## YOUR OPPORTUNITY TO HELP THOSE WHO HAVE FALLEN

**S.E.A.T. Heat is an annual Sheriff's Department BBQ and Chili Cook-Off where stations and divisions gather to compete against one another!**

The delicious food is judged by dignitaries such as members of the Superior Court Bench, the District Attorney's Office, Fire Department Staff, and local elected officials. A vast amount of food is prepared and shared with friends and family who purchase entry tickets.

Guests are welcome to visit every competitor's booth and enjoy great BBQ and chili and are encouraged to buy People's Choice vote tickets to drop into the voting boxes at the booth they think is **SMOKIN HOT!**

There is a divine force which connects us to one another when we work in partnership. with the benevolent power of many it becomes our mission as the "RIB OF LIFE" sponsors to connect, to serve, and to be effective for other's needs in a time of crisis.

The rib cage-being the structure which surrounds and supports the core portion of the body's skeleton, becomes as effective as our core purpose. It's a constant reminder to be a strong champion for the fallen, for the injured and for those left behind as we continue to give strength and support through their journey of healing.

As a donor to **THE RACK**, please know every **RIB** displayed is a perpetual reminder that in giving we attract delightful experiences which enriches our own lives. All of us can help improve the quality of life for others...if we practice the art of giving back.
