INSTRUCTIONS

Section 14022 of the Welfare and Institutions Code provides that no payment shall be made to a Medi-Cal provider or to any facility or organization in which he or his immediate family has a "significant beneficial interest" unless the provider has a statement on file disclosing his or the interest his immediate family has in other Medi-Cal providers to which they refer beneficiaries. The applicable section under Medi-Cal program regulations is Section 51466, Article 6, Chapter 3, subdivision 1 of Division 3 of Title 22 of the California Administrative Code. This regulation is shown below.

1. Every provider must complete this form.
2. Disclosure must be made for each member of the provider's immediate family - spouse, parents, spouse's parents, children, and spouses of children.
3. "Significant beneficial interest" means any financial interest that represents either five percent of the total interest or a value of \$25,000 irrespective of the percentage ownership. How different types of interests are to be valued can be determined by referring to Section 51466.
4. If a provider has no "significant beneficial interest" in other providers, to which Medi-Cal recipients are referred, place "no interests" on the first line and sign the statement.

51466. Disclosure of Significant Beneficial Interest.

(a) A provider shall not bill or submit a claim for service involving the referral of a beneficiary to or from another provider unless each provider has disclosed any significant beneficial interest existing between the providers. Disclosures shall be accomplished by completing and submitting a Medi-Cal Personal Disclosure Statement of Significant Beneficial Interest form as provided by the Department.

(b) A provider that fails to comply with (a) or that submits a false or incorrect disclosure shall be subject to a suspension from participation or payment under the Medi-Cal program.

(c) For the purpose of this section:

(1) "Significant beneficial interest" means any financial interest held by a provider, or a member of the provider's immediate family, in another provider that is equal to or greater than the lesser of the following:

- (A) Five percent of the whole.
- (B) \$25,000.00.

(2) "Immediate family" means spouse, son, daughter, father, mother, father-in-law, mother-in-law, son-in-law, or daughter-in-law.

(d) Interests held by a provider and members of that provider's immediate family shall be combined and valued as a single interest.

(1) The extent of financial interest shall be determined as follows:

(A) Full ownership shall be considered as 100 percent financial interest and control regardless of mortgages or other encumbrances.

(B) Interest in a partnership shall be determined on the basis of the percentage of ownership specified in either a written or verbal partnership agreement.

(C) Interest in a corporation shall be determined by computing the percentage of stock or bonds owned or the total outstanding shares or bonds of the corporation as of the last working day of the month preceding compliance with (a).

(D) All other financial arrangements shall require establishment of a fair and reasonable dollar value for both the interest and the whole. The percentage interest shall be computed as the percentage the dollar value of the interest represents of the whole.

(2) The dollar value of the following types of interests shall be determined as follows:

(A) Bonds, over-the-counter stocks and stocks listed on the major stock exchanges shall be valued at the closing selling price on the last working day of the month preceding compliance with (a).

(B) Stocks in a closely held corporation shall be valued at the original purchase price, par value, or current market value, whichever is greater.

(C) Partnership interests shall be valued at the total dollar amount invested in organizing the partnership. A fair and reasonable dollar equivalent shall be determined if investment is not in form of monies.

(D) All other financial arrangements shall be valued at the actual dollar investment or a fair and reasonable dollar equivalent for investments not in the form of monies.
