

# My Medication Questions

**Empowerment**

What are the names of the medications and what are they supposed to do?
What are the chances of getting better with this treatment?
How will I know if the medicine is working or not working?
How and when do I take it? When do I stop taking it?
How long will I have to take the medicine?
Can I take this medication if I am planning to have a baby soon?
What foods, drinks, other medications or activities should I avoid while taking this medicine? Can I have beer, wine or other alcoholic drinks?
What are the side effects and what should I do if they occur?
What should I do if I miss a dose?
Will this medication affect my sleep, ability to drive or operate equipment, sex life, appetite, etc.?
