## Word from the Sheriff

This year marked my seventh year as Sheriff of San Bernardino County. During my career, I have seen law enforcement evolve and continue to improve. Social media has given us the freedom to share our stories and up-to-date information on critical events and it has created an avenue for community input and communication. We receive valuable

investigative information from the community on our social media platforms and through We-Tip Anonymous Reporting.

Being the largest geographical county in the United States, we rely heavily on our department's highly trained professionals and volunteers to provide public safety and ensure quality service.

Our Emergency Operations Division, which includes Aviation and Volunteer Forces, plays an integral role in delivering law enforcement and emergency services. Aviation responds to approximately 580 calls for service a month. In 2019, they performed 103 search and rescue helicopter missions and hoisted 71 stranded hikers to safety. They are incredibly skilled and provide an invaluable service to the county.

Our volunteer units include Mounted Enforcement, Explorers, Reserve Deputies, Search and Rescue, Chaplains, and Citizens on Patrol. Our 1,800 dedicated volunteers donated over 329,000 hours last year to our communities. Our dedicated volunteers are always ready, willing, and able to assist in accomplishing our mission of providing quality law enforcement services. They conduct extra patrols in neighborhoods, assist with community events, and help to rescue lost or stranded hikers.

On December 14, 2019, we tragically lost West Valley Search and Rescue Volunteer Timothy Staples. He was one of many brave volunteers who searched areas of Mt. Baldy for a missing hiker. During the search, Tim suffered a fatal fall. We will remember Tim and his selfless heart and dedication to helping others.

I am proud of the dedicated men and women of the San Bernardino County Sheriff's Department. Our sworn members, professional staff, and volunteers continue to provide high caliber service throughout the county and remain committed to ensuring public safety. The positive community relations and incredible support we have throughout our county goes a long way in our profession and is never overlooked.

Our department K-9 program has grown over the years. Currently, we have 12 department K-9's, four are used for tracking/trailing, seven are for narcotics detection, and one is used to detect explosives. Our K-9's are essential in locating missing persons and suspects, taking illegal narcotics off the streets, and locating explosive devices.

In March 2020, Assistant Sheriff Steve Higgins retired. Steve managed the criminal operations of the department which included patrol and special operations. We will miss his passion for digging into legislation that affected law enforcement and his ability to impart valuable wisdom. Steve began his career as a deputy sheriff in 1986 and after 34 years of dedicated service, said goodbye to his law enforcement family. His knowledge, expertise and leadership will be greatly missed - we wish him well in his much-deserved retirement.

As Sheriff, I am committed to community outreach and collaboration and am grateful for the many opportunities to interact with community members and leaders who continue to strive for and make positive impacts in the county. Public safety needs productive partnerships and collaboration to succeed. We all need to work together to make sure our county is a safe place to live, work, and play.

Thank you for your continued support. I am honored and privileged to serve.

Prior to 2019, crime statistics were provided on a jurisdictional basis for each patrol station. In May 2019, our Department transitioned to a new report writing platform and record management system. The built-in automated stat function does not allow for separating out certain data. For this reason, all unincorporated jurisdictions and corrections bureau crime statistics are now included in the *Unincorporated County Areas* information listed above.
