On Thursday, February 9, 2023, Deputy Torey Arlotti was assigned to patrol in the Town of Apple Valley. Arlotti drove a marked Sheriff's patrol vehicle and wore a department approved class "A" uniform. At about 1505 hours, Arlotti conducted a traffic stop in the area of Kiowa Road and Ottawa Road. Shortly after Arlotti initiated the traffic enforcement stop, he broadcasted over his police radio he was in foot pursuit of a Hispanic male adult, later identified as Joel Chavez.

During the foot pursuit, Arlotti broadcasted Chavez carried a black semi-automatic handgun. At about 1506 hours, Arlotti broadcasted over his police radio shots were fired. Several personnel from the Apple Valley Sheriff's station responded to assist.

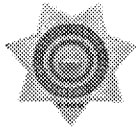

At approximately 1508 hours, multiple deputies arrived and contacted Arlotti and Chavez in the courtyard of [REDACTED]. Deputies observed Chavez lay faced down on the ground and determined Arlotti deployed his taser. Deputies handcuffed Chavez, search him for additional weapons, and evaluated him for injuries. Deputies determined Chavez was not struck by gunfire.

During a public safety statement, Arlotti stated he pursued Chavez on foot along the north side of an apartment complex, located at [REDACTED]. Chavez fired multiple rounds from his handgun at Arlotti from east toward the west. Arlotti returned fire and shot multiple rounds at Chavez from the west toward the east.

Deputies conducted a safety sweep of the area and located a black semi-automatic handgun on the ground on the north side of the apartment complex. Located approximately four feet from the located handgun, were multiple fired cartridge casings (FCC's). Located on the ground, approximately 30 yards west of the handgun, were multiple additional FCC's. Several structures were struck by gunfire, but no one was injured. Deputies secured the area and preserved the crime scene for further processing.

Personnel from the Apple Valley Fire District responded and evaluated Arlotti and Chavez. Arlotti and Chavez did not sustain any major injuries and were not struck by gun fire. Chavez was transported to the Apple Valley Sheriff's Station and placed in a holding cell.

Detectives from the San Bernardino County Sheriff's Department, Specialized Investigations Division, Homicide Detail, responded and assumed the investigation.

On Thursday, February 9, 2023, Detective Justin Carty and Crime Scene Specialist (CSI) [REDACTED] processed the crime scene. Based on evidence at the scene and collected video surveillance, investigators determined Chavez fired six rounds at Arlotti. Investigators determined Arlotti returned fire and shot 10-rounds from his department issued Glock 17 handgun at Chavez.

During the scene processing, investigators located Chavez' black, 9mm, SS80 ghost semi-automatic handgun, with no serial number. The slide of Chavez' handgun was locked to the rear, and it did not contain any additional ammunition. Chavez' handgun was located on the north side of [REDACTED]. Approximately 30 feet west of Chavez' handgun, investigators located six 9MM FCC's, head stamped "Win 9mm Luger."

Located approximately 30 yards west of Chavez' handgun, investigators located 10- 9MM FCC'S, head stamped "Win 9mm Luger +P." Located near the FCC's, were multiple shoe impressions consistent with Chavez' and Arlotti's footwear. Northeast from the scene of the LFE, investigators located four suspected bullet strikes.

During a search of the area, several surveillance cameras were located. Investigators located several citizens who witnessed events after the shooting occurred but did not witness the shooting. Based on witness statements and video surveillance footage recovered from a nearby residence, investigators determined two unidentified female adults also fled from the vehicle. The females ran east away from Chavez and Arlotti after Chavez fled on foot. The unidentified females ran east, out of the area, prior to the arrival of additional deputies. After a lengthy search, the females were not located.

On Thursday, February 9, 2023, at about 2019 hours, Detectives Malcolm Page and Travis Gagne obtained an initial statement from Arlotti in a private office at the Apple Valley Sheriff's station, located at 14931 Dale Evans Parkway, in Apple Valley. Arlotti agreed to provide a detailed interview at a later date. The following is a summary of Arlotti's initial statement.

On Thursday, February 9, 2023, at approximately 1505 hours, Arlotti drove his marked Sheriff's patrol vehicle north on Kiowa Road toward Ottawa Road, in Apple Valley. Arlotti observed a white Honda Civic with no front license plate, which traveled east on Ottawa Road near Kiowa Road. The Honda continued south on Kiowa Road as Arlotti followed. Arlotti noticed the vehicle did not have a rear bumper and initiated a traffic enforcement stop. Arlotti activated his overhead emergency lights with a solid forward facing red light and conducted a traffic stop.

The Honda yielded in the driveway of an apartment complex and stopped. As soon as the vehicle stopped, a heavy set Hispanic male adult, later identified as Joel Chavez, exited the passenger side of the Honda.

Chavez ran west into the apartment complex on foot as Arlotti followed on foot. As Arlotti attempted to catch Chavez, Arlotti observed a black semi-automatic handgun in Chavez' hand.

Arlotti gave multiple verbal commands for Chavez to drop the gun and stop, but he refused and continued to run. Chavez eventually ran around an apartment and out of Arlotti's view. When Arlotti continued around the corner, Chavez was crouched behind an approximate three-foot-tall block wall.

As Arlotti approached, Chavez stood up, pointed the black semi-automatic handgun at him, and fired multiple times. Fearing for his life, Arlotti returned fire with his department issued handgun.

After Arlotti returned fire, Chavez dropped the handgun and jumped over a chain link fence. Arlotti pursued Chavez and gave him verbal commands to "stop." Chavez continued to run and Arlotti deployed his department issued taser, which caused Chavez to stop running. Arlotti waited for responding deputies to assist with the apprehension of Chavez.

Arlotti positively identified Chavez through his California Driver's License (CDL) photograph.

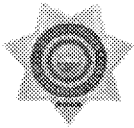

On Thursday, February 9, 2023, at about 2037 hours, Detectives Eric Ogaz and Travis Gagne interviewed Chavez in an interview room at the Apple Valley Sheriff's station. Prior to the interview, Ogaz read Chavez a Miranda advisal from his department issued Miranda warning card. Chavez stated "Yeah" to question number one and "No" to question number two.

After Chavez stated he did not wish to speak with investigators, he continued and said, "Everything was fine, there was no conflict with me and the officer." According to Chavez, "the officer did not do anything wrong." After Chavez' statement, he did not provide any additional information and the interview was concluded.

During an additional search of Chavez' person, a black handgun holster was secured around his ankle.

A Sheriff's records check revealed Chavez had a lengthy criminal history with multiple felony convictions. In 2012, Chavez was convicted of PC 29800 (b)-Felon in Possession of a Firearm and PC 186.22(a)-Participation in a Criminal Street Gang. Chavez was sentenced to two years in state prison. In 2014, Chavez was arrested for violation of parole and PC 487(a)-Grand Theft and sentenced to six years in state prison.

On Thursday, February 9, 2023, at about 2322 hours, Deputy Dionicio Ramires transported Chavez to High Desert Detention Center, where he was booked for PC 664/187-Attempted Murder of a Peace Officer, PC 29800(a)-Felon in Possession of a Firearm, and PC 30305(a)-Felon in Possession of Ammunition.

**SCENE WALKTHROUGH:**

On Thursday, February 9, 2023, at approximately 1742 hours, investigators conducted a walkthrough of the crime scene. The crime scene was located in and around the apartment complex, located at [REDACTED]. The following personnel were present during the scene walk through.

- Lieutenant Tim Jackson Sheriff's Homicide Division
- Sergeant Jon Woods Sheriff's Homicide Division
- Sergeant James Williams Apple Valley Sheriff's Station
- Sergeant Jeremy Vasquez Sheriff's Civil Liabilities

**CRIME SCENE:**

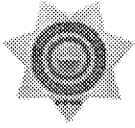

On Thursday, February 9, 2023, I conducted a crime scene investigation, assisted by Crime Scene Specialist [REDACTED] assisted me by taking overall, midrange, and close-up photographs of the scene and evidence found at the scene. All evidence found within the crime scene was labeled using photographic identification placards and photographed in place prior to being measured and taken as evidence. All measurements were taken using a Leica Disto D8 laser measuring device. All measurements are approximate.

The crime scene was surveyed using a Faro focus, 3DX laser mapping system. The system used reference points in and around the crime scene. Reference points are recognized by the Faro scanning machine and are used in processing the scene with a computer program. The Faro was attached to a tripod and remained stationary while it scanned the scene. Once the Faro completed the scan cycle, the tripod and Faro were repositioned, and additional scans were completed.

The crime scene was located at [REDACTED]

**VEHICLE INFORMATION:**

A records check on the involved white Honda Civic, bearing California license plate number, [REDACTED] revealed it was registered to [REDACTED], from [REDACTED]. Through investigation, it was determined law enforcement previously contacted [REDACTED] as the driver of the white Honda Civic.

On Wednesday, March 29, 2023, investigators from the San Bernardino County Sheriff's Department, Regional Gang Enforcement Team located [REDACTED] during an unrelated investigation. [REDACTED] admitted she drove the vehicle on Thursday, February 9, 2023, when the lethal force encounter (LFE) occurred. [REDACTED] stated she purchased the white Honda Civic for 300 dollars from a friend, approximately two months ago. [REDACTED] agreed to provide a voluntary statement to investigators regarding her involvement in the LFE. For more information on [REDACTED] statement, please see the attached supplemental report.

**SUSPECT INTERVIEW:** *Joel Chavez*

On Thursday, February 9, 2023, at approximately 2037 hours, Detective Eric Ogaz and I conducted an interview with Joel Chavez in an interview room at San Bernardino County Sheriff's Department Apple Valley Station, located at 14931 Dale Evans Parkway, in Apple Valley. I recorded the interview on my department-issued digital recorder, and I later placed a copy of the recording into the case file. The following is a summary of our interview with Chavez.

The following is verbatim of what Ogaz read Chavez, including his responses, prior to asking any questions which pertained to this investigation.

**\*BEGIN VERBATIM\***

**Ogaz:** "You have the right to remain silent. Anything you say can be used against you in court. You have the right to an attorney before and during any questioning. If you cannot afford an attorney, one will be appointed to you, by the courts, free of charge, before any questioning. Do you understand the rights that I have explained to you?"

**Chavez:** "Yea."

**Ogaz:** "Having these rights in mind, are you willing to talk to me?"

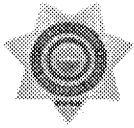

**Chavez:** "No."

**\*END VERBATIM\***

Chavez said there was "no conflict with me and that officer" and Arlotti did not do anything wrong. Chavez was not injured. Chavez clarified he did not want to talk about what happened.

I concluded our interview with Chavez.

**SUSPECT PROCESSING:** *Joel Chavez*

On Thursday, February 9, 2023, at approximately 2000 hours, while in a private room at the Apple Valley Sheriff's Station, Crime Scene Specialist [REDACTED] and I documented Joel Chavez' injuries and items of potential evidence on his person. [REDACTED] obtained a deoxyribonucleic acid (DNA) reference swab from Chavez. I recorded the process with my department issued digital recorder, and later placed a copy of the recording into the case file. Prior to documenting Chavez' person, I obtained his permission to take photographs. During the processing, Chavez wore a short sleeved blue T-shirt, grey pants, and white socks. Attached to Chavez' left ankle was an empty black, nylon gun holster. I later placed the photographs into the case file.

**EVIDENCE COLLECTION:**

On Thursday, February 9, 2023, Deputy Brandon Clancy authored a search warrant to obtain a sample of Joel Chavez' blood and a reference buccal sample of his DNA.

On Thursday, February 9, 2023, at approximately 1752 hours, Honorable Judge Bryan Stodghill authorized the search warrant and issued search warrant number 000107355.

On Thursday, February 9, 2023, at approximately 2144 hours, I contacted Chavez in a holding cell at Apple Valley Sheriff's Station, located at 14931 Dale Evans Parkway, in Apple Valley. At approximately 2147 hours, Law Enforcement Medical Services (LEMS) nurse [REDACTED] certified phlebotomy technician (CPT) #523, obtained two blood samples from Chavez' right arm. After the blood samples were obtained, [REDACTED] secured them in envelopes in my presence.

At approximately 2200 hours, I took possession of the blood evidence, and Detective Travis Gagne later gave it to Crime Scene Specialist (CSI) [REDACTED]

On Thursday, February 9, 2023, at about 1934 hours, Sheriff's Crime Scene Specialist (CSI) [REDACTED] and I contacted Deputy Torey Arlotti, in a private office at the Apple Valley Sheriff's Station, located at 14931 Dale Evans Parkway, in Apple Valley.

On Thursday, February 9, 2023, a lethal force Encounter (LFE) occurred at an apartment complex, located at [REDACTED]. In my presence, Guerrero photographed Arlotti, who wore the same uniform and equipment at the time of the LFE.

Arlotti wore a San Bernardino County Sheriff's Department "Class A" uniform, which consisted of a tan, short sleeve, button-down shirt, and green pants. Arlotti wore a green baseball cap with "Sheriff" printed in gold letters. Arlotti had a cloth United States flag sewn above his right breast pocket and a gold-colored nameplate pinned underneath the flag. The nameplate displayed "T. Arlotti" in black lettering. Arlotti had a gold-colored San Bernardino County Sheriff's badge pinned above his left breast pocket. Arlotti's uniform shirt displayed San Bernardino County Sheriff's Department patches on both the right and left shoulder. Arlotti wore black-framed eyeglasses and black, size 10, Danner boots.

