

Clerk of the Board

385 North Arrowhead Avenue, San Bernardino, CA 92415-0120

Redistricting 2021

What is Redistricting?

Every ten years new census data requires San Bernardino County to redraw its supervisorial districts. Get involved by attending the public meetings or creating electronic draft maps. At the end of the process, the Advisory Redistricting Commission will recommend map options to the Board of Supervisors for consideration.

For more information on redistricting meetings or maps call 909-387-3841 or visit www.sbcountyredistricting.com
