various State and federal grant programs (that permit such reimbursement) and General Fund departments and taxing entities such as the County Library and Board-governed Special Districts. The County anticipates COWCAP revenue to increase by \$6.7 million when compared to the 2016-17 Modified Budget based on information provided by the Auditor-Controller/Treasurer/Tax Collector.

### **Property Tax Administration Revenue**

Property tax administration revenue consists of:

- SB 813 cost reimbursement, which represents allowable charges for administration and operation of the supplemental property tax program. This reimbursement is tied directly to the performance of supplemental property tax revenue.
- The property tax administrative fee, which is allowed by the legislature, recovers a portion of the County's cost of the property assessment and tax collection process from certain other local jurisdictions that receive property tax revenue. This revenue is tied directly to the cost of that collection effort. School Districts are not required to pay their share of this fee, so not all County costs are recovered.

The 2017-18 Recommended budget anticipates revenue to increase by 4% as compared to the 2016-17 Modified Budget reflecting a slight anticipated increase in the County's cost to provide property tax assessment and collection services.

### **Recording Fee Revenue**

The Recorder's Division of the County's Assessor/Recorder/County Clerk's Office collects certain fees for the official recording of documents. In the 2016-17 Quarter 1 budget adjustments, Recording Fees were transferred to the County's Assessor/Recorder/County Clerk's Office.

**State and Federal Aid**

State and federal aid consists of a payment from the welfare realignment restricted fund, which replaced the State revenue stabilization program, SB90 reimbursements from the State, and excess Vehicle License Fee (VLF) revenue. It also includes revenues received from the federal government's Payment in Lieu of Taxes (PILT) program. PILT is federal payment to local governments to help offset losses in property taxes due to the existence of non-taxable federal land within their boundaries. It is anticipated that this revenue will remain flat as compared to the 2016-17 Modified budget as there are no changes anticipated to the related programs in 2017-18.

**Other Revenue**

Other revenue includes voided warrants issued by the County, projected transfers of unclaimed property tax refunds to the General Fund, the County's share of vehicle code violation revenue, and other miscellaneous revenues.

**Other Funding Sources****Fund Balance**

The 2016-17 estimated year-end fund balance for the General Fund is \$37.2 million. This reflects fund balance that is available for appropriation. Anticipated fund balance is a result of unspent General Fund contingencies, departmental cost savings and revenue in excess of budget.

**Use of Reserves**

The County has set aside specific purpose reserves and the recommended budget anticipates the allocation of specific purpose reserves for use on projects. The \$61.7 million use of General Fund Reserves is primarily to fund capital projects, Transportation projects, and other one-time needs in 2017-18.

**Operating Transfers In**

Operating Transfers In includes \$17.0 million of ongoing tobacco settlement funds which primarily fund a portion of the annual debt service (\$10.7 million) on the Arrowhead Regional Medical Center and ongoing funding for Public Health. One-time Operating Transfers In include \$3.5 million of estimated one-time sales tax revenue discussed in the section titled 'Sales and Use Tax'.

Countywide discretionary revenue is allocated as Net County Cost to various General Fund departments within the County. The pie chart below shows what percentage of the Net County Cost is allocated to each of the groups.

Percentages may not add to 100% due to rounding.

The schedule on the following page shows a comparison of 2016-17 modified Net County Cost and 2017-18 recommended Net County Cost by department. This schedule also includes requirements and sources, including operating transfers, which are mechanisms to move funding between the various county budget units. Operating transfers are presented in the following chart because the intended purpose is to provide a complete picture of the departments' requirements and sources.

NOTE: Total countywide allocated costs on this schedule includes appropriation for the Non Departmental budget unit. This appropriation is offset in the countywide discretionary revenue schedule on the net interest earnings line.

**REQUIREMENTS****NON-DEPARTMENTAL BUDGET UNIT**

The non-departmental budget unit includes discretionary revenue of the General Fund that is detailed in the table titled 'Countywide Discretionary Revenue Which Pays for Net County Cost' found earlier in this section of the budget book.

	<b>2016-17 Adopted Budget</b>	<b>2016-17 Modified Budget</b>	<b>2016-17 Estimate</b>	<b>2017-18 Adopted Budget</b>
Services & Supplies	1,000,000	1,500,000	1,028,316	1,000,000
Other Charges	6,500,000	6,000,000	432,062	6,500,000
<b>Total Expenditure Authority</b>	<b>7,500,000</b>	<b>7,500,000</b>	<b>1,460,378</b>	<b>7,500,000</b>

Non-departmental expenditure authority pays for Countywide expenditures not allocable to a specific department, interest expense on the County's annual Tax and Revenue Anticipation Notes, and unanticipated costs such as settlements. The amount budgeted has not decreased to reflect actual cost experience. This is to ensure that payments can be made when needed without having to request additional spending authority. Settlement payments can have required payment dates without sufficient lead time to obtain approval for budget adjustments. The net interest earnings revenue reported in the table titled 'Countywide Discretionary Revenue Which Pay for Net County Cost' is reduced by these expenditures.

In addition to expenditures, this budget unit also includes operating transfers out which are transfers of cash to fund programs accounted for outside of the General Fund.

## **CONTINGENCIES**

The County Contingencies include the following elements:

### **Contingencies**

#### **Mandatory Contingencies**

Board Policy requires the County to maintain an appropriated contingency fund to accommodate unanticipated operational changes, legislative impacts or other economic events affecting the County's operations, which could not have reasonably been anticipated at the time the budget was prepared. Funding is targeted at 1.5% of locally funded appropriation.

#### **Uncertainties Contingencies**

Any unallocated funding available from current year sources (both ongoing and one-time) that has not been set-aside or contributed to reserves is budgeted in the contingencies for uncertainties.

### **Ongoing Set-Aside Contingencies**

The County budget process differentiates between ongoing and one-time revenue sources. Ongoing set-asides represent ongoing sources of funding that have been targeted for future ongoing program needs. There are no ongoing set-aside contingencies.

### **2016-17 Changes to Uncertainties Contingencies**

In 2016-17, there was a net use of \$65,900,500. The major adjustments are as follows:

- A use of \$3,634,620 for various Sheriff/Coroner/Public Administrator Capital Improvement Program projects.
- A use of \$119,000 for County Counsel staff that will be funded with fee revenue in subsequent years.
- A use of \$85,000 for the Department of Economic Development to support the Dec 2<sup>nd</sup> Memorial and Brookings Study.
- A use of \$686,594 for Public Health to contract for temporary staffing for Environmental Health.
- A use of \$89,632 to County Museum to support the Victor Valley Museum Coordinator
- A use of \$176,000 for Land Use Services for the Cucamonga Canyon and Lytle Creek Forest Management Plans, and legal fees.
- A use of \$15,773,600 for various County-wide Capital Improvement Program projects.
- A use of \$44,417,390 to fund increases to or establish the following reserves:
  - Cal Fresh Waiver Discontinuance in the amount of \$302,000
  - Big Bear Alpine Zoo in the amount of \$1.7 million
  - December 2<sup>nd</sup> Workers Compensation Claims in the amount of \$100,000

- Valley Dispatch in the amount of \$27,105,784
- Permit System Upgrade in the amount of \$618,953
- Litigation Expenses in the amount of \$14.0 million
- Strategic Initiatives in the amount of \$590,653

#### 2017-18 Mandatory Contingencies

The base allocation to the mandatory contingencies is \$10,679,889, the amount required pursuant to Board policy, based on projected locally funded appropriation of \$712.0 million.

#### 2017-18 Uncertainties Contingencies

All available General Fund sources not appropriated in the Recommended Budget or contributed to General Fund Reserves are reflected in the recommended Uncertain Contingencies of \$182,000.

### **RESERVES**

The Board of Supervisors has established a number of reserves over the years. The majority are for specific purposes, such as to meet future known obligations or to build a reserve for capital projects. The General Purpose reserve is funds held to protect the County from unforeseen increases in expenditures or reductions in revenues, or other extraordinary events, which would harm the fiscal health of the County. On January 6, 1998, the Board of Supervisors adopted a County policy to provide guidelines and goals for reserve levels. The current policy calls for the County General Purpose Reserve target to be 20% of locally funded appropriation. The Board of Supervisors also established specific purpose reserves to set aside funds to meet future needs.

#### 2017-18 Recommended Contributions and Uses

The Fund Balance and Reserve Policy calls for a General Purpose Reserve targeted at 20% of locally funded appropriation, up from the previous target of 10%. The 2017-18 recommended contribution to the General Purpose Reserve brings the balance in the General Purpose Reserve to 15.1% of locally funded appropriation. The Fund Balance and Reserve Policy calls for continued annual contributions of one-time sources to the reserve until the 20% target is achieved. The 2017-18 contributions to Specific Purpose reserves include amounts set-aside to fund Capital Improvement Projects, Transportation Projects, the Earned Leave Reserve contribution, and many other important projects and future potential costs as show in the following tables.

**PROPOSITION 172**

Proposition 172 (Prop 172), which became effective January 1, 1994, placed a one-half percent sales tax rate in the State's Constitution and required that revenue from the additional one-half percent sales tax be used only for local public safety activities, which include but are not limited to sheriff, police, fire protection, county district attorney, and county corrections. Funding from Prop 172 enabled counties and cities to substantially offset the public safety impacts of property tax losses resulting from the State property tax shift to the Educational Revenue Augmentation Fund (ERAF).

The one-half percent sales tax imposed by Prop 172 is collected by the state and apportioned to each county based on its proportionate share of statewide taxable sales. In accordance with Government Code 30055, of the total Prop 172 revenue allocated to San Bernardino County, 5% is distributed to cities affected by the property tax shift and 95% remains within the County. The following chart reflects the annual amount of Prop 172 revenues received by San Bernardino County, excluding the cities' distributions, for the past 15 years.

On August 22, 1995, the County Board of Supervisors approved the recommendation that defined the following departments as the public safety services designated to receive the County's 95% share of Prop 172 revenue, consistent with Government Code Section 30052, and authorized the Auditor-Controller/Treasurer/Tax Collector to deposit the County's portion of the Prop 172 revenue as follows:

➤	Sheriff/Coroner/Public Administrator	70.0%
➤	District Attorney	17.5%
➤	Probation	12.5%

Prop 172 revenue currently represents a significant funding source for the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. Each year, as part of the budget development process, Prop 172 projections are developed based on staff analysis of revenue trends and forecasts provided by an outside economist.

On February 13, 2007, the Board of Supervisors approved a policy which requires the County to maintain an appropriation for contingency for Prop 172 funds targeted at no less than 10% of the current year's budgeted Prop 172 revenues. This 10% contingency was created to ensure funding for these public safety departments should the County experience Prop 172 revenue shortfalls in the future. These contingencies are maintained for each respective department within the Prop 172 restricted general fund.

The chart below illustrates the estimated beginning and ending fund balances of the Prop 172 restricted general fund, budgeted revenue and departmental usage, the required 10% contingency target, and the amount above that target.

	Estimated Beginning Fund Balance	2017-18 Budgeted Revenue (1)	2017-18 Budgeted Usage	Estimated Ending Fund Balance	10% Contingency	Amount Above Required Contingency

(1) Includes \$300,000 in estimated interest revenue

The 2017-18 budgeted usage includes a use of Prop 172 fund balance for the following purposes:

- \$6.0 million allocation to the Sheriff/Coroner/Public Administrator for the purchase of one replacement patrol helicopter.
- \$1.0 million allocation to the District Attorney for Phase 2 of the Electronic Court Filing Project.

## **REALIGNMENT FUNDS**

Beginning in 1991, the State of California (State) shifted the fiscal and programmatic responsibility of several health and social services programs from the State to counties. In 2011 the State shifted more social services and mental health programs to the counties along with law enforcement services. Separate budget units were established to account for the realigned program funding for the following service areas:

1991 Realignment  
Mental Health  
Social Services  
Health

2011 Realignment  
Law Enforcement Services  
Support Services

Other Realignment  
CalWORKs MOE  
Family Support

These Realignment budget units receive funds through a portion of sales tax and vehicle license fees. The budget units do not directly spend funds or provide services, but rather transfer funds to the operating budget units of the departments that incur the actual expenditures related to the realigned programs. The breakdown of the revenue received and departmental usage for each of the individual Realignment budget units is included in this section.

With the realignment of many state services, counties have become increasingly dependent on sales tax and vehicle license fee revenue for these realigned programs. County Realignment sources are vulnerable to the business cycle, as funding will rise and fall in direct correlation to the State's economy. When the economy is doing well, the demand for public services goes down, but when the economy begins to retract, the demand for those services rises while revenues decrease, making the County more vulnerable to market fluctuations. Therefore the County maintains reserves in the 1991 Realignment funds and will establish reserves for certain 2011 Realignment funds to address sales tax volatility.

### 1991 Realignment

In 1991, the State shifted responsibility for a number of mental health, social services, and health programs to counties. This shift, known as 1991 Realignment, resulted in the creation of two dedicated funding streams to pay for the shifted services: a one-half cent Sales Tax and 24.33% of Vehicle License Fee (VLF) revenues made available by a change in the depreciation schedule for vehicles. Pursuant to SB 1096, Chapter 21, Statutes of 2004, the Vehicle License Fee was reduced from 2.0% of the market value of a vehicle to 0.65% of the market value. SB 1096 also changed the percentage of the VLF revenue allocated to Realignment from 24.33% to 74.9%. This change did not result in increased VLF revenues to 1991 Realignment, but simply reflects the same funding amount expressed as a percentage of the reduced revenue collected. Each of the three service areas identified was required to have their own separate accounts established and each of those service areas receive a different share of statewide 1991 Realignment revenue.

The County is responsible for the following mental health programs: community-based mental health programs, State Hospital services for County patients, and Institutions for Mental Disease; the following social services programs: the County revenue stabilization program and the County justice subvention program; and the following health programs: AB8 County health services, local health services, medically indigent services, and the County medical services program.

In addition to these program responsibility shifts, a number of programs had changes made to their cost sharing ratios. For example, prior to 1991 Realignment, Foster Care non-federal reimbursable costs were funded by 95% State resources and 5% County resources. As a realigned program, Foster Care is funded with 40% State resources and 60% County resources, significantly impacting County resources.

The 1991 Realignment legislation allows for some flexibility in usage of funds at the County level. Upon approval by the Board of Supervisors, a county can transfer 10% of a given year's revenue from one fund to another. San Bernardino County has used this provision in the past to help support either the health or social services programs; however, the County has not made a 10% transfer in several years and is not budgeting one for this fiscal year.

The 1991 Realignment program has some flaws in its design that adversely impact San Bernardino County revenues. First, San Bernardino County is an “under-equity county,” meaning that the County receives a lesser share of revenue relative to other counties based on population and estimated poverty population. Revenue distributions among counties were determined by expenditures in the programs that were transferred just prior to the adoption of Realignment. San Bernardino County was under-equity in those programs. 1991 Realignment did attempt to address the inequity issue, but the effort fell short. The County continues to be under-equity at this time and barring any legislative action the amount of inequity will increase over time. As growth occurs in the revenue streams, incremental new funding is distributed on existing sharing arrangements between the counties. The counties that are already over-equity get a higher percentage of the new revenue while those that are under-equity get less.

### 2011 Realignment

The State addressed prison overcrowding by shifting custodial responsibility of non-violent, non-sex, and non-sex-against-children (‘Triple-Nons’) offenders to local jails in 2011, through Public Safety Realignment (AB 109). In addition, the parole function of the State was delegated to county Probation departments; parole revocation hearings were shifted to the local jurisdictions and cases were assigned to the District Attorney and Public Defender. The State also realigned Juvenile Reentry and Trial Court Security by placing 100% of the financial burden of those programs on the County. The justification for the ‘Public Safety Realignment’ is that it gives the County flexibility to better provide mental health and social services to the recently incarcerated in the hopes of reducing recidivism and having the net effect of lowering both jail and prison population.

In conjunction with AB 109, the State also shifted full financial burden of many social service and mental health programs to the County, including: Adult Protective Services, Foster Care, Child Welfare Services, Child Abuse Prevention and Intervention, Drug Court, and Medi-Cal substance abuse treatment programs. The County was responsible for delivery of these programs before realignment, but with the shift, the State no longer participates in the share of cost. While the State no longer shares in the cost, it has dedicated a portion of the State sales tax (1.0625%) revenue, along with a portion of vehicle license fees for these realigned programs. The County continues to receive federal funding in all of these programs at different levels depending on the program.

In November 2012, the California voters passed Proposition 30 which increased both Sales and Income Tax. The measure also dedicated a funding stream for 2011 Realignment in the State Constitution. That process has mitigated the revenue stream doubts that existed with the onset of 2011 Realignment, but funding will now be directly dependent on the health of the economy.

The two service areas of 2011 Realignment, Law Enforcement Services and Support Services, have each been assigned their own budget unit. The Law Enforcement Services budget unit has four subaccounts: Trial Court Security (administered by the Sheriff/Coroner/Public Administrator’s department); District Attorney/Public Defender (which share the funds equally); Juvenile Justice (administered by Probation); and Community Corrections. The Community Corrections subaccount is administered by the Local Community Corrections Partnership which consists of a membership defined by Penal Code Section 1230 (including the Chief Probation Officer, the Sheriff/Coroner/Public Administrator, the District Attorney, the Public Defender, and Social Services Executives). As established by State law, the County’s Local Community Corrections Partnership (CCP) has authority over the allocation of revenue from the Community Corrections subaccount. Historically, additional subaccount revenue has been used to cover the cost of new Public Safety Realignment programs. The CCP has also allocated additional estimated revenue from the subaccount to fund existing Public Safety Realignment program inflationary costs (e.g., retirement increases, negotiated employee cost increases).

The Support Services budget unit has two subaccounts: Behavioral Health and Protective Services. The Department of Behavioral Health allocates the subaccount funding to Specialty Mental Health, Drug Court, and the Drug Medi-Cal substance use disorder treatment programs while Human Services allocates the Protective Services subaccount to the appropriate social service programs. The 2011 Realignment legislation allows counties to allocate up to 10% between the Behavioral Health and Protective Services subaccounts. The 10% is based on the amount deposited in the previous year in the subaccount with the lowest balance. The County is not budgeting a transfer between subaccounts in this fiscal year. In the event that such transfer is needed, Board

of Supervisors approval is required. The Board of Supervisors also has the discretion to establish a Support Services Reserve Subaccount of up to five-percent (5%) from each subaccount's previous year's deposits.

#### Other Realignment

The State redirected funding from 1991 Realignment for Mental Health Services to the CalWORKs MOE portion related to 2011 Realignment. Sales tax and vehicle license fee revenue that previously was directed to the fund for Mental Health matching funds is now going to the CalWORKs MOE fund. The CalWORKs MOE budget unit provides funding to pay benefits to CalWORKs clients. The Mental Health funding now comes in the form of a defined monthly amount taken off the top of 2011 Realignment revenues. California Government Code establishes a statewide amount of \$1.121 billion per year directed to the Mental Health Fund with future growth in the CalWORKs MOE fund to be directed to Mental Health as well.

Assembly Bill 85 (AB85) was signed into law on June 27, 2013, in order to provide a mechanism for the State of California to redirect a portion of 1991 Realignment for Health Services to fund social service programs. This shift is due to the idea that less health realignment is necessary as a result of the implementation of the Affordable Care Act. Per California Welfare and Institutions Code 176500.10(a)(5) and AB85 legislation the establishment of a new Family Support subaccount was required at the local level. This funding replaces State General Fund to fund the non-federal share of CalWORKs benefits.

**Budgetary Note:** Growth and ongoing revenues are reflected in the period the revenue is received and is consistent with other County budget reporting. Prior year growth revenue received is shown separately from regular revenues received in the budget unit. The financial information presented in the Realignment budget sections is not consistent with State reporting requirements for the 1991 Realignment funds as a result of delays by the State in distributing sales tax growth revenue.

Revenues are projected to exceed departmental usage in 2016-17 primarily due to a decrease in the number of clients requiring services without benefit of Medi-Cal or other coverage as a result of the implementation of the Affordable Care Act. This will result in an increase in fund balance of \$3.0 million. Fund balance is budgeted to decrease by \$1.0 million in 2017-18 due to additional departmental usage for the expansion of clinic facilities and services to meet client needs.

Prior year growth revenue of \$2.3 million was received in 2016-17, which is available to fund one-time needs. Although prior year growth revenue is also expected to be received in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Departmental usage will continue to be monitored closely to ensure that fund balance is maintained at adequate levels since the Mental Health 1991 Realignment has a fixed allocation.

Departmental usage is projected to exceed revenues in 2016-17, resulting in a \$617,865 decrease in fund balance primarily due to caseload growth in Foster Care. Departmental usage is budgeted to exceed revenues in 2017-18 primarily due to the addition of positions in Children and Family Services to cover increased caseload levels, caseload and Cost Necessities Index (CNI) growth in Foster Care payments, Kinship Guardianship Assistance, and Adoptions Assistance, and a 3.5% increase in the IHSS MOE, resulting in a decrease in fund balance of \$7.2 million.

Social Services has priority claim on any 1991 Realignment sales tax growth received. Prior year growth revenue of \$5,206,635 was received in 2016-17, which is available to fund one-time needs. Although prior year growth revenue is expected in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Departmental usage will continue to be monitored closely to ensure that fund balance is maintained at adequate levels to mitigate potential operational impacts of sales tax fluctuations.

Revenues are projected to exceed departmental usage in 2016-17, resulting in an increase in fund balance of \$14.2 million primarily due to no planned usage by ARMC as a result of the implementation of the Affordable Care Act. Revenues are projected to decrease slightly in 2017-18 as a result of Assembly Bill 85 legislation which redirects health realignment to the State to fund social services programs due to the passage of the Affordable Care Act. Departmental usage is budgeted to exceed revenues in 2017-18 due to the funding of one-time capital expenditures, resulting in a decrease in fund balance of \$7.3 million.

Prior year growth revenue of \$616,180 was received in 2016-17, which is available to fund one-time needs. Although prior year growth revenue is expected to be received in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Revenues are projected to exceed departmental usage in 2016-17, resulting in an increase in fund balance of \$4.8 million due to prior year growth revenue received that has not yet been allocated to departments. Departmental usage is budgeted to exceed revenues in 2017-18 due to the funding of various one-time needs, resulting in a decrease in fund balance of \$7.8 million.

Prior year growth revenue of \$6.0 million was received in 2016-17, which is available to fund one-time needs. Although prior year growth revenue is expected to be received in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Departmental usage will continue to be monitored closely to ensure that fund balance is at adequate levels. Fund balance will be used for one-time needs and to establish reserves for sales tax volatility.

Departmental usage of 2011 Realignment funding for Law Enforcement Services is detailed in the table and chart on the following page.

Departmental usage is projected to exceed revenues in 2016-17, primarily due to the addition of positions in Children and Family Services to cover increased caseload levels, caseload and Cost Necessities Index (CNI) growth in Foster Care payments, Kinship Guardianship Assistance, and Adoptions Assistance. This will result in a decrease in fund balance of \$906,972. Fund balance is budgeted to decrease by \$13.2 million in 2017-18 due to planned additional departmental usage for the expansion of child welfare services programs to meet client needs and growth in mandated subsistence programs supported with this funding source.

Prior year growth revenue of \$9.9 million was received in 2016-17 which is available to fund one-time needs. Although prior year growth revenue is expected to be received in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds. Departmental usage will continue to be monitored closely to ensure that fund balance is at adequate levels. Fund balance will be used to establish reserves for Protective Services.

Funding for the CalWORKs MOE comes from both Sales Tax and Vehicle License Fee revenues. These revenues originally funded Mental Health programs but, as part of 2011 Realignment, the funds were redirected to CalWORKs. Departmental usage exceeded revenues in 2015-16, resulting in a decrease in fund balance of \$4.5 million, primarily due to the slowing of sales tax collections. Revenues are projected to exceed departmental usage in 2016-17 primarily due to caseload decline in the CalWORKs program. This will result in an increase in fund balance of \$8.9 million. Fund balance is budgeted to increase by \$10.9 million in 2017-18 due to an ongoing decline in caseload and timing of the State reconciliation process. The department anticipates returning the fund balance to the State at a later date based on actual expenditures.

This budget unit was established in 2013-14 per California Welfare and Institutions Code 17600.10(a)(5). Funding for Family Support comes from counties' indigent health care savings that are redirected from counties' Health 1991 Realignment Subaccount and moved to the new Family Support subaccount at the State level. Funds are allocated to counties from the Family Support subaccount in lieu of State general fund for CalWORKs assistance payments. The distribution of funds is based on counties' CalWORKs general fund expenditures. Departmental usage is expected to exceed revenues in 2016-17 due to the State methodology in place to return prior year revenue to reflect actual usage. This will result in a decrease in fund balance of \$4.8 million. The department anticipates returning the fund balance to the State at a later date. Prior year growth revenue of \$7.1 million was received in 2016-17, which is available to fund one-time needs. Although prior year growth revenue is expected to be received in 2017-18, it has not been included in the budget at this time due to the uncertainty of the amount and the timing of the actual receipt of the funds.

## **AUTOMATED SYSTEMS DEVELOPMENT**

The Automated Systems Development budget unit is a restricted General Fund that was established in 2011-12 to fund the development, upgrade, and/or replacement of the County's Financial Accounting System (FAS), a core information technology system; and for other future developments.

The new FAS project is a countywide collaborative effort to replace the existing financial accounting system that was implemented over 20 years ago and does not provide either the efficiencies or information for managing County functions that modern systems provide. In 2011-12, the Board of Supervisors approved a \$12.0 million allocation of Discretionary General Funding to fund this project. In 2013-14, the Board approved an additional \$13.0 million for this project, which was added as a General Fund Reserve (New Financial Accounting System Reserve).

A Request for information was released in July 2011 and the resulting information was utilized to prepare a scope of services. In 2012-13, the County contracted with the Government Finance Officers Association, which has a history of successful government accounting information system installations, to oversee the Request for Proposal process for the County. In 2013-14, the County released the Request for Proposal. In April 2016, the Board of Supervisors approved contracts with SAP Public Services, Inc. (SAP) for financial software licensing, maintenance and support, and Labyrinth Solutions, Inc. for SAP Enterprise Financial Management System implementation consulting services. Implementation of the new system commenced in May 2016. Wave 1, consisting of the Financial Accounting modules, is anticipated to go live by Fall 2017. Subsequent waves 2 and 3 include Budget Preparation, Accounts Receivable, Strategic Procurement, Supplier Management, Fixed Assets and Inventory Management.

## **COUNTY OF SAN BERNARDINO**

The County of San Bernardino's 2017-18 Recommended Budget covers the period from July 1, 2017 – June 30, 2018. The 2017-18 Recommended Budget represents a consolidation of all County entities which includes \$5.8 billion in budgeted Requirements and Sources as well as 22,828 in budgeted staffing. The budget consists of several funds including the general fund, restricted funds, capital project funds, special revenue funds, internal service funds, enterprise funds and permanent funds. Each department is responsible for operating within their budget and has the authority to spend up to the approved budget.

When developing their individual budgets, each department considers the Countywide Vision and goals and objectives of the County of San Bernardino approved by the Board of Supervisors (Board):

### **Countywide Vision**

In 2010, the Board set out to establish a Countywide Vision for the future of the county as a whole, seeking input from the community through an online survey, town hall meetings and more than two dozen industry-specific focus groups. The County partnered with the San Bernardino Associated Governments (now known as the San Bernardino County Transportation Authority) representing the county's 24 cities and towns on this effort that culminated in development of the Countywide Vision Statement and report, which were endorsed and adopted by the Board on June 30, 2011.

*We envision a complete county that capitalizes on the diversity of its people, its geography, and its economy to create a broad range of choices for its residents in how they live, work, and play.*

*We envision a vibrant economy with a skilled workforce that attracts employers who seize the opportunities presented by the county's unique advantages and provide the jobs that create countywide prosperity.*

*We envision a sustainable system of high-quality education, community health, public safety, housing, retail, recreation, arts and culture, and infrastructure, in which development complements our natural resources and environment.*

*We envision a model community which is governed in an open and ethical manner, where great ideas are replicated and brought to scale, and all sectors work collaboratively to reach shared goals.*

*From our valleys, across our mountains, and into our deserts, we envision a county that is a destination for visitors and a home for anyone seeking a sense of community and the best life has to offer.*

The Countywide Vision report and related documents are available for review at [www.sbcounty.gov/vision](http://www.sbcounty.gov/vision).

### **County Paradigm and Job Statement**

Following the adoption of the Countywide Vision, the Board adopted the County paradigm and job statements on April 10, 2012. These statements describe County government's role in achievement of the Vision.

**Our Paradigm:** The County of San Bernardino is a regional government. We understand that every aspect of the quality of life in a community is part of an interrelated system. The County takes responsibility for ensuring that the community has determined how, when and by whom each element of that system is being addressed in pursuit of our shared Vision of the county and the future we desire.

**Our Job:** Our job is to create a county in which those who reside and invest can prosper and achieve well-being.

### County Goals and Objectives

The Board has established goals for the County since 2010. These goals seek to improve County government by providing a unified focus for all departments, clarifying roles and responsibilities, ensuring alignment and proper allocation of fiscal and human resources, and fostering collaboration with other governmental agencies.

The Board approved the following County Goals and Objectives on March 1, 2016.

#### **Implement the Countywide Vision**

- *Continue the County role of convening conversations on community collaboration and collective action.*
- *Continue to promote the Countywide Vision and support the Element Groups.*

#### **Create, Maintain, and Grow Jobs and Economic Value in the County**

- *Focus on training, education, employment and support services for the unemployed and underemployed, developing a more highly-educated and trained workforce.*
- *Continue business retention and expansion programs while implementing office and industrial attraction strategies for companies providing high-paying jobs.*
- *Provide stable governmental leadership, consistent decision-making and efficient processing to inspire confidence in investors and ensure a business-friendly environment.*
- *Compete globally, regionally and locally for businesses and investment.*
- *Utilize County programs and resources to support the local economy, maximize job creation and promote tourism.*

#### **Improve County Government Operations**

- *Maintain clear lines of authority and clarity in terms of roles, responsibilities and governance of all County departments and programs.*
- *Develop an approach to evaluate the performance of department heads who report to the Board.*
- *Continue to develop and maintain consistent messaging for the organization.*
- *Ensure that employees know that they and their work are valued.*
- *Monitor and evaluate operations and implement strategies to continually improve efficiency, effectiveness, and collaboration.*

#### **Operate in a Fiscally-Responsible and Business-Like Manner**

- *Develop a long-term budget plan which brings County operations into both fiscal and programmatic balance, including full funding of reserves for infrastructure and operating system maintenance and replacement.*
- *Invest County resources in ways which create more ongoing revenue to reinvest in maintaining and improving services.*
- *Eliminate silos and consolidate and centralize administrative functions, including financial management and oversight.*
- *Implement information management best-practices that will fully utilize available technology, unify platforms and move toward a standardized enterprise approach.*

#### **Ensure Development of a Well-Planned, Balanced, and Sustainable County**

- *Ensure that the County's approach to development recognizes the diverse character of County unincorporated areas.*
- *Work collaboratively with cities on zoning and development standards in their spheres of influence.*
- *Prioritize investments in services and amenities for County unincorporated communities.*

#### **Provide for the Safety, Health, and Social Service Needs of County Residents**

- *Partner with County and non-County agencies and maximize the use of Federal and State programs and funding to address the public health, safety and social service needs of County residents and move participants to self-sufficiency.*

- *Support efforts to improve the capacity of non-profit organizations to help address the needs of County residents.*
- *Develop a clinically integrated network of County departments and other health providers to support a comprehensive approach to population health management for County residents.*

**Pursue County Goals and Objectives by Working with Other Agencies**

- *Work with Federal, State and regional governments and organizations, to ensure San Bernardino County receives its fair share of resources.*
- *Collaborate with other agencies to help shape legislation and regulations which affect the County.*
- *Maintain close working relationships with cities, tribes and other governmental agencies.*

**Focus on Recovery and Resiliency Following the December 2, 2015 Terrorist Attack (SB Strong)**

- *Support County employees affected by the December 2, 2015 terrorist attack.*
- *Develop a memorial honoring County victims and first responders.*
- *Pursue economic investment in the City of San Bernardino and the region.*
- *Document actions taken to support the victims and the County organization and analyze their effectiveness in order to share lessons learned with those preparing for or suffering similar tragedies.*

*In addition to the adoption of annual Goals & Objectives, since 2010 the Board of Supervisors is continuing to focus on maintaining the County's infrastructure and facilities, investing in underlying operating systems and improving service levels while implementing long-term solutions needed to establish a solid financial foundation for the County.*

Performance Measurements

As part of the continuing effort to align resources with operational priorities, each department was asked to review existing performance measurements to ensure alignment with the County Goals and Objectives. These measurements should be realistic, easily quantifiable, and reflect progress on long-term multi-year strategic initiatives or the accomplishment of shorter-term tactical goals, that directly correlate to the identified County objectives and reflect activities within the department's control. Performance measurement progress continues to be reported as part of each quarterly budget report.

Performance measure information in the 2017-18 Recommended Budget book includes departmental strategies to achieve selected County Goals and Objectives, departmental performance measures for 2017-18 to demonstrate if departments are meeting the County Goals and Objectives and prior year accomplishments for performance measures carried over from the prior year. The following chart provides a sample of specific department performance measures for 2017-18:

## **BUDGET PLANNING CALENDAR**

### **ONGOING**

Policy Direction - The Board of Supervisors provides ongoing policy direction to the Chief Executive Officer.

Significant Budgetary or Programmatic Impacts – Significant budgetary or programmatic changes and potential impacts are immediately communicated to the County Administrative Office and the Board of Supervisors to allow for timely decision-making and policy direction.

Year-End Estimates - Departments provide year-end estimates of revenues and expenditures to Finance and Administration on a monthly basis and any significant changes are addressed timely.

Quarterly Budget Reports - The County Administrative Office brings an agenda item to the Board of Supervisors requesting modifications to the adopted budget. Quarterly budget adjustments serve as a management tool to help each department assess the current environment, and anticipate and respond appropriately to that environment. In addition, the quarterly budget adjustments provide the Board of Supervisors with the most current information on County department revenues (sources) and appropriation (requirements) with which to base decisions, and serve as a guideline to lead the County in preparing the upcoming budget.

### **OCTOBER THROUGH FEBRUARY**

Capital Improvement Plan – Departments submit annual capital improvement requests for improvements to land or structures that exceed \$5,000. These requests include a project description and justification, financial impact, and funding source. The requests are evaluated and prioritized by Finance and Administration and provided to the Chief Executive Officer for comments and recommendations, and presented to the Board of Supervisors for final approval. In addition, departmental five-year capital improvement plans are updated to re-evaluate priorities based on changing circumstances, staffing levels, and available funding.

Fee and Internal Service Rate Development – Departments develop their recommended fee changes and internal service rate adjustments for the upcoming budget year and submit them to Finance and Administration for review and recommendation to the Chief Executive Officer, and to the Board of Supervisors for final approval. Departments are required to compute their full cost of service, capturing both direct and indirect costs associated with fees and internal service rates. Departments are able to recommend an alternate fee amount to the Board of Supervisors, if based on their knowledge, implementation of a full cost fee or internal service rate would not be beneficial.

### **JANUARY AND FEBRUARY**

Five-Year Fiscal Forecast – Finance and Administration develops a Five-Year Fiscal Forecast of financial operations for general fund programs, projecting major revenues (sources) and expenditures (requirements), based on current service levels and expected future changes to those programs or service levels. The analysis includes the identification of trends, significant impacts, and recommendations, which are presented to the Chief Executive Officer for recommendation to the Board of Supervisors for final approval.

Budget Prep System – The in-house budget system is updated for changes in the various Memorandums of Understanding between the County and the various employee representation units.

### **MARCH AND APRIL**

Budget Prep System – The system is opened for departmental input in preparation of the budget submittal. Internal training is conducted for all users of the system.

County Fiscal Plan – The five-year County fiscal plan is developed based on revenue projections and estimates of ongoing cost changes to maintain current service levels for the five years. This plan includes the allocation of discretionary general funding (net county cost) and provides estimates of any remaining funding or shortfall.

Preparation of Recommended Budget – Departments develop their respective recommended budgets and submit them to Finance and Administration for review, and to the Chief Executive Officer for recommendation, and to the Board of Supervisors for final approval. General fund departments must budget within their respective net county cost allocations given to them based on the County fiscal plan. Special Revenue Funds, Internal Service Funds, and Enterprise Funds may budget requirements in excess of current year sources which reflects an operational decision to utilize assets that have been carried over from prior periods.

## **APRIL THROUGH JUNE**

Internal Service Rates – The rates charged by departments for services provided to other departments are brought before the Board of Supervisors for approval. In addition to rates for internal service funds, rates for services provided by general fund departments, such as Facilities Management, Human Resources, and Real Estate Services – Project Management Division are also approved.

Fee Hearing – The Board of Supervisors conducts a public hearing on the Recommended Fee changes for the upcoming fiscal year. Approved fee changes are included in the Recommended Budget submittals to the Board of Supervisors.

Fiscal Overview – The Board of Supervisors receives a presentation from the Chief Executive Officer on the County's current and projected financial condition. The presentation includes a preview of the Recommended Budget including proposed budget programs, potential issues and also provides the Board of Supervisors the opportunity to discuss and provide input for development of the County's Recommended Budget.

Submission of Recommended Budget – The Recommended Budget Book is finalized and presented to the Board of Supervisors. The County Administrative Office publishes notices and schedules public hearings to discuss the Recommended Budget.

Budget Hearing and Adoption of Budget – The Board of Supervisors conducts a public hearing on the Recommended Budget. At this time, the Board may modify the Recommended Budget. All Board approved changes are incorporated into the Adopted Budget.

## **JULY THROUGH OCTOBER**

Budget Prep System – Finance and Administration makes final budget changes to the Budget Prep System for items approved by the Board of Supervisors, including final fund balance adjustments.

Preparation of Adopted Budget Book – Finance and Administration updates the Recommended Budget Book to reflect final changes.

#### General Fund Budget Process

The County Administrative Office has the responsibility of developing the County fiscal plan for all General Fund departments. This plan begins with a Five-Year Fiscal Forecast which is detailed in the Discretionary General Funding section of the Executive Summary. This forecast highlights estimated costs and revenue projections for the upcoming fiscal year, as well as the next four fiscal years. The County uses this forecast to build their fiscal plan for the five years beginning 2017-18.

The County fiscal plan also focuses on two restricted general fund funding sources, Proposition 172, and 1991 and 2011 Realignment. **Proposition 172** assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. **1991 Realignment** assists in funding the general fund departments of Human Services, Behavioral Health, and Public Health for mental health, social services, and health programs. **2011 Realignment** assists in funding the general fund departments of Human Services, Sheriff/Coroner/Public Administrator, Probation, District Attorney, Public Defender and Behavioral Health for public safety, health and welfare programs.

For some departments, budgets are also built utilizing revenues generated from fees. On March 28, 2017 the Board of Supervisors held a fee workshop to discuss recommended fee changes and the fee process, and held a fee hearing on April 4, 2017. The fee hearing is designed to take public testimony related to fee changes for the 2017-18 fiscal year. The majority of approved fees become effective July 1, 2017.

#### Other Funds Budget Process

In addition to the general fund, the County of San Bernardino has capital project funds, special revenue funds, enterprise funds and internal service funds. All of these funds are restricted to the revenue sources they receive. Each department having these types of funds is responsible for developing its budget based on the revenue (sources) available to them. These sources include projected revenue to be collected in 2017-18 and any revenue not spent and carried forward from prior years (for example, fund balance for special revenue funds). These budgets will also be discussed during the Budget Hearing. When the Board of Supervisors adopts the recommended budget, they will also approve the necessary fund balance adjustments to special revenue funds to agree to the Auditor-Controller/Treasurer/Tax Collector's actual fund balance.

#### Other Entities Budget Process

In 2014-15, Board Governed Special Districts and Other Agencies (referred to collectively as "entities") were consolidated into the uniform, Countywide budget process. These entities include special revenue funds, capital project funds, internal service funds, enterprise funds and permanent funds. Acting as the appropriate governing body, the Board is presented with and adopts a recommended budget for each respective entity.

The 2017-18 Recommended Budget, including all entities and funds discussed above, is scheduled for hearing and adoption on June 13, 2017.

#### Amending the Adopted Budget

An operating budget is adopted each fiscal year for all Governmental Funds. Expenditures are controlled at the appropriation unit level within budget units for the County. Any increases in appropriation in a budget unit after adoption of the budget will be submitted on a quarterly budget report or separate mid-year Board agenda item placed on the agenda of the Board of Supervisors and a four-fifths vote is necessary for approval.

Transfers of appropriation within the same budget unit may be approved by the County Administrative Office depending upon the appropriation unit, unless noted below:

#### **Transfer of Salaries and Benefits Appropriation:**

- Transfers out require Board of Supervisors approval and should be included in a quarterly budget report.

#### **Transfers of Fixed Asset Appropriation:**

- Transfers in and out among the different fixed asset appropriation units are approved by the County Administrative Office as long as the total fixed asset appropriation does not increase.
- Transfers out of Fixed Asset Appropriation-
  - Transfers out increasing a non-fixed asset appropriation unit within individual Capital Improvement Program (CIP) project budgets are approved by the County Administrative Office as long as the total project budget does not increase.
  - Transfers out increasing a non-fixed asset appropriation unit are required to be included in the quarterly budget reports for Board of Supervisors approval, except within the CIP, as detailed above.
- Transfers in of Fixed Asset Appropriation-
  - Transfers in from a non-fixed asset appropriation unit to fund a unit value less than \$10,000 may be approved by the County Administrative Office.
  - Transfers in from a non-fixed asset appropriation unit to fund a unit value of \$10,000 or more are required to be included in the quarterly budget reports for Board of Supervisors approval.

#### **Transfers impacting Operating Transfers Out Appropriation:**

- Any changes to Operating Transfers Out are required to be included in the quarterly budget reports for Board of Supervisors approval.

## BUDGET BOOK FORMAT

Budget units presented in this book are displayed at a fund/department level. Although some departments incorporate additional organizational levels when developing their budgets, the fund/department level of presentation was selected to provide consistency between all budget units. A sample of the departmental budget format is included in this overview.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$6.3 million make up the majority of the Board of Supervisor's (Board) expenditures within this budget unit. Operating Expenses of \$1.5 million include COWCAP, phone services, office expenses, courier and printing charges, facilities management basic services, and travel related expenses.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$116,071 primarily due to an increase in Staffing Expenses of \$135,411 resulting from negotiated salary increases, which is partially offset by a decrease in Operating Expenses of \$18,728.

For 2017-18, each district will receive an equal allocation of \$1.52 million in Net County Cost, totaling \$7.6 million across all five districts. In addition to this amount, each district will receive a share of augmentation funding based on the Board's augmentation plan which was adopted as part of the 2012-13 Budget Hearing and directed that \$214,257 be allocated among each district budget based on the percentage of unincorporated population. The 2017-18 budget allocates the augmentation funding under the same methodology as in 2016-17 and is as follows:

Formula for Allocation of Staff Augmentation Funds			
Supervisory District	Population (Unincorporated)	% of Total Unincorporated Population	Allocation Amount*
1	95,846	32.8%	70,382
2	59,401	20.4%	43,619
3	73,950	25.3%	54,303
4	13,117	4.5%	9,632
5	49,462	17.0%	36,321
Total	291,776	100%	214,257

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$6.3 million fund 56 budgeted positions of which 5 are regular positions and 51 are limited term positions.

There is a net decrease of 4 budgeted positions in this budget unit. Supervisorial Districts make staffing adjustments to limited term positions through separate board agenda items; however, it is through the annual budget process that these positions are added to or deleted from the budget. This decrease represents the net change resulting from staff added by separate board agenda items throughout 2016-17 and the deletion of positions which have become vacant throughout the year. Limited term positions within this budget unit are deleted upon becoming vacant.

Staffing changes are as follows and include a total of 17 deletions and 13 additions, for a net decrease of 4 budgeted positions:

## Board Discretionary Fund

### DESCRIPTION OF MAJOR SERVICES

Beginning in 1999-00, \$1.0 million was allocated evenly between the five supervisorial districts as board discretionary funding for priority policy needs that may be identified during the fiscal year. In 2005-06, the annual allocation was increased to \$2.0 million, and in 2006-07 it was increased to \$2.5 million. During 2008-09, the annual allocation was increased to \$3.75 million, which was maintained for 2009-10. The annual funding for 2010-11 was decreased to \$2.25 million and was subsequently transferred into the Board of Supervisors (Board) operating budget as part of the County's First Quarter Budget Report, which was approved by the Board on November 2, 2010. In 2011-12, the Board began obligating the remaining balance of funds via the County quarterly budget reports. Once approved, allocations are to be expensed within twelve months and existing allocations not spent within a fiscal year are carried over to the subsequent fiscal year by district.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$0
Total Sources (Incl. Reimb.)	\$0
Net County Cost	\$0
Total Staff	0
Funded by Net County Cost	0%

There is currently no funding included in this budget unit. Per County Policy 05-10 (formerly 02-18) these funds were to be exhausted by December 29, 2016, which is the date that this policy sunset, and any remaining unspent funds were to be returned to the County General Fund.

Since the inception of this budget unit, the Board has identified various community programs in alignment with the County's vision of creating, supporting, and enhancing vibrant communities that emphasize beauty, culture, art, recreation, education, and a sense of history. Through use of these funds, and in conjunction with these community programs, the Board of Supervisors has provided support for several projects that promote the health, safety, well-being, and quality of life for County residents.

## BUDGET CHANGES AND OPERATIONAL IMPACT

These funds were utilized by Supervisorial Districts to support community programs and projects. In accordance with County Policy 05-10 which sunset on December 29, 2016, these funds were allocated at the sole discretion of the Supervisor within his or her own Supervisorial District. On February 7, 2012, the Board adopted an amendment to County Policy 02-18 (now County Policy 05-10) which revised the policy related to the administration of these funds. In addition to new procedures regarding the administration of these funds, a subsequent amendment to the policy adopted by the Board on November 17, 2015, also provided that these funds were to be exhausted by December 29, 2016, and any remaining unspent funds be returned to the County General Fund. In 2016-17, all remaining funds were allocated by the Supervisorial Districts. Requirements are decreasing by \$1.4 million since there is currently no funding included in this budget unit.

## STAFFING CHANGES AND OPERATIONAL IMPACT

## Clerk of the Board

### DESCRIPTION OF MAJOR SERVICES

The Clerk of the Board (COB) provides legislative and administrative support services to the Board of Supervisors (BOS). The COB coordinates, prepares and maintains minutes, ordinances, resolutions, contracts, agreements and other official records and documents related to meetings conducted by the BOS. The COB coordinates the annual filing of financial disclosure documents in accordance with state law and local conflict of interest codes. The County has more than 150 advisory boards, commissions and committees (BCCs) and the COB maintains records and membership information for the County's BCCs. Responsibilities include posting of vacancies, processing of appointments and monitoring of ethics training for more than 1,000 BCC members.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$2,091,661
Total Sources (Incl. Reimb.)	\$163,809
Net County Cost	\$1,927,852
Total Staff	13
Funded by Net County Cost	92%

In accordance with state law, appeals of assessed property valuation are heard and determined by the County's Assessment Appeals Boards (AABs). The COB provides staff support to the AABs, facilitating the filing, hearing and disposition of thousands of appeals annually. The County requires that businesses operating in unincorporated areas obtain and maintain a valid business license. The COB receives, reviews, and processes business license applications and issues licenses for approved businesses. The COB also: receives, posts and files California Environmental Quality Act (CEQA) notices in accordance with State Department of Fish and Game requirements; accepts summonses, complaints, planning appeals, requests for tax refunds and Board correspondence; and responds to hundreds of requests for information and documents from County staff and the public.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

The majority of Requirements consist of Staffing Expenses to support functions of the Board of Supervisors and Assessment Appeals processing. Operating Expenses of \$800,579 include costs related to office expenses, vendor service contracts, application development maintenance and support costs, transfers, and assessment appeals costs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$14,890. This reflects an increase of \$5,686 in Staffing Expenses due to salary and MOU adjustments. Operating Expenses are decreasing by \$20,576 primarily due to a reduction in services and supplies to offset a decrease in revenue. Sources are decreasing by \$55,426 primarily due to an anticipated reduction in the number of Assessment Appeal application submissions and the transfers of Rental Dwelling and Hotel/Motel Licensing to Land Use Services Code Enforcement Division. Net County Cost is increasing by \$40,536 to offset a decrease in Business License and Assessment Appeals revenue in order to maintain source levels.

## County Administrative Office

### DESCRIPTION OF MAJOR SERVICES

The County Administrative Office (CAO) is responsible to the Board of Supervisors (Board) for the general administration and coordination of all County operations and programs. The CAO oversees the operations of all County departments whose department heads are appointed by the Board or Chief Executive Officer, and assists in the coordination of activities of departments headed by elected officials.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$7,037,739
Total Sources (Incl. Reimb.)	\$1,210,080
Net County Cost	\$5,827,659
Total Staff	27
Funded by Net County Cost	83%

The CAO is also responsible for public information and legislative activities, and coordination of County activities with other local government entities, including cities and other counties.

On September 13, 2016, the Board approved personnel actions related to the creation of the Strategic Initiatives Unit and the transfer of the Labor Relations Unit from the Human Resources department. The Labor Relations Unit develops and implements the County's labor relations goals, policies and priorities in an effort to maintain productive and position relations between the County and its employees, and the recognized employee organizations that represent them. The Labor Relations Unit works closely with Finance and Administration, Human Resources, County Counsel, and County departments to support and achieve countywide fiscal, strategic, and operational goals and objectives. The Strategic Initiatives Group manages and oversees centralized fiscal functions for the departments involved in land development services and coordinates administrative, operational, and technological process improvement.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$4.6 million represent the majority of expenditures in this department and fund 27 budgeted positions. Operating Expenses of \$2.4 million include the Fair Political Practices Commission contract, federal and state lobbyist contracts, and consulting contracts. Reimbursements of \$1.2 million fund a portion of Staffing Expenses (\$892,080), primarily for the Labor Relations Unit and the Strategic Initiatives Unit, and Operating Expenses (\$318,000), that are received from other departments for services provided.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$150,800. This is primarily due to a decrease in Operating Expenses of \$201,407 related to reductions in general liability insurance premiums and data processing charges, offset by an increase in Staffing Expenses of \$20,240 related to negotiated salary increases. Reimbursements are decreasing \$37,367 primarily due to the deletion of 1 Executive Secretary III position in 2016-17 that was partially funded by reimbursements from the Human Services budget unit.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$16.6 million represent a majority of the Requirements in this budget unit. Operating expenses of \$2.8 million include professional services, publications, travel/training, computer charges, and facility costs. These expenses are primarily funded through Reimbursements of \$8.8 million from other County departments and Fee/Rate revenue of \$7.2 million received from providing legal services to clients.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$864,707. This is primarily due to increased Staffing Expenses. Sources are increasing by \$925,891 due to increased service to clients.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$16.6 million fund 99 budgeted positions of which 97 are regular positions and 2 are limited term positions. This includes a decrease of 4 regular positions (2 Deputy County Counsel IV, 1 County Counsel Research Attorney II, and 1 County Counsel Paralegal) and 1 limited term position (Executive Secretary II). There will be no operational impact from the deletion of these vacant positions as staffing has been adjusted to align positions with the duties currently being performed.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.6 million fund 20 budgeted positions. The majority of Reimbursements are from Health Administration, County Fire, Special Districts, and Indigent Defense for administrative oversight.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$127,586 primarily due to a decrease in Reimbursements from County Fire that previously supported services provided by an Administrative Analyst III position. Staffing Expenses are increasing primarily due to negotiated salary increases, and Operating Transfers Out are decreasing as a result of the completion of a minor office remodel in 2016-17.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$8.3 million represent lease payments and related fees and administrative costs for the West Valley Detention Center. Administrative costs include fees for Trustee services, auditing and other tax compliance services.

Reimbursements of \$1.1 million represent shares of lease costs from Regional Parks and Preschool Services. These Reimbursements reflect these departments' shares of lease payments that were optionally prepaid with Discretionary General Funding.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$17,306 due to COWCAP charges.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Disaster Recovery Fund

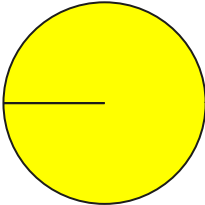

### DESCRIPTION OF MAJOR SERVICES

The Disaster Recovery Fund was established to provide separate accountability for specific administrative and program costs related to the County's disaster recovery efforts, which are reimbursed through state and federal funds. Prior incidents have included the Grand Prix/Old Fires in October 2003, Grass Valley/Slide Fires of October 2007, and winter storms of 1998, 2005, and 2010.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Other Revenue of \$7,530 represents anticipated interest earnings on the cash balance of the fund, which includes amounts due to other agencies.

## BUDGET CHANGES AND OPERATIONAL IMPACT

This budget unit is currently used as a suspense account to track payments by state and federal agencies for reimbursable disaster recovery efforts that are then distributed to County departments.

## ANALYSIS OF FUND BALANCE

Fund Balance in the Disaster Recovery Fund consists of interest that has accrued on advances from the General Fund and reimbursements that are due to County departments for disaster recovery efforts. Fund Balance will be used to help offset any costs disallowed by the Federal Emergency Management Agency after audits of reimbursement claims.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## FLEET MANAGEMENT

### Roger Weaver

#### 2016-17 MAJOR ACCOMPLISHMENTS

- Completed Lena Road paving project to replace deteriorated asphalt, concrete, and storage sheds utilized by both Public Works and Fleet Management departments and to extend the useful life.
- Purchased land for construction of High Desert Service Center in Victorville to enable the department to relocate and replace a current leased facility to a needs-based location with the necessary space to accommodate service growth.
- Completed construction of Barstow Service Center garage to allow for extra bay that will allow additional vehicles to be serviced, and office space.
- Completed implementation of new automated fuel management system that allows automated data capture of fuel transactions and will allow for additional County locations to be added to the system.
- Implemented a Vehicle Maintenance and Light Repair Program in partnership with Inland Career Education Center and the Career Institute by supporting the County objective by developing a more highly-educated and trained workforce.

## Fleet Management

### DESCRIPTION OF MAJOR SERVICES

Fleet Management provides acquisition, maintenance, repair, modification, and disposal services for the majority of County vehicles and equipment. Fleet Management's main garage in San Bernardino includes four shops: automotive, heavy duty, welding/metal fabrication, and generator services, as well as a parts room and fueling station. The department also operates five smaller service centers in outlying locations (Barstow, Hesperia, Needles, Rancho Cucamonga, and 29 Palms) and 60 strategically located fueling sites. Additionally, Fleet Management operates a motor pool, which has ownership and/or maintenance and replacement responsibility for approximately 1,940 vehicles or equipment assigned to or used by County departments. The department also provides Department of Motor Vehicle registration services and security lock-up services.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$35.7 million include \$8.5 million in Staffing Expenses, \$33.9 million in Operating Expenses, and \$3.4 million in Capital Expenditures. Major Operating Expenses are repair parts, fuel, and sublets and specialized services). Reimbursements include internal cost allocations and transfers out for capital improvement projects.

Sources of \$33.4 million include \$28.6 million in Fee/Rate revenue that includes Motor Pool mileage and monthly charges, fuel revenue, labor charges from light and heavy shops, parts sales, and sublet charges.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and Sources are decreasing primarily due to the fiscal separation of Fleet Management and San Bernardino County Fire Protection District (County Fire) joint operations to simplify reporting.

Requirements are also decreasing by \$3.4 million due to a reduction in Capital Expenditures due to fewer planned vehicle replacements.

## ANALYSIS OF NET POSITION

Fleet's budget includes a Use of Net Position of \$2.3 million in 2017-18. The Use of Net Position for 2017-18 is due to one-time expenditures related to capital projects carried over from 2016-17 and new projects for 2017-18. The capital projects include the High Desert Service Center in Victorville and fuel tank replacement in Devore and Barstow. Rates are reviewed annually to ensure that Net Position is maintained at an adequate level.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$8.5 million fund 97 budgeted positions of which 92 are regular positions and 5 are limited term positions. Staffing changes include the addition of 1 Regulatory Compliance Specialist and 1 Storekeeper. The Storekeeper will provide parts inventory, delivery, and warehousing functions to the Main Garage. The Regulatory Compliance Specialist will be utilized to ensure compliance with South Coast Air Quality Management District regulations, permits and other federal, state and local requirements. The budget includes a staffing reorganization to better align the responsibilities of the positions with their assignments.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Created department Mission, Vision, Values, and key strategic imperatives to achieve operational excellence, exceptional service, diversity and inclusion, ethics and judgement, effective communication, and innovation and resilience, in alignment with the Countywide Vision.
- Expanded the County's employer community presence, including on key social media platforms and other channels as part of our effort to develop our employer brand.
- Implemented online pre-employment assessment strategy resulting in significant increases in applicants tested per month and in the number of eligible candidates referred monthly to the targeted areas for hiring consideration.
- Implemented phase one of the launch of an improved applicant portal to facilitate electronic access to our job opportunities on multiple device platforms.
- Created Employee Engagement team with focus on best supporting each of the County's leaders and employees.
- Realigned management enablement resources, including first-line leader training courses to better prepare managers to support our employees.
- Negotiated performance guarantees with benefit vendors to ensure quality service.
- Developed return-to-work resource webpages for employees, supervisors, and managers in the Human Services System.

Note: Human Resources is classified as a central service department in the Countywide Cost Allocation Plan (COWCAP). Not included in this budget is \$758,124 which represents Human Resource's share of costs of other central service departments, such as County Counsel.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$11.0 million make up the majority of the department's Requirements within this budget unit. These expenses are necessary to provide human resources services and support for the County's approximately 22,000 employees. Sources of \$712,111 primarily represent revenue from Western Region Item Bank (WRIB) memberships and revenue from departments for advertising and recruitment services provided.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$700,468. The majority of this decrease (\$562,319) is the result of an increase in Reimbursements for services provided to departments. Increases are due to higher staffing costs as a result of negotiated MOU increases, and changes to service levels for individual departments. Additionally, a decrease in Operating Expenses and Capital Expenditures totaling \$516,116, reflects a decrease in the amount budgeted for the upgrade of the EMACs payroll and benefits system to version 9.2. The total cost of the EMACS upgrade is \$8.0 million, \$4.3 million was budgeted in 2016-17 and the remainder of \$ 3.7 million is included in this budget, and is funded from General Fund reserves. These decreases are offset by an increase in staffing costs due to changes to staffing mix, and negotiated MOU increases.

Sources are decreasing by \$134,511 due to a reduction in Realignment revenue resulting from a shift in Probation's staffing needs.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$11.0 million fund 91 budgeted positions of which 90 are regular positions and 1 is limited term. This includes a net decrease of 1 regular position (addition of 5, deletion of 6). As part of a strategic reorganization of the department to align functions, positions, and responsibilities with current human resources practices, a number of positions were added, vacant positions were deleted and reorganized within the budget unit to optimize operational effectiveness and ensure the best possible support and service for stakeholders. This reorganization will support the strategic imperatives and initiatives for 2017-2018, including a new model of strategic partnership and collaboration with all stakeholders with a focus on an excellent and positive employee experience that promotes people enablement, employee engagement, benefits and wellness, strategic staffing, communication, content and innovation, and talent management. The recommended changes included are as follows:

**Additions**

- 1 Assistant Director of Human Resources
- 1 Human Resources Chief
- 1 Human Resources Manager
- 1 Human Resources Officer
- 1 Personnel Technician

**Deletions**

- 1 Human Resources Officer I
- 1 Office Specialist
- 1 Executive Secretary I

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$1.3 million make up the majority of the department's Requirements in this budget unit. These expenses are necessary in order to provide employee and applicant pre-placement and in-service medical examinations to the County's approximately 22,000 employees, as well as employees of various external agencies. Sources consist of revenue collected for various pre-placement and in-service medical examinations, through fees charged in accordance with the County's fee ordinance.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$118,635 primarily as a result of negotiated MOU increases, and increased Operating Expenses for medical testing services and equipment replacement costs.

Sources are increasing by \$118,635 as a result of an increase in projected fee revenue for medical testing services. Funding for the CEHW is completely fee based and departments are billed based on fees charged for services provided.

## Unemployment Insurance

### DESCRIPTION OF MAJOR SERVICES

Unemployment Insurance is a mandated program based upon a 1978 amendment to the California Unemployment Insurance Code extending unemployment insurance benefits to all public employees. Human Resources administers this program, which compensates eligible County employees with a portion of their wage loss when they become unemployed. The objective is to assist unemployed County employees while they are looking for work, by providing weekly income for a predetermined amount of time while also ensuring claims are monitored, reviewed for eligibility, and challenged when appropriate.

Note: Human Resources – Unemployment Insurance is classified as a central service department in the Countywide Cost Allocation Plan (COWCAP). In order to allocate full central service costs to the County's operating departments, central service departments do not pay COWCAP charges. Not included in this budget is \$54 which represents Human Resources – Unemployment Insurance's share of costs of other central service departments, such as County Counsel.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$4.0 million make up the majority of the department's Requirements within this budget unit. These expenses represent the amount available for payment of potential unemployment claims. Operating Expenses of \$72,201 represent the quarterly payment to the vendor that administers the unemployment insurance claims as well as transfers for internal staffing expenses for administration of the program.

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no significant changes in this budget unit.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$4.0 million do not fund any positions. As mentioned above, Staffing Expenses represent the amount available for payment of potential unemployment claims.

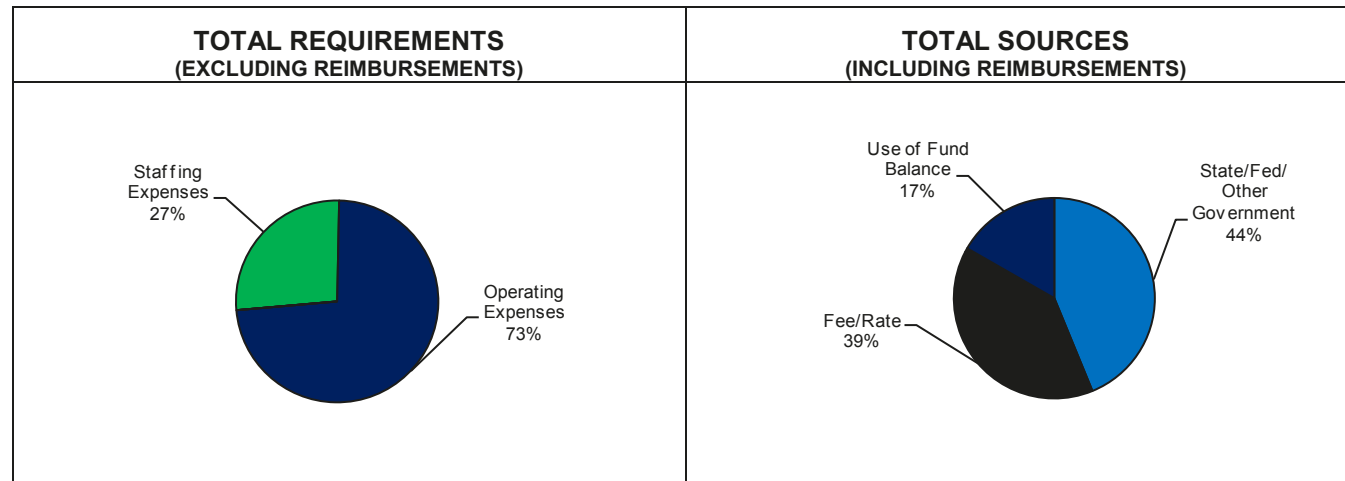

## Commuter Services

### DESCRIPTION OF MAJOR SERVICES

The Commuter Services budget unit was established to account for funds received under AB 2766 to fund mobile source air pollution reduction programs. AB 2766 authorizes air pollution control districts to levy fees on motor vehicles to be used to reduce air pollution. Under this program, the Department of Motor Vehicles collects fees and remits amounts to the appropriate Air Quality Management District (AQMD) for vehicles registered within the district. This budget unit receives AB 2766 funding from both the South Coast Air Quality Management District (SCAQMD) and the Mojave Desert Air Quality Management District (MDAQMD).

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$679,376 make up the majority of the Requirements within this budget unit. These expenses include charges for operating vanpools, hybrid vehicle carpools, and other rideshare programs. Sources of \$772,100 include payroll deductions from employees participating in rideshare programs, as well as funds received from the Air Quality Management Districts.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$15,966 primarily due to the deletion of one vacant limited term position that was used for short-term staffing needs. Sources are increasing by \$24,900 primarily due to an increase of funds from the Air Quality Management Districts.

## ANALYSIS OF FUND BALANCE

Use of Fund Balance of \$154,815 is used for one-time expenses that promote and encourage transportation alternatives to County employees. Expenses include program incentives (gas cards, raffles), rideshare luncheon events, commuter events (bike to work, dump the pump) and transit subsidies.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$2.5 million make up the majority of the department's Requirements within this budget unit. These expenses are necessary to manage the County's employee health, dental, vision, life insurance and integrated leave plan benefits. Sources of \$3.6 million primarily represent revenue from administrative fees for managing the employee benefit programs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$15,264 primarily due to the addition of one regular position and two regular position reclassifications. This is partially offset by decreased Operating Expenses resulting from decreases in mail service costs, ISD direct labor, and general liability insurance costs.

Sources are increasing by \$116,035, primarily due to an increase in revenue collected from health trust funds to fund two regular positions that directly assist with administering health plans, and additional revenue from administrative fees.

## ANALYSIS OF FUND BALANCE

The department is anticipating a Contribution to Fund Balance of \$22,466 primarily due to decreases in ongoing costs that include ISD data and labor charges and mailing costs.

### 2016-17 MAJOR ACCOMPLISHMENTS

- Implemented a Cisco Unified Contact Center Enterprise (UCCE) Call Center to replace Nortel Contact Center equipment that was at the end of its useful life.
- Developed an improved Disaster Recovery Plan for Avaya Telephony field equipment including Hot Swappable Signaling Servers and voicemail systems for major sites.
- Produced a series of videos for each Board District to promote reading through the Vision2Read Literacy Campaign.
- Migrated County departments from a legacy helpdesk system to an updated platform.

- Upgraded equipment at the ISD and High Desert Government Center datacenters allowing an increase in Internet bandwidth up to 10 Gigabits.
- Implemented Phase 1 of the 'Data as an Asset' initiative by installing enterprise data infrastructure tools for Governance, Cleansing, and Transformation using InfoSphere.
- Implemented Esri GIS Enterprise Licenses for countywide use and assembled a GIS Enterprise Advisory Group from various departments to fully leverage the new licensing.
- Established the San Bernardino County Open Government Portal (<http://open.sbcounty.gov>), which will host countywide AB169 compliant open data and provide a public access platform to County data.
- Provided an updated user experience for the Department of Behavioral Health Public Website (<http://wp.sbcounty.gov/dbh/>) using an Enterprise WordPress Multisite platform, which provided the department the ability to manage their own content and provided new design capabilities.

## GIS & Multi-Media Services

### DESCRIPTION OF MAJOR SERVICES

The Information Services Department's (ISD) Geographical Information System (GIS) team provides geographical data products and services to all GIS stakeholders, including County departments and other regional government entities. The County frequently uses GIS aerial imagery to readily respond with accurate information to daily requests and emergency situations as needed. The County's populated areas and landscapes change from year to year resulting in necessary updates to GIS data. This data is collected by aerial photography taken by flyovers of the County.