All right, today is Thursday, February 9<sup>th</sup>, 2023. The time is 2019 hours. I'm going to be in a private office at the Apple Valley Police Station, conducting initial officer's statement regarding a attempted murder and subsequent lethal force encounter that occurred in Apple Valley, which is documented under DR 1823000724 and Homicide number 2023-021. Present in the room is gonna be myself, Detective Malcom Page from the Sheriff's Homicide, Detective Travis Gagne from Sheriff's Homicide, Deputy Torey Arlotti from Apple Valley Sheriff's Station with his legal representation, [REDACTED]

Arlotti, I just want to let you know that this initial statement, the scope of this initial statement is going to be a brief statement. I'm requesting a voluntary initial statement just encompassing the initially of the events that occurred today. No discipline can come to you for not speaking with me. And you do not have to speak with me, do you understand that?

Yes.

Has anyone ordered you to speak with me today?

No.

Would you like to speak with me?

1 ARLOTTI: Yes.

2

3 PAGE: Okay, at this time, I'd like to open the floor up to you for a brief  
4 statement.

5

6 ARLOTTI: On February 9<sup>th</sup>, 2023, I drove my marked Sheriff's patrol vehicle  
7 north on [REDACTED] I saw a white Honda  
8 with no front license plate drive east on [REDACTED]  
9 [REDACTED] The vehicle stopped at the stop sign. I drove north,  
10 through the intersection of [REDACTED] and  
11 made a U-turn on [REDACTED]. The Honda turned south on  
12 [REDACTED] The vehicle did not have a rear  
13 bumper. I activated my overhead emergency lights with a solid  
14 forward-facing red light, to conduct a traffic stop for the  
15 aforementioned CVC violations.

16

17 The vehicle yielded in the parking lot of an apartment complex.  
18 As soon as the vehicle stopped, a heavysset Hispanic male adult  
19 exited the passenger side and ran into the apartment complex. I  
20 chased the suspect on foot through the apartment complex and  
21 saw he had a black semi-automatic handgun in his hand. The  
22 suspect turned around a blind corner. I pursued the suspect  
23 around the corner and found him crouched behind a three-foot-  
24 tall block wall. I ordered him to drop the gun multiple times. The  
25 suspect stood up, pointed the black semi-automatic handgun at  
26 me, and fired it at me multiple times.

Fearing for my life, I returned fire with my duty gun. After the volley of fire, the suspect jumped over a fence, leaving the gun at the foot of the fence. I pursued the suspect, gave him commands to stop, which he ignored. I tased him with my department issued Taser and waited for additional deputies to assist with his apprehension.

PAGE:

Arlotti, I'm going to be showing you a photograph. Is this the person that fired the weapon at you and that you subsequently apprehended during this encounter?

ARLOTTI:

Yes.

PAGE:

And just for the record to reflect this is a California driver's license photograph of Joel Chavez with date of birth of [REDACTED] with California driver's license number [REDACTED] The time is 2022 hours and I'm gonna conclude this initial statement.

26 GAGNE: Do you know your date of hire?

27

28

1 ARLOTTI: Date of hire would be [REDACTED]  
2  
3 GAGNE: And what date or approximate date did you start patrol?  
4  
5 ARLOTTI: That would've been [REDACTED]  
6  
7 GAGNE: Okay. What is your current rank?  
8  
9 ARLOTTI: Deputy.  
10  
11 GAGNE: Do you have any previous law enforcement experience?  
12  
13 ARLOTTI: [REDACTED]  
14  
15 GAGNE: What shift do you work? And what are the times?  
16  
17 ARLOTTI: Currently I'm working PM2s, which is weekend nights. Saturday  
18 night through Monday night, and every other Friday night.  
19 Starting my shift at 1900 hours, my shift ends at 0700 hours.  
20  
21 GAGNE: What about on February 9<sup>th</sup>, what shift did you work?  
22  
23 ARLOTTI: I was working AM1s, which is weekdays. Tuesday through

4

5 ARLOTTI: 18-3.

6

7 GAGNE: Did you have a partner or a rider?

8

9 ARLOTTI: No.

10

11 GAGNE: Okay. And on that day, what uniform were you wearing? Can  
12 you describe it, as much as you can.

13

14 ARLOTTI: I was wearing a green baseball cap with the word, "Sheriff"  
15 printed on the front in gold stitching. I wore my prescription  
16 glasses. I had a class A uniform shirt on, which has a San  
17 Bernardino County Sheriff's badge above the left breast pocket.  
18 Above the right breast pocket is my nameplate, "T. Arlotti", and a  
19 American flag above the nameplate. My left and right shoulder  
20 has a San Bernardino County Sheriff's Department patch. The  
21 shirt was tan in color, and I had a shoulder microphone that was  
22 affixed to the front of my chest with the cord wrapping down my  
23 back.

24

25 I wore department approved Class A green pants and I had a  
26 duty belt around my waist. The duty belt was basket weave and  
27 attached to my duty belt I had a handcuff, a double handcuff

28

1 pouch on the front near the buckle. A set of keys next to the  
2 handcuff pouch, my duty holster which holstered a Gen5 Glock  
3 17 with a San Bernardino County Sheriff's tac light attached to it.  
4 Behind my handgun was a RCB in a department issued RCB  
5 holster and wrapping around my back I had a radio holster which  
6 had my department issued radio inside of it. In front of my radio, I  
7 had a OC canister inside a pouch and in front of that I had a  
8 taser holster which had my department issued taser. And in front  
9 of that I had a magazine pouch which contained three Glock 17  
10 magazines, and affixed to my magazine pouch I had my  
11 department issued belt recorder.

12  
13 GAGNE: Okay. In regard to your duty belt, what is an RCB?

14  
15 ARLOTTI: RCB, is a collapsible baton that extends with a downward swing.

16  
17 GAGNE: Okay. And what is OC?

18  
19 ARLOTTI: Oleoresin capsicum or pepper spray is a more common term.

20  
21 GAGNE: Was your belt recorder activated before or following the incident?

22  
23 ARLOTTI: It was activated for portions of the incident.

24  
25 GAGNE: Does your unit have a camera?

26  
27 ARLOTTI: No.

1

2 GAGNE: Were you wearing a body worn camera?

3

4 ARLOTTI: No.

5

6 GAGNE: Did you have a chance to review the audio? Or any video of this  
7 incident before this interview?

8

9 ARLOTTI: Yes.

10

11 GAGNE: Did you take any photos?

12

13 ARLOTTI: No.

14

15 GAGNE: How much sleep did you get in the last 24 hours? Prior to the  
16 incident.

17

18 ARLOTTI: About six hours.

19

20 GAGNE: Okay. What about 48 hours before the incident?

21

22 ARLOTTI: I don't know for sure. My drive home is extended and sometimes  
23 there's traffic, and I also have a newborn at home so sometimes  
24 he'll wake me up. So, I can't say for sure how much sleep I got in  
25 a 48-hour time span.

26

27

28

1 GAGNE: Okay. At the time of the incident were you under a doctor's care  
2 or taking prescribed medications that affected your ability to  
3 perform?  
4

5 ARLOTTI: No.  
6

7 GAGNE: What weapon did you use?  
8

9 ARLOTTI: Gen5 Glock 17.  
10

11 GAGNE: What caliber is that?  
12

13 ARLOTTI: Nine-millimeter.  
14

15 GAGNE: How do you typically load your Glock 17?  
16

17 ARLOTTI: With 17 rounds in the magazine and one round in the chamber.  
18

19 GAGNE: How do you remember loading your magazines before the  
20 shooting?  
21

22 ARLOTTI: 17 rounds in each magazine.  
23

24 GAGNE: Okay. Do you recall when you loaded it last prior to the  
25 shooting?  
26

27 ARLOTTI: After "continued professional training" on December 20<sup>th</sup>, 2022.  
28

1

2 GAGNE: Okay. Did you chamber a round before the incident?

3

4 ARLOTTI: Yes.

5

6 GAGNE: How many shots do you remember firing?

7

8 ARLOTTI: Between 10 to 12.

9

10 GAGNE: Were you injured?

11

12 ARLOTTI: Yes.

13

14 GAGNE: What were your injuries?

15

16 ARLOTTI: Cuts on my left hand and scrapes on my legs.

17

18 GAGNE: Have you ever been in an LFE before?

19

20 ARLOTTI: No.

21

22 GAGNE: What, if any attempts or tactics, did you employ to de-escalate  
23 the situation? In example, commands given, asked the suspect  
24 to stop, told him that you did not want to use force etc.

25

26 ARLOTTI: I gave commands for him to stop running, to drop the weapon,  
27 show me his hands, get on the ground.

28

1

2

GAGNE:

Okay, and what do you remember regarding his response to those commands?

3

4

5

ARLOTTI:

He didn't acknowledge any of them. He continued to run and never dropped the weapon when I told him to.

6

7

8

9

I believe you're giving those commands in a loud voice. Was he close enough to you that you believe he heard them?

10

11

ARLOTTI:

Yes, I was screaming the commands.

12

13

14

Do you believe he was ignoring your commands?

15

ARLOTTI:

Yes.

16

17

GAGNE:

What was the weather like at the time of the shooting?

18

19

ARLOTTI:

It was about three o'clock in the afternoon. It was sunny outside. It wasn't windy so there was no dust being blown. There was no cloud cover, there was no large shaded areas or anything. It was warm.

20

21

22

23

24

GAGNE:

Okay. Alright, at this time, I'm just going to open it up to you to explain how everything went that day. So just go ahead and tell me how everything happened.

25

26

27

28

ARLOTTI:

Okay. I arrived to the station on February 9<sup>th</sup>, 2023. I put on all of my duty gear. Which contained my hat, my class A uniform, duty belt with all of my department issued equipment and my handgun. Inside the locker room, I conducted a press check, which is partially pulling back a slide to ensure that there was a round in the chamber. Checked all of my magazines ensured that they were loaded with 17 rounds of ammunition. I went out to my patrol vehicle. Loaded my patrol vehicle up with a plate carrier, ballistic helmet, my war bag which contained miscellaneous paperwork for patrol functions. I conducted a vehicle checkout, which included testing the sirens, the lights to make sure all the lights were functioning. Logged on to the unit computer with my assigned callsign and unit number, radio numbers.

Attended briefing, where we talked about events that occurred on the shift prior during night shift. And after briefing, I left the station and started handling calls for service. While conducting routine patrols in Apple Valley, I was driving north on [REDACTED], and I saw a white Honda to my left, stopped at the stop sign on [REDACTED]. I saw that the vehicle didn't have a front license plate in violation of Vehicle Code 5200. As I was driving up to the limit line on [REDACTED], I noticed that the white Honda wasn't moving, even though they were stopped at the stop sign prior to me. I found it strange, it seemed like they were waiting for me to drive through the intersection.

1  
2 So, I came to a stop and continued northbound on [REDACTED]  
3 through the intersection, and I looked in my rearview mirror and  
4 saw the white Honda turn right to go south on [REDACTED]. As  
5 they turned right, I noticed that they didn't have a rear bumper.  
6 So, I made a U-turn, and I made a U-turn on [REDACTED]. Drove  
7 back through the intersection and activated my overhead  
8 emergency lights, which contained a solid forward-facing red  
9 light. And as activated the lights the vehicle already had its right  
10 blinker on and was pulling onto the shoulder, so I believed that  
11 they were yielding.

12  
13 They continued driving at a slow pace and turned right into an  
14 apartment complex parking lot. I believe that either they were  
15 pulling into the parking lot to get out of the roadway, or that the  
16 occupant of the vehicle may have lived there. So, I turn into the  
17 parking lot behind them, I grabbed my radio to call out the plate.  
18 And as I grabbed the radio, a heavysset, Hispanic male, exited  
19 the passenger side of the vehicle and ran into the apartment  
20 complex courtyard. I used my unit radio to call out a foot pursuit  
21 and I exited my vehicle and pushed the record button on my  
22 digital belt recorder and pursued him through the apartment  
23 complex or into the apartment complex courtyard. I thought  
24 maybe he was running to an apartment if he lived there or knew  
25 someone that lived there.

26  
27 As I entered the courtyard, I saw he was holding a black semi-  
28

1 automatic handgun. I ordered him to drop the weapon, and I  
2 screamed it multiple times for him to drop the weapon. He  
3 continued to run west through the courtyard to another entryway  
4 that led to like a dirt field, west of the apartment complex, and  
5 then he turned right. I lost visual of him after he made that turn.  
6 When he made that turn, I was scared. I didn't know what his  
7 intentions were. If he was going to be waiting around the corner  
8 or if he was going to enter an apartment complex. So, I  
9 continued running through the apartment complex. As I ran up to  
10 the entryway, I slowed down to a walking pace and I got as far  
11 left as I could, up against a chain link fence as I walked through  
12 the entryway.

13  
14 I know that from previous trainings and talking points in trainings  
15 and briefings that it's not uncommon for suspects to wait around  
16 blind corners to ambush officers. So, I slowly walked through that  
17 entryway and pried the corner. So, prying the corner is taking  
18 your time going around a blind corner and clearing each sector  
19 that's in front of you. So, as I'm slowly walking around the corner,  
20 I'm checking to the most northwest area of the dirt to see if he's  
21 over there, I didn't see him. So, I continue to slowly walk around  
22 and cleared each section that was visible to me as I came  
23 around the corner. As I'm clearing, I heard a loud thud and  
24 believed that he may have either forced his way into an  
25 apartment or entered an apartment. And I believed that maybe  
26 this was going to be evolving into a barricaded suspect or  
27 hostage scenario.  
28

1  
2 So, I continued clearing and when I got through, when I  
3 completely got through the corner, I didn't see the suspect  
4 anywhere. I didn't see a handgun on the ground anywhere. And I  
5 saw that there was another blind corner to my right. At this point,  
6 my heart's racing, I'm scared. I don't know what his intentions  
7 are, if he's waiting to ambush me around this corner, if he's taken  
8 a hostage. So, I backed away from the apartment building and  
9 slowly pried the second corner. The second corner had like a  
10 concrete driveway to the north of the building. And as I'm coming  
11 around the corner, clearing each section that I could see, I saw  
12 him crouched behind a short block wall that was attached to the  
13 apartment building. I had my duty weapon out and I pointed it at  
14 him and I told him to show me his hands.

