

OCTOBER 30-31, 2018

ADVANCED ROADSIDE IMPAIRED DRIVING ENFORCEMENT (ARIDE) PRESENTED BY CHP AND SBCSD

Course Description:

This course will train law enforcement officers to observe, identify, and articulate the signs of impairment related to drugs, alcohol or a combination of both, in order to reduce the number of impaired drivers and impaired driving related traffic collisions. This course will train other criminal justice professionals (prosecutors, toxicologists, etc.) to understand the signs of impairment related to drugs, alcohol, or a combination of both and enable them to effectively work with law enforcement in order to reduce the number of impaired drivers and impaired driving related traffic collisions.

Prerequisites:

In order to qualify for this course, prospective students must have successfully completed a minimum of 16 hours of a California Commission on Peace Officer Standards and Training (POST) certified SFST course consisting of IACP/NHTSA approved SFST instruction. Personnel should have experience using the SFSTs in order to understand and complete the course. Additionally, in order to be considered for training in the ARIDE program, a person must be active law enforcement.