Note: Information Services – GIS and Multi-Media Services is classified as a central service department in the Countywide Cost Allocation Plan (COWCAP). In order to allocate full central service costs to the County's operating departments, central service departments do not pay COWCAP charges. Not included in this budget is \$118,288 which represents Information Services – GIS and Multi-Media Service's share of costs of other central service departments, such as Human Resources.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Major Expenditures include Staffing Expenses and Operating Expenses. Staffing Expenses of \$1.9 million are necessary to provide geographical data products and services to all GIS stakeholders and support to the Clerk of the Board for Board of Supervisor meetings and other miscellaneous meetings. Operating Expenses of \$1.5 million primarily provides for computer software, computer hardware, and professional services.

Sources of \$214,732 are comprised of revenue from Board of Supervisors approved rates/fees for Street Network Subscriptions and Tract Maps.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$52,167 primarily due to a decrease of \$112,091 in Reimbursements from County departments for GIS software licensing and support originally anticipated to offset implementation costs of the Countywide Esri GIS Enterprise License. This increase is offset by reductions of \$54,990 in Staffing Expenses as the actual costs for 3 new positions added in 2016-17 were less than anticipated, and \$11,000 in Capital Expenditures due to a one-time equipment purchase in the prior year.

Sources are increasing by \$1,810 due to an increase in customer needs for GIS services.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$1.9 million fund 18 budgeted regular positions. Staffing changes include the reclassification of two positions including a Business Systems Analyst I to a Programmer Analyst I and a Programmer III to a Programmer Analyst III. These reclassifications are due to a change in workload requiring the skillset of Programmer Analysts.

## Computer Operations

### DESCRIPTION OF MAJOR SERVICES

The Computer Operations Division (Division) provides enterprise data center services and a portion of the County's communications services to County departments on a 24/7 basis. The Division is comprised of four sections: Finance and Administration, Technology Operations, Enterprise Solutions Services, and Enterprise Infrastructure. This budget unit is an internal service fund, which allows for net position available at fiscal year-end to be carried over to the next fiscal year to be used as working capital or for replacement of fixed assets and capital improvement projects.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$49,520,088
Total Sources (Incl. Reimb.)	\$45,627,446
Use of / (Contribution To) Net Position	\$3,892,642
Total Staff	145

Finance and Administration provides support to the entire Information Services Department (ISD) for processes related to budget, contract administration, rate/fee development, accounts payable and accounts receivable.

Technology Operations provides for the design, operation, maintenance and administration of the County's Enterprise Data Center, integrated document imaging infrastructure for digitizing paper records, and print operations for bulk printing functions required by the County.

Enterprise Solutions Services provides support for the County's data storage systems, enterprise server and includes server management for physical and virtual servers.

Enterprise Infrastructure provides the County with global email, security direction and technology policies and procedures, handles service requests and technical services that support desktop communications and functions across the County, and assists departments in ensuring that their technology and business objectives are achieved.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Major expenditures include Staffing Expenses and Operating Expenses. Staffing Expenses of \$16.6 million are necessary to provide support for the County's enterprise server and other servers, data storage and replication, and technical services that support the wireless device infrastructure. Operating Expenses of \$27.3 million include \$15.1 million in services and supplies for computer software licenses and equipment support and maintenance, \$2.6 million for application development support and maintenance, \$476,575 for facilities maintenance, \$97,300 for travel, and \$9.0 million to fund transfers out for capital improvement projects and internal cost allocations.

Sources of \$36.4 million are comprised of revenue from Fee/Rates approved by the Board of Supervisors for central computer services and other information technology services, paid by County departments, Board-Governed Special Districts, and County Service Areas.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$953,145 primarily due to a \$4.6 million decrease in Operating Expenses for capital improvement projects, offset by an increase of \$1.7 million in Staffing Expenses due to negotiated MOU increases and the addition of a net 7 positions to support an increased workload related to server management,

system support and administrative functions. The decrease is further offset by an increase in Capital Expenditures of \$1.3 million for replacement of the County's enterprise server.

Sources are increasing by \$8.4 million in Fee/Rate revenue due to increased service rates to fund costs for new positions, software licenses, and equipment support and maintenance.

### ANALYSIS OF NET POSITION

The usage of \$3.9 million of Net Position funds one-time capital improvement projects such as the warehouse redesign and parking lot enhancements. This also includes the purchase of additional fixed asset equipment for data storage to meet customer demand.

Net Position is used to fund one-time costs of fixed assets and capital expenditures. These costs are included in the rates charged for services.

### STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$16.6 million fund 145 budgeted regular positions. The budget includes an increase of 7 net positions (addition of 11, deletion of 4). A total of 11 regular positions are added to the budget to address an increased workload related to server management, system support, and administrative functions.

- 1 Automated Systems Analyst II
- 1 Help Desk Technician II
- 1 IT Technical Assistant II
- 5 System Support Analyst III
- 1 Computer Operator III
- 1 Systems Support Supervisor
- 1 Supervising Office Assistant

In addition to the staffing increases above, the following 4 positions are deleted as a result of an assessment of the Division's workload and functions:

- 1 IT Technical Assistant I
- 1 Information Services Security Officer
- 1 Automated Systems Analyst I
- 1 Secretary I (transferred to the Telecommunication Services budget unit)

## Telecommunication Services

### DESCRIPTION OF MAJOR SERVICES

This budget unit provides for the design, operation, maintenance and administration of the County's telecommunication phone network, the County's Regional Public Safety Radio System that integrates all countywide sheriff, police and fire emergency radio dispatch capabilities, the paging system, and the Wide Area Network (WAN) that securely joins County users for the efficient use of technology.

This budget unit manages the County's microwave system that provides transport capabilities for each of the individual systems listed above. Additionally, this budget unit is an internal service fund, which allows for net position available at fiscal year-end to be carried over to the next fiscal year to be used as working capital or for replacement of fixed assets and capital improvement projects.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$43,707,232
Total Sources (Incl. Reimb.)	\$37,038,647
Use of / (Contribution To) Net Position	\$6,668,585
Total Staff	104

The County's Regional Public Safety Radio System is in the process of being upgraded. Ongoing Discretionary General Funding of \$17.9 million continues to be allocated for the upgrade project. The estimated cost of the project is \$158.2 million. \$128.3 million has been funded to date and an additional \$17.9 million is funded in 2017-18. Approximately \$92.7 million has been expended or encumbered to date. During 2017-18, the top priorities of the project continue to center on construction and implementation of new radio equipment buildings and towers in strategic locations which help to enhance signal coverage, and the continued installation of upgraded microwave radio equipment to interlink dispatch centers with public safety agencies and responders throughout the County.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$12.5 million fund positions that are responsible for the maintenance and administration of the County's telephone network, radio system, paging system, WAN and the countywide microwave system. Operating Expenses of \$24.2 million include services and supplies of \$16.0 million for telephone, radio system, WAN and other communications related costs, facilities costs of \$595,548, travel costs of \$146,176, and transfers out of \$7.4 million to fund capital improvement projects and internal cost allocation.

Sources of \$32.7 million include revenue from Fees/Rates approved by the Board of Supervisors charged for telephone, WAN, microwave transport, and radio system services this budget unit provides to internal and external departments and agencies.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$514,226 primarily due to a decrease in Reimbursements for internal overhead costs and an increase in Capital Expenditures of \$4.1 million for the addition of a new network security management system and a data center analytical and security platform to provide security detection and enforcement across the County's WAN, data center, and cloud environment. These increases are offset by a \$5.4 million decrease in Operating Expenses for maintenance and support contracts.

Sources are increasing by \$3.2 million due to increases in Fee/Rate revenue to fund new positions and asset replacement.

## ANALYSIS OF NET POSITION

The use of \$6.7 million of Net Position funds one-time capital improvement projects for the new ISD warehouse, fixed asset needs, a Network Security Management System, a Datacenter Analytical and Security platform, and the telephone system conversion to voice over internet protocol (VoIP) technology. One-time costs for asset replacement will be recovered via rates over the useful life of the assets.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$12.5 million fund 104 budgeted positions of which 103 are regular positions and 1 is a limited term position. The budget includes an increase of 3 net positions (addition of 5, deletion of 2). The addition of 5 regular positions address an increased workload related to WAN support, telephone system support and administrative functions.

- 2 Systems Support Analyst II
- 1 Systems Support Analyst III
- 1 Network Services Supervisor
- 1 Secretary I (transferred from the Computer Operations budget unit)

In addition to the staffing increases above, the following positions have been deleted as a result of an assessment of the budget unit's workload and functions:

- 1 Communications Installer
- 1 Storekeeper

## Business Solutions Development

### DESCRIPTION OF MAJOR SERVICES

The Business Solutions Development Division (formerly known as the Application Development Division) provides support for County departments as they develop, enhance and maintain business applications on a variety of hardware and software platforms. These applications include the County's enterprise accounting, payroll, budget, personnel, document imaging, public websites, and many other business line systems. The Information Services Department (ISD) consults with departments to identify cost effective ways of conducting business and often provides process reviews, cost analysis, and overall recommendations for the acquisition and integration of new systems. Large scale information technology projects that the Business Solutions Development Division will be supporting next year include finalization of the new Land Use permitting system (Accela), continued implementation of the new Financial Accounting System, and the upgrade of the payroll system.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$15,649,987
Total Sources (Incl. Reimb.)	\$15,826,589
Use of / (Contribution To) Net Position	(\$176,602)
Total Staff	89

This budget unit is an internal service fund that primarily provides services to County departments and recovers costs via a billable hourly programming rate.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$11.7 million account for the majority of Requirements in this budget unit and are necessary to support business systems and applications. Operating Expenses of \$3.9 million provide for professional services for information technology contract staff, computer hardware, and technical training.

Sources of \$15.8 million are comprised of revenue from Fees/Rates approved by the Board of Supervisors for maintenance, support, enhancement, and development of new computer applications and systems. These Fees/Rates are paid by County departments and external customers.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$660,054 primarily due to a decrease of \$1.2 million in Operating Expenses budgeted for IT contractors, who are used on an as needed basis depending on the current workload and staffing vacancies, partially offset by an increase in Staffing Expenses of \$553,077 due to negotiated MOU increases.

Sources are increasing by \$1.1 million in Fee/Rate revenue due to a service rate increase to fund computer hardware costs.

## ANALYSIS OF NET POSITION

The contribution of \$176,602 to Net Position is primarily due to a decrease in professional services for contract programming staff.

Not included in this budget is \$210,995 which represents Purchasing's share of costs of other central service departments, such as Human Resources.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$3.8 million make up the majority of the department's requirements within this budget unit. These expenses include \$2.8 million for countywide office supplies, which are reimbursed by user departments, and \$109,250 in ongoing expenses for the enterprise electronic procurement system.

Sources of \$819,330 include \$336,000 from the service charge for administering the desktop office supply program and consolidated billing, \$100,000 from the biennial vendor show and \$383,300 from various rebate agreements associated with countywide procurement programs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$47,903 primarily due to the addition of two positions, and negotiated MOU increases, offset by an increase in staffing reimbursements from the Automated Systems Development fund and Public Works.

## Printing Services

### DESCRIPTION OF MAJOR SERVICES

Printing Services designs, prints, and finishes high quality print production materials using the latest technology, and operates two locations for Quick Copy services.

As an Internal Service Fund (ISF) of the Purchasing Department, operational costs of this program are managed through user rates. Unrestricted Net Position available at the end of a fiscal year is carried over for working capital or equipment replacement. Any excess or shortage in Unrestricted Net Position is reviewed and incorporated into the rate structure in the following fiscal year.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$2.8 million fund the cost of production materials, outside printing services, equipment leases including copiers and maintenance. Expenses are charged to County departments and outside agencies through annual Board-approved rates.

Sources of \$3.9 million represent projected rate-generated revenue from black and white copies, color copies, in-house off-set printing services, graphic design services and outside printing services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$197,542 primarily due to Capital Expenditures including installation of an extractor fan within the print shop. Sources are increasing by \$304,100 due to increased volume and slightly increased rates. Budgeted Staffing Expenses have decreased by \$47,402 due to rehiring at lower steps.

## ANALYSIS OF NET POSITION

The department is budgeting a Use of Net Position of \$260,692. This is in adherence with Federal OMB 2 CFR 255 which requires the department to achieve a balance between the rates charged and maintaining an adequate working capital reserve. The department has used Net Position for the past three years and expects to do so again in 2017-18 to bring the Net Position within an acceptable range for working capital reserves.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$1.2 million fund 18 budgeted positions of which 17 are regular positions and 1 is a limited term position. There is no change to budgeted staffing.

## Surplus Property and Storage Operations

### DESCRIPTION OF MAJOR SERVICES

Surplus Property and Storage Operations manage County storage and excess property, internally reallocating used items to departments, distributing equipment to approved community-based organizations, and contracting with auctioneers and recyclers. Detailed reporting is required under County policy and state law.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$1,502,992
Total Sources (Incl. Reimb.)	\$1,099,800
Use of / (Contribution To) Net Position	\$403,192

As an Internal Service Fund (ISF) of the Purchasing Department, operational costs of this program are managed through a rate assessed on purchases of commodities frequently received at Surplus Property and by user rates for Storage Operations. Unrestricted Net Position available at the end of a fiscal year is carried over for working capital or equipment replacement. Any excess or shortage in Unrestricted Net Position is reviewed and incorporated into the rate structure for the following fiscal year.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$1.5 million consist primarily of Operating Expenses which include COWCAP, financial statement preparation, non-inventoriable equipment, information technology charges and transfers out to fund administrative support provided by staff in the Purchasing Department's general fund budget unit.

Sources of \$1.1 million include auction revenue, revenue from the storage and surplus handling rates, proceeds from recycling with outside vendors, as well as reimbursement from Human Services for participation by Community Based Organizations in the Surplus Property Program.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$485,502 due to the completion of the warehouse retrofit project in 2016-17. Sources are decreasing by \$166,700 primarily due to a 17% decrease in the surplus handling rate.

## ANALYSIS OF NET POSITION

The department is budgeting a Use of Net Position of \$403,192. This is in adherence to Federal OMB 2 CFR 255 which requires the department to achieve a balance between the rates charged and maintaining an adequate working capital reserve.

## MAJOR REQUIREMENTS AND SOURCES IN 2016-17 RECOMMENDED BUDGET

Operating Expenses of \$4.7 million include reimbursable direct postage expenses, equipment leases and maintenance, and other related services and supplies. Capital Expenditures include postal software upgrades.

Sources of \$5.9 million represent rate-generated payments from departments for mail handling, direct postage costs and courier services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$135,650 primarily due to reduced postage costs and significant reductions in mail handling volume. Sources are decreasing by \$283,862 reflecting the reduction in projected mail volume.

## ANALYSIS OF NET POSITION

The department is budgeting a Use of Net Position of \$126,075. This is in adherence to Federal OMB 2CFR 255, which requires the department to achieve a balance between the rates charged and ensuring an adequate working capital reserve.

## RISK MANAGEMENT

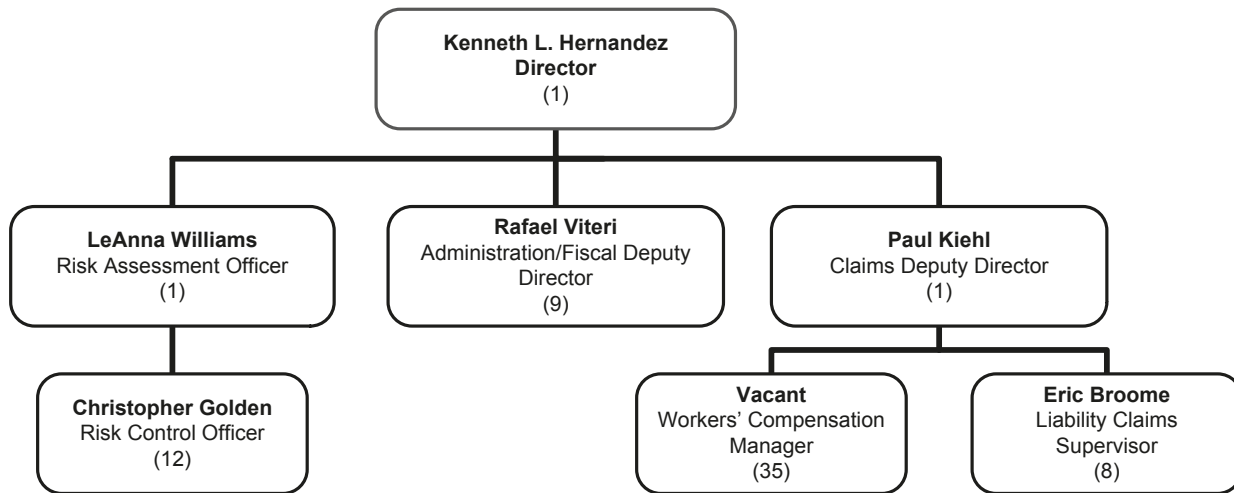

Kenneth L. Hernandez

### DEPARTMENT MISSION STATEMENT

*Risk Management seeks to minimize the frequency and severity of financial loss to the County through an Integrated Risk Management Program that includes identification and assessment of exposures that can result in loss, effective risk reduction and loss prevention programs for identified risks, aggressive claims management, and fiscally responsible risk financing and recovery.*

## 2016-17 MAJOR ACCOMPLISHMENTS

- Continued to effectively respond to the Waterman Incident that involved Public Health (Environmental Health Division) employees. Risk Management continues to manage claims and reserves for the deceased and injured.
- Implemented a new contract for Utilization Review Services for Workers' Compensation Claims Management.
- Negotiated General Liability Insurance from a corridor based policy to a program with excess insurance purchased from CSAC-EIA (California State Association of Counties - Excess Insurance Authority) by joining their GL II program and acquiring coverage with \$50.0 million limits and a self-insured retention (SIR) of \$3.0 million, effective July 1, 2016.
- Implemented a new claims management system for Workers' Compensation and Liability.
- Conducted RFPs for the following services: Outside Legal Services for both Workers' Compensation and Liability, Utilization Review, Investigative Services and Court Reporting Services. Entered into agreements for these services for a period of 3 years.
- Referred 38 potential catastrophic cases to counsel for pre-litigation handling during 2016-17 which is an increase of 14 incidents and claims from 2015-16. This has allowed Risk Management to gain better control, resulting in less expensive resolutions in certain cases.
- Transferred the handling of Medical Malpractice claims from an outside Third Party Administrator to in-house staff to handle claims in a timelier manner and reduce administrative expense for each claim.
- Recovered \$376,855 from parties legally liable for the loss.
- Negotiated Cal OSHA citation costs from \$23,000 to \$5,000.
- Offered additional driver awareness training in an effort to reduce County-related vehicle accidents, therefore reducing overall claims and costs to the County.

## DEPARTMENT PERFORMANCE MEASURES

COUNTY GOAL: OPERATE IN A FISCALLY-RESPONSIBLE AND BUSINESS-LIKE MANNER		Measure	2015-16 Actual	2016-17 Target	2016-17 Est.	2017-18 Target
OBJECTIVE	Develop a long-term budget plan which brings County operations into both fiscal and programmatic balance, including full funding of reserves for infrastructure and operating system maintenance and replacement.	Cost of risk as a percent of County budget.	1.50%	<2%	1.70%	<2%
STRATEGY	Minimize the total cost of risk, through the optimization of insurance vs. risk retention.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$6.5 million represent the majority of the Requirements within this budget unit and fund 67 budgeted positions which are necessary to administer the County's insurance programs.

Sources of \$145,000 primarily consist of interest revenue and the Emergency Medical Services Program administrative fee authorized under SB612 and SB173 that allows the department to recover expenses to administer the program.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$20,000 partially due to an increase in Operating Expenses related to computer application charges. Staffing Expenses are increasing by \$648,237 to fund the addition of five positions in the Workers' Compensation and Risk Control Divisions to reduce the claims per adjuster ratio and to allow for data analysis. Reimbursements from the insurance funds are increasing to fund the increased operations costs.

Sources are increasing by \$19,827 due to an expected increase in interest revenue offset by lower projected administrative fee revenue from the Emergency Medical Services Program.

## ANALYSIS OF NET POSITION

All services in this budget unit are provided on a cost-reimbursement basis from the insurance funds. In fiscal years where the results of operations contribute to net position, these cost-reimbursements are transferred back to the appropriate insurance funds.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$6.5 million fund 67 budgeted positions, of which 66 are regular positions and 1 is a limited term position. Five regular positions have been added: 1 Workers' Compensation Manager, 1 Supervising Workers' Compensation Adjuster, 2 Staff Analyst II's, and 1 Departmental Risk Control Specialist. The workers' compensation positions will assist with claims handling due to ongoing demands of claims related to the Waterman Incident and to reduce the claims per adjuster ratio. The Staff Analyst II positions will fill a valuable role to provide an increased level of customer service to County Departments. These Staff Analyst II positions will also analyze complex data regarding workers' compensation, safety, loss control, cost containment strategies and make appropriate recommendations to departmental leadership and others as data suggests.

## Insurance Programs

### DESCRIPTION OF MAJOR SERVICES

Risk Management administers the County's workers' compensation, public liability, property conservation, and safety and risk reduction programs with a combination of self-insured and insured programs. All programs are financed by charging general fund and non-general fund departments, as well as Board-Governed Special Districts and County Service Areas. Each is billed for its specific coverage for the cost to pay losses under the self-insured programs and the cost of insurance for the insured programs.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$127.8 million include judgment and settlement costs, medical treatment and expenses, temporary and permanent disability; property, general and automobile liability insurance; cyber and medical malpractice liability insurance among others, and legal defense services.

Sources of \$90.3 million primarily include premiums paid by County departments, Board-Governed Special Districts, and County Service Areas, as approved by the Board of Supervisors.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$13.4 million due to an increase in settlements, liability claims experience, and increased medical claims costs in workers' compensation.

Sources are decreasing by \$20.3 million primarily due to lower premiums charged to departments for Property, General Liability, Auto Liability, and Medical Malpractice Programs to maintain an 80% confidence level of funding, as determined by a yearly actuarial study.

### ANALYSIS OF NET POSITION

Net Position supports insurance programs in maintaining and reaching an 80% confidence level of funding as recommended by annual actuarial studies. The department is budgeting a Use of Net Position of \$37.4 million for one-time claims' costs for unexpected judgments and settlements, and to reduce excess balances in certain insurance funds to achieve the 80% confidence level of funding.

### STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit. Staff that administers these programs are budgeted in Risk Management's Operations budget unit.

## **DESCRIPTION OF MAJOR SERVICES**

The Local Agency Formation Commission (LAFCO) is an independent regulatory body composed of two elected County supervisors selected by the Board of Supervisors, two city council members chosen by the mayors of the 24 incorporated cities, two elected special district board of directors selected by the presidents of independent special districts in the County, and one public member not associated with the County, city, or special districts who is chosen by the other six commission members. The members are charged with the responsibility to encourage the orderly growth of government agencies, to preserve agricultural lands, to discourage urban sprawl, and to ensure efficient delivery of services through local government agencies within San Bernardino County. In meeting these responsibilities, the Commission:

1. Regulates proposed boundary and sphere-of-influence changes for cities and special districts.
2. Conducts sphere-of-influence updates and municipal service reviews. The Commission also has the authority to initiate and make studies of existing government agencies and initiate proposals for consolidations, mergers, or dissolutions of special districts based upon its findings.
3. Regulates the formation and dissolution of cities and special districts.
4. Reviews contracts for the provision of services outside the boundaries of cities and special districts.

Costs incurred in this budget unit represent the County's legally mandated contribution to LAFCO, which is one-third of the operating cost that is not reimbursed by fees and other revenue.

#### DESCRIPTION OF MAJOR SERVICES

This budget unit represents the County's total legal and contractual obligations to contribute to the costs of the Superintendent of Schools and District Financial Services, known collectively as the San Bernardino County Superintendent of Schools.

The Superintendent of Schools is the elected chief school administrative office of the County and is mandated by State law to provide various services for 33 school districts and two regional occupational programs. The Superintendent of Schools also provides ancillary services to five community college districts within the County. Through State and other funding sources, the Superintendent provides services to more than 425,000 Kindergarten through 12<sup>th</sup> grade students and approximately 40,000 community college students in accordance with the Education Code. These services also include direct instruction to alternative education, special education, juvenile hall and preschool students.

District Financial Services was established to independently perform all audits and approval functions required of the Auditor-Controller/Treasurer/Tax Collector and the Superintendent of Schools. District Financial Services is jointly responsible to those elected officials. These services include warrant production, control and the examination and audit of the payrolls, and other expenditures from the funds of the school districts and entities in the County.

## Arrowhead Regional Medical Center

### DESCRIPTION OF MAJOR SERVICES

Arrowhead Regional Medical Center (ARMC) is a 456-bed university-affiliated teaching hospital licensed by the State of California Department of Health and operated by the County of San Bernardino. The hospital, located on a 70-acre campus in Colton, California, is a designated Level II Trauma Center. ARMC operates a regional burn center, primary stroke center, a free-standing behavioral health center, four primary care centers, including three family health centers, and 40 subspecialty clinics.

#### Budget at a Glance

Total Sources (Incl. Reimb.)	\$540,795,316
Use of / (Contribution To) Net Position	(\$3,072,637)
Total Staff	3,906

In keeping with its mission of providing quality healthcare and education, a variety of community outreach and wellness programs are offered, including the Breathmobile (asthma education and screening), a mobile medical clinic, annual health and safety expo, and annual 5K walk-run event. ARMC is the principal clinical site for multiple medical residency programs, some accredited through the Accreditation Council for Graduate Medical Association (ACGME), and others accredited by the American Osteopathic Association (AOA). Specialty programs include: emergency medicine, family medicine, internal medicine, surgery, neurological surgery, OB-GYN, psychiatry, and ophthalmology.

Patient care is coordinated among multiple care providers to ensure all health care needs are met from arrival to discharge, including the following:

- **Emergency Department:** ARMC's Emergency Department, with more than 92,000 patient visits each year, includes a helicopter landing area outside of the Emergency Department that can accommodate both standard medical evacuation helicopters and military helicopters.
- **Trauma Center:** ARMC's trauma center treats the most seriously injured patients and is one of the region's busiest for adult trauma care. It is the only Inland Empire Trauma Center certified by the American College of Surgeons.
- **Edward G. Hirschman Burn Center:** The center provides complete inpatient and outpatient burn care to patients of all ages and serves four counties: Inyo, San Bernardino, Riverside, and Mono.
- **Neonatal Intensive Care (NICU):** The 30-bed unit offers state-of-the-art intensive care in a nursery setting and provides care for premature infants and sick newborns requiring continuous assessment, observation, and intensive treatment.
- **Primary Care Clinics:** The Primary Care Clinics offer comprehensive primary care medical services to individuals and families in Rialto (Westside Family Center), San Bernardino (McKee Family Health Center), Fontana (Fontana Family Health Center), and Colton (ARMC Primary Care Clinic in the Medical Office Building).
- **Outpatient Specialty Care Services:** ARMC's Outpatient Care services include many different specialty services and an array of programs designed to ensure optimum health for children and adults, including: Cardiology, (interventional and cardiac rehabilitation), Coumadin Clinic, Dialysis Center, Gastroenterology Lab, Infusion Therapy, Lipid Clinic, Oncology Services, Ophthalmology, Orthopedics, Otolaryngology (ENT) and Oral, Maxillofacial Surgery, Pain Management Clinic, Pediatrics Clinic, Rehabilitation Services, Surgical Services, Women's Health Services, and Wound Care Center (Hyperbaric Oxygen Therapy).

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$283.3 million fund 3,906 positions. Operating Expenses of \$216.2 million are comprised primarily of medical supplies, physician fees, purchased medical services, insurance, utilities, and rent expense. Capital Expenditures of \$19.2 million fund necessary clinical and non-clinical equipment purchases. These Requirements are offset by Reimbursements of \$4.1 million for services and supplies purchased on behalf of other County departments.

Operating Transfers Out of \$19.0 million include \$8.0 million for costs associated with debt service and \$11.0 million for construction projects, which are being managed by the Real Estate Services-Project Management Division (PMD).

Sources of \$536.7 million include \$435.6 million in state and federal funding primarily from Medicare and Medi-Cal; \$82.7 million in current services from private pay patients and insurance; and \$7.9 million in Other Revenue from cafeteria sales, interest, miscellaneous grants, and services provided to other hospitals through the residency program. Operating Transfers In of \$10.5 million represents the portion of Health Realignment allocated to ARMC.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$17.6 million. This is due primarily to increases in Staffing Expenses of \$13.4 million related to the net addition of 66 positions, negotiated salary increases, and establishment of the Specialty Care Nurse classification. A \$1.8 million decrease in Operating Expenses is primarily due to reductions in both Property and General Liability insurance costs. Increases in Capital Expenditures of \$5.0 million are primarily related to the purchase of clinical equipment and information technology infrastructure upgrades. A decrease of \$419,004 in Operating Transfers Out is the result of a reduction in the overall cost of projects managed by PMD.

Sources are expected to increase by \$4.7 million overall. This is primarily related to the migration of patients from Medi-Cal Fee-For-Service to Medi-Cal Managed Care, which pays at a higher rate. This transition will result in an increase of \$28.5 million from State/Federal/Other Government sources. Commercial Insurance revenues are expected to return to historical levels, resulting in a decrease of \$12.3 million from Fee/Rate sources. Other Revenue sources are decreasing by \$11.4 million, the result of receiving a one-time refund for excess Insurance premiums paid in previous years.

ARMC continues to feel the impact of the Affordable Care Act (ACA) as the number of uninsured patients decline, and members of this group migrate to expanded coverage under Medi-Cal Managed Care. However, potential negative impact to revenues could come as a result of pending State legislation related to the Federal Managed Care Rule and State 340B Drug Pricing Program changes.

## ANALYSIS OF NET POSITION

The budget reflects a contribution of \$3.1 million to Net Position. This is a result of anticipated small volume increases and continued reimbursement under the ACA. Available Net Position will be used to fund future capital projects, electronic health record system, and fixed asset purchases as needed.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$283.3 million fund 3,906 budgeted positions of which 2,888 are regular positions and 1,018 are limited term positions. The budget includes an increase of 66 net positions (addition of 93, deletion of 27). The primary drivers of these budgeted staffing changes are related to reducing reliance on registry and overtime within the behavioral health unit and increased volume in the Obstetrics and Labor & Delivery units. Additional positions are tied to the formation of the Behavioral Health Integration and Complex Care Initiative program, the planned expansion of the Dialysis Center, and continued growth at the Primary Care Clinics.

A total of 93 positions are added to the budget (83 regular, 10 limited term) as follows:

## Medical Center Lease Payments

### DESCRIPTION OF MAJOR SERVICES

This budget unit funds the cost of long-term lease payments to the Inland Empire Public Facilities Corporation for the Arrowhead Regional Medical Center (ARMC) facility. Funding sources include state revenues from the Construction Renovation/Reimbursement Program (SB 1732). This program provides supplemental reimbursement for construction, renovation, or replacement of medical facilities or fixed equipment. Other funding sources are operating transfers from ARMC and operating transfers from the General Fund backed by Health Realignment revenues and Tobacco Master Settlement Agreement proceeds.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$42.0 million represent lease payments and associated fees and expenses.

State, Federal, or Other Government revenue of \$19.1 million is from the State of California's Construction Renovation/Reimbursement Program (SB 1732). The amount reimbursed by the state depends on the allowable portion of the lease payments multiplied by a rate that is calculated by the state every year. The rate fluctuates based on actual Medi-Cal inpatient days paid to ARMC.

Operating Transfers In of \$22.9 million are funded by \$10.7 million of Tobacco Master Settlement Agreement monies, \$4.2 million of Health Realignment funds, and \$8.0 million in revenues anticipated to be generated by ARMC.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$205,716 primarily due to increased debt service costs, which results in an increase of Sources to meet needed Requirements.

## ANALYSIS OF NET POSITION

There is no Use of Net Position associated with this budget unit.

## STAFFING CHANGES AND OPERATIONAL IMPACT

## Community Development and Housing

### DESCRIPTION OF MAJOR SERVICES

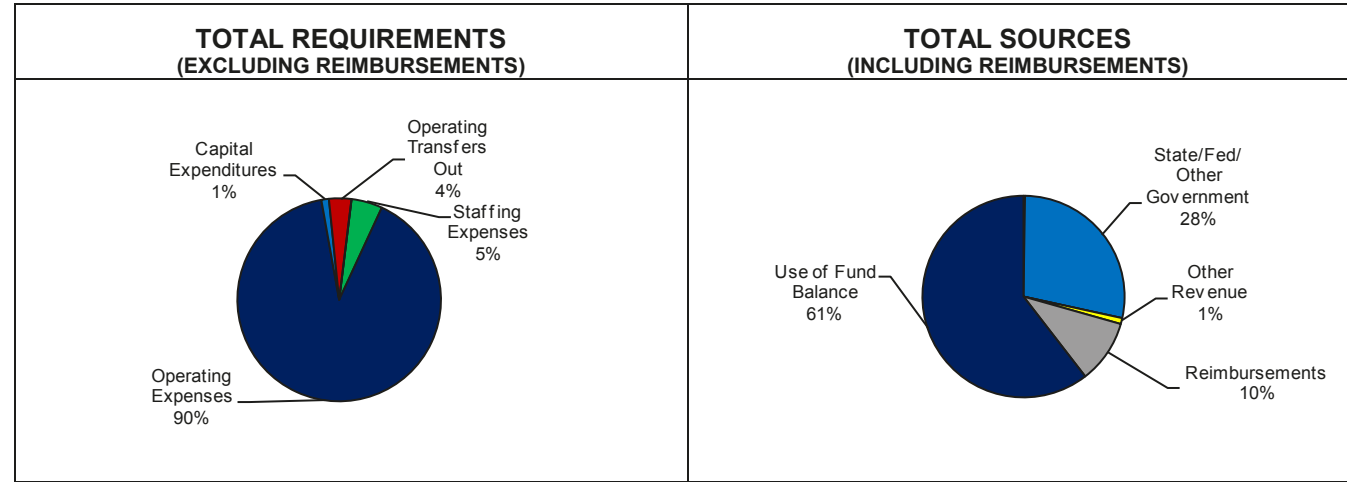

Community Development and Housing (CDH) seeks quality of life for the residents of San Bernardino County by providing community and housing development resources for low and moderate income families, individuals and communities. CDH invests several Federal Department of Housing and Urban Development (HUD) grants to undertake needed infrastructure projects and services for targeted communities. Housing grant funds are leveraged to develop vision-based affordable housing communities.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$62,196,557
Total Sources (Incl. Reimb.)	\$24,634,721
Use of/ (Contribution to) Fund Balance	\$37,561,836
Total Staff	26

CDH is also responsible for completing the County's remaining redevelopment activities under the auspices of the County of San Bernardino's Successor Agency, Oversight Board, and Housing Successor Agency. This includes ensuring the enforceable financial obligations are retired, selling the Successor Agency's assets, and completing all remaining capital projects. CDH, in coordination with the County Administrative Office and the Auditor-Controller/Treasurer/Tax Collector, manages the countywide redevelopment dissolution process of all 26 successor agencies within the County.

Federal and state revenues are anticipated to be \$17.7 million and will fund the CDBG, HOME, and ESG activities. Principal and interest from the department's loan portfolio and interest earned on monies held in the County treasury contribute \$597,267 to pay operating expenses of the activities above. In Operating Expenses, the department has budgeted \$18.3 million for infrastructure improvements in the areas surrounding the former San Sevaire and Cedar Glen redevelopment project areas and \$23.1 million for low-moderate income housing assistance.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$3.3 million as the department is anticipating large HOME funded projects and increased activities in the ESG program.

Sources are increasing by \$1.5 million to reflect to federal and state revenues to fund the above mentioned projects.

## ANALYSIS OF FUND BALANCE

The budget reflects \$37.6 million Use of Fund Balance for one-time expenditures, including infrastructure improvements and large HOME projects. The majority of departmental Fund Balance represents monies received in the last four years from the dissolution of redevelopment, representing bond and housing funds. The Fund Balance also includes revenues from the sale of property and repayment of HUD loans.

## 2016-17 MAJOR ACCOMPLISHMENTS

- **Business Attraction and Expansion**
  - Launched a countywide competitiveness study with Newmark Grubb Knight Frank, a global site selection consulting firm, with the goal of identifying the County's key strengths to create an actionable strategic plan for the attraction of local and global businesses.
  - Executed "Manufacturing Succeeds Here", a business attraction campaign, targeting the manufacturing industry. Through multiple outreach efforts, contact was made to over 150 businesses and more than 720 industry brokers via business visits, phone, email, and postcard mailings.
  - Participated in over 25 corporate real estate and key industry events, including presentations to major brokerage firms.
  - Provided over 1,000 direct services to businesses and organizations conducting business in the county, or, interested in San Bernardino County as a location for business.
  - Generated over \$14 million in local sales and use tax over the last two fiscal years (2015-16 and 2016-17.)
- **Workforce and Education Initiatives**
  - Participated in a regional collaborative with the International Facilities Management Association (IFMA) and Chaffey Community College to start classes for industry recognized certifications in Facilities Management, made available through the IFMA Foundation's Educational programs.
  - Served on the Linked Learning Hub of Excellence Executive and Operational Boards to support countywide education pathways (K-14) to prepare students for jobs in high-skill, high-wage careers and/or to prepare for college.
  - Participated in the newly formed High Desert Manufacturers Council. The purpose of the council is to explore options and available resources in order to bridge employment skills gaps and address attrition due to an aging and exiting workforce.
- **Events and Marketing**
  - Organized, marketed and produced the State of the County event in March 2017. Attendance was 1,123, which included representation from local businesses, government leadership, and non-profits in the region; and a NAIOP panel presentation by experts discussing retail, industrial and office trends in today's economy.
  - Raised \$215,000 in sponsorship and ticket sales for the State of the County event as a means of cost-recovery to the general fund.
  - Presentations were held at seven local Chambers of Commerce. Audiences included business owners, realtors, and community leaders. Staff presented information about the Economic Development Agency departments' services, programs and incentives.
- **International Trade and Investment**
  - Executed two Memorandums of Understanding (MOU) in the cities of Wuxi, Jiangsu, China and Taoyuan, Taiwan, R.O.C., which included economic development related objectives and activities to promote trade and investment.
  - Organized and executed an investment and trade promotion delegation to Greater China from February 16-25, 2017. The delegation's primary objectives were to:
    - Promote the Ontario International Airport as an economic development asset for air/ground transportation, land development, and commerce;
    - Conduct meetings with Chinese government officials and businesses to promote bi-lateral trade and investment; and
    - Finalize the ceremonial and official signing of the two MOUs, as mentioned above.
  - Formed and convened a new Ad Hoc Advisory Committee composed of local businesses, attorneys, and finance representatives with expertise in international trade and investment.
  - Provided one-on-one education and counseling sessions with 15 local businesses.

- Through presentations and panel discussions, promoted the County as a prime U.S. destination for new business. Audiences included representatives of foreign commerce of Chile, Mexico, China, Taiwan, Hong Kong, and Australia.
- Film and Tourism

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$2.3 million include costs of various Economic Development programs (real estate related trade shows, advertising, public relations, and tourism), travel, and internal transfers out (County Counsel charges, Facilities, etc.). Staffing Expenses of \$1.4 million fund 12 positions for managing economic development programs and administrations.

Reimbursements of \$211,321 represent the cost allocation to other Agency departments for Economic Development Agency staff.

Sources of \$200,000 represent registration fees and sponsorships for the State of the County event planned for the spring of 2017.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$118,286 primarily due to savings in Operating Expenses (i.e. computer hardware, general office expense, and special departmental expense).

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$20.7 million include costs associated with the department's three America's Job Centers of California, such as rent, including \$15.9 million in direct services to job seekers and business customers, including vocational training, On-the-Job training, supportive services, business consulting and workshops.

Reimbursements of \$3.9 million represent payments from other departments for program services provided through various Memoranda of Understanding.

Sources of \$29.5 million represent funding from various state and federal grants, primarily the Workforce Innovation and Opportunity Act (WIOA).

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$262,985 primarily due to a net decrease in Operating Expenses partially offset by a decrease in Reimbursements from the Transitional Assistance Department to more accurately reflect actual program expenditures. Sources are increasing by \$1.5 million due to an anticipated increase in WIOA reimbursements.

## ANALYSIS OF FUND BALANCE

The department expects to contribute \$3.1 million to Fund Balance in 2017-18. This is consistent with the two-year federal funding cycle for WIOA programs.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staff Expenses of \$9.6 million fund 116 budgeted positions of which 105 are regular positions and 11 are limited term positions. The budget includes a net decrease of 1 position (addition of 3 regular positions and deletion of 4 contract positions). Due to the implementation of new WIOA laws, state and local program plans, and leveraged resources requirements, the department is restructuring its divisions for meeting program and administrative requirements effectively. To provide better training and employment services for San Bernardino County residents, obtain existing programs, and seek future funding opportunities, WDD added 2 Administrative Managers and 1 Staff Analyst II in the Finance and Administration divisions to provide complex funding and administrative support in the areas of audit compliance, grant and contract management, research of funding opportunities, fiscal and procurement operations.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Expanded Recorder and County Clerk services to Joshua Tree with the use of existing technology, County infrastructure, and staff, resulting in Morongo Basin community members driving fewer miles to record documents; request copies of birth, death, and marriage certificates; and schedule marriage ceremonies.
- Enhanced the design of the department's website and created a more user-friendly format that provides up-to-date information, forms, and resources and created a new mobile version that clearly displays information formatted to the end user's device.
- Collaborated with local colleges to implement an intern program that gives students interested in a public administration career an opportunity to gain valuable experience by working in the Valuations and Information Technology Divisions of the department.
- Developed a resolution adopted by the Board of Supervisors exempting unsecured property having a taxable value of \$7,500 or less from property tax beginning in 2017-18, which is anticipated to result in cost savings of approximately \$40,000 per year based on the findings that the cost of assessing and collecting property taxes on these properties would exceed the amount of total taxes, special assessments, and applicable subventions collected.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$18.7 million represent the majority of this budget unit and fund 236 positions. Operating Expenses of \$8.0 million primarily consist of printing and taxpayer notice mailing costs, COWCAP, and systems development charges for the Property Information Management System. Reimbursements of \$2.0 million are primarily from Recorder special revenue funds for administrative and information technology costs.

Sources of \$10.4 million include fees for recording and County Clerk services, special assessments, transfers of ownership, and data sales.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.1 million primarily due to increases in general office expenses, data processing, and negotiated salary increases.

Sources are increasing by \$560,901 primarily due to an increase in revenue from special assessments and recorded documents, partially offset by a reduction in revenue from vital records activities and data sales due to a decrease in volume.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$18.7 million fund 236 budgeted positions of which 229 are regular positions and 7 are limited term positions. Staffing changes include an increase of 1 net budgeted position. An employment contract for an Assessor Property Tax Appeal Consultant position was approved by the Board in May 2016 to prepare staff for Assessment Appeals Board hearings, and is now being added to the budget. One Automated Systems Analyst II is deleted from the Systems Development Special Revenue Fund (SDW) and added to this budget unit, and 1 Automated Systems Analyst I is deleted from this budget unit and added to the Systems Development Special Revenue Fund (SDW) to correct an error made in the 2016-17 first quarter budget report.

## Recorder Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Systems Development** was established to support, maintain and modernize the creation, retention and retrieval of information in the County's system of recorded documents. Sources include fees collected pursuant to Government Code Section 27361 on legal documents.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$4,623,186
Total Sources (Incl. Reimb.)	\$4,442,254
Use of/ (Contribution to) Fund Balance	\$180,932

**Vital Records** was established to support vital records operation and retention, including the improvement and automation of vital records systems. Sources include fees collected for certified copies of vital statistics records pursuant to Health and Safety Code Section 103625(f) and 103625(g)(2). There is no staffing associated with this budget unit.

**Electronic Recording** was established by Government Code Section 27279.1 to authorize the County of San Bernardino to accept electronic transmission of recordable documents and the Recorder has been recording electronic documents since 2004. Government Code Section 27397 authorized all California counties to accept electronic transmission of recordable documents subject to regulations set forth by the Attorney General. In 2007, the Board approved a joint powers agreement (JPA) for the California e-Recording Transaction Network Authority (CeRTNA). This budget unit was established to support participation in the JPA. Sources include fees collected pursuant to Government Code Section 27397 regarding electronic recording delivery systems such as official records evidencing ownership and encumbrances of real and personal property, and other miscellaneous records. There is no staffing associated with this budget unit.

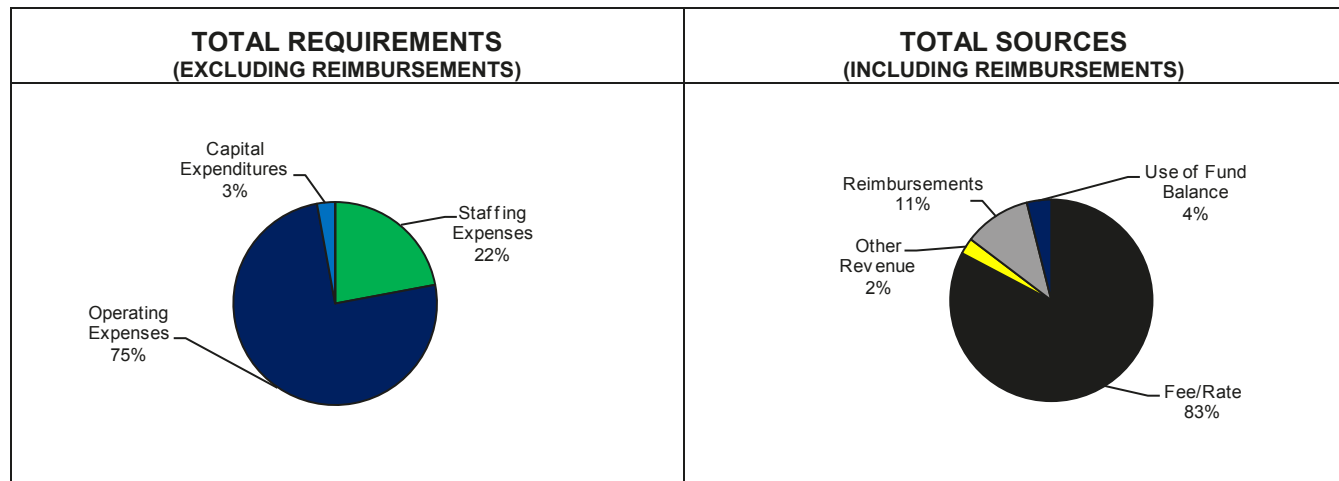

**Recorder Records** was established to defray the cost of storing, restoring, and imaging the County Recorder's documents. The primary service provided by this budget unit is the maintenance, repair and imaging digitization of the County Recorder's documents. Sources include fees collected pursuant to Government Code Section 27361 on legal documents.

**Social Security Number Truncation** was established to defray the cost of implementing Government Code Section 27301 which requires local governments to truncate the first five digits of social security numbers (SSN) that appear in records that may be disclosed to the public. The law requires the Recorder to implement the SSN truncation program for all records back to 1980. The primary service provided by this budget unit is the review of all recorded documents, flagging of high-value personal information, truncation of the first five digits of the SSN, and the creation of a separate index and images for public view. Sources include fees collected pursuant to Government Code Section 27301. There is no staffing associated with this budget unit.

**Systems Development** includes \$2.8 million in Requirements to fund 7 positions, costs for document indexing/imaging, computer hardware, software and associated maintenance. Sources of \$2.3 million are from Recorder modernization fees. Fund Balance of \$513,796 is being used to support ongoing costs related to the modernization of Recorder systems. The department is reviewing operations in an effort to make adjustments to programs to reduce the reliance on Fund Balance in future years.

**Vital Records** includes \$143,689 in Requirements for computer software, printing and other professional services. Sources of \$175,000 are from vital and health statistic fees. Contribution to Fund Balance of \$31,311 will fund future vital records system improvements.

**Electronic Recording** includes \$340,553 in Requirements for computer hardware and CeRTNA related expenses. Sources of \$462,000 are from electronic recording fees and anticipated interest earnings. Contribution to Fund Balance of \$121,447 will fund future electronic recording system improvements.

**Recorder Records** includes \$457,955 in Requirements to fund 3 positions and costs associated with preservation efforts. Sources of \$458,000 are from records fees and anticipated interest earnings. Contribution to Fund Balance is \$45.

**Social Security Number Truncation** includes \$344,939 in Requirements to fund the cost of truncating records as required by law. Sources of \$525,000 are from redaction fees and anticipated interest earnings. Contribution to Fund Balance of \$180,061 will fund future social security number truncation system improvements.

**BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are decreasing by \$291,511 primarily due to decreases in budgeted maintenance costs and increases to Reimbursements. Sources are increasing by \$632,600 primarily due to an increase in the number of recorded documents processed.

**ANALYSIS OF FUND BALANCE**

Fund Balance has historically been used for special projects and periods of temporary revenue decline, and has increased during years of strong revenues in all Recorder special revenue funds. In 2017-18, the department anticipates the Use of \$513,796 of Fund Balance in the Systems Development special revenue fund to support ongoing costs related to the modernization of Recorder systems. The department is reviewing operations in an effort to make adjustments to programs to reduce the reliance on Fund Balance in future years.

## Auditor-Controller/Treasurer/Tax Collector

### DESCRIPTION OF MAJOR SERVICES

The Office of the Auditor-Controller/Treasurer/Tax Collector (ATC) is responsible for providing the County and its constituents with a variety of accounting, collections, and investment services.

The Controller Division records the collections and performs the accounting, reporting, and claims of all County financial activities to ensure sound financial management. It is also responsible for developing and implementing accounting systems and standards, and administering the Countywide Cost Allocation Plan.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$41,101,564
Total Sources (Incl. Reimb.)	\$28,498,082
Net County Cost	\$12,603,482
Total Staff	321
Funded by Net County Cost	31%

The Disbursements Division is responsible for vendor payments and payroll services. The Property Tax Section is separating from the Disbursements Division and becoming its own division. The new Property Tax Division is responsible for implementing new legislation regarding the tax apportionment process; compiling property tax rates; transferring tax base between jurisdictions and tax rate areas for mandated jurisdictional changes; processing tax bill/roll corrections and changes; processing certain refunds to tax payers; disbursing revenue to taxing agencies; managing pass-through agreements; performing pass-through calculations; and administering the Redevelopment Property Tax Trust Fund for the entire County, which was previously managed by the Redevelopment Agencies. 2015 California Senate Bill 107 requires that the 26 Oversight Boards of the 26 Successor agencies be combined into one Oversight Board by July 2018, and ATC in collaboration with the Economic Development Agency will staff the Board.

The Treasurer Division performs the County's treasury function, including the investment of all County and School District funds within the County investment pool and associated banking services. The Treasurer currently manages assets of \$5.3 to \$6.6 billion. The Tax Collector Division collects property taxes for all County taxing entities and is anticipated to collect over \$2.4 billion in secured property taxes and other fees in 2016-17.

The Central Collections Division provides collection services for the County and Superior Court, and is anticipated to collect nearly \$42.4 million for the year ending June 30, 2017, consisting of \$24.7 million for collection of court-ordered payments and \$17.7 million for Arrowhead Regional Medical Center's delinquent accounts receivable.

The Auditor Division performs operational and financial audits of departments, agencies, and special districts; evaluates internal controls for operational improvement; and operates the Fraud, Waste, and Abuse Hotline.

Note: Auditor-Controller/Treasurer/Tax Collector is classified as a central service department in the Countywide Cost Allocation Plan (COWCAP). In order to allocate full central service costs to the County's operating departments, central service departments do not pay COWCAP charges. Not included in this budget is \$184,584, which represents Auditor-Controller/Treasurer/Tax Collector's share of costs of other central service departments, such as Human Resources.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$25.9 million represent the majority of Requirements in this budget unit and fund 321 budgeted positions that are necessary to provide accounting, auditing, collections, and investment services to County departments and constituents. Sources primarily represent Fee/Rate and cost-reimbursement revenue generated by services provided.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.2 million, primarily due to an increase in Operating Expenses due to increased data processing costs and costs associated with collection services. Staffing Expenses are increasing primarily due to 2 new positions to expand and separate the Property Tax Division, and negotiated MOU increases. Sources are increasing by \$758,744, primarily due to an increase in Property Tax and Central Collections revenue.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$25.9 million fund 321 budgeted positions of which 300 are regular positions and 21 are limited term positions. The budget includes an increase of 4 net budgeted positions.

Four positions are deleted, including 1 Director of Central Collections (regular), 1 Contract Business Applications Manager (limited term), 1 ATC Building Coordinator (regular), and 1 Contract Accountant III (limited term). Four positions are added to Central Collections, including: 1 Accounting Technician to assist with increased workload related to the Court's new case management system; 2 Fiscal Specialists to perform advanced level work and be a resource to staff as subject matter experts; and 1 Secretary II to assist with increased workload of complex tasks. The Administrative Support budget unit is adding 1 ATC Maintenance Coordinator as replacement for the deleted ATC Building Coordinator to provide coordination of larger remodels and repairs, and to perform general repairs and modifications to the new one-site ATC building and grounds. The Information Technology budget unit is adding 1 Departmental IS Administrator, as the position is no longer necessary in the Automated Systems Development budget unit (AAP).

A reorganization of the Disbursements Division has transitioned 18 Property Tax staff to the new Property Tax Division. Two positions are being added to the new Division: 1 Auditor-Controller Division Chief and 1 Auditor-Controller Manager. This reorganization and additional staff are necessary due to the complexity and additional workload relating to the dissolution of the Redevelopment Agencies and the creation of the single Oversight Board.

## Redemption Restitution Maintenance

### DESCRIPTION OF MAJOR SERVICES

The Redemption Restitution Maintenance budget unit consists of revenue received from tax sales and the State of California for the Victim Restitution Rebate.

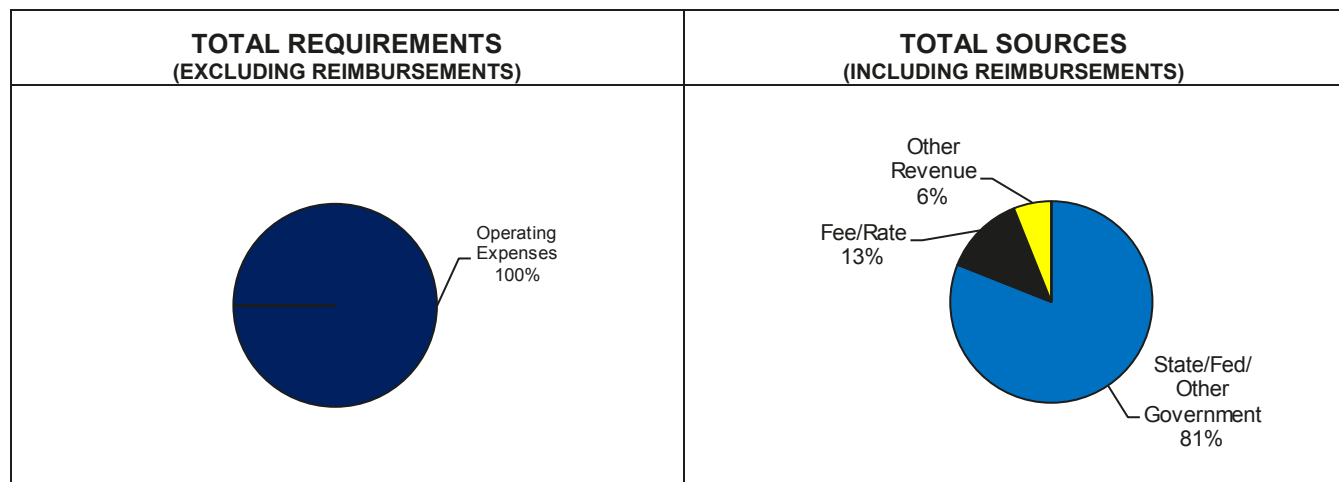

Redemption Maintenance accounts for revenue received from tax sales to defray the costs of maintaining the redemption and tax defaulted files, and the costs of administering and processing the claims for excess tax sale proceeds. Revenue includes unclaimed excess tax sale proceeds collected pursuant to Revenue and Taxation Code 4674.

Restitution Maintenance accounts for rebate revenue received from the State of California for collecting and submitting Victim Restitution funds timely to the State, per Government Code 13963(f). Additionally, the rebate revenue received is used to further collection efforts.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$200,000 represent a transfer to the Auditor-Controller/Treasurer/Tax Collector's General Fund budget unit for Staffing and Operating Expenses for work related to the processing of excess tax sale proceeds. Sources of \$232,000 represent revenue from the State of California and anticipated interest earnings.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Sources are decreasing by \$5,500 due to a decrease in the anticipated rebate revenue on restitution orders.

## ANALYSIS OF FUND BALANCE

No Use of Fund Balance is anticipated. A Contribution to Fund Balance of \$32,000 is anticipated in 2017-18 as Sources are expected to exceed Requirements. In future years, Fund Balance can be used for processing tax sale excess proceeds and to further collection efforts for victim restitution.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

Health is comprised of six general fund budget units: Health Administration, Behavioral Health, Alcohol and Drug Services, Public Health, California Children's Services and Indigent Ambulance. In addition, ten special revenue funds have been established to act as financing budgets for the Health Administration, Behavioral Health and Public Health general fund budget units. Each special revenue fund collects and disburses funds based on the

specific purpose and activities established including, but not limited to, alcohol and drug prevention services, tobacco cessation services and preparedness and response.

NOTE: IHSS Public Authority is reported in the 'Other Agencies' section of this budget document.

Human Services is composed of eight County Departments: Transitional Assistance (TAD), Children and Family Services (CFS), Aging and Adult Services (DAAS), Preschool Services, Child Support Services, Veterans Affairs, Behavioral Health (BH) and Public Health (PH). Children's Network, a separate agency, also works in conjunction with the core Human Services departments. Additionally, there are several support divisions under Human Services Management Services, including the Performance, Education and Resource Center which provide administrative and training support to the Human Services Departments.

Transitional Assistance, Children and Family Services, Aging and Adult Services, and all Human Services support divisions are included in the Human Services Administrative Claim process. The purpose of the claim process is to provide the County with the means for determining the costs applicable to each of the numerous welfare programs. This cost determination is necessary to satisfy federal and state reporting and funding requirements and to determine appropriate federal and state financial reimbursement to the County for each of the welfare programs.

Subsistence Payments and Aid to Indigents (general relief) are either direct payments to welfare recipients or payments to organizations that provide service to the welfare recipients. The Human Services Assistant Executive Officer is responsible for all of the above budget units.

## HEALTH ADMINISTRATION

### DEPARTMENT MISSION STATEMENT

*Health Administration develops and coordinates budgets, policies, and procedures for the County's health care departments in accordance with the strategic goals adopted by the Board of Supervisors, the County Charter, and the general laws.*

## Health Administration

### DESCRIPTION OF MAJOR SERVICES

The role of the Health Administration budget unit is to seek and support opportunities to foster collaboration among the Department of Public Health (PH), Department of Behavioral Health (BH), and the Arrowhead Regional Medical Center (ARMC). Health Administration provides regular fiscal and policy analysis relating to the operations of these departments. Additionally, Health Administration manages the Health Administration budget unit, which includes funding and related transactions for the County’s contribution for ARMC debt service payments, health related maintenance of effort costs, and transfers required to obtain federal health care funding.

Budget at a Glance	
Total Requirements (Excl. Reimb.)	\$140,367,772
Total Sources (Incl. Reimb.)	\$125,367,772
Net County Cost	\$15,000,000
Total Staff	0
Funded by Net County Cost	11%

This budget unit includes Intergovernmental Transfers (IGT) to the state for Medi-Cal managed care and Section 1115 Waiver related payments which consists of three components: PRIME, Global Payment Program (GPP), and Whole Person Care (WPC). These IGTs are used to send the non-federal share of Medi-Cal managed care and Section 1115 Waiver payments to the state in order to receive matching contributions. The initial investment is returned to this budget unit.

Medi-Cal managed care payments provide for maximum reimbursement under the allowable rate range. PRIME funding is tied to results and is based on meeting metrics and project objectives set to national standards. GPP funding is tied to treating remaining uninsured through non-traditional or complementary services. WPC is designed to provide comprehensive integrated care to high-risk and vulnerable patients. These payments are reflected as a matching contribution to the state, with a return of the initial investment to this budget unit.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Major Requirements include Intergovernmental Transfers to cover the required local match for Medi-Cal managed care, PRIME, GPP, and WPC programs, as well as debt service for ARMC. The major revenue source is the matching funds received from the state.

County General Fund support and realignment funds totaling \$20.4 million are used to pay a portion of the ARMC debt service (\$14.9 million), Realignment AB 8 match of \$4.3 million, 2-1-1 San Bernardino Program, and administrative costs. To qualify for receipt of Health Realignment funding from the state, the County must contribute a 'match' of local funds. The County's \$4.3 million match is based on a formula established through AB 8 in 1979. This amount has remained constant throughout the years.

Realignment funds support costs in this budget unit as follows:

- Mental Health at 8.34%;
- Social Services at 1.14%;
- Health at 90.52% (which also covers debt service payments).

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$3,604 due to decreased administrative and debt service costs, which results in a decrease in Sources needed to meet Requirements.

# Master Settlement Agreement

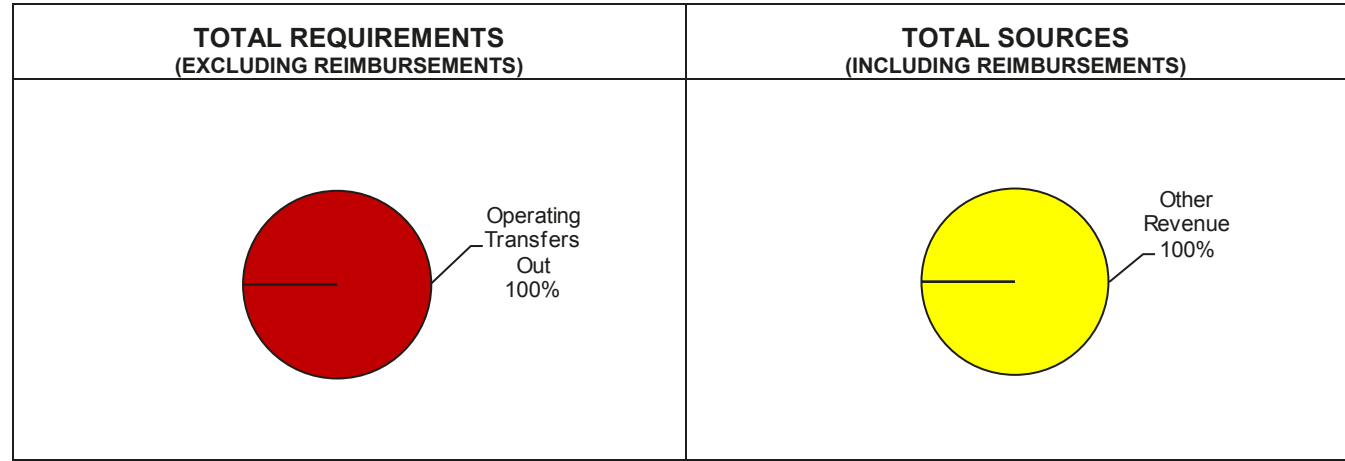

## DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for proceeds received from the tobacco lawsuit Master Settlement Agreement (MSA). In late 1998, a settlement was reached in a lawsuit filed by states against the tobacco industry. In California, the proceeds of the settlement are divided equally between the state and local governments who partnered in the lawsuit. Payments to local governments are based on a formula involving total tobacco sales and each local entity's population.

A majority of the County's total proceeds are used each year to fund a portion of the Arrowhead Regional Medical Center (ARMC) debt.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Transfers Out of \$17.0 million reflect a transfer to the General Fund to fund the Net County Cost within the Health Administration budget unit and to offset increased health care costs within the Department of Public Health. Health Administration uses that Net County Cost to fund the \$4.3 million local match requirement for 1991 Health Realignment and \$10.7 million of debt service for ARMC.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Sources are decreasing \$212,318 and have been budgeted conservatively based on average receipts over the last four years, excluding extraordinary revenue. Revenues have remained stable over the past four years.

## ANALYSIS OF FUND BALANCE

Fund Balance is expected to increase by \$168,838 based on the continued trend of revenues exceeding the base expenditure.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Managed, administered, and evaluated over \$100 million of Mental Health Services Act (MHSA) funded programs serving over 170,000 children, adults, and families in San Bernardino County.
- Implemented the American Society of Addiction Medicine (ASAM) residential substance use and/or addictive disorder (SUD) treatment services.
- Continued to maintain clinical and supportive resources for victims, family members, County staff and community members since the act of terrorism, also referred to as the Waterman Incident.
- Provided emergency and crisis behavioral health services through the deployment of 82 behavioral health first responders to the community affected by the Blue Cut Fire.
- Initiated program and system changes to respond to the statewide Continuum of Care Reform and Presumptive Transfer mandates, including education for clinical staff and community partners about the foundational changes.
- Expanded services by providing wraparound and homeless supportive services to 112 chronically homeless County residents with behavioral health conditions.
- Expanded residential services for adults with serious mental illness, providing high-level care in a homelike setting that helps residents utilize community resources for ongoing care.

## Behavioral Health

### DESCRIPTION OF MAJOR SERVICES

The Department of Behavioral Health is responsible for providing mental health services to County residents who are either unable to afford treatment or do not live in proximity to private services. Treatment is provided to all age groups, with primary emphasis placed on treating children, families and chronically mentally ill adults (in that priority). Services are delivered throughout the County via a network of department-operated clinics, community based contract providers (residential and psychiatric skilled nursing facilities and acute hospitals), public schools, and other community-based settings. Services include: information and referrals, community outreach, client self-help and support groups, a variety of children's programs, mentally ill homeless program, employment services, case management, crisis and transitional residential assistance, augmented board and care placements, conservatorship services, supportive housing services and client transportation assistance. The department also operates as a training setting by administering various internship programs and offering continuing education for licensed department and contractor staff.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$60.8 million fund 581 positions. Operating Expenses of \$141.8 million are primarily for \$85.1 million in contracted and specialized services. Capital Expenditures of \$1.5 million include the purchase of fixed assets related to the expansion of the Hesperia Outpatient Clinic and the East Valley Outpatient Clinic. Capital Expenditures also include items such as vehicles, computers, and other equipment to enhance the ability of the mental health clinicians to provide services in the field. Operating Transfers Out of \$32.0 million include \$12.9 million for a new facility for the Children and Youth Collaborative Service (CYCS) program, as well as transfers of 2011 Realignment funds necessary to secure Federal and State matching funding to the Mental Health Services Act (MHSA) budget unit.

Reimbursements of \$20.1 million include \$10.6 million from the MHSA and Alcohol and Drug budget units for administrative and staffing support, \$5.4 million from the MHSA budget unit for the new CYCS facility, and \$4.1 million in Reimbursements from other County departments for program staffing expenses, CalWORKs, rents, and other program operations.

