2024 ANNUAL CRIME REPORT

A Word from **SHERIFF SHANNON D. DICUS**

It is an honor to serve the citizens of San Bernardino County as your Sheriff. I take great pride in the responsibilities bestowed and entrusted unto me. My top priority has always been, and will continue to be, the safety and well-being of our community members. Our department is committed to making San Bernardino County the safest place to live, work, and play.

As our department still recovers from the network disruption we suffered in 2023, we have used that experience as an opportunity to make much-needed upgrades. Not only have we strengthened our infrastructure, but we have also introduced new technologies that will support our deputies in the field and modernize our capabilities, enabling us to serve our communities more effectively. Our department continues to be at the forefront of addressing quality-of-life issues such as homelessness, illicit marijuana cultivation, ghost guns, and retail theft by taking a proactive approach to policing with support from the San Bernardino County District Attorney's Office and San Bernardino County Board of Supervisors.

Our department is dedicated to your safety and well-being, with transparency and integrity leading the way. Our department members and I are committed to upholding public safety and professionalism, and I look forward to another year serving as your Sheriff.

If you would like more information about our department, please read my [Midterm Report](#) online.

A handwritten signature in blue ink that reads "Shannon D. Dicus".
