#### The County of San Bernardino Department of Behavioral Health

Furniture and Equipment Relocation Procedure

Effective Date Revision Date 07/01/94 01/06/11

Allah Rawlang, Director

Purpose

To provide Department of Behavioral Health (DBH) staff with a protocol to efficiently and cost effectively relocate people, equipment and furniture.

Definition

**Unit Relocation** entails moving six (6) or more people, including equipment and furniture, or moving an entire unit of any size.

**Individual Relocation** entails moving five (5) or less people, including equipment and furniture. Individual relocations should not represent an entire unit.

#### Relocation Preplanning

DBH relocations will be preplanned. Preplanning will enable Facilities and Project Management (FPM) to observe ergonomic standards and ensure control/accountability for all aspects of the project. The Manager (Mgr) or Supervisor (Sup) will follow these steps for preplanning:

Step	Action
1	Begin preplanning at least two (2) months in advance, if possible.
2	Identify staff to be relocated:
	Number of staff
	Staff names
	Position name for each
3	Identify the type of equipment to be relocated, including:
	Copiers and identifying serial numbers
	Facsimile machines and identifying serial numbers
4	Determine furniture needs as follows:
	New furniture purchases, if required and within appropriate
	budget allocations
	Existing furniture planned to be used at the destination location
5	Determine what computer assets, if any, will need to be
	relocated, by locating the blue tag numbers attached on each
	item, as follows:
	Desktop/Laptop computers
	Docking stations
	Printers
	Peripheral devices such as external hard drives, personal/unit
	scanners

## Relocation Procedure

The procedure below will be followed for all relocations. All actions need to begin two (2) months prior to the relocation for FPM activities. Computer equipment relocation is handled separately through DBH Information Technology (IT), and requires at least two (2) weeks' notice.

Step	Action
1	Mgr or Sup will complete and submit to FPM, the following:  • For Unit Relocations:  • Project Request Form, initially submitted electronically for initial FPM review, including:  • Reiterating preplanning specifics  • Identifying the program as Medi-Cal (M-C) or Alcohol and Other Drugs (AOD) certified  • A signed hard copy of the Project Request Form sent, including appropriate PM approvals, via Interoffice Mail  • For Individual Relocations:  • Repair/Service Request Form, submitted electronically  • A ticket number is automatically generated for project assignment and tracking
	<b>Note:</b> The above linked forms are located on the DBH Intranet site under DBH Forms. Action on relocations is not taken until the signed and appropriately approved hard copy is received by FPM.
2	The Mgr or Sup will complete a <u>Helpdesk Ticket</u> directly to DBH IT, <u>not</u> FPM, to relocate computer assets identified in preplanning.
3	FPM Administrative Supervisor will assign a staff member to the approved project, who may:  Contact the Mgr or Sup to obtain additional information to: Complete cost estimates Confirm the program as M-C or AOD certified Determine the projected project timeline based on: Project scope Avoiding billing interruptions  Notify the Mgr or Sup when: Cost estimates are completed by FPM and Each time the request form is moved through the next stage of fiscal and executive review
4	The assigned staff member will ensure new project requests are fully approved, including:  • Fiscal  • Executive Management