Realignment sources of \$108.4 million consist of 1991 Realignment and 2011 Realignment, including Public Safety Realignment. State, Federal, and Other Government sources of \$101.3 million include Medi-Cal Federal Financial Participation, Affordable Care Act (ACA), and the Mental Health Block Grant. Other Revenue of \$4.3 million includes payments from the Social Security Administration, reflecting Medicare indigent care for the disabled, and other agencies.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$7.5 million due in part to an increase of \$1.3 million in Operating Expenses, which reflects an increase of \$4.5 million for service provider contracts for crisis services at the Arrowhead

Regional Medical Center (ARMC) Behavioral Health Center, an increase of \$1.1 million in payments to independent contractor psychiatrists to provide increased clinical services, offset by a reduction of \$2.2 million in fee for service contract costs and a reduction of \$2.0 million for Therapeutic Based services costs. Operating Transfers Out is increasing by \$2.6 million primarily due to an increase in transfers to the MHSA budget unit for increased Early and Periodic Screening, Diagnosis, and Treatment (EPSDT) services. Changes in Requirements also include an increase in Staffing Expenses of \$428,944 which reflects negotiated MOU increases. Capital Expenditures are decreasing \$347,094 due to decreasing requests for IT and furniture expenditures following relocation of multiple department facilities. Reimbursements decreased by \$3.4 million due to a \$2.2 million decrease from the MHSA budget unit reflecting a change in services provided and a \$1.2 million decrease due to a revised MOU with the Sheriff's department whereby jail clinicians are no longer provided by the Department of Behavioral Health.

Sources are increasing by \$7.5 million primarily due to an increase in 2011 Realignment of \$2.8 million and an increase of \$4.1 million in State, Federal, and Other Government sources which includes an increase in Medi-Cal revenue related to program expansion, increased service capacity, and expanded eligibility under ACA.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$7.3 million fund 86 budgeted positions. Operating Expenses of \$29.8 million are comprised primarily of \$25.4 million in professionally contracted services and interdepartmental transfers (\$3.2 million) for prevention services, contracted emergency physician services, rents, facility charges, and Behavioral Health General Fund administrative support. Capital Expenditures of \$52,600 fund improvements to structures and the purchase of equipment for the expansion of the Hesperia and Highland (East Valley) clinics and the Screening Assessment and Referral Center. Together these expenditures support the clinics and programs that provide SUD services to County residents.

Reimbursements of \$19.9 million include support from the Transitional Assistance Department, Children and Family Services, Public Health, and the department's special revenue funds that support ADS programs, and the Behavioral Health General Fund budget unit for SUD related services.

Sources of \$17.1 million include federal and state funds: Drug Medi-Cal (DMC), Affordable Care Act Drug Medi-Cal, Substance Abuse Prevention and Treatment Block Grant, 2011 Realignment, and Public Safety Realignment.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.5 million due to an increase in Operating Expenses of \$2.3 million primarily related to the increased use of contract behavioral health clinics to provide additional narcotic treatment services to homeless and other SUD clients as well as an increase of \$212,050 in Staffing Expenses primarily related to the addition of one position and negotiated MOU increases.

Sources are increasing by \$2.5 million due to an increase in Realignment of \$847,736, and additional State/Federal/Other Governmental Revenue of \$1.6 million related to DMC revenue generated from additional services provided to clients in the Narcotics Treatment Program (NTP) and Outpatient programs.

### STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$7.3 million fund 86 budgeted positions of which 83 are regular positions and 3 are limited term positions. The budget includes the addition of 1 Social Worker II position, which is required to monitor performance of the contract behavioral health clinics noted above and to ensure compliance with federal, state, and County policies.

## Mental Health Services Act

### DESCRIPTION OF MAJOR SERVICES

On November 2, 2004, voters passed Proposition 63, which established a state personal income tax surcharge of one percent on the portion of taxpayers' annual taxable income that exceeds \$1.0 million. The proposition was enacted into law as the Mental Health Services Act (MHSA), effective January 1, 2005. The overall purpose and intent is "to reduce the long-term adverse impact on individuals, families, and state and local budgets resulting from untreated serious mental illness to ensure that all funds are expended in the most cost effective manner and to ensure accountability to taxpayers and to the public."

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$53.6 million fund 648 positions. Operating Expenses of \$152.8 million are primarily for \$113.1 million in contracted and specialized services and \$21.6 million in interdepartmental transfers for mental health crisis services provided by Children's Network, Children and Family Services, Probation, Public Defender and Public Health. Also included are administrative and program expenditures to execute the recommended MHSA Plan.

Capital Expenditures of \$3.4 million and Operating Transfers Out of \$35.6 million primarily fund the establishment of two Crisis Stabilization Units (CSU) in the East Valley and West Valley, and four Crisis Residential Treatment (CRT) Centers in San Bernardino, High Desert, West Valley, and Morongo Basin which will provide 24 hour services to individuals with mental health and substance use disorders.

Reimbursements of \$1.0 million include support from the Behavioral Health (BH) General Fund budget unit and the Alcohol and Drug Services (ADS) General Fund budget unit for program related salary and rent reimbursements.

State, Federal and Other Government Sources in the amount of \$156.8 million includes revenue from the Mental Health Services Act, Medi-Cal Federal Financial Participation and Affordable Care Act, and Senate Bill 82 Investment in Mental Health Wellness Act of 2013 (SB82) Grants. Other Revenue of \$6.4 million includes revenue from Children and Family Services for Screening, Assessment, Referral and Treatment services (SART), Social Security Supplemental Security Income through Interim Assistance for indigent clients, rent reimbursement, and anticipated interest earnings.

Operating Transfers In from the BH General Fund budget unit of \$17.7 million primarily consists of 2011 Realignment for Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services, and Public Safety Realignment for mental health services provided to probationers.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$33.4 million, primarily due to an increase in Operating Expenses of \$33.0 million, reflecting increased costs in professional and contracted services for Therapeutic Behavioral Services, the Regional Full Services Partnership, Comprehensive Child and Family Support Services, and SB 163 Wraparound Program services. These additional services will allow the department to increase the number of consumers served. Staffing Expenses are increasing by \$3.6 million due to the addition of 30 positions and negotiated MOU increases. Operating Transfers Out are decreasing by \$3.0 million related to partial completion of two CSUs located in the East Valley and West Valley and completion of two CRT Centers in the West Valley and Morongo Basin.

Sources are increasing by \$4.9 million. Medi-Cal revenue is increasing by \$16.4 million due to increasing service capacity. MHSA revenue is decreasing by \$1.7 million based on the state's projections. State grant funding is decreasing by \$12.9 million due to the elimination of the one-time SB82 grant revenue from the California Health Facilities Financing Authority (CHFFA), elimination of the Department of Housing and Urban Development Continuum of Care grants associated with the Office of Homeless Services upon its transfer to the Community Development and Housing Agency in 2016-17, and the elimination of the SB82 Triage grant from the Mental Health Services Oversight and Accountability Commission. Operating Transfers In are increasing by \$3.0 million due to an increase in 2011 Realignment, including Public Safety Realignment received from the Behavioral Health (BH) General Fund budget unit.

## ANALYSIS OF FUND BALANCE

The use of \$63.5 million of Fund Balance includes the use of \$32.4 million related to one-time expenditures primarily to supplement the SB82 grants received to facilitate the construction and establishment of two CSUs, four CRT Centers, startup costs associated with the new Electronic Health Record system, and other one-time capital expenditures. Other one-time uses for construction include \$5.4 million to fund a portion of the new Children and Youth Collaborative Services facility. \$25.7 million of Fund Balance is used for ongoing expenses, primarily increases in Children and Youth Services, CSU, and CRT contracts. DBH has begun an internal review of sources and requirements in conjunction with program needs to reduce the ongoing use of fund balance.

## Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Block Grant Carryover Program** are funds utilized by Alcohol and Drug Services (ADS) received from the State Department of Health Care Services (DHCS) under a multi-year cost reimbursement contract that allows the County to retain unused federal Substance Abuse Prevention and Treatment (SAPT) funds for use in the next fiscal year. These funds are to be spent on alcohol abuse prevention, education, and treatment in schools and the community as described in the annual update to the contract between the County and the State. Funds are transferred to the ADS Budget Unit, based on the needs of the program.

Total Staff	0

**Court Alcohol and Drug Program** funding is provided by three sources: the Statham funds, which are fines collected from individuals convicted of Driving Under the Influence (DUI) offenses; Senate Bill 921 of September 24, 1996, which requires persons convicted of an offense involving a controlled substance to pay a drug program fee in an amount not to exceed \$100 for each separate offense; and Senate Bill 920 of September 24, 1996 that requires persons convicted of specific alcohol related offenses to pay an additional alcohol abuse education and prevention penalty assessment in an amount not to exceed \$50. Funds are transferred to the ADS Budget Unit based on needs of the program.

**Driving Under the Influence Program** as per Title 9, Division 4, Chapter 3, 9878 (m) of the State regulations and Health and Safety Code 11837.8 (a), the Department of Behavioral Health charges fees to privately owned and operated vendors for monitoring Penal Code (PC) 1000 and DUI programs. The County supervises these programs as required by Vehicle Code Section 1660.7, which states that the supervision and regulation of the first offender program resides with the County. Fees collected from privately owned and operated DUI programs within the County are deposited to the special revenue budget unit. Funds are then transferred to the Alcohol and Drug Services budget unit, as needed, to meet the costs of staff assigned to this function. These funds can only be used for the cost of monitoring PC 1000 and DUI programs.

## DETAIL OF 2017-18 RECOMMENDED BUDGET

<b>Special Revenue Funds</b>					
Block Grant Carry Over Program (SDH)	11,093,971	10,422,032	671,939	6,617,881	0

Total Special Revenue Funds	11,934,008	11,110,862	823,146	9,520,859	0

**Block Grant Carryover Program** has Requirements of \$11.1 million for Operating Expenses which primarily consist of transfers to the ADS General Fund budget unit for salaries and benefits as well as other costs related to alcohol abuse prevention, education, and treatment in schools and the community. Sources of \$10.4 million are primarily from federal aid received through DHCS and anticipated interest revenue. Use of Fund Balance of \$671,939 will be used for transfers to the ADS General Fund budget unit to fund the expansion of Substance Use Disorder (SUD) treatment services.

**Court Alcohol and Drug Program** has Requirements of \$661,277 for Operating Expenses to fund SUD Program costs that are paid in the ADS General Fund budget unit. Sources of \$510,070 include fines collected from DUI offenders and anticipated interest. Fund Balance of \$151,207 will be used to expand a new diversion program.

**Driving Under the Influence Program** has Requirements of \$178,760 for Operating Expenses to fund salaries and benefits and other expenditures in the ADS General Fund budget unit incurred in monitoring the DUI/Deferred for Entry of Judgment programs. Sources of \$178,760 include DUI fees paid by program providers and anticipated interest revenue. There will be no contribution to or use of Fund Balance.

### **BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are decreasing by \$224,295. Operating Expenses consisting of transfers to the ADS budget unit have decreased primarily due to termination of HIV services and equipment purchases from the reallocation of Administrative staff.

Sources are increasing by \$379,849 due to an increase of \$235,581 in the federal block grant award, an increase of \$109,538 in fee revenue collected based on current receipts, and an increase of \$34,730 in interest revenue.

### **ANALYSIS OF FUND BALANCE**

The federal SAPT Block Grant award is available to the County for two fiscal years. Any balances from the first fiscal year are rolled over and can be used in the next fiscal year. Consequently, the fund balance primarily consists of these roll over balances and current deposits from the federal award to fund ongoing expenses. The primary reason for the decrease in fund balance is additional costs associated with the new diversion program for substance use disorder consumers and the expansion in contracts for current SUD treatment services. In future years, Drug Medi-Cal funding and State General Funds for expanded services to eligible clients will reduce utilization of the fund balance.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no budgeted staffing in these consolidated special revenue funds.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Presented the Community Vital Signs (CVS) Implementation Action Plan work activities and overview of the CVS Open Data Portal to the community at the 2017 National Innovative Communities Conference.
- Submitted application for national accreditation to the Public Health Accreditation Board (PHAB).
- Implemented a department-wide quality improvement (QI) program and completed over 50 QI cycles resulting in a number of enhancements, such as increased revenue, improved accuracy and reduced processing time.
- Coordinated department-wide efforts to support implementation of the department's Strategic Plan through staff engagement activities.
- Successfully moved the CHEMPACK to Arrowhead Regional Medical Center (ARMC) to reduce response time for lifesaving medications if a chemical incident occurs.
- Conducted mass vaccination clinic exercises at five new point of dispensing (POD) sites during flu season.
- Established a POD site memorandum of understanding (MOU) and a mobile pod trailer MOU with the Twenty-Nine Palms Band of Mission Indians, increasing capacity to serve tribal members.
- Assisted residents and pets evacuated during the Blue Cut Fire by establishing three emergency evacuation animal shelters and caring for over 1,100 displaced/evacuated animals.
- Determined medical eligibility for 83% of children referred to California Children's Services within five days of receipt of all necessary documentation.
- Replicated domestic violence integration and behavioral health integration programs at the Ontario and San Bernardino Health Centers.
- Received a National Association of Counties (NACo) award for collaboration with Children and Family Services (CFS) and the Department of Behavioral Health (DBH) on the psychotropic medication process.
- Received a grant to deliver free child safety seats and safety helmets to families in need through a collaborative effort with First 5 and San Bernardino Unified School District.
- Mobilized staff response to emerging Zika disease outbreak and facilitated local testing of over 500 cases.
- Received additional funding to support a Regional Breastfeeding Liaison to assist in implementing a department-wide lactation accommodation policy.
- Conducted 18 trainings to various prenatal providers on the Babies Optimal Nutrition Ultimate Support (BONUS) program to support breastfeeding.
- Implemented Aedes Mosquito Surveillance Abatement Program.
- Implemented risk-based inspection program for food facilities that meet elevated food risk criteria.

## Public Health

### DESCRIPTION OF MAJOR SERVICES

The Department of Public Health provides a wide range of services to prevent diseases and improve the health, safety and quality of life for residents and visitors of San Bernardino County. Many services are mandated by California Health and Safety Code.

Key delivery areas include Community Health, Disease Control and Prevention, Environmental Health, Animal Care and Control, and Community Outreach and Innovation. Community Health provides health care services that promote and improve the health of County residents and visitors, and assures the quality and accessibility of health care services to the public by providing clinical services through a network of Federally Qualified Health Centers (FQHCs) and Public Health clinics. Disease Control and Prevention provides for surveillance and prevention of communicable diseases, including tuberculosis, HIV, and other transmitted diseases, and provision of immunizations to prevent disease. Environmental Health prevents, eliminates, or reduces hazards adversely affecting health, safety and quality of life through integrated, regulatory programs such as Food Protection, Vector Control, and other Land Use/Water Protection programs. Animal Care and Control protects the public from rabies through dog vaccinations, stray animal abatement, wildlife rabies surveillance, and public education.

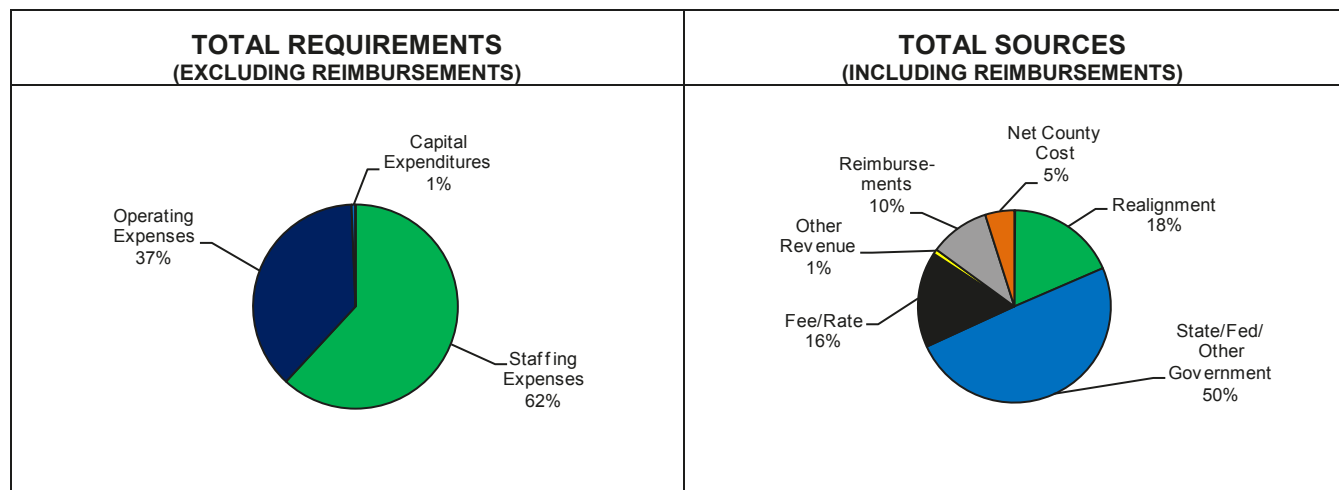

Community Outreach and Innovation encompasses Community Vital Signs, an ongoing community driven process that acts as a complement to the Wellness component of the Countywide Visioning process. This initiative builds upon the Countywide Vision by setting evidence-based goals and priorities for action that encompass policy, education, environment and systems change in addition to quality, affordable and accessible health care and prevention services. Implementation will involve the alignment and activation of resources and partnerships within the community to achieve shared goals that aim at improving the overall health and well-being of the County's residents.

The Department of Public Health is currently in the process of seeking national accreditation. Public Health accreditation measures performance against a set of nationally recognized standards that focus on accountability, efficiency, effectiveness, and outcomes. This includes using deliberate and defined continuous quality improvement processes that are responsive to community needs and improving community health.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$58.4 million fund 751 positions and represent staffing for eight medical clinics, 17 Women, Infants and Children (WIC) clinics, and two animal shelters, as well as multiple outlying County sites performing environmental health inspections, home visits, and animal control staff canvassing. Operating Expenses of \$35.4 million include services and supplies, travel, and transfers to other County departments. Capital Expenditures of \$580,190 are primarily for electronic health record (EHR) system implementation costs. Reimbursements of \$9.5 million include payments from other County departments for services provided by Public Health.

Sources of \$80.2 million include \$46.8 million in state and federal funding primarily from grants and Medi-Cal; \$15.2 million in Fee/Rate revenue primarily from license/permits and fees for service; \$769,921 in other grant revenue; \$125,000 in Operating Transfers In from County Fire which reflects Homeland Security Grant funding of a Medical Emergency Planning Specialist position; and \$17.3 million in Realignment revenue.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$288,289 primarily due to reduced expenditures in temporary help to support the Division of Environmental Health Services (EHS) and the elimination of one-time capital expenditures for the electronic health record system, offset by increased Staffing Expenses as a result of negotiated MOU increases.

Sources are increasing by \$1.0 million primarily due to new grant funding for the Reentry Program (Prop 47 funding pass-through from the Probation Department, paid out in turn to outside service providers), partially offset by decreases in other existing grants. Net County Cost is being reduced by \$1.3 million due to anticipated reduced expenditures in temporary help for EHS.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$58.4 million fund 751 budgeted positions of which 723 are regular positions and 28 are limited term positions. There is no net change in the number of budgeted positions (the addition of 18 new regular positions and 2 limited-term positions, and the deletion of 13 vacant regular positions and 7 vacant limited-term positions). The department made staffing adjustments to limited term positions through separate mid-year board agenda items, however, it is through the annual budget process that these positions are added to the budget. These staffing changes are needed to address changes in grant funding, operational needs, quality improvement, and to increase efficiency in operations.

## California Children's Services

### DESCRIPTION OF MAJOR SERVICES

California Children's Services (CCS) is a state program that provides case management, diagnosis and treatment services to individuals up to 21 years of age with severe qualifying medical conditions and whose families are unable to pay for all or part of the care. State law requires the County to maintain a mandated minimum funding level. In addition to realignment dollars and the County's mandated contribution, funding also comes from Medi-Cal, private insurance and patient co-payments.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$22,760,505
Total Sources (Incl. Reimb.)	\$18,292,112
Net County Cost	\$4,468,393
Total Staff	179
Funded by Net County Cost	20%

The revenue breakdown among federal, state, realignment and County General Fund support depends on the type of services provided under this program. This program provides two types of services.

1. Administrative Component – Case Management activities include determining program eligibility, evaluating needs for specific services, determining the appropriate providers and authorizing/paying for medically necessary care. Reimbursement for administrative and operational costs for County CCS programs is shared between the state and County as per Health and Safety Code Section 123955 (a). Effective 2016-17, County CCS Program Administrative funding allocations are assigned by the state based on prior fiscal year allocations and adjusted to include increases and decreases in CCS Program appropriations in the current year Budget Act.

Caseload percentages are currently as follows:

- Medi-Cal is 83.3% of the caseload. Federal and state funds reimburse CCS for 100% of the costs.
  - OTLICP (Optional Targeted Low Income Children's Program) accounts for 10.7% of the caseload. This federal and state program pays 88% of the costs. The remaining 12% local share is equally funded by Social Services Realignment (6%) and County General Fund support (6%) and is billed to CCS on a quarterly basis.
  - CCS or Non-Medi-Cal accounts for approximately 6% of the caseload. Federal and state funds pay for 50% of the costs associated with treating this clientele. The remaining 50% is split equally between Social Services Realignment (25%) and County General Fund support (25%).
2. Medical Therapy Component – This component provides physical therapy, occupational therapy and medical therapy conference services. Licensed physical therapists and certified occupational therapists provide evaluation, treatment, consultation services and case management. The state reimburses the County 50% of the costs incurred by this program up to the allocated amount prescribed by the state. The remaining 50% is equally funded by Social Services Realignment and County General Fund support. Additionally, this program is allowed to bill Medi-Cal for therapy provided to Medi-Cal eligible clients. This revenue is split 75% state and 25% County. Approximately 80% of the caseload in the medical therapy component is Medi-Cal eligible. The state also reimburses approximately \$80,000 for 100% of personnel costs while attending individualized educational programs per California AB3632.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$16.9 million fund 179 budgeted positions and comprise the majority of requirements within this budget unit. Operating Expenses include payments to the state and other providers for treatment costs and medical supplies.

Sources of \$18.3 million primarily consist of state and federal aid of \$13.8 million and \$4.5 million in Realignment funding.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.7 million primarily due to increased salaries and benefits associated with negotiated MOU increases, increased payments to OTLCP (Optional Targeted Low Income Children's Program) for medical services, and increased payments to the Public Health budget unit for indirect overhead costs.

Sources are increasing by \$1.5 million primarily due to an increase in federal and state grant funding. This increase funds the cost of MOU increases noted above and is not expected to have an operational impact to this program.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$16.9 million fund 179 budgeted regular positions. The budget includes the addition of 1 Supervising Pediatric Rehabilitation Therapist I, who will provide an appropriate level of supervisory oversight to staff rehabilitation therapists in light of a planned expansion of services at a Medical Therapy Unit. The budget also includes the deletion of 1 Supervising Social Worker. The program has transitioned from Social Workers to Social Service Practitioners. This supervisory position was no longer necessary; no operational impact will arise from this deletion.

## Indigent Ambulance

### DESCRIPTION OF MAJOR SERVICES

This budget unit provides funding for ambulance contractors who transport indigents to the Arrowhead Regional Medical Center or the closest hospital under certain life-threatening situations. Up to the extent of available appropriation, the fund also pays for the Sheriff/Coroner/Public Administrator's cost of transportation of inmates for medical treatment. The requirements in this budget unit are maintained at a constant level.

### DESCRIPTION OF MAJOR SERVICES

**Bioterrorism Preparedness** is supported by federal and state funding from the Centers for Disease Control, Pandemic Influenza and Cities Readiness initiative. Funds support the department's preparedness for and response to emergencies caused by bioterrorism, infectious disease, natural disasters and other public health threats such as Pandemic Influenza through the development and exercising of comprehensive public health emergency preparedness and response plans.

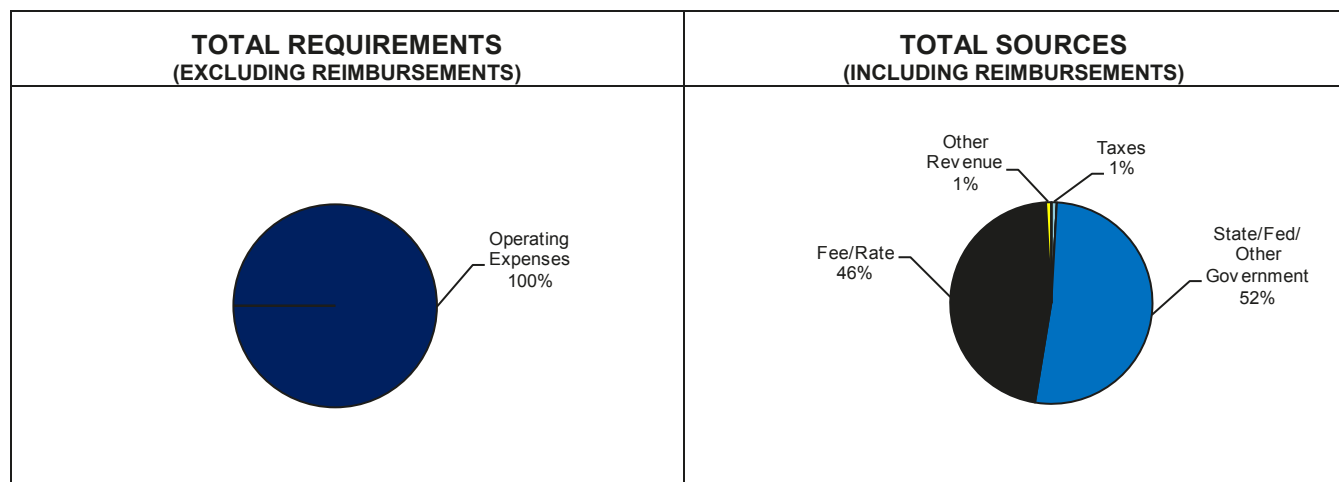

#### Budget at a Glance

**Vital Statistics State Fees** holds fees set by the state which are collected from the sale of birth and death certificates. Per Health and Safety Code 103625, all applicants for birth and death certificates shall pay an additional \$4, to be collected by the County, which is then disbursed 45% to the State Registrar and the remaining 55% retained by the department. The funds may be used to defray the administrative costs of collecting and reporting with respect to those fees but also to improve and/or modernize vital records operations, data collection and analysis.

**Vector Control Assessments** funding is received via the property tax roll and is dedicated for vector control services. The assessments are levied against parcels within the unincorporated areas of the County and the amount assessed depends upon the level of improvement on a given parcel. Services provided by the Vector Control Program include responding to citizen complaints/service requests for community control of vectors. Additional services include monitoring for the presence of vector borne diseases, inspecting poultry ranches, dairies, and riding academies for nuisance flies and other vectors, and direct abatement and control of vectors in sanitary sewer systems, flood control channels and basins.

## DETAIL OF 2017-18 RECOMMENDED BUDGET

	2017-18				
	Requirements	Sources	Use of / (Contribution to) Fund Balance	Available Reserves	Staffing
<b>Special Revenue Funds</b>					
Bioterrorism Preparedness	2,068,701	2,068,584	117	1,638	0
Vital Statistics State Fees	126,072	181,743	(55,671)	961,223	0
Vector Control Assessments	1,693,665	1,746,575	(52,910)	3,824,650	0
Total Special Revenue Funds	3,888,438	3,996,902	(108,464)	4,787,511	0

**Bioterrorism Preparedness:** Requirements of \$2.1 million represent transfers to the Public Health General Fund budget unit for the Preparedness and Response Program. Sources of \$2.1 million are primarily from federal aid.

**Vital Statistics State Fees:** Requirements of \$126,072 represent transfers to the Public Health General Fund budget unit for the costs of improvement/modernization of the vital records systems and operations. Sources of \$181,743 are primarily from collection of vital statistics fees set by the State.

**Vector Control Assessments:** Requirements of \$1.7 million represent transfers to the Public Health General Fund budget unit for the operation of the Vector Control program. Sources of \$1.7 million are primarily funding received via property tax assessments.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$362,220 primarily due to the reduction in one-time expenses related to the use of public health emergency preparedness carryover funds.

## ANALYSIS OF FUND BALANCE

The Net Contribution to Fund Balance of \$108,464 primarily represents a Contribution to Fund Balance of \$55,671 in the Vital Statistics Special Revenue fund and \$52,910 in the Vector Control Assessments Special Revenue fund. Inflows into these funds consist of vital records fees (which are set by statute) and property tax assessments, respectively, and are transferred out to meet departmental operating expenses.

The Net Contributions to Fund Balance noted above are offset by a Use of Fund Balance of \$117 in the Bioterrorism Preparedness Special Revenue fund.

## STAFFING CHANGES AND OPERATIONAL IMPACT

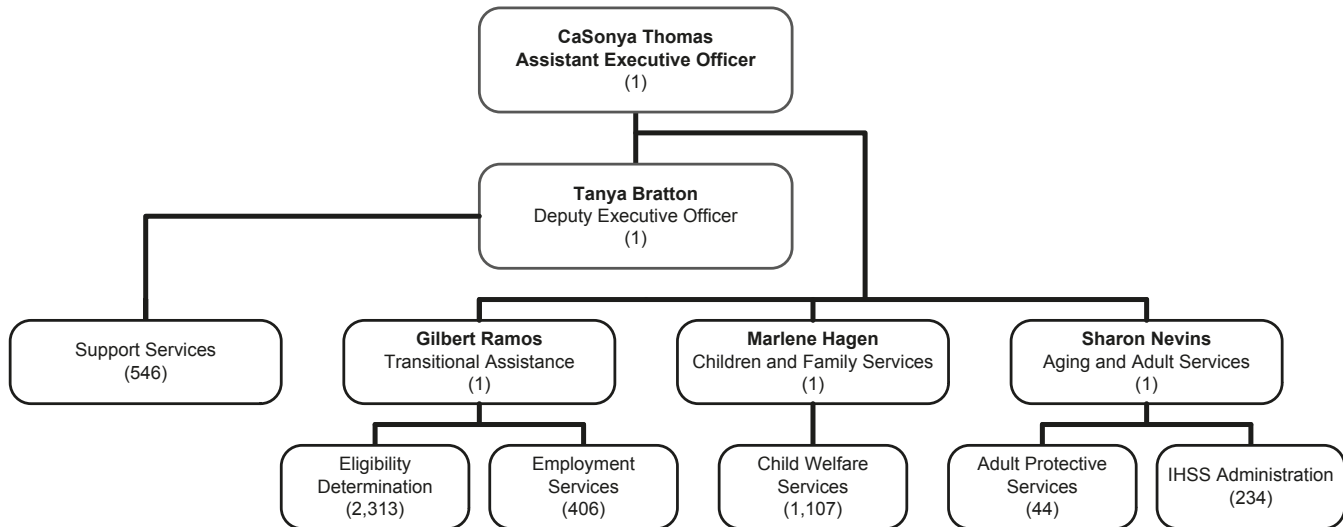

There is no staffing associated with the consolidated special revenue funds. Services for the above programs are provided by staff budgeted in Public Health's General Fund budget unit.

#### 2016-17 MAJOR ACCOMPLISHMENTS

##### Transitional Assistance Department (TAD)

- Processed 1.2 million phone requests (average of 98,000 calls per month) related to CalWORKs, CalFresh and Medi-Cal cases through the Customer Service Center (CSC). Also provided timely responses to County residents for Health Care Reform, handling the transferred calls from Covered CA Service Centers in 30 seconds or less, as mandated by the MOU signed by Consortia/DHCS/Covered CA. The average time to answer was 10 seconds.
- Collaborated with Workforce Development Department (WDD) and placed 425 CalWORKs customers into subsidized employment.
- Processed CalFresh cases at a 97.5% accuracy rate.
- Processed over \$30.0 million in federal and state tax refunds and served more than 13,323 taxpayers in communities throughout San Bernardino County through the Volunteer Income Tax Assistance (VITA) program. These refunds stimulate economic activity in addition to fighting poverty and leading to increased self-sufficiency.

### **Children and Family Services (CFS)**

- Opened the After-Hours Response Center (ARC) to provide optimal emergency response services to children and families throughout the County 24/7. ARC locates emergency placement for children after normal business hours.
- Received National Association of Counties (NACo) Achievement Awards for Child Mental Health: A Comprehensive Collaborative Strategy, Parent Partner Program and Services, Meeting Kinship Needs through a Resource Portal, and Psychotropic Medication Protocol (in collaboration with the Department of Public Health).
- Assessed 21,941 child abuse and neglect referrals encompassing over 24,664 children.
- Provided case management services to 9,889 children and young adults.
- Reunited 1,029 children with their families.
- Achieved permanency for 786 children through adoption and guardianship.

### **Department of Aging and Adult Services (DAAS)**

- Received National Association of Counties (NACo) Achievement Awards for In-Home Supportive Services Program Integrity Initiatives, Stakeholder Engagement and Interagency Coordination and Support Groups for Families of Conservatees.
- Provided In-Home Support Services to over 28,000 aged, blind and/or disabled County residents who were able to remain safely in their homes because of services provided.
- Processed 22,934 calls and referrals at the 24-hour Adult Protective Services hotline.
- Provided 318,133 congregate and 360,617 home-delivered meals to eligible seniors and their spouses.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Major requirements include the following:

- Staffing Expenses of \$352.6 million fund 4,655 positions.
- Operating Expenses of \$205.4 million represent expenses for County services, computer hardware and software, office supplies, insurance, mail services, professional services, communications, training, security, furniture, travel, goods and services for clients, facility leases, transfers out and miscellaneous operating costs.
- Capital Expenditures of \$2.5 million include expenses for fixed asset equipment, capitalized software and vehicles.
- Reimbursements of \$2.2 million include payments from other County departments to HS for administrative support services as requested.
- Operating Transfers Out of \$1.1 million provide the required local share of cost to the IHSS Public Authority.

Major sources include the following:

- Realignment revenue of \$111.9 million is used to match available federal funding and replace state funding for programs that have been realigned.
- Federal and state funding of \$413.7 million represents total available funding for the administration of mandated Human Services programs.
- Operating Transfers In of \$7.2 million represents funds provided from the Wraparound Reinvestment Fund utilized as a match to access additional federal funding for Children's Services programs. This funding enables Children and Family Services to maintain current service levels despite increasing costs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

The latest projection of available sources for social services programs include funding and mandated program changes as addressed in the 2017-18 Governor's Budget and an analysis of actual current realignment growth receipts. Caseload changes, mandated program changes, augmented funding for continuation of the Affordable Care Act and increasing realignment revenue receipts continue to provide additional funding for most HS programs.

While this budget anticipates stagnant or decreased allocations across many social services programs, the ongoing availability of statewide revenue and realignment revenue is uncertain. Because of this, HS continues to plan for the maximum possible available funding to effectively take advantage of potential funding increases, yet remains prepared for unexpected funding decreases. To prepare for possible future funding challenges, HS will continue to monitor developments at the state and federal levels in an effort to maintain mandated public services at appropriate levels while utilizing all available funding.

Plans for significant expenditures, whether for staff, services and supplies, equipment, or services to clients will be monitored closely and necessary adjustments will be made as future changes to the state budget are known. Any significant differences between this budget and actual allocations received from the state will be addressed through the County's quarterly budget adjustment process.

Overall, sources within this budget unit are expected to decrease by 2.2%. Reductions in available federal/state sources and increased use of realignment funds result in a net Requirements decrease of \$7.6 million as follows:

- Staffing Expenses are increasing by \$4.4 million. This is primarily due to negotiated salary and benefit increases. Savings realized from reductions in TAD staffing are offset by increases in CFS staffing and DAAS Staffing resulting in a net staffing decrease of 204 positions.
- Operating Expenses are decreasing by \$11.5 million. Changes are due to decreases in C-IV related computer expense, insurance, postage, office supplies and direct services provided to clients. These decreases are partially offset by increases in County services, data processing, and application maintenance services.
- Capital Expenditures are decreasing by \$416,210, which is primarily due to reductions in computer and capitalized software purchases.
- Reimbursements are increasing by \$30,150, which reflects an increase in the salary costs for HS administrative support.

Sources are decreasing by \$11.9 million as follows:

- Realignment usage is increasing by \$3.5 million and is possible because of increased realignment collections. This increase is required to fund increased program expenditures for CFS programs (\$2.0 million) and the mandated 3.5% IHSS MOE increase (\$1.5 million).
- Federal and state funding available for HS programs is decreasing a net \$14.9 million primarily due to decreased CalWORKs funding.

## NET COUNTY COST

Most HS programs are state and/or federal mandates. The County share of funding is either mandated as a percentage of total program costs or as a fixed maintenance of effort. County share is comprised of a combination of Net County Cost and revenue from realignment funds. Realignment funds were created by two distinct and separate state realignment processes to offset the costs that were shifted to the County from the state for realigned programs. Their use is limited to designated social services programs.

Changes to HS County share needs are as follows:

In aggregate, the HS Administrative Claim (DPA) budget unit includes a \$4.3 million net increase to Net County Cost. \$500,000 of this increase is the local share requested by CFS for staffing increases necessary to enhance services to an increasing number of County families in need. \$1.4 million is the local share required for HS to access the federal and state funding required to fund increased salary, IT and COWCAP costs. \$2.4 million is the local share required to fund the County share of the stepped reduction of enhanced state CalFresh Administration funding that has been available since 2010.

The incremental increase of \$2.4 million Discretionary General Funding (Net County Cost) represents funding necessary to maintain current staffing levels in the final year of the CalFresh waiver. This represents a reduction of \$1.0 million of one-time funding and an increase of \$3.4 million ongoing. This brings the current year match to \$4.9 million for CalFresh Administration. Future funding requests will be based on workload requirements and the department will continue to evaluate staffing needs based on caseload change.

Net County Cost figures are estimates and are dependent upon actual expenditures and use of available funding sources. HS will closely manage changes arising from the state budget, grant funding and available realignment revenue. Significant changes will be addressed through the County's quarterly budget update process, as needed.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$352.6 million fund 4,655 budgeted positions of which 4,637 are regular positions and 18 are limited term positions.

**TRANSITIONAL ASSISTANCE DEPARTMENT (TAD)**

A significant decrease in TAD CalWORKs funding is expected and a reduction of eligibility staffing is required. The stepped reduction of enhanced state CalFresh Administration funding would also require the reduction of eligibility staffing if not for the provision of additional Discretionary General Funding (Net County Cost). As a result, TAD has identified the need to make the following changes to current unfilled positions and future vacated positions:

**Deletions**

205 Eligibility Worker II  
11 Employment Services Specialist  
14 Employment Services Specialist Trainee

**CHILDREN AND FAMILY SERVICES (CFS)**

CFS funding increases due to availability of additional Realignment funding and additional Discretionary General Funding (Net County Cost) allows for a net increase of 14 budgeted positions (addition of 16, deletion of 2) staffing additions as follows:

**Deletions**

1 Child Welfare Services Manager  
1 Social Services Practitioner

**Additions**

10 Social Service Practitioner  
2 Social Worker II  
2 Child Welfare Services Manager  
2 Supervising Office Assistant

### **DEPARTMENT OF AGING AND ADULTS SERVICES (DAAS)**

The IHSS MOE limits the County's liability for necessary increases to provide services to an increasing elderly population. This MOE structure allows the County to provide mandated levels of IHSS services and requires the County to contribute an established match from local resources. The required County match increases by 3.5% each year. This structure allows DAAS to increase social worker and support staffing to the levels necessary to effectively service IHSS clients. Available funding provides for staffing additions as follows:

#### **Additions**

4 Social Worker II  
2 Social Service Practitioner  
2 Supervising Social Service Practitioner  
1 Office Assistant III

### **HS ADMINISTRATION AND SUPPORT SERVICES**

HS Administration and Support Services Divisions have operated with few staffing changes in recent years in an effort to allow increased funding to be utilized by HS departments so that they may add program staff necessary to provide required services to clients. Available funding will be utilized to provide necessary support to all HS departments and necessitates some staffing adjustments within the Administration and Support Divisions. Staffing changes include an increase of 3 net positions (addition of 4, deletion of 1) as follows:

#### **Additions**

1 Training & Development Specialist  
1 Appeals Specialist  
1 Administrative Analyst III  
1 Staff Analyst I

Performance Education and Resource Center

## Human Services Subsistence Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Aid to Indigents (General Relief)** provides mandated County subsistence in the form of cash aid for food, shelter and transportation to indigents who do not meet categorical eligibility requirements for state and federally funded programs. These general relief payments facilitate transition to an employable status and/or provide interim assistance pending receipt of Social Security Income (SSI) benefits. Revenue under this program represents retroactive SSI payments, which the County receives as reimbursements for general relief assistance provided to SSI eligible indigents prior to their enrollment in the SSI program and reimbursements made by non-SSI eligible indigents when assistance under this program is no longer needed.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$564,097,996
Total Sources (Incl. Reimb.)	\$528,408,685
Net County Cost	\$35,689,311
Total Staff	0
Funded by Net County Cost	6%

**Domestic Violence/Child Abuse Services** provides for a number of contracts with agencies to ensure temporary shelter, food, transportation, emergency services and treatment/counseling for adults and children who are victims of domestic violence and child abuse. The domestic violence program under SB 1246 is funded by a surcharge on marriage licenses and court fines imposed in domestic violence cases. The child abuse prevention program is funded by realignment and revenue generated from a surcharge placed on certified copies of birth certificates. Revenues from the surcharges are deposited into special revenue funds and used to fund the payments to contractors. These three revenue sources provide 100% of the funding for this program.

**Entitlement Payments (Child Care)** provides for the Stage One Child Care program administered by the Transitional Assistance Department (TAD). This program is one of the major programs of federal welfare reform and the resulting state CalWORKs program and is intended to fund child care for CalWORKs recipients who are seeking employment or have obtained employment. Child care provider payments are 100% federally and state funded through reimbursements by the state.

**Out-of-Home Child Care** provides assistance grants for room, board and care for children pending determination of eligibility for state or federal aid, those who are ineligible due to other resources or those who are undocumented residents. Some of these children have serious emotional and medical problems, which increase the difficulty of locating appropriate facilities for care. Costs for this program can fluctuate based on the unique nature and requirements of each individual case and are funded with Discretionary General Funding (Net County Cost).

**Aid to Adoptive Children** provides financial assistance to adoptive parents who would otherwise not be able to provide for a child's special needs. The children are either personally disadvantaged, physically handicapped or adolescents. This program enables hard to place children to be adopted and taken out of the higher cost Foster Care program. This budget unit is approximately 44% federally funded. The remaining 56% is funded with Realignment and Discretionary General Funding (Net County Cost).

**AFDC-Foster Care** provides aid payments for children living in foster homes and group-care facilities. The Foster Care caseload consists of cases from both Children and Family Services (CFS) (approximately 90%) and Probation (approximately 10%). The cost of Probation related foster care cases is approximately two times greater than CFS cases due to the higher levels of care required for these juveniles. There are two funding eligibility criteria in the Foster Care Program, federal (federal, Realignment and County participation) and non-federal (Realignment and County only). Foster Care placements are generally eligible for federal financial participation if the parents meet the previous Aid to Families with Dependent Children (AFDC) Program criteria.

- For federal cases, the cost-sharing ratios are now approximately 32% federal and 68% County.
- For non-federal cases, all costs are borne by the County.
- All County share-of-cost is funded with Realignment and Discretionary General Funding (Net County Cost).

**Refugee Cash Assistance** provides assistance payments for a maximum of eight months to all refugees who cannot meet the requirements for the Refugee Demonstration Project and CalWORKs programs. This program is 100% federally funded, and federal participation is open-ended.

**Cash Assistance for Immigrants** program, under AB 2779, provides cash assistance to aged, blind and disabled legal immigrants, who meet the Supplemental Security Income/State Supplementary Payment (SSI/SSP) immigration status requirements in effect on August 21, 1998, and all other current SSI/SSP eligibility requirements, yet are no longer eligible for SSI/SSP solely due to their immigration status. This program is 100% state funded.

**CalWORKs – All Other Families** provides CalWORKs assistance payments to families eligible for aid and includes all cases that have not been identified as two-parent families. The federal government reimburses 31% of the costs for this program. Approximately 67% is Realignment. The mandated 2% County share is funded with Discretionary General Funding (Net County Cost).

**Kinship Guardianship Assistance Program (Kin-Gap)** provides a subsidy to children who leave the juvenile court dependency system to live with a relative legal guardian. It offers relative caregivers of dependent children an option for providing a permanent home to these children. To be eligible for the program, the child must have lived with the relative at least 12 consecutive months, the relative guardianship must be established pursuant to Welfare and Institutions Code 366.26, and the juvenile court dependency for the child must be dismissed. Movement to the Kin-Gap program is not automatic. The court, with a recommendation from the social worker, has discretion regarding whether termination of dependency is in the child's best interest. This program is approximately 59% federally funded. The remaining 41% is funded with Realignment and Discretionary General Funding (Net County Cost).

**CalWORKs – 2-Parent Families** provides payments to resident families who are eligible for aid in accordance with state law. This budget includes all cases identified as having two parents in the home. The federal government reimburses 36% of the costs for this program. Approximately 62% is Realignment. The mandated 2% County share is funded with Discretionary General Funding (Net County Cost).

All HS Subsistence programs are mandated by federal or state law.

There is no staffing associated with these budget units. Services for the above programs are provided by staff budgeted in the Human Services (HS) Administrative Claim budget unit.

**Aid to Indigents (General Relief):** Requirements of \$1.2 million provide cash aid for food, shelter and transportation as well as SSI advocacy legal fees to indigents who do not meet categorical eligibility requirements for state and federally funded programs. Sources of \$300,000 represent aid payment reimbursement and SSI collections. This budget unit has a Net County Cost of \$947,820.

**Domestic Violence/Child Abuse Services:** Requirements of \$531,812 include Operating Expenses of \$1.4 million for contracts with agencies to ensure temporary shelter, food, transportation, emergency services and treatment/counseling for adults and children who are victims of domestic violence and child abuse. This is funded by Reimbursements of \$857,900 from surcharges placed on certified copies of birth certificates, marriage licenses and court fines imposed in domestic violence cases, and Sources of \$531,812 of realignment funding that is dedicated to the child abuse prevention program. There is no Net County Cost for this budget unit.

**Entitlement Payments (Child Care):** Requirements of \$23.8 million provide payments to child care providers for CalWORKs Stage One Child Care. Sources of \$23.8 million represent state and federal funding for the program. There is no Net County Cost for this budget unit.

**Out-of-Home Child Care:** Requirements of \$1.9 million provide assistance grants for room, board and care for children pending determination of eligibility for state or federal aid, those who are ineligible due to other resources, or those who are undocumented residents. This budget unit is 100% funded with Net County Cost.

**Aid to Adoptive Children:** Requirements of \$80.6 million provide assistance to adoptive parents who would otherwise not be able to provide for a child's special needs. Sources of \$78.0 million include \$35.7 million in federal revenue and \$42.3 million in Realignment revenue. This budget unit has a Net County Cost of \$2.7 million.

**AFDC-Foster Care:** Requirements of \$171.7 million consist of \$170.2 million in aid payments and other expenses for children living in foster homes and group-care facilities and \$1.5 million in transfers to the Wraparound Reinvestment Fund. Sources of \$148.6 million include \$55.8 million in federal revenue, \$90.5 million in Realignment revenue, \$1.5 million transferred from the Wraparound Reinvestment Fund and \$839,784 in Child Support collections. This budget unit has a Net County Cost of \$23.1 million.

**Refugee Cash Assistance:** Requirements of \$150,000 provide assistance payments for a maximum of eight months to all refugees who cannot meet the requirements for the Refugee Demonstration Project and CalWORKs programs. Sources of \$150,000 represent federal funding for the program. There is no Net County Cost for this budget unit.

**Cash Assistance for Immigrants:** Requirements of \$2.5 million provide cash assistance to aged, blind and disabled legal immigrants who are no longer eligible for SSI/SSP. Sources of \$2.5 million represent state funding for the program. There is no Net County Cost for this budget unit.

**CalWORKs – All Other Families:** Requirements of \$228.3 million provide assistance payments to families that are eligible for aid and include all cases that have not been identified as two-parent families. Sources of \$223.9 million include \$71.2 million in federal revenue, \$152.2 million in Realignment revenue, and \$554,740 in Child Support collections. This budget unit has a Net County Cost of \$4.4 million.

**Kinship Guardianship Assistance Program (Kin-Gap):** Requirements of \$16.3 million provide subsidies to relative caregivers of children who leave the juvenile court dependency system to live with a relative legal guardian. Sources of \$14.2 million include \$9.5 million in federal and state revenue, \$4.6 million in Realignment revenue, and \$40,797 in Child Support collections. This budget unit has a Net County Cost of \$2.1 million.

**CalWORKs – 2-Parent Families:** Requirements of \$36.2 million provide assistance payments to families eligible for aid and includes all cases that have been identified as two-parent families. Sources of \$35.5 million include \$13.1 million in federal revenue, \$22.4 million in Realignment revenue and \$17,738 in Child Support collections. This budget unit has a Net County Cost of \$705,576.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$14.9 million due to an increase in Operating Expenses that are direct payments of benefits to clients and contracted payments to service providers that provide vital, necessary services to children. The overall Operating Expense increase is due to increases in Adoptions, Foster Care, and Kinship Guardianship Assistance programs due to caseload growth and the addition of the new Approved Relative Caregiver (ARC) Program. ARC provides supplemental payments in the form of CalWORKs aid to relatives who provide care to Foster Care children. This new state mandated program is increasing Requirements and Sources by \$6.8 million.

Sources are increasing by \$12.3 million due to the following:

- Realignment is increasing by \$8.8 million and State/Fed/Other Government is increasing by \$4.6 million. Overall increases are the net of anticipated increases in Adoptions, Foster Care and Kinship Assistance programs that exceed anticipated decreases in CalWORKs assistance.
- Operating Transfers In is decreasing by \$1.0 million due to declining available funding in the Wraparound Reinvestment budget that is used to offset local matching funds for Foster Care.

Net County Cost is increasing by \$2.6 million primarily due to caseload increases in Adoptions, Foster Care and Kinship Guardianship Assistance Programs.

## Wraparound Reinvestment Fund

### DESCRIPTION OF MAJOR SERVICES

The Wraparound Services Program was created through Senate Bill (SB) 163, Chapter 795, Statutes of 1997, and is an intensive, community-based and family-centered process designed to allow children with serious behavior and/or emotional difficulties to remain in their community at the lowest level of care possible instead of being placed in a group home setting. Payments for Wraparound Services are included in the Aid to Families with Dependent Children (AFDC) – Foster Care budget unit. This bill allows counties to accumulate savings realized from a wraparound program and requires that the savings be reinvested in a Child Welfare Services Program.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$11,887,029
Total Sources (Incl. Reimb.)	\$8,525,000
Use of/ (Contribution to) Fund Balance	\$3,362,029
Total Staff	0

Contracts have been established with four agencies to provide countywide wraparound program services to high-risk children. These contracts stipulate that the County will retain 5% of the monthly Wraparound Foster Care payments for federally eligible cases and 10% of the monthly Wraparound Foster Care payments for non-federally eligible cases.

This budget unit will provide funding to 1) reinvest in services for youth in placement while they are being assessed for residential based services, 2) enhance services provided to foster care children and their families 3) expand services to youth aging out of the foster care system in order to promote self-sufficiency in these young adults, and 4) provide matching funds to access additional federal funding in support of the Child Welfare Services Program.

This budget unit does not require Discretionary General Funding (Net County Cost) since amounts are withheld from existing AFDC – Foster Care maintenance payments.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$10.4 million consist of the following:

- Operating Expenses of \$3.2 million for services and supplies, travel and public assistance expenses to supportive services to children in need.
- Reimbursements of \$1.5 million resulting from the retention of funds from contractor payments.
- Operating Transfers Out of \$8.7 million includes \$7.2 million to the Human Services Administrative Claim budget unit to provide matching funds allowing access to additional federal funding in support of the Child Welfare Services Program and \$1.5 million to the AFDC Foster Care budget unit for required matching funds previously matched with 1991 Realignment.

Sources of \$7.0 million are anticipated from unexpended funds that will be recovered from contractors as each annual contract settlement is concluded.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.2 million which includes the following:

- Operating Expenses are decreasing by \$191,500 due to an overall decrease in expenditures for sponsorships and miscellaneous supportive services. Many of these services are provided by Children and Family Services and are included in the HS Administrative Claim budget to leverage access to available federal revenue.

- Operating Transfers Out is decreasing by \$1.0 million due to the decreasing availability of reinvestment funds for Child Welfare Services Programs.

Sources are increasing by \$990,000 due to anticipated growth in recoveries from contractors.

Available Reserves are increasing by \$1.5 million. Remaining reserves may be used to cover future Wraparound Services program payments.

### **ANALYSIS OF FUND BALANCE**

The budget includes a use of Fund Balance of \$3.4 million to provide matching funds for Child Welfare Services Programs. This Fund Balance usage is less than the prior year usage of \$5.5 million, which was determined to be unsustainable. Realignment and other funding will be utilized to replace the use of wraparound funds to maintain current program levels and provide additional funding in the future.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with this budget unit. Services for this program are provided by staff budgeted in the Human Services (HS) Administrative Claim budget unit.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.2 million fund 34 regular positions and 7 limited term positions. Operating Expenses of \$7.0 million include funding for contracted services for the Elderly Nutrition, Senior Supportive Services, and Family Caregiver programs, and contracted services for the MSSP and the Transportation Reimbursement Escort (TREP) programs. Sources total \$9.7 million, of which \$4.3 million is for Senior Nutrition Services (Title IIC), \$1.2 million for MSSP, \$1.3 million for Senior Supportive Services (Title IIB), and \$779,000 for Family Caregiver. Operating Transfers In of \$1.1 million represent Discretionary General Funding for aging programs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$454,860 due to reductions in services and supplies, contracted vendor payments and one-time Capital Expenditures as a result of the elimination of one-time funding.

Sources are decreasing by \$454,860 primarily due to the elimination of one-time federal funding received for the Elderly Nutrition, Supportive Services, and Family Caregiver programs.

## ANALYSIS OF FUND BALANCE

Aging programs are fully reimbursed from federal and state funding sources with a required match that is funded with Discretionary General Funding (Net County Cost) reflected in Operating Transfers In. Typically, there is no Use of or Contribution to Fund Balance.

Public Guardian – Conservator

DESCRIPTION OF MAJOR SERVICES

By court appointment, the Public Guardian-Conservator acts as conservator of last resort for individuals found to be gravely disabled or who lack capacity to manage their finances and provide their own care. A conservator has the responsibility for the conservatee’s care, custody, and control. The conservator determines where the conservatee lives and ensures his/her daily needs are met. Conservatees must be placed in the least restrictive placement, which may include, but is not limited to the following: medical, psychiatric, nursing, or other licensed facility or state hospital, county hospital, or United States government hospital.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$2.2 million fund 27 regular positions. Operating Expenses of \$1.3 million represent program expenses that include COWCAP, Central Services, and County Counsel legal expenses. Reimbursements of \$2.1 million include funding received from the Department of Behavioral Health for conservatee case costs and from the Sheriff/Coroner/Public Administrator for shared warehouse costs.

Estate fee revenue of \$455,000 represents court-ordered fees paid to the department from the estates of conservatees.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$38,273 primarily due to the elimination of one-time Capital Expenditures. Staffing Expenses are increasing by \$392,951 due to three additional positions needed for increased caseload. Operating Expenses are increasing by \$129,094 primarily due to temporary nursing staff needed for increased caseload. These increases are funded with \$523,318 in Reimbursements received from the Department of Behavioral Health.

Sources are decreasing by \$21,000 as a result of decreased collections of court-ordered Estate Fees charged to conservatees from prior years. Net County Cost is decreasing by \$17,273 primarily due to decreases in COWCAP charges.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$2.2 million fund 27 budgeted regular positions. The budget includes an increase of 3 new positions - 1 Office Assistant II and 2 Deputy Public Guardian positions necessary due to an increase in ongoing casework. These positions are funded through an increase in Reimbursements from the Department of Behavioral Health.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Created and implemented a new strategic plan including a brand, mission, purpose and values.
- Collected \$184.0 million in child support payments for federal fiscal year 2016, a 3.9% increase from the prior year.
- Assisted over 1,700 customers through attendance at outreach activities and events.
- Collected \$510,015 via MoneyGram and PayNearMe services resulting in a 36.19% increase over last fiscal year.
- Implemented a paperless litigation file for use in court (Legal Paperless System) which has created efficiencies for staff and customers and saved the department over \$300,000 since its inception in March 2016.
- Expanded opportunities for customers to address and communicate their child support needs utilizing email.
- Expanded services to the public by opening the Victorville and Loma Linda branches on two Saturdays, which served approximately 200 customers in person.
- Deployed TouchPay kiosks in each branch to provide additional options for customers to pay child support.
- Achieved a program cost effectiveness, as of March 1, 2017, of \$4.61 collected in child support for every \$1.00 spent on program operations.
- Partnered with the Family Law Facilitator's office in holding 23 events and assisting 259 customers with their child support related issues.

## Child Support Services

### DESCRIPTION OF MAJOR SERVICES

The Department of Child Support Services (DCSS) promotes family self-sufficiency by working with parents to meet their mutual obligation to provide financial and medical support for their children. These services are offered throughout San Bernardino County with offices located in the high desert, west end, and the greater San Bernardino area.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$40,215,180
Total Sources (Incl. Reimb.)	\$40,215,180
Net County Cost	\$0
Total Staff	415
Funded by Net County Cost	0%

DCSS is dedicated to administering the program in a manner that puts the needs of the children first and foremost. The belief that working collaboratively with parents in understanding and meeting their obligations is a fundamental element in the success of the program.

The services provided by DCSS include the following:

- Locating parents to establish court orders for paternity, child and medical support.
- Enforcing court orders for child, family, spousal, and medical support.
- Securing child support payments.
- Maintaining records of payments made and balances due.
- Modifying court orders when appropriate.

Additionally, DCSS offers services to assist customers with concerns that may arise in the progress of their case. The Ombudsman program administers the Complaint Resolution process, in which customers have the opportunity to raise concerns with the processing of their case, pursue resolution, and obtain information about the child support program and their rights and responsibilities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$32.3 million fund 415 budgeted regular positions. Operating Expenses of \$7.8 million include COWCAP, professional service contracts, utilities, telephone services, leases, insurance, and other operating costs. Capital Expenditures of \$100,704 include purchases of technical equipment.

Sources of \$40.2 million primarily represent the state and federal allocation to fund child support operations. DCSS has no Net County Cost.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$269,479 primarily due to increases in COWCAP, professional services, security services, equipment purchases, and data processing charges. Negotiated salary increases require the department to reduce staffing by 10 net positions, which are currently vacant. Service levels will not be affected.

Sources are increasing by \$269,479 with anticipated revenue from the Procedural Justice Informed Alternatives to Contempt (PJAC) Grant.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$32.3 million fund 415 budgeted regular positions. Staffing changes include the addition of 1 Automated Systems Analyst II; and the deletion of 8 Child Support Officer I positions, 2 Child Support Assistant positions, and 1 Secretary I position, all of which are vacant positions.

With limited increases in state and federal funding, the deletion of 11 positions is necessitated by negotiated salary increases and other operational increases. The reduction in staffing will require redistribution of workload among existing staff. The budget includes a decrease of 10 net positions (addition of 1, deletion of 11).

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Major expenditures include Staffing Expenses of \$34.3 million to fund 841 budgeted positions that administer preschool program services. Operating Expenses of \$23.8 million include contracts for temporary help, food, subcontractors, and transportation. Also included are transfers to other County departments for services such as data processing, facilities management, insurance, lease payments, human services and information technology systems support, and human resources. Capital Expenditures of \$583,111 fund the purchase of playground flooring and shade structures for Head Start playgrounds. Additionally, Capital Expenditures will also fund a lighting project for the department's warehouse, and six vehicles that will replace fully depreciated vehicles. Reimbursements of \$821,000 are from the Department of Behavioral Health for the operation of the Prevention and Early Intervention (PEI) and the Low-Income First Time Mothers (LIFT) programs. These programs provide children with identified social-emotional developmental challenges, as well as at-risk low-income first-time pregnant mothers, with support services and parent/teacher training.

Sources of \$58.0 million are primarily from the federal and state governments.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.9 million primarily due to a decrease in Operating Transfers Out reflecting spending for one-time projects in 2016-17 including the purchase of the Barstow Head Start Site and start-up costs to prepare sites for Extended Duration services. Additionally, Operating Expenses and Capital Expenditures decreased due to the elimination of the one-time carryover of Early Head Start - Child Care Partnership (EHS-CCP) funds. This decrease is offset by an increase in Staffing Expenses primarily due to the addition of positions to support the implementation of Head Start Extended Duration services (which enables a number of Head Start students to attend full day classes rather than half day).

Sources are decreasing by \$2.7 million due to one-time carryover funds received in 2016-17 which were used to improve Head Start/Early Head Start facilities, and provide for EHS-CCP computers and long-term service contracts. These decreases are offset by the receipt of increased federal funding (the first year of ongoing funding) for the Head Start Extended Duration services described above.

## ANALYSIS OF FUND BALANCE

Contribution to Fund Balance of \$194,035 will cover prior year obligations that will be paid in 2017-18.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$34.3 million fund 841 budgeted positions, of which 83 are regular positions and 758 are limited term positions. The budget includes a net increase of 124 limited-term positions and 10 regular positions.

The net increase of 124 limited term positions will allow the department to provide increased classroom staff to support the Head Start Extended Duration services described above at various locations. The addition of 10 regular positions will address the increase in administrative workload arising from the implementation of these services as well as ensure compliance with new Head Start Program Performance Standards.

## Veterans Affairs

### DESCRIPTION OF MAJOR SERVICES

According to the Secretary of the United States Department of Veterans Affairs (USDVA), approximately one out of every three people in the United States is a potential Veterans Affairs beneficiary. The County Department of Veterans Affairs (VA) provides claims assistance, information and referral, advocacy, and outreach to County residents. These benefits include medical care, life insurance, home loans, pension benefits, disability compensation, education, and vocational rehabilitation. County VA employees are often the initial contact with the USDVA system for veterans and recently discharged military personnel in our community.

#### Budget at a Glance

Funded by Net County Cost	73%

Services to the veteran's community are concentrated in the following areas:

#### Claims Assistance

Provide benefits counseling, claim preparation, and development of material evidence. Monitor adjudication and resolve issues or questions in favor of the veteran. Provide assistance with administrative and appellate review of claims.

#### Information and Referral

Make referral to other County departments, homeless and emergency service providers, as well as state and federal agencies.

#### Advocacy

Provide individual advocacy, advocacy at the policy and legislative levels, and provide state and federal elected officials with technical assistance regarding veteran's legislation.

#### Outreach

Conduct outreach to retirement homes, mortuaries, schools, job fairs, military separation programs, local prisons, and service organizations such as the American Legion, Disabled American Veterans, Veterans of Foreign Wars, Elks, Rotary, Knights of Columbus, and Optimists for the express purpose of informing the community of veterans' benefits and services.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$1.7 million fund 21 budgeted positions. Operating Expenses of \$474,234 consist primarily of facilities maintenance, interdepartmental transfers, COWCAP, general office supplies, printing, mailing, and outreach supplies.

Sources of \$602,000 consist of state Subvention funding, Medi-Cal Cost Avoidance Program, and the state Veterans Service Office fund.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$18,796 due to the elimination of one-time costs associated with special VA outreach programs in 2016-17.

Sources are decreasing by \$58,000 due to a decrease in state Subvention funding. Overall, operations will not be impacted.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$181,168 include professional and specialized services, medical expenses, vehicle charges, general office expenses, and travel related to the operation of drug court programs, as well as a transfer of \$141,837 to the Superior Court to fund two budgeted positions. Reimbursements of \$181,168 represent payments from the County Department of Behavioral Health to help pay for program activities.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and Sources are unchanged from the previous year.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Grand Jury

### DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Grand Jury is appointed annually by the Superior Court. Its responsibilities include investigating local government, examining instances of public office crime and corruption, and returning indictments in certain criminal cases brought before it by the District Attorney's Office. Funding in this budget unit covers members' stipends, office supplies, administrative staff, and other support costs. This unit funds one Grand Jury Assistant position budgeted within the Superior Court.

## MAJOR EXPENDITURES AND REVENUE IN 2017-18 RECOMMENDED BUDGET

Major expenditures include transfers for staffing expenses of \$110,000 to the Superior Court to fund a Grand Jury Assistant position and juror fees in the amount of \$186,852. The remaining \$150,315 is primarily for phone, mail, information technology, and travel-related costs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements have increased by \$4,215 from the previous year primarily due to increases of Facilities Rates, Risk Management Insurance costs, and COWCAP.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Indigent Defense

### DESCRIPTION OF MAJOR SERVICES

The Indigent Defense Program provides for representation services appointed by the Superior Court for indigent defendants in criminal and juvenile delinquency proceedings that the Public Defender is unable to represent, and for conservatorship, guardianship, probate, family law other than Family Code § 3150 minor's counsel, and misdemeanor appeals. A portion of this budget is also set aside for capital case defense costs for the Public Defender Capital Defense Unit. The program administers contracts, monitors caseloads and expenditures, processes accounts payable and performs trust fund accountings, and reports to the County Finance Office. The program administers and coordinates court-appointed representation services of attorneys, experts and investigators for an average of 3,000 misdemeanor and 3,500 felony cases per year, including capital and life-without-parole cases, and an average of 3,000 delinquency, conservatorship, guardianship, probate, mental health, misdemeanor appeal and other cases per year. In coordination with the Superior Court, this program also administers the County's Dispute Resolution Programs Act alternate dispute resolution program and its associated special revenue fund. This unit funds one analyst position and one part-time secretarial support position in the Finance and Administration budget.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$10.6 million includes contracted and *ad hoc* (non-contracted) court-appointed legal representation services for indigent defendants in criminal and juvenile delinquency cases, and for other cases requiring court-appointed representation services including conservatorship, guardianship, probate, mental health, and misdemeanor appeals. These expenses also include costs for investigator and expert services for the Public Defender Capital Defense Unit of \$225,000, reflecting the division's projected caseload. The cost of one limited-term contract employee position for program administration services and part-time clerical support, is included in the budget as a transfer out.

Fee/Rate revenue of \$32,000 reflects the receipt of client payments for appointed juvenile delinquency representation services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$569,826 due to proposed increases to the Superior Court's Appointed Services Fee Schedule.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no budgeted staffing associated with this budget unit. One analyst position and part-time secretarial support are included in the Finance and Administration budget unit to support the program.

Court Facilities/Judicial Benefits

DESCRIPTION OF MAJOR SERVICES

This budget unit annually appropriates an amount that the County provides in supplemental benefits for Superior Court judges appointed before January 1, 2008. These benefits include automobile, security and education allowances. This budget unit also continues to appropriate funds for property insurance costs not covered by an agreement with the Administrative Office of the Courts, as well as security services at the Fontana Court.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$958,207 include payment of judicial benefits for 42 judges who were appointed prior to January 1, 2008. According to the County's agreement with the Superior Court, new judges authorized and appointed after this date do not receive these benefits. Operating Expenses also include \$60,054 for COWCAP costs and transfers to the Sheriff/Coroner/Public Administrator for security services at the Fontana Court.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements have been reduced by \$56,556 due to decreased property insurance costs.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Court Facilities Payments

### DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, requires the transfer of responsibility for funding and operations of trial court facilities from the counties to the State of California. The County must pay the state the amount that the County historically expended for the operation and maintenance of each court facility. This budget unit was established in 2006-07 to budget and track these payments for the County's facilities. The final obligation under this agreement was the transfer of four facilities in 2014-15.

