FOOD RESOURCE GUIDE

Many families will be without CalFresh/SNAP support this season. As food insecurity grows, and our families have to make tough choices between toys for their kids, food, and other critical needs, we can still make a difference!

Please share the attached links and flyers with the families your organization serves, and forward any information about holiday food or toy giveaways you're hosting or hear about. Let's work together to make this holiday season little brighter for our community!