15  
16 The suspect stood up from behind the block wall and presented  
17 the black semi-automatic handgun. And I told him to drop the  
18 weapon. I screamed for him to drop the weapon. He started  
19 shooting at me. I was scared, I believed that he wasn't trying to  
20 get away. He wanted to kill me. And if I didn't shoot back, I was  
21 going to die. So, I fired a -- I pointed my weapon at him and fired  
22 a rapid succession, volley of rapid succession at him. After the  
23 first volley, I went back behind the wall for cover. At some point, I  
24 radioed to dispatch that shots were fired. I stood behind cover for  
25 what felt like an eternity and thought about my wife and my baby.  
26 And that this could be the day that I don't go home and get to  
27 see them.  
28

1  
2 While I was standing behind cover, I knew I had to get back out  
3 to reassess the situation to see if the suspect was injured, if he  
4 was trying to force his way into an apartment, or if he was taking  
5 a better vantage point approaching me to ambush me as I was  
6 behind the corner. So, I stepped back out to reassess and saw  
7 the suspect was standing in the same spot, he didn't retreat. He  
8 didn't approach me, but he still had the handgun in his hand and  
9 still had it presented towards me. I thought this guy just wanted  
10 to kill me and believed he was going to kill me.

11  
12 So, I fired a second volley in rapid succession to stop the  
13 immediate threat that was presented to me, and I fired about  
14 eight to 10 shots. After the second volley, the suspect began to  
15 walk backwards and turned away from me. I ordered him to  
16 show me his hands. He refused and began climbing up a fence  
17 that was behind him. That fence led to the parking lot that the  
18 original traffic stop, where the original traffic stop was. I ordered  
19 him to stop, and he jumped over the fence, and ran south toward  
20 where the, where his vehicle was parked.

21  
22 I chased after the suspect and as I was running toward the fence  
23 that he jumped, I noticed, or I saw a black semi-automatic  
24 handgun at the foot of the fence. The slide was locked back to  
25 the rear. So, I believed that was his weapon that he dropped. But  
26 he, I know that he ran towards where his vehicle was, and my  
27 patrol vehicle was. I don't believe I locked my patrol vehicle  
28

1 when I started the foot pursuit. And I didn't know if he had any  
2 other weapons in his car.

3  
4 So, I holstered my duty weapon, jumped the fence. And when I  
5 landed on the other side, I redrew my weapon and I saw the  
6 suspect in the parking lot. I told him to show me his hands and  
7 he disobeyed my command and ran back into the apartment  
8 complex, through the entryway. This entryway that he ran into,  
9 there's a wooden fence that's affixed to the stucco of the  
10 apartment building. And the wooden fence met the stucco at  
11 about a 90-degree angle and provided about three feet of cover  
12 and concealment for the suspect.

13  
14 I didn't know if he had any weapons on him. He already waited  
15 around one corner to ambush me. I didn't know if he grabbed  
16 another weapon, firearm, or anything. So, I slowly approached  
17 that corner and I saw the suspect and he was hiding in the  
18 corner, and I noticed that he was hunched over. So, I believed I  
19 may have hit him from the initial gunfight. I told him to show me  
20 his hands and he looked at me and disobeyed the command and  
21 ran south through the apartment complex. I chased after the  
22 suspect, and I was about six feet behind him. I noticed that while  
23 he was running, he was kind of stumbling and hunched over, so I  
24 still thought he was injured. And as he was running, I noticed that  
25 he didn't have any weapons in his hand.

26  
27 So, I holstered my duty weapon and drew my taser, and ordered  
28

1 him to stop running. He disobeyed the command and continued  
2 to run. So, like I said, "Taser, taser", and deployed my taser  
3 which was effective. His body stiffened up and he fell to the  
4 ground. Once he fell to the ground, he landed on his stomach,  
5 and I had him prone out. I didn't know if he had any other  
6 weapons concealed on his person, so I didn't feel comfortable to  
7 approach him. He's already displayed that he wanted me dead.  
8 So, I gave him commands to put his hands behind his back and  
9 had my taser pointed at him while I waited for additional deputies  
10 to respond.

11  
12 When I gave him commands to put his hands behind his back,  
13 he complied. And I asked him if he was injured at all if he was  
14 hit, he told me no. And at that point, I could hear sirens from  
15 additional deputies that were responding to the scene. I felt  
16 relieved that partners were there, almost there, to assist me. I  
17 knew that the incident was almost over. I just kept him prone  
18 out on his stomach with his hands behind his back until  
19 additional deputies responded and took him into custody. Once  
20 the suspect was taken into custody, I checked to make sure that  
21 I didn't have any injuries that I didn't know about. Once I did my  
22 self-assessment, I was relieved to find that the only injuries I had  
23 were cuts on my hand and just grateful that I was going to be  
24 able to go home and see my wife and son again.

25  
26 GAGNE: You guys good?

1 [REDACTED] Can we take two?

2

3 GAGNE: Yeah.

4

5 GAGNE: Alright, the time is 1410 hours we'll be taking a short break.  
6 Okay, the time is 1423 hours, we're back to the interview with  
7 Deputy Arlotti. So going back to the very beginning of your story,  
8 you mentioned you do a press check. How often do you do press  
9 checks?

10

11 ARLOTTI: I do it every, before every shift.

12

13 GAGNE: Before every shift. Okay. So at the time of the traffic stop, you  
14 had said you were going northbound on [REDACTED]. Can you clarify  
15 which direction the Honda was going at that point.

16

17 ARLOTTI: So, the Honda was stopped on [REDACTED], was stopped on  
18 [REDACTED] facing east. So, at the intersection he was facing  
19 east. From there he could have continued east through the  
20 intersection on [REDACTED]. He could have turned left to go  
21 northbound on [REDACTED] or turned right to go southbound on [REDACTED].

22

23 GAGNE: Okay. And at that point, or at any point, prior to vehicle yielding,  
24 were you able to see inside the vehicle? Can you describe how  
25 many occupants there were or describe the occupants.

26

27 ARLOTTI: I don't know how many occupants were inside the car. I noticed

28

1 that it had no front plate and that was it.

2

3 GAGNE: Okay. Were you able to see the driver to give any description of  
4 the driver?

5

6 ARLOTTI: No.

7

8 GAGNE: Okay. So, then you got behind it, were you ever able to  
9 broadcast the plate?

10

11 ARLOTTI: No, I called out traffic stop and provided the location. And I was  
12 never able to provide the plate to dispatch.

13

14 GAGNE: Okay. What were your intentions when you initiated the traffic  
15 stop?

16

17 ARLOTTI: To enforce the vehicle code violations for no front plate mounted  
18 to the vehicle, and no rear bumper.

19

20 GAGNE: OK, approximately, can you describe how long did it take for the  
21 vehicle to yield? After you initiated your traffic stop.

22

23 ARLOTTI: I'd say maybe about five to ten seconds, between there.

24

25 GAGNE: Okay. Did you request any additional deputies?

26

27 ARLOTTI: No.

Once the --

[REDACTED]:

At the time of the traffic stop?

GAGNE:

Yeah.

[REDACTED]:

And why didn't you request additional deputies at that time?

ARLOTTI:

A traffic stop is a pretty routine function for patrol. And it usually only requires one deputy response unless the vehicle is wanted or known to be stolen.

[REDACTED]:

And then at some point, did it change? Maybe you didn't overtly state, "I'm requesting additional", but did you indicate to dispatch anything that would necessitate or warrant additional deputies coming?

ARLOTTI:

Yeah, when I called out a foot pursuit. I believed additional deputies would be responding to assist to help apprehend or set up a perimeter for whoever fled from the vehicle.

GAGNE:

Okay. And how rapidly did that unfold? From the time the vehicle stopped to the foot pursuit.

ARLOTTI:

It was very rapid, almost immediate.

1 GAGNE: And what was your mindset when the person started running?

2

3 ARLOTTI: It's extremely unusual behavior for anyone to run from a vehicle  
4 from a traffic stop. I didn't know what the intentions were if this  
5 was a wanted person. It's just not normal behavior for someone  
6 to run. So, I didn't know why they were running what they were  
7 trying to get away from.

8

9 GAGNE: Okay. So, it was determined the person that ran from you was  
10 Joel Chavez. Have you ever contacted Joel Chavez before?

11

12 ARLOTTI: No.

13

14 GAGNE: Did you have any reason to believe Chavez was under the  
15 influence of drugs or alcohol or suffering from mental illness?

16

17 ARLOTTI: No, I never. I didn't believe that initially, and I never was around  
18 to find out if that was the case.

19

20 GAGNE: Okay. Can you describe Chavez's clothing and build.

21

22 ARLOTTI: He was about 5'10 maybe 250 pounds and wore dark clothing.

23

24 GAGNE: Okay. And earlier you said you slowed to a walking pace. I just  
25 wanted to clarify; did you lose visual of Chavez?

ARLOTTI: No.

GAGNE: Describe how Chavez was holding the firearm as he was running.

ARLOTTI: It was in one of his hands and the firearm was swinging as he was swinging his arms back and forth while he was running.

GAGNE: Okay. Describe how Chavez held the firearm when he was shooting.

ARLOTTI: He stood up from behind the block wall and his body was facing me and he extended his arms out with the firearm and began shooting.

GAGNE: So, was he holding it with two hands?

ARLOTTI: I believe it was two hands, yes.

GAGNE: Okay. Do remember how many times he shot at you?

ARLOTTI: Around I would say between eight and 10 times, shot at me eight to 10 times.

1 GAGNE: Okay. Do you remember his cadence of fire? Like rapid, slow?

2

3 ARLOTTI: It was rapid.

4

5 GAGNE: Okay. How many volleys of fire did Chavez shoot at you?

6

7 ARLOTTI: I don't recall.

8

9 [REDACTED] Can you just describe that and break that down further? What  
10 did that feel like? He's firing eight to 10 rounds; you don't know if  
11 it's one or two or 10 volleys. What is it feeling like?

12

13 ARLOTTI: It's feeling that he wanted, he was going to kill me. That the  
14 stance that he took it's, he wasn't running away and shooting. He  
15 took a shooting stance, planted his feet, his body was facing  
16 towards me, and he fired at rapid succession.

17

18 GAGNE: Okay now did he- so you said you didn't remember how many  
19 volleys of fire? But did he duck down behind that wall again after  
20 firing? Or did he duck down and come back up? How did that,  
21 him shooting at you, describe how that went.

22

23 ARLOTTI: So, when I saw him crouched behind the wall and told him to  
24 show me his hands. That's when he stood up and he stepped  
25 away from the wall to a point where he couldn't crouch back  
26 down behind the wall. He stood kind of towards the center of the  
27 driveway and kind of just planted there. So, he could, if he was

28

1 going to go back behind the wall, he would have to take side  
2 steps over.

3

4 GAGNE: Okay. And when he was shooting at you, about how far away do  
5 you think he was from you at that time?

6

7 ARLOTTI: Between 30 to 40 yards.

8

9 GAGNE: Have you had any official training in dealing with someone  
10 armed with the firearm? If so, what did you learn from that  
11 training.

12

13 ARLOTTI: So, we do receive training both during the academy and at  
14 continued professional training, for people with firearms. It's a  
15 very serious situation. The suspect's intentions are never known,  
16 and it induces a lot of stress.

17

18 GAGNE: What is the immediate threat to you, as Chavez holds his firearm  
19 and shoots it at you?

20

21 ARLOTTI: That I'm going to die.

22

23 GAGNE: Okay. Describe your decision to utilize your duty weapon or why  
24 would no other weapon systems have worked?

25

26 ARLOTTI: We're trained to meet deadly force with deadly force, it's in our  
27 policy. It wouldn't make sense to utilize pepper spray or a taser

28

1 with deadly force. And also the distance between him and I  
2 pepper spray or tasers that distance between him and I, tasers  
3 have a maximum of 15 feet to be effective. Pepper spray  
4 wouldn't reach him and the RCB would require very close  
5 contact which is not something that is safe to do. And I wouldn't  
6 feel safe approaching someone who's shooting at me to utilize  
7 any of those.

8  
9 GAGNE: Okay. What training have you received on your Glock 17?

10  
11 ARLOTTI: We're trained to be mindful of our surroundings of potential  
12 backdrops, or not potential backdrops but be mindful of  
13 backdrops, of what's behind the point that we're shooting at. And  
14 that it's a lethal force to use.

15  
16 GAGNE: Okay. Describe your backdrop, was there any potential crossfire  
17 considerations? Residences, businesses?

18  
19 ARLOTTI: My backdrop was, so behind Chavez was a chain link fence. And  
20 behind that chain link fence was [REDACTED]. And on the east  
21 side of [REDACTED] was another apartment complex that was  
22 about 50 yards off of [REDACTED]

23  
24 GAGNE: Okay. And did you have any visual obstructions during the LFE?

25

26 ARLOTTI: No.

27

28

1 GAGNE: Okay. In regard to your, the using of your firearm, can you  
2 describe your stance and grip you used?

3  
4 ARLOTTI: I took an "A" stance, so my feet were about parallel with my torso  
5 and body, facing Chavez, and I extended my handgun out with a  
6 two-handed grip.

7  
8 GAGNE: Did you utilize your sights?

9  
10 ARLOTTI: I attempted to. I pointed my sights towards Chavez, but it was a  
11 point and shoot because he was shooting at me.

