

JOB ANNOUNCEMENT

Public Service Employee (PSE)

Public Health Environmental Health Services

Mosquito and Vector Control Program (MVCP)

The San Bernardino County Department of Public Health Division of Environmental Health Services (EHS) is recruiting for PSEs who will be responsible for conducting vector-borne disease surveillance, providing public education and assisting with other duties to support the program. This position works under direct supervision and in conjunction with Registered Environmental Health Specialists and Certified Vector Control Technicians.

SALARY RANGE

\$ 16.50 - \$17.00

JOB DUTIES INCLUDE

- Trapping and identifying mosquitoes and ticks
- Educating the public on mosquito prevention
- Investigating service requests and surveying mosquito producing sources
- Assisting in the abatement of green pools and other mosquito breeding sites
- Data entry
- May perform other environmental health duties as assigned

CONDITION OF EMPLOYMENT

The position is part-time (not to exceed **29 hours** per week), Monday through Friday. Applicants must have the physical ability to bend, walk, lift 40 lbs., drive a vehicle, and endure outdoor weather conditions.

MINIMUM REQUIREMENTS

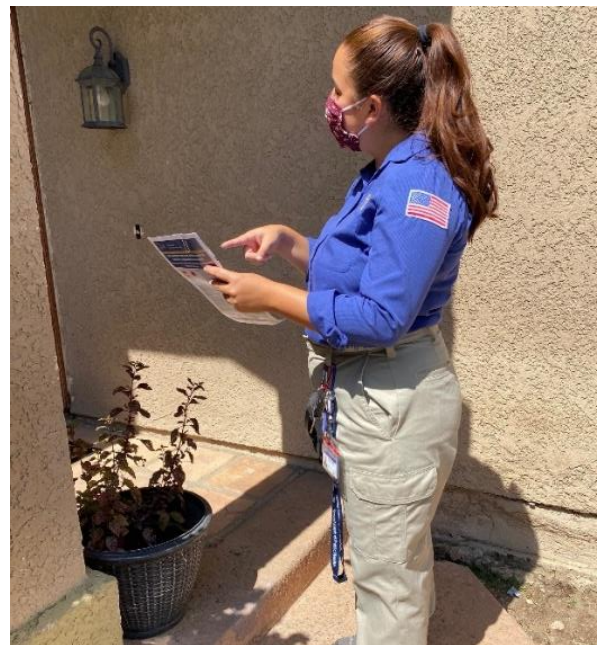

- Be over 18 years of age
- Possess a high school diploma or GED
- Possess a valid California Driver's License

DESIRED QUALIFICATIONS

The ideal candidate will have one or more years of completed college coursework and have an interest in a career in environmental health and vector control.

FIELD PLAN GUIDANCE

Staff can be assigned to help student interns develop their work plan.
