In September 2007, the San Bernardino County Homeless Partnership (SBCHP) was formed to provide a more focused approach to our goal of ending homelessness within the County. The Partnership consists of city governments, community based organizations, faith-based organizations, educational institutes, non-profit organizations, private industry, and federal, state, and local government.

SBCHP was developed to promote a strong collaboration between agencies to direct the planning, development, and implementation of the County's 10-year-plan to end chronic homelessness. The Partnership meets on the third Wednesday of each month at the Behavioral Health Resource Center in Rialto. The Partnership facilitates better communication, planning, coordination, and cooperation among all entities that provide services and/or resources for the relief of homelessness in San Bernardino County.

REGIONAL UPDATES		
<b>Big Bear</b>	Tanya Perry	Data collected in Holiday seasonal giveaways has traditionally been the only data collected, and it has become substantial – Veterans, Single Parents, Homeless, Elderly Homebound are all collected. The original Kiwanis application form has been updated and with signed release forms and confidentiality agreements, agencies are sharing limited data for planning purposes. This information and raising our profiles with the Board of Supervisors may be a way to attract the needed case worker (“housing navigator”) for the Mountains.
<b>Department of Behavioral Health</b>	Beatrice Aguilar	Brief history of the Department and its procedures, noting the improvements and challenges of the 2-1-1 system. Permanent Support and Shelter customers receive rent vouchers and case management. Issues include the willingness of customers to “share” housing with other homeless, acting as enabling to the others. New, lower caps on rental assistance in the 3 regions within the County have caused issues. Guidelines for establishing County rent support on the Mountains was reviewed.
<b>Adjournment</b>		Being no further business to discuss, the meeting was adjourned at 10:40 a.m.
<b>Next Meeting</b>		MHPN will next meet on February 13, 2017 from 10:00 am – 11:30 am at St. Richard’s Episcopalian Church, located at 28708 Highway 18, Skyforest, CA  ***Meeting minutes are distributed upon request***