12  
13 GAGNE: And what was your point of aim?

14  
15 ARLOTTI: His torso.

16  
17 GAGNE: Okay. And were you moving at all, while shooting?

18  
19 ARLOTTI: No.

20  
21 GAGNE: So earlier you indicated that you had two volleys of fire. The first  
22 volley, do you remember how many rounds that was?

23  
24 ARLOTTI: I'd say between two to four.

25  
26 GAGNE: And what was Chavez doing during those two to four rounds that  
27 you were firing?

28

1

2 ARLOTTI: He was shooting at me.

3

4 GAGNE: Do you recall your cadence?

5

6 ARLOTTI: It was rapid succession.

7

8 GAGNE: Okay. And then what caused you to stop firing the first volley of  
9 fire?

10

11 ARLOTTI: To get behind cover. I didn't want to get shot. So, I went back  
12 behind the wall to get cover. While behind the wall, I thought  
13 about [REDACTED], and I didn't want to die. And then I  
14 thought about Chavez, him fleeing the scene, possibly hurting  
15 someone else, breaking into an apartment or charging towards  
16 me. So, I stepped back out to reassess the situation.

17

18 GAGNE: And what was Chavez doing when you stepped back out?

19

20 ARLOTTI: He was standing in the same location with the handgun still in his  
21 hand pointed at me.

22

23 GAGNE: Okay. Was that, was he still in the same stance you described  
24 earlier?

25

26 ARLOTTI: Yes.

27

28

1 GAGNE: Okay. And then how many rounds was your second volley of  
2 fire?

3

4 ARLOTTI: I'd say between six to 10.

5

6 GAGNE: Okay. What was the cadence on that one?

7

8 ARLOTTI: It was rapid succession.

9

10 GAGNE: And what was Chavez doing during that cadence of fire or volley  
11 of fire, I'm sorry.

12

13 ARLOTTI: Initially, he was standing there with the handgun pointed at me  
14 and then he started to kind of hop side to side.

15

16 GAGNE: Okay. Do you remember seeing anyone else in the area at the  
17 time of the shooting?

18

19 ARLOTTI: No.

20

21 GAGNE: What was your intent when you fired your weapon?

22

23 ARLOTTI: To stop the threat.

24

25 GAGNE: What do you think would have happened if you did not fire your  
26 weapon?

27

28

1 ARLOTTI: He would have killed me.

2

3 GAGNE: And on that second volley of fire, why did you stop firing?

4

5 ARLOTTI: He started to walk backwards and turned away from me, and  
6 then started climbing up the fence that was behind him.

7

8 GAGNE: And then you said at that point, that's when you ran towards the  
9 fence as well. And you said you did see a firearm on the ground  
10 near the fence?

11

12 ARLOTTI: Yeah, I started running towards the fence once he completely  
13 jumped over it and started running toward the vehicles.

14

15 GAGNE: Okay. Did you or anyone else touch that firearm that was on the  
16 ground?

17

18 ARLOTTI: I didn't. I can't speak for anyone else.

19

20 GAGNE: Okay. And then, so just to clarify, during the arrest, you said you  
21 had him on the ground, he complied at that point. And you  
22 waited for, your partners to arrive. Do you recall who arrived?

23

24 ARLOTTI: Deputy Ponce was first on scene and I told him where the gun  
25 was. And Deputy Delgado was second on scene and he's the  
26 one who placed Chavez in handcuffs.

27

28

1 GAGNE: Okay. That was my next question. I'm sorry, just back, I missed  
2 this one. You had said after you jumped the fence, you saw  
3 Chavez in the parking lot. And you said you gave him additional  
4 commands, where was he in the parking lot in relation to his  
5 vehicle and your vehicle at that point?  
6

7 ARLOTTI: He was about maybe 10 to 15 feet away from his vehicle and  
8 similar distance from my vehicle, because I parked my vehicle  
9 directly behind his.  
10

11 GAGNE: Okay. Was there any medical aid requested after he was taken  
12 into custody?  
13

14 ARLOTTI: I know an unknown unit requested for medical aid to respond.  
15 And as I was leaving the scene to go back to the station, Apple  
16 Valley Fire Department was there.  
17

18 GAGNE: Okay. Are you aware of Chavez sustaining any injuries?  
19

20 ARLOTTI: No, I'm not aware.  
21

22 GAGNE: That's all I got.  
23

24 [REDACTED]: But you did ask him if he was hit, and he said no.  
25

26 ARLOTTI: Yeah, I know he didn't sustain any gunshot wounds. I asked him  
27 two separate times if he was hit, and he told me no both times.  
28

1

2

GAGNE: Okay. Did he say anything else to you?

3

4

ARLOTTI: No.

5

6

PAGE: You doing, okay?

7

8

ARLOTTI: Mm-hmm.

9

10

PAGE: Got a few follow-up questions. Prior to this interview that we're having today, what audio and video did you review?

11

12

13

ARLOTTI: I reviewed my belt recording audio, and I reviewed a video that, from a Ring camera that just contained audio of the shooting.

14

15

16

PAGE: Describe your patrol vehicle that you're driving that day.

17

18

ARLOTTI: It's a Ford Explorer and says, "Police" on the driver side and passenger side of the vehicle and has a San Bernardino County Sheriff's star on each side. On the rear passenger doors, it says "Apple Valley". It contains a black push bar, has two spotlights mounted to the driver side and passenger side A-pillar and it has a light bar that contains red, blue, and white lights, and has a solid forward-facing red light on the light bar as well.

19

20

21

22

23

24

25

26

PAGE: Now when you were talking about initiating or starting your shift for the day and you referenced that you make sure all your lights

27

28

1 worked. Were those the lights that you were referring to?

2

3 ARLOTTI: Yes.

4

5 PAGE: Describe the area that this traffic stop was conducted.

6

7 ARLOTTI: It was a urban area. There's apartment complexes and houses  
8 on the east and west side of [REDACTED] And the intersection of  
9 [REDACTED] is a four-way stop and has limit  
10 lines painted on each roadway for [REDACTED]  
11 [REDACTED] There's stop signs for each corner of the intersection as  
12 well.

13

14 PAGE: Have you been to this apartment complex where this LFE  
15 occurred, [REDACTED] Have you been there before?

16

17 ARLOTTI: Yes, I have. That apartment complex, I believe it has two  
18 different addresses for each building. And I responded to a call  
19 for service at the building south of where the shooting occurred.

20

21 PAGE: Had you had any prior knowledge or contact with that white  
22 Honda this traffic stop was initiated on?

23

ARLOTTI: As soon as I exited my patrol vehicle to chase after Chavez.

PAGE: At what point... did you already exit your patrol vehicle when you broadcast that you were in foot pursuit?

ARLOTTI: No, I was still in the driver's seat. And I used the vehicle radio to broadcast "foot pursuit", and that's when I started running.

PAGE: And you described that the passenger opened, and that Chavez exited the front passenger door is that correct?

ARLOTTI: Yes.

PAGE: Did you have any indication or any belief that he was either the driver or the passenger of that vehicle?

ARLOTTI: I thought he was the driver that utilized the passenger door to exit the vehicle.

PAGE: Describe the immediate area where this traffic stop was conducted, the front of [REDACTED] Describe how that's laid out.

ARLOTTI: So, it's the apartment complex, is on the west side of [REDACTED]  
[REDACTED] There is a block wall to the parking lot which contained an opening for the parking lot. In that

1 driveway opening it's kind of like a hump to get over. So as soon  
2 as you drive over your front-end kind of lifts and then comes  
3 back down and it's, I'd say it's like an oversized speed bump.  
4 And then there's a concrete for the parking lot and west of the  
5 parking lot is the apartment buildings.  
6

7 PAGE: Is the front of this apartment complex relatively contained to  
8 vehicle traffic to just a couple of entrances and exits? Or is it all  
9 open? That a vehicle can come and go from anywhere?  
10

11 ARLOTTI: It's relatively contained. So, for that apartment complex, there's a  
12 driveway opening on the north side, and then about maybe 50  
13 yards south of that opening there's an additional opening.  
14

15 PAGE: Is the front entranceway into the kind of the main area courtyard  
16 of this apartment complex, describe you get into that complex.  
17

18 ARLOTTI: Of the courtyard?  
19

20 PAGE: Yes.  
21

22 ARLOTTI: So, there was a, it's a, entryway that's about six feet wide. And  
23 there's a wooden fence that restricts that opening to maybe  
24 about four feet. And that wooden fence is butted-up to the  
25 apartment, the stucco of the apartment building, and then  
26 creates like a 90-degree corner where the wood and the stucco  
27 meet up to one another.  
28

1

2

PAGE: Were there any other citizens or civilians walking around present in the driveway area of this apartment complex when you did your traffic stop?

3

4

5

6

ARLOTTI: No.

7

8

PAGE: Do you see anyone else walking around?

9

10

ARLOTTI: No.

11

12

PAGE: When you enter that courtyard after the foot pursuit initiated, you see anyone else walking around or see anybody else there?

13

14

15

ARLOTTI: No.

16

17

PAGE: At what point, in relation to where you were, did you see Chavez with that gun initially?

18

19

20

ARLOTTI: As soon as I entered that entryway to the apartment complex courtyard, he was about, I'd say 30 yards, away from me and I saw him running with the gun in his hand.

21

22

23

24

PAGE: It—go ahead sorry.

25

26

ARLOTTI: I was going to say, he was running west through that apartment complex, towards another opening to a dirt area west of the

27

28

1 buildings.

2

3 PAGE: Is that kind of like backyard?

4

5 ARLOTTI: Yeah, it's I guess you can say it's like a backyard. It's just kind of  
6 like an open dirt area that's confined with a chain link fence and  
7 that chain link fence separates that dirt area and the easement  
8 west of.

9

10 PAGE: When you initially, when you first saw him with a gun, how far in  
11 front of, or how far away was Chavez from you?

12

13 ARLOTTI: I'd say about maybe 30 yards.

14

15 PAGE: At what point did you make your first command or  
16 announcement to Chavez?

17

18 ARLOTTI: As soon as I entered the entryway to the courtyard from the  
19 parking lot, I saw he had a gun. I told him to drop the gun.

20

21 PAGE: What was his reaction to that command?

22

23 ARLOTTI: He continued running, he didn't listen to me.

24

25 PAGE: Did you make any radio broadcasts after you saw him with the  
26 gun?

27

28

1 ARLOTTI: Yes, I utilized my handheld radio and said that he has a gun.  
2  
3 PAGE: Okay. When you first saw him with a gun, what is going through  
4 your mind when you see him initially with that gun?  
5  
6 ARLOTTI: My heart started racing. Just went from a foot pursuit for  
7 unknown reasons to a man with a gun. Tons of things are going  
8 through my mind. He could take a hostage, he could shoot at  
9 me, he could ambush me. I was scared. I don't know what his  
10 intentions were with that gun.  
11  
12 PAGE: Do you believe that he was an immediate threat to you or  
13 anybody else?  
14  
15 ARLOTTI: Yes.  
16  
17 PAGE: In relation to the Penal Code, what crime do you believe is may  
18 be occurring?  
19  
20 ARLOTTI: Possession of a –  
21  
22 PAGE: A felony or misdemeanor or...  
23  
24 ARLOTTI: Yeah, it could have been a felon in possession of a handgun,  
25 could have been a misdemeanor possession of a handgun in a  
26 public area.  
27  
28

1 PAGE: Have you, in your experience, contacted someone running from  
2 you in any capacity or any situation, that's armed with a  
3 handgun?

4  
5 ARLOTTI: Not running with, not running away from me with a handgun, but  
6 I have contacted people with concealed firearms in vehicles. I've  
7 contacted people during investigations of brandishing a firearm  
8 in a public place, or concealing firearms and vehicles.

9  
10 PAGE: When you initially saw Chavez around the corner and behind  
11 that small wall where he was hiding behind. Describe how he  
12 initially, his body position in relation to that wall, initially when you  
13 very first saw him.

14  
15 ARLOTTI: So, the small wall, it was like a three-foot block wall that  
16 contained a small opening, and it was kind of like a back patio for  
17 an apartment. So, he was crouched down behind the wall, and  
18 he was crouched down to a point where I could just see kind of  
19 like his shoulder and his head. And he was facing to, he was  
20 facing the north. So, he was facing north, where he was  
21 crouched down behind that wall.

22  
23 PAGE: Now, the wall that you were pieing, is that the northwest corner  
24 of [REDACTED]

25  
26 ARLOTTI: Yes.

27  
28

1 PAGE: And throughout your, as you're describing your walking and you  
2 use that wall for cover. Is that the wall that you were referring to?

3  
4 ARLOTTI: Yes.

5  
6 PAGE: Prior to now seeing him by this initial contact now that he's hiding  
7 behind the wall, did you broadcast any information over the  
8 police radio?

9  
10 ARLOTTI: When I first saw him?

11  
12 PAGE: From your initial broadcast that he's armed with a gun, or he has  
13 a gun, until you see him. Did you make any more radio  
14 broadcasts?

15  
16 ARLOTTI: No.

17  
18 PAGE: Up until then. Did you hear anyone make any broadcasts? Or  
19 was there anyone responding that you were aware of?

20  
21 ARLOTTI: I heard radio broadcasts of unknown units or unknown deputies  
22 asking for my location, and that was it. I just heard of dispatch  
23 asking for my location and other deputies asking for my location.

24  
25 PAGE: Were you able to provide them with that information that they  
26 were requesting?

27  
28

1 ARLOTTI: Yeah, I attempted to. So, there were multiple radio transmissions  
2 of people asking for my location. And I don't know when, or how  
3 many times exactly, I know it was multiple times, but I attempted  
4 to put out on the radio multiple times [REDACTED]. I  
5 don't know if that went through or not. I don't know when at what  
6 point I put those out, but I know I put, I attempted to put that  
7 radio traffic out.