## Trial Court Funding – Maintenance of Effort

### DESCRIPTION OF MAJOR SERVICES

On January 1, 1998, AB 233, the Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect in the State of California. This bill fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs. In addition, it requires counties to make a capped maintenance of effort (MOE) payment to the state each year for operations of the courts. In return, the state allowed counties to retain many fines and forfeitures to help fund their MOE payments with the provision that collections that exceeded the amount of the revenue component of the MOE be shared equally between the state and the County.

Budget at a Glance	
Total Requirements (Excl. Reimb.)	\$23,554,233
Total Sources (Incl. Reimb.)	\$12,226,316
Net County Cost	\$11,327,917
Total Staff	0
Funded by Net County Cost	48%

The County’s historical MOE contribution of \$28.4 million was made up of two components. \$20.2 million represented the adjusted 1994-95 County expenses for court operations and \$8.2 million was based on the fine and forfeiture revenue sent to the state in 1994-95. In 2006-07 the revenue component changed to \$3.3 million due to legislation. Therefore, the County’s current MOE contribution is \$23.6 million.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$23.6 million reflects the County's capped MOE payment to the state for court operations.

Sources of \$12.2 million include traffic and criminal fines, penalty assessments, vital statistics fees, civil filing fees, traffic school and recording fees.

## BUDGET CHANGES AND OPERATIONAL IMPACT

On June 24, 2015, Governor Brown signed the Traffic Tickets/Infractions Amnesty Program into law. The program went into effect October 1, 2015, and remained in force until March 31, 2017. The program forgave unpaid traffic tickets due by January 1, 2013, in order to provide relief to qualified individuals who defaulted on a court-ordered obligation and may have had driving privileges suspended as a result.

The amnesty resulted in a significant decline in revenue which, in turn, resulted in a significant increase to Net County Cost in 2015-16 and 2016-17. However, with the expiration of amnesty, revenues are expected to increase and Net County Cost is anticipated to decline to pre-amnesty levels.

### Courthouse Seismic Surcharge

#### DESCRIPTION OF MAJOR SERVICES

Funding for this budget unit comes from a \$35 surcharge on civil filings as authorized by Government Code Section 70624. Surcharge revenues were used for the Central Courthouse seismic retrofit/remodel project, which was completed in January 2011. These revenues were also used to make contributions to the state for the new courthouse in downtown San Bernardino.

In June 2007 the County privately placed \$18.4 million of revenue bonds for courthouse improvements. These bonds mature on June 1, 2037, and are payable solely from revenues generated by a \$35 civil filing fee surcharge and related interest earnings. They are not an obligation of the County. The purchasers of the bonds have assumed the risk that surcharge revenues may someday not be sufficient to make principal and interest payments. All pledged revenues are remitted monthly to a trustee acting on behalf of the owners of the bonds.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Transfers Out of \$1.8 million reflect the amount of projected revenue and fund balance to be transferred to the bond trustee. Principal and interest payments on the bonds total \$1.7 million for the fiscal year.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and Sources are increasing by \$283,499 based on a projected increase in collections compared to 2016-17 estimated collections.

## ANALYSIS OF FUND BALANCE

The Courthouse Seismic Surcharge does not carry a fund balance. Revenues received for the surcharge placed on civil filings are transferred to the trustee on a monthly basis for payments on the bonds issued for the seismic retrofit of the courthouse. Any fund balance reflected at year-end is only a result of timing.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Alternate Dispute Resolution

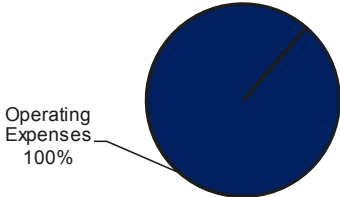

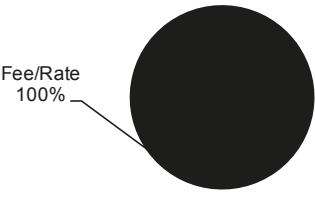

### DESCRIPTION OF MAJOR SERVICES

The Dispute Resolution Programs Act of 1986 (“DRPA”) authorizes the local establishment and funding of dispute resolution programs as an alternative to more formal court proceedings. The County presently receives \$8 per civil filing which funds contract alternate dispute resolution services for small claims and landlord-tenant actions, and certain civil and family law matters.

The special revenue fund was established January 1, 2005, to account for this program. The fund balance is reserved in the event revenues from the DRPA \$8 civil filing fees decline to below the payment amount for the contracted alternate dispute resolution services.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$360,000 represent costs related to contracted alternate dispute resolution services.

Sources of \$360,100 are anticipated primarily from the collection of the DRPA \$8 civil filing fees.

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no significant changes to Requirements, which are based on a contract payment rate of \$360,000 per year for contracted alternate dispute resolution services.

Sources remain unchanged as revenues from the DRPA \$8 civil filing fee are projected to be \$360,000.

## ANALYSIS OF FUND BALANCE

Fund Balance is reserved for future years in the event revenues from the DRPA \$8 civil filing fee decline to amounts below the cost of contracted alternate dispute resolution services. The Fund Balance was almost depleted over the past two years as revenues dropped below the contract payment costs. A new contract effective July 1, 2016, reduced contract payment costs to \$360,000 per year to reflect anticipated ongoing revenues.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

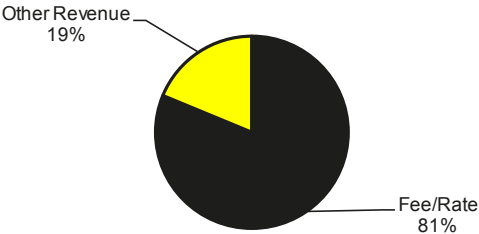

## Registration Fees

### DESCRIPTION OF MAJOR SERVICES

This budget unit accounts for the “registration fee” that is collected from indigent defendants under Penal Code § 987.5 at the time appointed defense counsel is assigned. Effective July 1, 2010, the fee was increased from \$25 to a maximum of \$50 in accordance with California Senate Bill 676. The revenues from this fee are distributed at the discretion of the Board of Supervisors pursuant to Penal Code § 987.5 (e).

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no significant changes in the Registration Fee special revenue fund budget. Revenues from the indigent defense registration fee dropped following implementation of Assembly Bill 3000 ("Court Surcharge Guidelines"), effective September 2002, that prioritized distribution of criminal case installment payments of fines and penalties.

## ANALYSIS OF FUND BALANCE

Fund Balance is reserved for future allocation by the Board of Supervisors.

## Criminal Prosecution

### DESCRIPTION OF MAJOR SERVICES

The District Attorney is the public prosecutor and has the mandated responsibility to prosecute crimes committed within the County of San Bernardino, including all city jurisdictions pursuant to the Government Code 26500. Additionally, the District Attorney's Office provides legal assistance for criminal investigations conducted by law enforcement agencies throughout the County; is the legal advisor to the Grand Jury and is authorized to submit evidence and seek indictments from that body; initiates civil commitment petitions to keep Mentally Disordered Offenders and Sexually Violent Predators in locked facilities; employs civil proceedings in asset forfeiture matters to seek the proceeds of criminal activity; and utilizes civil proceedings to seek sanctions and injunctive relief against businesses that pollute or create dangerous conditions for employees and citizens.

The District Attorney has an ethical and legal responsibility to the victims of crime. The Office seeks restitution for victims and provides emotional and financial support for victims and their families.

Finally, as the public prosecutor who handles all cases in the name of the People, the District Attorney has a responsibility to keep the citizens of this County informed through regular interaction with the media and the public.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$76.9 million include Staffing Expenses of \$74.6 million and Operating Expenses of \$12.8 million to fulfill the department's core responsibility of prosecuting crimes. These expenses are funded primarily from the following sources:

- Discretionary General Funding (Net County Cost) of \$34.6 million.
- Proposition 172 sales tax revenue of \$31.3 million that is required by law to be used for public safety activities.
- Funding from various state/federal agencies of \$5.8 million.
- AB 109 revenue of \$4.7 million as part of the 2011 Public Safety Realignment.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.3 million primarily due to the following:

- \$2.3 million increase in Staffing Expenses related to negotiated salary increases and the addition of 4 positions.
- \$2.2 million increase in Operating Expenses, most notably \$1.0 million for the Electronic Court Filing Project that will allow the department to electronically transmit case-related documents to Superior Court and other law enforcement agencies. Also included in this increase is an additional \$1.0 million for COWCAP, data processing, facilities management, vehicle and rent charges.
- \$1.9 million decrease in Operating Transfers Out to the Capital Improvement Program for capital projects budgeted in the prior year.

Sources are increasing by \$2.2 million primarily due to the following:

- \$1.0 million from the Proposition 172 reserve fund to offset the department's cost of the Electronic Court Filing Project.

- \$929,709 of additional State/Federal/Other Government Sources primarily from the federal government to provide a wide variety of social services for victims of and witnesses to crimes.

### STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$74.6 million fund 535 budgeted positions of which 526 are regular positions and 9 are limited term positions. This budget reflects a net increase of 4 positions as follows:

#### Additions

- A total of 23 positions (1 Victim Services Assistant Chief; 2 Victim Advocate II's; 17 Victim Advocate I's; and 3 Office Assistant III's) are added for the Bureau of Victim Services division to provide a variety of social services to victims of and witnesses to crimes. The cost of these additional positions will be funded by increased grant funds received annually through the California Governor's Office of Emergency Services (CalOES).
- 4 Office Assistant III's. With the advent of digital media, specifically increases in body worn camera evidence, there is a significant need for additional personnel to assist with processing requests involving various law enforcement agencies utilizing this technology.

#### Deletions

- 15 limited term positions (13 Victim Advocate I's and 2 Office Assistant III's) in the Bureau of Victim Services are no longer needed because they have been replaced with new regular positions.
- 2 limited term DA Senior Investigator positions in the Cold Case Prosecution Unit are deleted. These temporary positions were funded by a one-time increase in Discretionary General Funding for 2016-17.
- 4 limited term DA Senior Investigator positions are deleted as the Bureau of Investigation intends to employ only regular status employees in the future.
- 1 Contract Deputy District Attorney is deleted because of the individual's participation in an outstanding case has concluded.
- 1 Deputy District Attorney position is deleted to help fund the cost of the four new Office Assistant III's.

All deleted positions are vacant and the impact of such deletions will be negligible on department operations.

## Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Real Estate Fraud Prosecution** accounts for activity related to the investigation and prosecution of real estate fraud crimes in the County. Pursuant to Government Code Section 27388, the costs related to this activity are funded through a fee charged on recorded documents. On July 22, 2014, the Board of Supervisors (Board) adopted Resolution 2014-164 authorizing an increase of this fee from \$3.00 to \$10.00. The revenue collected from this fee is transferred to the District Attorney's Criminal Prosecution unit (less an administrative fee) to offset the cost of staff assigned to investigate/prosecute real estate fraud.

**Auto Insurance Fraud Prosecution** represents activity related to the investigation and prosecution of automobile insurance fraud. Insurance fraud is a particular problem for automobile policy holders. It contributes substantially to the cost of automobile insurance, particularly in urban areas. Prevention of automobile insurance fraud can significantly reduce insurance claim payments and may therefore produce a commensurate reduction in automobile insurance premiums. Under direction of the Insurance Commissioner, the California Department of Insurance makes funds available, as authorized by the California Insurance Code, to the District Attorney's Office for investigation and prosecution of automobile insurance fraud. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff assigned to investigate/prosecute auto insurance fraud.

**Workers' Compensation Insurance Fraud Prosecution** accounts for activity related to the investigation and prosecution of workers' compensation insurance fraud. The California Department of Insurance, pursuant to Section 1871.83 of the California Insurance code, distributes grant funds to the District Attorney's Office for this purpose. The funds received by San Bernardino County are administered through this budget unit. The insurance grant revenue is transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff assigned to prosecute workers' compensation insurance fraud.

**Specialized Prosecutions** was established in 1990-91 with funding from various fines and forfeitures for the District Attorney's Office to prosecute crimes such as hazardous waste dumping, consumer fraud, and violations of Cal/OSHA laws established to ensure safe and healthy working conditions for California workers. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the cost of staff associated with these specialized prosecutions.

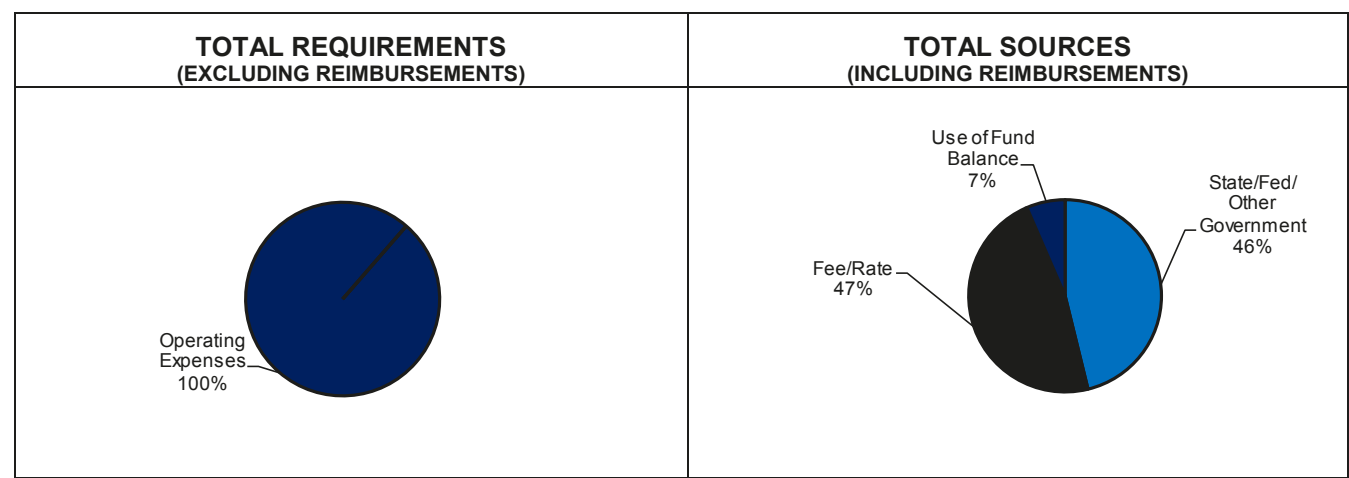

**Vehicle Fees – Auto Theft Prosecution** accounts for the receipt of assessments on vehicles registered in San Bernardino County. On May 2, 1995, the Board adopted a resolution, pursuant to Vehicle Code 9250.14, to impose a \$1.00 fee on each San Bernardino County new and renewal vehicle registration. The Board adopted a subsequent resolution on June 16, 2015 to increase this fee from \$1.00 to \$2.00 per vehicle. The revenue from this fee is used to enhance the capacity of local law enforcement and prosecutors to deter, investigate and prosecute vehicle theft crimes. This budget unit receives the District Attorney's share of the registration assessment on vehicles registered in San Bernardino County. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to offset the costs of prosecuting and investigating automobile theft crimes.

**State Asset Forfeitures** represent receipt of the District Attorney's share of state asset forfeiture funds. The goal of asset forfeiture is to remove the profits from those who benefit from illegal activities. While seizure and arrests present a temporary setback for criminals, asset forfeiture is effective in permanently removing the proceeds from the criminals while diminishing their ability to continue the illegal enterprise. The law permits law enforcement agencies to use the proceeds of forfeitures to offset public safety expenses. Thus, law enforcement is able to convert criminal profits into supplemental funding to inhibit illegal activities. Sources are transferred to the District Attorney's Criminal Prosecution budget unit to help offset the cost of processing asset forfeitures cases.

**Federal Asset Forfeitures** account for the share of federal asset forfeitures processed by the District Attorney’s Office. In 1982, Congress enacted the comprehensive Crime Control act that gave federal prosecutors new forfeiture provisions to combat crime. Also created by this legislation was the Department of Justice Assets Forfeiture Fund. Proceeds from the sale of forfeited assets such as real property, vehicles, businesses, financial instruments, vessels, aircraft and jewelry are deposited in this fund and are subsequently used to further law enforcement initiatives. Under the Equitable Sharing program, proceeds from the sale of these seized assets are often shared with participating state and local law enforcement agencies. The County’s share of these funds are ultimately transferred to the District Attorney’s Criminal Prosecution budget unit to assist with operating costs of the Department’s Asset Forfeiture unit and other eligible public safety expenses pursuant to established guidelines set forth by the U.S. Department of Justice.

**Real Estate Fraud Prosecution:** Requirements of \$2.3 million are for transfers to the department's Criminal Prosecution budget unit for costs related to prosecuting real estate fraud. Sources of \$2.9 million represent the amount anticipated from the \$10.00 fee collected on recorded documents for real estate fraud prosecution.

**Auto Insurance Fraud Prosecution:** Requirements of \$522,029 are for transfers to the department's Criminal Prosecution budget unit for costs related to prosecuting auto insurance fraud cases. Sources of \$602,529 represent projected grant funds from the California Department of Insurance.

**Workers' Compensation Insurance Fraud Prosecution:** Requirements of \$2.3 million are for transfers to the department's Criminal Prosecution budget unit for costs related to prosecuting workers' compensation insurance fraud cases. Sources of \$2.0 million reflect projected grant funds from the California Department of Insurance. The Use of Fund Balance of \$348,530 is for the program's staffing and other operating costs. If grant funds are not increased in the future, program costs will need to be reduced accordingly.

**Specialized Prosecutions:** Requirements of \$1.6 million are for transfers to the department's Criminal Prosecution budget unit for staffing and other costs related to specialized prosecution. Sources of \$1.2 million reflect the department's estimated revenue from anticipated case settlements during 2017-18. The Use of Fund Balance of \$446,952 is for the costs to prosecute crimes such as hazardous waste dumping, consumer fraud, and violations of Cal OSHA laws.

**Vehicle Fees – Auto Theft Prosecution:** Requirements of \$1.6 million are for transfers to the department's Criminal Prosecution budget unit for costs associated with prosecuting and investigating automobile theft crimes. Sources of \$1.6 million represent new and renewal registration assessments on vehicles registered in San Bernardino County.

**State Asset Forfeitures:** Requirements of \$211,863 are primarily for transfers to the department's Criminal Prosecution budget unit to help offset costs related to asset forfeiture cases. Sources of \$150,000 reflect the anticipated proceeds from asset forfeitures. The Use of Fund Balance of \$61,863 is to assist with the costs of processing asset forfeiture claims.

**Federal Asset Forfeitures:** Requirements of \$392,745 are for transfers to the department's Criminal Prosecution budget unit to assist with various costs eligible under federal law. These costs include training, safety equipment, and forensic drug/alcohol testing related to legal proceedings. Sources of \$12,000 represent interest earnings. The Use of Fund Balance of \$380,745 is to assist with the aforementioned costs.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$509,206 primarily due to the following one-time costs occurring in 2016-17 for the San Bernardino County Auto Theft Task Force:

- \$360,000 to remodel office space in the City of San Bernardino.
- \$120,000 for two trucks to help investigate auto theft at more locations.
- \$ 70,000 for an automated license plate reader system to assist with locating stolen vehicles.
- \$ 5,000 for the purchase of a trailer to transport vehicles.

Sources are decreasing by \$151,318 primarily due to \$145,281 less from the State of California for the Workers' Compensation Insurance Fraud Prosecution unit.

## ANALYSIS OF FUND BALANCE

In general, the department establishes a fund balance for the purpose of funding one-time costs/projects. However, there are budgeted exceptions as follows:

- Specialized Prosecutions – Fund Balance is typically utilized for the cost of continuing litigation. In many instances, these cases can continue for several months or possibly years. The department is eventually reimbursed for its costs when the case concludes. At that time, the fund balance is replenished.
- State Asset Forfeitures - Fund Balance is used to assist with the costs of processing asset forfeiture claims. When the claiming process concludes, the department receives funding pursuant to California law and the Fund Balance is replenished at that time.

- Federal Asset Forfeitures – Federal guidelines do not allow the department to budget revenue from Federal Asset Forfeitures. As a result, the Use of Fund Balance is often budgeted for various ongoing costs eligible under federal law. Since the annual amount of revenue received from Federal Asset Forfeitures is very often sufficient to offset these ongoing costs, there is no actual Use of Fund Balance occurring in most years.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with these consolidated special revenue budget units.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$240,903 represent the majority of expenditures and funds two budgeted positions. Operating Expenses of \$38,475 include various administrative costs for providing services. Reimbursements of \$108,265 are primarily funded by the Finance and Administration budget unit and pay for operational expenses for services provided.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$166,113, primarily due to an increase in Staffing Expenses of \$114,864 as a result of the addition of a contract Law and Justice Research Analyst. Additionally, Reimbursements are decreasing by \$45,777 primarily due to a one-time budgeted reimbursement for audit fees that occurred in the prior year, which will not reoccur in the current year. Realignment is increasing by \$166,113 to fund the contract Law and Justice Research Analyst position and pay for operational expenses for services provided.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$240,903 fund 2 budgeted positions of which 1 is a regular position, and 1 is a limited term position. This includes an increase of 1 position: a contract Law and Justice Research Analyst (limited term) to assist with the Law and Justice Group’s evaluation of County public safety services.

Special Revenue Funds - Consolidated

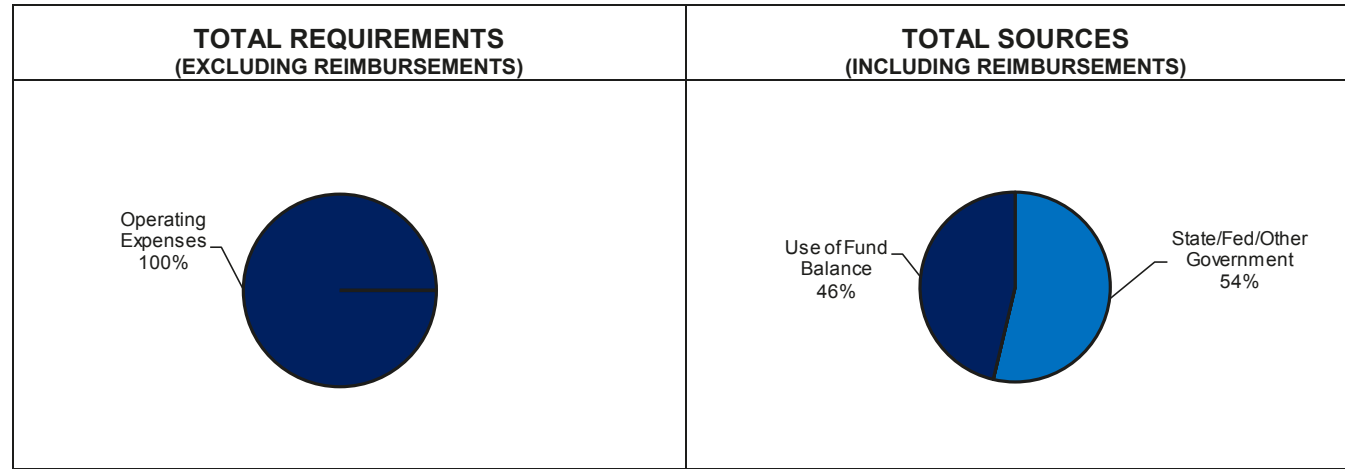

DESCRIPTION OF MAJOR SERVICES

**Justice Assistance Grant (JAG)** funding is used to support a broad range of law enforcement activities to improve the overall criminal justice system. The County of San Bernardino serves as the lead agency and passes allocations through to the various local jurisdictions. Grant funds have been used for the purchase of a three dimensional laser scanning system for the Crime Scene Investigation Unit with the Sheriff/Coroner; and polygraph services for the Probation Department.

**Southwest Border Prosecution Initiative:** Requirements of \$480,753 include transfers to the participating law and justice agencies, including the District Attorney, Probation Department, Public Defender, and Sheriff/Coroner/Public Administrator for various one-time law enforcement projects and programs. Fund Balance of \$480,753 is being used for these one-time expenses.

**JAG Consolidated:** Requirements of \$684,994 primarily include pass-through costs to various law enforcement agencies for the Justice Assistance Grant Program. Sources of \$626,025 represent Justice Assistance Grant funds. Fund Balance of \$58,969 is primarily being used to pay for one-time administrative costs.

## **BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are decreasing by \$231,889 primarily due to one-time funding for various Law and Justice Southwest Border funded projects included in the 2016-17 budget.

## **ANALYSIS OF FUND BALANCE**

The budget includes a Use of Fund Balance of \$539,722, as there has not been an allocation by the federal government of SWBPI funding in the last three fiscal years. Fund Balance will solely be used to pay for one-time Law and Justice related projects approved by the Law and Justice Group.

## **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with these budget units.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Commenced construction to renovate the Regional Training Center. Once completed, the facility will include an agility course, indoor gun range, K-9 agility course, Realistic Assault Confrontation (RAC) house, and space for presentations.
- Completed remodel of office building in Fontana used for the Probation Department's West Valley operations. A new lobby area was added and the elevator was renovated to comply with ADA regulations.
- Introduced a new educational program at the Adult Day Reporting and Operations Centers called "Five Keys". This program provides both in and out of custody offenders with an opportunity to advance their educational level by earning a high school diploma or GED.
- Established book carts in the lobbies of two Probation buildings as part of Vision2Read, a program in partnership with the San Bernardino County Superintendent of Schools to improve literacy by increasing access to books.

## Administration, Corrections and Detention

### DESCRIPTION OF MAJOR SERVICES

Probation's executive management is responsible for the overall leadership of the department, developing and implementing policies and procedures which focus on improving public safety while operating in a fiscally responsible manner. These efforts are driven by ensuring integrity to the mission of the department, reliance on recognized professional practices and the development of innovative evidence-based programs to meet the changing needs of the population.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$176,443,289

Each of the following bureaus focus on providing for the health and social service needs of County residents in a variety of ways, from managing field operations in the community to caring for minors in detention, by addressing each individual's criminogenic risk factors and providing services to meet those specific needs:

- Adult Community Corrections Bureau (ACCB) is responsible for adult supervision, training and treatment program options, Day Reporting Centers and investigation reports for the courts along with case management services. ACCB utilizes appropriate evidence-based treatment and supervision services as identified through validated assessment tools. As a result of Public Safety Realignment (AB109), the department created Day Reporting Centers (DRC) in each region to provide services to the entire adult offender population by offering services from a wide variety of governmental agencies such as Behavioral Health, Workforce Development, Transitional Assistance and other related agencies. The department is also expanding services to assist in diverting an offender from progressing further into the criminal justice system through additional state SB678 - Criminal Recidivism funded programs, which target offenders for prevention and program efforts aimed at preventing them from being sentenced to state prison. All efforts are aimed at reducing recidivism and moving offenders into a role of law-abiding, self-sufficient, productive citizens.
- Juvenile Community Corrections Bureau (JCCB) is responsible for juvenile case management and supervision services, treatment program options, operating Day Reporting Centers, and providing investigation reports for the courts. JCCB utilizes appropriate evidence-based treatment and supervision services as identified through validated assessment tools. JCCB also uses Juvenile Justice Crime Prevention Act funding to provide School Probation Officers and targeted behavioral development programs to prevent minors' immersion into the criminal justice system. JCCB also receives funding through the Youthful Offender Block Grant, which provides funding for the Gateway Program, a secured residential treatment program which allows minors to gain self-sufficiency through a variety of educational and behavioral components, and also funds intensive juvenile supervision services. Additionally, with the implementation of Continuum of Care Reform (CCR), services have been revised to improve focus on supporting the family as a whole, and reintegrating those minors who have been removed back into the community. All efforts are aimed at reducing recidivism and moving offenders into the role of law-abiding, self-sufficient, productive citizens.
- Detention Corrections Bureau (DCB) is responsible for the County's Juvenile Detention and Assessment Centers (JDAC's) and Department operated residential treatment options in secured environments for legally detained and court ordered minors. DCB works with all of the law enforcement agencies in the County when detention for a youth is being considered, provides a variety of services to those detained, including medical, mental health, and nutrition services, and works with multiple County agencies inside the facilities as well, including local community groups such as faith based organizations, to address the behavioral and emotional needs of the juveniles.
- Administrative Services Bureau (ASB) is responsible for the organizational and administrative support functions of the department countywide, including budget preparation, grant compliance, payroll & personnel, purchasing, payables, courier/file delivery, reception, clerical, research and analytical units, building

management and facilities, vehicles, and other infrastructure needs. Each of these units work with other County agencies, as well as outside vendors and suppliers, to ensure that the Department is operating at maximal efficiency in a fiscally responsible manner, while staying focused on the primary mission, which is to improve long-term public safety.

- Specialized Services Bureau (SSB) is responsible for activities and operations that address unique needs and department requirements beyond community corrections or detention services, and which often impact areas across the entire Department. Some examples include Training and Safety Management, Equipment Inventory and Issuance, Automated Systems, External Affairs, Policies and Procedures, Audits and Inspections, Implementation of the Prison Rape Elimination Act (PREA), and the Criminal Intelligence Unit (CIU). Prior to development of the SSB, these units were spread across other Bureaus. Unifying these efforts have ensured coordination of consistent services across all Bureaus and department operations throughout the County.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$168.2 million represent the costs related to the supervision and rehabilitation of adult and juvenile clientele in the community, as well as the custody of legally detained youth in the Juvenile Detention and Assessment Centers. These costs are funded primarily by State Realignment funds (\$55.4 million), Prop 172 sales tax revenue (\$21.7 million), state funding for Juvenile Probation Activities (\$5.7 million), Federal Title IV-E funds (\$1.9 million), and Discretionary General Funding (\$80.3 million).

## BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing Expenses are increasing by \$4.1 million due to negotiated MOU increases and additional staffing resulting from creation of a Probation Transportation Unit. Operating Expenses are increasing by \$3.0 million primarily resulting from additional charges for COWCAP, data processing, facilities management, and vehicles. These increased costs are largely offset by decreases of \$5.2 million in Operating Transfers Out to the County's Capital Improvement Program because Probation is allocating less funding in 2017-18 for capital projects.

Sources are increasing by \$576,733 primarily because of an increased allocation of Prop 172 sales tax revenues for 2017-18.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$120.4 million fund 1,294 budgeted positions of which 1,250 are regular positions and 44 are limited term positions. This budget includes a net increase of 25 regular positions (addition of 37, deletion of 12) as follows:

### Additions

- 28 positions (24 Probation Transportation Officers, 2 Probation Transportation Supervisors, and 2 Office Assistant III's) are needed to ensure that safe, centralized transportation services are implemented throughout the department. While transportation services for juveniles had previously existed in a limited capacity (transporting juveniles to group homes, court and medical services), the need to transport juveniles appearing in adult court separately from adult inmates has dramatically increased the need for appropriately trained transportation officers. The transportation of adult offenders includes receipt of those who are newly discharged from jails and prisons, ensuring their orientation and assessment by the Probation Department is completed in a timely manner, including delivering them to treatment facilities, mental health services and/or temporary housing. The addition of these new positions will enhance the safety of those being transported and the officers involved, while providing the department with greater flexibility to perform a wider range of transports in the future to best serve the interests of the community.
- 2 Peer and Family Assistant II positions for a range of services the Probation Department performs as a direct result of AB403, also known as Continuum of Care Reform. These positions are needed to conduct peer counseling and ensure successful linkages to services which will assist children and families in reintegration and rehabilitation endeavors. The Peer and Family Assistant II's will meet with juveniles and their parents, connect families with Community Based Organizations, ensure they are aware of state and local services available to them, and generally guide and encourage the development of self-sufficiency.
- 2 positions (1 Supervising Probation Officer and 1 Probation Officer III) to expand mental health services into the High Desert region. Improved assessment tools increasingly identify mental health issues as a common cause of law and justice community involvement; therefore, a second Adult Mental Health Supervision Unit is being formed to focus efforts related to mental health as it relates to public safety concerns.
- 2 positions (1 Probation Officer III and 1 Probation Corrections Officer) are needed for a planned expansion of the Integrating New Family Opportunities (INFO) program that, in collaboration with the Department of Behavioral Health, targets family dynamics and provides an outcome-driven prevention and intervention program for youth involved in the criminal justice system.
- 3 positions (1 Staff Analyst II and 2 Fiscal Specialists) for support of the fiscal and budget operations. These positions are also needed to ensure that the department is prepared for a variety of changes related to purchasing and payables functions, including implementation of the County's new financial system.

### Deletions

- 12 vacant positions (8 Probation Officer II's, 2 Probation Corrections Supervisor I's, 1 Applications Specialist, and 1 Payroll Specialist) are deleted to help offset the cost of the added positions. The impact on department operations from these deletions will be minimal.

### Reorganizations

- 33 positions (25 from the Administrative Services Bureau and 8 from the Specialized Services Bureau) relocated to the newly established Office of the Chief Probation Officer.
- 42 positions reassigned to the Administrative Services Bureau from the other bureaus for consolidation of clerical support services in order to improve overall department efficiency, while not impacting the duties of assigned staff.
- 5 positions transferred to the Specialized Services Bureau from the other bureaus to assist with training and external affairs.

## Juvenile Justice Grant Program

### DESCRIPTION OF MAJOR SERVICES

The Juvenile Justice Crime Prevention Act allocates state resources annually to fund programs which address juvenile crime prevention and focus on public safety. The Juvenile Justice Coordinating Council, mandated to oversee local programming, consists of a variety of County and community leaders that develop and recommend the comprehensive Multi-Agency Juvenile Justice Plan. This plan identifies and addresses the public safety gaps in services for juvenile offenders and their families throughout San Bernardino County.

Current programs include Day Reporting Centers, School Probation Officers and a variety of other programs designed to effectively meet the diverse needs of youth.

This budget unit was established to receive funds from the Juvenile Justice Grant Program Special Revenue Fund to pay for program expenses and staffing costs when incurred, and avoid cash issues.

The Juvenile Justice Grant revenue is funded under the State Public Safety Realignment program.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$5.3 million and Operating Expenses of \$2.5 million represent the cost of programs for at-risk minors that include Day Reporting Centers, counseling and tutoring services, School Probation Officers, and the District Attorney's Let's End Truancy (LET) Program. This budget unit is funded by Reimbursements from the Probation Department's Juvenile Justice Crime Prevention Act – Special Revenue Fund.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing Expenses are increasing by \$550,207 due to negotiated MOU increases and the addition of three new positions. These positions are needed to augment workloads related to the School Probation Officer program and inclusion of a Public Defender component with the District Attorney's LET program in the Barstow Region.

## 2017-18 POSITION SUMMARY\*

Juvenile Justice Grant Program	46	3	0	0	49	0	49
Total	46	3	0	0	49	0	49

\*Detailed classification listing available in Appendix D.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$5.3 million fund 49 regular positions. This budget includes the addition of 3 positions as follows:

- 2 Probation Correction Officers to assist with increased workloads for the Day Reporting Center (Barstow Region).
- 1 Probation Officer III to provide needed supervision for the School Probation Officer Program.

## Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Juvenile Justice Crime Prevention Act (JJCPA)** – allocates state resources annually to fund programs which address juvenile crime prevention and focus on public safety. The Juvenile Justice Coordinating Council, mandated to oversee local programming, consists of a variety of County and community leaders that develop and recommend the Comprehensive Multi-Agency Juvenile Justice Plan. This plan identifies and addresses the public safety gaps in services for juvenile offenders and their families throughout San Bernardino County. Staffing is budgeted in the Juvenile Justice Grant Program General Fund budget unit and reimbursed by this budget unit.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$14,266,672
Total Sources (Incl. Reimb.)	\$14,324,890

**SB 678 – Criminal Recidivism** allocates state funding resources to oversee programs for the purpose of reducing recidivism. The funding is intended to improve evidence-based probation supervision practices and enhance public safety outcomes among adult felons who are on probation. Improving felony probation performance, measured by a reduction in felony probationers who were sent to prison because their probation was revoked or they were convicted of another crime while on probation, will reduce the number of new admissions to state prison. The staff is budgeted in the Probation General Fund budget unit and reimbursed by this budget unit.

**AB 1628 – Juvenile Reentry Program** allocates state funding resources to gradually assume responsibility for supervision of juveniles released from the state's Division of Juvenile Justice (DJJ). This shift of parole supervision to the counties gives local officials more options for the reintegration and rehabilitation of youth in their communities. This legislation authorizes counties to establish a Juvenile Reentry Fund that would accept state money to address the costs of local supervision and rehabilitative programs.

**Asset Forfeiture 15%** - accounts for State of California Health and Safety Code Section 11489 collections which mandates that 15% of distributed seizure funds be used for the sole purpose of funding programs designed to combat drug abuse and divert gang activity. Expenditures for this fund include drug and gang unit expenses not reimbursed through other sources.

**State Seized Assets** - accounts for Probation's proportionate share of asset forfeitures seized in conjunction with other agencies. Expenditures for this budget unit include safety equipment and training expenses not reimbursed through other sources.

**Juvenile Justice Crime Prevention Act** – Requirements of \$7.8 million consist of transfers to the Juvenile Justice Grant Program budget for costs related to the department's House Arrest and School Programs, as well as the Let's End Truancy program with the District Attorney and Public Defender. Sources of \$7.8 million represent the projected state JJCPA allocation (\$7.1 million) and estimated revenue from school districts participating in the School Probation Officer program (\$653,298).

**SB 678 – Criminal Recidivism** – Requirements of \$6.4 million represent transfers to the department’s General Fund budget unit for reimbursement of staffing and other operating costs related to reducing recidivism. Sources of \$6.4 million represent the projected state allocation of SB 678 funding.

**AB 1628 – Juvenile Reentry Program** – Requirements of \$15,000 represent costs related to rehabilitative programs for juveniles. Sources of \$145,000 represent the program’s anticipated state allocation.

**Asset Forfeiture 15%** - Requirements of \$9,276 represent costs related to drug abuse and gang diversion programs.

**State Seized Assets** - Requirements of \$64,348 represent costs such as training seminars, safety equipment, travel and incentives for students/graduates of the youth Gang Resistance Education & Training (G.R.E.A.T.) program.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Operating Transfers Out are decreasing by \$6.7 million as a result of the Probation Department transferring \$6.0 million of Available Reserves in 2016-17 from the SB 678 special revenue fund to the Capital Improvement Program for seismically retrofitting and remodeling the building located at 157-175 W. 5th Street in San Bernardino. This building is used by Probation for department operations.

Operating Expenses and State/Fed/Other Government sources are decreasing by \$398,157 and \$444,473, respectively, primarily due to a projected reduction in state allocation of SB 678 funding. This funding is used to oversee programs for the purpose of reducing recidivism.

## ANALYSIS OF FUND BALANCE

The fund balances established for these Special Revenue Funds are for the purpose of funding future one-time projects or program costs. There are no significant uses of fund balance budgeted for 2017-18.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing included in these consolidated special revenue funds.

## Public Defender

### DESCRIPTION OF MAJOR SERVICES

The Public Defender promotes justice and protects constitutional rights by providing mandated representation to indigent adult clients in felony, misdemeanor, and mental health civil commitment cases, as well as to clients facing probation, parole, or post-community supervision release violations. The Public Defender also represents the County’s children facing juvenile delinquency proceedings. Using a holistic approach, the department seeks to increase client opportunities for achieving self-sufficiency. The role the department plays in the criminal justice system reflects the checks and balances found in American democracy.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$35.4 million, Operating Expenses of \$4.7 million, and Capital Expenditures of \$78,500 support the department in achieving its mission of promoting justice and protecting constitutional rights. Sources include \$3.8 million of Realignment funds, legal services fees of \$816,390, and state aid for the representation of state hospital and prison clients in the amount of \$49,984.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$317,668 primarily due to increases in Staffing Expenses of \$838,397 related to the addition of six positions. The decrease of \$492,570 in Operating Expenses is primarily due to lower anticipated computer hardware expenses, non-inventoriable equipment, utilities costs, insurance expenses, and other professional services. The overall increase fully funds operational requirements and ensures that the quality of services is not impacted. Sources are increasing by \$279,176 primarily due to increased Realignment funding.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$35.4 million fund 273 budgeted positions of which 238 are regular positions and 35 are limited term positions. This includes an increase of 1 regular position and 5 limited term positions. The staffing changes will ensure that the department can meet new and ongoing operational requirements.

An increase of 6 budgeted positions are added to the budget (1 regular, 5 limited term) as follows: 1 Deputy Public Defender IV is split to accommodate a job share; 4 Law Clerk II positions are added to assist each indigent defense division with routine case activity; and 1 Public Service Employee is added to support clerical staff.

The department has reorganized throughout the divisions to accommodate changing requirements in each of the divisions as well to support the Post-Conviction unit in Human Services.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Acquired two replacement patrol helicopters with additional Discretionary General Funding provided by the Board of Supervisors.
- Collaborated with the Department of Behavioral Health (DBH) for the implementation of the Triage Evaluation & Support Team (TEST), which allows Deputies from seven Sheriff's stations to call in designated DBH personnel to handle subjects with apparent mental health issues, enabling subjects to get proper medical attention instead of being arrested.
- Upgraded safety protective gear for patrol Deputies with one-time Discretionary General Funding approved by the Board of Supervisors.
- Successfully investigated, extradited, and arrested Christopher Lee in the Erin Corwin case. Collaborated with local, state and federal agencies such as: Fort Irwin Police Department, Los Angeles, Kern and Imperial County Sheriff Offices, the Federal Bureau of Investigation, San Bernardino County Fire and Sheriff's Morongo Station, Homicide, Aviation and Volunteer Forces Divisions.

Sheriff/Coroner/Public Administrator

DESCRIPTION OF MAJOR SERVICES

The Sheriff/Coroner/Public Administrator acts as the chief law enforcement officer, coroner/public administrator, and director of safety and security for the County by providing a full range of services throughout the County unincorporated areas.

The department's general law enforcement mission is carried out through the operation of 10 County stations and a centralized headquarters, using basic crime and narcotics investigations, a crime laboratory and identification bureau, central records, two dispatch communication centers and an aviation division for general patrol and search/rescue operations. The Coroner's Division is tasked with investigating the cause and manner of death, while the Public Administrator's function is to manage estates of persons who are deceased with whom no executor has been appointed. The Courts Civil Division is in charge of imposing court-ordered settlements and providing security to courtrooms in the San Bernardino Superior Court system. The department is also mandated to perform search and rescue operations within the County, through its mountain rescue, desert rescue, swift water and the dive team, performed primarily by trained volunteers and reserve Deputies, and administered by the Sheriff's Volunteer Unit.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$243.4 million include cost of providing patrol and general law enforcement for the County's unincorporated areas, Coroner and Courts Services. Also included are costs related to the following administrative support divisions: Automotive, Bureau of Administration, County Building and Security, Civil Liabilities, Criminal Intelligence, Employee Resources, Internal Affairs, Records, Technical Services, Training (Basic Academy, Emergency Vehicle Operations Center, Range, and Advanced Officer), Specialized Investigations, Aviation, Bomb Arson, Communications, and the Inland Regional Narcotics Enforcement Team (IRNET). This budget unit also contains the Contract Training, Public Gathering, Aviation Services, and Search & Rescue operating budget units previously accounted for as special revenue funds.

Operations are funded by a variety of Sources, the most significant of which are listed below:

- \$127.4 million in Proposition 172 half-cent sales tax revenue
- \$ 68.6 million in Net County Cost (Discretionary General Funding)
- \$ 45.7 million in Reimbursement (primarily from the department's law enforcement contracts)
- \$ 28.9 million from the state for providing court security services (Public Safety Realignment)
- \$ 5.4 million in state and federal grants
- \$ 7.9 million in fees/charges for providing an array of law enforcement services

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$3.9 million due to a \$4.5 million reduction in Operating Expenses from a decrease in vehicle liability and one-time funding for guns and ammunition, offset by an increase in COWCAP. Additionally, Requirements are decreasing due to a \$3.3 million reduction in Capital Expenditures from a reduction in one-time funding for helicopter replacements. These decreases are partially offset by a \$3.8 million increase in Staffing Expenses due to negotiated MOU increases and the addition of 2 Sergeant positions.

Sources are increasing by \$8.4 million primarily due to a projected increase in Proposition 172 half-cent sales tax revenue of \$3.0 million and a one-time allocation from the Proposition 172 contingency reserve of \$6.0 million to fund the purchase of one replacement patrol helicopter.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$223.3 million fund 1,747 budgeted positions of which 1,621 are regular positions (887 safety and 734 professional) and 126 are limited term positions. This budget unit is increasing budgeted staffing by 2 Sergeant positions to assist with workload issues in the Internal Affairs and Civil Liabilities Divisions.

## Sheriff - Detentions

### DESCRIPTION OF MAJOR SERVICES

Penal Code Section 4000 designates the Sheriff to manage the County's detention facilities for the following uses: detention of persons committed in order to secure their attendance as witnesses in criminal cases; detention of persons charged with crime and committed for trial; confinement of persons for contempt, or upon civil process, or by other authority of law; confinement of persons sentenced to imprisonment upon conviction of a crime; or violation of the terms and condition of post release community supervision.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$225,652,210
Total Sources (Incl. Reimb.)	\$79,472,340
Net County Cost	\$146,179,870

The San Bernardino County Sheriff operates four Type I and four Type II facilities. The Type II Detention Facilities currently have a total maximum inmate capacity of 6,769. West Valley Detention Center, Central Detention Center, High Desert Detention Center and the Glen Helen Rehabilitation Center house both pre-trial inmates and persons sentenced to serve time in a County facility. The Type I Holding Facilities, namely Big Bear, Barstow, Morongo and Colorado River Jails, have a total maximum holding capacity of 198 arrestees.

On April 4, 2011, the Governor of California signed Assembly Bill 109, the Public Safety Realignment Act, which created a significant change to the California correctional system. The law, which became effective on October 1, 2011, transferred responsibility for housing/supervising inmate and parolee populations classified as low-level offenders from the California Department of Corrections and Rehabilitations (CDCR) to counties. AB 109 allows newly sentenced low-level offenders to serve their sentence in a County jail facility rather than the state prison system.

Phase 1 of the High Desert Detention Center opened on February 6, 2014. This completed portion of the expansion project allowed for an additional 222 beds, with a total of 1,392 bed increase upon full operations of the facility.

On April 21, 2015, the California Department of State Hospitals entered into a contract with the Department to administer the Jail Based Competency Treatment Program (JBCT) and provide inmates from counties, including San Bernardino, with restoration of competency treatment services similar to those provided in state mental hospitals. The contract provides access to portions of the West Valley Detention Center (WVDC) for up-to 76 patient inmates.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$219.1 million represent the cost to staff and operate the County's four detention facilities. This includes costs of the food services division that serves approximately 21,000 meals each day, the health services division that is responsible for providing healthcare to over 6,000 inmates, and the transportation detail that transports over 200,000 inmates annually primarily for court appearances. The most significant sources of funding for this budget unit are as follows:

- \$146.2 million of Net County Cost (Discretionary General Funding)
- \$46.9 million of Public Safety Realignment Funding (AB 109)
- \$11.1 million from a contract with the California Department of State Hospitals for the JBCT Program
- \$6.1 million from the U.S. Marshal for housing federal inmates
- \$3.8 million from the Inmate Welfare Fund budget unit
- \$3.5 million from Department of Behavioral Health for the Comprehensive Mental Health Service Program

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$7.5 million primarily due to increases in Operating Expenses and Staffing Expenses offset by decreases in Capital Expenditures and Operating Transfers Out. Operating Expenses are increasing by \$4.8 million primarily due to increased medical service contracts and data processing charges. Staffing Expenses are increasing by \$5.8 million due to negotiated MOU increases and the addition of eight Deputy positions to support mental health. The increase in Requirements is partially offset by a decrease in Capital Expenditures of \$2.2 million due to the one-time purchase of radios and other equipment. Operating Transfers Out decreased by \$863,597 due to the partial completion of one-time funded capital projects.

Sources increased by \$1.6 million primarily due to a projected increase in AB 109 base funding which assists in funding additional program costs. The department's Net County Cost (Discretionary General Funding) allocation is increasing by \$5.9 million primarily to fund negotiated MOU increases and COWCAP charges.

### STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$159.1 million fund 1,442 budgeted positions of which 1,390 (632 safety and 758 professional) are regular positions and 52 are limited term positions. The department is increasing budgeted staffing by 8 Deputy positions to assist with the Comprehensive Mental Health Service Program. In addition, the department is deleting 1 dual filled Sheriff's Food Services Manager, which is offset by the addition of 1 Correctional Nurse II position for health services in the jail.

## Sheriff – Law Enforcement Contracts

### DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Sheriff provides contract law enforcement services to 14 cities/towns (Adelanto, Apple Valley, Big Bear, Chino Hills, Grand Terrace, Hesperia, Highland, Loma Linda, Needles, Rancho Cucamonga, Twentynine Palms, Victorville, Yucaipa, and Yucca Valley) within San Bernardino County and the San Manuel Band of Mission Indians. The Commanders for these stations also act as the city's Chief of Police, affording the cities an economical way of providing quality law enforcement services to its citizens while maintaining seamless cooperation between cities and County stations. This results in a more effective and efficient broad-based law enforcement environment.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$149.1 million primarily include the following:

- Staffing Expenses of \$95.9 million for 588 budgeted law enforcement and professional staff assigned to stand-alone operations serving as city police departments.
- Operating Expenses of \$54.3 million primarily include \$5.5 million in COWCAP charges, \$3.7 million in risk management charges, \$2.2 million in vehicle fuel and maintenance charges, \$2.0 million in non-inventoriable equipment charges, and \$897,164 in radio access and maintenance charges. It also includes transfers to the Sheriff/Coroner/Public Administrator general fund budget unit for the following:
  - \$24.0 million for services from County stations for smaller city operations (Dual Operations)
  - \$6.6 million for dispatch services
  - \$2.7 million for training costs
  - \$682,997 for administrative support
- Reimbursements of \$1.1 million represent a credit to the Cities of Chino Hills and Rancho Cucamonga as part of the pilot program to deliver law enforcement services to portions of the unincorporated area of the West End and Yucaipa as part of the transition from a dual operation to a stand-alone operation.

Sources of \$149.1 million represent law enforcement contract revenues from 14 law enforcement contracts and the San Manuel Band of Mission Indians.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.2 million primarily due to a \$2.5 million increase in Staffing Expenses related to negotiated MOU increases. The increase in Requirements is offset by an increase in Reimbursements of \$309,301 for an increase in service credits for Unincorporated Patrol Operations.

Sources are increasing by \$2.2 million to reflect additional revenue from law enforcement contracts to cover the increased cost of services provided.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$95.9 million fund 588 budgeted regular positions. The department is decreasing staffing by 1 Motor Pool Services Assistant, deleted from the City of Chino Hills contract, and approved by the Board on June 28, 2016 (Item No. 77). This position was inadvertently missed when the staffing count was updated for the Contract Cities budget unit and needs to be reflected as a deletion to correct the staffing count.

## Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

The Inland Regional Narcotics Enforcement Team (IRNET) is a joint project among city, county, state and federal agencies in the Inland Empire aimed at combating major narcotics and money laundering operations. **IRNET Federal** accounts for IRNET's share of federal asset forfeitures. **IRNET State** accounts for IRNET's share of state asset forfeitures and was established to comply with federal guidelines requiring state forfeiture funds to be kept separate from federal forfeiture funds.

#### Budget at a Glance

**Federal Seized Assets (DOJ)** accounts for asset forfeitures from federal cases filed with the U.S. Department of Justice (DOJ) through its asset forfeiture program and **Federal Seized Assets (Treasury)** accounts for asset forfeitures from cases filed with the U.S. Department of Treasury. Receipts from this program are required to be maintained in separate funds and must not replace existing funds that would be made available to the Sheriff/Coroner/Public Administrator in the absence of forfeiture funds.

**State Seized Assets** accounts for asset forfeiture proceeds from cases filed and adjudicated under state asset seizure statutes. The California Health and Safety Code 11489 (b)(2)(A)(i) requires these funds be maintained in a special revenue fund. Fifteen percent (15%) of all forfeitures received after January 1994 are set aside for drug education and gang intervention programs. The 15% allocated to drug education programs is used to fund the Sheriff/Coroner/Public Administrator's Drug Use is Life Abuse (DUILA) program, Crime-Free Multi-Housing, Law Enforcement Internship and Operation Clean Sweep Programs. Funds are also used for maintenance of seized properties. Services for the drug education program are provided by staff whom are budgeted in the Sheriff/Coroner/Public Administrator's general fund budget unit, and reimbursed by this budget unit.

**San Bernardino County Auto Theft Task Force (SANCATT)**, established by the Board of Supervisors in 1995, deters, investigates and prosecutes vehicle theft organizations. In addition, the task force provides statistical and financial reports to the State Controller and California Highway Patrol as required by AB767. This budget unit accounts for vehicle registration assessments, per Vehicle Code (VC) 9250.14, and is expended exclusively to fund programs that enhance law enforcement efforts to deter and investigate vehicle theft crimes. Expenditures for SANCATT personnel are transferred to the Sheriff/Coroner/Public Administrator's general fund budget unit, while incoming funds offset operating expenses for qualified expenditures by participating agencies.

**CAL-ID Program** funding is used for the operating expenses of the Local Automated Fingerprint Identification System (AFIS) and reimburses general fund expenditures for salaries and benefits. The budget unit is funded from joint trust contributions by all local contracting municipal agencies and vehicle registration fees per Vehicle Code (VC) 9520.19. Staffing costs for positions assigned to the CAL-ID program are transferred to the Sheriff/Coroner/Public Administrator's general fund budget unit.

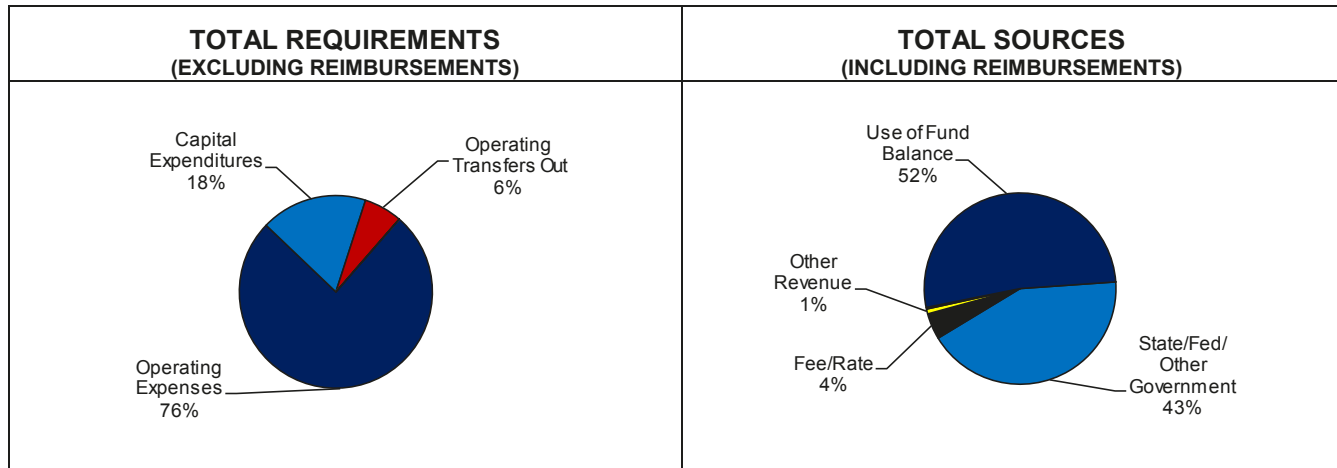

**Court Services Auto** accounts for processing court fees collected under AB1109, which are used to supplement the County's cost for vehicle fleet replacement and equipment, maintenance, and civil process operations associated with court services.

**Court Services Tech** accounts for processing court fees collected under AB709, which are used for automated equipment necessary to operate court services.

In accordance with State legislation (AB1805) effective July 1, 2007, **Local Detention Facility Revenue** accounts for an allocation of funds from the State replacing booking fees previously charged by the County to cities and local entities, as permitted by Government Code Section 29550. Funds are required to be used for the purpose of operating, renovating, remodeling, or constructing local detention facilities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

**IRNET Federal:** Requirements of \$2.2 million consist of Operating Expenses which support law enforcement operations and investigations, training and education, transfers and contributions to other agencies for their participation in asset seizures, and overtime for personnel involved in law enforcement operations. Sources of \$10,500 include projected interest earnings on the current Fund Balance. In order to comply with federal guidelines, the department does not budget anticipated revenues in this budget unit.

Fund Balance will be used for law enforcement operations and equipment, transfers to other law enforcement agencies, and overtime for personnel involved in law enforcement operations, all of which can be reduced as needed dependent on the amount of fund balance available.

**IRNET State:** Requirements of \$559,058 consist of Operating Expenses for various one-time law enforcement operations and ongoing drug and gang programs. Sources of \$61,000 include anticipated state asset forfeiture funds and projected interest earnings. Use of Fund Balance of \$498,058 is being used for one-time Operating Expenses. State forfeited funds are distributed to the local law enforcement agency that participated in the seizure.

**Federal Seized Assets (DOJ):** Requirements of \$4.3 million include \$2.3 million in Operating Expenses to support law enforcement operations and investigations and Capital Expenditures of \$2.0 million in one-time equipment and software purchases. Sources of \$43,000 include projected interest earnings on the current Fund Balance. In order to comply with federal guidelines, the department does not budget anticipated revenues.

Fund Balance will be used for law enforcement operations and investigations along with training and education. In addition, the fund balance will be used for law enforcement equipment and software. These purchases can be reduced as needed dependent on the amount of fund balance available.

**Federal Seized Assets (Treasury):** Requirements of \$801,099 support law enforcement operations. Sources of \$1,200 represent projected interest earnings. In order to comply with federal guidelines, the department does not budget anticipated revenues in this budget unit.

Fund Balance will be used for law enforcement operations and investigations along with training and education, all of which can be reduced as needed dependent on the amount of fund balance available. Treasury Guide and Equitable Sharing for Foreign Countries and Federal, State and Local Law Enforcement Agencies permits the expenditures noted above.

**State Seized Assets:** Requirements of \$1.5 million include \$830,249 in Operating Expenses that support continuous law enforcement investigation activity and provides for a \$63,500 transfer to the Sheriff/Coroner/Public Administrator's general fund budget unit for public safety educator overtime and salaries. Operating Transfers Out of \$632,573 is budgeted for departmental Capital Improvement Program (CIP) projects. Sources of \$509,500 include \$425,000 in anticipated state asset seizures, \$9,500 in projected interest earnings and a transfer of \$75,000 from the Evidence and Cash Trust Fund. Use of Fund Balance of \$953,322 will be used for one-time Capital Improvement Projects and law enforcement investigation activities.

State forfeited funds are distributed to the local law enforcement agency that participated in the seizure. Fifteen percent of these funds will be deposited in a special fund maintained by the seizing agency to fund programs designed to combat drug abuse and reduce gang activity.

**San Bernardino County Auto Theft Task Force (SANCATT):** Requirements of \$2.6 million include Operating Expenses, offset by \$64,068 in Reimbursements. Requirements include contributions to non-county participating task force agencies and a transfer to the Sheriff/Coroner/Public Administrator's general fund budget unit to support the cost of 4 positions. The District Attorney's office is reimbursing \$64,068 to SANCATT for the cost of one of these positions. Sources of \$1.8 million primarily represent vehicle registration fees and projected interest earnings. Fund Balance of \$829,779 is being used to support costs associated with the operations of SANCATT as permitted by Vehicle Code Section 9240.14.

**CAL-ID Program:** Requirements of \$4.8 million includes \$4.7 million in Operating Expenses, which support communications, travel and training, and Transfers to the Sheriff/Coroner/Public Administrator's general fund budget unit for staffing costs of 36 personnel assigned to this program. Capital Expenditures of \$160,000 include one-time equipment purchases. Sources of \$4.6 million are from the CAL-ID Program trust fund and directly offset all claimable costs. Fund balance of \$200,170 is being used to support costs associated with the operations of the CAL-ID Program as permitted by Vehicle Code Section 9240.19.

**Court Services Auto:** Requirements of \$848,671 include \$844,862 in Capital Expenditures to replace vehicles and \$3,809 in Operating Expenses for operations. Sources of \$604,500 primarily reflect the department's share of anticipated court fines. Use of Fund Balance of \$244,171 will be used for one-time purchases to replace patrol vehicles.

Per Government Code Section 26746, fund balance shall be expended to supplement the County's cost for vehicle fleet replacement and equipment, maintenance, and civil process operations.

**Court Services Tech:** Requirements of \$2.2 million include \$1.2 million in Operating Expenses primarily to fund an upgrade to the Court Case Management System (CCMS) and \$1.1 million in Capital Expenditures to fund one-time purchases of computer equipment for the CCMS. Each time the Sheriff's Civil Services Division serves various court writs, the Sheriff's Civil Services Division receives a portion of the fee. Sources of \$412,300 primarily represent the Department's share of anticipated court fines. Use of Fund Balance of \$1.8 million is used to further enhance the CCMS. Per Government Code Section 26731, Fund Balance shall be expended to supplement the County's cost for the implementation, maintenance, and purchase of auxiliary equipment and furnishings for automated systems or other non-automated operational equipment and furnishings deemed necessary.

**Local Detention Facility Revenue:** Requirements of \$2.8 million represent transfers to the Sheriff – Detentions general fund budget unit for expenditures related to the operation, renovation, remodeling, or construction of local detention facilities. Sources of \$2.8 million represent the booking fee allocation anticipated from the state in addition to projected interest earnings.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$5.5 million, resulting primarily from the following:

- Federal Seized Assets (DOJ) requirements are decreasing by \$5.6 million and IRNET Federal is decreasing by \$1.1 million primarily as a result of the department only being able to budget revenue once funds have been received by the department, in accordance with federal guidelines. In 2016-17, the department was able to increase its requirements in a quarterly budget report, as it had received asset forfeiture funds from the federal government, which paid for the maintenance of law enforcement hardware and equipment. Since the department cannot budget anticipated receipts, it has reduced requirements accordingly. It is likely that the department will return to the Board of Supervisors in a future quarterly budget report to partially restore its budget.
- Court Services Tech requirements are decreasing by \$863,793 primarily as a result of the Use of Fund Balance for one time purchases of computer hardware and software in 2016-17.
- State Seized Assets requirements are increasing by \$464,439 primarily to pay for drug education and gang intervention programs and will be funded through the use of Fund Balance.
- SANCATT Program requirements are increasing by \$1.2 million primarily as a result of increasing the department's and its member agencies overtime for law enforcement efforts to deter and investigate vehicle theft crimes. The additional requirements are funded with additional vehicle registration assessment revenue.
- CAL-ID Program requirements are increasing by \$443,437 primarily as a result of the reclassification of 8 Fingerprint Examiners and negotiated MOU increases effective July 2017. The additional requirements are funded with additional vehicle registration assessment revenue.

Sources are decreasing by \$5.4 million primarily due to the fact that the department can only budget revenue for Federal Seized Assets (DOJ) once funds have been received by the department, in accordance with federal guidelines. In 2016-17, the department was able to increase its sources in a quarterly budget report, as it had received asset forfeiture funds from the federal government. It is likely that the department will return to the Board of Supervisors in a future quarterly budget report as asset forfeiture revenue is received throughout the fiscal year.

## ANALYSIS OF FUND BALANCE

Historically, the department has used Fund Balance for one-time law enforcement expenditures. Such one-time expenditures have included various detention facility and training academy improvements and the purchase of law enforcement equipment and vehicle purchases.

Various laws and program guidelines governing the special revenue funds require the Use of Fund Balance generally to supplement law enforcement operations as well as to purchase various law enforcement vehicles and equipment. Additionally, the department uses Fund Balance for overtime salaries of officers involved in law enforcement investigations as permitted by federal asset forfeiture program guidelines.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with these budget units.

The Community Services Group includes the following six departments: Agriculture/Weights and Measures, Airports, County Library, County Museum, Regional Parks, and Registrar of Voters. The departments include general fund budget units, special revenue fund budget units, and enterprise fund budget units. The various budget units fund operations, programs, and Capital Improvement Projects.

# Community Services Administration

## DESCRIPTION OF MAJOR SERVICES

The Community Services Group (CSG) is comprised of the following six departments: Agriculture/Weights and Measures, Airports, County Library, County Museum, Regional Parks, and Registrar of Voters. Agriculture/Weights and Measures protect the welfare of the public by ensuring residents and businesses comply with state and local agricultural and consumer protection laws. The Department of Airports operates six airports throughout the County in compliance with state and federal regulations. The County Library operates 32 branch libraries and offers millions of print and electronic resources. The County Museum is an accredited regional museum focusing on anthropology, history, earth sciences, integrated sciences, and visitor engagement at two museum locations and five historic sites. Regional Parks operates nine sites with a variety of recreational resources available to the public. Registrar of Voters is responsible for conducting impartial elections in accordance with state and federal election codes. These community services positively impact the lives of County residents by monitoring resources, increasing personal and commercial transportation opportunities, inspiring people to learn and read, providing recreational and leisure opportunities, and facilitating the democratic process to vote.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$512,806 fund 3 positions that provide administrative support services to all six departments within the group. Operating Expenses of \$65,000 is primarily for the University of California, Cooperative Extension (UCCE) Program. The UCCE helps connect communities with the university campus, bringing practical, trusted science based solutions to Californians and is a partnership between local county government, the state and its land-grant university. Reimbursements of \$297,253 include \$65,000 in payments from various County departments to fund the UCCE program and \$232,253 in salary reimbursements from CSG departments for finance and payroll related services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$6,463 primarily due to negotiated MOU increases.

STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$512,806 fund 3 budgeted regular positions, an increase of 2 positions. One Community Services Finance and Operations Chief and one Staff Analyst I are added to the budget in an effort to centralize administrative functions within CSG while promoting fiscal responsibility by not overstaffing all six departments within the group. The Community Services Finance and Operations Chief will help departments find efficiencies within their operations and assist with the development and management of budgets to ensure operational goals and objectives are achieved. The Staff Analyst I position will assist with human resources and payroll functions within the group.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Performed 2,491 site visits to the U.S. Postal Service distribution center, parcel shipping terminals and other locations, inspected over 14,800 plant and quarantine shipments, rejected 182 shipments for various violations and intercepted 34 foreign pest species.
- Visited over 8,000 businesses requiring inspections and issued over 1,500 Notices of Violation.
- Verified the accuracy of over 20,900 devices including all commercially used scales, motor fuel pumps, taximeters, ambulance odometers and sub-metered electric, gas and water meters.
- Checked the price accuracy on over 34,700 items in an effort to achieve an overall price overcharge error rate of less than 2%. The measured error rate achieved was 0.9%.
- Inspected over 95,300 packaged items for accurate weight or measure of the net contents and rejected over 46,069 packages, or 48% of the items inspected. 45,000 of the rejected packages originated from one company.
- Serviced over 143,100 insect traps at an average of 11,925 traps per month under state contract agreements in an effort to detect unwanted foreign pests.
- Inspected over 1,300 individuals and companies for compliance with pesticide laws and regulations, including 167 pesticide company headquarters safety inspections.

