Department of Behavioral Health**

Vehicle Use Policy

Effective Date 01/25/95
Revision Date 02/18/10

Alan Rawland, Director

Policy It is the policy of the Department of Behavioral Health (DBH) to ensure DBH vehicles are used in accordance with County Policy, State and Federal regulations for the protection of employees and clients.

Purpose To ensure DBH vehicles are used safely and efficiently.

Program Guidelines DBH programs will adhere to the following guidelines:

- All DBH assigned vehicles will be accessible to all DBH programs
- **Priority use will supersede scheduled vehicle use.** Priority vehicle use will be as follows:
 - During a declared disaster, The DBH Disaster and Safety Coordinator or Department Operations Center, Logistics Section, will redirect vehicle use as required to support disaster relief efforts
 - First priority will be given to activities involving transportation of clients, as **clients and potential clients are not to be transported in personal vehicles**
 - Second priority will be given to staff activity directed to field trips, home visits, and other client contacts in the field
- It is the responsibility of the Program Manager where a vehicle is assigned to ensure the vehicle and its use comply with County and DBH policies and procedures
- Vehicles not fully occupied will be transferred to another program or returned to the Motor Pool

User Guidelines DBH staff using County vehicles will adhere to the following guidelines:

- Possess a valid driver's license and be prepared to provide upon request
- Possess current personal vehicle liability insurance and be prepared to provide upon request
- Become aware of the County Motor Pool rules and procedures and comply with them
- Not allow passengers in County vehicles other than for official business purposes
- Be the only the driver for the vehicle when logged for its use
