

DID YOU KNOW?

Are you a licensed individual who would like to become credentialed with Department of Behavioral Health (DBH) to provide Mental Health Services to San Bernardino County Medi-Cal beneficiaries?

Effective November 2, 2015, DBH opened its Fee-For-Service Provider Network.

We are encouraging therapists in the High Desert, Morongo Basin and Mountain areas and Psychiatrists in all regions to become credentialed.

For questions or inquiries, please email:

DBH-FFSProviderRelations@dbh.sbcounty.gov