## Agriculture/Weights and Measures

### DESCRIPTION OF MAJOR SERVICES

The Department of Agriculture/Weights and Measures protects the environment, public health, worker safety and the welfare of the public by helping residents and businesses comply with state and local agricultural and consumer protection laws. The department enforces plant quarantines, detects and eradicates unwanted foreign pests, regulates pesticide use, verifies pricing accuracy of goods, and regulates all business transactions based on units of measures such as weight or volume. Additional duties include inspecting eggs, produce and nursery stock, certifying plant shipments for export, controlling vegetation along state and County right-of-ways and flood control channels, and other miscellaneous services provided to businesses and the general public. The department has a canine inspection team that is utilized with great success to detect plant materials from within unmarked agricultural parcels found at package shipping terminals and the US Post Office. The department works closely with the California Department of Food and Agriculture (CDFA) and has multiple contract agreements with CDFA that provide funding for related state mandated programs.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$5.1 million make up the majority of expenditures within this budget unit. These expenses are necessary in order to provide mandated inspection services in the fields of agriculture, weights and measures. Herbicide purchases and vehicle/equipment maintenance charges comprise the majority of the department's Operating Expenses. Sources of \$6.1 million are derived primarily from license and permit fees, state contracts, the County's portion of unclaimed gas tax, and compensation for weed control services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$110,030 primarily due to an increase in Operating Expenses of \$153,858 caused by higher COWCAP expenses and additional purchases of herbicides for weed control services. Increased Staffing Expenses of \$451,054 are caused by quarterly budget adjustments in 2016-17 which transferred savings in Staffing Expenses to purchase two new spray trucks. These increased Staffing Expenses are offset by a decrease of \$429,882 in Operating Transfers Out caused by the purchase of one less spray truck compared to the prior year and completion of the dynamometer installation by the Project Management Division in 2016-17.

Sources are increasing by \$35,645 due to an increase of \$99,300 in Fee/Rate revenue primarily caused by an increase in the issuance of phytosanitary certificates for agricultural merchandise exported outside the United States. This increase is offset by a decrease of \$64,255 in State/Fed/Other Government revenue due to a reduction in state contracts for light brown apple moth detection trapping services and enforcement evaluation and improvement projects for the Insecticide Fungicide and Rodenticide Act.

California Grazing

DESCRIPTION OF MAJOR SERVICES

The California Grazing budget unit funds a variety of range improvement projects such as cattle guards, fencing, pipelines, tanks and other water dispensing facilities adopted by the County's Range Improvement Advisory Committee (RIAC). RIAC is comprised of five lessees of federal grazing land and one wildlife representative, and are appointed by the Board of Supervisors (Board). RIAC recommends various grazing improvement projects for funding to the Board. The Bureau of Land Management (BLM), the federal agency responsible for leasing the grazing allotments to the ranchers, reviews the environmental impact of projects. Funding for these projects comes from fees paid to the federal government for grazing rights by ranchers under the provisions of the Federal Taylor Grazing Act of 1934. A portion of the grazing fees is distributed back to the County to fund improvements on federal lands. The County acts in a trustee capacity for these funds.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$147,865 may provide for a variety of grazing/range improvement projects on federal lands. Expenditures will be made from this budget unit as improvement projects are approved by the Board through recommendations from the RIAC. Sources are derived from the Federal Government based on a portion of fees paid by the ranchers directly to the Federal Government for grazing rights.

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no major budget changes or operational impacts from the prior year.

## ANALYSIS OF FUND BALANCE

The County acts in a trustee capacity for an ongoing allotment of annual federal grazing fees that are distributed back to the County to finance RIAC approved projects on leased federal lands within the County. The budget reflects the use of a majority of fund balance. However, the amount used in 2017-18 will depend on projects that are approved during the fiscal year.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Airports

### DESCRIPTION OF MAJOR SERVICES

The Department of Airports provides for the management, development, maintenance and operation of six airports. The department assures that County airports are maintained and operated in compliance with state and federal regulations. The department works cooperatively with other airports located within the County regarding state and federal aviation programs, issues and requirements. The department participates and provides input to aviation industry support organizations, as necessary, to develop local, state and national aviation policy.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$4,903,058
Total Sources (Incl. Reimb.)	\$4,903,058
Net County Cost	\$0
Total Staff	21
Funded by Net County Cost	0%

The County's six airports include:

1. Apple Valley Airport, a County Service Area (CSA 60) with a significant sport aviation base;
2. Baker Airport, located adjacent to the Town of Baker and supports Interstate 15 between Barstow and Las Vegas;
3. Barstow-Daggett Airport, which features significant military activity and the Fort Irwin Helicopter Maintenance Base, both of which support the Fort Irwin National Training Center;
4. Chino Airport, a Federal Aviation Administration (FAA) designated general aviation reliever to John Wayne Airport and one of the largest general aviation airports in the country with approximately 650 based aircraft;
5. Needles Airport, a critical transportation link along the Colorado River;
6. Twentynine Palms Airport, a center for soaring activity serving the surrounding community, including the United States Marine Corps Air-Ground Combat Center.

The County's airports produce revenue to operate and maintain the airport system. Revenues are generated from facility rents, concession and user fees, and, in the case of Apple Valley Airport, property taxes dedicated to the support of CSA 60. State and federal grants are significant sources for funds to construct, improve and maintain airport infrastructure.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$2.1 million fund 21 positions that provide support for six County-operated airports. Operating Expenses of \$2.4 million include countywide services (including COWCAP), insurance, utilities, other professional services, and general maintenance. Reimbursements of \$1.5 million are primarily for staffing costs and services/supplies expenses that are incurred by the Airport's General Fund budget unit for personnel that are assigned to support the Apple Valley Airport and Chino Airport Commercial Hangar complex. Sources of \$3.4 million primarily represent rents and concession receipts at the airports.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$2,225 primarily due to the following:

- Decreased Staffing Expenses of \$165,514 caused by a forecasted decrease in leave cash outs due to fewer retirements compared with the prior year.
- Increased Reimbursements of \$163,862 primarily caused by repayment of capitalized software expenses from the CSA 60 Apple Valley Airport and Chino Airport Commercial Hangars budget units.
- These decreased costs are offset by increases of \$313,574 in Operating Transfers Out caused by excess earnings being transferred to the Airports Capital Improvement Program budget unit to be used on future capital projects.

Sources are decreasing by \$2,225 primarily due to an increase in Other Revenue of \$536,454 caused by forecasting rent and concessions revenue at 95% earning capacity compared to a conservative estimate of 75% used in prior years. Operating Transfers In of \$534,499 are no longer required now that rents and concessions revenue are budgeted more accurately. Sources will be monitored closely and requirements may increase or decrease depending on revenue earned from leased space.

## Airports - Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

**Chino Airport Commercial Hangars** complex is managed, maintained, and operated by the Department of Airports. The Commercial Hangars at Chino Airport were constructed in 1987 with proceeds from a 30-year bond issue that matured in 2015-16 and was paid off. Requirements for this budget unit are funded from rental revenues. There is no staffing associated with this budget unit. However, this budget unit reimburses the Airport's General Fund budget unit for the cost of staffing incurred to support the Commercial Hangar complex.

**Airports Capital Improvement Program** is a Capital Improvement Program (CIP) that is managed by the Department of Airports and includes projects for Baker Airport, Barstow-Daggett Airport, Chino Airport, Needles Airport, and Twentynine Palms Airport. Projects funded in this budget unit include utilities, storm water, fire suppression plans, Airport Master Plans, Airport Layout Plans, construction and rehabilitation for numerous runways, taxiways, water systems, airport facilities, annual pavement maintenance, infrastructure and rehabilitation of reverted buildings. The capital projects for Apple Valley Airport (CSA 60) are budgeted in a separate budget unit. All Capital Improvement Projects for all six airports that are administered by the Department, or by Real Estate Services – Project Management Division (PMD) on behalf of the Department, are reported in the CIP section of this budget book. There is no staffing associated with this budget unit.

## DETAIL OF 2017-18 RECOMMENDED BUDGET

	2017-18				
	Requirements	Sources	Use of / (Contribution to) Fund Balance	Available Reserves	Staffing
<b>Special Revenue Funds</b>					
Chino Airport Commercial Hangars (RCI)	414,075	920,875	(506,800)	1,142,663	0
Airports Capital Improvement Program (RAA & RCD)	9,246,547	7,058,231	2,188,316	1,629,355	0
Total Special Revenue Funds	9,660,622	7,979,106	1,681,516	2,772,018	0

**Chino Airport Commercial Hangars** has \$414,075 in Requirements which includes \$211,710 for services and supplies primarily for maintenance repairs, \$187,365 for transfers associated with labor incurred in other budget units including County Counsel and \$15,000 for the purchase of a new scissor lift to perform maintenance activities at the hangars.

Sources of \$920,875 are primarily from commercial tenants who pay rents and concessions to conduct business at the airport.

**Airports Capital Improvement Program** has \$9.2 million in Requirements which includes \$6.3 million in Capital Expenditures primarily due to construction improvements at Chino Airport including phase II of the northwest apron rehabilitation and well installations and testing associated with the groundwater plume. Also included in

Requirements is \$2.4 million in Operating Transfers Out to the Real Estate Services Project Management Division (PMD) for management and construction of various CIP projects. More detail about projects budgeted for 2017-18 can be found in Exhibit A of the Capital Improvement Program section of this budget book.

Sources of \$7.1 million are primarily from anticipated state and federal grants for repayment of expenditures related to the Chino Airport northwest apron rehabilitation and insurance settlements for plume related expenses.

### **BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are increasing by \$2.4 million primarily due to a \$5.5 million increase in Capital Expenditures for Phase II of the Chino northwest apron rehabilitation project and the construction of wells, testing, and monitoring connected to the Chino plume. These increased costs are offset by decreases of \$2.6 million in Operating Transfers Out due to the completion of various capital projects including:

- Chino Airport northwest apron rehabilitation – Phase I
- Chino Airport commercial hangar air compressor replacement
- Needles Airport drainage improvements
- Needles Airport Layout Plan (ALP)
- Twentynine Palms Airport drainage improvements

Sources are increasing by \$2.8 million primarily due to an estimated \$1.9 million in insurance settlements for plume related expenses, \$665,301 increase in federal grant revenue for Phase II of the Chino northwest apron rehabilitation project and a \$501,647 increase in Operating Transfers In primarily due to excess earnings in the Airports General Fund budget unit.

### **ANALYSIS OF FUND BALANCE**

The budget includes a Use of Fund Balance of \$1.7 million which is for one-time capital projects. Additionally, reserves of \$2.8 million are available to fund future expenses.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with this budget unit.

## CSA 60 – Apple Valley Airport – Operations

### DESCRIPTION OF MAJOR SERVICES

County Service Area 60 (CSA 60) funds the operation, capital projects and maintenance of Apple Valley Airport, which is administered and staffed by the County of San Bernardino Department of Airports. Apple Valley Airport, which was built in 1970, is a public use airport providing general aviation services to the High Desert region. CSA 60 is primarily funded by local property tax and revenue generated from airport leasing activities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$3.4 million include \$2.0 million in Operating Expenses primarily for transfers to reimburse the Airports General Fund budget unit for Staffing Expenses and services and supplies related to the operation of the Apple Valley Airport. Sources of \$2.8 million primarily consist of \$2.1 million from tax revenue receipts and \$628,714 in Other Revenue for leased space.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.6 million primarily due to an Operating Transfer Out to the CSA 60 Apple Valley Airport Capital Improvement Program budget unit to fund land acquisition expenses for a drainage basin project at the southwest quadrant of Apple Valley Airport.

## ANALYSIS OF NET POSITION

Net Position is decreasing by \$618,712 primarily due to one-time transfers to the CSA 60 - Apple Valley Airport CIP budget unit. Estimated Net Position Available of \$23,391,692 is remaining for future CIP projects and other airport expenses when they arise.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with this budget unit. However, this budget unit reimburses the Airports General Fund budget unit for Staffing Expenses incurred in connection with service to the Apple Valley Airport.

## CSA 60 – Apple Valley Airport – Capital Improvement Program

### DESCRIPTION OF MAJOR SERVICES

County Service Area 60 (CSA 60), through the Department of Airports, manages the Capital Improvement Program (CIP) for Apple Valley Airport. Projects include utility, storm water, fire suppression plans, Airport Master Plan and construction/rehabilitation of numerous runways, taxiways, and airport facilities. Projects are funded with proceeds from CSA 60 – Apple Valley Airport budget and when available, Federal Aviation Administration (FAA) and Caltrans Aeronautics grants.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$3.2 million consist primarily of Operating Expenses of \$3.0 million for transfers to Real Estate Services – Project Management Division (PMD) for the management and construction of CIP projects at Apple Valley Airport. More detail about projects budgeted for 2017-18 can be found in Exhibit A of the Capital Improvement Program section of this budget book.

Sources of \$1.4 million consist of Operating Transfers In from the CSA 60 – Apple Valley Airport Operations budget unit primarily to fund land acquisitions for drainage basins.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.3 million primarily due to land acquisition expenses for the drainage basin project at the southwest quadrant of Apple Valley Airport. Sources are increasing by \$1.4 million due to an Operating Transfer In from the CSA 60 – Apple Valley Airport Operations budget unit to fund the land acquisition.

## ANALYSIS OF NET POSITION

The budget includes the Use of Net Position of \$1.8 million which is for one-time capital projects. Funds were previously transferred from the CSA 60 – Apple Valley Airport Operations budget unit when new projects require funding.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

# County Library

## DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Library (Library) provides public library services through a network of thirty two branches in the unincorporated areas and seventeen cities within the County. The Library provides free access to information through its materials collection and offers almost 1,000 public accessible computers for internet, productivity use and browsing the library's online catalog. These public computers also provide access to a number of online databases and other electronic resources. Electronic access to the Library's collection of materials is available through the Internet and daily delivery services provide for materials to be shared among the various branches. The Library's online catalog provides access to over one million items. In addition, the Library's OverDrive, Cloud Library, Freegal and Zinio systems allows online access for library patrons, in branch or from home, to thousands of eBooks, audiobooks, magazines, music, and movies through their tablet, eReader, or web browser.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$8.2 million fund 316 positions that provide services at 32 library branches and support staff at Library Administration. Operating Expenses of \$10.1 million include general operating expenses for branch locations such as telecommunication charges for internet access, utilities, landscaping, custodial services, COWCAP charges, one-time branch remodel expenses, equipment replacement, library databases, eBooks and books/DVDs. Operating Expenses also include the following Library programs at all branches: literacy, new book festival, summer reading program, and various children, teen and adult programs. Sources of \$16.6 million primarily represent property tax allocations and library fines and fees collected from patrons.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$229,693 primarily due to increases in Staffing Expenses of \$390,126 related to the addition of 20 limited term positions which will replace some temporary help services and an increase of \$98,500 in Capital Expenditures to purchase a new Adventure Bus to replace the existing vehicle that can no longer be driven due to emission standards. These increased costs are offset by decreases of \$308,547 in Operating Expenses primarily due to reduced spending on temporary help and less furniture, fixtures and other equipment costs for remodels as compared to last year. Sources are increasing by \$617,461 due to an increase in property tax allocations.

## ANALYSIS OF FUND BALANCE

The department will be utilizing \$2.1 million of Fund Balance for one-time expenditures to perform several anticipated branch remodels which include new furniture, branch reconfiguration, and new paint and carpet. The department will also continue on its four year replacement cycle for computer equipment to keep staff and public machines up to date to meet today's demands along with networking devices for connectivity. In addition to these expenses, the department will be purchasing several pieces of equipment to perform replacement of existing items including one camera system, a virtual server, two book drops, and additional new items that include a book sorter, two self-checkout units, one set of radio frequency identification security gates, and an Ethernet switch. Fund Balance Available Reserves are used to maintain a minimum 20% reserve for unforeseen or one-time expenditures.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$8.2 million fund 316 budgeted positions of which 284 are regular positions and 32 are limited term positions. The budget includes an increase of 18 net budgeted positions. This includes the addition of 20 limited term positions to assist with filling staff vacancies while recruitments occur in an effort to reduce reliance on temporary help services. In addition, two positions are transferred to the Community Services budget unit as they perform administrative duties for all departments within the Community Services Group.

## Bloomington Library Reserve

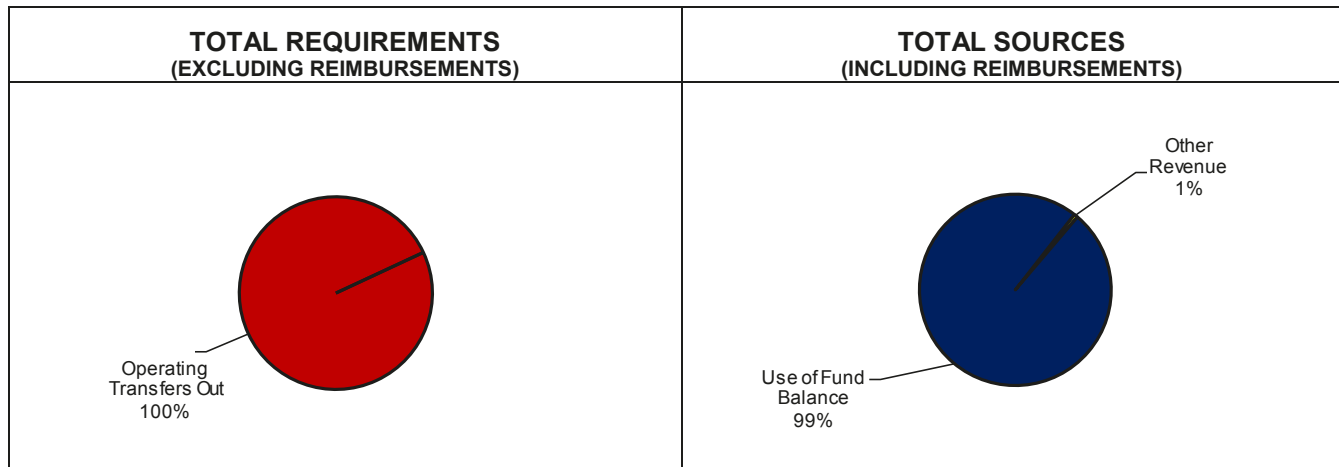

### DESCRIPTION OF MAJOR SERVICES

The Bloomington Library was opened in May 2016 as part of the Bloomington Intergenerational Housing Project and provides public library services to the residents of the unincorporated community of Bloomington and surrounding areas. Due to the Bloomington Library being co-located within the housing project, future repairs are to be shared by the Library and the building management company. The Bloomington Library Reserve was established through funds provided by the developer and set aside to be used for future building repairs at the Bloomington Library.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$227,380 represent Operating Transfers Out to the County Library budget unit for potential building repairs at the Bloomington Library. Sources of \$1,500 is annual interest earned on cash in the fund.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Operating Transfers Out are increasing by \$50,480 primarily due to additional reserve funds received in the prior year from the Related California real estate firm for future building repairs. Sources are increasing by \$950, which represents interest earned on funds deposited.

## ANALYSIS OF FUND BALANCE

Fund Balance can only be used to pay for one-time building repairs that may be required at the Bloomington Library. It is likely that Fund Balance won't be used for the next four to five years until a repair is needed on the building. Use of Fund Balance totaling \$225,880 is budgeted in 2017-18 in case an emergency repair is needed, to minimize the impacts to Bloomington Library patrons.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

# County Museum

## DESCRIPTION OF MAJOR SERVICES

The County Museum (Museum) is an accredited regional museum in California and provides enhanced “Quality of Life” for County and regional residents. The Museum is comprised of the following focus areas: Anthropology, History, Earth Sciences, Integrated Sciences, and Visitor Engagement. All areas enhance public learning through exhibits and public and educational programming and activities for families, individuals, and school groups at the main Museum facility in Redlands, Victor Valley Museum in Apple Valley, and five historic sites: Agua Mansa Cemetery in Colton, Casa de Rancho Cucamonga (John Rains House) in Rancho Cucamonga, Asistencia Outpost of the Mission San Gabriel in Redlands, Yorba Slaughter Families Adobe in Chino, and Yucaipa Adobe in Yucaipa. The Museum partners with the Yucaipa Historical Society to operate the Mousley Museum in Yucaipa. These programs and activities involve the exhibition, interpretation, and preservation of cultural and natural heritage collections depicting the history, culture and natural science of San Bernardino County.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$1.2 million fund 21 positions that provide program services and oversight for the main Museum facility in Redlands, Victor Valley Museum in Apple Valley, and five historic sites throughout the County. Operating Expenses of \$2.2 million primarily include services and supplies expenses for educational programming, exhibits, insurance, advertising, security services, COWCAP charges, central services charges for Facilities Management and Information Services, and rent for the Museum's off-site storage. Sources of \$367,945 are primarily derived from admission fees, education services, facility rentals, and sponsorships from the Museum Association.

## BUDGET CHANGES AND OPERATIONAL IMPACT

The budget includes one-time allocations of Net County Cost of \$588,097 to support operations.

Requirements are decreasing by \$699,769 primarily due to one-time allocations of Net County Cost to fund accreditation activities for the Museum in 2016-17. Sources are decreasing by \$241,255 primarily due to one-time funding from the Museum Association from a bequest for the Caves and Lakes exhibit in 2016-17.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$61,845 fund two part-time regular positions and two part-time limited term positions that operate the Museum Store. Operating Expenses of \$30,565 are for purchases of inventory for resale. Capital Expenditures of \$15,000 are related to purchases of hardware to replace the current point-of-sale (POS) system that no longer meets the needs of the store. Sources of \$77,500 are from revenue generated from novelty items/souvenir sales, books and publications, and funding from the Museum Association to partially fund a limited term position.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$27,318 primarily due to an increase in Staffing Expenses of \$29,068 that reflects the addition of 1 limited term position.

Sources are increasing by \$9,408 as a result of the Museum Association partially funding the new limited term position.

ANALYSIS OF NET POSITION

Use of Net Position of \$29,910 funds the replacement of the POS system in the Museum Store and at the front desk, improving inventory tracking, reporting capabilities and overall functionality, as well as funding one-half of the new limited term position in conjunction with the Museum Association’s support to fund one-time projects.

#### 2016-17 MAJOR ACCOMPLISHMENTS

- Received three NACo awards for the San Bernardino County Partnership for Renewable Energy and Conservation (SPARC) Forum community engagement web site, the Building Regulations and Standards Summary (BRASS) report and a new streamlined permit program for solar energy systems.
- Lead the establishment of a bi-county solar energy system permit program with consistent standards and plan review procedures in San Bernardino County, Riverside County, and the City of Riverside.
- Completed an extensive public engagement program to determine community goals and priorities through a series of 66 workshops in 27 communities throughout the County.

- Completed a major business process reorganization in the Code Enforcement Division in which staff are no longer assigned to regions, but to sections focusing on specific business processes such as, but not limited to: a team of first responders to handle all routine complaints which has resulted in the majority (70%) of the complaints received by Code Enforcement being closed at a much faster rate; a permitting team who handle the issuance of all types of permits; and a special programs team who address all transient violations of County Code, such as illegal dumping, illegal vending and vehicle sales enforcement.
- Continued work on the EZ-Online Permitting System (Accela) for Phase I processes which launches in July 2017.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.3 million fund 40 budgeted positions, of which three are limited term. Operating Expenses of \$3.1 million include \$1.3 million for applications development and direct labor charges primarily related to the Accela Permitting System upgrade and implementation, \$95,627 in licensing fees for the department's electronic document review software and Enterprise Agreement, \$1.4 million for labor related to technology maintenance, facilities maintenance charges, data processing charges, legal services and other expenses, and \$349,868 for COWCAP charges. Reimbursements of \$5.1 million are primarily comprised of transfers in from the other Land Use Services budget units for administrative support.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$40,069, primarily due to increases in Staffing Expenses of \$341,215 and Operating Expenses of \$210,854, which are partially offset by an increase in Reimbursements of \$507,000, and a decrease in Capital Expenditures of \$5,000.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$3.3 million fund 40 budgeted positions of which 37 are regular positions and 3 are limited term positions. Changes in staffing include the addition of 1 Staff Analyst II position and 1 Land Use Services Coordinator position from the Planning Division. These changes will enable the department to continue to improve customer service delivery and support throughout the various divisions of Land Use Services.

Planning

DESCRIPTION OF MAJOR SERVICES

The Planning Division oversees land use, community design, and industrial, commercial, and residential development. Planning facilitates the review, processing, and approval of applications for land use and land divisions within the County unincorporated areas; oversees General Plan implementation, updates and annual reports as required by law; maintains, updates, and interprets the Development Code; serves as the County lead for California Environmental Quality Act (CEQA) compliance, oversees the preparation of environmental reports for private and capital improvement projects; reviews and processes mining and reclamation plans in compliance with Surface Mining and Reclamation Act (SMARA); and conducts annual mine inspections to ensure adequate reclamation financial assurances for mining operations.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$2.7 million fund 26 budgeted positions, of which 22 are regular positions and 4 are limited term. Operating Expenses of \$3.9 million include \$1.3 million in professional services related to the utilization of consultant services, \$125,428 for COWCAP, \$435,000 in County Counsel expenses related to legal aspects of various planning projects, and \$1.6 million in transfers to Land Use Services – Administration budget unit for administrative support.

Sources of \$1.9 million include \$1.1 million in revenues from applicants for project expenses and \$800,000 in fees for current services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$1.1 million primarily due to a reduction in the use of one-time funding for the Morongo Basin Cultural Plan (\$150,000), the Environmental Element (\$101,250), vehicle replacement (\$50,000), a reduction in professional services (\$254,500), the transfer of two positions to the Land Use Services - Administrative budget unit (\$208,087), and the reduction in outside legal services (\$377,000).

Sources are decreasing by \$693,000 primarily as a result of the completion of projects and varying demand for Environmental Impact Report Consultant projects. These are subject to the volume of development applications received that require this service and can increase or decrease dependent upon project need.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$2.7 million fund 26 budgeted positions, of which 22 are regular positions and 4 are limited term. Changes in staffing include the deletion of 1 Contract Advance Planning Analyst, 1 Staff Analyst II and 1 Land Use Services Coordinator that will be transferred to the Land Use Services - Administrative budget unit. The deletions do not impact the workload to support the General Plan Update as the workload has been reduced and absorbed by existing staff. The Staff Analyst II and Land Use Services Coordinator positions are transferring to the Land Use Services - Administrative budget unit and reflect streamlining customer service delivery and support to the various divisions of Land Use Services.

Building & Safety

DESCRIPTION OF MAJOR SERVICES

Building and Safety administers construction and occupancy standards to safeguard life, health, and property in the unincorporated areas of the County. The Division applies state law and County ordinances and inspects the construction, alteration, relocation, demolition, repair, occupancy, and use of buildings and structures to ensure compliance.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$2.5 million fund 23 budgeted positions. Operating Expenses of \$3.3 million are comprised mostly of transfers to Land Use Services – Administration budget unit for administrative support, vehicle services charges, COWCAP, and consultants.

Sources of \$5.1 million are primarily related to fees charged for permit and plan reviews.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$296,955 primarily due to decreases in Operating Expenses through the reduced use of plan review and permit inspection consultants as the department anticipates fewer staff vacancies, thus transferring these tasks to County staff.

Sources are decreasing by \$359,424 primarily due to an anticipated decrease in permit and plan review.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.5 million fund 37 regular positions. Operating Expenses of \$2.2 million include \$500,000 for the demolition of derelict properties, \$122,670 for graffiti abatement contracts, \$100,000 for the Short-Term Rental Hotline, and \$61,000 for blight abatement. Other major expenditures include \$357,500 in vehicle service charges and the purchase of two new vehicles, \$40,000 for illegal dumping enforcement, \$564,098 which includes COWCAP, facilities charges, data processing charges, legal services and other expenses and \$500,391 in transfers to Land Use Services – Administration division budget unit for administrative support.

Sources of \$763,500 are primarily related to administrative citations and home rental permits.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$391,775 primarily due to the decrease in one-time funding for demolition of structures from the Blue Cut Fire.

Sources are increasing by \$68,912 primarily due to the increased number of Short-Term Rental applications and changes in code enforcement billing processes.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$1.2 million fund 17 budgeted positions, of which 15 are regular positions and 2 are limited term. Operating Expenses of \$1.5 million include \$620,000 for contract weed abatement services and \$100,000 for vehicle service charges. These expenses are necessary to identify and mitigate fire hazard risks throughout the County.

Sources of \$2.3 million are primarily from contracts with cities and fire protection districts (\$306,573), administrative citations (\$280,000), and charges to property owners for abatement services (\$1.0 million).

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and Sources are decreasing primarily due to a reduction in agricultural services as the 2017-18 season is projected to be an average rain season as compared to the previous season in which high rain totals necessitated increased abatement activity. This results in a reduction in projected fire hazard abatements and billing for services.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$907,932 fund 8 budgeted regular positions. Operating Expenses of \$417,742 include expenses for County Counsel, computer software, and transfers to Land Use Services – Administration budget unit for administrative support. Reimbursements of \$350,000 are comprised mostly of transfers from the Building and Safety and Planning budget units for work performed.

Sources of \$295,000 are primarily from fees for project-related expenses from applicants.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$35,991 primarily as a result of an increase in administrative support from Land Use Services Administration. The Land Development division has continued to streamline the current operating processes to the development community, which includes consolidating the division's grading plan review with the Building and Safety Division's fees to streamline the fee process.

Sources are increasing by \$13,888 as a result of anticipated increases in revenue from land development fee based applications.

#### 2016-17 MAJOR ACCOMPLISHMENTS

- Surveyor –
  - Implemented computer based map checking for Records of Survey and Corner Records review processes, which increased efficiency and expedited the process for more convenient turn-around of projects via e-mail or online submittal.
  - Improved the efficiency of aerial mapping and survey projects through the acquisition and implementation of unmanned aerial systems (UAS) equipment for use on selected projects.

- Continued to provide support for Public Works GIS projects, including enhancements of the Public Works Storm Patrol Interface.
- Continued work on preservation of survey monumentation for all Transportation and Flood Control projects administered.
- Solid Waste –
  - Completed 16 community cleanups with more planned through the end of June 2017.
  - Added eight new community partners to the Beverage Container Recycling Grant Program.
  - Operated Blue Cut Fire debris bin program by providing bins and debris disposal for cleanup of fire affected properties. Provided 50 bins to 26 individual properties to date.
  - Completed Capital improvement Projects at the Barstow and Big Bear Sanitary Landfills.
  - Received issuance of a Solid Waste Facility Permit for the lateral expansion at the Landers Sanitary Landfill increasing the disposal area from 44 acres to 92 acres, extending the site life to the year 2072.
  - Completed major improvements to the groundwater treatment system at the Mid-Valley Sanitary Landfill to include Soil Vapor Extraction of the vadose (unsaturated) zone, which has significantly increased the effectiveness of the system to remove volatile organic compounds from the underlying ground.
  - Received Regional Water Quality Control Board approval of the Notice of Non-Applicability to the State's Industrial Storm Water Quality Permit for the Landers Sanitary Landfill, reducing the requirements for best management practices to comply with the permit.
- Transportation –
  - Received federal authorization to proceed and expend \$8.6 million in funding sources for the following projects:
    - Road resurfacing in the City of Needles (Segment N and 1A) - \$5.2 million.
    - Design of the Glen Helen Bridge over the Cajon Wash - additional \$266,000.
    - Construction of the National Trails Highway Bridge over Dola Ditch - \$1.4 million.
    - Construction of the National Trails Highway Bridge over Lanzit Ditch - \$1.7 million.
  - Awarded \$200,000 from the Sustainability Planning Grant for active transportation infrastructure in the Morongo Basin.
  - Completed the following projects totaling \$4.7 million:
    - Guardrail installation on 263rd Street – \$100,000.
    - Widening of Slover Ave Phase II – \$2.0 million.
    - Resurfaced 0.80 miles of the Trona Class I bike path - \$43,000.
    - Reconstructed two miles of Spring Valley Lake Area roads – \$1.4 million (Including - 8% City of Victorville share).
    - Construction and upgrades to ADA curb ramps in the South Bloomington Area – \$750,000.
  - Reconstructed 0.89 miles of Ramona Avenue – \$1.3 million (Including - 23% City of Chino share) and the Garnet Bridge – \$4 million.
  - Prepared and applied chip seals to 214 miles of roadway at a total cost of \$14.0 million (Chip Seals - \$9.6 million, Preparation - \$4.4 million).
  - Applied maintenance overlays to 84 miles - \$9.9 million.
- Flood Control –
  - Completed the Wilson Creek Channel project in the City of Yucaipa - \$1.1 million.
  - Executed an agreement with the San Bernardino Valley Water Conservation District for joint participation in the implementation of the Upper Santa Ana River Wash Land Management and Habitat Conservation Plan.
  - Prepared Dam Inundation Studies for eight Flood Control District facilities: Etiwanda Basin, Rich Basin, Alta Loma Basin No. 3, Sand Canyon Basin, West Badger Basin, North Badger Basin, Brush Basin, and Mac Quiddy Basin
  - Upgraded 50 ALERT Legacy rain gauges to ALERT2 rain gauges which provide faster and more accurate transmission of data by automatically managing data transmission frequencies to avoid data collision.

- Completed plans and specifications and advertisement for construction of the following projects:
  - San Sevaine Basin East Levee Embankment Reconfiguration, Fontana area.
  - Patton Basin Levee Embankment Reconfiguration, Highland/San Bernardino area.
  - Amethyst Basin Waterline Relocation, Victorville area.
- Completed plans and specifications of the following projects:
  - Mojave River Phase II project, Victorville area
  - Sand Creek/Warm Creek project, Highland area.
- Completed acquisition of right-of-way for the Rimforest Basin project.
- Executed an agreement with the City of Victorville for cost sharing of the Amethyst Basin Waterline Relocation project.
- Obtained Board approval of environmental documents for seven major Capital Improvement Projects; West Fontana Channel, Bandicoot Basin, Oak Hills Basin, Donnell Basin, Desert Knolls Wash, Rimforest Storm Drain, and Amethyst Basin. These projects are estimated to total over \$100 million in construction costs.
- Received Proposition 1 Planning Grant to prepare a Regional Stormwater Resource Management Plan in the amount of \$475,000.
- Completed seven right-of-way surplus property sales totaling 20.44 acres and \$898,300 in land value.

## Surveyor

### DESCRIPTION OF MAJOR SERVICES

The function of the County Surveyor is to review subdivision maps as prescribed by state law, prepare legal descriptions and maps, perform design and construction surveys for various County departments, assist the public in matters relating to land boundaries, and ensure that sound surveying is used in the preparation of maps and plans for project development within the County. The County Surveyor ensures these maps and plans conform to conditions of approval, local ordinances, standards for development, and state laws. Field crews perform boundary and construction surveys for other County departments and are responsible for perpetuation of controlling survey monuments. The County Surveyor also maintains the integrity of the Countywide Geographic Information Services Parcel Basemap.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$3.2 million primarily include \$2.4 million in Staffing Expenses to fund 22 positions, Operating Expenses of \$712,710 and Capital Expenditures of \$18,000. Significant Operating Expenses include vehicle charges, professional services, central services, COWCAP, and transfers to fund administration and fiscal support provided by the Transportation Division and the Flood Control District. Capital Expenditures of \$18,000 will fund two field computers which are needed to replace aging equipment that is no longer serviceable.

Sources of \$2.5 million include fees charged to customers for field surveys, review of subdivision maps, and the preparation of legal descriptions and maps.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$141,017. The most notable changes are a decrease in Staffing Expenses of \$61,819 primarily due to the deletion of one regular position and one limited term position, a decrease in Capital Expenditures of \$123,000, and a decrease in Reimbursements of \$20,000 from Flood Control District (Emergency Training and Storm Patrol) and Transportation (staff costs and indexing), offset by an increase in Operating Expenses of \$23,802 primarily for purchasing safety equipment and supplies.

Sources are decreasing by \$56,096 primarily due to the reduction of anticipated mapping and field survey work.

Net County Cost is decreasing by \$84,921 primarily due to a reduction in one-time funding for costs associated with processing old Record of Surveys.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$2.4 million fund 22 budgeted regular positions.

Two vacant positions (one regular and one limited term) are being deleted:

- Survey Party Chief (regular) in the Field Section is no longer necessary due to reduction in the number field survey crews and redistributing workload among existing staff.
- Land Surveyor (limited term) in the Office Section was temporarily used to assist with various projects due to vacancies and is no longer necessary due to decrease in vacancies.

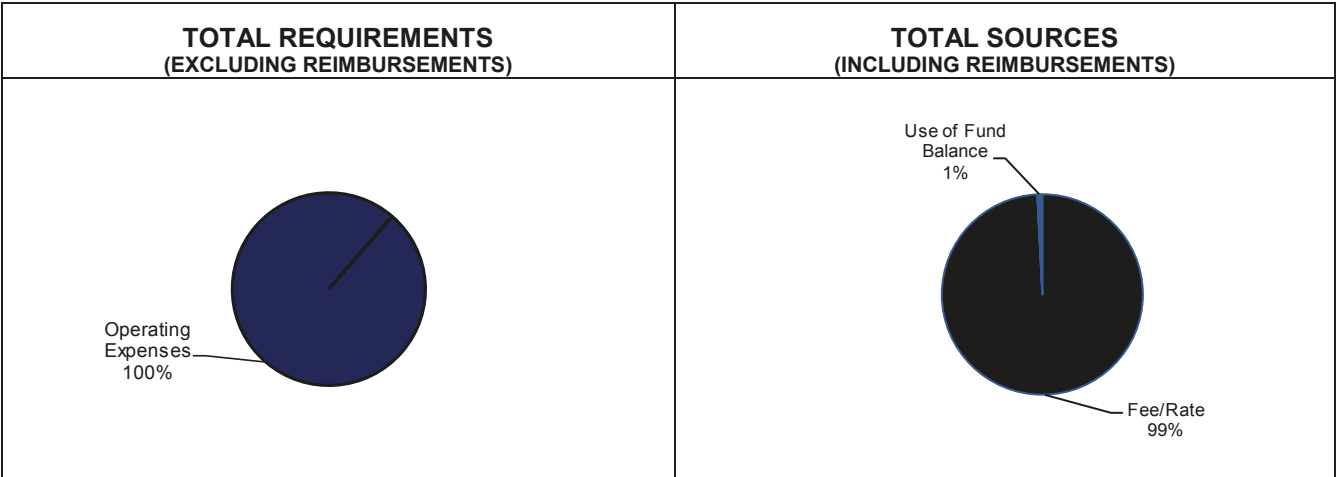

## Survey Monument Preservation

### DESCRIPTION OF MAJOR SERVICES

The Survey Monument Preservation budget unit was established to account for expenses incurred related to the retracement of re-monument surveys of major historical land division lines, upon which later surveys are based. These include, but are not limited to, surveys of government section lines, rancho section lines and historic subdivision lines. The services related to this budget unit are funded by a \$10 fee charged to the public for filing or recording specific types of grant deeds conveying real property.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$80,635 are for services specifically related to retracement or re-monument surveys. Sources of \$80,000 are from fees charged to the public for filing or recording specific types of grant deeds conveying real property.

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no significant changes to Requirements or Sources. Fund Balance is increasing by \$75,665.

## ANALYSIS OF FUND BALANCE

Use of Fund Balance of \$635 will provide for one-time expenditures for County services in 2017-18. The monument preservation services are provided based on availability of staff resources and the available fund balance. Remaining Fund Balance of \$280,064 is being set aside in Available Reserves for future services.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## DPW – Transportation Special Revenue Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

The Transportation division is responsible for the operation, maintenance, and improvement of the County's Maintained Road System (Road System) that currently includes approximately 2,550 miles of roadways. Additional activities include administration, planning, design, construction, environmental management, and traffic operations.

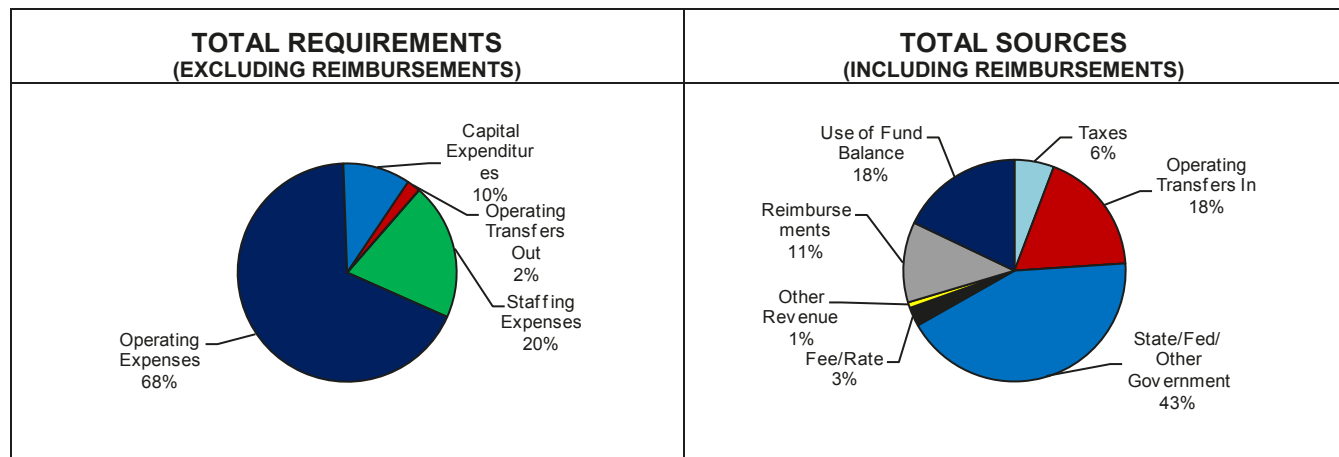

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$145,312,082
Total Sources (Incl. Reimb.)	\$119,299,163
Use of/ (Contribution to) Fund Balance	\$26,012,919
Total Staff	343

Operations and routine maintenance activities include patching and crack filling of asphalt pavement, grading of 421 miles of unpaved roads, shoulder maintenance, snowplowing of over 500 miles of mountain roads, traffic signal maintenance at 90 intersections, roadside weed abatement in urban areas, traffic sign and pavement striping maintenance, storm repairs and cleanup, maintenance of 380 bridges and thousands of concrete box and metal pipe culverts, as well as maintenance of drainage facilities such as inlets, ditches, dikes, and gutters. Maintenance functions are provided through 13 yard districts with regional facilities located to best service the 20,000 square-mile area of the County.

Road System improvements include roadway resurfacing, reconstruction, and other pavement improvement projects that further the County's goal of maintaining the pavement in good or better condition. Other services include construction of bridges, traffic signals, widening and infrastructure projects, including new roads, freeway interchanges, and railroad grade separations, in addition to seeking and securing other state and federal funding for construction projects.

## DETAIL OF 2017-18 RECOMMENDED BUDGET

	2017-18				
	Requirements	Sources	Use of / (Contribution to) Fund Balance	Available Reserves	Staffing
<b>Special Revenue Funds</b>					
Road Operations	112,516,099	86,486,980	26,029,119	30,956,290	343
Measure I	13,887,520	12,874,180	1,013,340	22,616,920	0

Total Special Revenue Funds	128,267,077	102,254,158	26,012,919	74,229,688	343

**Road Operations** has Requirements of \$112.5 million including Staffing Expenses of \$29.5 million to fund 343 positions; \$82.9 million in Operating Expenses primarily include professional services, equipment usage, and material purchases for road construction and maintenance projects, vehicle maintenance, and transfers for labor/equipment usage within all Department of Public Works divisions which are offset by Reimbursements of \$16.8 million. Remaining Requirements consist of Capital Expenditures (\$14.5 million), which includes \$3.7 million to purchase land and right-of-way needed for road construction projects and \$10.7 million for replacement of heavy equipment needed for daily road operations and maintenance, and Operating Transfers Out (\$2.5 million), which is primarily being transferred to the equipment fund to fund future equipment replacements and to

the Program Management Division for road yard improvement projects. Major road construction projects include: realignment and reconstruction of Needles Highway in the Needles area; multi-year structural improvements to 127 historically significant bridges on National Trails Highway; design and right-of-way activities on Interstate 10 at Cedar Avenue interchange project; design of the Baker Boulevard bridge at the Mojave River and Yermo Road bridge at the Manix wash; construction of Phase III of the trail system on the Santa Ana River; reconstruction of Institution Road in the Verdmont area; and construction of culverts on Lone Pine Canyon Road in the Wrightwood area.

Sources of \$86.5 million include \$57.4 million in State/Federal/Other Governmental Revenue which includes Gas Tax (\$36.9 million) and other governmental revenue (\$20.5 million) for pavement improvement and capital construction projects; and Operating Transfers In of \$26.1 million which primarily consists of Discretionary General Funding for pavement improvement and capital projects. Additional sources of \$3.0 million include revenue from the miscellaneous reimbursements for services to outside agencies, sales of fixed assets for fully depreciated equipment, road permit and inspection fees, and interest earnings.

The use of \$26.0 million of Fund Balance consists of one-time expenditures for carried over projects and one-time expenditures for future equipment purchases to replace aging equipment. Because of the reduction and volatility of Gas Tax allocations and other funding sources, ongoing Discretionary General Funding assistance has been necessary to reduce severe impacts to the Road System until additional funding sources are identified.

**Measure I** has Requirements of \$13.9 million including Operating Expenses of \$14.1 million which fund pavement preservation and improvement projects (\$12.9 million), intersection improvements (\$306,000), bridge replacement (\$800,000), and bike path reconstruction (\$92,000); offset by Reimbursements of \$216,441 from Road Operations for share of the Luna Road reconstruction project. Major pavement preservation projects include: surface seals, mills and overlays in the San Bernardino Valley and Victor Valley; and reconstruction projects including Randall Avenue in the Fontana area and Park Boulevard in the Joshua Tree area.

Sources of \$12.9 million include Measure I sales tax and interest earnings, and contributions from the State of California and San Bernardino County Transportation Authority for various reconstruction and bridge projects. Fund Balance of \$1.0 million is being used for the projects noted above.

**Facilities Development Plans** has Requirements of \$714,000 including Operating Expenses of \$655,000 for the design of Shadow Mountain Road in the Helendale/Oro Grande Area, and the Rock Springs Road widening and bridge replacement over the Mojave River in the Southeast Apple Valley area; and Operating Transfers Out of \$59,000 for right-of-way acquisition for Rock Springs Road. Sources of \$627,070 consist of Highway Bridge Program Funding, development fees and interest earnings. Fund Balance of \$86,930 is being used for the projects noted above.

**Regional Development Mitigation Plan** has Requirements of \$1.1 million including Operating Expenses of \$824,000 primarily for the reconstruction of Alabama at I-10 interchange and Operating Transfers Out of \$325,458 for La Mesa Road. Sources of \$2.3 million include development fees and interest earnings of \$1.9 million, and Operating Transfers In of \$325,458 for La Mesa Road. The Fund Balance will increase by \$1.1 million and will be used to fund future projects.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$128.3 million consist of Staffing Expenses of \$29.5 million; Operating Expenses of \$98.5 million, predominantly for capital and pavement improvement projects (\$62.2 million), equipment and material usage for maintenance activities (\$12.0 million), administrative functions (\$7.7 million), and Transfers (\$16.6 million) which are offset by Reimbursements of \$17.0 million as they fund internal labor and equipment usage; Capital Expenditures of \$14.5 million for heavy equipment replacement and right-of-way purchases; and Operating Transfers Out of \$2.9 million which is primarily a contribution to the equipment fund for future equipment replacements.

Sources of \$102.3 million include \$62.2 million in State/Federal/Other Government Revenue which includes Gas Tax (\$36.9 million) and other governmental revenue for capital projects (\$25.3 million); \$26.5 million in Operating Transfers In which consists of Discretionary General Funding for pavement improvement and capital projects (\$21.8 million), contributions to the equipment fund (\$2.0 million), transfers from Regional Parks for Santa Ana River Trail (\$2.1 million) and transfers from Measure I and Facilities and Regional Development Mitigation Plans for shares of various projects (\$600,000); \$8.4 million in Measure I sales tax; and \$5.2 million in miscellaneous revenue including services to outside agencies, sales of fixed assets for fully depreciated equipment, road permit and inspection fees, and interest earnings.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing \$5.3 million primarily due to a decrease in Operating Expenses of \$897,753, a decrease in Operating Transfers Out of \$11.3 million primarily due to the use of one-time funds to set aside reserves for a new Public Works building, which are offset by a decrease in Reimbursements of \$1.7 million as a result of a reduction in projects funded by Measure I and the Facilities and Regional Development Mitigation Plans, an increase in Staffing Expenses of \$762,516, and an increase in Capital Expenditures of \$4.4 million for heavy equipment purchases.

Sources are decreasing by \$5.1 million primarily due to a decrease in State/Federal/Other Governmental Aid of \$5.4 million for road construction projects, a decrease in Operating Transfers In of \$263,181, and a decrease in other miscellaneous sources of \$1.2 million. These decreases are offset by an increase in Measure I revenue of \$1.8 million.

## ANALYSIS OF FUND BALANCE

Use of Fund Balance of \$26.0 million is for one-time expenditures of \$24.0 million from revenues that are dedicated to and reserved for the construction of transportation projects and \$2.0 million for one-time expenditures for future equipment purchases to replace aging equipment, which are necessary for maintenance activities to keep the Road System investment from deteriorating. Due to the reduction and volatility of Gas Tax allocations and other funding sources, ongoing Discretionary General Funding assistance has been necessary to reduce severe impacts to the Road System until additional funding sources are identified. The remaining Available Fund Balance Reserves of \$74.2 million are set aside for one-time expenditures of capital projects of \$73.7 million and technology systems improvements of \$550,000.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$29.5 million fund 343 budgeted positions of which 289 are regular positions and 54 are limited term positions. This includes a net decrease of 4 positions.

A total of 1 regular position is added to the budget:

- Department Systems Engineer in Information Technology Services section is needed to meet ongoing high level technological support requirements.

A total of 5 positions (1 regular, 4 limited term) have been deleted from the budget:

- 1 Secretary II is no longer required due to departmental reorganization.
- 4 Contract Project Senior Inspectors are no longer needed.

## PROPOSED 2017-18 ROAD MAINTENANCE AND REHABILITATION ACCOUNT (RMRA) PROJECTS

Senate Bill 1, the Road Repair and Accountability Act signed by the Governor in April 2017, will provide the County with additional transportation funding. Included in this funding are Road Maintenance and Rehabilitation Account (RMRA) funds, which will be continuously appropriated and is expected to begin flowing to counties in monthly apportionments from the State Controller's Office by February 2018. These new local RMRA funds are accompanied by additional reporting and eligibility requirements. In order to receive an apportionment of RMRA funding, counties must submit to the California Transportation Commission (CTC) an annual list of projects proposed to be constructed with RMRA funding. This initial list shall be included as part of a county's budget and use of the funds shall remain flexible as long as the funds are only used on eligible projects. The initial list of proposed projects to be funded by RMRA funds is as follows:

## Solid Waste Enterprise Funds - Consolidated

### DESCRIPTION OF MAJOR SERVICES

The Solid Waste Management Division (SWMD) provides for the operation and management of the County's solid waste disposal system, which consists of five regional landfills, nine transfer stations, and 34 closed landfills or disposal sites. SWMD also administers the County's solid waste franchise program, which authorizes and regulates trash collection by private haulers in the County unincorporated area, and state mandated waste diversion and recycling programs.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$95,388,823
Total Sources (Incl. Reimb.)	\$82,646,619
Use of / (Contribution To) Net Position	\$12,742,204
Total Staff	87

SWMD performs capital improvement projects for site enhancements and expansions; closures of landfills; environmental mitigation, and operations, maintenance, and monitoring (OM&M) of landfill environmental control systems. In addition, SWMD operates current programs to help mitigate issues that may arise from operations and management of County owned landfills or transfer stations. These programs are the Household Hazardous Waste Program for unincorporated County communities and the Host Cities Program for six host cities with a County landfill or transfer station within its boundary or sphere of influence.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

**Operations Fund** includes Requirements of \$95.3 million for the operation of the County's solid waste disposal system. This includes staffing expenses of \$8.1 million for staffing expenses that support 87 budgeted positions. Operating Expenses of \$63.6 million consists primarily of \$52.2 million for Services and Supplies (primarily for landfill operation contracts, legal services, and professional services), \$10.3 million for other charges (primarily for payments to cities hosting landfills, payments to the Board of Equalization, and revenue share payments to cities with Waste Disposal Agreements), and \$1.1 million in central service payments and administrative transfers to other County departments and divisions within Public Works. Capital Expenditures of \$23.6 million consist primarily of \$22.5 million for improvements to land for expansion projects at Landers, Mid-Valley, and San Timoteo Sanitary Landfills, and \$1.1 million for equipment, land purchases, and construction of scale houses. Operating Transfers Out of \$72,140 consist primarily of payments to the Solid Waste Earned Leave Fund. Requirements are offset by Reimbursements of \$105,500 for shared costs between divisions of Public Works. Sources of \$82.5 million include funds generated from landfill gate fees, special land use assessments, solid waste franchise fees, royalty agreements, land leases, and interest earned on fund balance. This budget unit will reduce Net Position by \$12.7 million primarily due to an increase in landfill expansion projects.

**Closure and Post Closure Maintenance Fund** is not expected to have any required Financial Assurance activity for 2017-18.

**Solid Waste Management Earned Leave Fund** includes Sources of \$50,000 in Operating Transfers In from the Operations Fund as a set aside of approximately one-twentieth of the unfunded liability for employees' earned leave balances. This budget unit will contribute \$50,000 to Net Position.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$11.7 million. Significant changes include an increase in Services and Supplies of \$3.8 million primarily due to an increase in professional services in support of expansion plans and software upgrade for scales, and an increase to improvements to land of \$16.7 million for expenses associated with several expansion projects. These increases are partially offset by a decrease in Operating Transfers Out of \$8.8 million due to the consolidation of several funds into one Operations Fund, eliminating the need for Operating Transfers between funds.

Sources are decreasing by \$7.4 million due to decreases in Other Revenue of \$2.9 million (one-time refund for excess payments for environmental liability insurance) and Operating Transfers In of \$7.1 million (elimination of transfers between funds due to the Operating Fund consolidation), offset by increases in fees of \$2.6 million.

## ANALYSIS OF NET POSITION

Unrestricted Net Position is anticipated to decrease by \$12.7 million from an estimated balance of \$9.8 million to an estimated deficit of \$2.9 million. This reduction is a result of the planned increase in landfill expansion projects at the Landers, Mid-Valley, and San Timoteo Sanitary Landfills.

It is SWMD's intent to use Net Position to fund only capital improvement costs that exceed available operating revenues. Net Position does not fund ongoing operations. SWMD is estimating its Unrestricted Net Position to be in deficit by \$2.9 million at June 30, 2018 due to the inclusion of an estimated \$149.4 million of long-term landfill liabilities for pollution remediation obligations, post-closure maintenance, earned leave and net pension liability, which excludes future closure construction liabilities of \$59.8 million, which are funded and set aside as Restricted Net Position. These liabilities do not come due within the current year and represent future costs that will be funded with future revenues. While the Unrestricted Net Position is negative due to these long-term obligations, the SWMD has sufficient operating funds to support ongoing operations of the system. The 10-year financial forecast projects fully funding the current portion of these liabilities, including ongoing operating expenses. Additionally, the SWMD continues to reduce ongoing expenses by performing maintenance activities in-house when cost effective and continues to seek opportunities for additional tonnage to increase revenue.

## San Bernardino County Flood Control District - Consolidated

### DESCRIPTION OF MAJOR SERVICES

The San Bernardino County Flood Control District (District) was created in 1939 under special state legislation. Since its inception, the District has developed an extensive system of flood control and water conservation facilities, including dams, conservation basins, debris basins, channels and storm drains. The purpose of these facilities is to intercept and convey flood flows through and away from developed areas of the County, as well as to promote water conservation and improved water quality.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$124,504,453
Total Sources (Incl. Reimb.)	\$89,183,634
Use of/ (Contribution to) Fund Balance	\$35,320,819
Total Staff	174

The District covers the entire County, including all of the incorporated cities. The District is divided into six geographic flood zones (in recognition of the different characteristics and flood control needs in various areas). Zone 1 encompasses the County's West End, from the Los Angeles and Riverside County lines to West Fontana. Zone 2 encompasses the central area of the San Bernardino Valley easterly of Zone 1 to approximately the Santa Ana River and City Creek demarcations. Zone 3 covers the East end of San Bernardino Valley, east of Zone 2. Zone 4 covers the Mojave River Valley region, from the San Bernardino Mountains to Silver Lakes. Zone 5 primarily includes the San Bernardino mountains. Zone 6 encompasses the remainder of the County not covered by other zones. The District has also established a Countywide administrative zone (Zone 7).

The District's principal functions are as follows:

**Flood Protection on Major Streams:** In cooperation with the federal government, and through its own projects, the District conducts programs for channel and levee construction, floodwater retention, and debris basin maintenance. Programs or projects are often done in cooperation with the incorporated cities, the U.S. Army Corps of Engineers, and the U.S. Bureau of Reclamation.

**Water Conservation:** The District operates and maintains water conservation basins and spreading grounds. Water from the local mountains and Northern California is spread and percolated into the groundwater basins underlying the County. The District has numerous joint use agreements with water districts allowing use of District facilities for groundwater recharge.

**Storm Drain Construction:** The District is active in comprehensive storm drain master planning/construction and cooperates with incorporated cities and other agencies in storm drain projects.

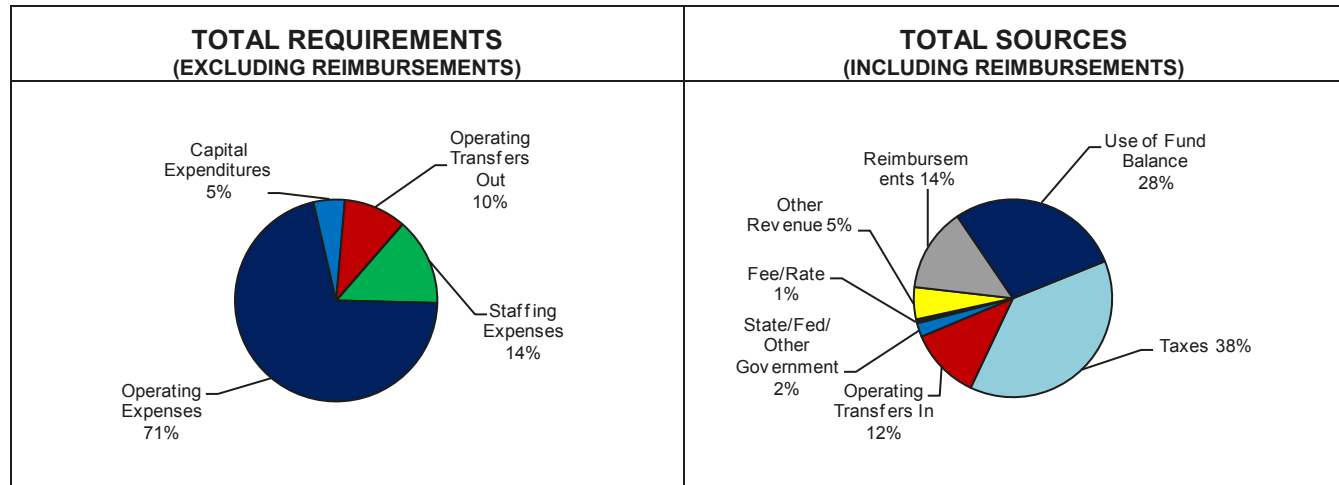

**Facility Maintenance:** The District has a proactive maintenance program for its facilities. Regular inspections of the storm drains, channels, and basins are made as required by various state and federal agencies.

**National Pollutant Discharge Elimination System (NPDES):** The District is the lead permittee in the San Bernardino Valley area-wide NPDES permit with 16 cities as co-permittees. The NPDES program, through the State Water Quality Management Board, regulates storm water quality through very detailed and complex permits, which affect everyone within the Santa Ana River Watershed and now in the high desert area of the Victor Valley under Phase II of the permit.

**Flood Operations:** During the flood season, District operations staff regularly patrol and monitor District facilities and perform flood fighting operations and emergency repairs as needed. The District also maintains telemetry systems for monitoring rainfall and runoff and dispatches storm patrols as dictated by the projected severity of a storm. The District has access to a weather satellite data delivery system to provide state-of-the-art weather information. The system provides advance warning of major storm activity. During the non-storm season, the flood operations staff performs routine maintenance of flood control facilities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$107.4 million include the following: Staffing Expenses of \$17.2 million to fund 174 budgeted positions; Operating Expenses of \$88.9 million consisting primarily of professional services for construction projects (\$39.1 million), operations and maintenance activities (\$14.5 million), debt service (\$10.1 million),

administrative functions (\$7.3 million), and transfers out for internal administrative transfers between the District's zones and other divisions within Public Works (\$17.9 million) which is partially offset by \$17.1 million in Reimbursements; Capital Expenditures of \$6.6 million consisting primarily of purchases of right of way for construction projects; and Operating Transfers Out of \$11.8 million primarily consisting of internal administrative transfers between the District's zones.

Sources of \$72.1 million include the following: \$47.5 million in Property Tax; \$2.8 million in Other Governmental Aid to partially fund Seven Oaks Dam maintenance and the NPDES program; \$14.5 million in Operating Transfers In which includes \$12.0 million in internal administrative cash transfers between funds as reflected above, and \$2.5 million in Discretionary General Funding for the NPDES program and the Rimforest Drainage project; and Fee/Rate and Other Revenue of \$7.3 million primarily from litigation settlements to partially fund the Cactus Basin #4 project.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$681,907. This is primarily due to an increase of \$8.4 million in Operating Expenses for planned construction projects, offset by a decrease of \$3.0 million in Capital Expenditures for right-of-way purchases and a decrease of \$6.2 million in Operating Transfers Out due to the use of one-time funds to set aside a reserve for a new building for the department.

Sources are increasing by \$563,466. This is primarily due to an anticipated increase in property tax revenue.

## ANALYSIS OF FUND BALANCE

Over the years, fund balance has increased due to delayed capital improvement projects as a result of environmental clearance delays from regulatory agencies. Fund balance usage of \$35.3 million is anticipated for the following projects planned for construction: Amethyst Basin; Patton Basin Levee Certification Restoration Project; Mojave River Levee; Sand Creek/Warm Creek Confluence; Santa Ana River Flood Wall Repair; Cactus Basins #4; West State Street Storm Drain; and the waterline relocation for Bandicoot Basin. The remaining Available Fund Balance of \$69.8 million is set aside for future planned capital projects and the potential need for responding to emergency storm events. Fund Balance is only used for one-time expenditures.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$17.2 million fund 174 budgeted positions of which 165 are regular positions and 9 are limited term positions. There is no net change to budgeted staffing.

A total of 2 regular positions are being added to the budget as follows:

- Maintenance and Construction Worker II in the Operations section to support increased workload at Cucamonga Basin No. 6 as the District will be taking over maintenance responsibilities that are no longer being contracted out.
- Public Works Equipment Superintendent in the Operations section to coordinate and manage the heavy equipment inventory.

A total of 2 vacant limited term positions are being deleted from the budget as follows:

- Public Service Employee in the Flood Design section was temporarily used to assist with various projects due to vacancies.
- Chief Public Works Engineer in the Flood Planning section was temporarily used to provide expertise and assistance with complex projects.

Expenses associated with these previously approved Capital Improvement Projects consist primarily of right-of-way acquisition expenses, consultants for design or geotechnical services, labor, and construction costs. Of the total Capital Improvement project expenditures budgeted for 2017-18 of \$52.0 million, \$6.2 million is budgeted in the Capital Expenditures line in the Analysis of 2017-18 Recommended Budget, with the remaining expenditures budgeted under Staffing Expenses and Operating Expenses. There are no new projects being budgeted for 2017-18.

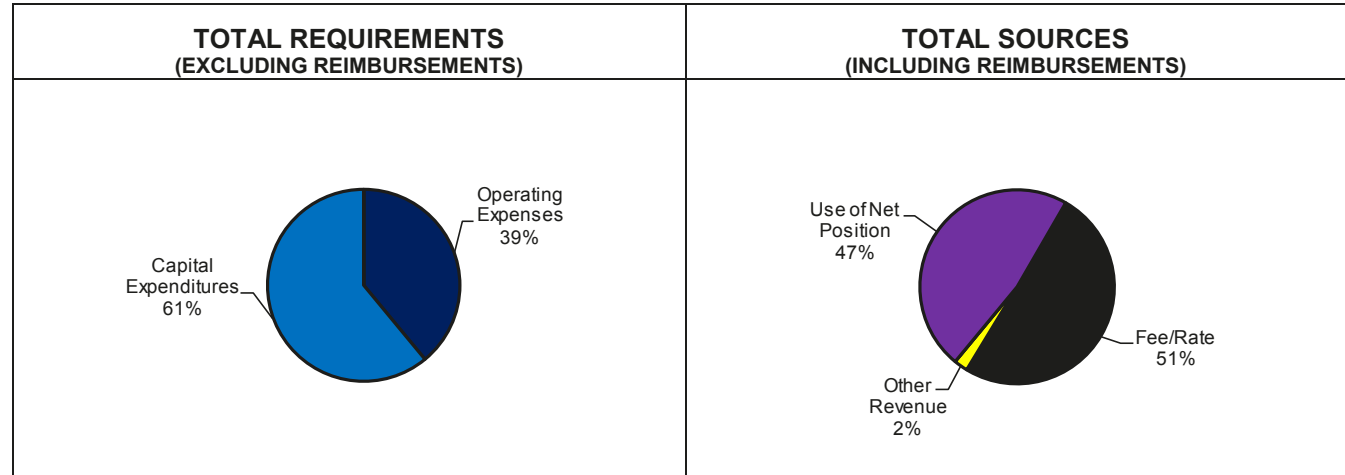

## Flood Control District Equipment

### DESCRIPTION OF MAJOR SERVICES

The Flood Control District Equipment budget unit is an internal service fund established to fund the purchase and maintenance of all District vehicles and heavy equipment. This budget unit is funded by equipment user fee charges to various Flood Control District zones and to other divisions within the Department of Public Works.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$4.8 million consist primarily of Operating Expenses (\$1.9 million) for motor pool and maintenance charges, equipment repairs, and Capital Expenditures (\$2.9 million) to purchase vehicles.

Sources of \$2.5 million include the District's heavy equipment fleet rates and revenue from the sale of surplus equipment and vehicles.

Unrestricted Net Position of \$2.3 million is being used to fund one-time Capital Expenditures.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$540,183 primarily due to an increase in vehicle purchases.

Sources are decreasing by \$102,000 primarily due to a decrease in anticipated sales of surplus equipment and vehicles.

