Course Description

Objective Arts (OA) is the web-based data system used by the San Bernardino County Department of Behavioral Health to provide structure to the utilization of TCOM tools (e.g., CANS, ANSA, & PSC-35) required by DHCS.

Basic Training: Basic Training is a hands-on course. It is intended to provide staff with the knowledge needed to utilize the Objective Arts system in the field.

Subject Matter Experts (SMEs) Training: SMEs are the technical experts in the Objective Arts program for their agency or program. Only users designated as their agency's SMEs should attend Objective Arts SME Training, which is intended to equip SMEs to perform higher-level operations in the system.

OA Basic Training is a prerequisite to attend OA SME training

Training Locations vary for each date.

Please log onto Relias at
