Subject Mental Health Consumer Perception Survey – Spring 2019

Purpose To provide information and direction on the process and procedures involved in distributing and collecting the Department of Health Care Services (DHCS) Spring 2019 Consumer Perception Survey (CPS).

Background Per Department of Health Care Services (DHCS) MHSUDS INFORMATION NOTICE NO.: 18-044

This Department of Health Care Services (DHCS) Information Notice provides guidance to Counties for the submission of data for the Consumer Perception Survey (CPS) Data Collection requirement. The goal of this survey is to collect data for reporting on the federally determined National Outcome Measures (NOMs). Reporting on these NOMs are required by the Substance Abuse and Mental Health Services Administration, and receipt of federal Community Mental Health Services Block Grant funding is contingent upon the submission of this data. Counties are required to conduct the survey and submit data per §3530.40 of Title 9 of the California Code of Regulations.

Consumers have the opportunity to give their feedback to DBH through this very important process. It is vital that every consumer who receives an outpatient service during the survey period has the opportunity to complete a survey form.

Staff Survey Designation

In order to encourage candid responses from consumers, only clerical staff (or non-clinical volunteers) should interact with consumers for survey purposes. Therefore, the following steps shall be taken:

Step	Action
1	All clinic supervisors or contract agency managers are required to designate a responsible non-clinical employee to complete the Relias training sessions, which address the processes involved with administering these surveys.
2	The designated non-clinical employee will: <ul style="list-style-type: none"> • Self-enroll in the Consumer Perception Survey training in Relias by searching for "CONSUMER PERCEPTION" • Complete the Relias training, which will be available beginning Monday, April 29, 2019, <i>no later than</i> Monday, May 13, 2019.

Note: Contact DBH Workforce Education and Training at (800) 722-9866 for any questions regarding your Relias account, password, or access.

**Action:
Survey
Administration**

It is the intent of the DHCS that clinical or supervisory staff should not handle the completed survey forms. The role of the non-clinical person will be to:

Step	Action
1	Briefly explain the purpose of the survey to consumers.
2	Provide written and verbal assurances of confidentiality.
3	Code the surveys with the client and County information as required by DHCS.
4	Put the reporting unit (RU) at the bottom of the last page.
5	Receive the completed surveys from the consumers.
6	Enter all surveys on the MS Excel Clinic Tracking Log.
7	Return copy of Clinic Tracking Log with all completed surveys to DBH R&E.
8	Save electronic MS Excel Clinic Tracking Log until the end of July 2019.
9	Visually inspect the survey forms to ensure the following items are completed: <ul style="list-style-type: none"> • County reporting unit • CSI County client number (SIMON number) • County Code (36) • Date of survey administration • Reason for non-completion of survey

Additional Notes:

- Consumers will be surveyed only once for each RU where they receive services.
- If client declines to complete the survey, the clinic or agency must still return a form with the items listed in step 9 to DBH Research and Evaluation (R&E) to ensure DBH fully complies with DHCS requirements.
