SUBJECT: Approve Recommendations for the Continuum of Care Renewals, Reallocation, and Permanent Housing Bonus applications

DATE: October 15, 2014

### RECOMMENDATION

Approve Recommendations for the Fiscal Year (FY) 2014 Continuum of Care Grant Renewals, Reallocation, and Permanent Housing Bonus applications.

### BACKGROUND INFORMATION

According to the Continuum of Care (CoC) FY 2014 Notice of Funding Availability (NOFA), the U.S. Department of Housing and Urban Development (HUD) will not consider requests for new funding outside of the reallocation process. According to the NOFA, CoCs may use reallocation to create new permanent supportive housing projects that serve the chronically homeless; or new rapid re-housing projects for homeless households with children.

Although the available amount of funding is expected to be sufficient to fund anticipated eligible renewal projects in the FY 2014 funding process, HUD will continue to require CoCs to rank all projects in two tiers. Tier 1 is equal to the CoC's FY 2014 Annual Renewal Demand (ARD) approved during the FY 2014 CoC Registration process less 2 percent. There is no new money available for new programs this year, other than what could be carved out of existing programs.

CoCs that received higher scores on the FY 2013 CoC Application will be in the strongest position for having some of their Tier 2 projects funded in the order of priority outlined under the selection criteria in the NOFA. The Office of Homeless Services received a score of 130. The highest score received by a CoC throughout the country and U.S. territories was 143.

As of the approved Grant Inventory Worksheet from HUD, our ARD is \$6,714,267. Two percent of the total ARD is \$134,286, thus for Tier 1 we have \$6,579,981 available.

On September 24, 2014, the ICH moved to approve Option C, to not reallocate Transitional Housing programs this year and only reallocate the remaining Supportive Services Only program funds in the amount of \$367,063. The funds will be split into two new Rapid Re-Housing Programs, one for \$232,777 to be placed in Tier 1 and one for \$134,286 to be placed in Tier 2. The two agencies recommended for funding by the ICH Ad

Hoc Grant Review Committee to provide Rapid Re-Housing Services are Knowledge and Education for Your Success (\$232,081) and Inland Valley Hope Partners (\$134,981).

The ICH Ad Hoc Grant Review Committee also met on October 10, 2014, to review the submissions for the Permanent Housing Bonus Project funding and recommended Time for Change Foundation in the amount of \$1,487,151 for this FY's submission.

Pursuant to statute and the program regulations, the ICH retains the ability to revise the funding levels, and reallocate funds as needed for the benefit of the CoC, and negotiate applications for the maximum benefit of the CoC.
