

**DID YOU KNOW?**

**ROLL OVER  
MAY 2020**

# **DID YOU KNOW THAT...**

**THE CHILDPLUS ADMINISTRATOR  
MANAGES ROLLOVER IN CHILDPLUS?**

# THE ROLLOVER IS MANAGED BY CHILDPLUS...

- **Do not drop returning children that don't need a new application.**  
Child Plus will roll their records to the new program year. If they are dropped, it shows in our PIR that too many children dropped.
- For those children that won't be returning for reasons other than aging out, staff can drop them.
- CSPP children will not be rolling over and do not have to be dropped because they require a new application each program year.
- The rollover will be complete on July 1, 2020