8  
9 PAGE: As you're pieing this corner, did you have your duty handgun out  
10 unholstered?

11  
12 ARLOTTI: Yes.

13  
14 PAGE: Did you have it pointed in Chavez' general direction as you're  
15 pieing this corner?

16  
17 ARLOTTI: Yes.

18  
19 PAGE: Did you have to activate any tactical lighting as you're pieing this  
20 corner?

21  
22 ARLOTTI: No, the time of day provided sufficient lighting for that particular  
23 scenario. So, I didn't use any, I didn't use my tac light or my  
24 flashlight.

25  
26 PAGE: But he's hiding behind this wall, is it rainy, is it dark, is it  
27 shadowed at all on that side of the house, of that apartment?

28

1

2

ARLOTTI:

I can't recall. I don't know where the sun was in relation to providing shadow cover.

3

4

5

PAGE:

And then just to be clear, he is, is this wall that he's hiding behind, is on the north side of [REDACTED] is that correct?

6

7

8

9

ARLOTTI:

Yes.

10

11

PAGE:

Okay. As you first saw Chavez stand up and point that handgun at you, and he began firing, what if anything did you do to mitigate being struck by gunfire by him? If anything?

12

13

14

15

ARLOTTI:

I just fired back to stop the threat.

16

17

PAGE:

Okay. So, he's firing at you and you're firing at him at the same time or relatively around the same time?

18

19

20

ARLOTTI:

I--

21

22

[REDACTED]

Well, hold on. He fires at you first, right?

23

24

ARLOTTI:

Yes.

25

26

[REDACTED]:

So, you guys aren't firing at the same time at least initially?

27

28

1 ARLOTTI: Correct.

2

3 [REDACTED]: And only after him taking rounds, or you taking rounds, do you  
4 fire back?

5

6 ARLOTTI: Yes.

7

8 [REDACTED]: And then are you in a firefight, essentially simultaneously?

9

10 ARLOTTI: Yes.

11

12 [REDACTED]: Okay.

13

14 PAGE: Now this portion that you were forced to return fire, did you back  
15 away behind that northwest corner at all to for any type of cover?  
16 Was there any cover available to you?

17

18 ARLOTTI: Yeah, cover was available for, to me. After the initial volley I  
19 utilized that cover, which was the northwest wall, that I initially  
20 pied.

21

22 PAGE: Did you hear any bullets fly by, did you hear any bullets strike  
23 any objects around you, as Chavez is shooting at you?

24

25 ARLOTTI: I don't know.

26

27 PAGE: Okay.

ARLOTTI:

I heard his gunshots and that was it.

PAGE:

And your best estimate from the time that he ran from that car and the time that he starts shooting at you, how much time elapsed? How much time are we talking about?

ARLOTTI:

Maybe 20 seconds.

PAGE:

Did Chavez say anything to you prior to him shooting at you, at any point?

ARLOTTI:

No.

PAGE:

Okay. When asked in regards to if the suspect had any reaction to your returned gunfire, you said that he kind of hopped side to side. Describe what that is and what is exactly occurring.

ARLOTTI:

So, that was during the second volley when I came back out from behind cover to reassess. He was jumping to like his left and right so he would take a jump to his left and then would jump to his right. I don't know if maybe he was doing that to avoid my gunfire or what. I don't know what it was for.

PAGE:

As he's hopping side to side is he facing you while he's making those movements?

1 ARLOTTI: Yeah, so he's not turning his body and jumping to the right then  
2 jumping to the left. He still has, his body is still facing me and  
3 he's taking like side jumps. So, at no point did he turn his body  
4 away from me while he was making these jumping movements.  
5

6 PAGE: Okay. Do you remember what Chavez was wore?  
7

8 ARLOTTI: Dark color clothing, dark t shirt.  
9

10 PAGE: As Chavez is on this back area near that patio, were there any  
11 objects that he was trying to utilize for cover while he's hopping  
12 side to side?  
13

14 ARLOTTI: No, he was hopping side to side in the driveway. So, he never  
15 hopped back behind that short block wall to utilize it for cover.  
16

17 PAGE: Okay. And the driveway, is that the patio that you were the rear  
18 patio that you were talking about?  
19

20 ARLOTTI: Yeah, so it's kind of it's like one. It's multiple sections of concrete  
21 slabs and it was believed to be a driveway, and to kind of  
22 describe it more, the driveway was up against the north fence  
23 line of that apartment complex. And there were these block walls  
24 that I believe were used as like patios from the backsliders of the  
25 apartments. It was all connected to that driveway. If that makes  
26 sense.  
27  
28

1 PAGE: It does, thank you.

2

3 ARLOTTI: Okay.

4

5 PAGE: Did you reload your weapon at any time?

6

7 ARLOTTI: No.

8

9 PAGE: Once Chavez was detained, did he make any spontaneous  
10 statements?

11

12 ARLOTTI: I believe he -- no, just me asking him if he was hit and he said  
13 no. I don't recall any spontaneous statements.

14

15 PAGE: Okay. Did at any point did you make any, ask any assertions or  
16 any conclusions that Chavez was under the influence of drugs or  
17 alcohol, or having any type of a mental episode, or suffering from  
18 any type of medical, mental condition?

19

20 ARLOTTI: No.

21

22 [REDACTED] Did you have enough time to assess that? Like, can you talk  
23 about that a little bit?

24

25 ARLOTTI: Yeah. So, with how fast everything evolved from just a traffic  
26 stop to a shooting, I didn't have time to conduct any field tests to  
27 see if he was under the influence of alcohol, or under the

28

1 influence of any drug, or see if he was suffering from a mental  
2 health or medical episode. I was never close enough to him to  
3 determine any of that stuff. So, I wasn't able to do a field  
4 assessment to determine any of those things because of our  
5 distance from one another and how fast the situation evolved.  
6

7 PAGE: After Chavez was detained, was there any more force used on  
8 him by you, or that you witnessed?  
9

10 ARLOTTI: No. After Chavez was detained, Deputy Delgado searched him  
11 to make sure he didn't have any weapons. I found an ID card in  
12 a wallet that was removed from one of his pockets. And after I  
13 conducted a record check of that ID card, I walked away from  
14 where Chavez was detained.  
15

16 PAGE: Once you confirmed Chavez' identity, had you had any prior  
17 contacts with him to your knowledge?  
18

19 ARLOTTI: No.  
20

21 PAGE: Did you search that white Honda after Chavez was detained?  
22

23 ARLOTTI: I didn't, no.  
24

25 PAGE: Tell me what you did with your taser cartridge after it was  
26 deployed.  
27  
28

1 ARLOTTI: After it was deployed, I kept the cartridge in the taser until  
2 Chavez was handcuffed. And once Deputy Delgado handcuffed  
3 Chavez, I removed the cartridge from my taser, and I set it on a  
4 post of a fence, and I left it there and I reholstered my taser.

5  
6 PAGE: Did you see any items of potential evidence moved or removed  
7 from the scene?

8  
9 ARLOTTI: No.

10  
11 PAGE: Was his car moved? Or the white car moved at any point?

12  
13 ARLOTTI: No.

14  
15 PAGE: Was your vehicle, your patrol vehicle, moved at any point?

16  
17 ARLOTTI: No.

18  
19 PAGE: Did you go back over to where Chavez' gun, where you saw it on  
20 the ground, did you go back to that area at any point?

21  
22 ARLOTTI: From the parking lot on the west side of the, correction on the  
23 east side of the fence, that Chavez and I both jumped over. I  
24 walked over to the fence line and just pointed to where the  
25 firearm was for additional deputies that arrived on scene.

26  
27 PAGE: You have additional?

28

1

2

GAGNE: Just the map.

3

4

PAGE: Do you have any additional?

5

6

[REDACTED]

Yeah, from start to finish, how long is the gunfight? So from first round to the final round? How many seconds do you estimate?

7

8

9

ARLOTTI: Estimate or how many seconds –

10

11

[REDACTED]

Roughly.

12

13

ARLOTTI: --it felt like?

14

15

16

[REDACTED]

Well, we'll get there.

17

18

ARLOTTI: Okay.

19

20

[REDACTED]

How long do you estimate in actual time, does the shooting take place for?

21

22

23

ARLOTTI: Between 15 and 20 seconds.

24

25

[REDACTED]

So pretty short pretty fast.

[REDACTED]:

And then how long does it feel like when you're taking rounds?

ARLOTTI:

It felt like a minute. After the first initial volley when I went back by that northwest wall for cover. I felt like I was behind the wall for 20 seconds, just thinking about my wife and my son, and that I could stay behind there and not die. But then I know I needed to reassess the situation to see what was happening. So, for total, it felt like a minute that the entire gunfight lasted.

[REDACTED]:

That's all I have, thanks.

PAGE:

Real quick, at what point did you realize that your belt recorder was not activated?

ARLOTTI:

After I tased Chavez, I looked down and I saw that the red light wasn't activated on my belt recording. So, I knew that my belt recorder was not activated. So I pushed the button on, the record button on my recorder, and ensured that the red light turned on.

PAGE:

Okay. We'll take a break. Real quick, before we do that. Time is 1510 hours and we're going to take a break.

GAGNE:

Alright the time is 1525 hours. We are back on the record with Torey's interview. Alright, Torey so can you tell me at what point did you realize that Chavez was no longer armed?

1 ARLOTTI: When he was running south through the apartment complex. I  
2 saw that he didn't have any anything in his hands.

3  
4 GAGNE: Was that after he jumped the fence?

5  
6 ARLOTTI: Yes.

7  
8 GAGNE: Okay. And what did you do once you realize he was no longer  
9 armed?

10  
11 ARLOTTI: So, I knew there was no weapons in his hands. It was still  
12 unknown if he had anything else concealed in his person. But  
13 when I saw that there was nothing in his hands, I holstered my  
14 duty weapon, and I drew my taser. Turned it on, pointed it at him  
15 said, "Taser, Taser", and deployed the taser.

16  
17 GAGNE: How far do you think he was away from you when you deployed  
18 your taser?

19  
20 ARLOTTI: About six feet.

21  
22 GAGNE: Can you describe the effectiveness of the taser?

23  
24 ARLOTTI: It was effective. His body locked up. I believe I achieved  
25 neuromuscular incapacitation, which is when their body stiffens  
26 up, and he fell to the ground.

1 GAGNE: Okay. What was your point of aim when you deployed the taser?

2

3 ARLOTTI: So I aimed my taser at his upper back, and based off my training  
4 with the taser, the barbs kind of separate, and by me aiming at  
5 his back, it was kind of his lower back area, I believed that could  
6 have gotten one barb above his belt line and one barb below his  
7 belt line.

8

9 GAGNE: Were you able to see where the barbs landed.

10

11 ARLOTTI: Not initially, I didn't see until he was on the ground, where they  
12 impacted.

13

14 GAGNE: Okay. Do you remember how he fell?

15

16 ARLOTTI: He fell forward onto his stomach.

17

18 GAGNE: And that was during his muscular incapacitation?

19

20 ARLOTTI: Yes.

21

22 GAGNE: Okay. And was he compliant after that?

23

24 ARLOTTI: Yes, after that he was.

25

26 GAGNE: Okay. When was the last time you sparked tested your taser?

27

28

1 ARLOTTI: I don't know.

2

3 GAGNE: Okay. Do you know if your, like the date and time settings were  
4 correct on your taser?

5

6 ARLOTTI: To my knowledge, yes.

7

8 GAGNE: We're going to go back to the shooting. Were you able to see  
9 where your rounds impacted?

10

11 ARLOTTI: No.

12

13 GAGNE: Do you know where they were they went?

14

15 ARLOTTI: So initially, I believed that he was struck by gunfire, or they  
16 impacted somewhere behind him. I didn't see any impacts in the  
17 ground in front of me or to the apartment building to my right.

18

19 GAGNE: Are you aware of your partners or anyone else doing a safety  
20 sweep? And did you ever learn where your rounds went?

21

22 ARLOTTI: I didn't see my partner's conducting a safety sweep, but I heard  
23 over the radio, that they were checking the area for bullet strikes.  
24 I don't know the address, but I heard an unknown unit say that  
25 there were bullet strikes at a location on [REDACTED]

26

27 GAGNE: Okay. Do you know, you mentioned earlier you sustained some

28

1 injuries, maybe some cuts and scrapes. Do you know how those  
2 injuries were obtained?

3

4 ARLOTTI: I believe it was from jumping over the fence to pursue Chavez  
5 after he jumped over that chain link fence.

6

7 GAGNE: Okay. How tall was that fence? Estimate.

8

9 ARLOTTI: About six feet, six feet tall.

10

11 GAGNE: Okay. So, what do you believe the result of the traffic stop would  
12 have been had Chavez not ran?

13

14 ARLOTTI: Could have resulted in a citation for the no front license plate and  
15 no rear bumper. I was also made aware of some other violations  
16 that were present on the vehicle that I was not aware of at the  
17 time.

18

19 GAGNE: Okay. What would you have done had Chavez dropped the gun  
20 during the foot pursuit?

21

22 ARLOTTI: I still would have pursued Chavez. It's not uncommon for a  
23 person to be in possession of a handgun, and to have a second.  
24 It's not uncommon for someone to have an additional handgun  
25 or a deadly weapon on them.

26

27 GAGNE: Okay. Now, what would you have done had he dropped the gun,

28

1 stopped and put his hands in the air during that foot pursuit?

