

JOB ANNOUNCEMENT

Public Service Employee (PSE)

Public Health Environmental Health Services

Mosquito and Vector Control Program (MVCP)

The County of San Bernardino Department of Public Health Environmental Health Services (EHS) is recruiting for PSEs who will be responsible for conducting vector-borne disease surveillance and maintenance activities, assisting in abatement of nuisance conditions and public education. This position works under direct supervision and in conjunction with Registered Environmental Health Specialists and Certified Vector Control Technicians. People interested in a career in environmental health and vector control are encouraged to apply.

JOB DUTIES INCLUDE

- Trapping and identifying mosquitoes and ticks
- Distributing educational material to the general public
- Performing surveys to identify mosquito breeding hazards
- Assisting in the abatement of green pools and other mosquito breeding hazards
- Data entry
- May perform other environmental health duties as assigned

CONDITION OF EMPLOYMENT

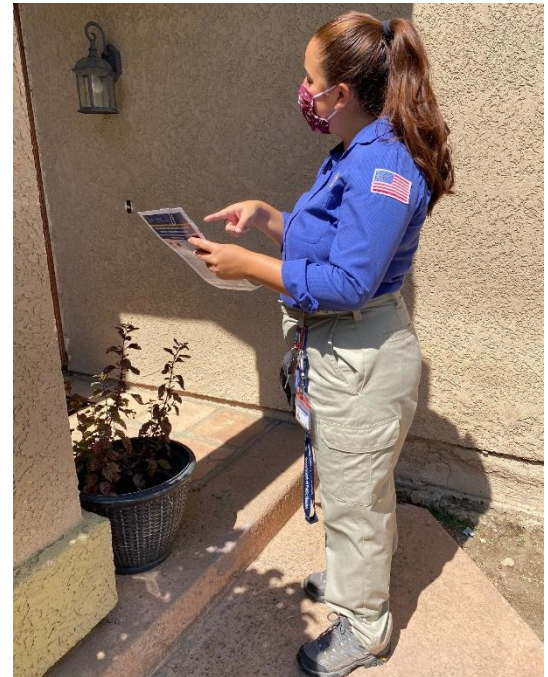

The position is part-time (not to exceed 29 hours per week), Monday through Friday. Applicants must have the physical ability to bend, walk, lift 40 lbs., drive a vehicle and endure outdoor weather conditions.

MINIMUM REQUIREMENTS

- Be over 18 years of age
- Possess a high school diploma or GED
- Possess a valid California Driver's License

DESIRED QUALIFICATIONS

The ideal candidate will have one or more years of completed college coursework and have an interest in a career in environmental health and vector control.

APPLICATION PROCESS

To apply for the position, email Cecilia Rodriguez at Cecilia.rodriguez@dph.sbcounty.gov for the job application.

- Complete, attach and return your application and résumé to Cecilia Rodriguez via email
