Access and Amendment of Medical Records Procedure

Effective Date 4/2003
Revision Date 7/14/08

Allan Rawland

Purpose To provide guidelines for responding to requests to access and/or amend medical records containing protected health information (PHI), within the Department of Behavioral Health (DBH).

Access or Summary of Medical Records If a consumer, or a legal representative of the consumer, desires access to his/her medical records, to inspect or copy, or to obtain a summary, he/she must be given the [Release of Information: Patient's Right of Access to His/Her Own Medical Record Spanish](#) and the [Access to Medical Records Request form Spanish](#) to be completed and returned to the Medical Records Office.

If a third party is requesting access to inspect or copy, or obtain a summary of a consumer's medical record, the consumer must provide DBH with written authorization (See [Authorization to Release Protected Health Information Policy](#) and [Procedure](#)).

Note: Medical Records must inform the requestor of the costs for copies after the request has been reviewed and costs have been determined.

The following process occurs after the request has been submitted:

Stage	Description
1	<p>Medical Records verifies the identity of the requestor, logs and dates receipt of request, and sends the following to a Licensed Practitioner of the Healing Arts (LPHA- psychiatrist, psychologist, licensed social worker or licensed marriage/family therapist) :</p> <ul style="list-style-type: none"> • Completed original Access to Medical Records Request form • Internal Tracking of Access to Medical Records Request form (Medical Records completes their portion) • Response to Access to Medical Records Request form Spanish • Consumer's medical record <p><u>Note:</u> Medical Records is required to respond to allow inspection of medical records within five <u>(5) working days</u> and copies must be made available within fifteen (15) days after receipt of the written request.</p>