2

3 ARLOTTI: I would have pointed my duty weapon at him and gave him  
4 verbal commands to move away from the gun and go through a  
5 similar to a high-risk traffic stop. So, I would have had him move  
6 away from the gun. I would have had him lift his shirt exposing  
7 his waistband to confirm that there were no other weapons  
8 concealed on his person. Ordered him to lay prone on his  
9 stomach, place his hands behind his back, cross his feet and  
10 move his feet towards his butt. And I would have held him at  
11 gunpoint at that position until additional deputies responded to  
12 assist with apprehending him.

13

14 GAGNE: Do you have any questions on the follow up?

15

16 PAGE: Just one in regard to the taser.

17

18 ARLOTTI: Mm-hmm.

19

20 PAGE: In in regard to your training with a taser that you've received. To  
21 obtain that neuro muscular incapacitation, what is the optimal  
22 point of aim for the taser?

23

24 ARLOTTI: In the back.

25

26 PAGE: And is that where you were aiming?

27

28

1 ARLOTTI: Yes.

2

3 PAGE: That's all I have.

4

5 GAGNE: Alright, Torey I'm going to show you a map. This is a Google  
6 image from Google Maps. So, it's overhead image of the  
7 apartments at [REDACTED] Does that look like a accurate  
8 representation of the apartment complex during that day?

9

10 ARLOTTI: Yes.

11

12 GAGNE: Is there anything in the photo that was not there in real life that  
13 you noticed or anything in real life you saw, that's not in the  
14 photo?

15

16 ARLOTTI: The vehicles parked in the parking lot may not have been there.

17

18 GAGNE: Okay. Do you know which direction is north by looking at this  
19 photo?

20

21 ARLOTTI: Yes.

22

23 GAGNE: Can you just draw an arrow over here on this right corner, which  
24 way is north. Okay, so this photo shows two, looks like single  
25 story apartment buildings. They're both kind of a horseshoe  
26 shape. And you said in your prior experience these two buildings  
27 have different addresses?

28

1

2

ARLOTTI: Yes.

3

4

GAGNE: Okay. So, I'm going to ask you to draw in red, the location where the suspect vehicle stopped.

5

6

7

ARLOTTI: Okay.

8

9

GAGNE: In the initial traffic stop.

10

11

PAGE: In your best estimate.

12

13

ARLOTTI: Okay.

14

15

GAGNE: Okay. So, that is in front of the north building, horseshoe shaped building. So, I see here the property is fenced off and there's two driveways. Is that accurate to what you saw that day?

16

17

18

19

ARLOTTI: Yes.

20

21

GAGNE: And you drew the suspect vehicle parked in the parking lot in front of the north driveway. Is that the driveway he entered?

22

23

24

ARLOTTI: Yes.

25

26

GAGNE: During the stop?

27

28

1 ARLOTTI: Yes.

2

3 GAGNE: Okay. Now I'm going to ask you to draw in blue where you  
4 stopped your vehicle, on the traffic stop, best estimate. Okay.  
5 And so, you drove through the north driveway as well?

6

7 ARLOTTI: Yes.

8

9 GAGNE: Okay. From there if you could draw a line in red, of his direction  
10 of travel, after he exited the vehicle.

11

12 PAGE: Until the LFE.

13

14 GAGNE: Okay.

15

16 ARLOTTI: And for his direction of travel that this north building has a roof  
17 covering the entryway. Do you just want me to draw through the  
18 roof?

19

20 [REDACTED] Sure. You're saying that's the hallway area or what would you  
21 characterize it as?

22

23 ARLOTTI: Yeah, as the entryway to the courtyard that contained that  
24 wooden fence that butted-up to the stucco.

25

26 [REDACTED] Okay.

27

28

1 GAGNE: Was that wooden fence open?

2

3 ARLOTTI: Yes. Then after I lost sight of him, I don't know his exact travel.  
4 Do you just want me to generalize the area?

5

6 GAGNE: So, this is where you lost sight of him?

7

8 ARLOTTI: Yes.

9

10 GAGNE: Okay, that's perfect. So, in blue--

11

12 PAGE: Can you put a break a line on that?

13

14 ARLOTTI: Mm-hmm.

15

16 PAGE: Where you lost sight of him and then leave the rest blank and  
17 then just put a number one where he was when you first saw  
18 him.

19

20 ARLOTTI: Okay. First --

21

22 PAGE: Before the LFE.

23

24 ARLOTTI: Okay. Can I do like a circle for a general area and put a one  
25 there?

26

27 PAGE: Yeah, absolutely. It's all --

28

1

2

GAGNE: General.

3

4

PAGE: --your best estimate.

5

6

GAGNE: Okay. Now in blue, if you could just show your direction of travel.

7

Blue is kind of running out.

8

9

PAGE: Do you want me to get another blue?

10

11

GAGNE: Yeah, or we have to use black.

12

13

PAGE: Black is fine.

14

15

ALVARADO: Black is fine.

16

17

GAGNE: We'll use black for your direction of travel.

18

19

ARLOTTI: Alright.

20

21

PAGE: And again, this is till the LFE.

22

23

ARLOTTI: Okay. And then do you want me to circle where I ended for  
general area?

24

25

26

PAGE: That's fine.

27

28

1 GAGNE: Okay. So, you stopped just outside the northwest corner and  
2 that's where you were during the LFE?

3

4 ARLOTTI: Yeah. Somewhere in that dirt area at the end of it.

5

6 GAGNE: And he was right here?

7

8 ARLOTTI: Yes.

9

10 GAGNE: Okay. And just to clarify your earlier statement. You said you lost  
11 visual here. And at what point did you kind of start slow walking  
12 and pieing corners?

13

14 ARLOTTI: I started slow walking about right here where this fence line is for  
15 this tennis court or whatever that is.

16

17 GAGNE: Okay. And did pie this southwest corner as well, on the north  
18 building?

19

20 ARLOTTI: Yeah, to the best that I could. It was a tight entryway between  
21 the fence and the southwest corner of that wall.

22

23 GAGNE: Okay. Now let's go with or if you can use that black marker and  
24 draw where the chain link fence was that you talked about you  
25 both jumped over and the firearm was located, you saw the  
26 firearm on the ground near. Okay, is that circle where the firearm  
27 was?

28

1

2 ARLOTTI: Yeah, in that area.

3

4 GAGNE: Okay. Now we'll do red again for his next direction of travel after  
5 the LFE.

6

7 PAGE: And if you can do just do some broken lines, just do a broken  
8 line where he traveled after the LFE.

9

10 ARLOTTI: Okay. And then from the broken line do you just want to start a  
11 new line where I saw him again?

12

13 GAGNE: So, is this line indicating you lost visual of him again?

14

15 ARLOTTI: Yes

16

17 GAGNE: Okay. And then yeah, let's start --we'll do another broken line  
18 where you saw him again.

19

20 ARLOTTI: Sorry it's kind of overlapping.

21

**VIDEO SURVEILLANCE COLLECTION:**

On Thursday, February 9, 2023, at approximately 2015 hours, I was contacted by [REDACTED], who stated he spoke to Apple Valley Sheriff Station deputies through his Ring security system earlier in the day. [REDACTED] stated he had recorded video of two unknown female subjects who ran through his yard during the time of the lethal force encounter, which occurred at [REDACTED]. [REDACTED] provided me with the two videos recovered from his Ring cameras. I later downloaded the videos into the case file.

**NARRATIVE****ASSIGNMENT/ ARRIVAL:**

On 02/09/2023, I was assigned to uniformed traffic enforcement in the Town of Apple Valley. At about 1505 hours, I assisted Deputy Arlotti with a traffic stop, after he broadcasted shots were fired.

**OFFICER OBSERVATION/ ACTION:**

I responded to the area of [REDACTED]. When I arrived I noticed an apartment on the west side of Kiowa Road, which had an address of [REDACTED]. There was a patrol vehicle in the driveway to the apartment behind a white two door Honda Civic. The Honda had the passenger door open and no one was inside of the vehicle. I used a digital camera and took photographs of the scene including the located firearm and fire cartridge casings.

**WITNESS CONTACT:** [REDACTED]

I spoke with [REDACTED] at her residence, located at [REDACTED]. [REDACTED] stated she was inside of her house and came outside to get a box of cookies out of her vehicle. [REDACTED] heard Deputy Arlotti yelling for someone to get on the ground and heard a "pop" noise, which she believed was the sound of a taser. [REDACTED] noticed a Hispanic female crying and walking south on [REDACTED]. The female was described to have short dark hair and wore light colored clothing and carried a unknown color purse. The female continued south on [REDACTED], passed [REDACTED] house, and continued east out of [REDACTED] sight.

**WITNESS CONTACT:** [REDACTED]

I spoke with [REDACTED] at her residence, located at [REDACTED] apartment [REDACTED] was in the living room of her apartment and heard a noise coming from the community laundry room to the south side of her apartment. [REDACTED] thought the noise was one of the tenants at the apartment complex. [REDACTED] noticed Deputy Arlotti approaching from the front of the apartment complex with his gun drawn, pointed toward her apartment complex. Arlotti yelled "drop the gun!" and "get on the ground!" [REDACTED] heard several "bangs," which she thought were gun shots. [REDACTED] grabbed her baby and went into the kitchen to try to protect herself and her baby. The gun fire continued, but sounded like the sound was coming from the north side of her apartment near her patio door. [REDACTED] did not have any additional information.

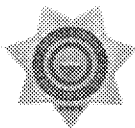

**WITNESS CONTACT:** [REDACTED]

I spoke with [REDACTED] at his residence, located at [REDACTED] apartment [REDACTED]. [REDACTED] stated he was inside of his apartment and heard Deputy Arlotti yell for someone to get on the ground. [REDACTED] heard what sounded like six gun shots from two different firearms. One firearm sounded like a normal gun and the other sounded like a CO2 pellet gun. [REDACTED] had no additional

On 02/09/23, I was assigned to the APS/CPS Deputy position in the town of Apple Valley driving an unmarked patrol unit. I arrived to the incident location at approximately 1604 hours to assist with the investigation.

**OBSERVATIONS:**

Upon arriving on scene I observed a marked sheriff's patrol unit parked just inside the driveway entrance to the incident location of [REDACTED] facing west. The unit had it's "code 3" lights on, which was a flashing blue and white with a solid red light. All lights were flashing in a full 360 degree area. The unit was parked directly behind a white Honda sedan which was also facing west towards the garage doors of the apartment complex. I observed the rear bumper to the Honda sedan was missing. Approximately 30 feet north / northwest of the two vehicles was the entrance gate to the apartments on the north side of the complex. About 2 to 3 feet west of the entrance I observed a compact sized black pistol laying on the ground the with slide locked to the rear and a magazine loaded inside. The barrel of the gun was pointed to the east where it came to rest on the concrete sidewalk.

**WITNESS INTERVIEW:** [REDACTED]

On 02/09/23, at about 1641 hours I knocked on the front door to the residence located at [REDACTED]. The location is the residence directly adjacent to the north of the incident location.

I made contact with a [REDACTED] at the front door who identified himself as the homeowner. I advised him that a shooting had taken place just next door to his home and I was doing a safety check to make sure he was not injured. I also told him I wanted to check if any bullets had penetrated his house. [REDACTED] advised me he was okay and uninjured. He invited me inside his home before taking me into his backyard to check around the exterior for any bullet holes. I inspected the south and west side of the home and found no signs of any bullets striking his home.

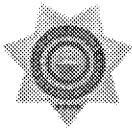

I then spoke to him again on his back patio and asked him if heard or saw anything. [REDACTED] said he was sitting on his couch in his living room when he heard what he thought was banging on his backyard screen door. He walked over to his door and looked through the blinds and out of the window of the door. When he looked to the south he said he could see a deputy standing in the dirt on the other side of the chain link fence to the property to the south of him. He described the deputy standing between the second and third pole east of the western edge of the fence line and about center to the sidewalk he was facing.

The deputy was facing east and pointing his firearm in the same direction. He could hear the deputy yelling at an unknown person saying, "Get down! Get down on the ground!" [REDACTED] was unable to see the person the deputy was yelling at. At this moment [REDACTED] backed away from his door and ran to his bedroom hallway before getting down on the ground in case there was gunfire and bullets came into his house. [REDACTED] said he did not remember if there was anymore gunfire after he took cover in his hallway.

**NARRATIVE****SUPPLEMENTAL REPORT****ASSIGNMENT/ARRIVAL:**

On Thursday, February 9, 2023, I was assigned to uniformed patrol in the Town of Apple Valley with Field Training Officer, Deputy B. Clancy. I wore my Class A uniform and drove a marked patrol vehicle. At around 1505 hours, I assisted Deputy T. Arlotti in a deputy involved shooting, which occurred at [REDACTED], in the Town of Apple Valley. I responded from [REDACTED]

At around 1510 hours, I arrived on scene.

**SCENE LOG:**

I started the crime scene log at around 1420 hours. I stood at the corner of [REDACTED] while completing the crime scene log. I took down names, employee numbers, rank, and the times of people that entered the crime scene.

At around 1810 hours, I handed Deputy D. Ciani the crime scene log. Ciani took possession of the crime scene log that I started and relieved me.

**PHOTOGRAPHS:**

I took several photographs of one of the ricochet bullet that hit the wall of apartment [REDACTED]. All photographs were taken with my department issued digital camera. The ricochet appeared to be about half an inch long and a centimeter wide.

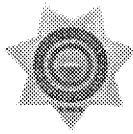

The apartment sits on the east side of [REDACTED] with an attached garage and the front door faced south. To the east of the door, is an 8-inch by 45-inch window which faced south-west. The ricochet of the bullet was about 2 inches under the bottom of the window. The ricochet was approximately 35 inches from the bottom of the ground to the ricochet mark and about 23 inches from the west edge of the wall to the ricochet mark.