## ANALYSIS OF NET POSITION

The budget includes a \$2.3 million use of Unrestricted Net Position for one-time Capital Expenditures. In order to reduce the amount of Net Position used every year, a consultant is currently analyzing rates and will present a recommendation on a new usage rate that will provide additional ongoing revenue to support the increased costs of maintenance and repairs and the cost of replacing outdated units.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## REAL ESTATE SERVICES DEPARTMENT

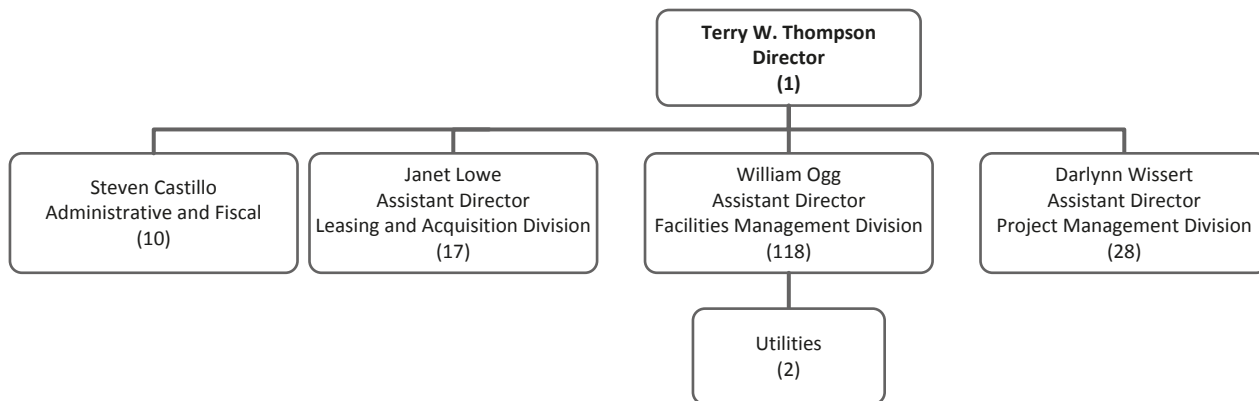

### Terry Thompson

#### DEPARTMENT MISSION STATEMENT

*The Real Estate Services Department is committed to providing an outstanding level of customer service to all of the County of San Bernardino departments and agencies that rely on us for their leasing, property and facilities management, acquisitions and dispositions, and project management of commercial real estate property throughout the County. We endeavor to maximize value, seek cost effective solutions, and be efficient, proactive and responsive to the commercial real estate needs of the County.*

## 2016-17 MAJOR ACCOMPLISHMENTS

- Participated in a leadership development program and developed a mission, vision and values statement and a strategic plan to help improve leadership competence, employee relations, teamwork and customer service.

### Leasing and Acquisition

- Completed a total of 48 new lease deals and 51 renewal lease deals, totaling in excess of 290,000 square feet of space on behalf of 18 County departments (significant deals included a 10-year lease agreement for 20,020 square feet of office and clinic space for the Department of Behavioral Health and a 10-year lease agreement for 30,384 square feet of clinic and office space for Arrowhead Regional Medical Center).
- Acquired four sites in various locations (Fontana, Joshua Tree, and Victorville) for the Department of Behavioral Health to construct Crisis Residential Centers and Crisis Stabilization Units in accordance with grant funds provided through the California Health Facilities Financing Authority.
- Acquired five acres of vacant land in Victorville for the construction of a new High Desert Fleet Management Service Center.
- Obtained 22 Permits to Enter and Construct from 22 property owners to reconstruct corner curb approaches in the Bloomington area to meet Americans with Disabilities Act requirements.
- Acquired a 38,780 square foot office building and 1.25 acres of land in downtown San Bernardino to relocate and consolidate the Public Defender for a purchase price of \$2.3 million.
- Managed \$6.9 million in Franchise receivables.
- Closed 10 of 11 property acquisitions for the Flood Control District's Oak Hills Basin Project in Hesperia.

### Project Management

- Completed 84 projects totaling approximately \$29.4 million in project budget costs.
- Completed projects supporting the local economy and maximizing job creation with approximately \$12.0 million in construction payroll and \$1.1 million in consultant and management fees.
  - Improved County operations through the completion of capital improvement projects for County Fire, Behavioral Health, Sheriff's facilities and other County departments. Major projects completed included Needles Fire Station No. 32 for County Fire; Campus Improvement Project – Phase 1A at the County Government Center; and Crisis Treatment Center in San Bernardino for the Department of Behavioral Health.

### Facilities Management

- Enriched custodial training and supervision to improve customer satisfaction by implementing new techniques and practices for cleaner building environments.
- Implemented automated irrigation controls to remotely turn off water during rain storms saving hundreds of gallons of water, man hours and fuel by not having to physically visit each site.
- Restructured the maintenance division into "Zone Maintenance" teams to enhance teamwork, reduce costs, and improve efficiencies and customer service.
- Replaced maintenance team desktop computers with mobile tablet devices that allow for real time in the field access to download and update work requests online.

## Real Estate Services

### DESCRIPTION OF MAJOR SERVICES

The Real Estate Services Department (RESD) consists of the Leasing and Acquisition Division, Project Management Division, and the Facilities Management Division.

The Leasing/Property Management section negotiates and administers revenue and expenditure leases on behalf of County departments. Revenue leases allow for the use of County-owned facilities, generally at County parks and airports, to generate revenue to offset expenses incurred to provide such facilities to residents and users. Expenditure leases provide space in leased facilities throughout the County for departments and their employees to support the delivery of services in locations convenient to the residents served. In addition, this section is responsible for the property management of court facilities within the County and the County-owned land and dairy facilities in the Chino Agricultural Preserve.

The Acquisition/Appraisal section provides appraisal, acquisition, and relocation assistance for County departments and, upon request, to other agencies including San Bernardino County Transportation Authority (SBCTA), the State of California, and various cities. Staff establishes values and acquires the necessary rights-of-way needed to complete public safety projects, including the construction and maintenance of transportation corridors and floodways. This section also acquires land and facilities for various functions and disposes of property determined to be surplus to the County's needs.

The Project Management Division provides planning and implementation of design and construction projects for County departments. These projects are administered from conceptual design through construction to completion and close-out.

The Facilities Management Division serves the public by providing quality custodial, grounds and maintenance services that enable County departments and staff to effectively meet the expectations of their employees and customers.

Note: Real Estate Services is classified as a central service department in the Countywide Cost Allocation Plan (COWCAP). In order to allocate full central service costs to the County's operating departments, central service departments do not pay COWCAP charges. Not included in this budget is \$240,286 which represents Real Estate Services' share of costs of other central service departments, such as Human Resources.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.2 million fund 28 positions and make up the majority of Real Estate Services Department's expenditures within this budget unit. Operating Expenses of \$527,014 fund services and supplies, central services, travel, and transfers. Reimbursements of \$2.2 million are from the Project Management Division and Facilities Management Division for department overhead for shared administrative and fiscal staff, and from the Rents budget for administration of expenditure leases (based on 3% of annual lease costs in excess of \$36,000). Sources of \$1.6 million are for billable labor hours for leases with annual lease costs less than \$36,000 and for acquisition and appraisal services billed at an hourly rate.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$208,847 primarily due to increases in Staffing Expenses as a result of negotiated salary increases offset by an increase in Reimbursements for administrative overhead and fees for lease management services. Sources are increasing by \$208,847 primarily due to additional billable labor hours charged to departments.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$3.2 million fund 28 budgeted positions of which 27 are regular positions and one is a limited term position. This includes the addition of two regular positions: one Real Property Agent III and one Staff Analyst II to assist with the increased workload in Leasing and Acquisitions and in Fiscal.

## Rents and Leases

### DESCRIPTION OF MAJOR SERVICES

This budget unit pays rental payments for leased space utilized by County departments. Lease payment expenses are reimbursed from various user departments. This budget unit also collects rental income for leases of County-owned property.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$53.8 million primarily include rent and lease payments paid to landlords. In addition, expenditures include transfers to Facilities Management for operating expenses of non-billable tenant space, transfers to Real Estate Services for property lease management, and transfers to the Sheriff/Coroner/Public Administrator for the 303 W. 3<sup>rd</sup> Street Office Building security costs. Reimbursements of \$53.3 million represent payments from County departments for lease payments and administrative fees. Sources of \$1.2 million are primarily from lease payments received from tenants in County-owned facilities and vending machine revenue.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$107,741 primarily due to an increase in lease payments, an increase in Operating Transfers Out for a capital improvement project for third floor restrooms at 268 Hospitality Lane in San Bernardino, and the elimination of transfers to Facilities Management for operating costs associated with vacant space. Sources are increasing by \$107,741, primarily due to contractual increases to revenue leases.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Courts Property Management

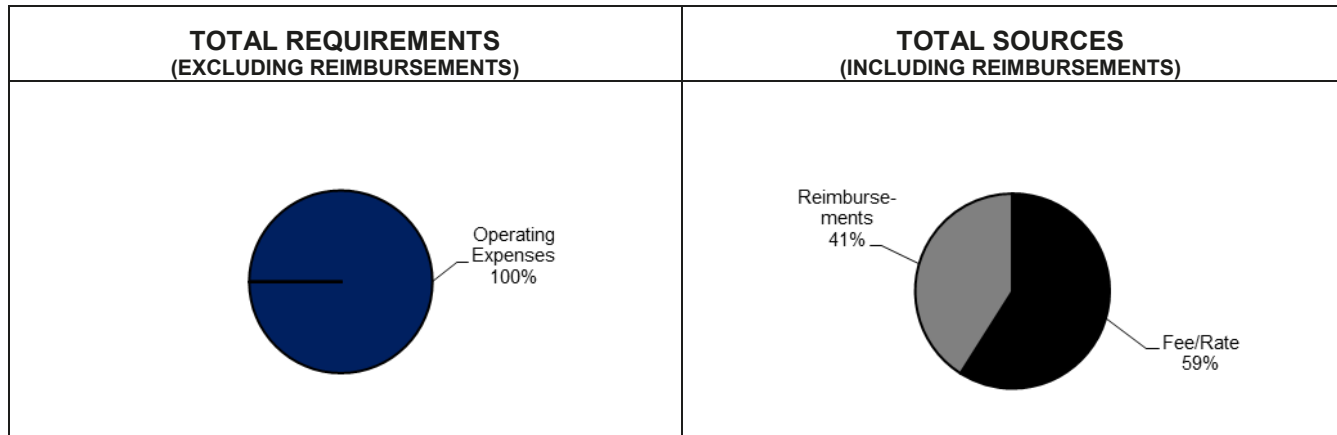

### DESCRIPTION OF MAJOR SERVICES

The Trial Court Facilities Act of 2002, SB 1732, required the transfer of responsibility for funding and operation of trial court facilities from all counties to the State of California on behalf of the Judicial Council of California (JCC). In addition, as each transfer occurred, the County and JCC entered into an agreement that defined whether the County or the JCC manages the operations and maintenance of the building. This budget unit is used to manage and account for reimbursements from the JCC for maintenance, utilities, insurance, overhead expenditures, and work order requests for space occupied by the local court in County-managed facilities. This budget unit is also used to manage and account for payments to the JCC for costs associated with the space occupied by County departments in JCC-managed facilities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

This budget unit acts as a clearinghouse between County departments and the JCC for management of court facilities. Operating Expenses of \$2.7 million include maintenance and utility costs of \$1.1 million for space occupied by County departments in JCC-managed court facilities and \$1.6 million for the JCC's share of operations, maintenance, utility and administrative costs in County-managed court facilities. Reimbursements of \$1.1 million are from the Facilities Management and Utilities budget units for County maintenance and utility costs in JCC-managed court facilities. Sources of \$1.6 million represent the JCC's share of operations, maintenance, utility, administrative, and insurance costs for County-managed court facilities.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$268,648 primarily due to decreases in property insurance costs. The JCC pays its pro rata share of property insurance costs. Since there is a reduction in property insurance costs, Sources are also decreasing.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Chino Agricultural Preserve

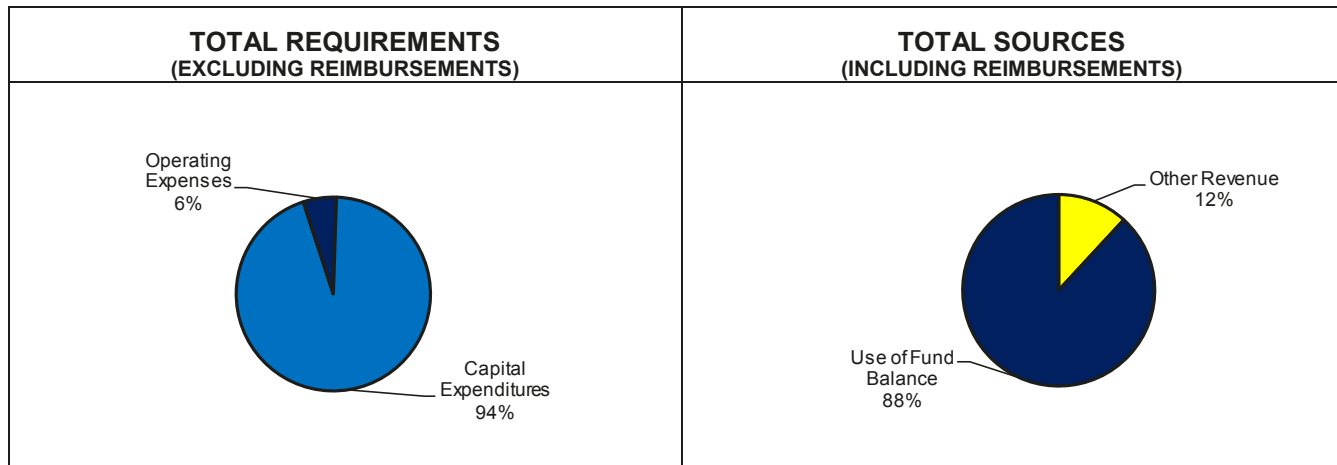

### DESCRIPTION OF MAJOR SERVICES

The Real Estate Services Department administers a special revenue fund to continue the Agricultural Land Acquisition and Preservation Program under the California Wildlife, Coastal, and Parkland Conservation Act (Proposition 70). The department is responsible for negotiating and managing leases for the properties acquired and developing recommendations for the ultimate use/disposition of these properties. Property management activities include arranging for all ordinary and emergency repairs and improvements necessary to preserve and maintain the properties in their present condition and improve operating efficiency, or altering them to enhance lease potential and/or comply with lease requirements. Expenditures are fully funded through revenues received from the lease of acquired properties.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$292,135 represent the cost to maintain County Dairies, such as utility costs associated with vacant properties, property management charges, County Counsel, professional services, and maintenance charges. Capital Expenditures of \$5.0 million represent the anticipated cost to acquire two properties adjacent to Prado Regional Park in Chino planned to be improved at a later date as an expansion of Prado Regional Park. Sources of \$627,780 include revenue anticipated from leasing of dairy properties and interest revenue. Available Reserves of \$24.2 million are planned to be used at a later date for Proposition 70 approved improvements.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$2.7 million primarily due to an increase of \$3.0 million in anticipated Capital Expenditures to acquire property adjacent to Prado Regional Park in Chino. Sources are increasing by \$143,184 primarily due to expected interest to be earned in the fund.

## ANALYSIS OF FUND BALANCE

The Use of Fund Balance of \$4.7 million is for one-time costs related to the acquisition of property adjacent to Prado Regional Park in Chino.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Project Management Division

### DESCRIPTION OF MAJOR SERVICES

The Project Management Division (PMD) is responsible for planning and implementing the design and construction of projects for Arrowhead Regional Medical Center, Airports, Regional Parks, Community Development and Housing and other County departments. These projects are approved as part of the annual Capital Improvement Program (CIP), or added during the year as organizational needs and priorities change. PMD collaborates with County departments and County Finance and Administration to develop the scope, schedule and budget for these projects. Following approval of the project elements, PMD administers the projects from conceptual design through construction to completion and close-out.

Not included in this budget is \$33,646 which represents Real Estate Services – Project Management's share of costs of other central service departments, such as Human Resources.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$3.0 million fund 28 positions and make up a majority of PMD's expenditures within this budget unit. Operating Expenses of \$792,438 fund services and supplies, central services, travel and transfers to the Information Services Department for support and to the Real Estate Services Department for administrative overhead. Reimbursements of \$3.8 million are for project management and inspection services provided by PMD staff on capital projects.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Staffing Expenses are increasing by \$579,238 due to the addition of 3 positions and negotiated MOU increases. Operating Expenses are increasing by \$105,743 primarily due to increases in Information Services and Facilities Management charges. These expenses are offset by an increase in Reimbursements of \$726,481 due to an increase in billable hours. The department's Total Expenditure Authority is fully reimbursed from services provided to the Capital Improvement Program.

The budget includes the addition of 1 Capital Improvement Project Manager III to work on the larger more complicated projects, 1 Building Construction Inspector to assist in building inspection services, and 1 Contract Project Consultant to assist with litigation regarding the High Desert Detention Center Expansion Project.

## Facilities Management Division

### DESCRIPTION OF MAJOR SERVICES

The Facilities Management Division (FMD) provides routine maintenance, grounds, and custodial services to ensure County facilities are well maintained, including 24 hours per day – seven days per week emergency building maintenance. Services also include repairing building structures, equipment, and fixtures.

Budget at a Glance	
Total Requirements (Excl. Reimb.)	\$21,449,212
Total Sources (Incl. Reimb.)	\$20,974,212
Net County Cost	\$475,000

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$9.4 million fund 118 positions. Operating Expenses of \$11.8 million fund contracts for grounds, maintenance, and custodial services; materials for repairs and maintenance of County facilities and equipment; and vehicles, tools, supplies, systems development charges, overhead, and administrative costs. Reimbursements of \$2.8 million and Sources of \$18.1 million are from County departments, the Judicial Council of California, and local courts who are billed for services provided.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$1.1 million primarily due to the addition of five regular staffing positions, higher maintenance and custodial materials and professional service costs for additional facilities maintained, increased transfers to the Real Estate Services Department for administrative overhead, and fixed asset purchases consisting of three trucks and a forklift.

Sources are increasing by \$864,641 primarily due to an increase in basic service charges to County departments for grounds, custodial and maintenance services, including rate increases in the custodial and maintenance service divisions, offset by a reduction in Other Revenue, to reflect a decrease in billable requisition work order requests from County departments.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Operating Expenses of \$20.1 million represent utility costs for County facilities and constitute the largest portion of the expenses. Staffing Expenses of \$171,381 constitute the remainder of the expenses for this budget unit. Sources of \$327,050 are from utility costs passed on to customers and third parties that occupy County-owned space.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$535,499 primarily due to lower base-year utility costs, the High Desert Detention Center's use of County-owned well-water system, and minimal utilities cost for unoccupied County facilities. These lower base-year utility costs offset anticipated utility rate increases in 2017-18.

Sources are increasing by \$73,782 due to increased utility costs passed on to customers and third parties that occupy County-owned space. Net County Cost is decreasing by \$609,281 due to lower base-year utility costs, which exceed the anticipated rate increases, for County facilities occupied by County departments.

# Regional Parks

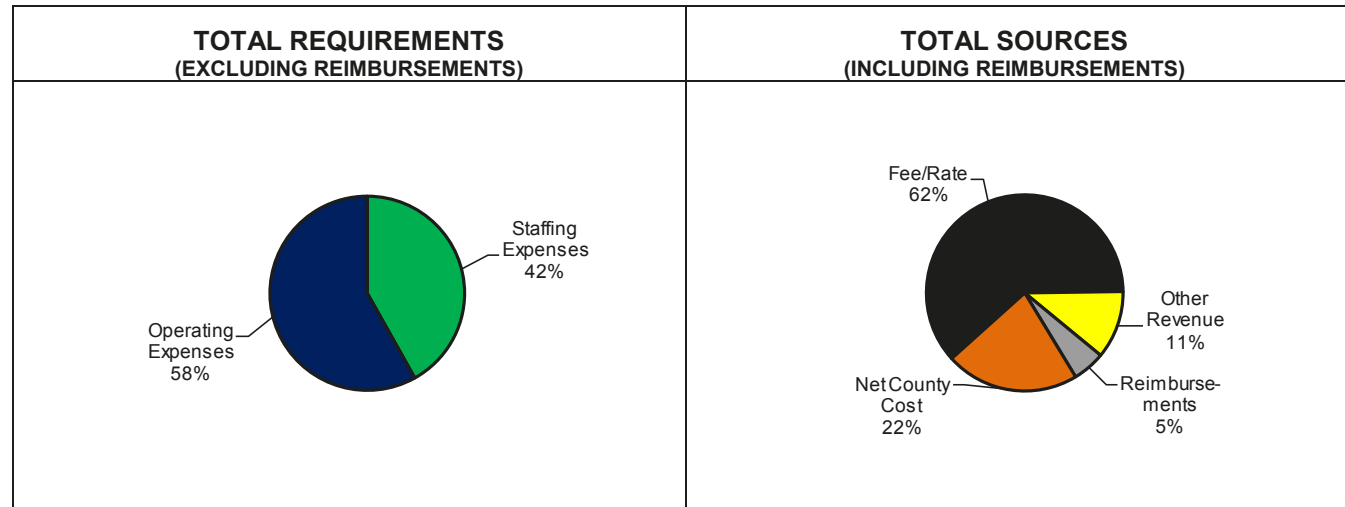

## DESCRIPTION OF MAJOR SERVICES

The Regional Parks Department is responsible for the operation and maintenance of nine regional parks located throughout the County. These parks, which encompass 8,668 acres, are as follows: Prado (Chino), Cucamonga-Guasti (Ontario), Glen Helen (San Bernardino), Mojave River Forks (Summit Valley), Mojave Narrows (Victorville), Moabi (Needles), Lake Gregory (Crestline), Yucaipa, and Calico Ghost Town (Yermo). Visitors to County parks enjoy open space, walking trails, camping, swimming, fishing, picnicking, equestrian activities and other recreational opportunities. The department hosts cultural, educational and special events through the use of park resources and contractual agreements with private and non-profit organizations. Park special events include Civil War Days and Halloween Haunt at Calico Ghost Town. Educational programs include the Environmental Science Day Camp at Yucaipa and Junior Fishing Workshops at multiple parks.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Staffing Expenses of \$4.3 million are budgeted for personnel to oversee administration, operations and maintenance of the County's nine regional parks, County trails system, and various special events/programs. Operating Expenses of \$6.0 million include \$2.7 million in COWCAP charges and other costs for stocking fish at park lakes, turf maintenance contracts (Prado, Cucamonga-Guasti, Yucaipa, Mojave Narrows, and Glen Helen Regional Parks), supplies for general maintenance and special projects, aquatic facility supplies, office supplies, interchange fees for credit card usage, advertising park events/amenities, restroom supplies, and insurance. Sources of \$7.5 million represent fees from camping, fishing, park entrance, swimming, facility use and special events, as well as from concessionaire and partnership agreements.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$507,506 primarily due to a reduction in Operating Expenses of \$689,182 driven by decreases in COWCAP charges of \$548,545 and insurance expenses of \$212,441. These decreased costs are offset by an increase of \$169,137 in Staffing Expenses primarily resulting from negotiated MOU increases, and forecasted increases in overtime for after hour special events, and worker's compensation insurance.

Sources are decreasing by \$507,506 primarily due to a \$424,054 decrease in Operating Transfers In from Regional Parks Consolidated Special Revenue Funds for one-time park expenses incurred in 2016-17. Fee/Rate revenue is also forecasted to decrease by \$132,090 primarily due to maximum capacity at swim complexes, a projected decrease in fishing fees of \$86,800 primarily due to lake maintenance projects at Prado Regional Park, and a more conservative estimate for camping related fees.

\*Detailed classification listing available in Appendix D.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$4.3 million fund 195 budgeted positions of which 58 are regular positions and 137 are limited term positions. The budget includes a decrease of 1 net position (addition of 3, deletion of 4).

The budget reflects budgeted position changes as follows:

- Deletion of 3 vacant regular positions (1 Youth Services Coordinator, 1 Staff Aide and 1 Office Assistant II) in addition to the deletion of the Deputy Director position when vacant. Three of these positions have been vacant for the majority of 2016-17, so the department is anticipating a negligible impact on administrative and operational functions as the workload has been absorbed by other staff. The Deputy Director position is replaced with the Director position.
- Addition of 3 limited term positions transferred from the Active Outdoors budget unit which has been eliminated in 2017-18 due to the program's inability to increase sales enough to break even.

## Regional Parks Special Revenue Funds – Consolidated

### DESCRIPTION OF MAJOR SERVICES

**County Trails System** was established by the Board of Supervisors and assigned to the Regional Parks Department as the steward charged with the development, operation and maintenance of regional trails throughout the County. This budget unit was established to follow compliance requirements for federal and state grant funding used in the development and construction of the trail system. Currently, the department has developed seven miles of the Santa Ana River Trail, linking to Riverside County and offering users over 22 miles on contiguous trail along the Santa Ana River.

#### Budget at a Glance

Total Sources (Incl. Reimb.)	\$5,039,371

**Glen Helen Amphitheater** was established to account for lease payments received annually from the operators of the Glen Helen Amphitheater at Glen Helen Regional Park. Each year, 72% of Sources is transferred to the County General Fund to fund the cost of the amphitheater's debt service payment.

**Amphitheater Improvements at Glen Helen** was established to provide for improvements to the Glen Helen Amphitheater at Glen Helen Regional Park. These improvements are designed to maintain the amphitheater and its facilities in their current condition in order to preserve a quality entertainment experience for its visitors. This budget unit is funded jointly by deposits from the County and the operators of the amphitheater.

**Park Maintenance/Development** was established to provide for the maintenance, development and emergency repairs at all regional parks. The costs associated with this budget unit are funded through camping reservation fees and operating transfers in from the Glen Helen Amphitheater budget unit.

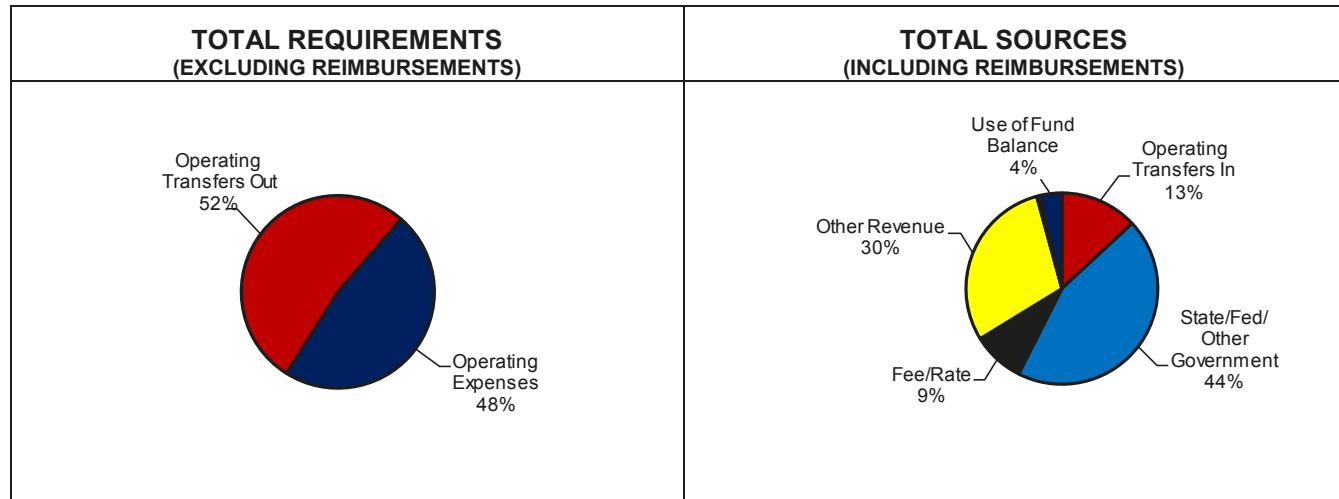

**Calico Ghost Town Marketing Services** was established to provide separate accountability and operations of marketing services for Calico Ghost Town Regional Park. A portion of the Sources from Calico Ghost Town concessionaire operations and park admission fees are used to advertise and market several special events including Calico Days, Calico Ghost Haunt, Civil War, and Bluegrass in the Spring.

**Off-Highway Vehicle License Fee** was established by Off-Highway Vehicle (OHV) "in-lieu of taxes." Fees are provided from the California State Controller's Office based on the amount of OHV recreation in the County. The state collects these fees for each OHV identification plate sold by the Department of Motor Vehicles; four dollars from the fee of each plate goes into a pool of funds to be distributed statewide.

**Fish and Game Commission** was established to manage California's diverse fish, wildlife, plant resources and habitats. Its primary function is to act as the liaison between the State Department of Fish and Wildlife, the County Board of Supervisors (Board), and the public. This budget unit receives funding from fines imposed on hunting, fishing, and environmental infractions, as well as from the sale of shooting maps. These funds are used by the Commission to assist qualified organizations with projects that assist in enhancing wildlife and its propagation in San Bernardino County.

**County Trails System:** Requirements of \$2.1 million include \$22,000 for finalizing the design and engineering elements for Phase IV of the Santa Ana River Trail (SART), \$2.0 million for environmental, design and construction of Phase III and \$37,250 for annual ongoing maintenance provided by Public Works. Sources of \$2.0 million are from an allocation of Proposition 84 grant funds from the Coastal Conservancy and an allocation of Local Transportation Funds from San Bernardino County Transportation Authority (SBCTA). This grant funding is contingent upon initially incurring project expenses, which may create cash flow challenges for this budget unit. Use of Fund Balance is to assist with the design, environmental and construction costs of the SART. Use of Fund Balance is paying for ongoing maintenance of SART by Public Works. SART does not have any ongoing Sources to offset ongoing Requirements which will create deferred maintenance issues when Fund Balance is exhausted.

**Glen Helen Amphitheater:** Requirements of \$2.1 million include payment to the County General Fund for the annual debt service cost on the amphitheater (\$1.0 million), transfers to the Regional Parks General Fund budget unit for upkeep and management of the amphitheater (\$369,958), a transfer to the Park Maintenance/Development budget unit for unexpected one time maintenance expenses (\$685,475) and a transfer to the Amphitheater Improvements at Glen Helen budget unit as required per the lease agreement with the operators of the amphitheater (\$25,000). Sources include \$1.4 million in rent from the operators of the amphitheater and associated interest earned on cash. Use of Fund Balance represents a transfer of excess Fund Balance to the Park Maintenance/Development budget unit for unforeseen maintenance expenses.

**Amphitheater Improvements at Glen Helen:** Requirements of (\$25,000) represent reimbursement from the Glen Helen Amphitheater Fund for the County's annual contractual obligation to fund improvements at the amphitheater. Expenditures must be mutually approved by the operator of the amphitheater and the County before any improvements occur. There are no anticipated expenditures for 2017-18. Sources of \$28,500 reflect a matching contribution from the operator of the amphitheater of \$25,000 per the lease agreement and \$3,500 in interest earned throughout the year.

**Park Maintenance/Development:** Requirements of \$94,932 primarily represent the cost of miscellaneous maintenance projects, ongoing camping reservation system hosting costs and a Point of Sale system. Sources of \$793,875 include an Operating Transfer In from the Glen Helen amphitheater budget unit of \$685,475 to fund unexpected one-time maintenance expenses at all parks. Additional Sources of \$108,400 are primarily reservation fees collected from campers.

**Calico Ghost Town Marketing Services:** Requirements of \$458,147 include \$256,701 for the cost of producing park special events, \$100,000 in advertising expenses, \$90,863 for transfers out for program manager labor, event set-up costs and to reimburse other divisions for staff support. Sources of \$449,300 primarily include

special event gate fees of \$348,000 and a percentage of rent payments received from Calico concessionaires specifically for advertising totaling \$98,000. Use of Fund Balance is for one-time advertising expenses.

**Off-Highway Vehicle License Fee:** Requirements of \$516,637 primarily consist of \$300,080 in Operating Expenses for various miscellaneous one-time projects including signage and fencing. Transfers of \$216,557 fund Staffing Expenses for County Fire and Code Enforcement services related to safety and administration of off-highway vehicle (OHV) development at Calico Ghost Town and Moabi Regional Park. Sources of \$305,000 primarily represent the amount anticipated to be received from the state for the County's portion of OHV registrations/licensing fees. California Public Resources Code 5090.50 specifies these funds may be used for planning, acquisition, development, maintenance, administration, operation, enforcement, restoration, and conservation of trails, trailheads, areas and other facilities associated with the use of OHV's, and programs involving OHV safety or education. Use of Fund Balance is for one-time projects related to OHV activities within the County.

**Fish and Game Commission:** Requirements of \$10,730 include administrative costs and printing expenses for shooting maps. Sources of \$7,196 include fines imposed on hunting, fishing and environmental infractions in addition to sales of shooting maps. Use of Fund Balance of \$3,534 is for costs to print shooting maps in bulk to take advantage of quantity discounts. Fund Balance will be replenished as maps are sold.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$90,918 as a result of the following:

- \$1.1 million increase in Operating Transfers Out due to a \$2.0 million increase to the Project Management Division due to anticipated engineering, design and construction work on SART Phases III and IV combined with a \$360,475 increase to transfer Fund Balance to Park Maintenance/Development budget unit. These increases are offset by decreases in Operating Transfers Out of \$834,309 caused by the termination of the boat wash project at Moabi Regional Park and \$426,188 due to the completion of the cabin project at Calico Ghost Town.
- \$1.0 million decrease in Operating Expenses primarily due to forecasted SART expenses that never materialized in 2016-17.

Sources are increasing by \$595,026 primarily due to a transfer of excess Fund Balance from the Glen Helen Amphitheater budget unit to the Park Maintenance/Development budget unit for unforeseen maintenance expenses.

## ANALYSIS OF FUND BALANCE

The budget includes the Use of Fund Balance of \$196,928. The majority of Fund Balance being used is for one-time miscellaneous OHV area improvement projects at Calico Ghost Town.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with these budget units.

Active Outdoors

DESCRIPTION OF MAJOR SERVICES

The Active Outdoors Program was created to provide programs that promote a healthy outdoor lifestyle. The Environmental Science Day Camp (ESDC) is a part of this program and is offered at Yucaipa Regional Park. ESDC takes place during the traditional school year, Wednesday through Friday, and follows the State of California 4<sup>th</sup> and 5<sup>th</sup> grade science curriculum for wildlife, botany and geology. Each student attends the ESDC with their class for a full day of learning, exploration, and hiking. Other programs in addition to ESDC include the Junior Fishing Workshops, Fishing Derbies and Doggie Pool-ooza.

### 2016-17 MAJOR ACCOMPLISHMENTS

- Successfully conducted the November 8, 2016 Presidential Election and four unscheduled special elections, where 302,000 voters cast ballots at polling places, 371,000 voters cast ballots by mail, and 16,000 voters cast ballots at Early Voting sites.
- Offered more convenience for voters by expanding the number of Early Voting sites to five locations in the Presidential General Election.
- Assisted in writing law authorizing Mid-Election Day Ballot Pickup and was the first County in California to implement the program.

- Promoted voter turnout by developing the first Ballot Selfie Program in the nation.
- Won two NACo Awards for the My Elections Gateway website application and the Faster Election Night Results Program.
- Developed industry leading internal information systems that increased the office's effectiveness and efficiency including: eCFile, ePoll, eFlow, GIS Placement Tool, Asset Tracking Module, Issue Tracking Module, and Provisional Ballot Module.
- Developed enhancements to the award winning website application "My Elections Gateway" including: My Worker Application, My Ballot Status, My Mail Ballot Application, and My Online Poll Worker Training.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$9.7 million enable the department to conduct two minor elections (November and December 2017), one major election (June 2018) and two unscheduled special elections. This includes Staffing Expenses of \$3.4 million for 56 budgeted positions, Operating Expenses of \$5.9 million, and Capital Expenditures of \$391,000. Operating Expenses primarily consist of services and supplies of \$5.2 million for daily operations and election-related expenditures (such as temporary labor, ballots, postage, poll workers and other professional services). Capital Expenditures of \$391,000 include costs for upgrading existing and purchasing used mail ballot sorting machines to accommodate large increases in vote by mail participation. Sources of \$1.5 million are derived from the Secretary of State (\$30,000), the sale of services and products, including maps, voter files, and certified documents (\$12,000), and election services for participating jurisdictions (\$1.5 million).

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and related Sources fluctuate based on a four-year election cycle. There are three scheduled elections occurring in 2017-18 (one major Statewide Primary election and two minor elections). In addition, Requirements and Sources include two anticipated, but unscheduled special elections.

Requirements are decreasing by \$1.3 million and Sources are decreasing by \$2.2 million primarily due to the passage of Senate Bill No. 415 which requires political subdivisions to hold elections on statewide election dates if voter turnout from their current election date has been 25% less than the average of the four previous Statewide General elections. Twenty-four jurisdictions have moved from the odd-year election cycle to the even-year election cycle to comply with this change in law. Therefore, these jurisdictions will have their election in 2018-19.

\*Detailed classification listing available in Appendix D.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$3.4 million fund 56 budgeted positions of which 28 are regular positions and 28 are limited term positions. Staffing changes include a net decrease of 17 limited term positions (addition of 25, deletion of 42).

The existing 42 lower-paid limited term positions (primarily public service employees) will be replaced with 25 higher-paid recurrent positions that are based on existing County classifications. This change will allow the department to better recruit and retain employees with defined skillsets and compensate them properly for the level of work being performed.

### DESCRIPTION OF MAJOR SERVICES

**County Service Area (CSA) 40 Elephant Mountain** was established by the County of San Bernardino Board of Supervisors on August 11, 1969, to provide ten channels of ultra-high frequency (UHF) television translator service broadcast from Elephant Mountain, and five channels of very high frequency (VHF) television translator service broadcast from Newberry Springs to the 100-square-mile area encompassing Barstow, Daggett, Hinkley, Newberry Springs, and Yermo. This CSA provides service to approximately 35,000 households and is financed by property taxes and rental income.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$20,526,520
Total Sources (Incl. Reimb.)	\$18,513,642
Use of/ (Contribution to) Fund Balance	\$2,012,878
Total Staff	99

**CSA 70 Countywide** was established by the County of San Bernardino Board of Supervisors on December 29, 1969, to provide a centralized mechanism for administration of personnel and operations which serve all board governed special districts. The employees are engaged in multi-district operations funded by the various sanitation, water, road, streetlights, and park and recreation districts. Staff provides centralized and regional management services, administration, engineering, fiscal, human resources, lien administration, park maintenance, payroll, information services, road maintenance and inspection services.

**CSA 70 D-1 Lake Arrowhead** was established by the County of San Bernardino Board of Supervisors on August 26, 1974, to maintain a dam located on the east side of Lake Arrowhead known as Papoose Lake. The Zone is financed by property taxes, which fund security, maintenance, replacement shrubbery, reforestation, and engineering services.

**CSA 70 DB-1 Bloomington** was established by the County of San Bernardino Board of Supervisors on February 10, 2004. The Zone is responsible for the maintenance of two detention basins and four landscaped intersections. On January 23, 2004, property owners approved an annual service charge of \$520 per parcel with a 2.5% inflationary factor. The 2017-18 per parcel service charge is \$649.03.

**CSA 70 EV-1 East Valley** was established by the County of San Bernardino Board of Supervisors on April 23, 1996. The Zone is responsible for the maintenance of the Alabama Street storm drain in the Redlands Citrus Plaza area. Funding for this Zone's operation is generated through a developer buy-in charge, which was received in 2008-09.

**CSA 70 DB-2 Big Bear** was established by the County of San Bernardino Board of Supervisors on April 27, 2010. The Zone maintains a detention basin, open space, and storm drain conveyances to the basin. This Zone's operations are funded by an annual service charge levied on property owners within the District.

**CSA 120 North Etiwanda Preserve** was formed on July 1, 2009, as a result of Local Agency Formation Commission Resolution No. 3051. The resolution included the dissolution of CSA 70 OS-1 and OS-3. The CSA provides for the management, protection, and operation of 1,202 acres of open space and mitigation property. Acreage is primarily composed of mitigated Riversidean Alluvial Fan Sage Habitat located north of Rancho Cucamonga and east of Day Creek Blvd. The CSA is primarily financed by interest income generated annually from a non-wasting endowment fund. Additional endowments are received when mitigation acreage and management responsibility is accepted by the CSA. The CSA also receives grants and other funding for operation of the open space district.

**CSA 70 TV-2 Morongo Valley** was established by the County of San Bernardino Board of Supervisors on October 18, 1976, to provide nine channels of UHF television and one channel of VHF television translator service to the 38 square miles of the Morongo Valley area. This Improvement Zone provides service to approximately 2,000 households and is financed by property tax revenue.

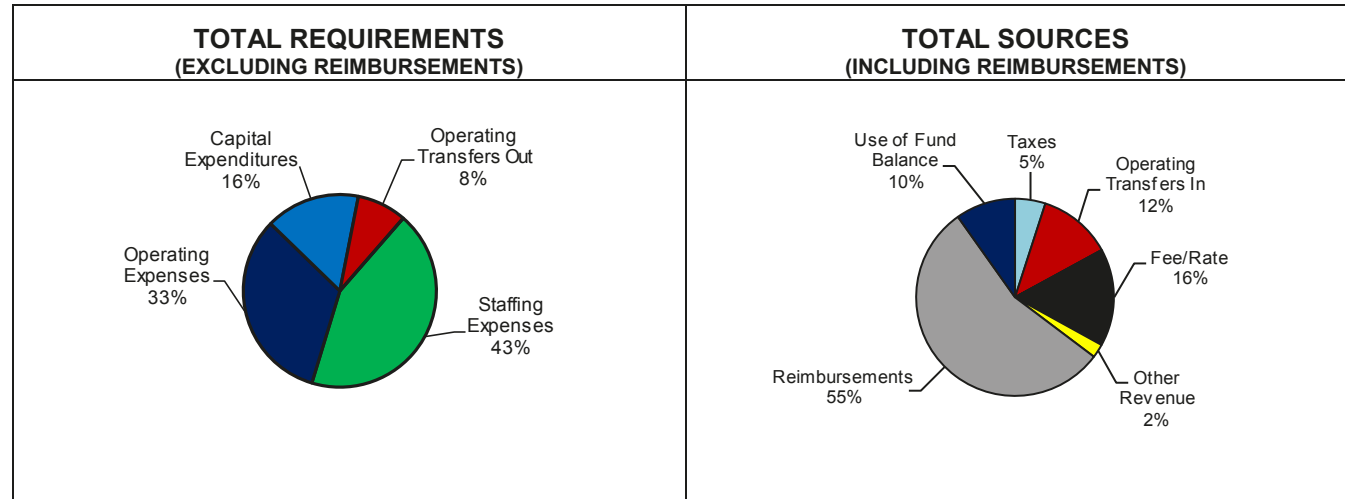

**CSA 70 TV-4 Wonder Valley** was established by the County of San Bernardino Board of Supervisors on July 11, 1995 to provide eight channels of UHF television translator service broadcast from Pinto Mountain, for the direct benefit of Wonder Valley. This Zone provides service to approximately 2,000 households and is financed by a special tax of \$5 per parcel, per year on 4,839 parcels, which funds a part-time TV production assistant for community television, and a basic community television program service.

**CSA 70 TV-5 Mesa** was established by the County of San Bernardino Board of Supervisors on July 11, 1995 to provide eight channels of UHF television translator service broadcast from Pinto Mountain to the 100-square-mile area encompassing Copper Mesa, Desert Heights, Flamingo Heights, Landers, and Yucca Mesa. This Zone provides service to approximately 18,000 households and is financed by a special tax of \$25 per year per improved parcel on 6,951 parcels.

**Community Facilities District (CFD 2006-1) Lytle Creek** was established by the County of San Bernardino Board of Supervisors on March 13, 2007. Also, on March 13, 2007, the Board adopted an ordinance authorizing the levying of special taxes to finance the maintenance of public infrastructure. The first year of the special tax levy was 2009-10. The CFD is responsible for the maintenance of open space, and storm drain protection services in the Glen Helen area.

**CSA 40 Elephant Mountain** includes \$380,967 in Requirements to fund 1 regular position and 1 limited-term position; television translator services operations and maintenance; and transfers for allocated indirect costs. Sources of \$376,125 are primarily from property taxes. Fund Balance of \$4,842 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 Countywide** includes \$7.7 million in Requirements to fund 97 positions including 87 regular and 10 limited term positions; department-wide administrative support services; transfers for positions shared with other departments; vehicle costs; training costs; and contract services for other County departments. Other County departments for which services are provided include Regional Parks, Sheriff/Coroner/Public Administrator (Sheriff), Airports, and department-wide service agreements with Real Estate Services – Project Management Division, and Arrowhead Regional Medical Center. Also included in Requirements are Capital Expenditures for vehicle and equipment purchases. Sources of \$5.6 million are primarily from water and sanitation operations and maintenance for Regional Parks, Sheriff's Department, Airports, countywide engineering, and lien administration revenues. Fund Balance of \$2.1 million will primarily be used for a one-time loan for the Big Bear Alpine Zoo Relocation capital improvement project.

**CSA 70 D-1 Lake Arrowhead** includes \$493,094 in Requirements to fund operating and maintenance expenses for Lake Arrowhead Dam, transfers for allocated indirect costs, and Operating Transfers Out for capital improvement projects. Sources of \$638,320 are primarily from property taxes. Contribution to Fund Balance of \$145,226 will support future operations.

**CSA 70 DB-1 Bloomington** includes \$47,510 in Requirements to fund operating and landscape maintenance expenses, and transfers for allocated indirect costs. Sources of \$45,990 are primarily from service charges. Fund Balance of \$1,520 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 EV-1 East Valley** includes \$25,790 in Requirements to fund maintenance for storm drain protection. Sources of \$740 are from interest revenue. Fund Balance of \$25,050 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 DB-2 Big Bear** includes \$16,785 in Requirements to fund operating and maintenance expenses for detention basin, open space, and storm drain services. Sources of \$17,105 are primarily from service charges. Contribution to Fund Balance of \$320 will support future operations.

**CSA 70 TV-2 Morongo Valley** includes \$90,191 in Requirements to fund operating and maintenance expenses for television translator services and transfers for allocated indirect costs. Sources of \$163,377 are primarily from property taxes. Contribution to Fund Balance of \$73,186 will support future operations.

**CSA 70 TV-4 Wonder Valley** includes \$36,884 in Requirements to fund operating and maintenance expenses for television translator services and transfers for allocated indirect costs. Sources of \$27,216 are primarily from a special tax. Fund Balance of \$9,668 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 TV-5 Mesa** includes \$166,097 in Requirements to fund operating and maintenance expenses for television translator services, and transfers for allocated indirect costs. Sources of \$188,551 are primarily from special taxes. Contribution to Fund Balance of \$22,454 will support future operations.

**CFD 2006-1 Lytle Creek** includes \$37,319 in Requirements to fund operating expenses for maintaining open spaces and storm drain protection, and transfers for allocated indirect costs. Sources of \$45,645 are primarily from special taxes. Contribution to Fund Balance of \$8,326 will support future operations.

**CSA 120 North Etiwanda Preserve** includes \$310,894 in Requirements to fund operating and maintenance expenses of the preserve, conservation studies, transfers for allocated indirect costs, and Operating Transfers Out for capital improvement projects. Sources of \$181,403 are primarily from parking revenue and mitigation acceptance fees. Fund Balance of \$129,491 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$3.3 million primarily as a result of a budgeted Operating Transfer Out in 2016-17 to the Lake Gregory Dam capital improvement project fund that is not required in 2017-18. Sources are decreasing by \$433,167 primarily due to one-time debt proceeds and Board Discretionary Funding received in 2016-17 for a capital improvement project for CSA 120 North Etiwanda Preserve.

## ANALYSIS OF FUND BALANCE

Six districts will use Fund Balance of \$2.3 million. The largest use of Fund Balance is in CSA 70 Countywide, which requires \$2.1 million, primarily as a result of a one-time loan for the Big Bear Alpine Zoo Relocation capital improvement project. Additionally, it has been the department's practice that when available Fund Balance exceeds the 25% reserve threshold, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

Five districts will contribute a total of \$249,512 to Fund Balance. The majority of the increase in departmental Fund Balance is a result of revenue from the use of district property as well as property tax revenue exceeding current year expenditures.

Note: Unlike governmental funds, the 2016-17 Modified Budget and Estimate columns do not include information on Estimated Net Position Available or Total Estimated Unrestricted Net Position because GAAP requires that internal service and enterprise funds include line items such as depreciation, which are not budgeted, in the Net Position calculation.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$72,222 include Operating Expenses for refuse services. Sources of \$72,969 primarily include user service charges.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$3,277 due to changes in refuse service costs. Sources are increasing by \$271 due to an increase in tax revenue.

## ANALYSIS OF NET POSITION

Net Position is increasing by \$747 primarily due to an increase in tax and interest revenue. This supports the department's effort to maintain a minimum of 25% operating capital to support future operations.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## Park Districts Special Revenue Funds – Consolidated

### DESCRIPTION OF MAJOR SERVICES

Special Districts Department provides for the management, funding, and maintenance of parks throughout the County Service Areas (CSA) and Zones. Sources are received through property taxes, state aid, federal aid, and service charges.

#### Budget at a Glance

**CSA 20 Joshua Tree** was established by the County of San Bernardino Board of Supervisors on June 1, 1964, to provide park and recreation services. Resolution 1993-22 consolidated the services of fire with streetlighting, and park and recreation. This CSA provides funding for four parks, three ball fields, one recreation center building, a water playground, a skateboard park, a 12,000 sq. ft. community center, and approximately 296 streetlights. This park CSA receives property tax revenue and a service charge of \$30 per improved parcel, per year and \$10 per unimproved parcel, per year. Currently, there are 4,408 improved parcels and 5,618 unimproved parcels.

**CSA 29 Lucerne Valley** was established by the County of San Bernardino Board of Supervisors on December 30, 1964. This CSA provides park and recreation services, a cemetery, television translators, an equestrian center for local horse groups and events, and streetlighting services funded primarily by property taxes. This CSA serves approximately 3,000 residents.

**CSA 42 Oro Grande** was established by the County of San Bernardino Board of Supervisors on December 27, 1965, to provide park and streetlighting services. In 2009-10, the CSA consolidated park and streetlight services to increase operational efficiencies and reduce administrative activities. This CSA funds the operation of 40 streetlights and one community park. Services are provided to approximately 123 residences and are funded by property taxes, park program fees, and other miscellaneous revenue.

**CSA 56 Wrightwood** was established by the County of San Bernardino Board of Supervisors on September 19, 1966, to provide park and recreation services along with one community center and one senior center. Park and recreation activities are provided for approximately 3,000 users and are funded primarily by property taxes.

**CSA 63 Oak Glen-Yucaipa** was established by the County of San Bernardino Board of Supervisors on December 18, 1967, to maintain a 19-acre park site which contains a historical schoolhouse, tennis court, playground, picnic area, and a paved parking lot. This CSA serves approximately 10,000 park visitors annually and services are funded primarily by property taxes.

**CSA 70 M Wonder Valley** was established by the County of San Bernardino Board of Supervisors on July 1, 1991, to provide park and recreation services. This park Zone is funded by a \$10 per parcel, per year service charge levied on 4,652 parcels.

**CSA 70 P-6 El Mirage** was established by the County of San Bernardino Board of Supervisors on October 15, 1990, to provide park and recreation services. This park Zone is funded by a \$9 per parcel, per year special tax, which is levied on 3,533 parcels.

**CSA 70 P-8 Fontana** was established by the County of San Bernardino Board of Supervisors on July 13, 1993, to provide park and recreation services as well as streetlighting services. Voters approved a service charge of \$394 per parcel for the first year. The property has been sold and the special taxes have been eliminated. The streetlight obligation is served by CSA SL-1 (Countywide) and minimal costs remain to provide decorative concrete paving in the small dirt areas. Once this project is complete the district will be dissolved.

**CSA 70 P-10 Mentone** was established by the County of San Bernardino Board of Supervisors on November 28, 1995, to provide park maintenance, landscaping, and streetlighting services. This Zone is funded by a service charge with a maximum charge of \$500 per parcel, per year. The 2017-18 per parcel service charge is \$500, which is currently levied on 128 residential properties. There are 28 streetlights in this Zone.

**CSA 70 P-12 Montclair** was established by the County of San Bernardino Board of Supervisors on February 7, 2006, to provide landscaping, graffiti removal, block wall maintenance, and streetlighting services. Voters approved an annual service charge of \$700 per parcel with a 1.5% inflationary factor. The 2017-18 per parcel service charge is \$742.96, which is currently levied on 37 parcels.

**CSA 70 P-13 El Rancho Verde** was established by the County of San Bernardino Board of Supervisors on August 1, 2006, to provide ongoing maintenance costs associated with landscape improvements to the Riverside Avenue median in the unincorporated area of El Rancho Verde. Voters approved a service charge of \$149.88 per parcel, per year, which is currently levied on 509 parcels.

**CSA 70 P-14 Mentone** was established by the County of San Bernardino Board of Supervisors on December 19, 2006, to provide landscape maintenance, streetlighting services, and a detention basin. The 2017-18 per parcel service charge is \$367.72, which is currently levied on 108 parcels.

**CSA 70 P-16 Eagle Crest** was established by the County of San Bernardino Board of Supervisors on January 23, 2007, to provide landscape maintenance and streetlighting services. Voters approved an annual service charge of \$388 per parcel with a 2.5% inflationary factor. The 2017-18 per parcel service charge is \$428.29, which is currently levied on 44 parcels.

**CSA 70 P-17 Bloomington** was established by the County of San Bernardino Board of Supervisors on December 18, 2007, to provide landscape maintenance services and a detention basin. Voters approved an annual service charge of \$1,100 per parcel with a 2.5% inflationary factor once development is completed. No service charge is being levied for 2017-18.

**CSA 70 P-18 Randall Crossings** was established by the County of San Bernardino Board of Supervisors on July 9, 2013, for the purpose of drainage and landscaping. This Zone is responsible for maintaining two catch basins, one 12" pipe, and a drainage swale with landscaping. Voters approved an annual service charge of \$600 per parcel with a 2.5% inflationary factor. The 2017-18 per parcel service charge is \$662.29, which is currently levied on 20 parcels.

**CSA 70 P-19 Gregory Crossings** was established by the County of San Bernardino Board of Supervisors on September 24, 2013, for the purpose of landscaping and detention basin maintenance. This Zone is responsible for maintaining a 600 foot, 72-inch culvert pipe, drain, and 14,579 square feet of landscaping. Voters approved an annual service charge of \$1,320 per parcel with a 2.5% inflationary factor. The 2017-18 service charge is \$1,386.83, which is currently levied on 15 parcels.

**CSA 70 P-20 Mulberry Heights** was established by the County of San Bernardino Board of Supervisors on January 14, 2014, for the purpose of landscaping and drainage maintenance. This Zone is responsible for maintaining 5,385 square feet of landscaping and one 72" corrugated metal perforated pipe. Voters approved an annual service charge of \$1,050 per parcel with a 2.5% inflationary factor. The 2017-18 service charge is \$1,103.16, which is currently levied on 20 parcels.

**CSA 70 W Hinkley** was established by the County of San Bernardino Board of Supervisors on April 30, 1973, to provide park services and a community center. This Zone serves approximately 5,000 community residents and is funded by property taxes.

**CSA 82 Searles Valley** was established by the County of San Bernardino Board of Supervisors on June 28, 1976, to provide park maintenance for the roadside park in Searles Valley. This CSA serves approximately 800 park users and is primarily funded by tax revenues.

**CSA 20 Joshua Tree** includes \$765,964 in Requirements for 8 positions of which 4 are regular and 4 are limited term positions, expenses for park and streetlight operations and maintenance, and transfers for allocated indirect costs. Sources of \$751,235 are primarily from property taxes, special assessments, and other revenue for various park services and concessions. Fund Balance of \$14,729 is primarily being used for a park improvement project.

**CSA 29 Lucerne Valley** includes \$509,418 in Requirements for 4 positions of which 2 are regular and 2 are limited term positions, expenses for park operations and maintenance costs, and transfers for allocated indirect costs. Sources of \$482,473 are primarily from property taxes, cemetery fees, and fees for park services. Fund Balance of \$26,945 is primarily being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 42 Oro Grande** includes \$41,025 in Requirements for 1 limited term position, expenses for park operations, and transfers for allocated indirect costs. Sources of \$30,299 are primarily from property taxes. Fund Balance of \$10,726 is being used to support ongoing operations. have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 P-17 Bloomington** does not include any Requirements. Sources of \$65 are from interest. Contribution to Fund Balance of \$65 will support future operations. No service charge is being levied for 2017-18 as this is on hold pending development of the property.

**CSA 70 P-18 Randall Crossings** includes \$13,940 in Requirements for maintenance, and transfers for allocated indirect costs. Sources of \$13,396 are primarily from special assessments. Fund Balance of \$544 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 P-19 Gregory Crossings** includes \$26,163 in Requirements for maintenance, and transfers for allocated indirect costs. Sources of \$20,922 are primarily from special assessments. Fund Balance of \$5,241 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 P-20 Mulberry Heights** includes \$22,939 in Requirements for maintenance, and transfers for allocated indirect costs. Sources of \$23,803 are primarily from service charges. Contribution to Fund Balance of \$864 will support future operations.

**CSA 70 W Hinkley** includes \$39,520 in Requirements for park operations and maintenance, and transfers for allocated indirect costs. Sources of \$26,193 are primarily from property taxes. Fund Balance of \$13,327 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 82 Searles Valley** includes \$33,551 in Requirements for park operations and maintenance, and transfers for allocated indirect costs. Sources of \$27,075 are primarily from an annual operating transfer in from CSA 82 Searles Valley Sanitation District. Fund Balance of \$6,476 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$2,497 primarily due to deleting 1 vacant limited term position. In addition, Operating Transfers Out are decreasing due to a one-time transfer from CSA 70 P-6 El Mirage Park District to the Streetlight District budget unit. Sources are increasing by \$29,075 primarily due to the increase in park and recreation fees in various districts.

## ANALYSIS OF FUND BALANCE

Fourteen park districts will use a total of \$222,033 of Fund Balance to support ongoing costs. It has been the department's practice that when available Fund Balance exceeds the 25% reserve threshold, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance for ongoing operations.

Five park districts will contribute a total of \$17,852 to Fund Balance. Fund Balance may be allowed to build up over the 25% reserve threshold to fund significant, one-time expenditures. However, the department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to generally eliminate Fund Balance in excess of the reserve threshold. The majority of the increase in departmental Fund Balance in prior years is a result of inflationary increases exceeding current year expenditures.

**Big Bear Valley Recreation and Park District** – Requirements of \$3.3 million include Staffing Expenses to fund 40 positions of which 11 are regular positions and 29 are limited term, Operating Expenses for park and facility operations and maintenance, transfers for allocated indirect costs, Capital Expenditures for the purchase of maintenance equipment, and Operating Transfers Out for the property tax allocation to Big Bear Alpine Zoo and to fund capital improvement projects for the zoo. Sources of \$2.6 million are primarily from property taxes, and fee/rate revenue from park programs, services, and concessions. Fund Balance of \$710,651 is being used for one-time capital asset purchases as well as to support the new zoo project.

**Big Bear Alpine Zoo** – Requirements of \$1.3 million include Staffing Expenses that fund 18 positions of which 9 are regular positions and 9 are limited term; Operating Expenses for park and facility operations, maintenance, animal feed, property rental, and professional veterinary services; and transfers for allocated indirect costs.

Sources of \$1.3 million are primarily from Fee/Rate revenue for park admissions, park services, and concessions; Operating Transfers In from Big Bear Valley Recreation and Park District for property tax allocation; and interest earned on the Big Bear Alpine Zoo capital improvement project. Contribution to Fund Balance of \$15,912 will support future operations.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$598,258 primarily due to an increase in one-time park maintenance projects, and increased costs in utilities and insurance. Additionally, Operating Transfers Out are increasing to fund the Big Bear Alpine Zoo capital improvement project. Sources are increasing by \$367,522 primarily due to an increase in anticipated property tax revenue and revenues associated with the swim beach opening in summer 2017.

## ANALYSIS OF FUND BALANCE

Fund Balance of \$694,739 will primarily be used for one-time capital asset purchases as well as to support the new zoo project.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$563,842. This is primarily due to one-time Operating Transfers Out for capital improvement projects that were completed in 2016-17. Sources are decreasing by \$72,109 primarily due to one-time Operating Transfer In for a loan payment that matured in 2016-17.

## ANALYSIS OF FUND BALANCE

Thirty-two road districts will use a total of \$489,973 of Fund Balance to support ongoing costs. It has been the department's practice that when available Fund Balance exceeds the 25% reserve threshold, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance for ongoing operations.

Two road districts will neither use nor contribute to Fund Balance. Six road districts will contribute a total of \$202,709 to Fund Balance. Fund Balance may be allowed to build up over the 25% reserve threshold to fund significant, one-time expenditures.

**CSA 42 Oro Grande** was established by the County of San Bernardino Board of Supervisors on December 27, 1965, to provide sewer services. This sanitation CSA is funded by user fees and service charges 194 Equivalent Dwelling Units (EDU). The sewage collection system is operated by the department and the Victor Valley Wastewater Reclamation Authority (VWWRA) provides sewer services.

**CSA 53B Fawnskin** was established by the County of San Bernardino Board of Supervisors on January 2, 1968, to provide sewer services. This sanitation Zone CSA is funded by user fees and service charges and provides sewer services to 1,259 EDUs. The sewage collection system is operated by the department and includes an innovative vacuum system. Sewage treatment is provided by contract with Big Bear Area Regional Water Agency (BBARWA).

**CSA 64 Spring Valley Lake** was established by the County of San Bernardino Board of Supervisors on December 30, 1968, to provide sewer services. This sanitation CSA is funded by property tax revenue, user fees, and service charges to 4,365 EDUs. The sewage collection system is operated by the department and the VWWRA provides sewer services and maintains three lift stations.

**CSA 70 BL Bloomington** was established by the County of San Bernardino Board of Supervisors on November 19, 2013, to provide sewer services. It is anticipated that service will be provided to 300 EDUs as a result of a low-income housing development. This sanitation Zone will be funded by user fees and service charges. Sewage treatment is provided by the City of Rialto.

**CSA 70 GH Glen Helen** was established by the County of San Bernardino Board of Supervisors on August 17, 2004, to provide park and recreation, sewer, and streetlight services to the Glen Helen area. This sanitation Zone is funded by developer contributions, user fees, and service charges to 1,534 EDUs. This Zone provides sanitation services to the San Bernardino Sheriff's Department Detention facility as well as a Master Planned community currently in development.

**CSA 70 S-3 Lytle Creek** was established by the County of San Bernardino Board of Supervisors on December 2, 1974, to provide sewer services. This sanitation Zone is funded by user fees and service charges to 798 EDUs. The Zone provides sanitation services to residents in the Lytle Creek Community and the U.S. Forest Service.

**CSA 70 S-7 Lenwood** was established by the County of San Bernardino Board of Supervisors on December 19, 1977, to provide sewer services. This sanitation Zone completed construction of a new sewer system to replace individual septic systems within Lenwood but is limited to specific property owners who approved assessments to pay the debt service. The City of Barstow performs routine maintenance of the system. This sanitation Zone is responsible for non-routine repairs.

**CSA 70 SP-2 High Country** was established by the County of San Bernardino Board of Supervisors on May 20, 1985, to provide sewer services. This sanitation Zone is funded by user fees and service charges to 231 EDUs in the High Country Development tract of homes. Through an out-of-area service agreement with the City of Hesperia, the Zone also provides service to 517 EDUs within city boundaries.

**CSA 79 Green Valley Lake** was established by the County of San Bernardino Board of Supervisors on September 7, 1971, to provide sewer services. This sanitation CSA is funded by user fees and service charges to 1,227 EDUs. The sewage collection system and interceptor is operated by the department, with sewage treatment provided through a contract with Running Springs Water District (RSWD).

**CSA 82 Searles Valley** was established by the County of San Bernardino Board of Supervisors on June 28, 1976, to provide sewer services. On June 6, 2000, this sanitation CSA was combined and included Zones SV-3 (Trona) and SV-4 (Pioneer Point) through the Board of Supervisors Resolution No. 2000-132. The newly combined sanitation CSA 82 is funded by property tax revenue, user fees, and service charges to 753 EDUs as well as streetlight services.

**CSA 64 Spring Valley Lake** includes \$2.7 million in Requirements to fund operations and maintenance costs, charges from VVWRA for waste processing, capital equipment, transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. Sources of \$2.2 million are primarily from taxes, user fees, and service charges. Net Position of \$446,670 is being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 BL Bloomington** includes \$1.4 in Requirements to fund operations and maintenance costs and transfers for allocated indirect costs. Sources of \$1.8 are primarily from user fees. Contribution to Net Position of \$392,509 will support future operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate Net Position in excess of the reserve threshold.

**CSA 70 GH Glen Helen** includes \$1.2 million in Requirements to fund operations and maintenance costs, transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. Sources of \$940,681 are primarily from user fees, service charges, and developer contributions. Net Position of \$258,294 is primarily being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 S-3 Lytle Creek** includes \$726,920 in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. Sources of \$597,795 are primarily from user fees and service charges. Net Position of \$129,125 is being used to provide funding for capital improvement projects. It has been the department's practice that when available Net Position exceeds its 25% reserve threshold, as is the case with this fund, it will use Net Position for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 S-7 Lenwood** includes \$17,304 in Requirements to fund operating and maintenance costs and transfers for allocated indirect costs. Sources of \$13,165 are primarily from revenues from an out-of-area service agreement with the City of Barstow. Net Position of \$4,139 is being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 SP-2 High Country** includes \$324,090 in Requirements to fund operating and maintenance costs, professional services including an agreement with the City of Hesperia for waste processing, and transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. Sources of \$268,732 are primarily from user fees and service charges. Net Position of \$55,358 is being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 79 Green Valley Lake** includes \$1.2 million in Requirements to fund operating and maintenance costs, professional services including charges from RSWD for waste processing, debt service, capital equipment, transfers for allocated indirect costs, and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. **CSA 82 Searles Valley** includes \$536,448 in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs, Operating Transfers Out to fund maintenance in the CSA 82 park/rest stop, and to the replacement reserve fund for future capital improvement projects. Sources of \$445,756 are primarily from taxes, user fees, and service charges. Net Position of \$90,692 is being used to provide funding for capital improvement projects. It has been the department's practice that when available Net Position exceeds its 25% reserve threshold, as is the case with this fund, it will use Net Position for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

### **BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are increasing by \$924,482 primarily due to Operating Transfers Out to replacement reserve funds for future one-time capital improvement projects. Sources are increasing by \$453,780, primarily due to the establishment of fees for CSA 70 BL Bloomington.

### **ANALYSIS OF NET POSITION**

Nine sanitation districts will use a total of \$1.5 million of Net Position primarily to provide funding for capital improvement projects. It has been the department's practice that when available Net Position exceeds the 25% reserve threshold, it will use Net Position for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position for ongoing operations.

One sanitation district will contribute \$392,509 to Net Position to support future operations. Net Position may be allowed to build up over the 25% reserve threshold to fund significant, one-time expenditures. However, the department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate Net Position in excess of the reserve threshold.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

There is no staffing associated with these budget units.

## Streetlight Districts Special Revenue Funds – Consolidated

### DESCRIPTION OF MAJOR SERVICES

The Special Districts Department provides for the management and funding of streetlights within ten County Service Areas (CSA) and Improvement Zones throughout the County. Sources include property taxes or per parcel service charges.

#### Budget at a Glance

**CSA 30 Red Mountain** was established by the County of San Bernardino Board of Supervisors on December 30, 1964, to provide funding for the operation of 15 streetlights in the community of Red Mountain. This streetlight CSA is funded through property tax revenue.

