<p>G. Subject Matter Presentation</p>	<p>Dr. Rebecca Scott Young</p>	<ul style="list-style-type: none"> • Became an advocate for mental health awareness and breaking the stigma, especially in sports. • I Am Gifted Foundation focuses on spreading positivity, embracing individuality, and supporting mental wellness. • Partnered with The Wellness Ranch and looks forward to more community collaborations. • Thanked everyone for their work in the community and expressed a commitment to future partnerships. • Presentation on Mental Health Services Act Annual Update Fiscal Year 2025/2026. The power point can be found here Tab 6. MHSA Update.pptx Q&A: • Chair Mink: Are we targeting only existing service users, or also reaching the public? Are we using channels beyond the department's website to reach more people? Are there 9,634 contracts and 360 survey responses typical, or are they higher/lower than usual? • Jesse Armendarez: Suggested reaching out to the board office, so they can help push out this important information to the public and schools. • Assistant Director, Marina Espinosa: suggested adding the number of participants. • Amanda Uptergrove: Do you offer language translations services during your meetings and events and is the marketing also offered in another language?
<p>H. Director's Report</p>	<p>Assistant Director, Marina Espinosa</p>	<ul style="list-style-type: none"> • Board-Approved Agenda Items (March 11, 2025): the Board approved the purchase of a care management system within the department's electronic health record (EHR) from NetSmart Technologies. This item also included funding for additional staffing, specifically two contract psychiatrists and two contract clinical therapists, for the Enhanced Care Management Program and the Justice-Involved Program. This initiative was not MHSA-funded. • Substance Use Disorder & Recovery Services Contract Amendment: An amendment was approved to increase funding for substance use disorder withdrawal management and residential treatment services by \$70,665,272, bringing the total contract amount to \$160,395,592. The contract duration remains unchanged (January 1, 2024 – December 31, 2028). The amendment also allows for contract modifications related to non-substantial changes, provider legal entity updates, and facility locations. This funding was not MHSA-funded. • Managed Care Plan Contract Amendments: Contracts with Inland Empire Health Plan (IEHP) and Molina Healthcare of California were amended to include an exhibit specifying the data elements and protected health information (PHI) that can be shared between both parties. These amendments did not affect the contract's funding because there was no MHSA. • Approved contract amendments to increase funding by \$800,000 for early intervention, outpatient treatment, intensive outpatient treatment, and recovery services for clients referred by the Department of Children and Family Services (CFS), with funds allocated to Inland Behavioral and Health Services, Cedar House Life Change Center, and Clare Matrix,

		<p>and no changes to contract timeframes. Additional increases included \$796,563 for High Desert Child, Adolescent & Family Services Center, Inc. and \$1,092,787 for Inland Valley Recovery Services, with no MHSA funds used.</p> <ul style="list-style-type: none"> • Approved \$1.06M for the Community Wholeness and Enrichment (CWE) Program through June 30, 2026, funding Red Family Services, South Coast Community Services, and Victor Community Support Services, also not MHSA-funded. • Crisis Walk-In Center Services Contract Amendment: An amendment was approved to increase funding for Valley Star Behavioral Health’s Crisis Walk-In Center services by \$3,867,771 and to extend the contract period until September 30, 2025. This amendment was not MHSA-funded. • The Board retroactively approved a standardized contract template for Children’s Residential Intensive Services (CRIS), effective July 1, 2024. It also authorized the Department of Behavioral Health to execute individual agreements with CRIS providers without substantive changes. No funding or contract terms were modified. • Fifteen positions from the Department of Behavioral Health (DBH) were transferred to the Office of Homeless Services, including roles such as social workers, mental health specialists, and peer and family advocates. Additionally, two vehicles (a Ford Fusion and a Chevy Express van) were transferred. This action did not impact MHSA funding. • Student Assistance & School-Age Treatment Services Contracts: The Board approved contracts for comprehensive treatment services for students, totaling \$50,202,775 for the period of April 1, 2025 – June 30, 2026. Agencies receiving funding include Desert Mountain Children’s Center, South Coast Community Services, and Victor Community Support Services. This initiative was partially MHSA-funded. • Expansion of “brave disability” definition: Beginning April 1, 2025, individuals with substance use disorders can qualify for conservatorship under SB 43. Additional treatment beds have been secured to accommodate rising demand for services under the expanded definition. A dedicated webpage with training materials and guidance has been launched to educate healthcare providers and law enforcement on SB 43 requirements. Monthly training sessions have been implemented to help law enforcement understand new criteria for detaining individuals under SB 43. • Public Relations and Outreach (PRO): Key events include the Fentanyl Awareness Field Contest, mental health awareness activities in May, and a community policy advisory meeting in April. Submissions for artwork related to mental health are open until April 14. A “Meet the Artist” event will take place, and the Directing Change Award Ceremony will be held on May 17. The Resilient & Real Summit will feature a panel discussion on suicide prevention, Mental Health, in May.
Adjournment	Chair, Allie Mink	With no further business or discussion, the meeting was adjourned at 1:45 p.m.