I uploaded the photographs of the bullet ricochet to the Vault as evidence.

SHERIFF'S DEPARTMENT****DR# 182300724****Supplement # 006****NARRATIVE****ASSIGNMENT / ARRIVAL:**

On February 9, 2023, I was assigned to dayshift patrol in the town of Apple Valley. I was assigned as a Field Training Officer (FTO) with Deputy Madrigal. We both wore Class A uniforms and drove a marked sheriff's patrol unit. At approximately 1510 hours, Deputy Madrigal and I assisted Deputy Arlotti with a traffic stop which resulted in a legal force encounter near the intersection of [REDACTED] and [REDACTED] in the town of Apple Valley.

When we arrived, I immediately noticed a suspected bullet strike in the front window of Apartment [REDACTED] at the address of [REDACTED]. I immediately went to that address and made contact with the tenants of that apartment for a safety check.

**WITNESS STATEMENTS;**

I contacted [REDACTED] and her daughter, [REDACTED], in apartment [REDACTED] at the address of [REDACTED]. The following is a summary of their statements:

[REDACTED]

I first spoke to [REDACTED] outside of her apartment. The following is a summary of her recorded statements:

[REDACTED] had just gotten home from work and pulled her vehicle all the way into her driveway, up against her apartment, which sits on the far east side of the apartment complex and faced [REDACTED]. [REDACTED] walked out to the curb to pull her trashcans in from the side of the road and as she was back near her apartment, she heard commotion from directly across the street. [REDACTED] heard a voice yell "Put it down. Don't do it" repeated several times, and heard what she believed was three gunshots immediately after. [REDACTED] described the gunshots in succession, but they had a split second in between them and they were not as she described, not rapid fire shots.

Immediately after, [REDACTED] heard four to five additional gunshots in succession as she described as being rapid fire, one immediately after the other.

After the gunshots, [REDACTED] looked to the south, and saw a male and two females run across the front yard of her residence on [REDACTED] was the street just south of her residence. [REDACTED] immediately told one of the females who stopped and stood in the yard, to get down. [REDACTED] ran into her apartment and ducked behind her couch in her living room.

[REDACTED] did not have any more to add and did not have any further information after she had run into her apartment.

[REDACTED]

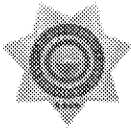

After speaking with [REDACTED], I spoke to her daughter, [REDACTED] in the back bedroom of their apartment. The following is a summary of her recorded statements:

[REDACTED] was in the living room of their apartment, sitting on the couch watching TV. [REDACTED] did

claim that she had the TV turned up very loud and she did not hear any commotion or any gunshots from outside of her apartment. As [REDACTED] watched TV, a bullet struck her bedroom window on the north side of their apartment.

I confirmed with [REDACTED] again that she did not hear any further gunshots or yelling outside and she confirmed that she did not.

This concluded my interview with [REDACTED]

### WITNESS STATEMENT - [REDACTED]

[REDACTED] lives in Apartment [REDACTED] at the address of [REDACTED]. I made contact with [REDACTED] at his front door and the following is a summary of his recorded statement:

[REDACTED] was in his kitchen in the back of his apartment on the far northeast side of the apartment. He told me he heard two gunshots and explained the gunshots as having different noises or different noise pitches. [REDACTED] described the first gunshot as being very high pitched and loud. But when he heard the second gunshot, it had a lower pitch. He stayed in his apartment and did look outside of his front window to check and make sure his car was okay, which was parked onto his driveway. [REDACTED] waited approximately seven minutes before he exited his apartment and did not witness anything further. [REDACTED] did not hear any yelling or screaming coming from outside while he was in his apartment.

He had nothing more to add and I concluded my contact with him.

### PROPERTY DAMAGE:

[REDACTED] and [REDACTED]'s apartment had a bullet strike in one of the west facing windows of the apartment. The window was to [REDACTED] bedroom window, which sat on the northwest side of the apartment. The bullet traveled through the east wall of her bedroom, which was a combined wall with [REDACTED] bedroom closet, located on the far northeast side of the apartment. The bullet traveled through the closet doors and then struck the headboard of [REDACTED] bed, which sat up against the far east wall in [REDACTED] bedroom. The fired bullet was located sitting on top of [REDACTED] bed on the bedsheet.

All of damage the bullet caused in the apartment was photographed by Deputy Montanez, with his department issued digital camera.

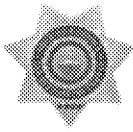

The bullet was collected. I used a latex glove to collect the bullet and place it into an evidence envelope. The envelope was secured in my patrol vehicle until it was released to Crime Scene Tech [REDACTED] when he arrived on scene.

**NARRATIVE****ARRIVAL/ASSIGNMENT:**

On Thursday, 02/10/2023, I was assigned uniform patrol in the town of Apple valley with my field training officer (FTO), Deputy Watson. I wore my department issued uniform and drove a marked Sheriff's patrol vehicle. At about 1505 hours, I responded to a shot's fired call off [REDACTED] and [REDACTED]. I responded from the Apple Valley Police station and arrived on scene at about 1505 hours. At about 1515 hours, I assisted Detective Felix Arreola with interviews and the preservation of any evidence on the house behind the incident location. At about 1516 hours, Arreola and I arrived at [REDACTED].

**DEPUTY INVESTIGATION:**

On scene we spoke with the homeowner, [REDACTED]. We asked [REDACTED] if they were alright and if it was possible if we could go into their back yard and locate any evidence of bullet holes and or fragments of the bullet. The agreed and we proceed to head to their back yard. The house was just west of the incident.

Detective Arreola and I took separate sides of the backyard and looked for anything that could possibly help with the investigation. After looking thought the back yard, we were unable to locate any evidence. The homeowner had a ladder and I used it to get a better view of the roof. I was unable to see any bullet fragments, fired bullets, or damage. The homeowner had a surveillance camera in the back with audio, and agreed to allow us to view.

**VIDEO SURVEILLANCE COLLECTION:**

Refer to Detective Arreola's supplemental report.

**WITNESS INTERVIEW:** [REDACTED]

At about 1520 hours, I spoke with [REDACTED] and his wife [REDACTED] both together in their back yard. This is a summary of their statements.

At about 1500 hours, [REDACTED] and [REDACTED] dog barked in their backyard. After their dog barked, [REDACTED] and [REDACTED] heard the sound of about three to five gun shots. [REDACTED] saw someone walk in the alley behind his property. [REDACTED] did not know if the subject was a deputy or another person. After the gunshots, [REDACTED] and [REDACTED] heard sirens so they figured something was going on. [REDACTED] and [REDACTED] responded to their backyard, retrieved their dog, and went inside their residence.

[REDACTED] and [REDACTED] could not get a full description of the subject who walked behind their house. [REDACTED] back yard fence had a green mesh netting around it, so they only saw a shadow like figure. According to [REDACTED] and [REDACTED], this was not the first time they heard gunshots in the complex behind them.

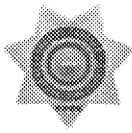

[REDACTED] and [REDACTED] had no further information of the incident; this concluded my interview with them.

I walked to the house next door, located at [REDACTED] north of the house I was previously at to make sure everybody was okay. I knocked on the door multiple times, but was unable to get a response at the door. I walked around the front of the house to see if there were any bullet holes. I looked at the side of the house as well, but no signs of any structural damage.

**CRIME REPORT****COPY****SAN BERNARDINO COUNTY  
SHERIFF'S DEPARTMENT****DR# 182300724****Supplement # 008****NARRATIVE****ASSIGNMENT/ARRIVAL:**

On Thursday, February 09, 2023, I was assigned to uniformed patrol in the Town of Apple Valley. I drove a marked Sheriff patrol vehicle and wore a department approved class "A" uniform. At about 1506 hours, I assisted in a traffic stop in the area of [REDACTED] in the Town of Apple Valley. I arrived on scene at about 1607 hours.

**OBSERVATIONS/ACTIONS:**

I arrived on scene and saw Deputy Torey Arlotti's patrol vehicle in the parking lot of an apartment complex, located at [REDACTED]. I heard Arlotti on the opposite side of a wooden fence, located on the south side of the complex. The wood fence led into the courtyard of the apartment complex. Arlotti gave commands to the suspect, later identified as, Joel Chavez, to not move. I jumped over the south fence and observed Chavez lay on his stomach on the ground. Arlotti gave Chavez multiple commands to place his hands behind his back and remain still. Chavez wore jean pants and a dark colored T-shirt.

Chavez complied with commands and placed his hands behind his back. I secured both of the Chavez' arms to the rear and placed him in handcuffs. As I handcuffed Chavez, he repeatedly said, "Fuck" multiple times.

Once Chavez was handcuffed, I double locked the handcuffs and checked them for proper fit. As Chavez lay faced down, I observed a deployed Taser dart affixed to the middle of his back. I observed a second deployed Taser dart and wires hanging loose away from Chavez' torso. I removed the affixed Taser dart from Chavez' back and ordered Chavez to his feet. Once Chavez stood up, I escorted him to the backseat of Arlotti's patrol vehicle.

I searched Chavez' person incident to arrest and located a black wallet in his pocket. The black wallet contained Chavez' California Identification card. I also removed a black and silver pocket knife and a black cellphone from Chavez' pants pocket. I placed Chavez' wallet, cellphone, and pocket knife in an envelope, which I secured under Arlotti's patrol vehicle's front windshield wiper.

After I secured Chavez' in the rear seat of Arlotti's patrol vehicle, I observed Arlotti place his deployed Taser cartridge on south wood fence of the apartment complex. I picked up Arlotti's deployed Taser cartridge, wrapped the wires around the cartridge, and secured both darts in the cartridge. I placed Arlotti's deployed Taser cartridge in an envelope, and secured it under Arlotti's patrol vehicle's front windshield wiper.

**MEDICAL EVALUATION:**

Apple Valley Fire Department (AVFD) personnel responded to the scene and evaluated Chavez. AVFD personnel evaluated Chavez' blood pressure and the Taser impacts on his back. AVFD personnel determined Chavez did not require further medical treatment and left the scene.

**TRANSPORT/SPONTANEOUS STATEMENTS:**

I escorted Chavez from Arlotti's vehicle to my patrol vehicle, I secured Chavez' seatbelt properly before transporting him to the Apple Valley Police Station. During my transport Chavez made a spontaneous statement and asked what he was going to be charged with, "shooting?" I did not answer Chavez when he asked and continued driving to the Apple Valley Police station.

I placed Chavez into a holding cell at the Apple Valley Police Station.

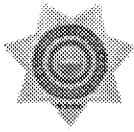

**INVESTIGATION:**

While at the Apple Valley Police Station I completed a Gun Shot Residue (GSR) kit on Chavez.

On Thursday, February 9, 2023, I was assigned to the Detective Bureau at the Apple Valley Police Station. I wore plainclothes with a department approved external canvas vest. The vest was green in color and had a San Bernardino County Sheriff's Department patch affixed above the left breast and the word "Sheriff" in bold yellow lettering affixed to the right breast and to the back. I drove an unmarked sheriff's vehicle and was equipped with my department approved duty firearm.

At approximately 1500 hours, I was at a search warrant service, located at [REDACTED] in the town of Apple Valley. At approximately 1506 hours, I heard Deputy Torey Arlotti broadcast "shots fired" over the radio. Assisting detective on the search warrant service and I immediately responded to our sheriff's vehicles. There we assigned ourselves to assist Deputy Torey Arlotti and drove to his location at [REDACTED]

I arrived on scene at approximately 1510 hours.

**OBSERVATIONS/ACTIONS:**

On arrival, I was instructed to contact neighboring residences, located east of [REDACTED] to see any property was struck by bullets and ensure there were no additional victims of the shooting. As I arrived at the front driveway of [REDACTED] I noticed one of the apartment windows was struck by a single bullet. Within moments, Deputy Kent Watson and I were contacted by a female resident of the apartment. After confirming there were no victims struck by the bullet, I responded the residence located at [REDACTED]

Refer to Deputy Kent Watson's report for further on the resident's statement.

**WITNESS CONTACT:** [REDACTED] (DOB [REDACTED])

On arrival to the front door of [REDACTED] I rang the ring camera doorbell. Moments later, a male voice came over the ring doorbell. The male subject identified himself as [REDACTED] (DOB [REDACTED]) The following is a summary of my recorded conversation with [REDACTED]

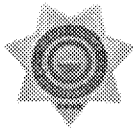

[REDACTED] is the homeowner and recently moved into his residence. After advising [REDACTED] of my reasoning for being at his front door, he informed me no one was at his house, and he was aware of the shooting. Specifically, [REDACTED] received a "notification" from his surveillance cameras just prior to my arrival. On review of the captured footage, [REDACTED] observed a male and female subject running east through his front yard, paralleling [REDACTED]. As the subjects ran through his yard [REDACTED] heard gun shots. As the gunshot went off both subjects were last seen running east on [REDACTED]. [REDACTED] ensured he would save the surveillance footage of the incident and would be available for contact when he returned home from work at approximately 1900 hours.

After speaking with [REDACTED] I check the exterior of his residence and did not locate any bullet strikes. This concluded my contact with [REDACTED]

**WITNESS INTERVIEW:**

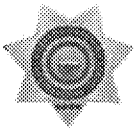

On Wednesday, March 29, 2023, at about 1752 hours, Detective Justin Carty and I conducted an interview with [REDACTED] in interview room #2 at the Victorville City Sheriff's Station, located at 14200 Amargosa Road, in Victorville. I recorded the interview with my department issued digital recorder, and I later placed a copy of the recording into the case file.