**CSA 54 Crest Forest** was established by the County of San Bernardino Board of Supervisors on September 19, 1966, to provide streetlight services to the community of Crest Forest. Beginning in 2014-15, CSA 53A Big Bear and CSA 73 Arrowbear Lake were consolidated into CSA 54 Crest Forest. This CSA receives property taxes to fund the operation of 205 streetlights.

**CSA 70 EV-1 East Valley** was established by the County of San Bernardino Board of Supervisors on April 23, 1996. Community Facilities District 2010-1 was formed in 2010 to provide an ongoing funding mechanism for the streetlight energy charges of 182 streetlights in the unincorporated area of the County known as the “Donut Hole.” The rate and method of apportionment sets a special tax for each parcel to pay for the streetlighting energy charges. There are currently 77 parcels billed for this special tax.

**CSA 70 GH Glen Helen** was established by the County of San Bernardino Board of Supervisors on August 24, 2004, to provide services for Tract 15900. Tract 15900 is an approved development of approximately 2,086 housing units in a development area known as “Lytle Creek North Development” project, which includes a provision for the installation of 391 streetlights in this area. On January 30, 2007, voters approved a service charge of \$41.71 per parcel, per year with a 2.5% inflationary increase to provide funding for the operation of the streetlights. The service charge for 2017-18 is \$52.09 per parcel and will be billed on 1,590 parcels.

**CSA 70 P-6 El Mirage** was established by the County of San Bernardino Board of Supervisors on October 15, 1990, as a park district. On March 22, 2016, the County of San Bernardino Board of Supervisors approved funding in the amount of \$21,100 for the operation of four streetlights in the community of El Mirage. The approved funding is projected to support these streetlights for approximately 20 years.

**CSA 70 SL-2 Chino** was established by the County of San Bernardino Board of Supervisors on November 16, 2004, when voters approved a service charge of \$122.00 per parcel, per year with a 1.5% inflationary increase to provide funding for the operation of eight streetlights. The service charge for 2017-18 is \$125.69 per parcel and will be billed on 26 parcels.

**CSA 70 SL-3 Mentone** was established by the County of San Bernardino Board of Supervisors on February 15, 2005, when voters approved a service charge of \$40.00 per parcel, per year with a 1.5% inflationary increase for the operation of 12 streetlights in the community of Mentone. The service charge for 2017-18 is \$44.41 per parcel and will be billed on 69 parcels.

**CSA 70 SL-4 Bloomington** was established by the County of San Bernardino Board of Supervisors on August 22, 2006, when voters approved a service charge of \$247.00 per parcel, per year with a 2.5% inflationary increase for the operation of five streetlights in the community of Bloomington. The service charge for 2017-18 is \$105.06 per parcel and will be billed on 31 parcels.

**CSA 70 SL-5 Muscoy** was established by the County of San Bernardino Board of Supervisors on June 5, 2007, when voters approved a service charge of \$18.00 per parcel, per year with a 2.5% inflationary increase for the operation of 204 streetlights in the community of Muscoy. The service charge for 2017-18 is \$19.86 per parcel and will be billed on 2,168 parcels.

**CSA SL-1 Countywide** was established by the County of San Bernardino Board of Supervisors on December 27, 1965. This streetlight CSA receives property taxes to fund the operation of 3,534 streetlights in communities throughout the County.

**CSA 30 Red Mountain** includes \$7,713 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$6,508 are primarily from property taxes. Fund Balance of \$1,205 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses in order to eliminate reliance on Fund Balance.

**CSA 54 Crest Forest** includes \$61,411 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$34,543 are primarily from property taxes. Fund Balance of \$26,868 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 EV-1 East Valley** includes \$38,163 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$53,302 are from per parcel special taxes. Contribution to Fund Balance of \$15,139 will support future operations.

**CSA 70 GH Glen Helen** includes \$73,528 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$89,778 are primarily from per parcel service charges. Contribution to Fund Balance of \$16,250 will support future operations.

**CSA 70 P-6 El Mirage** includes \$2,443 in Requirements to fund energy costs for streetlights. Sources of \$2,422 are primarily from the El Mirage Park District. Fund Balance of \$21 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 SL-2 Chino** includes \$4,343 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$3,273 are primarily from per parcel service charges. Fund Balance of \$1,070 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 SL-3 Mentone** includes \$4,031 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$3,993 are primarily from per parcel service charges. Fund Balance of \$38 is being used to support ongoing operations. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 SL-4 Bloomington** includes \$3,752 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$3,367 are primarily from per parcel service charges. Fund Balance of \$385 is being used to support ongoing operations. It has been the department's practice that when available Fund Balance exceeds its 25% reserve threshold, as is the case with this fund, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance.

**CSA 70 SL-5 Muscoy** includes \$39,025 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$48,068 are primarily from per parcel service charges. Contribution to Fund Balance of \$9,043 will support future operations.

**CSA SL-1 Countywide** includes \$506,316 in Requirements to fund energy costs for streetlights and transfers for allocated indirect costs. Sources of \$644,143 are primarily from property taxes. Contribution to Fund Balance of \$137,827 will support future operations.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$174,154 primarily due to reduced energy costs as well as a decrease in administrative overhead charges. Sources are increasing by \$29,727 primarily due to inflationary increases for streetlight service charges.

## ANALYSIS OF FUND BALANCE

Six streetlight districts will use a total of \$29,587 of Fund Balance to support ongoing costs. It has been the department's practice that when available Fund Balance exceeds the 25% reserve threshold, it will use Fund Balance for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Fund Balance for ongoing operations.

Four streetlight districts will contribute a total of \$178,259 to Fund Balance. Fund Balance may be allowed to build up over the 25% reserve threshold to fund significant, one-time expenditures.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with these budget units.

**CSA 42 Oro Grande** includes \$399,880 in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs and Operating Transfers Out to provide funding for capital improvement projects. Sources of \$219,263 are primarily from user fees, connection fees, and service charges. Net Position of \$180,617 is being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 64 Spring Valley Lake** includes \$2.9 million in Requirements to primarily fund operating and maintenance costs, transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects and depreciation for future replacement projects. Sources of \$2.2 million are primarily from property taxes, user fees, and service charges. Net Position of \$707,779 is being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 CG Cedar Glen** includes \$641,934 in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs, Operating Transfers Out to a replacement reserve fund for future capital improvement projects and debt service. Sources of \$492,890 are primarily from user fees, service charges, and special assessments. Net Position of \$149,044 is primarily being used to provide funding for capital improvement projects. It has been the department's practice that when available Net Position exceeds its 25% reserve threshold, as is the case with this fund, it will use Net Position for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 F Morongo Valley** includes \$310,994 in Requirements to fund operating and maintenance costs and transfers for allocated indirect costs. Sources of \$232,102 are primarily from user fees, and service charges. Net Position of \$78,892 is primarily being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 J Oak Hills** includes \$2.8 million in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs, and debt service. Sources of \$2.7 million are primarily from user fees, and service charges. Net Position of \$85,113 is primarily being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

**CSA 70 W-3 Hacienda** includes \$344,732 in Requirements to fund operating and maintenance costs, and transfers for allocated indirect costs. Sources of \$306,519 are primarily from user fees and service charges. Net Position of \$38,213 is being used for a one-time maintenance project.

**CSA 70 W-4 Pioneertown** includes \$214,916 in Requirements to fund operating and maintenance costs, transfers for allocated indirect costs and Operating Transfers Out to a replacement reserve fund for future capital improvement projects. Sources of \$169,363 are primarily from user fees and service charges. Net Position of \$45,553 being used to provide funding for capital improvement projects. The department is reviewing operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position.

### **BUDGET CHANGES AND OPERATIONAL IMPACT**

Requirements are increasing by \$134,281 primarily due to Operating Transfers Out to fund one-time capital improvement projects. Sources are increasing by \$270,782 primarily due to increased water usage as a result of the State lifting the water conservation mandate.

### **ANALYSIS OF NET POSITION**

Seven water districts will use a total of \$1.3 million of Net Position primarily to provide funding for capital improvement projects. It has been the department's practice that when available Net Position exceeds the 25% reserve threshold, it will use Net Position for operations. However, once reserves have been brought within the 25% reserve threshold, the department will review operations in an effort to make adjustments to expenses and/or revenue in order to eliminate reliance on Net Position for ongoing operations.

### **STAFFING CHANGES AND OPERATIONAL IMPACT**

## SPECIAL DISTRICTS CAPITAL IMPROVEMENT PROGRAM

Jeffrey O. Rigney

### DEPARTMENT MISSION STATEMENT

*The Capital Improvement Program receives and evaluates capital expenditure requests; recommends priorities for the acquisition or improvement of land, facilities, and infrastructure; oversees and monitors major capital projects; and guides growth and change of County facilities and infrastructure by anticipating future needs.*

### 2017-18 SUMMARY OF BUDGET UNITS

Funding for capital projects is included in Capital Improvement Program funds for Special Districts General, Parks, Roads, Sanitation, and Water County Service Areas and Zones.

### DESCRIPTION OF MAJOR SERVICES

The Capital Improvement Program (CIP) is an internal planning tool administered by the Special Districts Department to provide the Board of Supervisors (Board) with information to assist in the decision-making process for the allocation of limited resources to capital projects. The CIP provides for the acquisition, construction, reconstruction, fixtures and equipment, renovation, rehabilitation or replacement of facilities, equipment, and infrastructure with a life expectancy of at least five years and capital costs of \$5,000 or more. The program:

- Recommends priorities for capital projects based on capital improvement criteria for Special Districts general, parks, roads, sanitation, and water facilities and infrastructure;
- Prepares the annual CIP budget, monitors and directs implementation of approved projects through the department;
- Provides direct oversight for major capital projects;
- Performs long-range planning to:
  - Link department capital and operational budget plans to countywide strategic plans,
  - Conduct physical condition assessments through periodic surveys of facilities to identify major, large-scale projects to repair and rehabilitate department assets,
  - Identify opportunities for energy efficiencies, life-cycle increases, and maintenance operating cost reductions,
  - Identify future infrastructure needs of the department, and
  - Develop formal estimates of costs and seek adequate project funding.

### BUDGET HISTORY

The CIP is funded by a number of sources, including the County General Fund, and County Service Area (CSA) and Improvement Zone operating, reserve funding, and various other funding sources including grants. The department's CIP includes construction, rehabilitation, and repair projects for numerous facilities, structures, and infrastructure.

## ANALYSIS OF 2017-18 RECOMMENDED BUDGET

Each year, Special Districts Division Managers are requested to submit possible capital improvement projects for the individual CSAs and Improvement Zones, including Big Bear Recreation and Park District and Bloomington Recreation and Park District. Special District's Engineering Division prepares feasibility studies, scopes of work, and estimates for these projects. The Engineering Division also works closely with the Fiscal/Administrative Division to evaluate available funding for the projects. A total of 75 projects for a total of \$42.3 million are being requested by Special Districts Department in the budget.

### 2017-18 RECOMMENDED BUDGET – Total \$42.3 million

## Fire Administration

### DESCRIPTION OF MAJOR SERVICES

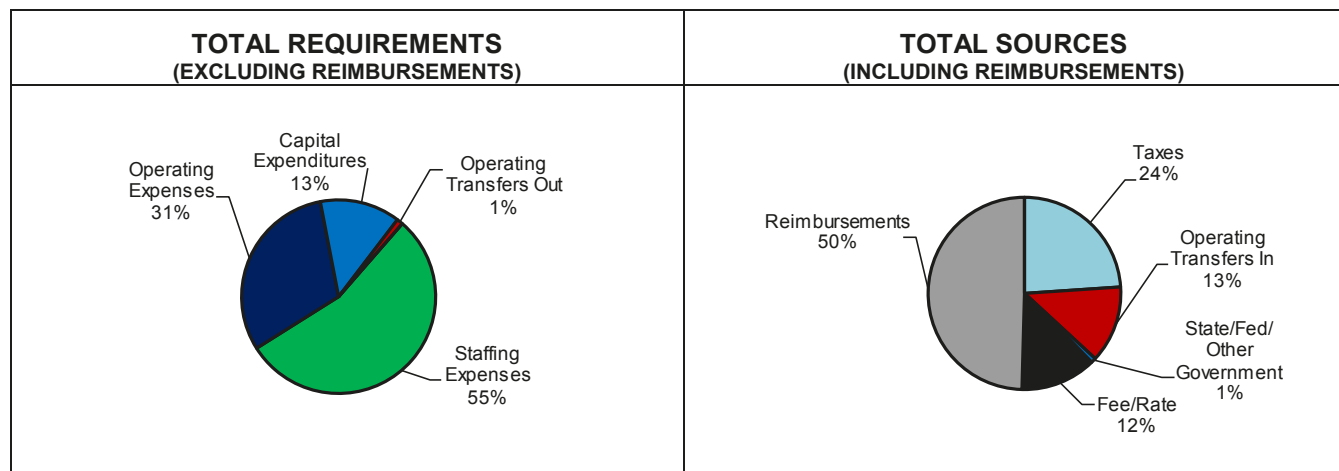

The San Bernardino County Fire Protection District (County Fire), covers 19,278 square miles and serves more than 60 communities/cities, including the City of Upland following its annexation, City of Needles, City of San Bernardino, City of Grand Terrace and the Town of Yucca Valley, within four Regional Service Zones (Mountain, North Desert, South Desert and Valley). Additionally, County Fire provides contractual fire protection services to four cities: Adelanto, Victorville, Hesperia, and Fontana's independent fire protection district. County Fire responds to approximately 84,000 calls for service per year.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$40,559,012
Total Sources (Incl. Reimb.)	\$40,559,012
Use of / (Contribution to) Fund Balance	\$0
Total Staff	218

County Fire is an all-risk fire department providing emergency mitigation and management for fire suppression, emergency medical services (paramedic and non-paramedic), ambulance services, hazardous materials (HAZMAT) response, arson investigation, technical rescue including water borne, flooding and mudslide, winter rescue operations, hazard abatement, and terrorism/weapons of mass destruction. Services and specialized programs include helicopter rescue, dozer, fire/hazard abatement hand crews, air transport, and honor guard. As part of disaster preparation, response, and mitigation, the Office of Emergency Services provides support and assistance to the 24 cities and towns, as well as all the unincorporated portions of the County. The field functions are supported by a County-wide management system that includes organizational business practices, human resources, financial and accounting services, vehicles services and support, and equipment warehousing and distribution. County Fire also provides for the management of community safety services such as fire prevention, building construction plans and permits, household hazardous waste, local oversight and collection program for hazardous materials, HAZMAT facility inspections, planning and engineering, and public education and outreach.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$20.4 million include the following:

- Staffing Expenses of \$22.2 million for 218 budgeted positions to provide administrative, finance, fire prevention, training, and other services for County Fire.
- Operating Expenses of \$12.5 million to fund various services primarily related to hazard abatement, fire prevention, airborne search and rescue, training, equipment and maintenance, warehouse, vehicles, specialized programs and communication services.
- Capital Expenditures of \$5.4 million reflect County Fire's agency-wide replacement plan for vehicles, engines, apparatus, and other major equipment purchases.
- Reimbursements of \$20.1 million reflect transfers in from County Fire's Regional Service Zones, Office of the Fire Marshal, and the Office of Emergency Services to fund capital expenditures, vehicle services, fire prevention services, uniform purchases, training and administrative services.

Sources of \$20.4 million include the following:

- Property Taxes of \$9.7 million.
- Operating Transfers In of \$5.3 million (\$4.0 million from the County General Fund to assist with vehicle replacement and various program costs; \$1.3 million from County Fire set-asides for capital projects and other one-time costs).
- Revenue of \$2.9 million from fees and permits related to fire prevention services.
- Contract revenue of \$1.5 million from REACH (an air medical transport provider) to offset the cost of County Fire staff providing air medical services resulting from annexation of the City of Upland's fire services.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$8.2 million, which includes these significant changes:

- \$1.7 million increase in Staffing Expenses due to negotiated MOU increases and the net addition of four budgeted positions as detailed in the Staffing Changes and Operational Impact section.
- \$2.9 million increase in Operating Expenses for a variety of costs primarily related to operation of the City of Upland's REACH Helicopter program, restoration of full management to County Fire of the two Vehicle Services' shops including additional payment of space rent to Fleet Management, training costs, insurance costs, and replacing fire suppression safety gear (turnouts) with mandated single-layer protection gear.
- \$5.1 million decrease in Capital Expenditures primarily due to the replacement of Self-Contained Breathing Apparatus (SCBA) that occurred in 2016-17.
- \$7.9 million increase in Reimbursements primarily due to transfers from County Fire's Regional Service Zones to assist with the cost of replacing vehicles and apparatus.

Sources are decreasing by \$7.7 million, which includes these significant changes:

- \$9.5 million decrease in Operating Transfers In (\$7.9 million less from County Fire reserves for SCBA purchases and vehicle replacement; \$1.6 million less from the County General Fund).
- \$1.5 million increase in revenue resulting from the REACH (air transport) contract.

## ANALYSIS OF FUND BALANCE

There is no budgeted Use of Fund Balance for 2017-18.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$22.2 million fund 218 budgeted positions of which 192 are regular positions and 26 are limited term positions. This budget reflects a net increase of 4 positions (addition of 16, deletion of 12) as follows:

### Additions

- 8 positions (5 EMS Flight Nurses and 3 EMS Flight Paramedics) to provide medical air transport services as part of the REACH Helicopter Program acquired through annexation of the City of Upland's fire services.
- 3 positions (2 Fire Prevention Officers and 1 Fire Prevention Specialist) to facilitate community safety, education/prevention, citation, and licensing services resulting from the City of Upland annexation.
- 3 positions (2 Fiscal Specialists and 1 Accounts Representative) in order to support the increased ambulance billing, collections, and fiscal duties. The cost of these positions will be offset by fee revenue.
- 1 Office Assistant III to assist with the dissemination of information and clerical workload in the Public Information Office (PIO) and Human Resources Division, respectively.

- 1 Contract Wildland Program Coordinator to assist County Fire with continued efforts to develop its wildland capabilities.

#### Deletions

- 9 positions (1 Captain, 4 Engineers, and 4 Fire Suppression Aide III's) are deleted due to elimination of the specialized Inmate Hand Crew Program as a result of increased costs primarily for insurance and training. Of these 9 positions, 8 were filled and 1 was vacant when the budget was developed. Per the 2017-18 Budget Workshop, these deletions will be placed on hold until the first quarter of 2017-18, when the financial situation of the County is more certain, and it is determined that no other Sources are available to fund these positions. Eliminating this program will hamper the coexistence of County Fire and the Sheriff's Department in their efforts to operate a training program providing skill sets of fire and hazard abatement for eligible inmates, both male and female. These skill sets create opportunities for rehabilitation back into the workforce. The Inmate Hand Crew's main objective is to assist with local fuels reduction, hazard abatement, and chipping operations. The Hand Crew's duties extend to responding to fire suppression incidents, as well as other types of emergency operations, such as sandbagging.
- 3 vacant limited term positions (1 Contract Course Instructor and 2 Public Service Employees) are deleted with no impact on department operations.

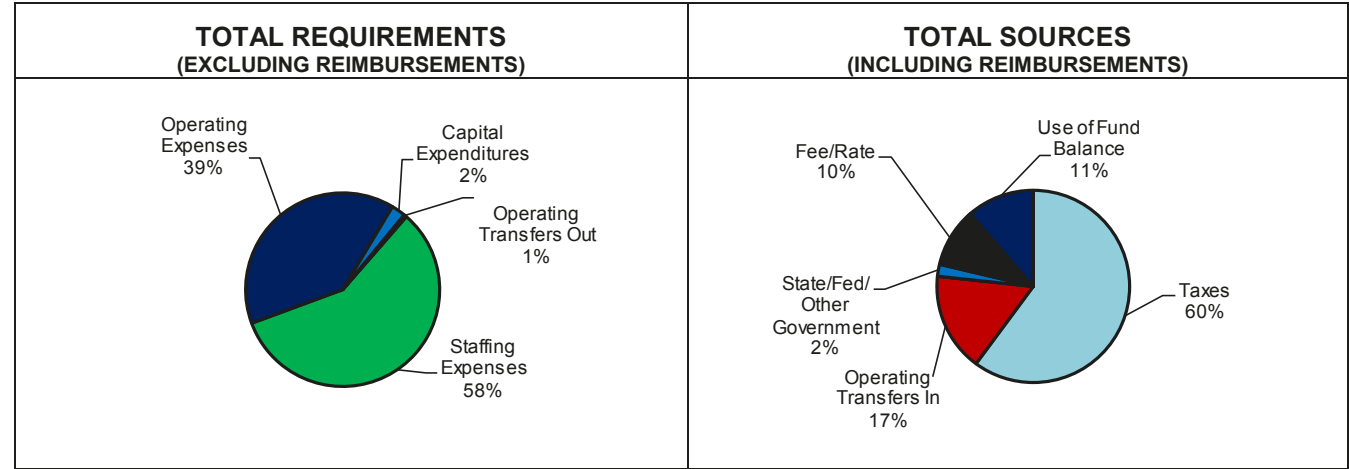

## Mountain Regional Service Zone

### DESCRIPTION OF MAJOR SERVICES

The Mountain Regional Service Zone was formed through a reorganization process effective July 1, 2008 per Local Agency Formation Commission Resolution 2997. This regional service zone provides fire protection services to the areas of Angelus Oaks (Station #98), Fawnskin (Station #96), Forest Falls (Station #99), Green Valley Lake (Station #95), Lake Arrowhead (Stations #91, #92, #93 and #94) and Crest Forest (#24, #25, #26, #28, #29 and #30). Also, ambulance transport services are provided to the Lake Arrowhead community from Stations #91, #92 and #94. Additionally, within the Mountain Regional Service Zone are two voter approved special tax paramedic service zones that provide services to the mountain communities.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$22.3 million include the following:

- Staffing Expenses of \$13.0 million to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone.
- Operating Expenses of \$8.8 million for operations of 14 fire stations including facility costs, equipment, vehicle services, and various other services/supplies.
- Capital Expenditures of \$523,099 for various improvement projects and equipment purchases.

Sources of \$19.8 million include the following:

- Property Taxes of \$13.4 million.
- Fee/Rate revenue of \$2.1 million from ambulance services and special taxes.
- Operating Transfers In of \$3.7 million (\$1.3 million is from County Fire set-asides for capital improvements and \$2.4 million from the County General Fund to assist with operational costs of this regional service zone).

Within the Mountain Regional Service Zone are two Paramedic Service Zones (PM-1 Lake Arrowhead and PM-4 Crestline) that are funded by voter approved special taxes. The details of each service zone follows:

**Service Zone PM-1 Lake Arrowhead** is funded by a voter approved special tax authorized by the Board of Supervisors in September 1986 (originally under CSA 70 Zone PM-1). Service Zone PM-1 provides supplemental funding to support paramedic services to the community of Lake Arrowhead and is funded by a voter approved special tax (originally \$10 per parcel, but was increased to the not to exceed amount of \$17 per parcel through

voter approval in June 1991). For 2017-18, \$270,673 of revenue is budgeted from this special tax. Services are provided through Fire Stations #91, #92 and #94.

**Service Zone PM-4 Crestline** special tax was approved by the voters on May 21, 1991, and imposed by the Board of Directors in May 1992 (formerly PM-A with Crest Forest Fire Protection District before annexation). Service Zone PM-4 provides supplemental funding to support paramedic services to the communities in and around Crestline and is funded by a voter approved per parcel tax of \$24.50 (Undeveloped Parcel), \$39.50 (Individual Dwelling Unit) and \$45.00 (Commercial Unit). This special tax does not include an inflation factor or cost of living increase. For 2017-18, \$475,398 of revenue is budgeted from this special tax. Services are provided through Fire Stations #25 and #26.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$3.4 million, which includes these significant changes:

- \$724,206 increase in Staffing Expenses that includes negotiated MOU increases, addition of three Firefighter Paramedic positions, and the deletion of nine Paid Call Firefighter (PCF) positions.
- \$3.0 million increase in Operating Expenses primarily due to \$2.1 million of transfers to County Fire-Administration for the replacement of vehicles.
- \$250,721 decrease in Capital Expenditures due to a reduction in the number of smaller capital improvement projects managed by County Fire.

Sources are increasing by \$1.5 million, which includes these significant changes:

- \$424,031 increase in property tax revenue, which represents a 3.2% increase from the prior year estimate.
- \$908,663 increase in Operating Transfers In primarily due to an increased allocation from the County General Fund to assist with operational costs.

## ANALYSIS OF FUND BALANCE

This budget reflects the Use of Fund Balance of \$2.5 million for vehicle replacement purchases and station repairs/improvements, resulting in \$160,890 of available reserves for 2017-18.

## 2017-18 POSITION SUMMARY\*

Total	103	3	-9	0	97	17	80

\*Detailed classification listing available in Appendix D.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$13.0 million fund 97 budgeted positions of which 80 are regular positions and 17 are limited term positions. Budgeted staffing for 2017-18 is decreasing by a net 6 positions (addition of 3, deletion of 9) as follows:

- Addition of 3 Firefighter Paramedics at Fire Station #96 (Fawnskin) in order to have 3 members on a fire engine to respond to calls more effectively and improve the overall safety of the responders.
- Deletion of 9 Paid Call Firefighter positions. Since these limited term positions have remained vacant, their deletions should have no impact on operations.

## North Desert Regional Service Zone

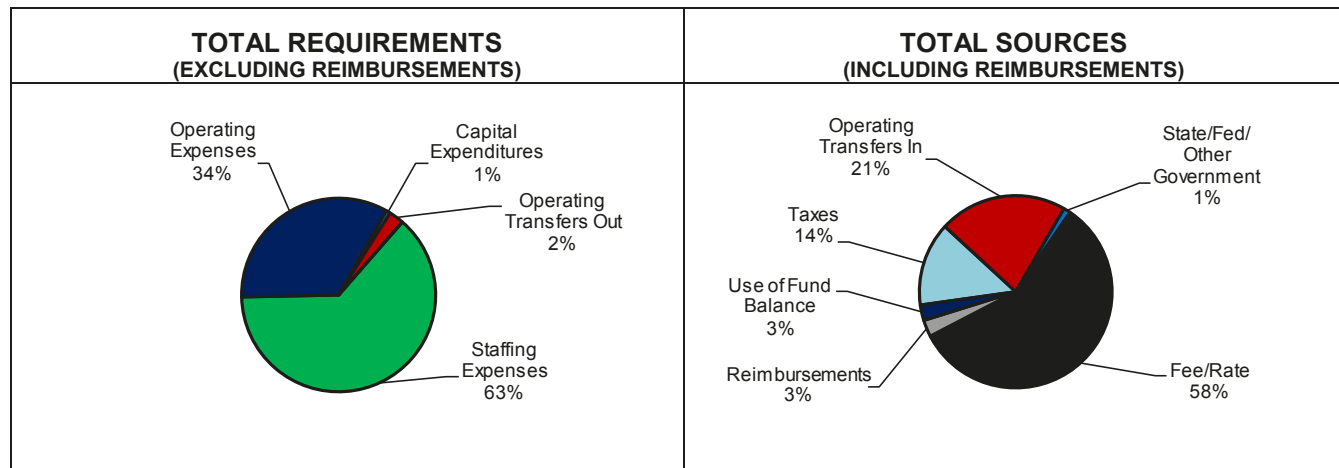

### DESCRIPTION OF MAJOR SERVICES

The North Desert Regional Service Zone was formed through a reorganization process effective July 1, 2008 per Local Agency Formation Commission resolution 2997. This regional service zone provides fire protection and paramedic services to the areas of Spring Valley Lake (Station #22), Summit Valley (Station #48), Lucerne Valley (Station #8), Lucerne Valley – East (Station #7), Silver Lakes (Station #4), Phelan (Station #10), Wrightwood (Station #14), Pinon Hills (Station #13), El Mirage (Station #11), Baldy Mesa (Station #16), Mt. View Acres (Station #37), Harvard (Station #52), Baker (Station #53), Hinkley (Station #56) and Searles Valley (Station #57). Fire protection services are also provided to the cities of Adelanto (Station #322), Victorville (Stations #311, #312, #313, #314 and #319) and the Hesperia Fire Protection District (Stations #302, #304 and #305) through service contracts. Ambulance transport services are provided in Lucerne Valley, Searles Valley and Wrightwood. Additionally, within the North Desert Regional Service Zone are four voter approved special tax fire protection zones, which provide services to the communities of Red Mountain, Windy Acres, El Mirage, and Helendale/Silver Lakes.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$51.7 million include the following:

- Staffing Expenses of \$33.7 million to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone.
- Operating Expenses of \$17.8 million for operations of 24 fire stations including facility costs, equipment, vehicle services, and various other services/supplies.
- Operating Transfers Out of \$1.3 million reflect \$1.1 million of special taxes transferred from Service Zone FP-5 (Helendale/Silver Lakes) to the North Desert Regional Service Zone's operating fund.

Sources of \$50.3 million include the following:

- Property Taxes of \$7.5 million.
- Fee/Rate revenue of \$30.7 million from fire protection contracts, ambulance services and special taxes.
- Operating Transfers In of \$11.4 million (\$9.8 million from the County General Fund to support operational costs of this regional service zone; \$1.1 million from Service Zone FP-5 special taxes; and \$449,000 from County Fire set-asides for various capital improvements and equipment purchases).

Within the North Desert Regional Service Zone, there are four Fire Protection Service Zones (Service Zones); FP-1 Red Mountain, FP-2 Windy Acres, FP-3 El Mirage, and FP-5 Helendale/Silver Lakes which are funded by voter approved special taxes. Details of each service zone follows:

**Service Zone FP-1 Red Mountain** special tax was originally authorized by the Board of Supervisors in December 1964 (originally under CSA 30 Zone FP-1). Service Zone FP-1 provides fire protection services to the community of Red Mountain. These services are funded by a special tax not to exceed \$332 per parcel as approved by the voters in May 1985. The current special tax rate is \$186.86. For 2017-18, \$12,569 of revenue is budgeted from this special tax. In addition, County Fire receives a General Fund allocation of \$397,572 to provide fire protection services to this service zone through a contract with the Kern County Fire Department.

**Service Zone FP-2 Windy Acres** special tax was originally authorized in January 1985 by the Board of Supervisors (originally under CSA 70 Zone FP-2). Service Zone FP-2 provides fire protection services to the community of Windy Acres. These services are funded by a special tax not to exceed \$407 per parcel as approved by the voters in May 1985. The current special tax rate is \$87.42 per parcel. For 2017-18, \$9,735 of revenue is budgeted from this special tax. In addition, County Fire receives a General Fund allocation of \$397,573 to provide fire protection services to this service zone through a contract with the Kern County Fire Department.

**Service Zone FP-3 El Mirage** special tax was originally authorized by the Board of Supervisors in March 1987 (originally under CSA 38 N Zone FP-3). Service Zone FP-3 provides fire protection services to the community of El Mirage. These services are funded by a special tax of \$9.00 per parcel with no annual inflationary rate as approved by the voters in July 1987. For 2017-18, \$33,994 of revenue is budgeted from this special tax. Services are provided through Fire Stations #11 and #322.

**Service Zone FP-5 Helendale/Silver Lakes** special tax was originally authorized by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). Service Zone FP-5 provides for fire protection and paramedic staffing services to the community of Helendale/Silver Lakes. These services are funded by a special tax originally of \$117 per parcel that includes an annual cost of living increase of up to 3% as approved by the voters in August 2006. The special tax rate is now \$152.68 per parcel. For 2017-18, \$1.1 million of revenue is budgeted from this special tax. Services are provided through Fire Station #4.

Within the North Desert Regional Service Zone, San Bernardino County Fire Protection provides contract services to the cities of Adelanto, Victorville and the Hesperia Fire Protection District.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$3.8 million, which includes these significant changes:

- \$1.4 million for increased costs of providing fire protection services for the contract cities.
- \$810,000 to County Fire-Administration for the replacement of vehicles.
- \$719,866 for increased insurance costs.
- \$317,105 of additional CONFIRE charges
- \$240,828 in additional costs for major station repairs.

Sources are increasing \$2.5 million, which includes these significant changes:

- \$1.1 million increase in Fee/Rate revenue primarily from contract cities for providing fire protection services.
- \$1.3 million increase in Operating Transfers In primarily due to an increased County General Fund allocation to this regional service zone to assist with operational costs and special taxes received from the Service Zone FP-5 fund.

## ANALYSIS OF FUND BALANCE

This budget reflects the Use of Fund Balance of \$1.4 million for vehicle replacement purchases and station repairs/improvements, resulting in \$1.9 million of available reserves for 2017-18.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$33.7 million fund 227 budgeted positions of which 216 are regular positions and 11 are limited term positions. Budgeted staffing is decreased by a net 3 positions (addition of 3, deletion of 6) as follows:

- Addition of 3 Firefighter Paramedics at Fire Station #53 (Baker) in order to have 3 members on a fire engine to respond to calls more effectively and improve the overall safety of the responders.
- Deletion of 6 Paid Call Firefighter positions. Since these limited term positions have remained vacant, their deletions should have no impact on operations.

## South Desert Regional Service Zone

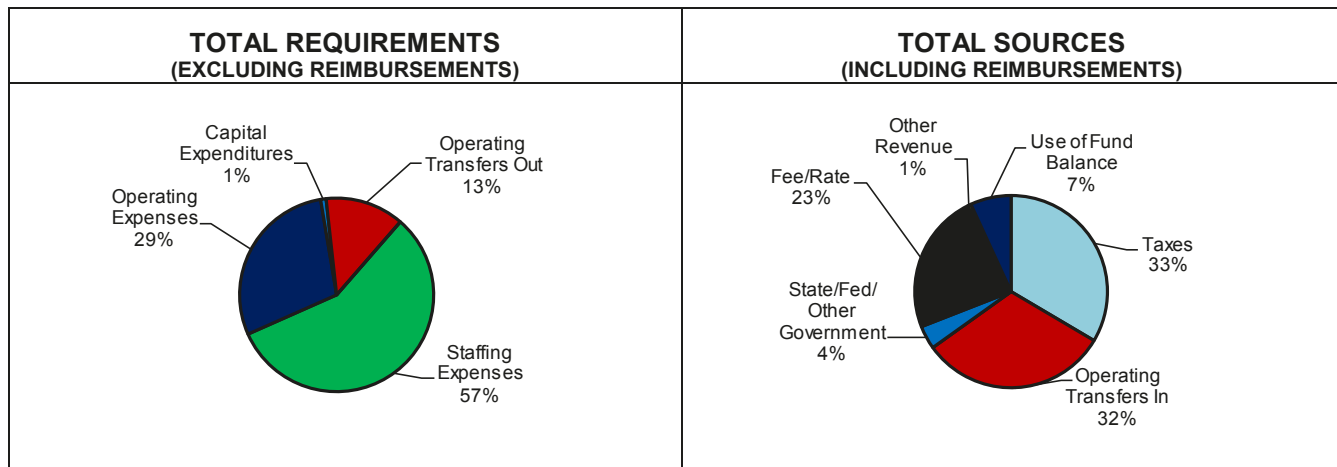

### DESCRIPTION OF MAJOR SERVICES

The South Desert Regional Service Zone was formed through a reorganization process effective July 1, 2008 per Local Agency Formation Commission Resolution 2997. This regional service zone provides fire protection and paramedic services to the areas of Big River (Station #17), Black Meadow Landing (Station #55), Havasu Landing (Station #18), Johnson Valley (Station #43), Joshua Tree (Station #36), Landers (Station #19), Panorama Heights (Station #35), Parker Strip (Station #21), Pioneertown (Station #38), Yucca Mesa (Station #42), Yucca Valley (Station #41), Needles (Stations #32) and the City of Twentynine Palms (Station #44). Ambulance transport services are provided to Havasu Lake and Yucca Valley. Additionally, within the South Desert Regional Service Zone are four voter approved special tax fire protection zones that provide additional funding for services to Wonder Valley, Havasu Lake, Needles and Twentynine Palms.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$18.9 million include the following:

- Staffing Expenses of \$10.8 million to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone.
- Operating Expenses of \$5.5 million for operations of 13 fire stations including facility costs, equipment, vehicle services, and various other services/supplies.
- Operating Transfers Out of \$2.5 million reflects special taxes transferred from Service Zone FP-5 - Twentynine Palms (\$2.1 million) and Service Zone FP-5 – Needles (\$328,785) to the South Desert Regional Service Zone's operating fund.

Sources of \$17.6 million include the following:

- Property Taxes of \$6.3 million.
- Fee/Rate revenue of \$4.4 million from ambulance services and special assessments.
- Operating Transfers In of \$6.0 million (\$3.5 million from the County General Fund to assist with operational costs of this regional service zone; \$2.4 million from Service Zone FP-5 special taxes; \$66,500 from County Fire set-asides for a capital improvement project).

There are four Fire Protection Service Zones (Service Zones) within the South Desert Regional Service Zone: FP-4 Wonder Valley, FP-6 Havasu Lake, FP-5 Needles and FP-5 Twentynine Palms that are funded by voter approved special taxes. Details of each service zone follows:

**Service Zone FP-4 Wonder Valley** special tax was originally authorized by the Board of Supervisors on June 7, 2005 (originally under CSA 70 M Zone FP-4). Service Zone FP-4 provides fire protection services to the community of Wonder Valley. These services are funded by a special tax of \$30 per parcel with an annual 1.5% cost of living increase. The current special tax rate is \$34.82 per parcel. For 2017-18, \$165,569 of revenue is budgeted from this special tax. Services had previously been provided through Fire Station #45. However, this fire station will be closing due to lack of funding and future services will be provided by the nearest available fire station.

**Service Zone FP-5 Needles** special tax was originally approved by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). With the approval of LAFCO 3206, Needles was annexed into County Fire's South Desert Regional Service Zone. The annexation included a special tax for funding of fire protection and emergency medical response services within Needles. This special tax includes an annual inflationary rate of up to a maximum 3% increase. The current special tax rate for FP-5 is \$152.68 per parcel. For 2017-18, \$328,785 of revenue is budgeted from this special tax. Services are provided through Fire Station #32.

**Service Zone FP-5 Twentynine Palms** special tax was originally approved by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). With the approval of LAFCO 3200, Twentynine Palms was annexed into County Fire's South Desert Regional Service Zone. The annexation included a special tax for funding of fire protection and emergency medical response services within Twentynine Palms. This special tax includes an annual inflationary rate of up to a maximum 3% increase. The current special tax rate for FP-5 is \$152.68. For 2017-18, \$2.1 million of revenue is budgeted from this special tax. Services are provided through Fire Station #44.

**Service Zone FP-6 Havasu Lake** special tax was originally authorized by the Board of Directors of the San Bernardino County Fire Protection District in February 2009. Service Zone FP-6 provides fire protection services to the community of Havasu Lake. These services are funded by a special tax of \$113.49 per parcel with a maximum annual cost of living increase of 3% as approved by the voters in May 2009. The current special tax rate is \$139.59 per parcel. For 2017-18, \$189,144 of revenue is budgeted from this special tax. Services are provided through Fire Station #18.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$87,728, which includes these significant changes:

- \$954,579 decrease in Staffing Expenses due to the closure of Station #45 (Wonder Valley), partially offset by negotiated MOU increases.
- \$1.0 million increase in Operating Expenses due to transfers of \$1.2 million to County Fire-Administration for the replacement of vehicles, partially offset by approximately \$200,000 decrease in operating costs from closure of Station #45 (Wonder Valley).

Sources are decreasing by \$937,415, which includes these significant changes:

- \$232,727 decrease in State/Federal/Other Government revenue due to less funding for the Intergovernmental Transfer (IGT) program that provides funding for Medi-Cal Managed Care costs.
- \$670,861 decrease in Operating Transfers In primarily due to \$559,347 less County General Fund allocation to assist with operational costs.

## ANALYSIS OF FUND BALANCE

This budget reflects the Use of Fund Balance of \$1.3 million for vehicle replacement purchases and station repairs/improvements, resulting in \$801,681 of available reserves for 2017-18.

**2017-18 POSITION SUMMARY\***

Total	84	0	-10	0	74	5	69

\*Detailed classification listing available in Appendix D.

**STAFFING CHANGES AND OPERATIONAL IMPACT**

Staffing Expenses of \$10.8 million fund 74 budgeted positions of which 69 are regular positions and 5 are limited term positions. Budgeted staffing is decreased by 10 positions as follows:

- Deletion of 6 filled positions (3 Captains and 3 Firefighter Paramedics) for the closure of Fire Station #45 (Wonder Valley) as a result of funding constraints and facility issues. These positions will be transitioned to vacant, funded positions within County Fire. Closing this station will have a significant impact on response times as the closest County Fire facility is located in Twentynine Palms. Also, responses to future incidents along the Interstate 40 corridor will now be provided from fire stations in either Baker or Needles, with the Marine Core Logistics Base in Barstow as an option if available.
- Deletion of 4 Paid Call Firefighter positions. Since these limited term positions have remained vacant, their deletions should have no impact on operations.

## Valley Regional Service Zone

### DESCRIPTION OF MAJOR SERVICES

The Valley Regional Service Zone was formed through a reorganization process effective July 1, 2008, per Local Agency Formation Commission Resolution 2997. This regional service zone provides fire protection and paramedic services to the unincorporated areas of Colton, Devore (Station #2), San Antonio Heights (Station #12), Lytle Creek (Station #20), Mt Baldy (Station #200), Muscoy (Station #75), Bloomington (Station #76), Grand Terrace (Station #23), Mentone (Station #9), Oak Glen (Station #555), Little Mountain, Highland and multiple fire stations within the City of San Bernardino (Stations #221, #222, #224, #225, #226, #227, #228, #229, #231, #232 and #233). Fire protection services are also provided to the Fontana Fire Protection District (Stations #71, #72, #73, #74, #77, #78 and #79) through a service contract. Effective 2017-18, the Valley Regional Service Zone will begin providing fire protection services to the City of Upland as a result of annexation (Stations #161, #163 and #164). Additionally, the Valley Regional Service Zone includes two voter approved special tax paramedic service zones for the unincorporated areas of Highland and Yucaipa; two voter approved special tax fire protection service zones for the Cities of San Bernardino and Upland; and two Community Facilities Districts that levy special taxes to fund fire protection services in the City of San Bernardino and Fontana Fire Protection District.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$99.8 million include the following:

- Staffing Expenses of \$63.6 million to provide fire protection, paramedic, ambulance transport, and administrative services to this regional service zone.
- Operating Expenses of \$27.0 million for operations of 30 fire stations including facility costs, equipment, vehicle services, and various other services/supplies. Included in this amount is \$6.1 million for the replacement and relocation of Fire Station #2 in the Devore area. The new facility will be staffed by personnel relocated from the existing Fire Station #2.
- Capital Expenditures of \$1.9 million for various improvement projects and equipment purchases.
- Operating Transfers Out of \$8.6 million primarily reflects special taxes transferred from Service Zone FP-5 – San Bernardino (\$7.0 million) and Community Facilities District 1033 - San Bernardino (\$855,323) to the Valley Regional Service Zone's operating fund.

Sources of \$96.4 million include the following:

- Property Taxes of \$42.0 million.
- Fee/Rate revenue of \$39.8 million from the Fontana Fire Protection District contract and special taxes.
- Other Revenue of \$6.1 million represents proceeds of bonds issued by Community Facilities District 2006-1 (Lytle Creek North) to fund the replacement and relocation of Fire Station No. 2 in the Devore

area. Due to proximity of the Rosena Ranch development, the existing fire station location and size are insufficient for the service area.

- Operating Transfers In of \$8.2 million (\$7.0 million of special taxes from Service Zone FP-5; \$855,323 of special taxes from Community Facilities District 1033; and \$355,816 from County Fire set-asides for capital projects and termination benefits).

Within the Valley Regional Service Zone are two Paramedic Service Zones (PM-2 Highland and PM-3 Yucaipa); two Fire Protection Service Zones (FP-5 City of San Bernardino and FP-5 City of Upland); and two Community Facilities Districts (CFD 1033 – City of San Bernardino and CFD 2002-2 – Fontana Fire Protection District) that are funded by voter approved special taxes. The following is more detail of these Service Zones and Community Facilities Districts:

**Service Zone PM-2 Highland** special tax was originally authorized by the Board of Supervisors in July 1985 (originally under CSA 38 L Zone PM-2). Service Zone PM-2 provides paramedic services to the unincorporated area of Highland and the unincorporated area of San Bernardino City. These services are funded by a voter approved special tax not to exceed \$19 per residential unit and \$38 per commercial unit, with no approved annual inflationary rate increase. For 2017-18, \$111,651 of revenue is budgeted from this special tax.

**Service Zone PM-3 Yucaipa** special tax was authorized by the Board of Supervisors in December 1986 (originally under CSA 38 M Zone PM-3) and the City of Yucaipa detached from the service zone in July 1999. Service Zone PM-3 provides paramedic services to the unincorporated area of Yucaipa through a contract with the City of Yucaipa. Services are funded by a voter-approved special tax not to exceed \$24 per residential unit and \$35 per commercial unit with no annual inflationary increase. For 2017-18, \$9,484 of revenue is budgeted from this special tax.

**Service Zone FP-5 San Bernardino** special tax was originally approved by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). With the approval of LAFCO 3198, the City of San Bernardino's Fire Department was annexed into County Fire's Valley Regional Service Zone. The annexation included a special tax to fund fire protection and emergency medical response services within the City of San Bernardino. This special tax includes an annual inflationary rate of up to a maximum 3% increase. The current special tax rate for FP-5 is \$152.68 per parcel. For 2017-18, \$7.6 million of revenue is budgeted from this special tax. Services are provided through Fire Stations #221, #222, #224, #225, #226, #227, #228, #229, #231, #232 and #233.

**Service Zone FP-5 Upland** special tax was originally approved by the Board of Supervisors in April 2006 (originally under CSA 70 Zone FP-5). Approval of the City of Upland's reorganization will include annexation into Service Zone FP-5, which includes a special tax for funding fire protection and emergency medical response services. This special tax includes an annual inflationary rate of up to a maximum 3% increase. The current special tax rate for FP-5 is \$152.68 per parcel. For 2017-18, \$3.1 million of revenue is budgeted from this special tax. Services will be provided through Fire Stations #161, #163 and #164.

**Community Facilities District (CFD) 1033 City of San Bernardino.** In 2004, CFD 1033 was formed by the City of San Bernardino to provide funding for fire protection services in the City's Verdmont area through special taxes assessed on commercial parcels with the CFD. The administration of CFD 1033 was transferred from the City of San Bernardino to County Fire by issuance of the Certificate of Compliance for LAFCO 3198 in June 2016. For 2017-18, \$855,323 of revenue is budgeted from special taxes generated within this CFD. Services are provided through Fire Stations #232.

**Community Facilities District (CFD) 2002-2 Fontana Fire Protection District.** The County of San Bernardino Board of Supervisors formed CFD 2002-2 (Central Valley Fire Protection District-Fire Protection Services) in August 2002 to ensure a financing mechanism to provide fire protection services within the boundaries of the area formerly known as Central Valley Fire Protection District, which is now part of the Fontana Fire Protection District as a result of the County Fire Reorganization LAFCO 3000 on July 1, 2008. This CFD authorizes a special tax

levy each year in the approximate amount of \$565 per developed acre on new non-residential development within CFD 2002-2. For 2017-18, \$305,000 of revenue is budgeted from special taxes generated within this CFD.

Within the Valley Regional Service Zone, County Fire provides contract fire suppression, emergency medical response, and emergency management services to the Fontana Fire Protection District.

	Requirements	Sources	Fund Balance	Staffing
<b><u>Contract Entity</u></b>				
City of Fontana	28,008,179	28,008,179	0	105

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are increasing by \$19.2 million, which includes these significant changes:

- \$10.9 million increase in Staffing Expenses primarily due to the addition of 43 new positions (40 resulting from annexation of the City of Upland's fire services and three positions for an enhanced staffing level at Station #12 - San Antonio Heights). Also included in this increase is additional costs for negotiated MOU increases.
- \$7.3 million increase in Operating Expenses primarily for the following:
  - \$2.2 million of transfers to the County's Capital Improvement Program for various repair/improvement projects at several fire stations.
  - \$2.2 million of additional costs for providing fire protection services for the Fontana Fire Protection District.
  - \$1.6 million in operating costs, excluding staffing and equipment purchases, for the addition of three fire stations resulting from the City of Upland annexation.
  - \$677,561 for increased insurance costs.
  - \$450,000 to County Fire-Administration for the replacement of vehicles.

Sources are increasing by \$16.0 million, which includes these significant changes:

- \$11.4 million increase in property tax revenue due to the City of Upland annexation, 4% increase in assessed valuation, additional RDA pass-through funds, and the 2016-17 estimated allocation of property taxes being greater than anticipated.
- \$4.8 million increase in Fee/Rate revenue primarily for the following:
  - \$3.1 million in special taxes (Service Zone FP-5) from the City of Upland annexation.
  - \$2.2 million increase in contract revenue from the City of Fontana.
  - \$419,479 decrease in revenue from the First Responder fee.

## ANALYSIS OF FUND BALANCE

This budget includes the Use of Fund Balance of \$3.4 million for vehicle replacement purchases and station repairs/improvements, resulting in \$3.7 million of available reserves for 2017-18. In order to avoid further decreases in Fund Balance, County Fire must identify new ongoing revenue sources for future vehicle replacement and station improvement projects.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$63.6 million fund 330 regular budgeted positions. Budgeted staffing is increasing by a net 37 positions (addition of 43, deletion of 6) as follows:

- Addition of 40 positions due to annexation of the City of Upland's fire services:
  - 3 Battalions Chiefs
  - 12 Captains
  - 12 Engineers
  - 12 Firefighter Paramedics
  - 1 Office Assistant III
- Addition of 3 Firefighter Paramedics at Fire Station #12 (San Antonio Heights) to increase the level of staff safety and enhance service for the public.
- Deletion of 6 Paid Call Firefighter positions. Since these limited term positions have remained vacant, their deletions should have no impact on operations.

Community Facilities District 2002-2

DESCRIPTION OF MAJOR SERVICES

The County of San Bernardino Board of Supervisors formed Community Facilities District (CFD) 2002-2 (Central Valley Fire Protection District-Fire Protection Services) on August 6, 2002, to ensure a financing mechanism to provide fire protection services within the boundaries of the area formerly known as Central Valley Fire Protection District, which is now part of the Fontana Fire Protection District as a result of the County Fire Reorganization LAFCO 3000 on July 1, 2008. The CFD authorizes a special tax levy each year in the approximate amount of \$565 per developed acre on new non-residential development within CFD 2002-2.

## Hazardous Materials

### DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk department that provides for the oversight and regulation, pursuant to California Health and Safety Code requirements, of hazardous materials and wastes for businesses located within the County of San Bernardino. These businesses reside in incorporated cities and unincorporated areas within the County. The Hazardous Materials (HazMat) Division functions to protect the health and safety of the public and the environment of the County of San Bernardino by assuring that regulated businesses are properly managing, handling, and storing hazardous materials.

#### Budget at a Glance

Total Requirements (Excl. Reimb.)	\$8,667,853
Total Sources (Incl. Reimb.)	\$8,695,107
Use of/ (Contribution to) Fund Balance	(\$27,254)
Total Staff	46

The HazMat Division operates several programs that provide services through inspection, emergency response, site remediation, enforcement, and hazardous waste management services including:

- The Certified Unified Program Agency (CUPA) implements six elements as one integrated program that inspects approximately 7,500 facilities annually to ensure the proper management of hazardous materials and wastes.
- The Underground Storage Tank (UST) Program focuses on annual hazardous materials inspections, including the construction, removal, operation, and monitoring of about 800 underground storage systems. As a result of annual inspections, infractions have led to the investigation and enforcement of non-compliant systems, which contributes in the efforts of removing potential contaminants and protecting ground water.
- The Hazardous Materials Response Team (HMRT) provides emergency response activities to, and investigation of, releases or threat of release of hazardous materials. This 24/7 HMRT responds to all types of hazardous material releases from businesses, residents, pipelines, tanker trucks and rail cars, special events, and illegal activities. The HMRT program coordinates with the County of San Bernardino District Attorney's Office in order to prosecute environmental offenders.
- Environmental Crimes Task Force coordinates all investigatory activity.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$8.4 million include Staffing Expenses of \$5.2 million to provide support, oversight, and regulation of all commercial hazardous materials and wastes within the County. Additionally, Operating Expenses of \$3.3 million represent costs for facilities, insurances, vehicle replacements, CONFIRE charges, professional services related to the digitized imaging system project, and various services/supplies.

Sources of \$8.5 million include Fee/Rate revenue of \$6.7 million from health fees, CUPA permit and inspection fees, and emergency response fees. In addition, Operating Transfers In of \$1.3 million are budgeted from County Fire set-asides primarily to fund the digitized imaging system project.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Major changes in Requirements include:

- \$261,293 increase in Operating Expenses primarily for a consultant to conduct a fee study and increased insurance costs.
- \$272,434 decrease in Operating Transfers Out as there are no planned transfers to County Fire set-asides in 2017-18 for future vehicle/equipment replacement.

Sources include a \$203,652 increase in Operating Transfers In primarily due to transfers from County Fire set-asides for the cost of a fee study consultant and vehicle replacement.

ANALYSIS OF FUND BALANCE

There is no budgeted Use of Fund Balance for 2017-18.

## Household Hazardous Waste

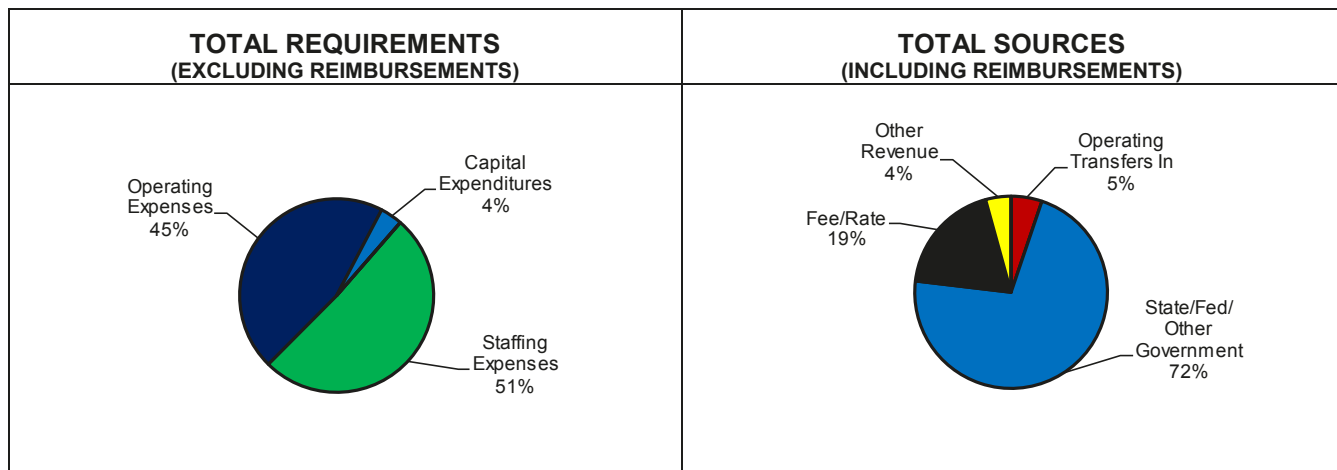

### DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk Department that provides a nationally recognized award-winning Household Hazardous Waste (HHW) program for the management of hazardous waste generated by the communities in San Bernardino County. The program provides full service activities that include the collection, packaging, transportation, re-use, recycling, and ultimately environmentally safe disposal of hazardous waste. The program manages approximately four million pounds of hazardous waste mostly comprised of used paint, used oil, batteries, electronics, pesticides and other household chemicals that cannot be disposed of in the drain or at municipal landfills. The HHW program also conducts public education and activities geared to reducing or eliminating the negative impact of these hazardous wastes on public health and the environment. HHW contracts with every city and town in the County, except the City of Fontana who operates their own program, to make these services available to every county resident and small business.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$3.3 million include Staffing Expenses of \$1.7 million to provide full service activities for the collection, packaging, transportation, re-use, recycling, and environmentally safe disposal of HHW. Additionally, Operating Expenses of \$1.5 million represent costs for the operations and administrative support to fulfill contracts with 23 of the 24 cities and towns within the County, which ensures that these services are available to virtually all residents within the County.

Sources of \$3.3 million include State/Federal/Other Government revenue of \$2.4 million (\$2.1 million from participating contract cities and \$300,000 in state grants) and Fee/Rate revenue of \$626,384 (\$516,384 in special assessment taxes and \$110,000 from fees for various services provided).

## BUDGET CHANGES AND OPERATIONAL IMPACT

There are no overall significant changes in Requirements or Sources.

## Office of Emergency Services

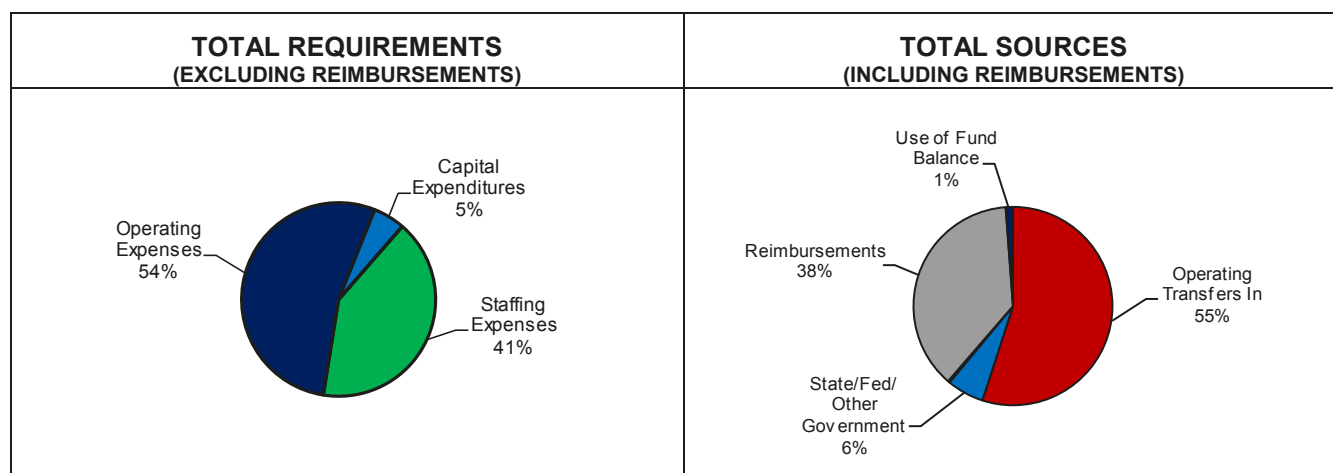

### DESCRIPTION OF MAJOR SERVICES

County Fire is an all-risk Department providing emergency management and disaster planning and coordination throughout the County through its Office of Emergency Services (OES). OES functions as the lead agency for the San Bernardino County Operational Area (OA). While County OES does not directly manage field operations, it ensures the coordination of disaster response and recovery efforts through day-to-day program management, and is instrumental in coordination during a disaster or emergency. As part of disaster preparation, response, and mitigation, OES specifically provides support and assistance to all 24 cities and towns, as well as all the unincorporated portions of the County. OES operates as the single point of contact for the California Office of Emergency Services (Cal OES) for all County activities. OES manages numerous grants totaling millions of dollars such as the Homeland Security Grant Program (HSGP), the Emergency Management Performance Grant (EMPG), and Urban Areas Security Initiative (UASI), amongst many others. OES is also responsible for developing and implementing numerous County-wide plans such as the Hazard Mitigation Plan, the Mass Care and Shelter Plan, and the Catastrophic Recovery Plan. OES also coordinates various task forces and boards such as the County's Flood Area Safety Taskforce.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$2.4 million include the following:

- Staffing Expenses of \$1.6 million to provide emergency management and disaster planning/coordination throughout the San Bernardino Operational Area.
- Operating Expenses of \$2.0 million for costs to support and assist 24 cities and towns within the County, as well as all the unincorporated portions of the County. Also included are operating costs for two facilities, COWCAP charges, professional services, grant related expenses, and various services/supplies.

These expenses are partially offset by Reimbursements of \$1.4 million from the Cal OES Grant Programs budget unit (\$1.1 million) and the Valley Regional Service Zone for the cost of two Emergency Services Officers assigned exclusively to the Cities of Upland and Fontana (\$289,681).

Sources of \$2.3 million primarily represent a \$2.1 million allocation from the County General Fund to assist with operational costs of OES. Also included is \$228,984 in grant funds from the Urban Areas Security Initiative.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Significant changes in Requirements include:

- \$262,796 decrease in Staffing Expenses due to a net decrease of 3 positions.
- \$747,912 decrease in Operating Expenses primarily due to the following:
  - Eliminating the pass-through of EMPG funds to cities/towns from this budget unit.
  - Significantly curtailing OES operations at the High Desert Government Center.
  - Less purchases of inventoriable equipment.
- \$101,688 increase in Capital Expenses for grant-funded vehicle/equipment purchases.

Sources are decreasing by \$686,654 primarily because funding from the EMPG is no longer included as revenue in this budget unit.

## ANALYSIS OF FUND BALANCE

This budget includes the Use of Fund Balance of \$44,662 for various one-time costs, primarily \$17,000 for the replacement of computer equipment and \$16,200 for an interior lighting project at the Emergency Operations Center (EOC) in Rialto.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing Expenses of \$1.6 million fund 16 budgeted regular positions. Budgeted staffing for 2017-18 is decreased by a net 3 positions (addition of 4, deletion of 7) as follows:

- Addition of 1 Emergency Services Supervisor is needed to reduce the current span of control and manage the volunteer program.
- Addition of 2 Emergency Services Officers (funded by and used exclusively for the Cities of Upland and Fontana) for a variety of functions including disaster preparedness training/exercises and emergency management services.
- Addition of 1 Computerized Mapping Analyst previously assigned to CONFIRE. This position manages the County's reverse 9-1-1 systems (TENS) and performs other GIS based functions. Operationally, this position will be more effective within OES as it is a coordinating role often used during EOC activations.
- Deletion of 7 positions (5 Emergency Services Officers, 1 Staff Analyst II and 1 Accounting Technician) due to funding limitations. The loss of these positions will have a significant impact on operations. Services will no longer be maintained at current levels as a result of these deletions. Of the 7 positions deleted, 5 are filled and 2 are vacant. Per the 2017-18 Budget Workshop, these deletions will be placed on hold until the first quarter of 2017-18 when the financial situation of the County is more certain, and it is determined that no other sources are available to fund these positions.

## Cal OES Grant Programs

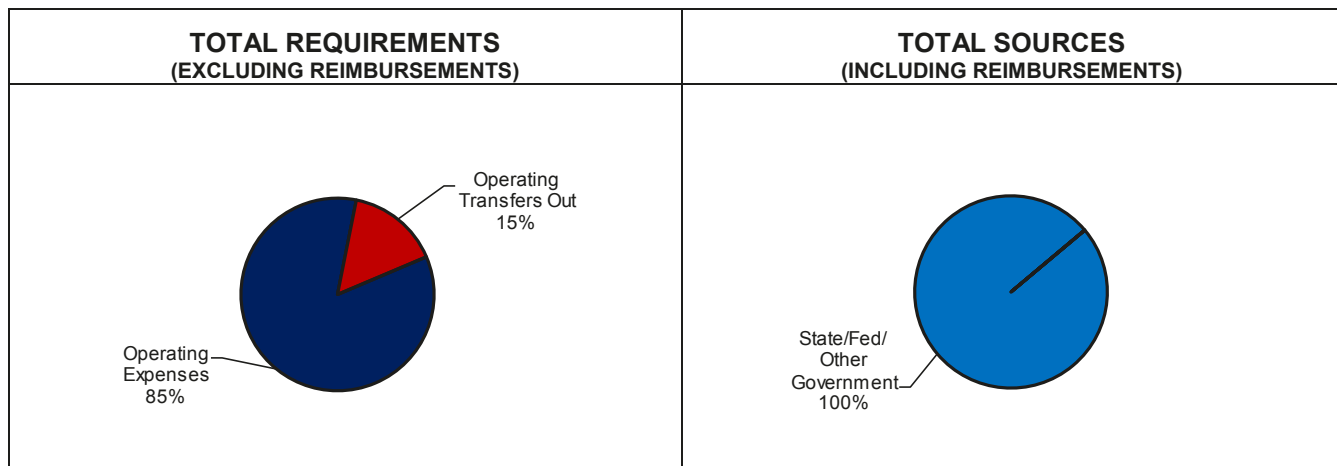

### DESCRIPTION OF MAJOR SERVICES

The California Governor's Office of Emergency Services (CalOES) operates in accordance with the provisions of the Governor's Reorganization Plan No. 2 (Government Code Section 8585 (a)(1)), dated May 3, 2012. Since 1999, County Fire Office of Emergency Services (County OES) has received grant funds through CalOES from the Federal Emergency Management Agency (FEMA) for terrorism risk capability assessments and eligible equipment for Emergency First Responders. The Homeland Security Grant Program (HSGP) is one tool amongst a comprehensive set of federal measures administered by CalOES to help strengthen the state against risks associated with potential terrorist attacks. The Emergency Management Performance Grant (EMPG) provides funding to assist with preparing for all hazards. CalOES has annually approved and awarded these grants to County Fire OES. San Bernardino County, through the oversight of County Fire, continues to implement the federal grant's objectives and strategies of effectively preparing for incident situations and responding to catastrophic events.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$5.6 million include Operating Expenses of \$4.8 million that primarily represent transfers to other County Fire budget units and sub-recipients (cities/towns) of the HSGP and EMPG. Operating Transfers Out of \$870,890 are primarily reimbursements to the following participating County entities: Sheriff/Coroner/Public Administrator, Department of Public Health, Inland Counties Emergency Medical Agency (ICEMA), and other County departments for grant expenditures related to terrorism risk capability assessments, planning, and eligible equipment purchases.

Sources of \$5.6 million represent grant funding from FEMA, through CalOES, for the HSGP and EMPG.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements and Sources are each increasing by \$1.2 million due to additional HSGP funds budgeted for 2017-18 (\$670,324) and EMPG funds that are now deposited into this budget unit (\$565,410).

## ANALYSIS OF FUND BALANCE

There is no budgeted Use of Fund Balance.

## STAFFING CHANGES AND OPERATIONAL IMPACT

There is no staffing associated with this budget unit.

## In-Home Supportive Services Public Authority

### DESCRIPTION OF MAJOR SERVICES

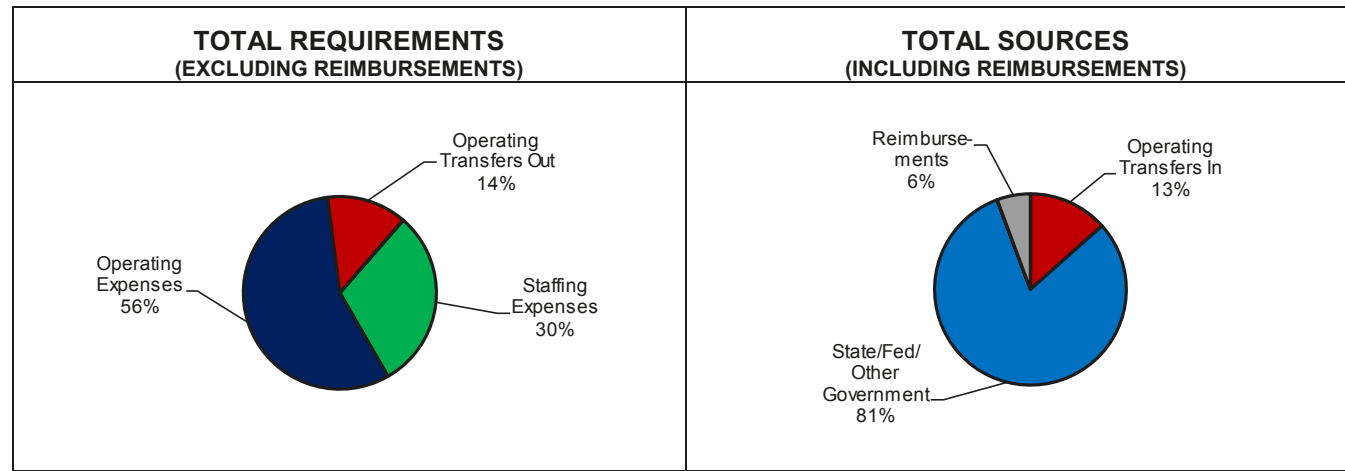

The In-Home Supportive Services (IHSS) program was created in 1973 to serve elderly, blind, and/or disabled individuals who are not able to remain safely in their home without assistance. Section 12302.25 of the Welfare and Institutions Code (WIC) mandates that each county, on or before January 1, 2003, must act as, or establish, an employer of record for collective bargaining purposes for IHSS care providers. The IHSS Public Authority (PA) was established to comply with this mandate.

Budget at a Glance	
Total Requirements (Excl. Reimb.)	\$8,332,861
Total Sources (Incl. Reimb.)	\$8,332,861
Use of/ (Contribution to) Fund Balance	\$0
Total Staff	44

In addition to its role in collective bargaining, the IHSS PA is required by WIC to provide the following mandated services:

- Establish a registry of potential care providers.
- Investigate the background and qualifications of potential care providers.
- Refer potential care providers from the registry to IHSS consumers upon request.
- Provide training for both IHSS care providers and consumers.
- Perform other functions related to the delivery of IHSS as designated by the governing board.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$7.9 million consist of the following:

- Staffing Expenses of \$2.5 million which fund 44 positions.
- Operating Expenses of \$4.7 million which consist of services and supplies, licensing and maintenance of the annual provider registry and health benefits database, provider and staff training, provider background investigations and finger printing, COWCAP, and payments for provider health benefits.
- Operating Transfers Out of \$1.1 million to the HS Administrative Claim budget unit which represents the required local share match payment to the state for Public Authority (PA) administration and health benefits as part of the mandated Maintenance of Effort (MOE) agreement. The HS Administrative Claim budget unit makes the entire match payment, which includes provider wages, for all IHSS MOE components.

State, Federal, and Other Government revenue of \$6.7 million represents the state and federal mandated share of PA expenditures.

Operating Transfers In of \$1.1 million represents funding for the match mandated by state legislation due to the changes made to the IHSS MOE funding structure. This is funded with 1991 Realignment transferred from the HS Administrative Claim budget unit.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$259,825 primarily due to one-time purchases of office furnishings and equipment which will not be repeated during 2017-18. Sources are decreasing by \$259,825 due to decreased state and federal revenue resulting from decreased reimbursable requirements.

## ANALYSIS OF FUND BALANCE

IHSS Public Authority is fully reimbursed from federal and state funding sources with a required match which is funded with 1991 Realignment. Typically there is no Use of or Contribution to Fund Balance.

## ECONOMIC AND COMMUNITY DEVELOPMENT CORPORATION Reg Javier

### DESCRIPTION OF MAJOR SERVICES

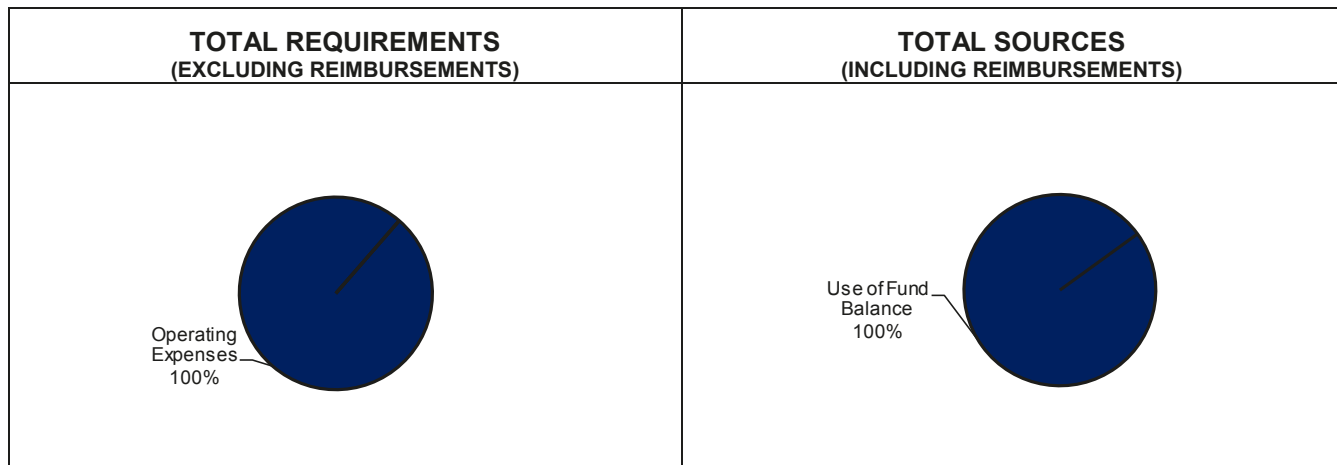

In September 1987, the Board of Supervisors formed the County of San Bernardino Economic Development Corporation to provide additional methods of financing the acquisition of property, for and on behalf of private enterprise, to promote and enhance economic development and increase opportunities for useful employment. On May 8, 2012 (Item No. 45), the Board of Supervisors amended the Articles of Incorporation and the By-Laws to enable the Corporation to establish an Advisory Board that would comply with the requirements for designation as a Community Development Entity (CDE) by the Community Development Financial Institution Fund of the United States Department of the Treasury. The Corporation was designated as a CDE in December 2012. The Economic and Community Development Corporation is a function of the Economic Development Agency.

COUNTY INDUSTRIAL DEVELOPMENT AUTHORITY  
Reg Javier

DESCRIPTION OF MAJOR SERVICES

In March 1981, the Board of Supervisors created the San Bernardino County Industrial Development Authority (CoIDA) to issue tax exempt industrial bonds for the furtherance of economic development and the creation of new jobs within the County. The annual CoIDA budget typically provides funding for the cost of professional services related to the issuance of bonds, promotion of the financing program and other program related costs. CoIDA is a function within the Economic Development Agency.

## Inland Counties Emergency Medical Agency

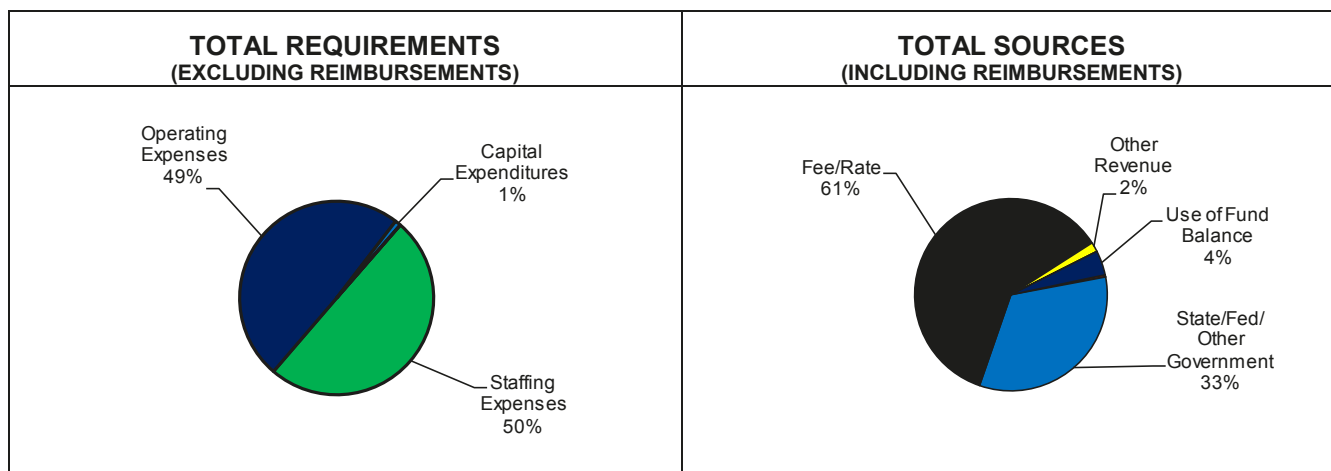

### DESCRIPTION OF MAJOR SERVICES

The Inland Counties Emergency Medical Agency (ICEMA) was developed under a Joint Powers Agreement with San Bernardino, Inyo, and Mono Counties. ICEMA is responsible for ensuring effective emergency medical services for the three county areas. Specifically, they are charged with the coordination, evaluation and monitoring of Emergency Medical Services (EMS) within the public and private pre-hospital providers, specialty hospitals, paramedic base hospitals, as well as the effectiveness of EMS educational programs and medical disaster preparedness.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$4.1 million include Staffing Expenses of \$2.0 million for 19 budgeted positions and Operating Expenses of \$2.0 million consisting primarily of the following:

- Building leases (\$426,162)
- Professional and specialized services (\$339,430)
- County departments' services (\$276,530)
- Software maintenance for the ongoing ePCR system (\$207,400)
- Hospital Preparedness Program costs (\$206,714)
- Computer software licenses (\$181,488)

Sources of \$3.9 million include a total of \$2.5 million from Fee/Rate revenue consisting of fines and penalties, fees for licenses and permits, and revenue from performance based contracts. In addition, this budget includes \$1.4 million of state and federal grant funds.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Requirements are decreasing by \$27,349 primarily due to a \$209,333 reduction in Capital Expenditures resulting from capitalized software purchased in 2016-17 to remain compliant with the new state law AB1129 and national data standards developed by NEMSIS. This decrease is partially offset by a \$114,966 increase in Staffing Expenses primarily from negotiated MOU increases and budgeted overtime costs.

Sources are decreasing by \$284,231 primarily due to the following:

- \$166,222 of one-time funds budgeted in 2016-17 from the California Emergency Medical Services Authority for the NEMSIS project.
- \$155,430 reduction in SB612 (Maddy) funds. These funds, generated from court fines, penalties and forfeitures collected by the courts for certain criminal offenses and motor vehicle violations, are used to fund EMS costs and payments to physicians/hospitals for emergency care.

## ANALYSIS OF FUND BALANCE

Fund Balance of \$168,794 will be used to fund various computer equipment purchases (\$40,000) and to help offset the reduction in SB612 funds (\$128,794) anticipated for 2017-18. Should the reduction of SB612 funds become permanent, ICEMA will decrease future operational costs correspondingly.

## 2016-17 MAJOR ACCOMPLISHMENTS

- Construction was completed on the 85-unit phase 1 of Valencia Grove, a 228-unit affordable housing development which will replace the oldest public housing site in the County. The original housing site in the City of Redlands, built in 1941, consisted of 115 units. When completed the site will include 189 affordable rental units and 39 single-family homes for first-time homebuyers. 85 families moved into the new units utilizing Project-Based Voucher rental assistance.
- At the end of four years of participation in the Five Year Lease Assistance Program, participating families have achieved a 21.5% increase in income from wages, a 37% decrease in income from welfare, an 18.9% increase in full-time employment, and a 13.4% decrease in unemployment. Coupling housing assistance with career readiness coaching, onsite job training and placement services, and HACSB's partnership with the County's Workforce Development and Transitional Assistance Departments, has all contributed to the success of the families participating in this program.
- Received an award of \$2.3 million from the County's Transitional Assistance Department (TAD) to increase the number of households served under the CalWORKs Housing Support Program which promotes housing stability for homeless families, reducing the likelihood of families recidivating into homelessness. In the first two program years, 566 families including 1,246 children were rehoused.
- Continued the successful partnership with Knowledge, Education for Your Success, Inc. (KEYS), a non-profit organization that has taken a leadership role in providing wraparound case management services to help families move from poverty to economic mobility, and to rapidly rehouse homeless families into permanent housing, resulting in the success achieved under the CalWORKs Housing Support Program.
- Provided 86-Project Based Vouchers to support the development of the Loma Linda Vets project, an 87-unit apartment complex dedicated to housing single homeless veterans and veterans with families. The project will utilize the "housing first" model which provides housing and then delivers a variety of mental/physical health and or economic advancement services onsite to support the residents. Fifty of the Project Based Vouchers were awarded to HACSB on a competitive basis under the Veterans Affairs Supportive Housing (VASH) program in collaboration with the Loma Linda VA Hospital, adjacent to which the site is located. Construction of the project commenced in early 2017.
- Construction was completed on the 106-unit Phase 1 of the total 190-unit affordable mixed-generational housing development in the community of Bloomington. For 55 years, post-completion, this site will provide housing units for households who qualify as very-low and low-income. HACSB provided 11 project-based vouchers now being utilized by families and seniors to live at the new site which includes a public library. In 2016 HACSB leveraged the value of 20 additional Project Based Vouchers to assist in completing the overall financing package of the second phase of the project which adds 84 family units to be ready for occupancy in mid-2017. The additional rent revenues created from the Project Based Vouchers has been utilized to help offset the high cost of new project infrastructure required to build in this unincorporated area of the County.
- Initiated final processes with HUD for the conversion of 354 units through HUD's Rental Assistance Demonstration Program from Public Housing to the Project Based Voucher Program (the balance of the Public Housing units remaining in the Portfolio) providing these subsidized units with stabilized funding.
- Assisted 10 families to become new homeowners through the homeownership program, transitioning those who currently receive rental subsidies to permanent, stable housing.
- Acquired an existing 21-unit apartment complex (Golden Apartments, San Bernardino) and 61-unit Motel (Queens Motel, Victorville) for the specific purpose of providing permanent supportive housing for chronically homeless individuals and families.
- Provided long-term rental assistance through the Veterans Affairs Supportive Housing (VASH) program to an additional 112 homeless veteran families, leading the ongoing fight to end veteran homelessness within the County.

## Housing Authority of the County of San Bernardino

### DESCRIPTION OF MAJOR SERVICES

The Housing Authority of the County of San Bernardino (HACSB) is a critical economic partner of the County. As the County’s largest provider of affordable housing, HACSB proudly serves in excess of 32,000 lives, most of whom are in-need seniors, disabled individuals, and children. As a catalyst for economic growth, HACSB provides vital resources, skills, and motivation to individuals and families to help them transition out of government-assisted programs and into economic independence. This not only greatly benefits the individuals served, but the County as a whole, stimulating long-term economic growth and providing a model for self-sufficiency to be passed through generations of County residents.

Note: Unlike governmental funds, the 2016-17 Modified Budget and Estimate columns do not include information on Estimated Net Position Available or Total Estimated Unrestricted Net Position because GAAP requires that internal service and enterprise funds include line items such as depreciation, which are not budgeted, in the Net Position calculation.

## MAJOR REQUIREMENTS AND SOURCES IN 2017-18 RECOMMENDED BUDGET

Requirements of \$324.0 million consist of Operating Expenses of \$114.1 million which include payments of \$89.7 million related to Housing Assistance, \$15.3 million for operating, maintenance and other costs associated with the physical upkeep and management of housing units, \$8.1 million for administrative costs, and \$1.0 million for tenant services. Staffing Expenses of \$14.1 million fund the cost of 142 staff. Capital Expenditures of \$6.6 million have also been budgeted.

Sources of \$326.1 million include federal grant revenue of \$109.9 million from the U.S. Department of Housing and Urban Development (HUD), and \$27.0 million from rental income and administrative fees. The federal grants include Public Housing Operating Fund, Capital Fund, and the Housing Choice Voucher program Housing Assistance Payments.

The Operating Transfers In/Out of \$189.2 million reflect the movement of funds related to the Moving to Work Program. HACSB has been designated as a Moving to Work agency and funding transferred between the Public Housing, Capital Fund, and Housing Choice Voucher programs is shown as Operating Transfers In/Out.

## BUDGET CHANGES AND OPERATIONAL IMPACT

Total Requirements are increasing by \$16.0 million. The increase in Operating Expenses of \$6.9 million is related to a \$9.5 million increase in payments for Housing Assistance primarily due to the transfer of the Upland Housing Authority Housing Choice Voucher Program to HACSB, offset by a decrease of \$2.7 million in services and supplies costs. An increase of \$915,188 in Staffing Expenses is the result of the addition of 13 positions needed to serve the new Upland properties and a new rental assistance program.

Sources are increasing by \$16.7 million which includes an additional \$12.8 million in HUD funding primarily in the Moving to Work, Housing Choice Voucher, and Rental Assistance Demonstration programs, and increased revenue due to the voluntary transfer of the Upland Housing Authority's Public Housing and Housing Choice Voucher programs to HACSB. A reduction in Sources of \$4.0 million results from a decrease in rental income and administrative fees.

## ANALYSIS OF NET POSITION

Estimated Net Position Available in the amount of \$103.6 million is available for expenditures relating to the various programs of HACSB. A majority of this Net Position is restricted to U.S. Department of Housing and Urban Development (HUD) funded programs which includes the Public Housing, Capital Fund, Housing Choice Voucher, and the Moving to Work programs. There is also an additional \$19 million in HUD held restricted reserves for the Housing Choice Voucher program.

## STAFFING CHANGES AND OPERATIONAL IMPACT

Staffing expenses of \$14.1 million fund 142 budgeted positions of which 140 are regular positions and 2 are limited term positions. This represents a net increase of 13 positions. Twenty-two positions are being added: 2 Affordable Housing Specialists, 1 Asset Management Analyst, 2 Resident Service Coordinators, 1 Resident Services Assistant, 2 Resident Managers, 1 Administrative Assistant, 5 Maintenance Technicians, 2 Management Analysts, 1 Help Desk Technician, 1 Project Manager Real Estate, 1 Housing Services Specialist, 1 Project Manager Construction, 1 Lead Housing Services Specialist, and 1 Administrative Services Specialist. The majority of the new positions are needed as a result of the Authority's transition to the Rental Assistance Demonstration program and the addition of the Upland Housing Authority's Public Housing and Housing Choice Voucher programs.

Nine vacant positions are being deleted: 1 Porter, 1 Career Readiness Services Coordinator, 1 Assistant Deputy Executive Director, 5 Job Coach and 1 Computer Lab Technician.

# CAPITAL IMPROVEMENT PROGRAM

Gary McBride

## DEPARTMENT MISSION STATEMENT

*The Capital Improvement Program receives and evaluates capital expenditure requests, recommends priorities for the acquisition or improvement of land, facilities and infrastructure, oversees and monitors major capital projects, and guides growth and change of County facilities and infrastructure by anticipating future needs.*

## ORGANIZATIONAL CHART

## 2017-18 SUMMARY OF BUDGET UNITS

Funding for capital projects is included in the Real Estate Services Department-Project Management Division Capital Improvement Program (CIP) funds, and specific Arrowhead Regional Medical Center, Airports, Regional Parks, Transportation, Solid Waste Management and San Bernardino County Fire Protection District (County Fire) CIP funds.

## DESCRIPTION OF MAJOR SERVICES

The Capital Improvement Program (CIP) is an internal planning tool administered by the County Administrative Office (CAO) to provide the Board of Supervisors (Board) with information to assist in the decision-making process for the allocation of limited resources to capital projects. The CIP provides for the acquisition, construction, reconstruction, initial fixtures and equipment, renovation, rehabilitation or replacement of facilities or equipment with a life expectancy of at least five years and capital costs in excess of \$5,000. The program:

- Receives and evaluates requests to lease or expand leased space or to vacate, occupy, alter, remodel or construct County-owned space, land, or facilities
- Recommends priorities for capital projects based on criteria in the Capital Budget Policy for government facilities, regional parks, airports, transportation, solid waste and County Fire facilities
- Prepares the annual CIP budget, monitors and directs implementation of approved projects through the Real Estate Services Department – Leasing and Acquisition Division (RES-LAD) and Project Management Division (RES-PMD), Airports, Regional Parks, and Public Works, as well as the Fire Protection District.
- Provides direct oversight for major capital projects
- Develops and implements facility standards and maintains land and building inventories
- Performs long-range planning to:
  - Link department capital and operational budget plans to Countywide strategic plans
  - Conduct physical condition assessments through periodic surveys of facilities to identify major, large-scale projects to repair and rehabilitate County assets
  - Identify opportunities for energy efficiencies, life-cycle increases, and maintenance operating cost reductions
  - Identify future space and infrastructure needs of the County
  - Develop formal estimates of costs and seek adequate project funding, and
  - Identify opportunities for public-private partnerships for the development of County facilities.

## BUDGET HISTORY

The CIP is funded by a number of sources, including the County general fund and various other funding sources:

- Discretionary General Funding: Funded from County general fund discretionary dollars provided to CIP for general fund projects.
- Other Funding: The underlying funding source is from a department using a funding source over which the Board has discretion (such as realignment, fines and forfeitures, special revenue, or internal service funds such as Risk Management and Fleet Management), or is from a dedicated source for a specified purpose (such as grants, Inmate Welfare Fund, enterprise funds, Courts, Library, fees, dedicated gas and sales tax, and state and federal aid).

The County's CIP includes construction, rehabilitation, and repair projects for numerous facilities and structures. Solid Waste Management and Transportation Division (road) projects are administered by the Department of Public Works (DPW). RES-PMD administers projects for all others, including Arrowhead Regional Medical Center (ARMC), Airports, Regional Parks, general fund departments, and Community Development and Housing (CDH).

CIP funds are budgeted in various capital budget units and expended in various capital asset object codes for County-owned facilities: 4005-Land, 4010-Improvements to Land, 4030-Structures and Improvements to Structures, 4040-Equipment and 5010/5012-Transfers.

The amount of Discretionary General Funding (Net County Cost) for CIP varies annually based on available one-time funding. The following chart demonstrates the Board's commitment in recent years to address the backlog of deferred maintenance projects for County buildings and infrastructure. General fund contributions to CIP over the past five years total **\$365.1 million**. Contributions have averaged approximately \$73.0 million per year.

### IMPACT OF CAPITAL IMPROVEMENT PROJECTS ON OPERATING BUDGETS

The County has a separate capital budget policy. This policy directs that project proposals should indicate the project's impact on the operating budget, including, but not limited to, long-term maintenance and operational costs necessary to support the facility. The plan for funding projected staffing, operation and maintenance, and utility costs must be identified as part of the approval process for each capital project.

Operational impacts resulting from new construction, major remodels, and expansion projects, such as operating expenses and new staffing costs, are summarized in the discussion of the individual new and carryover projects that follow.

Operating expenses such as maintenance, grounds, custodial and utility costs are budgeted in the Real Estate Services Department – Facilities Management and Utility budgets. County departments reimburse these costs quarterly or through the Countywide Cost Allocation Plan. New staffing and other operational costs incurred as a result of new construction, expansions or major remodels are budgeted in the individual County department budgets.

## 2017-18 RECOMMENDED BUDGET

In August 2016, County departments were requested to provide a five-year projection of their capital requirements. The 2017-2022 5-Year Capital Improvement Program Plan was completed in March 2017. That document included information on Major Capital Improvements that are currently in progress, and projects proposed by County departments and Special Districts to commence within the next five years. It is intended to be a tool for management and the Board to prioritize capital needs, develop funding plans, and stay informed about the progress of multi-year projects.

On December 22, 2016, County departments were requested to submit CIP requests for projects to commence in 2017-18. The CAO received 158 requests from 19 departments with an estimated total project cost of \$160.6 million. Departments submitting more than one CIP request prioritized their requests. CIP requests were also submitted by RES-PMD and Real Estate Services - Facilities Management Division for Maintenance and Non-Major CIP projects.

The CIP budget includes a base budget allocation for Maintenance and Non-Major CIP projects. The base budget allocation for Maintenance and Non-Major CIP projects was \$12.0 million for 2016-17. For 2017-18, the CEO is recommending that the base budget allocation for CIP remain the same. This recommended funding level will allow the County to continue to invest in County building assets at an acceptable level. The following are recommended to be funded from the base budget allocation of **\$12.0 million** for 2017-18:

### MAINTENANCE AND NON-MAJOR CIP PROJECTS

- Deferred Maintenance \$4.1 million**
  - County Buildings Acquisition and Retrofit Project – This program in the amount of \$2,450,000 will address minor deferred maintenance projects to buildings primarily in the County Government Center Campus.
  - Minor CIP Program – This program will address minor deferred or unscheduled maintenance projects for County facilities. Two projects and an amount that remains unprogrammed totaling \$1,681,665 are proposed for 2017-18: County Government Center Fence to Enclose South/West Stairwell (\$15,000); Emergency Operations Center Building Hot Water Heater (\$10,000); and unprogrammed (\$1,656,665). Funding for other projects will be identified and implemented as they occur during the year.
- Heating, Ventilation and Air Conditioning (HVAC) \$2.4 million**
  - HVAC Upgrades/Maintenance/Replacement Program - Four HVAC projects and an amount that remains unprogrammed totaling \$2,450,000 are planned for 2017-18: West Valley Detention Center Mechanical System Upgrade (\$500,000); Countywide Building Controls Upgrade (\$500,000); Rancho Cucamonga 8575 Haven Avenue Building Automation Systems Controls (\$150,000); Victorville Sheriff Holding Area Duct Cleaning (\$85,000); and unprogrammed (\$1,215,000).
- Infrastructure \$1.1 million**
  - Site Infrastructure Program - Four projects and an amount that remains unprogrammed in the total amount of \$550,000 will improve site infrastructure: San Bernardino Gilbert Street Behavioral Health Transitional Assistance Youth Center Exterior Grounds Improvement (\$75,000); Fontana Probation Grass Area Landscaping (\$75,000); Central Valley Juvenile Detention and Assessment Center Grass Removal (\$50,000); Barstow Mt. View Complex Retaining Wall Restoration (\$25,000); and unprogrammed (\$325,000).
  - Countywide Generator Replacements Program – Two projects in the total amount of \$560,000 are proposed for 2017-18: Sheriff's Crime Lab Add Redundant Generator (\$380,000); and Facilities Management Lena Road Generator (\$180,000).
  - Foothill Law and Justice Center Automatic Transfer Switch - The funding sources are Discretionary General Funding of \$8,382 and the Judicial Council of California (JCC) (\$26,618) for the Court's share of capital costs.

- Building System Improvements \$1.1 million**
  - Countywide Elevator Modernization Program – An amount of \$450,000 that remains unprogrammed is proposed to refurbish elevators.
  - Boiler Replacement Program – \$600,000 in funding is proposed for the Central Detention Center Steam Boilers Replacement project.
  - Central Courthouse Transformer Replacement - The funding sources are Discretionary General Funding of \$49,953 and the JCC (\$25,047) for the Court's share of capital costs.
- Health/Safety/Americans with Disabilities Act (ADA) \$1.0 million**
  - Americans with Disabilities Act (ADA) Program – This program will make ADA improvements to County facilities in the total amount of \$500,000. One project is planned to address ADA issues: 777 Building Front Entrance Doors ADA Improvements (\$70,000); and funding that is currently unprogrammed to address ADA issues as they are identified during the year (\$430,000).
  - Fire/Life Safety Program – One project and an amount that remains unprogrammed totaling \$450,000 will improve fire/life safety: Redlands Museum Backflow Device-Fire Sprinkler Compliance (\$200,000); and unprogrammed (\$250,000).
- Paving \$0.7 million**
  - Pavement Management Program – Five paving projects and an amount that remains unprogrammed in the total amount of \$650,000 are planned to be funded from the Pavement Management Program for 2017-18: High Desert Detention Center Erosion Repairs (\$195,000); Lucerne Valley Library New Asphalt Parking Lot (\$150,000); High Desert Government Center Slurry Seal Maintenance (\$125,000); Twentynine Palms Library New Asphalt Parking Lot (\$80,000); High Desert Juvenile Detention and Assessment Center Slurry Coat and Stripe Parking Lot (\$75,000); and unprogrammed (\$25,000).
- Exterior Renovations \$0.6 million**
  - Exterior Renovation Program - This program will make various improvements to renovate building exterior areas in the total amount of \$600,000. One project is recommended for 2017-18 with the remaining amount unprogrammed: Information Services Department Basement Wall Leak Repairs (\$500,000); and unprogrammed (\$100,000).
- Interior Renovations/Remodels \$0.5 million**
  - Interior Renovation Program – Two projects and an amount that remains unprogrammed in the total amount of \$386,500 are currently planned: Countywide Conference Room Upgrades (\$100,000); 777 Building Hallway Paint and Refurbish (\$90,000); and unprogrammed (\$196,500).
  - Foothill Law and Justice Center Lobby Water Damage Restoration – The funding sources are Discretionary General Funding of \$59,875 and the JCC (\$190,125) for the Court's share of capital costs.
  - Victorville Courthouse Ceiling Tile and Interior Paint – The funding sources are Discretionary General Funding of \$53,625 and the JCC (\$96,375) for the Court's share of capital costs.
- Roofing \$0.4 million**
  - Roofing Repairs/Replacement Program – Two projects and an amount that remains unprogrammed totaling \$400,000 are proposed for 2017-18: Public Defender Modular Roof Replacement (\$35,000); Big Bear Library Siding-Roof Replacement Phase II (\$25,000); and unprogrammed (\$340,000).
- Energy Program \$0.1 million**
  - Energy Projects Program - This program will make various energy improvements. Two projects and an amount that remains unprogrammed in the total amount of \$100,000 are planned for 2017-18: West Valley Detention Center Mechanical Room Lights (\$35,000); Lucerne Valley Library Interior Lights (\$25,000); and unprogrammed (\$40,000).

The 2017-18 recommended new projects will extend the useful life of facilities, remove potential hazards and reduce liability, and decrease operating expenses in some cases. A considerable amount of funding is un-programmed for 2017-18 in anticipation that the reorganization of the Real Estate Services Department - Facilities Management Division into a zone maintenance program, with specific areas and buildings assigned to specific Maintenance Supervisors, will result in the identification of additional projects throughout the year.

In addition to the base budget above of \$12.0 million funded from ongoing Discretionary General Funding, additional ongoing Discretionary General Funding of \$17.9 million for the 800 Megahertz (MHz) Upgrade Project and additional one-time Discretionary General Funding of \$39.9 million is proposed for the following projects:

## MAJOR CIP PROJECTS

- Construction/Major CIP Projects** **\$57.8 million**
  - 800 MHz Upgrade Project – This project will address the upgrade of the aging 800 Megahertz (MHz) digital radio system countywide. For 2017-18, a \$17,881,452 contribution of ongoing Discretionary General Funding is proposed, bringing the total funded to date to \$150.0 million.
  - County Buildings Acquisition and Retrofit Project – This project will acquire, modernize and seismically retrofit certain County buildings, primarily in San Bernardino. This project now includes a parking structure for the 323 Court Street Building and the acquisition of a building for Sheriff Court Services. During 2016-17, the County Fire Relocation/Consolidation (Administration Building) project and the Valley Dispatch Center project were separated from this project to be stand-alone projects. The total estimated project cost of the County Buildings Acquisition and Retrofit Project is \$199.1 million with a remaining project duration of four years. In addition to the \$2.45 million from the CIP base budget allocation for deferred maintenance noted above, \$37,700,000 is proposed for funding in 2017-18 (\$31.0 million from the County Buildings Acquisition and Retrofit Project Reserve and \$6.7 million from the Capital Improvement Projects Reserve), for a total of \$40.15 million, bringing total funding to date to \$144.1 million.
  - Valley Dispatch Center – Additional funding of \$2,200,000 from the Valley Dispatch Center Reserve is proposed for design of the Valley Dispatch Center to be constructed on County-owned property located at the southeast corner of Rialto Avenue and Lena Road in San Bernardino.

In addition to the Discretionary General Funding projects identified above in the total amount of **\$69.8 million** (which includes \$12.0 million for maintenance and non-major CIP projects and \$57.8 million for major CIP projects), other new projects will be funded from other sources in the total amount of **\$29.9 million**, including department funded projects, for a total of **\$99.7 million** in new project funding administered by RES-PMD. The Department of Public Works (DPW) will administer various new Transportation projects in the amount of **\$15.1 million** funded with \$4.9 million in Discretionary General Funding and \$10.2 million funded by various other sources, and Solid Waste Management will administer various new projects in the amount of **\$3.5 million** utilizing other funding sources. In addition, County Fire will manage smaller CIP projects with total departmental funding of **\$1.7 million** with oversight and inspection provided by RES-PMD as needed. In 2017-18, the total budget for new CIP projects is **\$120.1 million**.

The following chart demonstrates the allocation of funding sources for all new projects recommended in CIP for 2017-18:

Table 1 provides a summary of all new CIP projects for 2017-18.

## REVIEW OF CARRYOVER PROJECTS

Large capital projects often span more than one fiscal year and project balances are carried over annually until project completion. Carryover projects administered by RES-PMD have projected carryover balances of approximately \$296.7 million. Carryover projects administered by the Department of Public Works have projected carryover balances of \$65.9 million. Table 2 provides a summary of all Carryover Projects.

Following is a status of the large carryover construction projects administered by RES-PMD:

Project	Total Project Cost	Carryover Balance
<p><b>800 MHz Upgrade Project</b></p> <p>In 2011-12, the Board approved an annual set aside to fund an 800 MHz digital radio system upgrade for public safety. The total estimated project cost is \$158.2 million. \$119.8 million has been funded in prior years, a \$3.8 million rebate was received from Sprint for equipment purchases, and \$8.5 million of one-time funding was transferred from the Fire Consolidated Headquarters Complex Acquisition Project (the \$8.5 million was a portion of \$12.0 million, which was funded by a reduction of the County Fire Subsidy in 2015-16, which was used to establish reserves for Fire Facilities), and \$17.9 million of ongoing funding is proposed for 2017-18 bringing the total funded to date to \$150.0 million.</p> <p>In December 2013, the Board approved an amendment to Motorola's agreement and an agreement with Aviat Networks for equipment services to upgrade the Public Safety Radio System and Microwave Network. The upgrade project is being implemented in six phases over seven years. The project is in the fifth year with completion planned for December 2020. 30% of the existing radio sites have been converted to digital operation and 46% of the microwave transport interlinks have been installed and are operational. Approximately \$92.7 million has been expended or encumbered to date. During 2017-18, the top priorities of the project continue to center on construction and implementation of new radio equipment buildings and towers in strategic locations to enhance signal coverage, and the continued installation of upgraded microwave radio equipment to link dispatch centers with public safety agencies and</p>	<b>\$158.2 million</b>	<b>\$36.1 million*</b>

<p><b>800 MHz Upgrade Project (Continued)</b>  responders throughout the County. Work continues to convert the existing fleet of mobile and portable radios, preparing them to support full digital operation. To date, 84% of the fleet conversion work has been completed.</p> <p><b>Operational Impact:</b> There are no additional staffing costs associated with this project. Ongoing lease and operations and maintenance costs for additional radio communication sites will be determined as the project progresses. Information Services Department Telecommunications budget (IAM ISD) costs are funded by Board approved Internal Service Fund rates and charged to internal and external public safety radio system users.</p> <p>*Budgets of \$14.4 million were distributed to individual 800 MHz project locations. Current carryover balances for those projects are \$3.3 million.</p>		
<p><b>County Buildings Acquisition and Retrofit Project</b>  In 2011-12, the Board allocated one-time Discretionary General Funding of \$30.0 million to acquire office space, complete tenant improvements to existing buildings, and seismically retrofit and modernize certain existing buildings in San Bernardino. Since that time, additional funding has been allocated to this project bringing total funding to \$103.9 million (\$74.5 million of Discretionary General Funding; \$12.7 million from Probation AB 109 fund balance and \$6.0 million from SB678 fund balance for the 157 Building Seismic and Remodel Project located at 157 W. 5<sup>th</sup> Street in San Bernardino; \$10.0 million from Public Works to construct a new building; and \$720,000 from the District Attorney budget for the 303 W. 3<sup>rd</sup> Street building).</p> <p>Included in the 2017-18 Recommended budget are requests to approve additional funding of \$40.2 million funded from Discretionary General Funding (Net County Cost) (\$31.0 million in general fund reserves for this project, \$6.7 million in reserves for capital projects, and \$2.5 million from the CIP base budget funding). This brings the total funding to date to \$144.1 million. Approximately \$50.4 million has been expended or encumbered.</p> <p>Accomplishments include: The remodel of the 303 Building located at 303 W. 3<sup>rd</sup> Street in San Bernardino for the consolidation of District Attorney staff; the acquisition and remodel of the 268 Building located at 268 W. Hospitality Lane in San Bernardino for the consolidation of Auditor-Controller/Treasurer/Tax Collector staff; the acquisition of land for the Hospitality Campus and Phase I and Phase II improvements to add 193 parking spaces; completion of Phase 1a of the County Government Center Campus Improvements in downtown San Bernardino; and the acquisition of three office buildings, consisting of a total of 163,270 square feet (one in Victorville and two in San Bernardino).</p> <p>Activities currently in process include: Remodel of the 222 Building located at 222 W. Hospitality Lane in San Bernardino for the consolidation of Assessor-Recorder-Clerk staff and relocation of Special Districts and Veterans Affairs from the 157 Building located at 157 W. 5<sup>th</sup> Street in San</p>	<b>\$199.1 million</b>	<b>\$10.8 million*</b>

Project	Total Project Cost	Carryover Balance
<p><b>County Buildings Acquisition and Retrofit Project (Continued)</b>  Bernardino; County Government Center Phase 2b Campus Improvements including new streets, landscape, hardscape, parking, lighting and signage; building assessments and space programming for the 157 Building for consolidation of Probation staff; space programming for the 323 Court Street building for consolidation of Public Defender staff; and space programming for Public Works to construct a replacement building for the 825 E. 3<sup>rd</sup> Street building in San Bernardino. The project also now includes the acquisition of a building for Sheriff Court Services' staff and the construction of a parking structure for Public Defender. The County Fire Relocation/Consolidation (Administration Building) and the Valley Dispatch Center were moved out of this project to be stand-alone projects.</p> <p>The current estimated total cost of the County Buildings Acquisition and Retrofit Project is \$199.1 million. After moving general fund reserves to this project as requested in 2017-18 and allocating funding from the base CIP budget, \$55.0 million remains unfunded. It is anticipated that the sale of surplus property in the amount of \$65.5 million will be available to replace a portion of the Discretionary General Funding.</p> <p><b>Operational Impact:</b> The acquisition of approximately 163,270 square feet of additional office space resulted in increased annual operating costs of approximately \$866,000, offset by projected annual lease savings of \$831,700 and annual lease revenue of \$513,000. There are no other operational or staffing costs associated with this project.</p> <p><small>*Budgets of \$93.1 million were distributed to individual building projects. Current carryover balances for those building projects are \$42.8 million.</small></p>		
<p><b>Crisis Residential Treatment Facilities and Crisis Stabilization Units</b>  Real Estate Services Department – Leasing and Acquisition and Project Management Divisions have worked collectively with the Department of Behavioral Health to acquire land and construct six facilities [four Crisis Residential Treatment (CRT) facilities and two Crisis Stabilization Units (CSU)] throughout the County. The CRT provides crisis residential treatment services to individuals diagnosed with mental health and/or co-occurring substance use disorders. The CSU provides urgent mental health services 24/7 to severely mentally ill individuals in need of immediate access to crisis mental health services. The first CRT facility constructed on County-owned property at 720 E. Gilbert Street in San Bernardino completed construction in April 2017. Land has been acquired and construction is underway for four other sites: 15276 San Bernardino Avenue in Fontana (CRT); 14677 Merrill Avenue in Fontana (CSU); 60805 29 Palms Highway in Joshua Tree (CRT); and 16552 Sunhill Drive in Victorville (CRT). Another CSU is planned on County-owned property located at 1491 N. Windsor Drive in San Bernardino. Construction is expected to be completed on all sites in December 2017. The project budgets total \$41.5 million and are funded \$21.8 million from California Health Facilities Financing Authority grants and \$19.7 million from Mental Health Services Act (MHSA) funds.</p>	\$41.5 million	\$17.9 million

Project	Total Project Cost	Carryover Balance
<p><b>Crisis Residential Facilities and Crisis Stabilization Units (Continued)</b>  <b>Operational Impact:</b> Annual operating expenses for each CRT and CSU is estimated to be approximately \$62,000 (\$5.60 per square foot). The facilities will be operated by contract providers who will pay utility costs. The annual contract amounts are \$2.5 million for each CRT and \$5.4 million for each CSU. Ongoing costs will be funded by Mental Health Services Act (MHSA) funds.</p>		
<p><b>Valley Dispatch Center, County Fire Relocation/Consolidation (Administration Building), and County Fire Relocation/Consolidation (Hazmat Warehouse) Campus Improvements Project</b>  In 2015-16, the Board approved an allocation of \$200,000 for an update to the needs assessment to relocate the Valley Dispatch Center from 1743 Miro Way in Rialto to consolidate Sheriff's 9-1-1 dispatch, Office of Emergency Services, Information Services Radio Management and CONFIRE. The County-owned property located at the southeast corner of Rialto Avenue and Lena Road in San Bernardino was determined to be the best site for a new dispatch center. Since that time, the Board has approved the addition of \$2.6 million for preliminary design and set aside \$27.1 million in General Fund Reserves for the project. The total estimated cost of the Valley Dispatch Center is \$83.4 million. \$2.2 million is requested to be moved from General Fund Reserves in 2017-18 to continue master planning and design.</p> <p>County Fire also had requirements to consolidate County Fire headquarters and central services in one location and the site was determined to be large enough to accommodate County Fire's requirements as well. In the 2016-17 First Quarter Budget Report – Maintenance and Capital Improvement Program, the Board approved \$17.64 million in Discretionary General Funding, which included \$9.52 million transferred from a cancelled project, to be allocated to the County Fire Relocation/Consolidation (Administration Building) project. \$8.5 million set aside in County Fire Reserves is requested to be moved to the project in 2017-18 to fully fund the County Fire Administration building portion of the project in the amount of \$26.1 million. Construction is expected to be completed in 2018-19.</p> <p>In addition, a future warehouse building is proposed to be constructed on the site for County Fire Household Hazardous Materials (Hazmat). The Board has approved an allocation of \$2.0 million to date for the Hazmat warehouse funded from Household Hazardous Waste Fund Balance. The estimated total cost of the Hazmat Warehouse is \$27.6 million.</p> <p>Priorities for 2017-18 include master planning of the site and infrastructure and design of the County Fire Admin building.</p> <p><b>Operational Impact:</b> Estimated annual facility maintenance and utility costs are as follows: Valley Dispatch Center - \$430,800 (\$6.12 per square foot); County Fire Relocation/Consolidation (Administration Building) - \$302,000 (\$5.95 per square foot) offset by lease cost savings of approximately \$300,000 per year; and County Fire Relocation/Consolidation (Hazmat Warehouse) - \$167,600 (\$2.32 per square foot). It is anticipated there will be no additional staffing costs associated with this project.</p>	\$137.1 million	\$22.3 million

**FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM PLAN**

The Five-Year CIP for Maintenance and Non-Major CIP projects is reviewed annually and revised based on current circumstances and opportunities and considers historic requirements and expenditures for capital projects. While the Five-Year CIP does not appropriate funds, it does serve as a budgeting tool to set priorities, identify needed capital projects, estimate capital requirements, and coordinate financing and timing. It identifies projects for annual funding, focuses resources in program areas, and supports the County Goals and Objectives. It also identifies project impacts on future operating budgets, including additional staffing, maintenance, and other recurring operational expenditures that require ongoing funding and must be considered in the planning and approval of new projects.

The current general fund annual allocation for Maintenance and Non-Major CIP projects is \$12.0 million and the focus is on maintenance. That funding has been programmed over the next five years and is summarized on Exhibit E – 2017-18 through 2021-22 Five-Year Capital Improvement Program and includes capital expenditures of \$60.0 million.

The Five Year CIP for major capital projects include major infrastructure, facility or technology projects that are currently in progress, or are proposed by County departments or Special Districts to commence within the next five years. These are detailed in the County's Capital Improvement Program – 2017-2022 Plan.

**THE LAST FIVE YEARS**

Over the past five years, the Board of Supervisors has allocated \$365.1 million in general fund contributions for the CIP. The following chart indicates how those resources have been allocated by project type:

## CIP NEEDS ADDRESSED DURING THE LAST FIVE YEARS

- **Departmental Requirements**
  - Carpet/paint
  - Minor remodels
  - Restroom upgrades/ADA improvements
- **Building Systems**
  - Backlog of deferred maintenance
  - Moving towards emphasis on Preventative Maintenance
  - Emphasis on energy efficiency projects
- **Building Exterior/Interior Renovations**
- **Site Infrastructure**
  - Landscaping, irrigation and lighting
  - Pavement management
- **County Buildings Acquisition and Retrofit Project**

Housing Authority of the County of San Bernardino	HACSB
---	-------

**1991 Realignment:** In 1991-92, the state approved the Health and Welfare Realignment Program that involves a shift of program responsibilities from the state to the counties. This shift is funded through a corresponding shift of dedicated Sales Tax and Vehicle License Fee revenue.

**2011 Realignment:** In 2011-12, the state approved AB 109, the Public Safety Realignment Act, which shifted custodial responsibility of non-violent, non-sex, and non-sex-against-children ('Triple-Nons') offenders to local jails. In addition, the parole function of the state was delegated to County Probation departments. In conjunction with Public Safety Realignment, the state also shifted full financial burden of many social service and mental health programs to the County. While the state no longer shares in the cost, it has dedicated a portion of the state sales tax (1.0625%) revenue along with a portion of vehicle license fees for these realigned programs.

**AB 74:** In 2013-14, the state approved AB 74 which made several statutory changes to the CalWORKs and CalFresh program. Those changes include the establishment of a family stabilization component effective January 1, 2014 to assist CalWORKs recipients who are experiencing an identified situation or crisis that is destabilizing their family and interferes with their participation in the welfare-to-work activities and services.

**AB 109:** Assembly Bill 109, the Public Safety Realignment Act, signed April 4, 2011, transfers responsibility for housing/supervising inmate and parolee populations classified as "low-level" offenders from the California Department of Corrections and Rehabilitation (CDCR) to counties effective October 1, 2011.

**AB 233:** The Lockyer – Isenberg Trial Court Funding Act of 1997 went into effect January 1, 1998 and fundamentally changed how the trial courts are funded by transferring primary responsibility for funding the courts to the state, including sole responsibility for funding future growth in court operations costs.

**AB 900:** Assembly Bill 900, Public Safety and Offender Rehabilitation Services Act, signed May 3, 2007, provides that the State Public Works Board (SPWB) and the California Department of Corrections and Rehabilitation (CDCR) are authorized to enter into agreements with participating counties for the acquisition, design and construction of local jail facilities for projects approved by the State Corrections Standards Authority (CSA). Up to \$1.2 billion is authorized by the legislation for county jail construction. Funds are being distributed in two phases.

**AB 1805:** Effective July 1, 2007, Assembly Bill 1805 preserved county authority to charge booking fees under Government Code Section 29550 et seq; and created a new statutory structure whereby counties - subject to an appropriation by the state – receive funding directly in local detention facility revenue accounts. Under this alternative to booking fees, revenues received are to be used exclusively for the purpose of operation, renovation, remodeling or constructing local detention facilities and related equipment.

**AB 3000:** Effective September 2002, Assembly Bill 3000 Court Surcharge Guideline, prioritized the distribution of criminal case installment payments of fines and penalties.

**ABx1 26:** Assembly Bill x1 26, the Dissolution Act, signed June 29, 2011, mandates the elimination of every redevelopment agency in California effective February 1, 2012, and mandates all unobligated funds be distributed to the appropriate taxing entities.

**Accrual:** An accrual is an accounting entry that recognizes revenue when earned and expenses when incurred. An accrual is made at the end of the fiscal year to ensure revenue and expenses are recorded in the appropriate fiscal year.

**Activity:** A component within a fund; usually a specific line of work performed to accomplish a function for which a governmental unit is responsible.

**Adopted Budget:** The original spending plan at the beginning of the fiscal year, typically adopted by the Board of Supervisors in June for the upcoming fiscal year. It may vary from the Recommended Budget.

**Affordable Care Act (ACA):** In March 2010, President Obama signed comprehensive health reform, the Patient Protection and Affordable Care Act into law. The legislation includes a long list of health-related provisions that began taking effect in 2010. Key provisions are intended to extend coverage to millions of uninsured Americans, to implement measures that will lower health care costs and improve system efficiency, and to eliminate industry practices that include rescission and denial of coverage due to pre-existing conditions. The most significant part of this Federal Healthcare Reform legislation extended coverage to an expanded population effective January 1, 2014 through new eligibility processes for Medi-cal and the implementation of insurance exchanges.

**Amortization:** The process of gradually extinguishing an asset on the books.

**Appropriation:** An appropriation is the amount of authority to spend less reimbursements. It represents the authorization for the County to make expenditures/incur obligations for a specified purpose and period of time.

**ARRA:** ARRA is an acronym used for American Recovery and Reinvestment Act of 2009, also known as Economic Stimulus Funds. The three immediate goals of ARRA are to create new jobs and save existing ones, spur economic activity and invest in long-term growth, and foster unprecedented levels of accountability and transparency in government spending.

**Available Reserves:** Available amounts that are not budgeted, but are set-aside for future use. Applies to governmental funds.

**Balanced Budget:** Total sources, including carry-over fund balances, equals the total requirements and reserves.

**Budgeted Staffing:** The number of positions (headcount) funded in a budget unit.

**Budget Unit:** An organizational component which is represented by the combination of a fund and department into one unit for purposes of budgeting.

**CalFresh:** The CalFresh Program, federally known as the Supplemental Nutritional Assistance Program, is a federally funded program that helps low-income people buy the food they need for good health. The CalFresh program helps to improve the health and well-being of qualifying households and individuals by providing them a means to meet their nutritional needs.

**Capital Expenditures:** An asset of a long-term character such as land, buildings, furniture, and other equipment costing \$5,000 or more and having a useful life of one year or more. Additionally, computer software is capitalized if the value is \$100,000 or greater.

**Capital Improvement Project:** The acquisition, construction, reconstruction, initial fixtures and equipment, renovation, rehabilitation or replacement of facilities or equipment with a life expectancy of at least five years and capital costs in excess of \$5,000.

**Capital Project Funds:** Capital Project Funds are used to account for financial resources designated for the acquisition or construction of major capital facilities other than those financed by Enterprise and Internal Service Funds.

**Central Services:** The Central Services expense category allocates both the Information Services Department and Real Estate Services - Facilities Management Division's associated charges.

- Information Services Department computer charges are Countywide costs for computer infrastructure such as email, wide area network, payroll processing, and software/hardware staff support.
- Real Estate Services - Facilities Management Division charges are for basic services provided to departments including grounds, custodial, and maintenance. Each department's budget amount for grounds, custodial, and maintenance is based on an annual average cost per square foot.

**Contingencies:** An amount set aside within a budget for unforeseen expenditure requirements. Board action must be taken to spend contingency funds and a 4/5 vote is required for approval.

**County Fire:** San Bernardino County Fire Protection District

**COWCAP:** COWCAP is an acronym for County Wide Cost Allocation Plan. It is the method by which indirect costs for support services such as Human Resources, Payroll, Purchasing, etc. are allocated to departments. It is prepared annually by the County Auditor-Controller/Treasurer/Tax Collector in accordance with Code of Federal Regulations (2 CFR Part 225), which is the guideline for state and federal reimbursements for indirect costs.

**Department:** An organizational unit used by County management to group programs of a like nature. In terms of financial structure, departments may have multiple funding sources, i.e. general fund, special revenue fund, etc. that are based on specified uses. The combinations of the various funds are consolidated at the department level.

**Depreciation:** The recording of expiration of the service life of fixed assets attributable to wear and tear, deterioration, action of the physical elements, inadequacy, and obsolescence.

**Deficit:** Insufficient sources to fully fund expenditures and other disbursements during a fiscal year.

**Discretionary General Funding:** Describes the overall process of administering Net County Cost, which is the amount contributed by the County General Fund from its discretionary revenue sources to fund the activities of a department.

**Discretionary Revenue:** Revenue not legally designated for a specific purpose or program that can be appropriated at the discretion of the Board of Supervisors.

**Dispute Resolution Programs Act of 1986:** Authorizes the local establishment and funding of dispute resolution programs as an alternative to more formal court proceedings.

**Employee Health and Productivity Program (EHaP):** A modified duty/return to work program that utilizes specialized nurses to obtain effective and timely treatment for injured or ill employees. Overall goals are to return the employee to the workplace as soon as possible and to increase the health and productivity of employees through health promotion and risk reduction programs.

**Encumbrance:** An encumbrance is not an expenditure or a liability but merely a reserve of appropriation in a given fiscal year for a specific expenditure.

**Enterprise Funds:** Enterprise Funds are established to account for operations that are funded and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs of providing goods or services to the general public on a continuing basis be funded or recovered primarily through operational revenues.

**Expenditure:** Decreases in net financial resources. An expenditure includes current operating expenses that require the present or future use of resources.

**Fees:** Include the following types of revenues: licenses, permits, fines, forfeitures, penalties and other services. Departments receive fee revenue from providing services to the public and outside agencies.

**Final Budget:** A budget unit's adopted spending plan and financing, including all mid-year adjustments through the fourth quarter.

**Fiscal Year:** The County's twelve-month accounting period (July 1 through the following June 30), is different than from the calendar year and the federal fiscal year.

**Function:** A group of related activities aimed at accomplishing a major service for which a governmental unit is responsible. This designation is specified by the State Controller. For example: “Public Protection” is the function of the Sheriff/Coroner/Public Administrator Department.

**Fund:** A legal unit that provides for the segregation of moneys or other resources in the County treasury for specific activities or obligations in accordance with specific restrictions or limitations. A separate set of accounts must be maintained for each fund to show its assets, liabilities, reserves, and fund balance, as well as its income and expenditures. The assets of a fund may also be placed into separate accounts to provide for limitations on specific fund income or expenditures.

**Fund Balance:** An amount comprised of accumulated excess or deficiency of revenues less expenditures of a fund, including the cancellation of prior year encumbrances. This is measured at the end of each fiscal year. Fund balance may be used in the budget unit for the upcoming year as a funding source for one-time projects or services.

**Fund Balance Classifications:** Beginning in 2010-11, GASB 54 requires that financial statements for governmental funds classify fund balance in one of the following five components:

- Nonspendable fund balance – assets that will never convert to cash, or will not convert soon enough to affect the current period, or resources that must be maintained intact pursuant to legal or contractual requirements;
- Restricted fund balance – resources that are subject to externally enforceable limitations imposed by creditors, grantors, contributors, or laws and regulations of other governments, constitutional provision, or enabling legislation;
- Committed fund balance – resources that are constrained by self-imposed limitations set in place prior to the end of the period by the highest level of decision making, and remain binding unless removed in the same manner;
- Assigned fund balance – resources that are limited resulting from an intended use established by either the highest level of decision making, or the official or body designated for that purpose;
- Unassigned fund balance – residual net resources that cannot be classified in one of the other four categories.

**GASB 34:** Governmental Accounting Standards Board (GASB), Statement 34 establishes requirements for the annual financial reports of state and local governments. The goal is to make annual reports easier to understand and more useful to people who use governmental financial information to make decisions. There are many components of GASB 34, but as it relates to the budget, it is primarily composed of how services provided between County budget units are accounted for. GASB 34 specifies how payments for services should be accounted for (either as reimbursements or as departmental revenues). All transactions between departments within the same fund (i.e. general fund) are budgeted as reimbursements. While the net impact is zero, reclassifications between these two categories cause inconsistencies when comparing year-to-year budgets by specific expense or revenue categories.

**GASB 51:** Governmental Accounting Standards Board (GASB), Statement 51 establishes requirements for the annual financial reports of state and local governments. The objective of this statement is to enhance the comparability of the accounting and financial reporting of intangible assets among state and local governments, and requires that all intangible assets not specifically excluded by its scope provisions be classified as capital assets.

**GASB 54:** Governmental Accounting Standards Board (GASB), Statement 54 establishes requirements for the annual financial reports of state and local governments to be implemented for periods beginning after June 15, 2010. The objective of this statement is to enhance the usefulness of fund balance information by providing clearer fund balance classifications that can be more consistently applied and by clarifying the existing governmental fund type definitions. The main components of GASB 54 and how they relate to budget primarily consists of replacing existing fund balance classifications (reserved and unreserved) with new classifications (nonspendable, restricted, committed, assigned, and unassigned) that observe the constraints imposed upon the use of the resources reported in governmental funds. In addition, the special revenue fund type was clarified and affects the activities required to be reported in that fund type.

**General Fund:** The General Fund is the predominate fund for funding County programs.

**Geographic Information System (GIS):** A geographic information system integrates hardware, software, and data for capturing, managing, analyzing, and displaying all forms of geographically referenced information.

**Governmental Funds:** Governmental funds consist of the general fund, special revenue funds, capital projects funds, debt service funds, and permanent funds.

**Grants:** A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital.

**Headcount:** Actual number of individuals carried in a budget unit's payroll, as opposed to the equivalent number computed from wages budgeted.

**Housing Successor:** ABx1 26, the Dissolution Act, mandates the elimination of every redevelopment agency in California effective February 1, 2012. The Housing Successor retained the housing functions of the former Redevelopment Agency (RDA) and has all rights, power, duties, and obligations related to building, preserving, and rehabilitating affordable housing for low to moderate income households.

**Internal Service Funds (ISF):** Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the governmental unit on a cost reimbursement basis.

**Limited Term:** A position designation for non-regular positions, consisting of contract, extra-help, or recurrent position types.

**Mandate:** A program that meets constitutional, statutory or court-ordered requirements from either federal or state entities.

**Memorandum of Understanding (MOU):** For budget purposes, the MOU refers to a negotiated and approved labor agreement between the County and an employee labor organization or group that details the salary, benefits, and other conditions of employment.

**Mid-Year Adjustments:** Board approved budget changes subsequent to adoption.

**Mission:** A clear, concise statement of purpose for the entire department. The mission focuses on the broad, yet distinct, results the department will achieve for its customers.

**Modified Budget:** A budget unit's adopted requirements and sources, including any mid-year adjustments.

**Net County Cost:** Net County Cost (or Discretionary General Funding) is the amount contributed to County general fund departments from discretionary revenue sources to fund the activities of a department.

**Net Position:** An indicator of financial position. A portion of net position is available to meet current obligations (see Unrestricted Net Position).

**Operating Expenses:** A category of expenditures within a budget unit for all standard costs of daily operations, including such items as office supplies, training, contractual services, and travel.

**Operating Transfers In/Out:** A method of providing financing from one budget unit to another for the implementation of a project or program.

**Performance Measure:** An ongoing, quantitative indicator of resources consumed, workload, productivity, efficiency, and effectiveness. Performance measures should relate to objectives and allow for measurement of the same thing over time.

**Position:** A specific employment, whether occupied or vacant, involving duties requiring the services of one person. A position whether full or part-time is reflected as 1 in budgeted staffing amounts.

**Proposition 1B:** As approved by the voters in the November 2006 general elections, Proposition 1B enacts the Highway Safety, Traffic Reduction, Air Quality, and Port Security Bond Act of 2006 to authorize \$19.925 billion of state general obligation bonds for transportation infrastructure improvements.

**Proposition 30 (Prop 30):** A ballot measure approved by California voters on November 6, 2012, that increased taxes on earnings over \$250,000 for seven years (2012-2018) and increased sales taxes by ¼ cent for four years (2013-2016) to fund schools. The measure is expected to generate an average of \$6 billion annually, and also guarantees Public Safety Realignment funding.

**Proposition 47:** A ballot measure approved by California voters on November 4, 2014, reduced the classification and sentencing of most non-serious/nonviolent property and drug crimes from felonies to misdemeanors.

**Proposition 63:** On November 2, 2004, voters passed Proposition 63, which established a state personal income tax surcharge of one percent on the portion of taxpayers' annual taxable income that exceeds \$1 million. The proposition was enacted into law as the Mental Health Services Act (MHSA) effective January 1, 2005. The overall purpose and intent is "to reduce the long term adverse impact on individuals, families, and state and local budgets resulting from untreated serious mental illness to insure that all funds are expended in the most cost effective manner and to ensure accountability to taxpayers and to the public."

**Proposition 172 (Prop 172):** A permanent extension of a half-cent Local Public Safety Sales Tax approved by California voters on November 2, 1993. Proceeds of this sales tax must be dedicated to public safety.

**Proprietary Funds:** Classification used to account for a government's ongoing organizations and activities that are similar to those often found in the private sector (i.e., enterprise and internal service funds).

**Public Service Employee (PSE):** PSEs are employees assigned to entry-level positions in a variety of fields and occupations for a limited duration. They are not full-time, regular County employees. PSEs are subject to an expedited recruiting process to accommodate additional workload or to manage one-time special projects. They do not receive the full range of benefits or have the civil service status of regular County employees.

**Rates:** Includes revenue for the following types of services: risk management, information technology services, garage and fleet management, and real estate services. Departments receive rate revenue for providing direct services to other County departments.

**Recommended Budget:** A recommended budget is the working document of the fiscal year under discussion.

**Recurrent:** Recurrent appointments are those made for an indefinite period of time to provide for seasonal or on-call staffing needs. All recurrent positions are in the Unclassified Service and employees do not gain regular status. Recurrent status positions are authorized by the Director of Human Resources.

**Redevelopment Agency:** In 1951, the California Redevelopment Law (CRL) was enacted, which gave California cities and counties the authority to create redevelopment agencies. The CRL provided the local redevelopment agencies powerful local tools to eliminate urban decay, apply for grants, create jobs, build community facilities and infrastructure and attract economic reinvestment. Eventually, the CRL was expanded to assist in the creation of low and moderate income housing. A redevelopment agency, a separate legal entity, was responsible for the implementation of the CRL for the local communities. A redevelopment agency had the ability to create project areas, to purchase and assemble development sites, build infrastructure, construct deed-restricted affordable housing, and issue debt. An agency paid for these improvements through the utilization of tax increment financing. Redevelopment agencies and tax increment financing were eliminated by the state effective February 1, 2012.

**Reimbursements:** Amount received as payment for the cost of work, or service performed, or of other expenditures made, for or on behalf of another governmental unit or department. Reimbursements represent the recovery of expenditures and are considered a source.

**Requirements:** A department's appropriation or authority to spend plus department's budgeted operating transfers out.

**Restricted Funds:** Restricted funds consist of three restricted funding sources – Prop 172, 1991 Realignment and 2011 Realignment. Prop 172 revenue assists in funding the Sheriff/Coroner/Public Administrator, District Attorney, and Probation departments. 1991 Realignment assists in funding mental health, social services, and health programs within the County. 2011 Realignment assists in funding public safety, mental health, social services, and health programs within the County.

**Revenue:** The addition of cash or other current assets to governmental funds (receipts) which do not increase any liability or reserve and do not represent the recovery of an expenditure, i.e., reimbursements. Generally, revenue is derived from taxes, licenses and fees, or investment earnings. Revenues are deposited in a budget unit for future appropriation.

**SB 90 State-Mandated Local Program:** State reimbursements to local governments for the cost of activities required by state legislative and executive acts.

**SB 163:** Wraparound Services Program is an intensive, community-based and family centered process designed to allow children with serious behavior and/or emotional difficulties to remain in their community at the lowest level of care possible instead of being placed in a group home setting. This bill allows counties to accumulate savings realized from a wraparound program and requires that the savings be reinvested in a Child Welfare Services program.

**SB 676:** Effective July 1, 2010, this California Senate Bill increased the maximum fee collected from indigent defendants from \$25 to \$50.

**SB 678:** Also known as the Community Corrections Performance Incentives Act of 2009, provides funding from the state for county probation departments to implement evidence-based practices for the purposes of reducing parolee recidivism.

**SB 920:** Medi-Cal Program – which is administered by the State Department of Health Care Services for qualified low-income persons to receive health care services. The program is, in part, governed and funded by federal Medicaid Program provisions.

**SB 1246:** Implemented in 1980, is a fee on issued marriage licenses targeted “for the purpose of aiding victims of domestic violence by providing them a place to escape from the destructive environment in an undisclosed and secured location.” To qualify for these funds, an agency must provide services to victims of domestic violence and their children that include shelter on a 24-hour, seven days a week basis, a 24-hour crisis line, temporary housing and food facilities, psychological support and peer counseling, referrals to existing services in the community, a drop-in center to assist victims who have not yet made the decision to leave their homes, arrangements for school age children to continue their education during their stay at the shelter, emergency transportation to the shelter, and arrangements for assistance from local law enforcement where appropriate.

**SB 1732:** Trial Court Facilities Act of 2002, requires the transfer of responsibility for funding and operation of trial court facilities from the counties to the State of California.

**Set-Aside Contingency:** A contingency made up from available balances materializing throughout one or more fiscal years which are not required to support disbursements of a legal or emergency nature and are held (set-aside) for future funding requirements.

**Sources:** Amount of funding available to departments such as revenue, reimbursements, operating transfers in, fund balance and reserves.

**Special Revenue Funds:** Special Revenue Funds are used to account for the proceeds of specific sources of revenue whereby the use of such revenue is restricted by law for particular functions or activities of government. State Government Code Section 29009 requires that the entire unreserved fund balance must be appropriated each year. The amount not expended is carried over to the subsequent year's budget.

**Staffing Expenses:** A category of expenditures within a budget unit for all costs related to employees including salary, retirement, employee benefits, and workers compensation insurance.

**Step Increases:** An employee, based upon the completion of the required service hours in their classification, satisfactory work performance, and appointing authority recommendation, may receive step advancements. Step advancements within the base salary range shall be based on one (1) or two (2) step increments depending on hire date and bargaining unit. Each increment is 2.5%.

**Structurally Balanced Budget:** The annual operating budget will be structurally balanced upon adoption of the Board of Supervisors. One-time sources will not be spent on ongoing expenditures.

**Successor Agency:** A separate public entity from the public agency that had formed the former redevelopment agency. Its purpose is to expeditiously wind down the affairs of the former redevelopment agency pursuant to ABx1 26 and AB 1484 and in accordance with the direction of the oversight board. The primary task of the Agency is to continue to make payments due from its enforceable obligations.

**Three Strikes Reform Act:** Passed by the California voters in November 2012, this initiative redefined the parameters leading to mandatory 25-year to life sentences for previously twice convicted felons.

**Total Expenditure Authority:** The authorized expenditure limit for a budget unit for the current fiscal year.

**Transfers:** The movement of resources from one budget unit to another usually for payment of services received.

**Trend:** A documented recurrence of a measurable event or circumstance over time that is increasing, decreasing or even staying the same.

**Unrestricted Net Position:** That portion of net position that is neither restricted nor invested in capital assets (net of related debt). Unrestricted Net Position represents resources that can be used to meet current obligations. Applies to Enterprise funds and Internal Service Funds.