Prior to the interview, I explained to [REDACTED] I was there to speak with her about an incident she was involved in, that took place On Thursday, February 9, 2023, in Apple Valley. [REDACTED] knew what incident I was referring to. I told [REDACTED] I was requesting a voluntary statement from her, and she did not have to speak with me regarding the incident. I told [REDACTED] she was free to leave if she did not want to speak to me. [REDACTED] responded with, "I'll tell you exactly what happened." The following is a summary of our interview with [REDACTED]

[REDACTED] lived in a fifth wheel trailer near [REDACTED] [REDACTED] frequented Apple Valley because she had family who lived there. On Thursday, February 9, 2023, shortly before 1500 hours, [REDACTED] was at her cousin's house in Apple Valley. [REDACTED] was contacted by a male subject she called "Puppet", who she also knew as "Joel". Puppet was later identified as Joel Chavez (Date of Birth [REDACTED] Chavez was an acquaintance of [REDACTED], and she knew him for about 10 years. **WITNESS INTERVIEW CONTINUED:** [REDACTED]

As [REDACTED] crossed [REDACTED], she heard several gunshots. [REDACTED] heard bullets flying by her head. [REDACTED] heard the "whistle" of the bullets and believed the bullets got close to her. [REDACTED] heard at least 10 gunshots. The gunshots were not continuous, and [REDACTED] heard a pause in between the gunshots. [REDACTED] heard the gunshots coming from somewhere behind her, near the apartment complex where she parked her car.

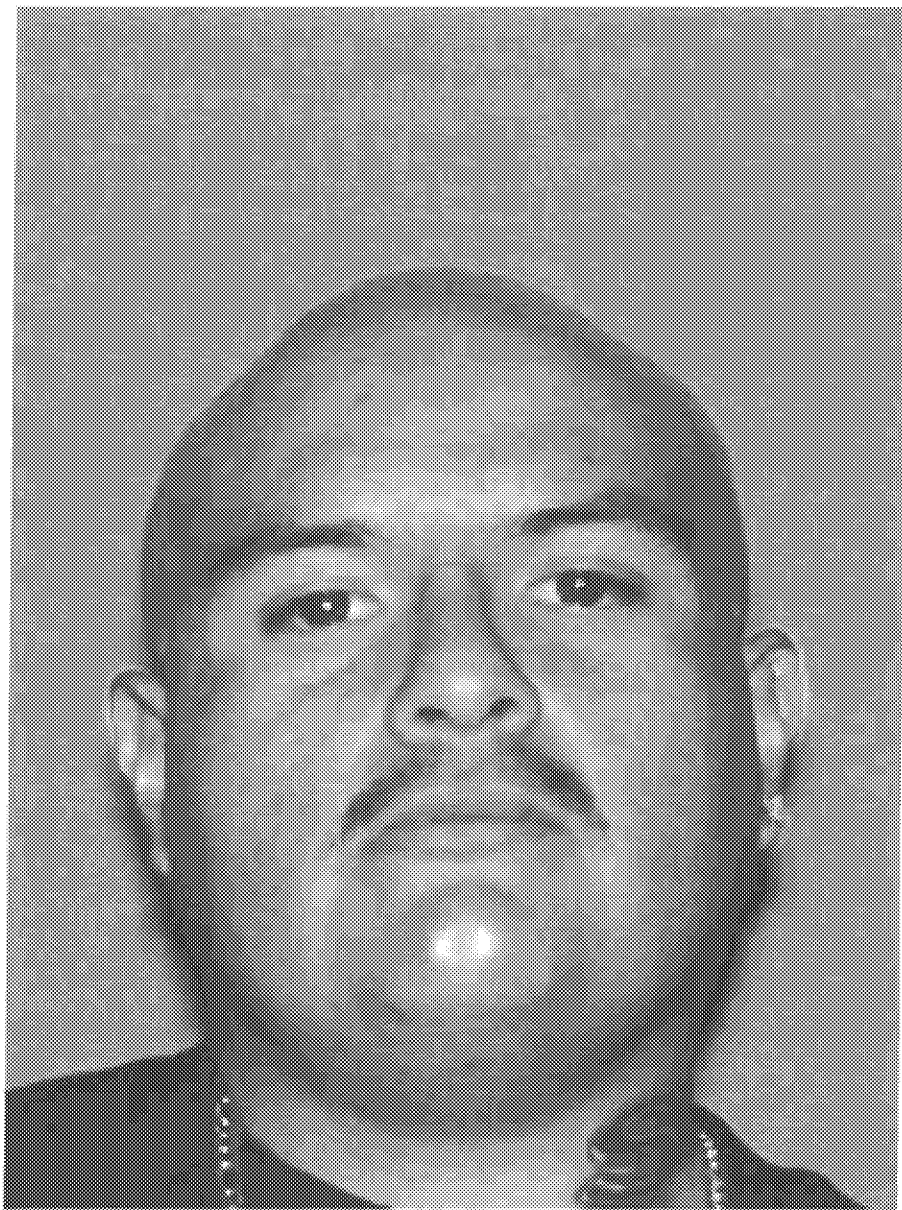

[REDACTED] ran east, down [REDACTED] and knocked on the door of an unknown residence because she was scared. No one answered the door, so she hid in the bushes of a residence until she felt safe to come out. [REDACTED] eventually walked to her sister's house because it was not far from where she hid. [REDACTED] did not see any of the passengers from the vehicle again. [REDACTED] did not see any additional deputies arrive at the incident location and did not hear any additional sirens. [REDACTED] did not look back toward the apartment complex after she ran away.

[REDACTED] could not remember what clothing Chavez wore on the day of the incident. Chavez had glasses, a shaved bald head, and no facial hair. [REDACTED] did not know Chavez had a gun on him and never saw him with a gun in the past. [REDACTED] did not know Chavez was going to run from the car when she pulled over. [REDACTED] did not see the deputy do anything wrong and thought what Chavez did was "fucked up". [REDACTED] never saw or spoke with Chavez since the incident.

[REDACTED] did not use methamphetamine on the day of the incident. [REDACTED] wanted to smoke methamphetamine with Chavez and believed Chavez had methamphetamine on him while in her vehicle. [REDACTED] denied owning the suspected methamphetamine found in her purse on the floor of her vehicle. [REDACTED] left her purse in the vehicle when she ran away. Chavez had access to her purse prior to the traffic stop because it was in the front seat with her. [REDACTED] insisted the suspected methamphetamine belonged to Chavez and she was not aware Chavez put it in her purse.

[REDACTED] positively identified Chavez through his California driver's license photograph. I showed [REDACTED] a photograph of Chavez that had no identifying information on it. [REDACTED] confirmed Chavez was who she referred to as "Puppet" and "Joel" during the interview. I asked [REDACTED] how confident she was in her identification of Chavez, and she stated, "That's Puppet".

[REDACTED] was unable to provide any additional information, and I concluded our interview with him.

Submitted Sheriff/Agency Case Number **18-2300724** (Lethal Force Encounter)

Because we receive more cases than we can work, it is necessary to prioritize criminalistics casework such as DNA, firearms, tool marks, impression comparisons, trace evidence, clandestine laboratory examinations, etc. The goal is to focus our efforts, so we may provide the most effective use of the laboratory's resources for all the law enforcement and justice agencies throughout San Bernardino County. The priority assigned to each case is based upon several factors including the probative potential of the evidence, the availability of laboratory resources, court dates, and other factors specific to your investigation.

**PRIORITY DESIGNATION HIGHLIGHTED BELOW**

**PRIORITY 1:** Cases assigned this highest priority have been assigned to an analyst and have a due date.

**PRIORITY 2:** This priority does not have a due date assigned but will be worked as time becomes available.

OVERVIEW

On February 09, 2023, at 1534 hours, I was assigned to assist San Bernardino County Sheriff's Homicide detectives with a lethal force encounter investigation. I responded to the scene, located at [REDACTED]. I arrived at the scene at 1727 hours and contacted Detective Gagne who requested that I process the involved parties at Apple Valley Sheriff's station. Detective Page was present during the processing of the involved parties, and evidence collection. Sheriff's Lead Crime Scene Specialist [REDACTED] was primary at the scene.

PHOTOGRAPHY

The following numbered overall, midrange, and close-up digital photographs were taken of the involved parties and related items of evidence.

## OVERVIEW

On Thursday, February 09, 2023, at about 1534 hours, I was assigned to assist San Bernardino County Sheriff's Homicide detectives with a lethal force encounter investigation. I responded to the scene, which was located at [REDACTED]. I arrived at the scene at 1714 hours, and made contact with Detective Carty who was present during the processing of the crime scene. Sheriff's Crime Scene Specialist [REDACTED] was on scene for training/assistance and Sheriff's Crime Scene Specialist [REDACTED] responded to the Apple Valley Sheriff's Station to process both involved parties.

## OBSERVATIONS

### SCENE

The crime scene occurred at an apartment complex on the west side of [REDACTED], in Apple Valley. The front/east side of the complex consisted of a concrete driveway and dirt and was surrounded by a low block wall. The rear/west side of the complex consisted of a dirt yard. The north side of the complex consisted of a concrete walkway/alleyway and the rear patios for Apartments [REDACTED].

### PLACARDS

During the course of the investigation several items were identified with numbered evidence placards. The following is a list of items identified with placards. Each numbered item corresponds to the placards as depicted in the photographs. Overall photographs were taken of the scene prior to the assignment of placards.

| Placard | 3 | Right shoe impression in dirt, located at the southeast corner of the rear/west dirt yard of the apartment complex. The direction of travel was northwest. Visually consistent impressions were marked with blue placards for photographs to show a trail. The trail traveled from the southeast corner of the yard northwest to the approximate center of the yard where the dirt became harder packed. Additional visually consistent impressions were observed in the approximate middle north side of the yard traveling northwest and turned eastbound at the north edge of the yard and traveled east onto the concrete at the northeast side of the rear/west dirt yard |
| Placard | 4 | Left shoe impression in dirt, located in the approximate center of the rear/west yard and shoe impression trail described as Placard 3. The direction of travel was northwest. Northwest of Placard 3                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

- Placard 5 Shoe impression trail in the rear/west dirt yard marked with red placards for photographs. The direction of travel of the trail was the same as the trail described as Placard 3 until the approximate middle north side of the yard where the impressions appeared to face in multiple different directions, near the fired cartridge cases at Placards 6 through 15. The trail was also observed near the north edge traveling north and then east onto the concrete at the northeast side of the dirt yard
- Placard 6 "WIN 9mm LUGER +P" fired cartridge case, located in the approximate center of the west area of the rear/west dirt yard, west of the trail described as Placard 5

### EXAMINATIONS AND RESULTS

#### **GUNSHOT TRAJECTORY:**

*Gunshot trajectory is the process of applying scientific knowledge to the examination of the size, shape, distribution and appearance of hole(s), strike(s), and defect(s) caused by fired projectiles in order to determine the flight path of the projectile(s) and likely location of the shooter(s).*

The fired bullet hole(s) and strike(s) in the scene were marked and when possible, were linked together with sequential lettering (i.e. 5, 5A, 5B) to indicate trajectory paths. The markings used were for identification purposes only and do not necessarily indicate the order of occurrence. For the fired bullet hole(s) and strike(s), identified, the following trajectory path(s) was/were determined.

17: This placard marked a bullet path that entered and exited the white fiberglass cover sheeting from the west side to the east side, traveled in between the plastic louvers on the west side of the swamp cooler and entered the internal swamp cooler pad. The bullet then traveled through the internal space of the swamp cooler and came to rest on the east side of the swamp cooler pad. This bullet traveled from west to east and downward.

26 – 26A: These placards marked a bullet path that entered the west side of the white fence post and exited the east side. This bullet traveled from west to east.

27: This placard marked a bullet path that struck the west side of the east block wall. This bullet traveled from west to east.

#### **TRAJECTORY CONCLUSIONS:**

The fired bullet path described as Placard 17, along with the fired cartridge cases described as Placards 6 through 15 was consistent with the shooter being located near the west edge of the rear/west dirt yard shooting in an east and downward direction.

The fired bullet paths described as Placards 26 through 26A and 27, along with the fired cartridge cases located at Placards 6 through 15 or 18 through 23, were consistent with the shooter(s) being located either near the west edge of the rear/west dirt yard or on the north side of the apartment complex between the rear patios for [REDACTED] shooting in an east direction.

#### **VISUAL SEARCH:**

Sheriff's Crime Scene Specialist [REDACTED] searched the fence west of the apartment complex for fired bullet holes with negative results.

#### **METAL DETECTOR:**

Sheriff's Crime Scene Specialist [REDACTED] searched [REDACTED] and dirt shoulder, east of the apartment complex and the front/east dirt yard for fired bullets using a metal detector with negative results.

#### **EVIDENCE**

I delivered the following evidence to the San Bernardino County Sheriff's Central Property and Evidence Unit.

*Storage and disposition of evidence is the responsibility of the San Bernardino Sheriff's Central Property and Evidence Unit. Unless otherwise stated, evidence is released to the control of Sheriff's Central Property and Evidence Unit for storage or disposition.*

**EXAMINATIONS**

The right and left hand adhesive discs in Item H were examined for gunshot residue particles by scanning electron microscopy/energy dispersive spectrometry (SEM/EDS).

**RESULTS AND CONCLUSIONS**

**Particles considered characteristic of gunshot residue are particles that contain the elements lead, barium, and antimony.**

**Item H – SEM GSR kit from Joel Chavez**

No characteristic gunshot residue particles were identified on the right hand adhesive disc.

One characteristic gunshot residue particle was identified on the left hand adhesive disc.

Characteristic gunshot residue particles can be deposited on the hands by firing a firearm, being in proximity of a discharging firearm, or by coming in contact with a surface that has GSR on it, including handling a firearm or ammunition.

*The results apply to the items tested as received by the agency.*
